### Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Tuesday, January 18, in the Board of Regents' board room, 1000 S.W. Jackson, Suite 520, Topeka, to consider the proposed amendments to regulations dealing with private and out-of-state postsecondary education and student health insurance

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comment on the proposed regulations. All interested parties may submit written comments prior to the hearing to Renee Burlingham, Kansas Board of Regents, 1000 S.W. Jackson, Suite 520, Topeka, 66612-1368. All interested parties will be given a reasonable opportunity to present their views orally on the proposed amendments to the regulations during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Renee Burlingham at (785) 296-3689.

Copies of the amendments and the economic impact statements may be found at http://www.kansasregents.org/forms\_documents or obtained by contacting Renee Burlingham at the above listed contact information. A summary of the proposed regulations and the economic impact follows:

**K.A.R. 88-28-1.** The purpose of this regulation is to revise the definition listed in K.A.R. 88-28-1 in order to allow approval of baccalaureate degrees to have a minimum of 120 credit hours instead of the current 124 hours.

Economic Impact: There is no anticipated economic impact on the board or any other governmental agencies or entities. There could be an economic impact upon those private and out-of-state post-secondary educational institutions to which the Act applies.

K.A.R. 88-30-1. The purpose of this regulation is to define important terms used throughout the student health insurance regulations. The proposed amendments would (1) include graduate assistants in the group of student employees who are eligible for the employer contribution to the cost of their health insurance premium, and (2) extend eligibility for student health insurance to student employees who are enrolled only in online courses if their work station is on the main campus of the employing university.

Economic Impact: There is no anticipated economic impact on the board. State universities would bear the cost of including graduate assistants to the group of employees for which the state pays an employer contribution; it is estimated that the cost would have been \$128,977 for the current plan year had graduate assistants been eligible for the employer contribution. Eligible graduate assistants will benefit from a reduction of the cost of their

health care premium by the amount of the employer contribution.

### Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 1:30 p.m. Tuesday, January 18, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of a proposed rule and regulation.

The 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to John Wine, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678, via facsimile at (785) 291-3673, or via email at jwine@ksinsurance.org. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

A summary of the proposed regulation and its economic impact follows:

**K.A.R. 131-1-1. Definition of purchase.** Pursuant to K.S.A. 75-4111, the Kansas Committee on Surety Bonds and Insurance created in K.S.A. 75-4101 submits the following summary and the economic impact of the above-referenced proposed regulation K.A.R. 131-1-1:

This regulation defines "purchase" for the purpose of clarifying when insurance connected to the lease of property is subject to the committee's oversight and approval.

The proposed regulation is not mandated by federal law.

The economic impact, if any, would be minimal because this clarifying regulation should not expand the range of insurance policies subject to committee oversight. There will be little or no economic impact on the Kansas Insurance Department, consumers, small businesses, or other governmental agencies.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and the economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting John Wine at (785) 296-7847 or via e-mail at jwine@ksinsurance.org. Any individual desiring a copy of this regulation and/or the policy and procedure that is being adopted by reference, if applicable, may obtain a copy from the Insurance Department's Web site at www.ksinsurance.org (under the Legal Issues link) or by contacting John Wine. The charge for copies is 50 cents per page.

The Kansas Department of Health and Environment received an application from Scott County to add 24.37 acres of facility area to its existing 26.1 acres for a total of 50.47 acres of landfill facility area. Scott County officials have proposed adding 12.05 acres of construction and demolition (C&D) landfill disposal area; this area will be added to its existing 1.1 acres of C&D disposal area for a total of 13.15 acres for C&D disposal. Through 1993, municipal solid waste was disposed in an area of 4.38 acres; thus, the total disposal area proposed at the facility is 17.53 acres. The additional 12.05 acres of C&D disposal area would add approximately 126,384 cubic yards of capacity or approximately 83.2 years of disposal at current disposal rates. The facility is located at 2460 E. Road 130, Scott City, 67871, in the Southwest Quarter of Section 28, Township 18 South, Range 32 West in Scott County, approximately 2 miles east of the junction of US-83 and 2 miles south of K-96 in Scott City. Existing solid waste management activities at this facility include construction and demolition (C&D) landfill, white goods and scrap metal storage, waste tire storage, tree and brush burn pit, temporary storage of municipal solid waste in drop-off containers, and post-closure care of closed municipal solid waste landfill areas.

The Scott County Commission has certified that the application described herein is consistent with its solid waste management plan and compatible with surrounding land use. KDHE is providing public notice of its intent to issue a permit to Scott County to allow the facility modifications described herein. However, a final decision to issue the permit has not been made, and KDHE will consider information gathered during the public comment period before making a final decision.

A copy of the administrative record, which includes the Engineering Report and permit application, engineering drawings, draft permit and other information with respect to this permit action, will be available for public review November 19-December 22, during normal business hours, at the following locations:

Comments that are postmarked by December 22 and received within one week thereafter also will be considered. After consideration of all formal comments as described above, KDHE will make a final decision on whether to amend the permit. Notice of the decision will be given to the applicant, to anyone who submitted formal comments, and to those who requested notice of the final permit decision.

### State of Kansas Office of the Securities Commissioner

### Request for Comments on Registration Exemptions for Investment Advisers to Private Funds

The Office of the Kansas Securities Commissioner (KSC) seeks public comment on potential regulatory changes contemplated by enactment of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Act).

Among many other reforms, the Act requires advisers to private funds (a/k/a hedge funds) with more than \$150 million in assets under management (AUM) to register with the Securities and Exchange Commission (SEC). However, the Act left to the states the regulation of investment advisers to private funds with less than \$150 million in AUM. Without amendment to current Kansas regulations, these advisers must register with KSC on July 21, 2011, the effective date of the Act.

Though KSC takes very seriously its historical role in protecting small, retail investors from unethical practices and fraud, it understands that current law, with some exceptions, prevents small investor participation in private fund offerings. Further, the adviser regulatory regime designed to protect small investors may not adequately accommodate the legitimate, value-generating business models of private funds. Therefore, KSC is considering an exemption for private fund advisers that would maintain investor protections, reduce regulatory burden, and encourage capital formation and investment.

With respect to private fund advisers, the Act becomes effective July 21, 2011; however, submission of public comment at this early stage will assist KSC in creating sound, reasonable policy in a timely manner. Though KSC seeks comment with respect to the matters listed below, this request is not the final opportunity for public comment. After KSC drafts and publishes in the Kansas Register a proposed rule, the public will have additional opportunity for comment.

KSC appreciates public comment on one or all of the following, as the commentator's knowledge, expertise and experience permit:

- 1. What is the extent of private fund activity in Kansas currently, with funds of any size and both within and outside of banks, and what types of investment strategies do they typically pursue?
- 2. Should KSC adopt the same or different rules with regard to advisers to funds formed pursuant to Section 3(c)(1) of the Investment Company Act of 1940

- (ICA) and those formed pursuant to Section 3(c)(7) of the ICA? What are the consumer protection consequences of regulating advisers to these funds in the same manner?
- 3. The Act exempts from SEC registration advisers to a "venture capital fund," though it does require these advisers to follow SEC recordkeeping and reporting requirements. Though the SEC is yet to define "venture capital fund," what policy changes, if any, should KSC consider with regard to registration or regulation of advisers to venture capital funds?
- 4. Should KSC adopt rules or provide exemptions with regard to advisers to funds formed pursuant to Section 3(c)(5) of the ICA?
- 5. Requiring advisers to private funds to provide yearly audited financial statements of the fund to investors reduces the possibility of fraud. What are the advantages and disadvantages of requiring a private fund adviser, as a condition of their registration exemption, to provide to investors the private fund's yearly audited financial statements?
- 6. Should KSC apply current adviser bonding requirements to advisers to private funds?
- 7. What are the typical qualifications of advisers to Kansas-based private funds? Should KSC require certain minimal examinations and expertise for private fund advisers?
- 8. Recent changes to financial institution affiliate transaction rules prohibit banks from certain private fund transactions and management arrangements. Will banks with these types of operations spin off their advisory personnel, and if so, to what extent are the needs of these fund advisers different than that of other private fund advisers?
- 9. Government funds available for borrowing by Small Business Investment Companies (SBICs) are subject to unpredictable congressional appropriation and increasing regulatory scrutiny. Might some SBICs choose to forgo SBIC regulation and convert to a state-sponsored regime if one were available? If so, what characteristics of a state-sponsored regime might be attractive to an SBIC?
- 10. What other factors should KSC consider in drafting exemptions or rules for advisers to private funds under state jurisdiction, or generally in response to the Act to enhance and improve capital formation and the Kansas economy?

Persons submitting comments are asked to include a description of their knowledge, expertise and experience in these matters, as well as their contact information. Comments should be in a PDF or Microsoft Word document and may be e-mailed to ksc@ksc.ks.gov (e-mailed comments also should include the text of the comment in the body of the e-mail) or may be mailed to the Office of the Kansas Securities Commissioner, Attn: Private Fund Adviser Comments, 109 S.W. 9th, Suite 600, Topeka, 66612. Comments should be received by the close of business December 17.

### Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Tuesday, January 18, at the Office of the Securities Commissioner, 109 S.W. 9th, Suite 600, Topeka, to consider the amendment of K.A.R. 81-2-1, 81-3-6 and 81-14-5. The regulations are proposed for adoption on a permanent basis.

K.A.R. 81-3-6 sets forth a list of dishonest and unethical practices that constitute grounds for discipline against a broker-dealer or agent. Similarly, K.A.R. 81-14-5 sets forth the dishonest and unethical practices for investment advisers and investment adviser representatives. The proposed amendments would make it unethical for a broker-dealer, agent, investment adviser or investment adviser representative to violate the requirements of existing federal law while obtaining benefits for clients from the Department of Veterans Affairs. The amendments to K.A.R. 81-2-1 provide for adoption of the federal statutes and regulations by reference.

The amendments are not expected to result in increased costs to registrants because any person who provides services to veterans is already required to comply with the rules of the Department of Veterans Affairs. However, a violation of the federal rules will now constitute an unethical practice under state law and may result in statelevel sanctions against a registrant. Costs associated with record-keeping are expected to be minimal because the amendments merely require retention of records that are already mandated by the Department of Veterans Affairs. The proposed amendments are not expected to have a significant economic impact upon the Office of the Securities Commissioner because compliance will be monitored in conjunction with regular examinations of registrants, and violations will be resolved like other deficiencies discovered during the course of the examinations. The amendments will have no known economic impact on the investing public, small employers (other than broker-dealers and investment advisers), or any other governmental agency or entity.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing by addressing them to the Kansas Securities Commissioner, 109 S.W. 9th, Suite 600, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation. Following the hearing, all written and oral comments submitted by interested parties will be considered by the commissioner as a basis for making changes to the proposed regulations.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for ac-

commodation should be made at least five working days in advance of the hearing by contacting Michelle Lancaster at (785) 296-5215 or the Kansas Relay Center at (800) 766-3777. Handicapped parking is located on 9th Street or Kansas Avenue, and the hearing room is accessible to individuals with disabilities.

Copies of the full text of the proposed regulations and the economic impact statement may be obtained by writing to the Office of the Securities Commissioner at the address above, by e-mail request to ksc@ksc.ks.gov, or by visiting http://www.securities.state.ks.us/.
