Public Notice

The state of Kansas will submit by December 31 an updated annual report for administration of the block grant to states for Temporary Assistance for Needy Families (TANF). TANF provides assistance to needy families with children and provides parents with job preparation, work and support services to enable them to leave the program and become self-sufficient.

Federal law requires that a specified percentage of recipients of Temporary Assistance for Needy Families be engaged in work or work activities. In determining if a state meets its minimum participation requirement, a state is allowed a credit for reducing the size of its TANF caseload.

The Department of Social and Rehabilitation Services has prepared a report on its caseload reduction estimates and the methodology used to arrive at the estimates. Copies of this report, the state plan and annual report are available by contacting the Department of Social and Rehabilitation Services at (785) 296-2968. Comments should be sent by December 21 to Judy Kennedy, Department of Social and Rehabilitation Services, Suite 580, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612. Comments also may be faxed to (785) 296-6960 or emailed to Judy.Kennedy@srs.ks.gov.

Department of Transportation

Request for Applications for FTA Program Funding

The Kansas Department of Transportation, Office of Public Transportation is now accepting applications for the Federal Transit Administration (FTA) programs:

- U.S.C. 49-5310 — Specialized Transportation for the Elderly and Disabled
- U.S.C. 49-5311 — General Public Transportation in Nonurbanized Areas
- U.S.C. 49-5311 (f) — Intercity Public Transportation in Nonurbanized Areas
- U.S.C. 49-5316 — Job Access Reverse Commute (JARC)
- U.S.C. 49-5317 — New Freedom

The application is to cover applicant agencies' needs for state fiscal year 2013 (July 1, 2012 through June 30, 2013). The application is required annually from all KDOT-funded 5310, 5311, 5316 and 5317 transit provider agencies including those not requesting capital and/or operating expenses.

The **5311(f)** Intercity Public Transportation application is to cover applicant agencies' needs for January 1, 2012 through June 30, 2013.

The application is available on the KDOT Public Transportation website at <http://www.ksdot.org/burTransPlan/pubtrans/index.asp>.

The purpose of the U.S.C. 49-5310 program is to provide funds to support private nonprofit corporations and authorized governments to provide transportation services to meet the special needs of the elderly and persons with disabilities. Federal funding under this program is available for capital expenditures only. State funding is available for operating expenses up to maximum of \$4,000.

The purpose of the U.S.C. 49-5311 program is to provide funds to support rural and nonurbanized (cities less than 50,000 population) public transportation projects. The goal of the U.S.C. 49-5311 program is to provide services to the general public on an equal opportunity basis. Funds can be used for either operating or capital expenses.

The purpose of the U.S.C. 49-5311(f) program is to support the connection between nonurbanized areas and the larger regional or national system of intercity bus and to support services to meet the intercity travel needs of residents in nonurbanized areas.

The purpose of the U.S.C. 49-5316 Job Access & Reverse Commute (JARC) program is to improve access to transportation services to employment and employment-related activities for welfare recipients and eligible low income individuals and to transport residents of urbanized and nonurbanized areas to suburban employment opportunities.

The U.S.C. 49-5317 New Freedom formula grant program aims to provide additional tools to overcome existing barriers facing Americans with disabilities and seeks to reduce the barriers to transportation services and expand the transportation mobility options available to

people with disabilities beyond the requirements of the Americans with Disabilities Act (ADA) of 1990.

The state funding for urban and rural public transportation for the state fiscal year 2013 is budgeted at \$6 million. With the challenging financial situation facing the state of Kansas, it is possible that state fund availability could be reduced, which may increase the requirement for local match.

Applications for the 5310, 5311, 5316 and 5317 funds must be local units of government, Indian tribes, or private nonprofit organizations registered with the Kansas Secretary of State to do business in Kansas. In addition, all applicants must be an active member in good standing of their Coordinated Transit District (CTD) in order to receive funding. Those agencies applying for funds in the metropolitan areas of Kansas City, Wichita, Lawrence and Topeka need to contact their respective Metropolitan Planning Organization (MPO) to ensure that their application request is included in the MPO's Transportation Improvement Program (TIP).

When downloading the applications from the Internet, potential applicants will need the appropriate application form, application instructions and vehicle cost estimates. The CTD and KDOT contact lists also are available on the website. Any potential applicants that do not have Internet access can request an application by contacting the KDOT Public Transit Office.

The application must indicate whether the request is for replacement vehicles, an expansion of services currently provided, a new start application, or if the application is for the funding of only operating assistance. "New Start" is defined as any proposed service that was not previously in existence. "Expansion" is defined as adding transit service to areas not already receiving services (for example: providing services to new locations or adding evening and weekend service.)

KDOT has developed selection criteria to be used by the Kansas Coordinated Transit District Council (KCTDC) in evaluating the capital request applications. The applications will be ranked by the KCTDC in February 2012. After the application ranking by the KCTDC, KDOT staff will use the selection criteria in its evaluation of the applications. It should be noted that all items on the application must be completed. Points will be deducted in the ranking process for missing or incomplete information.

All applications must be received by 3 p.m. Friday, January 27, at the KDOT Office of Public Transportation, 2nd Floor (Planning), Eisenhower State Office Building, 700 S.W. Harrison, Topeka, 66603-3745. Applications received after the deadline will not be accepted.

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding two proposed air quality permits. Western Plains Energy, LLC has applied for a construction permit in accordance with the provisions of K.A.R. 28-19-300 to construct an anaerobic digester for the production of biogas, which will be utilized by its ethanol manufacturing facility, and a Class II operating permit modification, in accordance with the provisions of K.A.R. 28-19-540. Emissions of nitrogen oxides (NOx), sulfur dioxide (SO₂), carbon monoxide (CO), particulate matter with an aerodynamic diameter less than or equal to 10 micrometers (PM₁₀), volatile organic compounds (VOC) and hazardous air pollutants (HAPs) were evaluated during the permit review process. The purpose of a Class II permit is to limit the potential-to-emit for these pollutants to below major source thresholds.

Western Plains Energy, LLC, 3022 County Road 18, Oakley, 67748, owns and operates the stationary source located at the same address, at which the anaerobic digestion process is to be constructed.

A copy of the proposed permits, permit applications, all supporting documentation and all information relied upon during the permit application review process is available for public review for a period of 14 days from the date of publication, during normal business hours, at the KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka; and at the KDHE Northwest District Office, 2301 E. 13th St., Hays. To obtain or review the proposed permits and supporting documentation, contact Rasha S. Allen, (785) 296-1693, at the KDHE central office; and to review the proposed permit only, contact Shelly Briley, (785) 625-5663, at the KDHE Northwest District Office. The standard departmental cost will be assessed for any copies requested.

Any member of the public may request a public hearing be conducted to receive comments on the proposed issuance of the draft air quality construction permit. Written requests to hold a public hearing should be sent to the attention of Sharon Burrell at the address listed above or by fax to (785) 291-3953 and must be received by noon December 22. If a request is received, a public hearing is tentatively scheduled by KDHE from 5 to 7 p.m. December 28 in the upstairs meeting room at Mitten's Truck Stop, I70, Highway 40, Exit 76, Oakley. If no requests to hold the public hearing are received by this date and time, the public hearing will be cancelled.

Written comments or questions regarding the proposed permits may be directed to Rasha S. Allen, KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received not later than the close of business December 22.

Executive Reorganization Order (ERO) #38 has transferred these powers, duties and regulatory authority to the Kansas Department of Health and Environment, Division of Health Care Finance. The ERO provides that KDHE will be the single state agency for Medicaid, Medikan and HealthWave in Kansas effective July 1, 2011.

This 30-day notice of the public hearing shall constitute a public comment period for the proposed regulation as stated in K.S.A. 2010 Supp. 77-421(a)(3). Permanent Administrative Regulations

**Article 3.—TERMINATION OF
COMPENSABLE CASES**

51-3-8. Pretrial stipulations. The parties shall be prepared at the first hearing to agree on the claimant's average weekly wage, unless the weekly wage is to be made an issue in the case.

(a) Before the first hearing takes place, the parties shall exchange medical information and confer as to what issues can be stipulated to and what issues are to be in dispute in the case. The following stipulations shall be used by the parties in every case:

QUESTIONS TO CLAIMANT

- (1) In what county is it claimed that claimant met with personal injury by accident? If in a different county from that in which the hearing is held, then the parties shall stipulate that they consent to the conduct of the hearing in the county in which it is being held.
- (2) Upon what date is it claimed that claimant met with personal injury by accident?
- (3) Upon what date is it claimed that claimant met with personal injury by repetitive trauma?

QUESTIONS TO RESPONDENT

- (4) Does respondent admit that claimant met with personal injury by accident on the date alleged?
- (5) Does respondent admit that claimant met with personal injury by repetitive trauma on the date alleged?
- (6) Does respondent admit that claimant's alleged personal injury "arose out of and in the course" of claimant's employment?
- (7) Does respondent admit proper notice?
- (8) Does respondent admit that the relationship of employer and employee existed?
- (9) Does respondent admit that the parties are covered by the Kansas workers compensation act?
- (10) Did the respondent have an insurance carrier on the date of the alleged accident? If so, what is the name of the insurance company? Was the respondent self-insured?
- (11) Does respondent admit that the accident or repetitive trauma was the prevailing factor causing the injury, the medical condition, and the resulting disability or impairment?

QUESTIONS TO BOTH PARTIES

- (12) What was the average weekly wage?
- (13) Has any compensation been paid?
- (14) Has any medical or hospital treatment been furnished? Is claimant making claim for any future medical treatment?

- (15) Has claimant incurred any medical or hospital expense for which reimbursement is claimed?
- (16) What was the nature and extent of the disability suffered as a result of the alleged injury?
- (17) What medical and hospital expenses does the claimant have?
- (18) What are the additional dates of temporary total disability, if any are claimed?
- (19) Is the workers compensation fund to be impleaded as an additional party?
- (20) Have the parties agreed upon a functional impairment rating?

The same stipulations shall be used in occupational disease cases, except that questions regarding "personal injury" shall be changed to discover facts concerning "disability from occupational disease" or "disablement."

(b) An informal pretrial conference shall be held in each contested case before testimony is taken in a case. At these conferences the administrative law judge shall determine from the parties what issues have not been agreed upon. If the issues cannot be resolved, the stipulations and issues shall be made a part of the record.

(c) The respondent shall be prepared to admit any and all facts that the respondent cannot justifiably deny and to have payrolls available in proper form to answer any questions that might arise as to the average weekly wage. Evidence shall be confined to the matters actually ascertained to be in dispute. The administrative law judge shall not be bound by rules of civil procedure or evidence. Hearsay evidence may be admissible unless irrelevant or redundant.

(d) All parties shall be given reasonable opportunity to be heard. The testimony taken at the hearing shall be reported and transcribed. That testimony, together with documentary evidence introduced, shall be filed with the division of workers compensation, where the evidence shall become a permanent record. Each award or order made by the administrative law judge shall be set forth in writing, with copies mailed to the parties.

(e) Permission to withdraw admissions or stipulations shall be decided by the administrative law judge, depending on the circumstances in each instance.

(f) Subpoena forms shall be furnished by the director upon request. The party subpoenaing witnesses shall be responsible for the completion, service, and costs in connection with the subpoenas. (Authorized by K.S.A. 44-573; implementing K.S.A. 2010 Supp. 44-523, as amended by L. 2011, ch. 55, sec. 17, and K.S.A. 2010 Supp. 44-551; effective Jan. 1, 1966; amended Jan. 1, 1969; amended Jan. 1, 1973; amended Jan. 1, 1974; amended May 1, 1976; amended Feb. 15, 1977; amended May 1, 1978; amended May 1, 1983; amended May 22, 1998; amended Dec. 23, 2011.)
