Department of Transportation**Notice of Public Auction**

The secretary of the Kansas Department of Transportation will offer for sale at public auction at 11 a.m. Tuesday, July 9, on the premises, the following parcel:

Tract 3170 — 30 'u'**1.33 acres in Garden City, Kansas****South of Cummings Rd., West of VFW Road**

A tract of land in the Northeast Quarter of Section 2, Township 24 South, Range 33 West of the 6th P.M., described as follows: COMMENCING at the Northeast corner of said Quarter Section; thence on an assumed bearing of South 01 degree 12 minutes 50 seconds West, 1759.44 feet along the East line of said Quarter Section to the Southeast corner of a parcel of land as recorded in Deed Book 228, Page 613 in the Register of Deeds Office, Finney County, Kansas; thence North 88 degrees 26 minutes 18 seconds West, 30.00 feet along the South line of said parcel to the Westerly right of way line of an existing public road and the POINT OF BEGINNING; FIRST COURSE, thence continuing North 88 degrees 26 minutes 18 seconds West, 630.35 feet along said South line to the Southwest corner of said parcel; SECOND COURSE, thence North 01 degree 12 minutes 50 seconds East, 85.25 feet along the West line of said parcel to the Southerly right of way line of the existing access road; THIRD COURSE, thence North 89 degrees 39 minutes 55 seconds East, 562.23 feet along said Southerly right of way line; FOURTH COURSE, thence South 46 degrees 06 minutes 10 seconds East, 92.93 feet along said Southerly right of way line to the said Westerly right of way line of an existing public road; FIFTH COURSE, thence South 01 degree 12 minutes 50 seconds West, 41.27 feet along said Westerly right of way line to the POINT OF BEGINNING. The above described tract contains 1.33 acres, more or less.

The minimum acceptable bid is \$8,650.

An inspection of property will take place at 10 a.m. on the day of the sale.

Terms of Sale:

Payment of \$865, representing 10 percent of the minimum acceptable bid, is due at the time of the sale. The balance of the purchase price must be paid on or before 3 p.m. Friday, August 9, 2013. The successful bidder will receive a bill of sale on the day of the sale and a quit claim deed after the balance is paid. If the balance of the purchase price is not paid on or before 3 p.m. Friday, August 9, 2013, the 10 percent down payment will be forfeited to the seller.

For additional terms and information contact the Bureau of Right of Way at 877-461-6817.

The seller reserves the right to reject any and all bids and is not responsible for accidents.

Sold Subject to the Following:

The tract will be sold subject to the easement for the right of ingress and egress, reconstruction and maintenance of all existing utilities and appurtenances thereto, as well as the following restrictive covenant: Grantees, for their heirs and assigns, do hereby covenant and agree, said covenant to run with the land, that the land conveyed herein shall not be used for billboards, signboards or other outdoor advertising purposes.

The prospective buyer is encouraged to research the chain of title of the tract.

The Kansas Department of Transportation makes no representations concerning the condition, value or suitability of use for this property or the improvements, attachments, fixtures, apparatuses and appliances thereof, if any. The property and said improvements, etc., will be sold in the present "as is" condition, without warranties or guarantees of any kind.

The Kansas Department of Transportation ensures the acceptance of any bid pursuant to this notice will be without discrimination on the grounds of sex, race, color, religion, physical handicap or national origin.

Children's Cabinet and Trust Fund**Request for Proposals**

The Kansas Children's Cabinet and Trust Fund announces the release of a request for proposals (RFP) through the Community-Based Child Abuse Prevention (CBCAP) Program. The RFP opportunity is to assist communities to fund targeted direct-service strategies that will reduce the likelihood of abuse and neglect and increase the likelihood of children having safe, stable and nurturing relationships in their families and communities. Eligible applicants are nonprofit agencies/organizations, including faith-based and community organizations, or county governments with expertise in providing primary and secondary prevention services to the 0 to 18-year-old populations with an emphasis on the 0 to 5-year-old populations and their families.

Approximately \$700,000 is available through this RFP. Grants can range from \$50,000 to \$150,000 and run one year, with one renewal possible depending on funding and outcomes. Applications and a PDF copy are due by 5 p.m. June 21 and may be mailed to the Kansas Children's Cabinet and Trust Fund, Room 152, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612. Applications will include one original and five hard copies received along with an electronic copy sent to Dyogga.Adegbore@dcf.ks.gov.

Code Mortgage Rate for June

Pursuant to the provisions of K.S.A. 16a-1-301, Section 11, the code mortgage rate during the period of June 1, 2013 through June 30, 2013, is 12 percent.

The reference rate referred to in the definition of "code mortgage rate" set forth in K.S.A. 16a-1-301(11)(b)(1) is discontinued, has become impractical to use, and/or is otherwise not readily ascertainable from the Federal Home Loan Mortgage Corporation.

Doc. No. 041613

State of Kansas

Secretary of State

Usury Rate for June

Pursuant to the provisions of K.S.A. 16-207, the maximum effective rate of interest per annum for notes secured by all real estate mortgages and contracts for deed for real estate (except where the note or contract for deed permits adjustment of the interest rate, the term of the loan or the amortization schedule) executed during the period of June 1, 2013 through June 30, 2013, is 4.93 percent.

Effective July 1, 2013, the provisions of K.S.A. 16-207 are revised. The floating cap is removed on the interest rate charged for first real estate mortgage loans and contracts for deed to real estate, and the obligation is removed of the secretary of state to publish notice of the maximum effective rate of interest per annum for notes secured by all real estate mortgages and contracts for deed to real estate. The parties will be subject to continuing law which provides a rate that cannot exceed 15.0 percent per annum, unless otherwise specifically authorized by law.

Doc. No. 041586

(Published in the Kansas Register June 6, 2013.)

South Central Kansas Economic Development District

Request for Bids

The South Central Kansas Economic Development District (SCKEDD) in Wichita administers the federally funded Kansas Weatherization Assistance Program in a 13-county region in south central Kansas. SCKEDD is in the process of identifying all potential vendors and contractors for the upcoming 2013 Program Year.

Vendors are needed who supply the following materials: cellulose, mechanical fan kits that meet ASHRAE 62.2 requirements for weatherization, HVAC equipment and general construction materials.

A contractor is needed that is a licensed electrician capable of adding dedicated electrical circuits for furnaces and installing mechanical ventilation systems per ASHRAE 62.2 standards. Fan kits will be provided by SCKEDD.

SCKEDD also is seeking one contractor that can perform weatherization work in the following counties with SCKEDD's estimated number of units in parenthesis: Barber (2), Chautauqua (1), Cowley (13), Elk (1), Harper (2), Kingman (3), McPherson (10), Pratt (3), Reno (23), Rice (3), Sedgwick (175), Stafford (1) and Sumner (8). Because SCKEDD employs weatherization crews, only the work that can't be performed in-house will be contracted out. Weatherization work includes performing air sealing, repairing broken windows, adding weather-strips to exterior doors, installing plastic vapor barriers in crawl spaces, insulating foundation walls and floors using fiberglass batting material, installing dense pack blown cellulose insulation in exterior walls, installing roof vents and insulating attics with blown cellulose. Mobile home weatherization work includes repairing duct work systems and installing blown fiberglass insulation into bellies, walls and roof cavities. Work will be performed on single-family dwellings and mobile homes. All weatherization contractors will be responsible for complying with the EPA's Renovation Repair and Painting (RRP) regulations as enforced by KDHE in Kansas. KDHE and Kansas weatherization requires all licensed firms to employ only certified renovators to perform weatherization work.

Contractor requirements include, but are not limited to:

- OSHA 10/30 certification
- Capability to be licensed in all municipalities served by SCKEDD weatherization
- RRP renovation firms licensed with KDHE
- All workers licensed as RRP renovators with KDHE
- All workers have completed LSWP training provided by the U.S. Department of Energy

Contracts will be offered until March 31, 2014, with an option to extend the contract for up to three additional one-year periods at the discretion of SCKEDD and the approval of the Kansas Housing Resources Corporation.

A mandatory bidder's conference will take place to answer all questions regarding the distributed bid packets. If you are unable to attend in person, teleconference ca-

pabilities will be provided. The bid sheets provided will require contractors and vendors to provide line-item prices by county for all items listed above. If you wish to receive a bid packet and be notified when the bidder's conference will take place, please contact the SCKEDD Weatherization Program not later than noon June 13 at SCKEDD, 3737 N. Hillside, Wichita, 316-425-8844. SCKEDD encourages minority, women-owned, and small business vendors and contractors to apply. EOE/Equal Opportunity is the law.

Department of Health
and Environment

Notice of Hearing

The Kansas Department of Health and Environment has prepared a proposed Kansas Water Pollution Control Permit, A-BBMS-S053, for Lee Kohake, located in Axtell, Kansas. The proposed permit is for a new facility for 2,499 head (999.6 animal units) of swine weighing more than 55 pounds for an enclosed swine building with an underground concrete manure waste pit that will be constructed at this site. The facility is located in the SE/4 of Section 27, Township 2 South, Range 10 East in Marshall County, Kansas. A notice in the Kansas Register dated March 28, 2013, informed the public of the availability of the proposed water pollution control permit for Lee Kohake.

In conformance with Kansas Administrative Regulation 28-16-61, a public hearing on the proposed permit has been scheduled at 5:30 p.m. Thursday, July 11, at the Axtell Firehouse, 306 Maple St., Axtell.

Copies of the permit application, the proposed KDHE permit, and other pertinent documents may be viewed at the following address or may be obtained by contacting the Kansas Department of Health and Environment, Bureau of Water, Livestock Waste Management Section, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367, 785-296-6432 or fax 785-296-5509. Appropriate copying charges will be assessed for each request.

and Environment

Doc. No. 041626

State of Kansas

Department of Health
and EnvironmentNotice of Hearing on Proposed
Administrative Regulations

The Kansas Department of Health and Environment, Division of Environment, Bureau of Waste Management (BWM), will conduct a public hearing at 1:30 p.m. Tuesday, August 6, in Room 530, Curtis State Office Building, 1000 S.W. Jackson, Topeka, to consider the adoption of proposed new solid waste regulations K.A.R. 28-29-1600 through 28-29-1608 concerning land-spreading of drilling waste. In anticipation of increased horizontal drilling activity in Kansas, K.S.A. 65-3407c was amended to allow land-spreading of solid waste generated by drilling oil and gas wells with the approval of the Kansas Corporation Commission (KCC). A summary of the proposed regulations, environmental benefit and estimated economic impact follows.

Summary of Regulations:

K.A.R. 28-29-1600. Land-spreading; definitions and adoptions. This regulation defines terms that are used in K.A.R. 28-29-1601 through 28-29-1608 and adopts documents that are referenced in these regulations.

K.A.R. 28-29-1601. Land-spreading; general requirements. This regulation contains general information about the size of the disposal area, the time period, and the waste that will be covered by a single land-spreading application.

K.A.R. 28-29-1602. Land-spreading; application. This regulation describes in detail the certifications, maps, analyses and other information that must be included in a land-spreading application. The application fee is set in K.S.A. 65-3407c.

K.A.R. 28-29-1603. Land-spreading; sampling and analysis of soils. This regulation establishes the sampling procedures and the analytical requirements for determining the chloride concentration and the soil characteristics of the land-spreading site.

K.A.R. 28-29-1604. Land-spreading; conditions for disposal. Describes the criteria that must be met in order for the KCC to approve a land-spreading application. As required by K.S.A. 65-3407c(8), the regulation states that the application will not be approved if the water table is less than 10 feet below the surface, if there is documented groundwater contamination, or if less than three years have passed since the previous land-spreading occurred at the site. In addition, this regulation requires the following: the drilling mud must be water-based; the predicted radioactivity level from naturally occurring radioactive material (NORM) must be no more than 1.5 times the highest NORM level found in drilling waste samples collected from Kansas wells and no more than 370 Bq/kg (10 pCi/g); the chloride concentration in the soil must be less than 300 parts per million (ppm) if the disposal site has previously been used for land-spreading and less than 500 ppm if the disposal site has not previously been used for land-spreading; and the chloride concentration of any irrigation water must be less than 350 ppm. This regulation also establishes buffer zones and describes the topographic and soil profile criteria that must be met.

K.A.R. 28-29-1605. Land-spreading; sampling and analysis of drilling waste. This regulation establishes the sampling procedures and the analytical requirements for determining the chloride concentration of the drilling waste.

K.A.R. 28-29-1606. Land-spreading; determination of land-spreading rates. This regulation describes the procedures that must be followed to determine the amount of drilling waste that may be disposed of at a land-spreading site, based on the chloride concentrations of the soil and the drilling waste. The chloride concentration in the soil after land-spreading occurs must be no more than 900 ppm. The thickness of the drilling waste after it is spread may be no more than two inches.

K.A.R. 28-29-1607. Land-spreading; operating and management requirements. This regulation establishes the requirements for managing and land-spreading the drilling waste at the disposal site, including corrective measures, if required, and land restoration.

K.A.R. 28-29-1608. Land-spreading; reporting and record-keeping. This regulation describes what must be included in the land-spreading reports and which records must be kept by the operator.

(continued)

Environmental Benefit:

Historically, drilling waste has been disposed of in on-site pits or hauled to landfills. But land-spreading of drilling waste can improve the tilth of certain soils and avoid some of the problems associated with disposal of drilling waste in pits. When land-spreading is chosen as an alternative to disposal in a landfill, haul distances may be shorter, resulting in reduced air emissions, fossil fuel consumption, and road damage. These proposed amendments will help ensure that land-spreading of drilling waste is conducted in a manner that is protective of human health and the environment.

Economic Impact:

Well operators are only required to comply with these regulations if they choose to dispose of drilling waste by land-spreading rather than disposing of it in an on-site pit or in an off-site permitted landfill. Since no one is required to choose land-spreading as a disposal method, there are no capital costs or annual costs associated with complying with these regulations. In many cases, the operator will save money by choosing this method.

KCC will be the lead agency for implementing and enforcing these regulations, with technical and/or enforcement support from KDHE as needed. No additional staff will be required to implement these regulations beyond staff added by KCC in response to the increase in horizontal drilling and hydraulic fracturing.

The time period between the publication of this notice and August 9 serves as the required public comment period of at least 60 days for the purpose of receiving written public comments on the proposed regulatory action. All interested parties may submit written comments prior to 5 p.m. August 9 to Christine Mennicke, Kansas Department of Health and Environment, Bureau of Waste Management, 1000 S.W. Jackson, Suite 320, Topeka, 66612, by fax to 785-296-8909, or by email to cmennicke@kdheks.gov.

During the hearing on August 6, all interested parties will be given a reasonable opportunity to present their views orally on the proposed regulations as well as an opportunity to submit their written comments. In order to give all parties an opportunity to present their views, it may be necessary to require each participant to limit any oral presentation to an appropriate timeframe.

Copies of the proposed regulations and the corresponding regulatory impact statement may be obtained on the BWM website at www.kdheks.gov/waste/ or by contacting Christine Mennicke at 785-296-0724 or cmennicke@kdheks.gov. Questions pertaining to the proposed regulations should be directed to Christine Mennicke.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and the corresponding regulatory impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Christine Mennicke.

Robert Moser, M.D.

and Environment

Doc. No. 041623

State of Kansas

**Department of Health
and Environment**

**Notice Concerning Kansas/Federal Water
Pollution Control Permits and Applications**

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

This permit is being reissued for an existing facility with a maximum capacity of 100 head (140 animal units) of mature dairy cattle, 30 head (30 animal units) of dairy heifers, and 20 head (10 animal units) of dairy calves, for a total of 150 head (180 animal units). There is no change in the permitted animal units.

Name and Address of Applicant	Legal Description	Receiving Water
Ron Cheyney J & R Cheyney 8655 170th Rd. Chanute, KS 66720	NE/4 of Section 13 T28S, R18E, Neosho County	Neosho River Basin

Kansas Permit No. A-NENO-S020

This permit is being reissued for an existing swine facility for 600 head (240 animal units) of swine weighing more than 55 pounds and 250 head (25 animal units) of swine weighing 55 pounds or less, for a total capacity of 265 animal units of swine. There is no change in the permitted animal units from the previous permit.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before July 6 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-13-137/141) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the secretary of the Department of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdheks.gov/feedlots>. Division of Environ-

ment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

Doc. No. 041625

**State of Kansas
Board of Emergency Medical Services**

**Notice of Hearing on Proposed
Administrative Regulation**

A public hearing will be conducted at 9 a.m. Monday, August 12, in Room 509 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of a proposed new administrative rule and regulation.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties may submit written comments prior to the hearing to the deputy director, Board of Emergency Medical Services, Room 1031, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentations to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Ann Stevenson at 785-296-7296. Handicapped parking is located in front of and to the north of the Landon State Office Building.

This regulation is being proposed for adoption on a permanent basis. A summary of the proposed regulation follows:

K.A.R. 109-16-1, Graduated sanctions, is a new regulation that defines specific sanction levels for violations of article 61 of chapter 65 of the Kansas Statutes Annotated.

There is no anticipated economic impact to any governmental agency or unit, any person subject to the proposed regulation, or to the general public in the adoption of this new regulation.

Copies of the complete regulation, the documents adopted by reference, and the complete economic impact statement may be obtained from the Board of Emergency Medical Services at the contact information above or can be accessed at www.ksbems.org.

Doc. No. 041622

(Published in the Kansas Register June 6, 2013.)

**Summary Notice of Bond Sale
City of Mission, Kansas**

\$700,000

General Obligation Bonds, Series 2013A

\$4,700,000

**General Obligation Sales Tax Bonds
Series 2013B**

**(General obligation bonds payable from
unlimited ad valorem taxes)**

Bids

Subject to the Notice of Bond Sale dated May 15, 2013, written and electronic bids will be received on behalf of the clerk of the city of Mission, Kansas (the issuer), in the case of written bids, at the address set forth below, and in the case of electronic bids, through PARITY, until 10 a.m. (CDT) June 19, 2013, for the purchase of the above-referenced bonds. No bid of less than 98.7 percent of the principal amount of the Series 2013A Bonds and accrued interest thereon to the date of delivery will be considered. No bid of less than 99.0 percent of the principal amount of the Series 2013B Bonds and accrued interest thereon to the date of delivery will be considered.

Bond Details

The bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The bonds will be dated July 11, 2013.

The Series 2013A Bonds will become due on September 1 in the years as follows:

Year	Principal Amount
2014	\$65,000
2015	65,000
2016	65,000
2017	70,000
2018	70,000
2019	70,000
2020	70,000
2021	75,000
2022	75,000
2023	75,000

The Series 2013B Bonds will become due on September 1 in the years as follows:

Year	Principal Amount
2014	\$435,000
2015	450,000
2016	450,000
2017	455,000
2018	460,000
2019	470,000
2020	475,000
2021	490,000
2022	500,000
2023	515,000

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semian-

nually on March 1 and September 1 in each year, beginning March 1, 2014.

Book-Entry-Only System

The bonds shall be registered under a book-entry-only system administered through DTC.

Paying Agent and Bond Registrar

Kansas State Treasurer, Topeka, Kansas.

Good Faith Deposit

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States, a qualified financial surety bond or a wire transfer in Federal Reserve funds immediately available for use by the issuer in the amount of \$14,000 for the Series 2013A Bonds and \$94,000 for the Series 2013B Bonds.

Delivery

The issuer will pay for preparation of the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or about July 11, 2013, to DTC for the account of the successful bidder.

Assessed Valuation and Indebtedness

The equalized assessed tangible valuation for computation of bonded debt limitations for the year 2012 is \$125,432,607. The total general obligation indebtedness of the issuer as of the dated date, including the bonds being sold, is \$40,465,000.

Approval of Bonds

The bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Kansas City, Missouri, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the issuer, printed on the bonds and delivered to the successful bidder when the bonds are delivered.

Additional Information

Additional information regarding the bonds may be obtained from the undersigned, or from the financial advisor, at the addresses set forth below.

Doc. No. 041631

State of Kansas

Department of Administration Office of Facilities and Procurement Management

Request for Bids for Construction Services

Notice is hereby given for the receipt of subcontractor bids for the Building Egress, Site Electrical and Building Demolition Package for the LEEP 2 — Main Campus, Lawrence, Project Number A-011898(b). This project will be delivered under the construction management at-risk statute, K.S.A. 75-37,144. Turner Construction Company is the construction manager.

Subcontractor bids will be received for work as shown on the plans and specifications and specifically in accordance with Turner's published Scopes of Work for each bid package. The project includes medium voltage site electric work, the addition of a concrete areaway located at the southwest corner of Learned Hall, egress updates to existing Learned Hall stairs and corridors, and miscellaneous MEP updates to accommodate this work. This project will also include the complete demolition and razing of Burt Hall on the KU School of Engineering campus. The work will include erosion control, demolition, grading, footings and foundations, concrete structure, structural and miscellaneous steel, doors/frames/hardware, drywall, painting, mechanical, plumbing and electrical. Special conditions for this project include, but are not limited to, special site conditions for parking and storage, usage and access, working hours, construction schedule requirements and phasing. Subcontractors and suppliers are encouraged to carefully review all of the bidding documents for the unique aspects of the project.

Subcontractor bids will be received until 2 p.m. June 20, 2013, at the office of Turner Construction Company. Fax and email bids will be accepted. Contact Joshua Jones at Turner Construction Company, 2345 Grand Blvd., Suite 1000, Kansas City, MO 64108, 816-564-0280, fax 816-283-0558, or jbjones@tcco.com. Bidders not already on the Office of Facilities and Procurement Management's pre-

qualified contractors list shall accompany their bid with a statement of qualifications indicating the organization's history and structure, past experience, claims and lawsuits, and, if applicable, bonding capacity. Alternatively, bidders may submit qualifications on either AIA Document A305 or AGC Document No. 221. Bidders who are not on the Turner Construction Company pre-approved bidders list and wish to bid must also complete and submit a Turner Construction Prequalification Statement prior to submitting a bid. The Prequalification Statement is available with the bid documents on Turner's website.

Construction documents, plans, specifications, scopes of work, bid forms/documents and associated information will be available through the online plan-room utilized by Turner Construction for this project at www.turner-kc.com/KULEEP2. All subcontract bids must be submitted on the Turner-provided forms with full document acknowledgement and any associated attachments included to be considered for this project.

A pre-bid conference and walk-through will be held at 9 a.m. Tuesday, June 11, at the Turner Construction Site Office, located on the KU main campus, 1520 W. 15th St., Lawrence.

Office of Facilities and
Procurement Management

Doc. No. 041627

State of Kansas

Office of the Governor

Executive Order 13-01 Conditional and Temporary Relief from Motor Carrier Rules and Regulations

WHEREAS, K.S.A. 48-925(b) provides that the Governor may issue orders and proclamations which shall have the force and effect of law under subsection (b) of K.S.A. 48-924; and

WHEREAS, severe storms accompanied by a series of major tornadoes beginning on May 18, 2013, produced an interruption of essential human services, and potential dangers to and loss of human life and will require public and private response to provide immediate emergency assistance and continuing emergency relief to individual persons and businesses in affected areas in Oklahoma, including in and around Oklahoma City, Oklahoma; and

WHEREAS, a Declaration of Regional Emergency has been declared by the Field Administrator, Southern Service Center of the FMCSA, in accordance with Title 49 C.F.R. 390.23, the requirements contained in the Federal Motor Carrier Safety Regulations, Title 49 C.F.R. Parts 390-399 were suspended through the duration of the motor carrier's assistance in the disaster relief efforts; and

WHEREAS, conditions exist which require the operation of motor carriers and drivers of commercial motor vehicles for the purposes of providing direct assistance to supplement State and local efforts in the restoration of services and relief in the affected area(s) of the State of Oklahoma.

NOW, THEREFORE, pursuant to the authority vested in me as Governor of the State of Kansas, I hereby ac-

(continued)

knowledge a state of emergency exists in Oklahoma and declare it necessary to assist and expedite all disaster recovery efforts. In order to accommodate this need and to provide assistance to the citizens of Oklahoma in this emergency situation, I hereby order the temporary suspension of the following as they apply to motor vehicles:

1. This declaration applies to motor carriers providing direct assistance to supplement State and local efforts in Oklahoma.
2. The registration and fuel tax permits as enforced by the Kansas Department of Revenue are temporarily suspended; and
3. Participating motor carriers must still obtain the requisite over-dimension/overweight permits as required by the Kansas Department of Transportation prior to operating; however the fees associated with these permits are temporarily waived. Additionally motor carriers and persons participating in restoration and recovery efforts will receive priority service.
4. The licensing, certification and permitting rules and regulations as required by the Kansas Corporation Commission are temporarily suspended; and
5. Participating motor carriers shall not operate during the period beginning 30 minutes after sunset and ending 30 minutes before sunrise, and shall comply with the flags, signs and lighting requirements applicable to overwidth vehicles as set forth in 8-1902; and
6. Participating motor carriers are not allowed to drive during inclement weather conditions. *Oversize or overweight loads shall not be transported when visibility is less than one-half mile, or when conditions of moderate to heavy rain, sleet, snow, fog, or smoke exist, or when highway surfaces are slippery due to ice, packed snow.*
7. Nothing contained in this declaration shall be constructed as an exemption from the controlled substances and alcohol use and testing requirements (49 CFR Part 382), the commercial driver's license requirements (49 CFR Part 383), the financial responsibility (insurance) requirements (49 CFR Part 387), or any other portion of the regulations not specifically defined.

FURTHER, I direct that this executive order shall become effective immediately and shall continue in effect until the expiration of the Declaration of Regional Emergency issued by the FMCSA expires as defined in 49 CFR 390.5, or 15 days (10:00 a.m. EDT, June 5, 2013) whichever is less.

This document shall be filed with the Secretary of State as Executive Order No. 13-01 and shall become effective immediately.

Dated May 24, 2013.

Sam Brownback
Governor

State of Kansas

Department of Agriculture Division of Water Resources

Permanent Administrative Regulations

Article 16.—FLEX ACCOUNT

5-16-1. Definitions. The terms and definitions in this regulation shall apply to this article and to K.S.A. 82a-736, and amendments thereto, unless the context clearly requires otherwise. (a) "Subdivision or subdivisions of the place of use for the base water right" means one or more portions of the authorized place of use under the base water right that are identifiable and completely circumscribed by the boundaries of place of use for the base water right.

(b) "Water conservation" means conservation by means of actual physical changes in a water distribution system or management practices that improve water use efficiency, which shall include one or more of the following:

(1) Conversion from flood irrigation to center pivot irrigation with a nozzle package designed to improve water use efficiency;

(2) conversion to subsurface drip irrigation;

(3) removal of an end gun, resulting in a significant reduction in the number of irrigated acres; or

(4) enrollment of the base water right in the water right conservation program, the conservation reserve program, or any other multiyear water conservation program approved by the chief engineer. (Authorized by K.S.A. 82a-706a; implementing K.S.A. 2012 Supp. 82a-736; effective Oct. 11, 2002; amended Jan. 6, 2006; amended, T-5-8-29-11, Aug. 29, 2011; amended Dec. 16, 2011; amended June 21, 2013.)

5-16-2. (Authorized by K.S.A. 82a-706a; implementing K.S.A. 2001 Supp. 82a-708a(d), as amended by L. 2002, Ch. 181, § 21; effective Oct. 11, 2002; revoked June 21, 2013.)

5-16-3. Establishing a multiyear flex account. (a) A multiyear flex account shall be established by filing an application for a multiyear flex account and a term permit on a form prescribed by the chief engineer. Each application shall meet the following requirements:

(1) Except as specified in subsection (e), a separate application shall be filed for each water right and each point of diversion for which the owner desires to establish a multiyear flex account. Each application shall be accompanied by the appropriate filing fee;

(2) be date-stamped showing the date the application was filed with the chief engineer;

(3) indicate the five consecutive calendar years that are to be designated as the multiyear flex account period; and

(4) indicate whether the multiyear flex account period will commence with the year in which the application is made if filed before October 1, or with the next calendar year after the calendar year in which the application is filed.

(b) Before any application to establish a multiyear flex account and a term permit will be accepted for filing, the

application shall be signed by at least one owner of the water right or an authorized agent of an owner of the water right.

(c) Before the multiyear flex account can be established or the term permit approved, all of the water rights owners, or an authorized agent of the owners, shall verify upon oath or affirmation that the statements contained in the application are true and complete.

(d) If one or more owners refuse to sign the application or if a written request is filed by one or more of the owners to withdraw their signatures from the application before the application is approved, the application shall be dismissed.

(e) A single application to establish a multiyear flex account and apply for a term permit shall be filed in the following situations:

(1) Multiple water rights authorize the diversion of water from a single point of diversion that diverts water to an identical place of use.

(2) Multiple points of diversion are authorized by the chief engineer to divert water through a single water flowmeter before going to an identical place of use.

(f) The multiyear flex account shall not be established and the term permit to exercise the multiyear flex account shall not be valid until both have been approved by the chief engineer. (Authorized by K.S.A. 82a-706a; implementing K.S.A. 2012 Supp. 82a-736; effective Oct. 11, 2002; amended, T-5-8-29-11, Aug. 29, 2011; amended Dec. 16, 2011; amended June 21, 2013.)

5-16-4. Conditions on the term permit. (a) The place of use authorized by a term permit shall be identical to the place or places of use authorized by the base water right or rights or a subdivision or subdivisions of the place of use for the base water right.

(b) The types of use authorized by a term permit shall be limited to the types of use authorized by the base water right or rights.

(c) The rate of diversion authorized by a term permit shall not exceed the maximum instantaneous rate of diversion authorized by the base water right or rights. (Authorized by K.S.A. 82a-706a; implementing K.S.A. 2012 Supp. 82a-736; effective Oct. 11, 2002; amended June 21, 2013.)

5-16-5. (Authorized by K.S.A. 82a-706a; implementing K.S.A. 2010 Supp. 82a-736, as amended by L. 2011, ch. 89, sec. 28; effective Oct. 11, 2002; amended Jan. 6, 2006; amended, T-5-8-29-11, Aug. 29, 2011; amended Dec. 16, 2011; revoked June 21, 2013.)

5-16-6. Multiyear flex accounts and term permits.

(a) The duration of the multiyear flex account and term permit shall be five consecutive calendar years.

(b) If water use records for a base water right are inadequate to accurately determine actual water use during any calendar year in the period used to determine the base average usage, then the actual water use for that calendar year shall be deemed to be zero.

(c) There shall be no carryover of unused quantities of water from one multiyear flex account or term permit to another multiyear flex account or term permit.

(d) No multiyear flex account shall be allowed if the multiyear flex account is inconsistent with the provisions

of any intensive groundwater use control area created pursuant to K.S.A. 82a-1036 through K.S.A. 82a-1040, and amendments thereto, or any local enhanced management area created pursuant to K.S.A. 82a-1041, and amendments thereto.

(e) Water flowmeters shall be required under all multiyear flex account term permits and shall meet all of the following requirements:

(1) A water flowmeter meeting the requirements of the chief engineer shall be installed on each point of diversion authorized by the base water right.

(2) Each water flowmeter and the measuring chamber shall be sealed to the diversion works in a manner to ensure that the flowmeter and the measuring chamber can not be removed and reinstalled without breaking the seal.

(3) Each water flowmeter register shall be sealed in a manner to ensure that the register can not be manipulated without breaking the seal.

(4) Each replacement of a water flowmeter during the duration of a multiyear flex account shall be equipped with an anti-reverse-flow mechanism.

(f) Only an entire water right, or a portion of a water right that has been formally divided, may be deposited in a multiyear flex account. Nothing in this subsection shall prevent a multiyear flex account term permit from authorizing a subdivision of the place of use for the base water right as the place of use for the multiyear flex account.

(g) All water diverted pursuant to a term permit and the base water rights associated with the term permit shall be counted against the quantity of water deposited in the multiyear flex account. (Authorized by K.S.A. 82a-706a; implementing K.S.A. 2012 Supp. 82a-736; effective Oct. 11, 2002; amended June 21, 2013.)

5-16-7. Conditions under which a base water right may be exercised. Each term permit approved by the chief engineer pursuant to K.S.A. 82a-736, and amendments thereto, shall include the condition that if the term permit can no longer be exercised because of an order issued by the chief engineer, including an intensive groundwater use control area order, a minimum desirable streamflow order, or an order to administer water rights to prevent impairment, then any base water right may be exercised to the extent that all of the following conditions are met: (a) The base water right is in priority, including priority with respect to any established minimum desirable streamflow.

(b) The annual quantity of water authorized by the base water right has not been diverted during that calendar year.

(c) The five-year quantity authorized by the term permit has not been completely used.

(d) The use of water under the base water right does not impair water rights senior to the base water right. (Authorized by K.S.A. 82a-706a; implementing K.S.A. 2012 Supp. 82a-736; effective Oct. 11, 2002; amended June 21, 2013.)

Dale A. Rodman

Doc. No. 041629

INDEX TO ADMINISTRATIVE REGULATIONS

This index lists in numerical order the new, amended and revoked administrative regulations and the volume and page number of the *Kansas Register* issue in which more information can be found. Temporary regulations are designated with a (T) in the Action column. This cumulative index supplements the 2009 Volumes of the *Kansas Administrative Regulations* and the 2012 Supplement of the *Kansas Administrative Regulations*.

AGENCY 1: DEPARTMENT OF ADMINISTRATION

Reg. No.	Action	Register
1-64-1	Revoked	V. 31, p. 171

AGENCY 4: DEPARTMENT OF AGRICULTURE

Reg. No.	Action	Register
4-15-4	Amended	V. 31, p. 570
