The bonds will be issued to assist the borrowers named below (who will be the owner and operator of the projects) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

**Project No. 000897—Maximum Principal Amount: \$234,870.** Owner/Operator: Donald C. and Laura M. Dailey. Description: Acquisition of 154.2 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Donald C. and Laura M. Dailey and is located at Section 12, Meridian Township, McPherson County, Kansas, approximately 1 mile west of Goessel.

**Project No. 000898—Maximum Principal Amount: \$190,000.** Owner/Operator: Gary E. and DeeAnn L. Fangman. Description: Acquisition of 75 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Gary E. & DeeAnn L. Fangman and is located at Section 26, Nemaha Township, Nemaha County, Kansas, approximately 7 miles north of Seneca off Highway 63.

The bonds, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will they be an indebtedness for which the faith and credit and taxing

powers of the state of Kansas are pledged. The bonds will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bonds to finance the projects, and all written comments previously filed with the KDFA at its offices at 555 S. (d) Violation of this regulation shall be a class I offense. (Authorized by and implementing K.S.A. 2013 Supp. 75-5210; effective July 13, 2007; amended June 20, 2014.)

**44-12-212. Accessing unauthorized computer-based information; unauthorized computer communications.** (a) No inmate shall perform any of the following:

(1) Access, or attempt to access, any information, data, images, or other material residing on or stored in any computer or available through any computer network, unless the information, data, images, or other material has been authorized for inmate access by the secretary of corrections and established and maintained by the information technology division of the department of corrections for that purpose;

**44-12-601. Mail.** (a) Definitions.

(1)(A) "Legal mail" means mail affecting the inmate's right of access to the courts or legal counsel. This term shall be limited to letters between the inmate and any lawyer, a judge, a clerk of a court, or any intern or employee of a lawyer or law firm, legal clinic, or legal services organization, including legal services for prisoners.

(B) "Official mail" means any mail between an inmate and an official of the state or federal government who has authority to control, or to obtain or conduct an investigation of, the custody or conditions of confinement of the inmate.

(C) "Privileged mail" means any mail between the inmate and the inmate's physician, psychiatrist, psychologist, or other licensed mental health therapist.

(2)(A) "Censor" means to remove or change any part or all of the correspondence or literature.

(B) "Inspect" means to open, shake out, look through, feel, or otherwise check for contraband without reading or censoring. This term shall include any cursory reading necessary to verify that mail is legal or official in nature as permitted by paragraph (f)(3).

(C) "Read" means to read the contents of correspondence or literature to ascertain the content.

(3) "Minor" means a person under the age of 18.

(4) "Bodily substance" means blood, fecal matter, nasal or sinus mucous or secretions, perspiration, saliva, semen, skin or other tissue, sputum, tears, urine, or vaginal secretions.

(b) General provisions.

(1) Each inmate shall comply with the mail procedures and restrictions established by the order of the warden of the facility. Failure to comply with mail procedures or restrictions, or circumventing or attempting to circumvent mail procedures or restrictions by any means, shall be prohibited. The delivery of mail through an employee, volunteer, teacher, or any other person who is not authorized to perform functions related to the established mail-handling system shall be prohibited.

(2) Contraband. Items identified as contraband shall be dealt with as provided in subsection (d) and then either returned to the sender at the inmate's expense or destroyed, at the inmate's option. Items illegal under Kansas or U.S. federal law shall be seized and held as evidence for other law enforcement officers.

(3) All incoming mail shall identify the inmate recipient by name and inmate identification number.

(4) Violation of mail regulations of the department of corrections, orders of the warden, or the laws of Kansas or the United States may result in additional mail restrictions upon the offender that are sufficient to prevent the continuation or reoccurrence of the violation.

(5) All funds sent for deposit to an inmate's trust account shall be in the form of an electronic funds transfer sent through an entity under contract with the department of corrections to conduct those transactions. These funds shall be sent to the centralized banking location or

(continued)

individual work release location designated by the secretary. All other funds sent for deposit to an inmate's trust account, other than governmental checks, warrants, and worker's compensation benefit checks, shall be returned immediately to the sender, and the intended inmate recipient shall be so notified in writing, without need of formal censorship. Except for correspondence qualifying as legal mail in which funds are enclosed in an envelope clearly marked as such, correspondence or other material sent with funds shall not be forwarded and shall be discarded.

(6) Any incoming or outgoing mail other than legal, official, or privileged mail may be inspected or read at any time.

(7) Incoming mail addressed solely to a specific inmate and not otherwise subject to censorship shall be delivered regardless of whether the mail is sent free of charge or at a reduced rate. All incoming mail shall nonetheless bear the sender's name and address on the envelope, or this mail shall not be delivered and shall be immediately destroyed.

(8) Any outgoing first-class letters may be sent to as many people and to whomever the inmate chooses, subject to the restrictions in this regulation.

(9) Outgoing inmate mail shall bear the full conviction name, inmate number, and address of the sender, and the name and address of the intended recipient. No other words, drawings, or messages shall be placed on the outside of the envelope or package by an inmate except words describing the mail as being legal, official, privileged, or intended to aid postal officials in delivery of the item. Outgoing inmate mail shall be stamped by the facility to indicate that it was mailed from a facility operated by the department of corrections and that it has not been censored.

(10) Inmates shall not correspond with any person, either directly or through third parties, who has filed a written objection to the correspondence with the director of victim services in the department of corrections central office. The director of victim services in the department of corrections central office shall notify the warden of the facility where the offender is incarcerated of any written objections to correspondence sent by the offender within three business days of its receipt.

(A) The inmate shall be notified of the objection in writing when it is received, but shall not be required to be informed of the exact contents of the objection.

(B) Orders shall be developed by the warden of each facility to prevent further correspondence from being sent to those who have filed an objection.

(C) This regulation shall not prevent an inmate from writing to the inmate's natural or adoptive child, unless the child was the victim of the crime for which the inmate is incarcerated, the person having legal custody of the child files a written objection with the director of victim services in the department of corrections central office, and the inmate has not obtained a court order permitting this written communication with the child. The director of victim services in the department of corrections shall inform the warden of the facility where the inmate is assigned of any objection from the person having legal custody of the child within three business days of its receipt.

(11)(A) No inmate shall correspond with a minor, either directly or through any third party, unless one of the following conditions is met:

(i) A parent or legal guardian of the minor has filed written authorization for the correspondence between the inmate and the minor with the director of victim services in the department of corrections central office.

(ii) If the minor is the inmate's natural or adoptive child, the correspondence is authorized pursuant to paragraph (b)(10)(C), and the inmate has registered the child by providing the name, date of birth, and address of the natural or adoptive child to the director of victim services.

(B) The director of victim services shall notify the warden of the facility where the inmate is incarcerated of any written authorization for correspondence with a minor who is not the natural or adoptive child of the inmate, as well as the registration information of the inmate's natural or adoptive child.

(12) An inmate shall not mail or attempt to mail any of the following:

(A) Any bodily substance;

(B) a substance represented by the inmate as being a bodily substance; or

(C) a substance that a reasonable person would conclude is a bodily substance.

(c) Legal, official, and privileged mail.

(1) Subject to the provisions of paragraph (f)(3), outgoing privileged, official, or legal mail sent by any inmate shall be opened and read only upon authorization of the warden for good cause shown. However, if any inmate threatens or terrorizes any person through this mail, any subsequent mail, including official or legal mail, from the inmate to the person threatened or terrorized may, at the request of that person, be read and censored for a time period and to the extent necessary to remedy the abuse.

(2) Incoming mail clearly identified as legal, official, or privileged mail shall be opened only in the inmate's presence. This mail shall be inspected for contraband but shall not be read or censored, unless authorized by the warden based upon a documented previous abuse of the right or other good cause.

(3) All legal mail and official mail shall be indefinitely forwarded to the inmate's last known address. If any mail is returned to a facility as undeliverable when sent to the inmate's last known address, the mail shall be returned to the sender with a notice that the mail was forwarded unsuccessfully and is now returned to the sender for further disposition.

(d) Censorship grounds and procedures.

(1) Incoming or outgoing mail, other than legal, official, or privileged mail, may be censored only when there is reasonable belief in any of the following:

(A) There is a threat to institutional safety, order, or security.

(B) There is a threat to the safety and security of public officials or the general public.

(C) The mail is being used in furtherance of illegal activities.

(D) The mail is correspondence between offenders, including any former inmate regardless of current custodial status, that has not been authorized according to subsec-

tion (e). Correspondence between offenders may be inspected or read at any time.

(E) The mail contains sexually explicit material, as defined and proscribed by K.A.R. 44-12-313.

(2) If any communication to or from an inmate is censored, all of the following requirements shall be met:

(A) Each inmate shall be given a written notice of the censorship and the reason for the censorship, without disclosing the censored material.

(B) Each inmate shall be given the name and address of the sender of incoming mail, if known, or the addressee of outgoing mail and the date the item was received in the mail room. ## State of Kansas

## Governmental Ethics Commission

## Opinion No. 2014-03

Written May 28, 2014, to Ronald R. Hein, Hein Law Firm, Chartered, Topeka.

**Synopsis:** Under the facts provided, political committees registered in Kansas may receive contributions from payments made by individuals coincident to a transaction with a third party. Such contributions are attributed to the individual payer for political committee contribution reporting purposes.

Cited herein: K.S.A. 2013 Supp. 25-4143(e)(1), Opinion Nos. 1993-4, 2007-12.

Dear Mr. Hein:

In response to your May 17, 2014, email request, this opinion is provided by the Kansas Governmental Ethics Commission (commission), concerning application of the Campaign Finance Act, K.S.A. 25-4142, *et seq.* (act). The commission's jurisdiction is limited to the applicability of the act. This opinion does not address whether some other statutory system, common law theory, or agency rule or regulation applies to your inquiry.

**Factual Statement**

Hein Law Firm, Chartered, requests this opinion in connection with its representation of the Kansas Physical Therapy Association. A Florida company, PT4PT, vends e-stem electrodes on a website. It utilizes a process so a minimum of 50 of each payment made coincident to purchases of electrodes is contributed to a political committee (PAC) designated by each customer. Participating PACs provide descriptive material about its PAC and its state laws regarding political contributions for display on an informational page accessible on the same website. The PT4PT website is a portal that funnels such contributions to designated PACs. PT4PT is not a PAC or a non-profit organization. It is not affiliated with the American Physical Therapy Association.

**Questions**

Is it legal for a PAC to accept funds designated by a customer as a contribution from PT4PT which are a portion of a payment made coincident with a purchase from PT4PT's website? If so, how should such contributions be listed for reporting purposes?

**Analysis and Opinion**

The campaign finance act, specifically K.S.A. 2013 Supp. 25-4143(e)(1), defines contribution (in pertinent part) as:

[a]ny advance, conveyance, deposit, distribution, gift, loan or payment of money or any other thing of value given to a candidate, candidate committee, party committee or political committee for the express purpose of nominating, electing or defeating a clearly identified candidate for a state or local office.

The payment that a PAC would receive through the website portal of PT4PT from customers is a contribution under this definition. It is legal for a PAC to accept such a contribution under the act.

Reporting of PAC contributions is required by the act. Whether contributions received from PT4PT are reportable as individual contributions from each customer or as

a bundled contribution is answered in Opinion No. 1993-41. Under analogous facts, this commission opined:

When a group collects contributions and transfers them to a candidate in a bundle, do the contribution limitations apply to both the individual's and the committee's contribution limits? We note that the state of Minnesota has recently enacted a "bundling" statute which made the contribution limitations apply to both the donor and the committee in the bundled contribution setting. We have reviewed K.S.A. 25-4153 which does not address the "bundling" issue. Rather, it is our opinion, so long as the individual contributors use their own funds and make their own decision on who to support, the contribution limitation applies to each individual contributor. On the other hand, when the individual gives money to a committee without restriction and the committee decides who a donation shall be given to, the contribution limitation applies to the committee.

Since customers of PT4PT individually decide which PAC to support with their own funds, they are treated as individual contributions for reporting purposes. Guidance for required reporting and record keeping for such individual contributions received through an on-line merchant provider is provided in Opinion No. 2007-12.

The state board of education shall:

(1) Determine the amount of the assessed valuation per pupil (AVPP) of each school district in the state and round such amount to the nearest \$1,000. The rounded amount is the AVPP of a school district for the purposes of this section;

(2) determine the median AVPP of all school districts;

(3) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal \$1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal \$1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;

(4) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the median AVPP shown on the schedule, decreasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each \$1,000 interval above the amount of the median AVPP, and increasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each \$1,000 interval below the amount of the median AVPP. Except as provided by K.S.A. 2013 Supp. 72-8814b, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district, except that the state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 25%;

(5) determine the amount levied by each school district pursuant to K.S.A. 72-8801 et seq., and amendments thereto;

(6) multiply the amount computed under (5), but not to exceed 8 mills, by the applicable state aid percentage factor. The product is the amount of payment the school district is entitled to receive from the school district capital outlay state aid fund in the school year.

(c) The state board shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital outlay state aid fund for distribution to school districts, *except that no transfers shall be made from the state general fund to the school district capital outlay state aid fund during the fiscal year ending June 30, 2014.* All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund.

(d) Payments from the school district capital outlay state aid fund shall be distributed to school districts at times determined by the state board of education. The state board of education shall certify to the director of accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the capital outlay fund of the school district to be used for the purposes of such fund.

(e) Amounts transferred to the capital outlay fund of a school district as authorized by K.S.A. 72-6433, and amendments thereto, shall not be included in the computation when determining the amount of state aid to which a district is entitled to receive under this section.

## State of Kansas

### Office of the Governor

#### Message to the Legislature of the State of Kansas:

I want to thank every member of the Kansas Legislature for your hard work during the 2014 session. This two-year supplemental budget will continue to fund the core services of state government to July 1, 2015. I am particularly pleased this bill includes a significantly improved budget for the Department of Corrections and demonstrates our commitment to these essential public safety programs.

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return Senate Substitute for Substitute for House Bill No. 2231 with my signature approving the bill, except for the items enumerated below.

#### Kansas Board of Barbering

##### Salary Cap

Sections 14(c) and 15(c) are vetoed in their entirety.

If it is the case that there are restrictions on how agencies compensate their employees, those restrictions should be done in a consistent manner. The language in these sections impacts three state employees inconsistently from other agencies, so I therefore find it necessary to veto the limitation. The agency's budget is otherwise left as the Legislature approved it.

#### Kansas Public Employees Retirement System

##### Sweep of Tobacco Settlement Funds

Section 50(b) has been vetoed in its entirety.

The Kansas Endowment for Youth Fund was specifically established to hold and draw interest upon excess tobacco settlement revenues so that such funds could later be used for early childhood programs. The \$5 million in question in this section should remain available for such purposes in the future, so I therefore veto the transfer.

#### Department of Administration

##### Lapse of State General Fund Budget Authority

Section 52(f) has been vetoed in its entirety.

The Division of the Budget had excess funding in FY 2013 because a permanent Budget Director was not drawing a normal salary. The Interim Budget Director was dual-purposed between the Office of the Governor and the Division of the Budget. As I soon plan to appoint a permanent Budget Director, I veto the lapse of funding in the Division of the Budget to finance this position.

#### Kansas Department for Aging and Disability Services

##### Lapse of State Hospital Funds

Sections 71(g) and 71(h) have been vetoed in their entirety.

In an effort to consolidate oversight of the food service contract, my budget recommendations for the Kansas Department for Aging and Disability Services (KDADS) and the State Hospitals transferred money from the hospitals to KDADS. The 2014 Legislature concurred with this recommendation; however, the appropriations bill as writ-

(continued)

ten did not technically achieve this goal. Therefore, it is necessary for me to veto this section.

State Fair Board

State Funds for Capital Improvements

Section 100(c) has been vetoed in its entirety.

As part of your deliberations on the budget, it was determined that \$400,000 from the State General Fund would be provided to the State Fair to make a variety of repairs and improvements to their facilities. When pre-

paring the appropriations bill, two separate sections of the bill inadvertently each provided this funding. To eliminate this duplication, I veto the State General Fund appropriation contained in this particular section. A \$400,000 transfer will remain in the bill to implement the Legislature's recommendations.

Dated May 16, 2014.

Sam Brownback
Governor
