Department of Transportation

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. local time February 15, 2017. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. local time February 15, 2017. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

City of Olathe, Kansas Engineering Division

Notice to Bidders

Sealed bids will be received online at www.publicpurchase.com until 10:00 a.m. local time February 9, 2017, for the construction of 143rd Street (Pflumm Road to Quivira Road) Road Improvements, KDOT Project No. 46 N-0631-01, Olathe Project No. 3-C-037-13, Overland Park Project No. TH-0500.

At said time and place, and promptly thereafter, all bids that have been duly received will be publicly opened online at www.publicpurchase.com. Only bids submitted electronically at www.publicpurchase.com will be accepted.

The work consists of the following:

The project consists of the reconstruction of 143rd Street to a wide two-lane arterial from Pflumm Road to Quivira Road. The improvements will consist of reconstruction of 143rd Street to a 46' back of curb to back of curb (B-B) section with a 10' trail on the north side and a 5' sidewalk on the south side from the east curb returns of the Pflumm Road intersection to the west curb returns of the Quivira Road intersection. This does include mill and overlay of the existing divided 400' section just east of the Pflumm Road intersection and the existing divided 200' section west of the Quivira Road intersection. Also included is an eastbound right turn lane on 143rd Street at the Quivira Road intersection. Additional intersection improvements at Pflumm Road include widening 143rd Street from the west curb returns of the Pflumm Road intersection west approximately 500 feet to accommodate an additional eastbound left turn lane. Also included is widening Pflumm Road from the south curb returns of the intersection south approximately 500 feet to allow for an additional northbound through lane. Additional intersection improvements at Quivira Road include widening Quivira Road from the south curb returns of the intersection south approximately 750 feet to allow for an additional northbound through lane and an additional southbound receiving lane. This project will also include the installation of a traffic signal at 143rd Street and Pflumm Road, modifications to the signal at 143rd Street and Quivira Road, new street lighting, and an enclosed storm sewer system. This is a joint project between the cities of Olathe and Overland Park. The city of Olathe will administer the project with cooperation, communication, and input from the city of Overland Park.

Bid documents including drawings and specifications are on file at the office of Public Works of Olathe, Kansas, and are open for public inspections. Bid documents and drawings may be downloaded free of charge from www.publicpurchase.com.

A satisfactory bid bond executed by the bidder or an acceptable surety, in an amount equal to five percent

(5%) of the total bid for work shall be submitted with each proposal. A scanned copy of the bid bond must be included with the online bid submitted at www.publicpurchase.com. The original copy of the bid bond form must be submitted to the engineer within 48 hours of bid opening. Failure to submit original copy of the bid bond will result in rejection of bid and owner's selection of the next low qualified bidder.

The successful bidder will be required to furnish and pay satisfactory performance and payment bond or bonds.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project, and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin. Contractors must comply with Title 29 relating to the employment of apprentices in accordance with requirements published by the United States Department of Labor as contained in the contract documents.

Bidders are informed that the prime contractor and subcontractors are required to comply with Section 109 of the Housing and Community Development Act of 1974, Title VI of the Civil Rights Act of 1964, Executive Order 11246, and Section 3 of the Housing and Urban Development Act of 1968. Contractors responsibilities under these laws are outlined at Title 24, CFR Part 1 and Part 570 relating to non-discrimination in federally-assisted programs of the Department of Housing and Urban Development; Title 24, Part 130 relating to equal employment opportunity under HUD-assisted construction contract; and Title 24, Part 135 relating to employment opportunities for businesses and lower income persons in connection with assisted projects.

The prime general contractor, and subcontractors where appropriate, under the terms of the contract, shall be required to comply with the following requirements prior to issuance of a construction work order:

- (A) Maintain an affirmative action file detailing efforts to meet affirmative action hiring responsibilities and utilize minority firms as subcontractors and supplier;
- (B) Submit a copy of their affirmative action plan to the city for review and HUD concurrence;
- (C) Provide a preliminary statement of work force needs by category for the project and goals for minorities; and
- (D) Attend a scheduled pre-construction conference for orientation on HUD equal opportunity and labor standards requirements.

The city of Olathe, Kansas, reserves the right to reject any or all bids or to waive any informalities in the bidding.

Bids may be held by the city of Olathe, Kansas, for a period not to exceed 60 days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of bidders, prior to awarding the contract.

Notice Concerning Proposed Air Quality
Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Rolling Meadows Recycling and Disposal Facility has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance.

Rolling Meadows Recycling and Disposal Facility, 7351 NW Highway 75, Topeka, KS 66618 owns and operates a municipal solid waste landfill, located at 7351 NW Highway 75, Topeka, KS 66618.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours, 8:00 a.m. to 5:00 p.m., at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and

(continued)

at the Northeast District Office (NEDO), 800 W. 24th St., Lawrence, KS 66046. To obtain or review the proposed permit and supporting documentation, contact Amid Paudyal, 785-296-0912, at the KDHE central office or Pat Simpson, 785-842-4600, at the NEDO. The standard departmental cost will be assessed for any copies requested.

Written comments or questions regarding the proposed permit may be directed to Amid Paudyal, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than noon Monday, February 27, 2017.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Amid Paudyal, KDHE, BOA, no later than noon Monday, February 27, 2017, in order for the secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the au-

thority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-Q-17-005/006

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28 (b-g), and Federal Surface Water Criteria.

Kansas Permit No. I-KS52-PO10 Federal Permit No. KS0092321

Legal Description: W½, S16, T14S, R23E, Johnson County, KS

Facility Name: Olathe Quarry

The proposed action is to reissue an existing permit for discharge during quarrying operations. This is a limestone quarrying and crushing operation with no rock washing. This facility also has an asphalt plant on-site that does not discharge. Outfall 001A1 consists of stormwater runoff from the asphalt production area. This water is normally reused on-site but may discharge from a settling pond, after a heavy precipitation event. Outfalls 002A1, 003A1, and 004A1 consist of rainwater pumped from the quarry pit and stormwater runoff that is treated in a settling pond before being discharged. The proposed permit contains generic language to protect waters of the state.

Latitude: 38.40322

Longitude: -96.21005

Facility Description: The proposed action is to reissue a permit for an existing deep disposal well. The fluids to be injected are to be non-hazardous liquid waste from this facility consisting of spent brine water from the curing of cattle hides. In addition, should the Tyson Fresh Meats (Finney County facility) need to haul hide brine or wastewater from their facility to the Tyson Fresh Meats (Emporia) facility, Tyson Fresh Meats-Emporia will submit and seek approval for a wastewater transfer plan, detailing all aspects of the proposed process, including consideration of monitoring for daily maximum chromium, prior to commencing disposal of waste in the injection well. Injection is to be made into the Arbuckle formation from a bottom depth of 2,951 feet to a top depth of 2,732 feet below ground surface. Disposal will be by means of gravity flow; wellhead pressure will not be allowed. The maximum injection volume will be 36,500 gallons per day. All construction, monitoring, and operation of these wells will meet all of the requirements that apply to Class I Injection Wells under the Kansas UIC Regulations, K.A.R. 28-46-1 through 28-46-44.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before February 25, 2017, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-Q-17-005/006, KS-EG-17-001) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of

Department of Corrections Division of Juvenile Services

Notice of Hearing on Proposed Administrative Regulation

The Kansas Department of Corrections will conduct a public hearing from 2:00 to 3:00 p.m. Tuesday, April 11, 2017, in the Large Conference Room at 714 SW Jackson St., 3rd Floor, Topeka, Kansas to consider adopting a proposed permanent rule and regulation concerning community-based graduated responses for technical violations of probation, violations of conditional release, and violations of a condition of sentence by juvenile offenders.

This 60-day notice of the public hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed permanent regulation. All interested parties may submit written comments prior to the hearing to JL Norwood, Secretary, 714 SW Jackson St., Suite 300, Topeka, KS 66603 or kdocpub@doc.ks.gov. All interested parties will be given a reasonable opportunity to present their views orally at the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Hope Burns at 785-296-3317, hope.burns@doc.ks.gov, or the Kansas Relay Center at 800-766-3777. There is designated handicap accessible parking on Jackson Street in front of the building.

A copy of the full text of the regulation may be reviewed or obtained at 714 SW Jackson St., Suite 300, Topeka, KS 66603, requested via email at kdocpub@doc.ks.gov, or from the Kansas Department of Corrections' website at <http://www.doc.ks.gov>. The following is a summary of the proposed regulation and economic impact statement:

123-17-101. Community-based graduated responses for technical violations of probation, violations of conditional release, and violations of a condition of sentence. The regulation provides for an array of uniform responses by juvenile community supervision officers to technical violations of probation, violations of conditional release, and violations of a condition of sentence by juvenile offenders. The regulation further provides

a uniform array of incentives for use by juvenile community supervision officers to respond to and encourage positive and prosocial behaviors of juvenile offenders on probation or conditional release. Lastly, the regulation provides for a standardized violations level report form to document graduated responses taken by juvenile community supervision officers.

Economic Impact: This proposed permanent regulation requires no additional resources for the Kansas Department of Corrections and will have no economic impact upon offenders, other governmental agencies, private businesses, or other private individuals.
