Interested consulting firms must be pre-qualified by the Kansas Department of Transportation (KDOT) in categories 162 or 163 and submit a Letter of Interest with the subject line reading "106 P-0778-01 [Firm Name]."

Anticipated Schedule for Subsequent Events

Evaluation and ranking of technical proposals on or about October 25, 2018, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about November 2, 2018. Agreement/work order in place and in effect November 16, 2018.

Request for Proposal (Technical)

Background, Scope, and Purpose of Project

The Kansas Department of Transportation is seeking a consultant to complete a vision document for the state. The information for the document will come from discussions within the Statewide Autonomous Vehicle (AV) Task Force. This group has met three times currently but is expected to meet 10–14 more times for monthly meetings. The plan will be a high level direction for state agencies (Department of Transportation, Department of Revenue, Insurance Commission, etc.). Topics will include vision and goals, industry timelines, stakeholders, possible investments, public/private partnership concepts, high level direction on what the agencies should do to be prepared for the future, and input on a draft executive order and legislative bill for testing autonomous vehicles. The selected firm would attend Task Force meetings, schedule meetings, take notes, and interview members individually. The firm is expected to have knowledge of the direction of Autonomous/Connected Vehicles (AV/CV) are headed nationally and what is needed to be prepared for the future. They should also have some previous contracts related to AV/CV projects and plans. This project is the first phase which may or may not be followed by a secondary project for implementation strategy.

Evaluation Factors

Technical proposals will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors: 1) the quality and completeness of the response to this request; 2) qualifications and experience in the AI arena of consultant personnel/manager proposed for this type service; 3) proposed approach for vision document; and 4) past performance history for similar projects/services for other states with references. The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT

cannot reach agreement with the ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Contract Terms and Conditions

A typical study type agreement will be utilized with special attachments for the Kansas "Tax Clearance Certificate," the "Certification of Final Indirect Costs," and the "Policy Regarding Sexual Harassment."
