Wichita State University

Notice of Intent to Lease Land and/or Building Space

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university’s educational mission and available space, please be prepared to provide the following information:

(1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice President for Research & Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) intends to directly lease, and indirectly sublease through its affiliate corporation Wichita State Innovation Alliance, Inc., subject to all required state approvals, an approximate ground area consisting of 150,000 square feet or less with the potential for expansion for parking, for the private development of one or more partnership buildings. This private development shall be located west of Oliver, between 17th and 18th streets, on the Wichita State University main campus. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, and specifically an emphasis on supporting and growing advanced laboratories for research, testing, and innovation in data infrastructure/storage, video surveillance storage, IOT, security, analytics, visualization/modeling, and machine learning/AI. The university intends to lease such ground for any period of time up to sixty-five years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university’s educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable based on term of lease and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) is interested in entering into a long-term ground lease, subject to all required state approvals, for approximately 1.4 acres of property located at 1741 and 1755 N. Hillside. The university is interested in leasing such property to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good and providing retail, restaurant, and service centers that would be desirable and beneficial to the international student community. The university intends to lease this property for any period of time up to 65 years, but extended terms and renewal options would be considered. Interested tenants must be willing to provide the university an option to lease back improved office/classroom/lab space up to 11,000 square feet. Interested tenants must be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: financial stability and strength, proposal terms, demonstrated benefit to WSU and the community, design concepts, and proposed use. Rental rate may be negotiated based on square foot of leased ground or leasable square foot of the building. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. **2019 Update to Guidelines for
Takings of Private Property**

The Private Property Protection Act, K.S.A. 77-701 *et seq.*, requires the Attorney General to compile and annually update guidelines to be used by state agencies in determining whether proposed government actions may constitute a taking of private property. These guidelines are to be based on cases decided by the United States Supreme Court and the Kansas Supreme Court.¹ Government action is defined as legislation, regulations or directives, or agency guidelines and procedures for the issuing of licenses or permits.² The Act expressly excludes other types of activity, such as the formal exercise of eminent domain.³

Under the criteria of the Act, there are no cases to include in the 2019 update to the Attorney General's Guidelines.⁴

¹ K.S.A. 77-704.

² K.S.A. 77-703(b)(1)

³ K.S.A. 77-703(b)(2)

⁴ The original guidelines are published at 14 Kan. Reg. 1690-92 (Dec. 21, 1995).

**Notice Concerning Proposed Kansas Air
Quality Class I Operating Permit Renewal and
Modification of Permit/Approval Conditions**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. HollyFrontier El Dorado Refining, LLC has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance. Notice is also given that certain requirements in the construction permit dated April 8, 2011 is being modified by a Modification of Permit/Approval Conditions.

HollyFrontier El Dorado Refining, LLC, PO Box 1121, El Dorado, KS 67042, owns and operates a Petroleum Refinery located at 1401 S. Douglas Rd., El Dorado, Sedgwick County, KS 67042.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process, and a copy of the Modification of Permit/Approval Conditions are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau

(continued)

of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the South Central District Office, 300 W. Douglas, Suite 700, Wichita, KS 67202. To obtain or review the proposed permit and supporting documentation, contact Shelley Schupp, 785-368-7030, at the central office of the KDHE or Amanda Smyth or David Butler, 316-337-6020, at the South Central District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Shelley Schupp, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, January 27, 2020.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Shelley Schupp, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 or by fax at 785-559-4256, no later than 12:00 p.m. Monday, January 27, 2020. If a request is received, a public hearing is tentatively scheduled at the Civic Center Breakout Room, 201 E. Central, El Dorado, KS, 67042, Wednesday, January 29, 2020, beginning at 2:00 p.m. and continue until audience members have an opportunity to submit comments. If no requests to hold the public hearing are received by 12:00 p.m. Monday, January 27, 2020, the public hearing will be cancelled. A notice of the cancellation will be posted at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

If a hearing is conducted, all interested parties will be given a reasonable opportunity to present their views orally or by submission of written materials during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to limit oral presentations to a specific time limit. Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed materials in an accessible format. Requests for accommodation must be made no later than Wednesday, January 15, 2020 by contacting the Bureau of Air at 785-368-7030.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air

Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Facility Location: 2101 W. 6th St., Emporia, KS 66801

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility processes cut beef brought in from other locations. The facility is a former beef complex slaughterhouse with associated rendering and hide curing processing plant. The processing of cut beef produces an average of 0.65 million gallons per day (MGD) of process wastewater from the cut floor, sanitary wastewater, boiler wastewater and stormwater runoff which is treated in an anaerobic lagoon and an eight (8) cell facultative wastewater lagoon system prior to discharge. The facility retains facilities and wastewater treatment capability to allow restarting of slaughterhouse operations. There are 17 groundwater monitoring wells in the vicinity of the eight-cell lagoon system. Those wells are permitted separately under KWPC Permit No. I-NE24-NO09. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, oil and grease, ammonia, pH, fecal coliform, whole effluent toxicity, and total nitrogen, as well as monitoring for flow, nitrate + nitrite, total Kjeldahl nitrogen, and total phosphorus.

Kansas Permit No. I-UA18-NP02
Federal Permit No. KSJ000476

Facility Name: Holcomb Power Station

Facility Location: 2440 Holcomb Ln., Holcomb, KS 67851

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility generates electric power with high pressure steam. The facility uses about 4 million gallons per day (MGD) of water from a well field and receives about 0.15 MDG of treated wastewater effluent from the City of Holcomb. Cooling tower blowdowns and process wastewaters are stored in eight (8) non-discharging lined basins for reuse at the facility. The Power Station is designed to maximize water reuse resulting in zero wastewater discharge. The proposed permit contains a schedule of compliance stating that the permittee shall submit to KDHE for review a procedure to evaluate the integrity of the basin liner system for Basins A, C, E and F. The permittee shall also provide KDHE a report providing the evaluation(s) conducted.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before January 25, 2020, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-19-393/406, KS-Q-19-327/333, KS-NQ-19-011) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for prepar-

ing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic Internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) January 15, 2020. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. (CST) January 15, 2020. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

Request for Proposals

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for project 9-69 KA 3094-01. The project is locat-

ed on K-9 in Norton County, Bridge #050 (Big Timber Creek), located 0.054 miles east of the K-9/K-173 junction.

Schedule/Deadlines

Request for proposals (RFPs) are due on or before 12:00 p.m. (CST) January 3, 2020, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about January 22, 2020, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about February 5, 2020. An agreement should be in place on or about February 28, 2020. The contractor should start on the project around mid-March through May 2020 and has 110 working days.

Scope of Services to be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes bridge, concrete work, traffic control, grading, HMA, seeding, erosion control, CMS or AASHTOWare data entry, all project records, all project paperwork, and final paperwork, etc. Project records and paperwork including but not limited to: diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor’s payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the project needs. Submit the names and information of the project manager, along with one more inspector that will be supplemented as needed. Construction is anticipated to be completed within working days and cleanup days. Provide all the equipment necessary to inspect and test materials.

Instructions for Letter of Interest

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 (“Certificate of Final Indirect Costs”), a completed and signed Special Attachment No. 8 (“Tax Clearance Certificate”), and a signed Special Attachment No. 10 (“Policy Regarding Sexual Harassment”). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant’s ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under “Scope of Services to be Performed.” The RFP shall also include items such as:

- Project manager
- Supplemental project inspector as needed
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications

(continued)

- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (project manager, one intermittent inspectors), certifications, and qualifications proposed for services;
3. Proximity of inspectors to project;
4. Past performance history on similar projects (list project numbers) for KDOT;
5. Types of direct expenses anticipated (lodging, mileage, etc.);
6. Anticipated time to close out project paperwork.

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A standard KDOT project inspection agreement will be used for this project. Current rate factors will be used for compensation, and Special Attachments for the Kansas "Tax Clearance Certificate," the "Certificate of Final Indirect Costs," and the "Policy Regarding Sexual Harassment" will become attachments to the contract.

Questions about this request for proposals shall be sent via email to kdot.designcontracts@ks.gov.

Request for Proposals

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for project 7-46 KA 5465-01. The project is located on K-7 in Johnson County beginning at Junction K-10/K-7 thence north to the Kansas River Bridge.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) January 10, 2020, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of

submissions will occur on or about January 29, 2020, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about February 5, 2020. An agreement should be in place on or about March 6, 2020. The contractor should start on the project around April to July 2020 and has 45 working days. This work will be performed off peak traffic hours.

Scope of Services to be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes HMA, HMA plant, milling, chip seal, traffic control, CMS or AASH-TOWare data entry, all project records, all project paperwork and final paperwork, etc. Project records and paperwork including but not limited to; diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor’s payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the project needs. Submit the names and information of the project manager, plant inspector along with three more inspector that will be supplemented as needed. Construction is scheduled to be completed within working days and cleanup days. Provide all the equipment necessary to inspect and test materials.

Instructions for Letter of Interest

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 (“Certificate of Final Indirect Costs”), a completed and signed Special Attachment No. 8 (“Tax Clearance Certificate”), and a signed Special Attachment No. 10 (“Policy Regarding Sexual Harassment”). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant’s ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under “Scope of Services to be Performed.” The RFP shall also include items such as:

- Project manager
- Plant inspector
- Supplemental project inspector as needed
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project

(continued)

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (project manager, plant inspector, and three supplemental inspectors), certifications, and qualifications proposed for services;
3. Proximity of inspectors to project;
4. Past performance history on similar projects (list project numbers) for KDOT;
5. Types of direct expenses anticipated (lodging, mileage, etc.);
6. Anticipated time to close out project paperwork.

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 (“Certificate of Final Indirect Costs”)
- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Contract Terms and Conditions

A standard KDOT project inspection agreement will be used for this project. Current rate factors will be used for compensation, and Special Attachments for the Kansas “Tax Clearance Certificate,” the “Certificate of Final Indirect Costs,” and the “Policy Regarding Sexual Harassment” will become attachments to the contract.

Questions about this request for proposals shall be sent via email to kdot.designcontracts@ks.gov.

Board of Examiners in Fitting and Dispensing of Hearing Instruments

Permanent Administrative Regulations

Article 1.—APPLICATION FOR LICENSE

67-1-8. Potentially disqualifying civil and criminal records; advisory opinion; fee. (a) Any of the following criminal records may disqualify an applicant from receiving a license:

- (1) Conviction of any felony related to the fitting and dispensing of hearing instruments;
- (2) conviction of any class A misdemeanor that includes any of the following:
 - (A) A crime whose victim was a client, customer, or other individual with whom the applicant had a professional or fiduciary relationship;
 - (B) a crime that occurred at the applicant’s work site or while the applicant was on work duty;
 - (C) a crime involving fraud, theft, or misappropriation of another person’s money or property;
 - (D) a crime classified as a sex offense or requiring registration as a sex offender by the jurisdiction in which the conviction occurred;
 - (E) a crime involving assault or battery as defined by the jurisdiction in which the conviction occurred;

(F) a crime involving the unlawful use, possession, or distribution of drugs; or

(G) a crime involving the abuse, neglect, or exploitation of a child, elderly person, or disabled person as defined by the jurisdiction in which the conviction occurred; or

(3) conviction of any other misdemeanor that meets both of the following conditions:

(A) The crime involved at least one of the circumstances described in paragraph (a)(2); and

(B)(i) Fewer than five years have passed since the applicant completed that individual’s sentence, including any term of incarceration, probation, or community supervision; or

(ii) the applicant has been convicted of another crime in the five years immediately preceding the date of application for license.

(b) Civil records that may disqualify an applicant from receiving a license shall be records of any court judgment or settlement in which the applicant admitted or was found to have engaged in conduct that would constitute a violation of the hearing instrument act or any of the board’s regulations. Those records shall not be used to disqualify an applicant for more than five years after the applicant satisfied any judgment or restitution ordered by the court or agreed to in the settlement.

(c) Any individual with a criminal or civil record described in this regulation may submit a petition to the board for an informal, advisory opinion concerning whether the individual’s civil or criminal record may disqualify the individual from licensure. Each petition shall include the following:

- (1) The details of the individual’s civil or criminal record, including a copy of the court records or the settlement agreement;
- (2) an explanation of the circumstances that resulted in the civil or criminal record; and
- (3) a check or money order in the amount of \$50.00. (Authorized by K.S.A. 74-120 and 74-5806; implementing K.S.A. 74-120 and 74-5818; effective Jan. 10, 2020.)

Article 2.—EXAMINATIONS

67-2-4. Examinations. (a) Each applicant shall be required to take an examination that includes both written and practical demonstrations of technical proficiency. Each applicant shall be required to take and pass the written examination before taking the practical examination. The passing score on the practical examination shall be at least 75 percent for each individual section. The written examination shall be graded by the international hearing society, subject to approval by the board.

(b) After the board has approved the applicant’s passing score on the written examination, the applicant shall be notified by letter of the date, time, and location of the practical examination. If the board receives proof of an applicant’s passing score on the written examination from the international hearing society fewer than 30 days before the next scheduled practical examination and determines that the examination site can accommodate an additional examinee, the applicant may be permitted to take that practical examination. The applicant shall be notified by letter of the results of the practical examina-

Article 28b.—INDEPENDENT PRACTICE OF MIDWIFERY

100-28b-1. Definitions. As used in this article of the board’s regulations, each of the following terms shall have the meaning specified in this regulation:

- (a) “Abortion” has the meaning specified in K.S.A. 65-6701, and amendments thereto.
- (b) “Antepartum” means occurring in the period that commences when a pregnant woman presents herself to a licensee during pregnancy and ends at the onset of labor.
- (c) “Approved national certification” means certification as a certified nurse-midwife by the American midwifery certification board.
- (d) “Birthing center” means a facility that provides delivery services for normal, uncomplicated pregnancies. This term shall not include a medical care facility as defined by K.S.A. 65-425, and amendments thereto.

(e) “Family planning services” means the provision of contraceptive methods, preconception health services, and sexually transmitted infection screening and treatment to patients.

(f) “Formal consult” means the process whereby a licensee formally requests a physician’s written recommendations for the care and treatment of a patient’s identifiable risks.

(g) “Home birth” means an attended birth at a private residence or a location other than a birthing center or hospital.

(h) “Hospital” has the meaning specified in K.S.A. 65-425, and amendments thereto.

(i) “Identifiable risk” means medical history or clinical signs or symptoms that could require clinical services other than those associated with a normal, uncomplicated pregnancy and a normal, uncomplicated delivery.

(j) “Informal consult” means the process whereby a licensee who maintains management responsibility for the patient’s care informally requests the advice or opinion of a physician.

(k) “Initial care of a normal newborn” means the clinical services provided to a normal newborn during the first 28 days of life. This term shall include lactation services.

(l) “Intrapartum” means occurring in the period commencing with the onset of labor and ending after the delivery of the placenta.

(m) “Licensee” means an individual licensed by the board to engage in the independent practice of midwifery as defined in K.S.A. 65-28b02, and amendments thereto.

(n) “Minor vaginal laceration” means a tear that extends beyond the fourchette, perineal skin, and vaginal mucosa to perineal muscles and fascia, but not the anal sphincter.

(o) “Newborn” means an infant during the first 28 days of life after birth.

(p) “Normal newborn” means a newborn who has been clinically determined to have no complications or to be at low risk of developing complications.

(q) “Normal, uncomplicated delivery” means delivery of a singleton cephalic vaginal birth that has been clinically determined to be at low risk for complications.

(r) “Normal, uncomplicated pregnancy” means a pregnancy that is initially determined to be at a low risk for a poor pregnancy outcome and that remains at a low risk throughout the pregnancy.

(s) “Patient” means a woman to whom an independent certified nurse-midwife provides clinical services.

(t) “Physician” means an individual licensed to active-practice medicine and surgery or osteopathic medicine and surgery in Kansas.

(u) “Poor pregnancy outcome” means any outcome other than a live, healthy patient.

(v) “Postpartum” means occurring in the period commencing with the delivery of the placenta and ending six weeks after birth.

(w) “Referral” means the process whereby a licensee requests a physician to assume management responsibility for a patient’s care.

(x) “Transfer” means the process whereby a licensee or physician accepts management responsibility for a patient’s care.

(y) "Transport" means the process whereby a patient is moved from one location to another. (Authorized by K.S.A. 65-28b07(d); implementing K.S.A. 65-28b02 and 65-28b07(d); effective Jan. 10, 2020.)

100-28b-5. License expiration and cancellation. (a) Each license to engage in the independent practice of midwifery issued within the seven-month period beginning June 1 and ending December 31 shall expire on September 30 of the following year and shall be cancelled on October 30 of that year, unless renewed.

(b) Each license to engage in the independent practice of midwifery issued within the five-month period beginning January 1 and ending May 31 shall expire on September 30 and shall be cancelled on October 30 of the same year, unless renewed. (Authorized by K.S.A. 65-28b04 and 65-28b07(d); implementing K.S.A. 65-28b04; effective Jan. 10, 2020.)

100-28b-15. Transport and transfer protocol requirements. (a) Each licensee shall have a written protocol in place for each patient for the timely and safe transport to a hospital with an obstetrical unit and physician within a reasonable proximity of the planned location of labor and delivery. Each written protocol shall include the following:

(1) A plan for transporting the patient by emergency medical services;

(2) a plan for notification of the hospital and physician;

(3) a plan for communication of the patient's medical history and present condition; and

(4) at least one of the following:

(A) A plan for transferring the patient to the hospital and a physician;

(B) evidence of a transfer agreement with the hospital and physician; or

(C) evidence that the licensee has admitting privileges at the specified hospital.

(b) Each licensee shall ensure that all staff members attending the patient's labor and delivery have immediate access to a working telephone or another communication device and to all necessary information for transporting and transferring a patient in case of an emergency. (Authorized by K.S.A. 65-28b07; implementing K.S.A. 65-28b02, 65-28b07; effective Jan. 10, 2020.)

100-28b-16. Duty to consult, refer, transfer, and transport. (a) A licensee shall immediately informally consult, formally consult, refer, or transfer care of a patient to a physician, or transport the patient to a hospital if the patient's medical history or condition presents identifiable risks to the course of pregnancy, labor, delivery, or health of the patient.

(b) Any licensee may continue or resume providing clinical services to the patient if a physician has determined that the patient's medical history or condition has been resolved, or that the identifiable risks presented by the patient's medical history or condition are not likely to affect the course of pregnancy, labor, delivery, or health of the patient or newborn.

(c) A licensee shall immediately informally consult, formally consult, refer, or transfer care of a newborn to a physician, or transport the newborn to a hospital if at any time the newborn's condition presents identifiable risks to the health of the newborn.

(d) Any licensee may continue or resume providing clinical services to the newborn if a physician has determined that the newborn's condition has been resolved or that the identifiable risks presented by the newborn's condition are not likely to affect the health of the newborn. (Authorized by K.S.A. 65-28b07; implementing K.S.A. 65-28b02, 65-28b07; effective Jan. 10, 2020.)

100-28b-17. Identifiable risks requiring immediate referral and transport of patient. Identifiable risks requiring the immediate referral and transport of a patient shall include the following:

(a) Maternal fever of more than 100.4 degrees Fahrenheit during labor, in the absence of environmental factors;

(b) suggestion of fetal jeopardy, including clinically significant frank bleeding before delivery, abnormal bleeding with or without abdominal pain, evidence of placental abruption, or detection of abnormal fetal heart tones;

(c) current spontaneous preterm labor;

(d) current preterm premature rupture of membranes;

(j) heart murmur lasting more than 24 hours immediately following birth;

(k) cardiac arrhythmia;

(l) congenital anomalies;

(m) failed critical congenital heart disease screening;

(n) birth injury;

(o) clinical evidence of prematurity, including low birth weight of less than 2,500 grams, smooth soles of feet, or immature genitalia;

(continued)

(p) jaundice in the first 24 hours after birth or significant jaundice at any time;

(q) no stool for more than 24 hours immediately following birth;

(r) no urine output for more than 24 hours; and

(s) development of persistent poor feeding effort at any time. (Authorized by K.S.A. 65-28b07; implementing K.S.A. 65-28b02, 65-28b07; effective Jan. 10, 2020.)

Article 29.—PHYSICAL THERAPY

100-29-4. Examination. (a) The examination required and approved by the board for licensure as a physical therapist shall be the physical therapist examination developed by the federation of state boards of physical therapy (FSBPT).

(b) The examination required and approved by the board for certification as a physical therapist assistant shall be the physical therapist assistant examination developed by the FSBPT.

(c) Each applicant shall be required to successfully complete the applicable examination required by this regulation within six attempts. (Authorized by K.S.A. 65-2911; implementing K.S.A. 65-2906; effective March 21, 1997; amended July 14, 2006; amended Jan. 10, 2020.)

100-29-9. License and certificate renewal; continuing education. (a)(1)(A) As a condition of renewal for each odd-numbered year, each licensed physical therapist or certified physical therapist assistant shall submit, in addition to the annual application for renewal of licensure or certification, evidence of satisfactory completion within the preceding two-year period of at least 40 contact hours of continuing education for a licensed physical therapist and at least 20 contact hours of continuing education for a certified physical therapist assistant. As a component of the required contact hours, each licensed physical therapist shall be required to successfully complete the physical therapy jurisprudence assessment module specified in paragraph (f)(15) during each continuing education cycle.

(B) Evidence of satisfactory completion of a program of continuing education shall not be required to be submitted with the application for renewal of licensure or certification in even-numbered years.

(2) A contact hour shall consist of 60 minutes of activity pertaining to the practice of physical therapy.

(3) Meals and breaks shall not be included in the contact hour calculation.

(b) Any applicant for renewal who cannot meet the requirements of paragraph (a)(1)(A) may request an extension from the board to submit evidence of continuing education. The request shall include a plan for completion of the continuing education requirements within the requested extension period. An extension of up to six months may be granted by the board for a substantiated medical condition, natural disaster, death of a spouse or an immediate family member, or any other compelling reason that in the judgment of the board renders the licensee incapable of meeting the requirements of paragraph (a)(1)(A).

(c) A physical therapist initially licensed or physical therapist assistant initially certified within one year of a

renewal date in an odd-numbered year shall not be required to submit evidence of satisfactory completion of a program of continuing education required by paragraph (a)(1)(A) for that first renewal period. Each physical therapist or physical therapist assistant initially licensed or certified or whose license or certificate has been reinstated for more than one year but less than two years from a renewal date in an odd-numbered year shall be required to submit evidence of satisfactory completion of at least half of the contact hours of continuing education required by paragraph (a)(1)(A).

(d) All continuing education activities shall be related to the practice of physical therapy.

(e) All continuing education activities shall pertain to any of the following:

(1) Clinical skills;

(2) administration and management techniques;

(3) educational principles when providing service to patients, families, health professionals, health professional students, or the community;

(4) research projects with peer-reviewed, published results;

(5) legislative issues involving the profession;

(6) health care and the health care delivery system;

(7) documentation, reimbursement, cost-effectiveness, and regulatory compliance; or

(8) problem solving, critical thinking, and ethics.

(f) The following shall qualify as continuing education activities:

(1) Lecture. "Lecture" shall mean a live discourse for the purpose of instruction given before an audience. One contact hour shall be awarded for each hour of instruction.

(2) Panel. "Panel" shall mean the presentation of multiple views by several professional individuals on a given subject, with none of the views considered a final solution.

(3) Workshop. "Workshop" shall mean a series of meetings designed for intensive study, work, or discussion in a specific field of interest.

(4) Seminar. "Seminar" shall mean directed advanced study or discussion in a specific field of interest.

(5) Symposium. "Symposium" shall mean a conference of more than a single session organized for the purpose of discussing a specific subject from various viewpoints and by various speakers.

(6) In-service training. "In-service training" shall mean an educational presentation given to employees during the course of employment that pertains solely to the enhancement of physical therapy skills in the evaluation, assessment, or treatment of patients.

(7) College or university courses. "College or university course" shall mean a course at the college or university level directly related to the practice of physical therapy. Ten contact hours shall be given for each semester credit hour for which the student received a grade of at least C or its equivalent or a "pass" in a pass/fail course that is documented in an official transcript.

(8) Administrative training. "Administrative training" shall mean a presentation that enhances the knowledge of a physical therapist or physical therapist assistant on the topic of quality assurance, risk management, reimbursement, hospital and statutory requirements, or claim procedures.

(9) Self-instruction. "Self-instruction" shall mean the following:

(A) Reading professional literature directly related to the practice of physical therapy. A maximum of two contact hours shall be awarded for reading professional literature;

(B) completion of a correspondence, audio, video, or internet course for which a printed verification of successful completion is provided by the person or organization offering the course. A maximum of 10 contact hours shall be awarded for each course; and

(C) passage of a specialty certification examination approved by the board. Forty contact hours shall be awarded for passage of a specialty certification examination.

(10) Professional publications. Contact hours for writing a professional publication shall be allotted as follows:

(A) Original paper	single author	20
	senior author	15
	coauthor	8
(B) Review paper or case report	single author	15
	coauthor	8
(C) Abstract or book review		8
(D) Publication of a book		20

(11) Physical therapy residency or fellowship program. "Physical therapy residency or fellowship program" shall mean a post-professional program that is directly related to the practice of physical therapy and requires at least 1,000 combined hours of instruction and clinical practice for completion. Forty contact hours shall be awarded for successful completion of a physical therapy residency or fellowship program.

(12) Elected delegate. "Elected delegate" shall mean an elected delegate in a national assembly of delegates with the objective to create policy related to the practice of physical therapy. Ten contact hours shall be awarded for serving one term as an elected delegate.

(13) Supervision of a student. "Supervision of a student" shall mean clinical instruction and evaluation of a physical therapist student or physical therapist assistant student in a clinical setting. One contact hour shall be awarded for each documented 40 hours of providing supervision of a student. A maximum of three contact hours shall be awarded in each two-year continuing education period.

(14) Continuing education program presentation. "Continuing education program presentation" shall mean the preparation and presentation of a continuing education program that meets the requirements of subsection (e). Three contact hours shall be awarded for each hour spent presenting.

(15) Physical therapy jurisprudence assessment module. "Physical therapy jurisprudence assessment module" shall mean the Kansas jurisprudence examination developed by the board and the FSBPT and administered by the FSBPT. One contact hour shall be awarded for successful completion of the physical therapy jurisprudence assessment module.

(g) No contact hours shall be awarded for any continuing education activity that is repeated within the applicable continuing education period specified in subsection (a) or (b).

(h) To provide evidence of satisfactory completion of continuing education activities, each licensed physical therapist and each certified physical therapist assistant shall submit the following to the board:

(1) Documented evidence of any attendance at or successful completion of continuing education activities;

(2) personal verification of any self-instruction from reading professional literature; and

(3) one copy of any peer-reviewed professional publication. (Authorized by K.S.A. 65-2910 and 65-2911; implementing K.S.A. 65-2910; effective March 21, 1997; amended Nov. 14, 2003; amended May 26, 2006; amended May 13, 2016; amended Jan. 10, 2020.)

Article 69.—ATHLETIC TRAINING

100-69-7. Unprofessional conduct; definitions. (a) "Unprofessional conduct" shall mean any of the following:

(1) Soliciting patients through the use of false advertisements or profiting by the acts of those representing themselves to be agents of the licensee;

(2) representing to a patient that a manifestly incurable disease, condition, or injury can be permanently cured;

(3) assisting in the care or treatment of a patient without the consent of the patient or the patient's legal representative;

(4) using any letters, words, or terms as an affix on stationery or in advertisements or otherwise indicating that the person is entitled to practice any profession regulated by the board or any other state licensing board or agency for which the person is not licensed;

(5) willful betrayal of confidential information;

(6) advertising professional superiority or the performance of professional services in a superior manner;

(7) advertising to guarantee any professional service or to perform any professional service painlessly;

(8) engaging in conduct related to the practice of athletic training that is likely to deceive, defraud, or harm the public;

(9) making a false or misleading statement regarding the licensee's skill or the efficacy or value of the treatment or remedy prescribed by the licensee or at the licensee's direction;

(10) commission of any act of sexual abuse, misconduct, or other improper sexual contact that exploits the licensee-patient relationship, with a patient or a person responsible for health care decisions concerning the patient;

(11) using any false, fraudulent, or deceptive statement in any document connected with the practice of athletic training, including the intentional falsifying or fraudulent altering of a patient record;

(12) obtaining any fee by fraud, deceit, or misrepresentation;

(13) failing to transfer a patient's records to another licensee when requested to do so by the patient or by the patient's legally designated representative;

(14) performing any unnecessary tests, examinations, or services that have no legitimate purpose;

(15) charging an excessive fee for services rendered;

(16) repeated failure to engage in the practice of athletic training with that level of care, skill, and treatment that is recognized by a reasonably prudent similar prac-

(continued)

itioner as being acceptable under similar conditions and circumstances;

(17) failure to keep written medical records that accurately describe the services rendered to each patient, including patient histories, pertinent findings, examination results, and test results;

(18) providing services as an athletic trainer without practice protocols or contrary to the practice protocols filed with the board;

(19) practicing athletic training while the licensee's ability to practice with reasonable skill and safety to patients is impaired by reason of physical or mental illness or the use of alcohol, drugs, or controlled substances;

(20) committing fraud or misrepresentation in applying for or securing an original, renewal, or reinstated license;

(21) willfully or repeatedly violating the healing arts act, any implementing regulations, or any regulations of the board or the secretary of health and environment that govern the practice of athletic training;

(22) unlawfully practicing any profession regulated by the board in which the licensed athletic trainer is not licensed to practice;

(23) failing to report or reveal the knowledge required to be reported or revealed pursuant to K.S.A. 65-7621, and amendments thereto;

(24) failing to furnish the board, or its investigators or representatives, any information legally requested by the board;

(25) incurring any sanction or disciplinary action by a peer review committee, a governmental agency or department, or a professional association or society for conduct that could constitute grounds for disciplinary action under the act or this article of the board's regulations;

(26) knowingly submitting any misleading, deceptive, untrue, or fraudulent representation on a claim form, bill, or statement;

(27) giving a worthless check or stopping payment on a debit or credit card for fees or moneys legally due to the board;

(28) knowingly or negligently abandoning medical records;

(29) engaging in conduct that violates patient trust and exploits the licensee-patient relationship for personal gain; or

(30) obstructing a board investigation, including engaging in one or more of the following acts:

(A) Falsifying or concealing a material fact;

(B) knowingly making or causing to be made any false or misleading statement or writing; or

(C) committing any other acts or engaging in conduct likely to deceive or defraud the board.

(b) "Advertisement" shall mean all representations disseminated in any manner or by any means that are for the purpose of inducing or that are likely to induce, directly or indirectly, the purchase of professional services.

(c) "False advertisement" shall mean any advertisement that is false, misleading, or deceptive in a material respect. In determining whether any advertisement is misleading, the following shall be taken into account:

(1) Representations made or suggested by statement, word, design, device, or sound, or any combination of these; and

(2) the extent to which the advertisement fails to reveal facts material in the light of the representations made. (Authorized by and implementing K.S.A. 65-6905 and K.S.A. 65-6911; effective July 19, 1996; amended Sept. 9, 2005; amended Jan. 10, 2020.)

100-69-10. License renewal; continuing education.

(a) As a condition of renewal, each licensed athletic trainer shall submit, in addition to the annual application for renewal of licensure, evidence of satisfactory completion of at least 20 hours of continuing education within the preceding year and proof of continuous certification in emergency cardiac care procedures including administration of an automated external defibrillator (AED) through a nationally recognized provider approved by the board. Each course approved by the board of certification for the athletic trainer shall meet this requirement.

(1) Acceptable providers of certification in emergency cardiac care (ECC) procedures shall be those adhering to the most current international guidelines for cardiopulmonary resuscitation and emergency cardiac care.

(2) Online ECC courses shall not be accepted, unless the provider confirms in writing that the skills were demonstrated and tested in person by a qualified instructor.

(3) Instructor certifications shall not be accepted, unless the provider confirms in writing that the instructors are required to maintain and successfully demonstrate provider skills to renew instructor status.

(b) Any licensee who suffered an illness or injury during the 12-month period before the expiration date of the license that made it impossible or extremely difficult to reasonably obtain the required continuing education hours may be granted an extension of not more than six months.

(c) Each athletic trainer initially licensed within one year of the expiration date of the license shall be exempt from the continuing education required by subsection (a) for that first renewal period.

(d) All continuing education shall be related to the field of athletic training and shall be presented by providers approved by the board. In order to qualify as board-approved, the continuing education shall be delivered by an approved provider or shall be intended for an audience of credentialed health care providers. The content shall be at least entry-level and shall pertain to one of the current domains of athletic training practice identified by the board. The current domains of athletic training practice identified by the board of certification of athletic trainers shall meet this requirement.

(e) One hour shall be 60 minutes of instruction or the equivalent.

(f) All continuing education shall meet the requirements of subsection (h).

(g) Each licensee seeking continuing education credit shall participate in at least two of the categories listed in subsection (h).

(h) The categories of continuing education experiences shall be the following:

(1) Category A. The number of hours for all category A continuing education experiences shall be granted upon receipt of documented evidence of attendance or documented evidence of satisfactory completion issued by a national, state, or local organization with standards that

are at least as stringent as the standards of the board. Category A continuing education experiences shall include the following:

(A) Symposium. "Symposium" shall mean a conference of more than a single session organized for the purpose of discussing a specific subject from various viewpoints and by various speakers.

(B) Seminar. "Seminar" shall mean directed advanced study or discussion in a specific field of interest.

(C) Workshop. "Workshop" shall mean a series of meetings designed for intensive study, work, or discussion in a specific field of interest.

(D) Conference. "Conference" shall mean a formal meeting of a number of people for a discussion in a specific field of interest.

(E) Home study course. "Home study course" shall mean an online webinar course designed for advanced study in a specific field of interest.

(2) Category B. Category B continuing education experiences shall include the following:

(A) Scholarly presentations. The number of hours granted for scholarly presentations shall be the following:

(i) 10 hours for a speaker at a clinical symposium where the primary audience is allied health care professionals; and

(ii) five hours for a speaker at a seminar, workshop, or conference where the primary audience is allied health care professionals.

(B) Publication activities. The number of hours granted for writing a professional publication shall be the following:

(i) Five hours to author an article in a non-refereed journal;

(ii) 15 hours to author an article in a refereed journal;

(iii) 10 hours to coauthor an article in a refereed journal;

(iv) 20 hours to author a published textbook;

(v) 10 hours to coauthor a published textbook;

(vi) five hours for being a contributing author of a published textbook;

(vii) 10 hours to author a refereed or peer-reviewed poster presentation; and

(viii) five hours to coauthor a poster presentation.

(3) Category C. Category C continuing education experiences shall consist of postcertification education. The number of hours assigned to category C continuing education experiences shall be 10 hours for each credit hour

for postcertification education. The content shall be related to one of the domains of athletic training.

(4) Category D. Category D continuing education experiences shall consist of miscellaneous activities, which shall include evidence-based practice. The number of hours granted upon receipt of documented evidence of satisfactory completion for Category D continuing education experiences shall be the following:

(A) One hour shall be granted for each hour of attendance at continuing education program activities that are not approved by the board for category A or category B, but that are related to specific athletic training and sports medicine topics.

(B) One hour shall be granted for each hour of listening to unapproved continuing education programs or other multimedia products related to one of the domains of athletic training. No more than five hours per renewal period shall be allowed.

(i) No credit shall be granted for making any repeated presentations of the same subject matter.

(j) No credit shall be granted for reiteration of material or information obtained from attendance at a continuing education program.

(k) To provide evidence of satisfactory completion of continuing education, the following shall be submitted to the board:

(1) Documented evidence of attendance at category A and category D activities;

(2) proof of participation in category B activities, which shall include a copy of any professional publication or documentation of any presentation;

(3) receipt and verification of completion of approved self-instruction from home study courses;

(4) a copy of each transcript or grade report for category C activities; and

(5) personal verification of listening to or viewing continuing education program videotapes, audiotapes, or other multimedia products, as described in paragraph (h)(4)(B). (Authorized by K.S.A. 65-6905; implementing K.S.A. 65-6905 and 65-6909; effective Jan. 9, 1998; amended Nov. 15, 2002; amended Sept. 9, 2005; amended May 15, 2009; amended Jan. 10, 2020.)
