Notice of Intent to Lease Land and/or Building Space

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university's educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special

needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice President for Research & Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) intends to directly lease, and indirectly sublease through its affiliate corporation Wichita State Innovation Alliance, Inc., subject to all required state approvals, an approximate ground area consisting of 150,000 square feet or less with the potential for expansion for parking, for the private development of one or more partnership buildings. This private development shall be located west of Oliver, between 17th and 18th streets, on the Wichita State University main campus. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, and specifically an emphasis on supporting and growing advanced laboratories for research, testing, and innovation in data infrastructure/storage, video surveillance storage, IOT, security, analytics, visualization/modeling, and machine learning/AI. The university intends to lease such ground for any period of time up to sixty-five years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable based on term of lease and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) is interested in entering into a long-term ground lease, subject to all required state approvals, for approximately 1.4 acres of property located at 1741 and 1755 N. Hillside. The university is interested in leasing such property to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good and providing retail, restaurant, and service centers that would be desirable and beneficial to the international student community. The university intends to lease this property for any period of time up to 65 years, but extended terms and renewal options would be considered. Interested tenants must be willing to provide the university an option to lease back improved office/classroom/lab space up to 11,000 square feet. Interested tenants must be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: financial stability and strength, proposal terms, demonstrated benefit to WSU and the community, design concepts, and proposed use. Rental rate may be negotiated based on square foot of leased ground or leasable square foot of the building. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. Any bid received after the designated closing time will not be considered and will be returned unopened.

All bids shall be submitted to the Community Development Department Customer Service Staff (Main Level) in sealed envelopes addressed to the City of Lenexa, Kansas, Attention: City Clerk, and marked "Bid for: Old Town – Area 1 Street Lighting Project 2020 CDBG. Copies of plans, specifications, bidding documents and other contract documents are on file at Drexel Technologies, Inc., 10840 W. 86th St., Lenexa, KS 66214.

Bidders desiring contract documents for use in preparing bids, as well as copies of plan, specification, bidding documents, and other contract documents are on file and may be obtained at Drexel Technologies, Inc., 10840 W. 86th St., Lenexa, KS 66214, or <http://planroom.drexeltech.com/>. Note: Davis Bacon Wage Rates apply to this project.

Each bidder will be responsible for ensuring that it has received any and all addenda issued by the city in accordance with IB-10 of the instructions to bidders. Contractors should read and be fully familiar with all contract documents including addenda before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to fully inform itself as to all existing conditions and limitations and shall include in its bid a sum to cover the cost of all items of the work as specified in the contract documents.

No oral telegraphic, telephonic proposals, or alterations will be considered. Facsimile transmissions will not be accepted.

The following items must be included in the sealed envelope with the bid:

- a. Bid Form;
- b. 5% bid security – bid bond, cashier's check or certified check (see below); and
- c. Acknowledgment of addenda issued by the city.

Each bidder shall file with its bid a bid bond, a cashier's check, or a certified check drawn on an acceptable bank, made payable to the City of Lenexa, Kansas, in an amount equal to five percent (5%) of the total bid, which shall be retained by the City of Lenexa, Kansas until a contract for the project has been executed. Bid bonds will be returned to the bidders, with the exception of the best and lowest and second best and second lowest responsible bidders, within twenty-one (21) days after their bids are rejected. The bid deposit of the lowest and the second lowest responsible bidders will be returned when the performance bond, maintenance bond, and statutory bond, each in an amount equal to 100% of the contract amount, required

insurance certificates and other required documents shall have been furnished and the contract documents have been executed by the successful bidder.

In the event the low bidder is unable to execute the contract, for whatever reason, within the time provided in the Notice of Award, the city may annul the Notice of Award and the bid deposit may be forfeited and the city shall exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security or specific performance.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of City Clerk, prior to the time and date for bid opening.

From and after the release of this notice, any party intending to bid on the above referenced project, including their officers, employees, agents, or contractors are specifically prohibited from communicating with any elected or appointed official of the city, directly or indirectly, with regard to the award of the contract for the project listed above, except as specifically authorized by the instructions to bidders. Any such unauthorized communication may result in the automatic disqualification of such bidder.

All bidders agree that rejection shall create no liability on the part of city because of such rejection, and the filing of any bid in response to this notice shall constitute an agreement of the bidder to these conditions.

If this section is completed, a pre-bid conference will be held at 10:00 a.m. March 3, 2020, in the Lenexa City Hall Prairie Star Conference Room, 17101 W. 87th St. Pkwy., Lenexa, KS 66219.

Notice of Application for a
Municipal Solid Waste Landfill

The Kansas Department of Health and Environment (KDHE) received an application from Haskell County for a new Municipal Solid Waste Landfill located at 475 CR 210, Satanta, Kansas.

The applicant proposes a total facility permitted area of approximately 160.49 acres, and a disposal area of approximately 108.33 acres.

The Haskell County Commissioners have certified that the application described herein is consistent with the county's solid waste management plan and compatible with surrounding land use. KDHE has reviewed the application and found it to be in conformance with state solid waste statutes and regulations.

KDHE is providing public notice for the new permit application by Haskell County. A final decision to issue the permit has not been made, and KDHE will consider information gathered during the public comment period before making a final decision. A copy of the permit application, engineering drawings, and draft permit with respect to this permit action will be available for public review at www.kdheks.gov/waste from February 20, 2020 through March 23, 2020, and during normal business hours at the following locations:

Notice Concerning Proposed Kansas
Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Coffeyville Resources Crude Transportation, LLC – Broome Station has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Coffeyville Resources Crude Transportation, LLC – Broome Station, PO Box 3516, Bartlesville, OK 74006, owns and operates a crude oil storage and transportation station located at Section 4, Township 35S, Range 14E, Montgomery County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southeast District Office, 308 W. 14th St. Chanute, KS 66720. To obtain or review the proposed permit and supporting documentation, contact Allan Ddamulira, 785-296-1691, at the central office of the KDHE or Doug Cole, 620-860-7235, at the Southeast District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Allan Ddamulira, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, March 23, 2020.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Allan Ddamulira, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, March 23, 2020 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period.

Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

This is a reissued permit for an expanding facility, proposed modifications include increasing the head count from 14,000 to 36,000 head (14,000 to 36,000 Animal Units) of cattle weighing greater than 700 pounds. This increase is supported by the addition and re-working of existing open lots and drainage structures to a total of approximately 298.5 acres. Two new retention structures (RS 2 & RS 12) with sedimentation basins will be constructed to retain runoff from the corresponding catchment areas. Following Engineering Studies and successful results, RS-1 is expected to be extensively re-worked and expanded, including a sediment basin. Additionally, 4-four smaller retention structures (RS 4, RS 5, RS 6, and RS 7) will be closed and re-worked into open lots. Existing RS 8, 9, 10, and 11 and their drainage areas will also be evaluated following the completion of the engineering studies. This facility has an approved Nutrient Management Plan on file with KDHE.

Facility Location: 1210 Pottawatomie St., Hiawatha, KS 66430

The proposed action is to reissue an existing pretreatment permit for an existing facility. This facility manufactures metal hand tools. Tools are processed in a black oxide (metal coloring) process, which is considered a conversion coating operation. Outfall 001 consists of process wastewater from the rinse tanks in the metal coloring operation. Outfall 002 consists of heat treat rinse water. Wastes from two parts washing operations are not discharged to the city sewer but are hauled off-site for treatment and disposal. The proposed permit contains pretreatment limitations for pH, total toxic organics, cadmium, chromium, copper, lead, nickel, silver, zinc, and cyanide.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before March 21, 2020, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-20-053/061, KS-Q-20-011/023, KS-PT-20-002/003) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Description of Site 111

Two options are being considered for the Site 111 rehabilitation project. Contractors must bid both options to be considered for the job. Based upon bids received, the Board of Directors will determine which option to proceed with.

Option 1

Removal of the existing 15-inch corrugated metal pipe and 18-inch CMP inlet and replace with a 12-inch PVC pipe and 48-inch diameter precast concrete riser. A sand diaphragm will be installed with option 1. Installation of a new 6-inch diameter PVC drawdown pipe with a perforated inlet and a resilient wedge valve. The project contains 2,440 cubic yards excavation, 2430 cubic yards earth fill, 48-inch precast concrete riser with 58-inch trash rack, 6-inch PVC draw down pipe and valve, 15 cubic yards rip-rap, 1 acre of seeding and mulching, installation of a sand drainage diaphragm and 2050 liner feet of fence and gates.

Option 2

Removal of the existing 18-inch CMP riser and 5 feet of existing 15-inch CMP metal spillway pipe. The proj-

(continued)

ect contains 410 cubic yards excavation, 400 cubic yards earth fill, 48-inch precast concrete riser with 58-inch trash rack, 6-inch PVC draw down pipe and valve, 15 cubic yards riprap, 1 acre of seeding and mulching and 2050 linear feet of fence and gates.

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking qualified consulting firms prequalified in category 211 – Highway Design Major Facility or category 212 – Highway Design Minor Facility for the project listed below. A PDF of the interest response must be emailed to David Lutgen, P.E., Contracts Engineer at kdot.designcontracts@ks.gov. Interest and experience responses are limited to four (4) total pages, the subject line of the reply email and the PDF file name must read “Performance Based Practical Design–Firm Name.” The letter of interest is required and must be received 12:00 p.m. February 28, 2020 for the consulting firm to be considered.

Scope of Work

With the goal of establishing baselines for a system-wide performance-based practical design policy, the KDOT is seeking the services of a consulting engineering firm to evaluate KDOT’s policies and practices for determining lane width and shoulder width on new and reconstruction highway projects. It is expected the analysis will include a thorough review of KDOT’s current policies, review of policies of other states that have implemented Performance-Based Practical Design, and development of guidelines for KDOT that are based on factors that include, but are not limited to traffic volume, truck volume, speed, alignment, and route classification. Tools that may be used in performing the analysis include: Highway Safety Manual (HSM), Interactive Highway Safety Design Model (IHSDM), United States Road Assessment Program (usRAP), Roadside Safety Analysis Program (RSAP) or other similar analysis tools. The analysis would include applying the analytical tools to determine minimum values and guidance for lane and shoulder widths on non-interstate routes on the state highway system. In addition, the project will include the development of objective guidance on recommendations for maintenance of traffic (MOT) on state highway bridge replacement and repair projects. This guidance will con-

sider the various approaches for handling traffic during construction and is to be based on a benefit/cost approach that considers factors such as user costs (time delay and adverse travel cost for both passenger cars and trucks), construction time, and construction cost estimates.

It is anticipated that this will be a multi-phase contract. These activities would be considered phase 1 with a target completion date of September 30, 2020. Additional phases, if added, would include similar analyses of other design elements incorporation into KDOT’s performance-based practical design policies. Proficient abilities in such areas as highway geometric design, highway capacity analysis, and traffic analysis modeling are required.

Qualifications-Based Selection Process

No cost or pricing information shall be submitted with the Letter of Interest (LOI) and will not be considered in the selection process to shortlist or rank proposals. Based on the qualifications submitted in the Letter of Interest and other information available to KDOT, on or about March 13, 2020 KDOT will shortlist three to five firms and notify all firms submitting LOI of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. At KDOT’s option, shortlisted firms may be interviewed by telephone conference call or asked to attend meetings or participate in other discussions with KDOT. Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, and third: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed (typical and atypical) approach to performance, data gathering, as well as efficiency and accuracy of services; and 4) past performance history. The highest ranked firm will be asked to enter into negotiations with KDOT for a contract, with compensation provisions for payment of actual direct costs plus fixed fee, subject to an upper limit of compensation. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

The firm’s accounting systems must have the following capabilities before the firm may be awarded a contract:

- Valid, reliable, and current costs must be available within the system to support actual costs and pricing data.
- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable costs by contract or project records which will reconcile with the general ledger.
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

Questions may be submitted to kdot.designcontracts@ks.gov.

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a consulting firm prequalified in a transportation planning category (category 111 to 182) for the project listed below. A PDF (2Mb maximum size) of the interest response must be emailed to kdot.designcontracts@ks.gov. Interest and experience responses are limited to four pages, the subject line of the reply email and the PDF file name must read "Data Analysis_FIRMNAME." The letter of interest is required and must be received by 12:00 p.m. February 28, 2020 for the consulting firm to be considered.

Background and Purpose of Project

KDOT is seeking an experienced transportation firm with combined experience in data analysis, transportation policy, business intelligence, data visualization, and strategic communications. KDOT seeks to use this outcome of these efforts to inform and improve decision-making, bolster our problem-solving efforts as we work with communities, and support our efforts of transparency and accountability. Contract will be for one year with a possible extension if needed.

Scope of Services to be Performed

Consultant will perform data analysis for specific business areas selected by KDOT executive management and provide visualizations, charts, graphs, data stories, trend analysis, dashboard development, or predictive analytics to assist KDOT in decision-making and provide insight into our significant relevant data. The consultant will disclose the process and methodology of their analysis.

Consultant will provide strategic communications support developing and implementing communications strategies, developing written and graphic content, preparing presentation materials and mentoring staff members. KDOT expects that the strategic communications support will be provided by a consultant team member who is available to work on site at KDOT headquarters in Topeka a minimum of two days per week.

Provide KDOT with recommendations for integrating the use of data analysis and visualizations into its decision-making processes.

Instructions for Letters of Interest

The main text of consultant's Letter of Interest (LOI) must not exceed four (4) pages to address the topics listed below. LOIs shall address and include the following items:

- Project manager
- Provide name(s), qualifications, education, training, and expertise as well as prior relevant experience of consultant personnel intended to perform services.
- Identify which project team member will provide strategic communications support in Topeka a minimum of two days per week.
- Provide a minimum of three (3) and a maximum of five (5) examples of deliverables created for projects completed using relevant experience. At least one example needs to be specific to the transportation industry. These examples do not count towards the LOI page limit but should be delivered electronically

ly at the same time as the LOI. If the examples are available for viewing online a link should be provided in lieu of an electronic document.

Qualifications-Based Selection Process

No cost or pricing information shall be submitted with the LOI and will not be considered in the selection process to shortlist or rank proposals. Based on the qualifications submitted in the LOI and other information available to KDOT, on or about March 13, 2020 KDOT will shortlist three to five firms and notify all firms submitting LOIs of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. At KDOT's option, shortlisted firms may be interviewed by telephone conference call or asked to attend meetings or participate in other discussions with KDOT. Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, and third: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed (typical and atypical) approach to performance, data gathering, as well as efficiency and accuracy of services; and 4) past performance history. The highest ranked firm will be asked to enter into negotiations with KDOT for a contract, with compensation provisions for payment of actual direct costs plus fixed fee, subject to an upper limit of compensation. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract:

- Valid, reliable, and current costs must be available within the system to support actual costs and pricing data.
- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable costs by contract or project records which will reconcile with the general ledger.
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

Questions may be submitted to kdot.designcontracts@ks.gov.

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) March 6, 2020, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about March 20, 2020, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about March 27, 2020. An agreement should be in place on or about April 13, 2020. The contractor should start the project around the middle of April 2020.

Scope of Services to be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes concrete work, traffic control, bridge, patch deck, polymer overlay, post-tensioned hunched slab fascia repair (water-

(continued)

proofing membrane), repair duct pocket, expansion joint membrane seal, CMS or AASHTOWare data entry, all project records, all project paperwork, and final paperwork, etc. Project records and paperwork including but not limited to: diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor's payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the project needs. Submit the names and information of the project manager, along with one more inspector that will be supplemented as needed. Construction is anticipated to be completed within 40 working days and then cleanup time. Provide all the equipment necessary to inspect and test materials.

Instructions for Letter of Interest

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the Technical Proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant's ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The RFP shall also include items such as:

- Project manager
- Supplemental project inspector
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project
- Anticipated time to close out project paperwork

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (project manager, one intermittent inspectors), certifications and qualifications proposed for services;

3. Proximity of inspectors to project;
4. Past performance history on similar projects (list project numbers) for KDOT;
5. Types of direct expenses anticipated (lodging, mileage, etc.);
6. Anticipated time to close out project paperwork.

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A standard KDOT project inspection Agreement will be used for this project. Current rate factors will be used for compensation, and Special Attachments for the Kansas "Tax Clearance Certificate," the "Certificate of Final Indirect Costs," and the "Policy Regarding Sexual Harassment" will become attachments to the contract.

Questions about this request for proposals shall be sent via email to kdot.designcontracts@ks.gov.

(continued)

K.A.R. 28-44-12, 28-44-13, 28-44-14, 28-44-15, 28-44-16, 28-44-17, 28-44-18, 28-44-19, 28-44-20, 28-44-21, 28-44-22, 28-44-23, 28-44-24, 28-44-25, 28-44-26, 28-44-27, and 28-44-29, proposed new regulations 28-44-30 and 28-44-31 and the revocation of 28-44-28, all regarding petroleum products storage tanks.

A summary of the proposed regulations and the estimated economic impact follows:

Summary of Regulations:

K.A.R. 28-44-12. General provisions. Updates the acceptable forms of payment. Adds a statement of penalty fees for owner or operator non-compliance, specifies required compliance dates, and provides for contractor license suspension or revocation if specified requirements are not met.

K.A.R. 28-44-13. Program scope. Updates adoption by reference to the July 1, 2015 40 C.F.R. 280 to meet Technical Standards and Corrective Action Requirements for Owners and Operators of Underground Storage Tanks (UST). Adds requirements for previously deferred storage tank systems.

K.A.R. 28-44-14. Definitions. Removes defined terms found in the Kansas Storage Tank Act and federal regulations. Adds adopted defined terms of 40 C.F.R. 280.12, 280.92, and 280.250. Adds the following terms: "drop ticket," "EPA," "installation," "license," "out-of-service," "site assessment," "storage tank operation," "these regulations," and "UST remover."

K.A.R. 28-44-15. Application for installation or modification of an underground storage tank. Adds the requirement of installing an anchoring system at all times. Increases the tank installation application fee from \$20/tank to \$100/tank and includes the UST registration fee and the first-year operating permit fee. Adopts by reference the Kansas Storage Tank Program Document.

K.A.R. 28-44-16. Underground storage tank systems: design, construction, installation, modification, and notification. Updates adoption by reference to the July 1, 2015 40 C.F.R. 280 to meet Technical Standards and Corrective Action Requirements for Owners and Operators of USTs. Adds requirements for secondary containment and under-dispenser containment (UDC), implemented in 2013. Adds a reference to the Kansas Storage Tank Program Document that describes additional methods of corrosion protection.

K.A.R. 28-44-17. Underground storage tank registration and operating permit. Separates registration notification fees and operating permit fees. Increases the one-time UST registration notification fee from \$10/tank to \$20/tank and the late penalty from \$10/facility to \$50/tank. Increases the annual UST operating permit fee from \$10/tank to \$25/tank and increases the late penalty from \$10/facility to \$50/tank. Requires an additional late penalty of \$100/tank if documents or payment, or both, have not been received by August 1 each year. Adds a reference to the Kansas Storage Tank Program Document.

K.A.R. 28-44-18. Registration of nonregulated underground storage tanks. Updates and clarifies language for current regulatory style.

K.A.R. 28-44-19. General operating requirements. Updates adoption by reference to the July 1, 2015 40 C.F.R. 280 to meet Technical Standards and Corrective Action Requirements for Owners and Operators of USTs. Adds 40 C.F.R. 280.35 and 280.36 that add requirements and compliance dates for various equipment testing and the enhanced walkthrough inspections. Adds a reference to the Kansas Storage Tank Program Document.

K.A.R. 28-44-20. Underground storage tank contractor licensing. Updates and clarifies language for current regulatory style.

K.A.R. 28-44-21. Underground storage tank installer and remover licensing. Provides for a combination of installer and remover licenses. Adds a reference to the Kansas Storage Tank Program Document.

K.A.R. 28-44-22. Underground storage tank tester licensing. Provides for a combination of tester licenses. Adds a reference to the Kansas Storage Tank Program Document.

K.A.R. 28-44-23. Release detection. Updates adoption by reference to the July 1, 2015 40 C.F.R. 280 to meet Technical Standards and Corrective Action Requirements for Owners and Operators of USTs. Adds new release detection compliance dates and requirements for waste oil storage tanks and standby generator tanks. Removes vapor monitoring and groundwater monitoring as acceptable methods of release detection at storage tank facilities except that vapor monitoring can be used for two types of previously deferred tanks.

K.A.R. 28-44-24. Release reporting, investigation, and confirmation. Updates adoption by reference to the July 1, 2015 40 C.F.R. 280 to meet Technical Standards and Corrective Action Requirements for Owners and Operators of USTs.

K.A.R. 28-44-25. Release response and corrective action for UST systems. Updates adoption by reference to the July 1, 2015 40 C.F.R. 280 to meet Technical Standards and Corrective Action Requirements for Owners and Operators of USTs.

K.A.R. 28-44-26. Out-of-service UST systems and closure. Updates adoption by reference to the July 1, 2015 40 C.F.R. 280 to meet Technical Standards and Corrective Action Requirements for Owners and Operators of USTs. Removes vapor monitoring and groundwater monitoring as acceptable methods of release detection at storage tank facilities. Provides for enhanced timing criteria for permanent closure of USTs.

K.A.R. 28-44-27. Financial responsibility. Updates and revises adoption by reference to the July 1, 2015 40 C.F.R. 280 to meet Technical Standards and Corrective Action Requirements for Owners and Operators of USTs. Adds an exception to a full adoption of the federal regulation subpart to clarify wording in related insurance documents pertaining to the Petroleum Storage Tank Release Trust Fund.

K.A.R. 28-44-28. Aboveground storage tank fees. Revoked. The provisions contained in this regulation are included in K.A.R. 28-44-12.

K.A.R. 28-44-29. Aboveground storage tank operating permit. Increases the late penalty from \$10/facility to \$50/tank.

K.A.R. 28-44-30. Operator training and requirements. New regulation establishing requirements for owners and operators to designate different classes of operators for each UST system. Requires designated operators to be trained every 4 years. Removes the option for operators to complete a comparable exam. Adopts by reference 40 C.F.R. 280.240 through 280.245. Adds the requirement that the designated Class A operator reside or be stationed within 4 hours of their managed facilities. Adds a reference to the Kansas Storage Tank Program Document that describes additional testing requirements for Class A and Class B operators and adds that Class C operators shall be trained by a Class A or Class B operator.

K.A.R. 28-44-31. UST systems with field-constructed tanks and airport hydrant fuel distribution systems. New regulation establishing requirements for owners and operators of UST systems that were previously deferred from federal and state storage tank regulations with adoption by reference of the July 1, 2015 40 C.F.R. 280.251 and 280.252. Adds a reference to the Kansas Storage Tank Program Document that includes the scheduled requirements for compliance.

Economic Impact:

Cost to the agency: The proposed regulations will not increase costs to the agency.

Cost to the public and regulated community: The annual cost to the regulated communities is \$1,027,403.00. The regulated entities include businesses and local governments who own or operate underground storage tanks containing regulated substances. The estimated cost of pass-through to non-regulated businesses and the public is not anticipated to be included in the cost of fuel at the pump.

Cost to other governmental agencies or units: There are no known costs to other governmental agencies, unless they own or operate an underground storage tank as described above.

A detailed economic impact is provided in the economic impact statement that is available from the agency contact person or at the KDHE Storage Tank Section website, as listed below.

The time period between the publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to 5:00 p.m. on the day of the hearing to Sharon Morgan, Kansas Department of Health and Environment, Bureau of Environmental Remediation, Storage Tank Section, 1000 SW Jackson, Suite 410, Topeka, KS 66612-1367, by email to Sharon.Morgan@ks.gov, or by fax to 785-559-4260.

During the hearing, all interested parties will be given a reasonable opportunity to present their views orally on the proposed regulations as well as an opportunity to submit their written comments. In order to give each individual an opportunity to present their views, it may be necessary for the hearing officer to request that each presenter limit an oral presentation to an appropriate time frame.

Complete copies of the proposed regulations and the corresponding economic impact statement and environmental benefit statement may be obtained from the KDHE Storage Tank Section website at www.kdheks.gov/tanks or by contacting Sharon Morgan at the address above, by phone at 785-296-1684, or by fax at 785-559-4260. Questions pertaining to the proposed regulations should be directed to Sharon Morgan at the contact information above.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations, economic impact statement, and environmental benefit statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Sharon Morgan.

State of Kansas

Wildlife, Parks and Tourism Commission

**Notice of Hearing on Proposed
Administrative Regulation**

A public hearing will be conducted by the Wildlife, Parks and Tourism Commission at 6:30 p.m. Thursday, March 26, 2020, at the Kansas State Historical Society and Museum, 6425 SW 6th Ave., Topeka, Kansas, to consider the approval and adoption of the proposed regulations of the Kansas Department of Wildlife, Parks and Tourism.

A general discussion and workshop meeting on the business of the Wildlife, Parks and Tourism Commission will begin at 1:30 p.m., March 26, 2020 at the location listed above. The meeting will recess at approximately 5:00 p.m. and then resume at 6:30 p.m. at the same location for the regulatory hearing and more business. There will be public comment periods at the beginning of the afternoon and evening meeting for any issues not on the agenda and additional comment periods will be available during the meeting on agenda items. Old and new business may also be discussed at this time. If necessary to complete business matters, the Commission will reconvene at 9:00 a.m. March 27, 2020 at the location listed above.

Any individual with a disability may request accommodation in order to participate in the public meeting and may request the meeting materials in an accessible format. Requests for accommodation to participate in the meeting should be made at least five working days in advance of the meeting by contacting Sheila Kemmis, Commission Secretary, at 620-672-5911. Persons with a hearing impairment may call the Kansas Commission for the Deaf and Hard of Hearing at 1-800-432-0698 to request special accommodations.

This 30-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed administrative regulations.

(continued)

All interested parties may submit written comments prior to the hearing to the Chairman of the Commission, Kansas Department of Wildlife, Parks and Tourism, 1020 S. Kansas Ave., Suite 200, Topeka, KS 66612 or to sheila.kemmis@ks.gov if electronically. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

The regulation, in addition to the previously published notice, that will be heard during the regulatory hearing portion of the meeting is as follows:

K.A.R. 115-25-7. This exempt regulation sets the season, bag limit, and permits for antelope. The proposed version of the regulation would adjust the season dates and permit numbers for the new year.

Economic Impact Summary: The proposed version of the regulation is expected to generate \$36,532 to the agency, all of which would accrue to the wildlife fee fund and generate a corresponding collateral economic impact to the State of Kansas estimated at \$940,512. Otherwise, no substantial negative economic impact to the department, other state agencies, small businesses, or individual members of the public is anticipated.

Copies of the complete text of each regulation and its respective economic impact statement may be obtained by writing the chairman of the Commission at the address above, electronically on the department's website at <https://www.ksoutdoors.com>, or by calling 785-296-2281.

Permanent Administrative Regulations

Article 19.— VICTIM INFORMATION AND NOTIFICATION EVERYDAY ADVISORY BOARD

16-19-1. Definitions. Each of the following terms, as used in this article of the attorney general's regulations, shall have the meaning specified in this regulation:

(a) "Board" means the advisory board appointed by the attorney general.

(b) "Chairperson" means the VINE coordinator.

(c) "VINE coordinator" means the person appointed by the attorney general to oversee the implementation and operation of the VINE system throughout the state.

(d) "VINE system" means the Kansas victim information and notification everyday system, which allows victims of crime and the general public to use the telephone, a mobile application, or the internet to search for information regarding the custody status of an offender housed in a Kansas county jail and to register to receive notification by telephone, text message, or electronic mail, or any combination of these, whenever the offender's custody status changes. (Authorized by and implementing K.S.A. 75-771; effective March 6, 2020.)

16-19-2. Membership; meetings. (a) The board is hereby established by this regulation. The board shall consist of the following members appointed by the attorney general:

(1) The VINE coordinator, who shall serve as the chairperson;

(2) a representative of the Kansas sheriffs' association, who shall be appointed in consultation with and agreement of the Kansas sheriffs' association;

(3) a representative from a victim advocacy organization; and

(4) up to two other individuals as deemed necessary by the attorney general.

(b) The board shall meet upon the call of the chairperson and shall maintain minutes of each meeting. (Authorized by and implementing K.S.A. 75-771; effective March 6, 2020.)

16-19-3. Duties. (a) The board shall make recommendations for the implementation and operation of the VINE system to the attorney general.

(b) To fulfill its duties, the board shall have the authority to perform the following:

(1) Take testimony or gather and receive information;

(2) establish subcommittees or working groups on particular topics, which may be composed exclusively of members of the board or may, at the discretion of the chairperson, include persons who are not members of the board;

(3) coordinate and engage in activities for education, outreach, and awareness of the services provided through the VINE system; and

(4) undertake any other tasks as may be requested by the attorney general.

(c) The board and members of established subcommittees or working groups shall comply with the Kansas open meetings act and the Kansas open records act.

(d) The board shall have the authority to request legal counsel and any other staff for its support from the office of the attorney general. (Authorized by and implementing K.S.A. 75-771; effective March 6, 2020.)
