(11) if the defendant is convicted of a misdemeanor or convicted of a felony specified in K.S.A. 2019 Supp. 21-6804(i), and amendments thereto, assign the defendant to work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program. On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program shall serve the total number of hours of confinement mandated by that section;

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments thereto;

(13) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11) and (12); or

(14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime. *Restitution shall be due immediately unless: (A) The court orders that the defendant be*

given a specified time to pay or be allowed to pay in specified installments; or (B) the court finds compelling circumstances that would render a plan of restitution unworkable, either in whole or in part. In regard to a violation of K.S.A. 2019 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. In regard to a violation of K.S.A. 2019 Supp. 21-5801, 21-5807 or 21-5813, and amendments thereto, such damage or loss shall include the cost of repair or replacement of the property that was damaged, the reasonable cost of any loss of production, crops and livestock, reasonable labor costs of any kind, reasonable material costs of any kind and any reasonable costs that are attributed to equipment that is used to abate or repair the damage to the property. If the court finds a plan of restitution unworkable, *either in whole or in part*, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant, ~~which that~~ may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the ~~plan established by the court for payment of~~ restitution order, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the ~~attorney general~~ *judicial administrator* pursuant to K.S.A. ~~75-719~~ 20-169, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(3) *If a restitution order entered prior to the effective date of this act does not give the defendant a specified time to pay or set payment in specified installments, the defendant may file a motion with the court prior to December 31, 2020, proposing payment of restitution in specified installments. The court may recall the restitution order from the agent assigned pursuant to K.S.A. 20-169, and amendments thereto, until the court rules on such motion. If the court does not order payment in specified installments or if the defendant does not file a motion prior to December 31, 2020, the restitution shall be due immediately.*

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by K.S.A. 2019 Supp. 21-6602(d), and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2019 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed during a period of time when the defendant would have been on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony had the defendant not been granted release by the court pursuant to K.S.A. 2019 Supp. 21-6608(d), and amendments thereto, or the prisoner review board pursuant to K.S.A. 22-3717, and amendments thereto, the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(3) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2019 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(4) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed consecutively pursuant to the provisions of K.S.A. 2019 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2019 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2019 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendments thereto, or a community intermediate sanction center. Pursuant to this subsection the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or community intermediate sanction center and the defendant meets all of the conservation camp's or community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or community intermediate sanction center.

(h) In committing a defendant to the custody of the secretary of corrections, the court shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or part of the ex-

penditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense that is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, or for an offense that is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and such offense does not meet the requirements of K.S.A. 2019 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2019 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) (1) Except as provided by K.S.A. 2019 Supp. 21-6630 and 21-6805(f), and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2019 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2019 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(2) If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the defendant's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to sanction or revocation pursuant to the provisions of K.S.A. 22-3716, and amendments thereto. If the defendant's probation is revoked, the defendant shall serve the underlying prison sentence as established in K.S.A. 2019 Supp. 21-6805, and amendments thereto.

(continued)

(A) Except as provided in subsection (n)(2)(B), for those offenders who are convicted on or after July 1, 2003, but prior to July 1, 2013, upon completion of the underlying prison sentence, the offender shall not be subject to a period of postrelease supervision.

(B) Offenders whose crime of conviction was committed on or after July 1, 2013, and whose probation is revoked pursuant to K.S.A. 22-3716(c), and amendments thereto, or whose underlying prison term expires while serving a sanction pursuant to K.S.A. 22-3716(c)(1), and amendments thereto, shall serve a period of postrelease supervision upon the completion of the underlying prison term.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2019 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order that places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license, which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" mean the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2019 Supp. 22-4616, and amendments thereto, the court shall require the defendant to: (1) Undergo a domestic violence offender assessment conducted by

a certified batterer intervention program; and (2) follow all recommendations made by such program, unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence offender assessment to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2019 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

(s) Whenever the court has released the defendant on probation pursuant to subsection (a)(3), the defendant's supervising court services officer, with the concurrence of the chief court services officer, may impose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court, unless the defendant, after being apprised of the right to a revocation hearing before the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(t) Whenever the court has assigned the defendant to a community correctional services program pursuant to subsection (a)(4), the defendant's community corrections officer, with the concurrence of the community corrections director, may impose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court unless the defendant, after being apprised of the right to a revocation hearing before the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(u) In addition to any of the above, the court shall authorize an additional 18 days of confinement in a county jail to be reserved for sanctions as set forth in K.S.A. 22-3716(b)(3)(B), (b)(4) or (c)(1)(B), and amendments thereto.

(v) *The amendments made to this section by this act are procedural in nature and shall be construed and applied retroactively.*

Sec. 2. K.S.A. 2019 Supp. 21-6607 is hereby amended to read as follows: 21-6607. (a) Except as required by subsection (c), nothing in this section shall be construed to limit the authority of the court to impose or modify any general or specific conditions of probation, suspension of sentence or assignment to a community correctional services program. The court services officer or community correctional services officer may recommend, and the court may order, the imposition of any conditions of probation, suspension of sentence or assignment to a community correctional services program. For crimes committed on or after July 1, 1993, in presumptive nonprison cases, the court services officer or community correctional services officer may recommend, and the court may order, the imposition of any conditions of probation or

assignment to a community correctional services program. The court may at any time order the modification of such conditions, after notice to the court services officer or community correctional services officer and an opportunity for such officer to be heard thereon. The court shall cause a copy of any such order to be delivered to the court services officer and the probationer or to the community correctional services officer and the community corrections participant, as the case may be. The provisions of K.S.A. 75-5291, and amendments thereto, shall be applicable to any assignment to a community correctional services program pursuant to this section.

(b) The court may impose any conditions of probation, suspension of sentence or assignment to a community correctional services program that the court deems proper, including, but not limited to, requiring that the defendant:

(1) Avoid such injurious or vicious habits, as directed by the court, court services officer or community correctional services officer;

(2) avoid such persons or places of disreputable or harmful character, as directed by the court, court services officer or community correctional services officer;

(3) report to the court services officer or community correctional services officer as directed;

(4) permit the court services officer or community correctional services officer to visit the defendant at home or elsewhere;

(5) work faithfully at suitable employment insofar as possible;

(6) remain within the state unless the court grants permission to leave;

(7) pay a fine or costs, applicable to the offense, in one or several sums and in the manner as directed by the court;

(8) support the defendant's dependents;

(9) reside in a residential facility located in the community and participate in educational, counseling, work and other correctional or rehabilitative programs;

(10) perform community or public service work for local governmental agencies, private corporations organized not for profit, or charitable or social service organizations performing services for the community;

(11) perform services under a system of day fines whereby the defendant is required to satisfy fines, costs or reparation or restitution obligations by performing services for a period of days, determined by the court on the basis of ability to pay, standard of living, support obligations and other factors;

(12) participate in a house arrest program pursuant to K.S.A. 2019 Supp. 21-6609, and amendments thereto;

(13) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court; or

(14) in felony cases, except for violations of K.S.A. 8-1567, and amendments thereto, be confined in a county jail not to exceed 60 days, which need not be served consecutively.

(c) In addition to any other conditions of probation, suspension of sentence or assignment to a community correctional services program, the court shall order the defendant to comply with each of the following conditions:

(1) The defendant shall obey all laws of the United States, the state of Kansas and any other jurisdiction to the laws of which the defendant may be subject;

(2) make reparation or restitution to the aggrieved party for the damage or loss caused by the defendant's crime, ~~in an amount and manner determined by the court and to the person specified by the court, unless the court finds compelling circumstances which would render a plan of restitution unworkable. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefore in accordance with K.S.A. 2019 Supp. 21-6604(b), and amendments thereto;~~

(3) (A) pay a correctional supervision fee of \$60 if the person was convicted of a misdemeanor or a fee of \$120 if the person was convicted of a felony. In any case the amount of the correctional supervision fee specified by this paragraph may be reduced or waived by the judge if the person is unable to pay that amount;

(B) the correctional supervision fee imposed by this paragraph shall be charged and collected by the district court. The clerk of the district court shall remit all revenues received under this paragraph from correctional supervision fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state general fund, a

sum equal to 41.67% of such remittance, and to the correctional supervision fund, a sum equal to 58.33% of such remittance;

(C) this paragraph shall apply to persons placed on felony or misdemeanor probation or released on misdemeanor parole to reside in Kansas and supervised by Kansas court services officers under the interstate compact for offender supervision; and

(D) this paragraph shall not apply to persons placed on probation or released on parole to reside in Kansas under the uniform act for out-of-state parolee supervision;

(4) reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or of any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less;

(5) be subject to searches of the defendant's person, effects, vehicle, residence and property by a court services officer, a community correctional services officer and any other law enforcement officer based on reasonable suspicion of the defendant violating conditions of probation or criminal activity; and

(6) be subject to random, but reasonable, tests for drug and alcohol consumption as ordered by a court services officer or community correctional services officer.

(d) Any law enforcement officer conducting a search pursuant to subsection (c)(5) shall submit a written report to the appropriate court services officer or community correctional services officer no later than the close of the next business day after such search. The written report shall include the facts leading to such search, the scope of such search and any findings resulting from such search.

(e) There is hereby established in the state treasury the correctional supervision fund. All moneys credited to the correctional supervision fund shall be used for: (1) The implementation of and training for use of a statewide, mandatory, standardized risk assessment tool or instrument as specified by the Kansas sentencing commission, pursuant to K.S.A. 75-5291, and amendments thereto; (2) the implementation of and training for use of a statewide, mandatory, standardized risk assessment tool or instrument for juveniles adjudicated to be juvenile offenders; and (3) evidence-based adult and juvenile offender supervision programs by judicial branch personnel. If all expenditures for the program have been paid and moneys remain in the correctional supervision fund for a fiscal year, remaining moneys may be expended from the correctional supervision fund to support adult and juvenile offender supervision by court services officers. All expenditures from the correctional supervision fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the chief justice of the Kansas supreme court or by a person or persons designated by the chief justice.

Sec. 3. K.S.A. 2019 Supp. 21-6604 and 21-6607 are hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its publication in the Kansas register.
