CELEBRATING NATIONAL VOTER REGISTRATION DAY

TOPEKA, KS (September 27th, 2016) - The Kansas Secretary of State's Office celebrated National Voter Registration Day Tuesday by partnering with a handful of university athletics and communications departments across the state to promote voter registration.

The effort, aimed at social media audiences, uses sports mascots from colleges and universities in various parts of the state to encourage eligible students to register to vote.

With the November 8 election rapidly approaching, Secretary Kobach encourages all eligible Kansans to make sure they are registered to vote before the deadline on October 18, 2016.

The Kansas Secretary of State's Office appreciates all the schools that made this year's National Voter Registration Day effort possible, and hopes for even wider participation in the future. Individuals can visit the online registration form here: <https://www.kdor.ks.gov/Apps/VoterReg>
