The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. ### Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Friday, December 6, 2024, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

**Project No. 001151 Maximum Principal Amount: \$197,615.** Owner/Operator: Landon E. Jeschke; Description: Acquisition of 71.86 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be suf-

ficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

Interested individuals may participate in the public hearing in person or via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

The dealer shall deal the first five cards to the player farthest to the dealer's left, continuing to deal each player and the dealer five cards face down in a clockwise manner until each player and the dealer have a total of five cards.

(2) After all players have looked at their cards, the players have a choice:

(A) Fold and surrender their ante wager, super bonus wager and queens up wager; or

(B) Make a play wager.

(c) Each player that did not fold and the dealer shall, from the five cards dealt to them, form their highest ranking four-card poker hand and turn their cards face up. Working from right to left, the dealer shall compare each player's four-card poker hand to the dealer's four-card poker hand and act on the hands as follows:

(1) If the dealer's hand does not consist of a king or higher-ranking hand, the player is paid at one-to-one odds on the player's play wager, and the player's ante wager pushes.

(2) If the dealer's hand consists of a king or higher-ranking hand and the player's hand ranks higher than the dealer's hand, the player's ante and play wagers are both paid at one-to-one odds.

(3) If the dealer's hand consists of a king or higher-ranking hand and also ranks higher than the player's hand, the player loses both the ante and play wagers.

(4) If the player's hand is a straight or higher-ranking hand, the player's super bonus wager is paid per the payable, below, regardless of the dealer's hand.

(5) If the player's hand ranks lower than a straight and either ties the dealer's hand or is higher ranking

than the dealer's hand, the player's super bonus wager is a push.

(6) If the player's hand ranks lower than a straight and the dealer's hand is higher ranking, the super bonus wager loses.

(7) If the player's hand is a straight or higher-ranking hand and the dealer's hand is higher ranking than the player's hand, the player's super bonus wager is paid per the payable, below, and the original super bonus wager is not removed.

(8) The payable for winning super bonus wagers is as follows:

(A) Straight pays at odds of one-to-one.

(B) Flush pays at odds of three-to-two.

(C) Three-of-a-kind pays at odds of two-to-one.

(D) Straight flush pays at odds of 15-to-one.

(E) Four-of-a-kind other than four aces pays at odds of 30-to-one.

(F) Four aces pays at odds of 200-to-one.

(9) Regardless of the dealer's hand, if a player made a queens up wager and the player's hand consists of a pair of queens or higher-ranking hand, the player's wager is paid per the following payable:

(A) Two queens, two kings or two aces pays at odds of one-to-one.

(B) Two pair pays at odds of two-to-one.

(C) Straight pays at odds of three-to-one.

(D) Flush pays at odds of four-to-one.

(E) Three-of-a-kind pays at odds of nine-to-one.

(F) Straight flush pays at odds of 30-to-one.

(G) Four-of-a-kind pays at odds of 50-to-one. (Authorized by K.S.A. 2024 Supp. 74-8710 and K.S.A. 74-8748; implementing K.S.A. 2024 Supp. 74-8710; effective, T-111-10-30-24, Oct. 9, 2024.)
