Notice of Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Natural Gas Pipeline of America – Haddam Station 195 has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Natural Gas Pipeline of America – Haddam Station 195, 2 N. Nevada Ave., Colorado Springs, CO 80903, owns and operates a natural gas transmission facility located at 328 16th Rd., Haddam, Washington County, KS 66944.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the North Central District Office, 3040 Enterprise Dr., Salina, KS 67401. To obtain or review the proposed permit and supporting documentation, contact Angela Bryson at the central office of KDHE at 785-296-3589, or Jessica Fair at the North Central District Office at 785-827-9639. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Angela Bryson, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, January 5, 2026.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Angela Bryson, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, January 5, 2026, in order for the Secretary of Health and Environment to consider the request.

The United States Environmental Protection Agency (USEPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the USEPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the USEPA to review the permit. The 60-day public petition period will directly follow the USEPA 45-day review period.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, USEPA, Region 7, Air Permitting and Standards Branch, 11201 Renner Blvd., Lenexa, Kansas 66219, phone 913-551-7960, to determine when the 45-day USEPA review period ends and the 60-day petition period commences.

The preceding notice refers to the air permit for Natural Gas Pipeline of America – Haddam Station 195 located at 328 16th Rd., Haddam, Washington County, KS 66944. If you want more information or you have other questions, please contact the KDHE Non-Discrimination coordinator and call 785-296-5156 or send an email to: KDHE.NonDiscrimination@ks.gov. Notice of Water Quality Certification

The Kansas Department of Health and Environment (KDHE) has drafted a water quality certification per Section 401 of the Clean Water Act (CWA) requested by Mike Christianson, GFT (formerly TranSystems), for Burlington Northern Santa Fe (BNSF) Railroad. The United States Army Corps of Engineers (USACE) CWA Section 404 Public Notice No. NWK-2025-00615 found at <https://www.nwk.usace.army.mil/Media/Public-Notices>. The purpose of the project is to stabilize 1302 linear feet of the actively eroding riverbank to protect railroad infrastructure and reduce sedimentation into Mill Creek in Johnson County. Installation will include placement of rip-rap along the left descending bank, placed to maintain a 1.5:1 slope, and filter fabric laid and keyed in at the toe of the slope. The quantity of material proposed represents the minimal amount of fill necessary to protect the streambank. A small amount of cutting will be required along the right descending bank, but all trees greater than 4-inch diameter-at-breast-height (DBH) will be preserved where feasible. Site construction will occur in the winter/spring of 2026.

The draft certification and additional information containing the link to the USACE Public Notice will be posted on the KDHE website at <https://www.kdhe.ks.gov/1095/Section-401-Water-Quality-Certification>. Persons wishing to comment on the referenced draft document must submit their comments in writing by email to the Kansas Department of Health and Environment at KDHE.NPS@ks.gov by January 4, 2025, if they wish to have their comments considered in the formulation of final determinations for 401 regarding this public notice.

Notice of Proposed Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. Request for Comments

The State of Kansas will submit by December 31, 2025, the Temporary Assistance for Needy Families (TANF) Annual Report (ACF-204) and Caseload Reduction Report (ACF-202). Federal TANF regulations require states to submit an annual report containing information on TANF and State Maintenance of Effort programs. Submission of Form ACF-204 satisfies this requirement. Federal regulations also require a reduction in a state's required work participation rate for a fiscal year by the state's caseload reduction credit for that fiscal year. The caseload reduction credit gives a state credit for reducing its caseload between a base year and a comparison year. States submit data for the calculation of their caseload reduction credit by completing Form ACF-202.

The purpose of the TANF program is to assist low-income families with children in identifying and addressing barriers to becoming self-sufficient. TANF-funded programs are intended to prepare adults served to obtain and maintain employment necessary to support their families. The program also coordinates supportive services intended to increase opportunities for families to thrive.

The Kansas Department for Children and Families (DCF) is preparing Form ACF-204 and Form ACF-202. Comments regarding these reports should be sent by December 18, 2025, to Angela.Stinson@ks.gov or by mail to the Kansas Department for Children and Families, Economic and Employment Services, 555 S. Kansas Ave., 4th Floor, Topeka, KS 66603. Requests to be notified when the completed reports are available should also be directed to Angela Stinson.

Office of Veterans Services

Request for Comments

The Department of Veterans Affairs (VA) is announcing the availability of a Draft Environmental Assessment (DEA) for the potential issuance of a State Veterans Home Grant to the Kansas Office of Veterans Services (KOVs) for the purpose of constructing a new Veterans' home. The proposed location of the project building is 3107 SW 21st St., Topeka, Kansas, adjacent to the existing Colmery-O'Neil Veterans' Administration Medical Center. The proposed facility would provide resources for veterans in the northeast portion of Kansas, which is the most populated area of the State of Kansas. The building will be a 72-bed long term care home and constructed using the VA Small House Design. This design incorporates four households with 18 beds each, two neighborhoods, and a community center. One household will be a memory care unit. Each household will have a hardened area that will serve as a safe space during a storm, and each resident room will have a large window and a bathroom. Each neighborhood will include activity, dining, and kitchen spaces. The community center will include administrative offices, activity space, and physical therapy areas.

The DEA has been prepared per provisions of the National Environmental Policy Act (NEPA), (Public Law 91-19042 U.S.C. §§ 4321-4347, January 1, 1970), its associated amendments, and VA's implementing regulations (38 CFR, Part 26). VA intends to issue a "Finding of No Significant Impact" (FONSI) following a 30-day comment period, providing there are no substantive comments that warrant further evaluation.

Further information, including an electronic copy of the DEA may be found online at <https://tinyurl.com/yc3r2u8b>.

A hardcopy of the DEA document is available for review at the Topeka & Shawnee County Public Library, Topeka Room, 1515 SW 10th Ave., Topeka, KS 66604.

Agencies and the public are encouraged to provide written comments on the DEA. The 30-day public comment period for the DEA ends January 5, 2026.

Questions or comments concerning the DEA should be directed to Rob Leicht, Director of Operations, Kansas Office of Veterans Services, 700 SW Jackson St., Suite 1004, Topeka, KS 66603-3743 or rob.leicht@ks.gov.

Notice of Hearing

A public hearing will be held at 9:00 a.m. December 23, 2025, in the offices of Kansas Development Finance Authority, 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the Kansas Development Finance Authority ("Authority") to issue its Agricultural Development Revenue Bonds for the Project(s) numbered below, in the respective maximum principal amounts. The Bond(s) will be issued to assist the respective Borrower (the "Beginning Farmer") named below (who will be the owner and operator of the respective Project) to finance the cost in the amount of the Bond, which is then typically purchased by a lender bank ("Lender") who then through Kansas Development Finance Authority, loans the bond proceeds to the Borrower for the purposes of acquiring the respective Project(s) as described below. Each Project shall be located as shown:

Project No. 001184 Maximum Principal Amount: \$393,350. Owner/Operator: Nathaniel Buessing; Description: Acquisition of 79 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Nathaniel Buessing (the "Beginning Farmer") and is located in Section 15, Township 3, Range 10, Marshall County, Kansas, approximately 5 miles south of Axtell, Kansas on 30th Road, then 2 miles west on Navajo Road, then ½ mile south on 28th Road.

Each Bond when issued, will be a limited obligation of the Kansas Development Finance Authority and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, including the Authority, nor will it be an indebtedness for which the faith and credit and taxing powers of the State of Kansas are pledged, but each Bond will be payable solely and only from amounts received from the respective Borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on each Bond as and when it shall become due.

Interested individuals may participate in the public hearing in person or via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

At the time and place fixed for the hearings, all individuals who appear will be given an opportunity to express their views for or against the proposal to issue any specific Bond for the purpose of financing the respective Project, and all written comments previously filed with the Authority at its offices at Suite 800, 534 S. Kansas Ave., Topeka, KS 66603, will be considered. Additional information regarding any of the projects described above may be obtained by contacting the Authority at the address of its offices shown above.

Notice of Hearing on Proposed Administrative Regulation

A public hearing will be conducted by the Department of Revenue at 1:30 p.m. Tuesday, February 3, 2026, in the Secretary's Conference Room on the fourth floor of the Mills Building, 109 SW 9th St., Topeka, KS 66612, regarding proposed new regulation K.A.R. 92-12-152.

The proposed regulation will help implement the Kansas Pregnancy Resource Act Tax Credit. 2024 House Bill 2465, New Section 8, was enacted as K.S.A. 79-32,316. For tax years beginning after December 31, 2023, a taxpayer is allowed a Kansas income, privilege or premium tax credit equal to 70% of the total amount contributed during the taxable year by the taxpayer to an eligible charitable organization. The term "eligible charitable organization" is defined in K.S.A. 79-32,316 and includes nonprofit organizations dedicated to providing resources for pregnant women.

The proposed regulation establishes contribution rules that are consistent with the rules specified in statute or regulation for other, similar contribution-based credits. These rules allow contributions of stocks, bonds, personal property, or real property to qualify for credit and establish guidelines for valuing these other-than-cash contributions that are consistent with the guidelines specified in statute or regulation for similar contribution-based credits. In addition, the proposed regulation clarifies that distributions to an eligible charitable organization from a separately owned donor advised fund do not qualify as the donor's contributions to an eligible charitable organization. The proposed regulation also clarifies the treatment of contributions through "giving days" and other limited-time fundraising events.

The proposed regulation does not result in any estimable economic impact on businesses, local governments, or individuals. Copies of the proposed regulation and the Economic Impact Statement may be found online at <https://www.ksrevenue.gov/prproposedregulations.html>, or by contacting Taylor Murray at taylor.murray@ks.gov.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written comments from the public on the proposed regulation. All interested parties may submit written public comments prior to the hearing to Taylor Murray, Office of Policy and Research, Mills Building, 109 SW 9th St., Topeka, KS 66601-3506 or taylor.murray@ks.gov. Additionally, interested parties wanting to participate remotely may contact Taylor Murray at taylor.murray@ks.gov to obtain remote access information.

All interested parties will be given a reasonable opportunity to present their views, either orally or in writing or both, concerning the proposed regulation. To give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and Economic Impact Statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Taylor Murray at 785-296-6093 or taylor.murray@ks.gov. Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 1-800-766-3777 for communication accommodations. Disabled parking is located on the north side of the Mills Building on either side of 9th Street. The north entrance to the Mills Building is accessible.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted by the Department of Revenue at 9:00 a.m. Wednesday, February 4, 2026, in the Secretary's Conference Room on the fourth floor of the Mills Building, 109 SW 9th St., Topeka, KS 66612, regarding the proposed revocation of K.A.R. 92-28-1, 92-28-2, 92-28-3, and 92-28-4.

K.A.R. 92-28-1 through 92-28-4 implement K.S.A. 79-34,170 through 79-34,175, which provide an incentive for selling or dispensing renewable fuels or biodiesel. K.S.A. 79-34,170 through 79-34,175 expire on January 1, 2026, pursuant to K.S.A. 79-34,176. K.S.A. 79-34,171 establishes a budgetary fund to pay out the incentive, but no money was ever transferred to this fund.

The proposed revocation of these regulations does not result in any estimable economic impact on businesses, local governments, or individuals. Copies of the proposed regulations and the Economic Impact Statement may be found online at <https://www.ksrevenue.gov/prproposedregulations.html>, or by contacting Taylor Murray at taylor.murray@ks.gov.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written comments from the public on the proposed regulations. All interested parties may submit written public comments prior to the hearing to Taylor Murray, Office of Policy and Research, Mills Building, 109 SW 9th St., Topeka, KS 66601-3506 or taylor.murray@ks.gov. Additionally, interested parties wanting to participate remotely may contact Taylor Murray at taylor.murray@ks.gov to obtain remote access information.

All interested parties will be given a reasonable opportunity to present their views, either orally or in writing or both, concerning the proposed regulations. To give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and Economic Impact Statement in an accessible format.
