Board of Regents

Notice of Available Funding for Adult Education

Pursuant to assurances set forth in the Kansas Four-Year State Plan for Adult Education, notification of available state and federal funding for adult education and family literacy programs is announced. These funds are authorized by the Adult Education and Family Literacy Act (Title II of the Workforce Investment Act [WIA] of 1998). Title II of WIA, the Adult Education and Family Literacy Act (AEFLA), provides federal financial assistance to states to assist, improve and/or expand existing local programs that serve adults and out-of-school youth age 16 and older, who meet one of the following conditions:

- do not have a secondary credential;
- do not have basic reading, writing or math skills; or
- do not have proficiency in the English language necessary to function in the multiple roles of citizen, employee and family member.

The State Board of Regents, the state agency responsible for implementation of the AEFLA in Kansas, will award multi-year grants through a competitive process to eligible entities whose adult education programs provide intensive, quality instructional and support services to adults. These services include activities that lead to the following outcomes:

- demonstrated improvements in literacy skill levels in reading, writing and speaking the English language, numeracy, problem solving, English language acquisition and other literacy skills;
- placement in, retention in, or completion of postsecondary education, training, unsubsidized employment or career advancement; and
- receipt of a secondary school diploma or its recognized equivalent.

Priority is given to local programs that have a history of providing services that are based on a solid foundation of research, address the diverse needs of adult learners and result in measurable learner outcomes. For further information and an application, contact Dianne S. Glass, Director of Adult Education, State Board of Regents, 1000 S.W. Jackson, Suite 520, Topeka, 66612-1368, (785) 296-7159, or dglass@ksbor.org.

Grant applications for FY 2011 and FY 2012 (July 1, 2010-June 30, 2012) must be submitted by April 30. Proposals will be evaluated by independent reviewers. Applicants will receive grant award notification not later than May 30.

Governmental Ethics Commission

Opinion No. 2010-01

Written January 20, 2010, to Chris Biggs, Securities Commissioner of Kansas, Topeka.

This opinion is in response to your letter of December 23, 2009, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the Campaign Finance Act, K.S.A. 25-4142 *et seq.* We note at the outset that the Commission's jurisdiction concerning your questions is limited to the application of K.S.A. 25-4142 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement:

We understand you request this opinion in your capacity as the Kansas Securities Commissioner. You are contemplating running for a statewide office. You are asking for clarification of K.S.A. 25-4169a, and its impact on your run for statewide office.

Questions:

1. Does the statute on its face prohibit an unclassified employee of the State of Kansas from running for statewide office when maintaining employment with the State of Kansas?

2. Are such restrictions on political activity strictly construed in favor of allowing such activity?

3. What is meant by the word "time" in the statute, particularly as it relates to an unclassified employee who is running for a statewide elective office?

Opinion:

K.S.A. 2008 Supp. 25-4169a states in pertinent part:

(a) No officer or employee of the state of Kansas . . . shall use or authorize the use of public funds or public vehicles, machinery, equipment or supplies of any such governmental agency or the time of any officer or employee of any such governmental agency, for which the officer or employee is compensated by such governmental agency, to expressly advocate the nomination, election or defeat of a clearly identified candidate to state office or local office. The provisions of this section prohibiting the use of time of any officer or employee for such purposes shall not apply to an incumbent officer campaigning for nomination or reelection to a succeeding term to such office or to members of the personal staff of any elected officer.

K.S.A. 2008 Supp. 25-4169a does not on its face prohibit an unclassified employee of the State of Kansas from running for statewide office while maintaining employment with the State of Kansas. There is no statute under the Commission's jurisdiction which addresses this issue.

As to your second question, the interpretation regarding the restrictions on political activity is not within the Commission's purview.

After further discussion with you, the third question is an inquiry as to what the definition of time is as it relates to your work day. K.S.A. 2008 Supp. 25-4169a does not permit you to use your state compensated time to campaign for office as you are not an incumbent officer or the personal staff of any elected officer. The Campaign Finance Act does not define the word "time" for any state employee. Therefore, the Commission opines that the determination of time worked as an unclassified employee is made between you and your employer.

State of Kansas Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, February 11, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 000780—Maximum Principal Amount: \$107,500. Owner/Operator: Travis Nutsch and Kara Kichler. Description: Acquisition of 120 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Travis Nutsch and Kara Kichler and is located at the East Half and the Northwest Quarter of the Southeast Quarter of Section 31, Township 24 South, Range 12 East, Greenwood County, Kansas, approximately 5 miles south of Hamilton and 1 mile east on Y Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Monday, March 29, in the basement auditorium of the Docking State Office Building, 915 S.W. Harrison, Topeka, to consider the adoption of the following proposed regulations as permanent regulations of the Kansas Home Inspectors Registration Board.

This 60-day notice of the public hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments to the Kansas Home Inspectors Registration Board, 610 Rivera, Mulvane, 67110. Written comments must be received at or prior to the hearing. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

A summary of the proposed regulations and their economic impact follows:

Article 1.—REGISTRATION, RENEWAL, AND EXAMINATION

K.A.R. 130-1-2. Renewal. This proposed regulation establishes the information that a registrant must provide to the board to renew a registration.

K.A.R. 130-1-3. Examination. This proposed regulation establishes the standards that an examination and proctoring entity must meet in order to be approved by the board as meeting the statutory requirements for registration. The proposed regulation establishes the minimum score to be achieved for successful completion.

K.A.R. 130-1-4. Registration expiration; renewal. The board proposes to amend the existing regulation regarding the date registrations expire.

Article 3.—EDUCATION PROGRAMS

K.A.R. 130-3-1. Approval of educational providers. This proposed regulation establishes the standards and core curriculum that an educational program must meet in order to be approved by the board for registration.

Article 5.—CONTINUING EDUCATION

The proposed regulations have an economic impact on individuals who desire to perform home inspections in Kansas and on educational programs that do not meet the standards for approval. The impact on those who are qualified for registration is limited to the fees charged for the initial and annual renewal of a registration. The impact on educational programs to meet the standards for approval cannot reasonably be calculated. Copies of the proposed regulations and economic impact statement may be obtained by sending a request to Kansas Home Inspectors Registration Board, 610 Rivera, Mulvane, 67110, or may be viewed at www.ksinspectors.org.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting the Kansas Home Inspectors Registration Board at the address above.
