**Notice of Proposed Methods and Standards for
Establishing PRTF Payment Rates**

The Secretary of Social and Rehabilitation Services administers the Psychiatric Residential Treatment Facility (PRTF) program for Kansas youth in need of that level of care. The secretary is publishing the amended description of the methods and standards for establishing payment rates, having an anticipated effective date of April 1, 2010, designed to more comprehensively meet the psychiatric treatment needs of Kansas youth. A summary of the change follows:

Kansas is establishing Class I PRTFs that must meet more stringent state standards, must be accredited by the Joint Commission, must be state licensed as a hospital, and must admit all children or adolescents regardless of the severity of their symptoms of serious emotional disturbance. These facilities will provide inpatient psychiatric treatment needed by children who would otherwise be admitted to state mental health hospitals.

There will be a fiscal impact to PRTF expenditures of approximately \$125,750 state and federal funds for state fiscal year 2010, and \$765,000 state and federal funds for state fiscal year 2011. However, these expenditures will be offset by a concurrent decrease in expenditures at the state mental health hospitals resulting in net overall state general fund savings of about \$900,000 in FY 2011.

A copy of detailed proposed changes to the Kansas Medicaid State Plan, "Methods and Standards for Establishing Payment Rates—Psychiatric Residential Treatment Facilities," may be obtained by contacting Rick Shults at Rick.Shults@srs.ks.gov. Comments may be sent and reviewed by the public by sending in writing to Rick Shults at the above e-mail or to his attention at SRS, Disability and Behavioral Health Services, Mental Health Division, 9th Floor South, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612-1570.
