Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 1:30 p.m. Thursday, December 9, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of a proposed rule and regulation.

The 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to John Wine, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678, via facsimile at (785) 291-3673, or via e-mail at jwine@ksinsurance.org. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and the economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting John Wine at (785) 296-7847 or via e-mail at jwine@ksinsurance.org. Any individual desiring a copy of this regulation and/or the policy and procedure that is being adopted by refer-

ence, if applicable, may obtain a copy from the department's Web site at www.ksinsurance.org (under the Legal Issues link) or by contacting John Wine. The charge for copies is 50 cents per page.

A summary of the proposed regulation and its economic impact follows:

K.A.R. 40-9-23. Insurance companies; advertising; senior-specific certifications and professional designations. This regulation adopts by reference the KID policy adopting the National Association of Insurance Commissioners (NAIC) model regulation on the use of senior-specific certifications and professional designations in the sale of life insurance and annuities. The regulation would describe and prohibit certain unfair practices that could mislead consumers about the training or qualifications of an agent.

The economic impact, if any, would be minimal because these standards are already applicable in many jurisdictions. Companies and agents will generally be in compliance with these requirements already.

There will be little or no economic impact on the Kansas Insurance Department, consumers, small businesses, or other governmental agencies.

Sandy Praeger
Kansas Insurance Commissioner

State of Kansas

Office of the Governor

Executive Order 10-12

WHEREAS, Article 1 of the Kansas Constitution vests the executive power of the State of Kansas in the Governor; and

WHEREAS, under Section 4 of Article VIII of the Kansas Constitution, the Governor is the commander-in-chief of Kansas' armed forces; and

WHEREAS, under Section 7 of Chapter 1 of Title 4 of the United States Code, 4 U.S.C. § 7, by order of the President, the flag of the United States ("the flag") shall be displayed at half-staff upon the death of principal figures of the United States and the governor of a state, territory or possession of the United States; and

WHEREAS, in the event of the death of other officials or foreign dignitaries, the flag is to be displayed at half-staff according to Presidential instructions or orders, or in accordance with recognized customs or practices not inconsistent with the law; and

WHEREAS, in the event of the death of a present or former official of the government of any state, territory, or possession of the United States, the governor of that state, territory, or possession may proclaim that the flag of the United States shall be displayed at half-staff; and

WHEREAS, it is appropriate that the flag of the United States be displayed at half-staff on state buildings, grounds, and facilities as directed by the President or the Governor; and

WHEREAS, it is particularly appropriate that the flag of the United States be displayed at half-staff throughout the State of Kansas as a mark of respect for the memory

and in honor of the service of members of our Armed Forces killed in the line of duty; and

WHEREAS, it is desirable to provide direction for the uniform observance of this mark of respect to state departments and agencies and guidance to the people of the State of Kansas generally on such occasions.

NOW, THEREFORE, pursuant to the authority vested in me as Governor of the State of Kansas, I hereby order and proclaim:

I. DISPLAYING THE FLAG AT HALF-STAFF

- A. The flag of the United States shall be displayed at half-staff at state buildings, grounds, and facilities, as provided in this Order and as otherwise directed by the Governor.
- B. All requests to display the flag at half-staff at state buildings, grounds, and facilities and any questions from state departments or agencies relating to displaying the flag at half-staff shall be directed to legal counsel to the Governor.
- C. The Department of Administration shall assist the Office of the Governor with implementing this Order, communicating directions regarding displaying flags at half-staff, and assuring compliance by state departments and agencies.
- D. When this Order provides for the flag to be displayed at half-staff on a statewide basis, Kansas residents, businesses, schools, local governments, and other organizations also are urged to display the flag at half-staff.
- E. As provided by federal law, when displayed at half-staff, the flag of the United States should be first hoisted to the peak for an instant and then lowered to the half-staff position. The flag should be again raised to the peak before it is lowered for the day. On Memorial Day, the flag should be displayed at half-staff until noon only, then raised to the top of the staff.
- F. As provided by federal law, no other flag or pennant should be placed above or, if on the same level, to the right of the flag of the United States. No person shall display the flag of the United Nations or any other national or international flag equal, above, or in a position of superior prominence or honor to, or in place of, the flag of the United States. When flags of states, cities, or localities or pennants of societies are displayed on the same halyard with the flag of the United States, the flag of the United States should always be at peak. When flags are displayed from adjacent staffs, the flag of the United States should be hoisted first and lowered last. No flag of a state, city, locality, or pennant of a society may be placed above the flag of the United States or to the United States flag's right. When flags of two or more nations are displayed, they are to be displayed from separate staffs of the same height. The flags should be of approximately equal size. International usage forbids the display of the flag of one nation above that of another nation in time of peace. International usage also provides that the flag of another nation should never be displayed at

half-staff unless authorized by that nation.

- G. As used in this Order, the term "half-staff" means the position of the flag when it is one-half the distance between the top and bottom of the staff.

II. ANNUAL DAYS TO DISPLAY FLAG AT HALF-STAFF

- A. Consistent with federal law, the flag of the United States shall be displayed at half-staff throughout the State of Kansas on the following days each year:
 1. Peace Officers Memorial Day, May 15 (36 U.S.C. §§ 136-137; Executive Order 2006-7).
 2. Memorial Day, the last Monday in May, until noon only (4 U.S.C. § 7).
 3. Patriot Day, September 11 (36 U.S.C. § 144).
 4. Pearl Harbor Remembrance Day, December 7 (36 U.S.C. § 129; Executive Order 2005-27).
 5. National Fallen Firefighters Memorial Day, October 3 (Public Law 107-51).

III. HONORING MEMBERS OF OUR ARMED FORCES

- A. Because members of our armed forces voluntarily forego comfort and wealth to face hardships and deployments away from family and loved ones while defending our nation's security, the State of Kansas recognizes the duty, honor, and selfless service of all military personnel and remembers those who have given the ultimate sacrifice by laying down their lives to defend the freedoms the United States of America holds so dear.
- B. The flag of the United States shall be displayed at half-staff throughout the State of Kansas on a day designated by the Governor when any of the following occurs:
 1. A member of the Kansas National Guard is killed in the line of duty.
 2. A member of the Kansas Air National Guard is killed in the line of duty.
 3. A Kansas resident serving as a member of the United States Armed Forces is killed in the line of duty.
- C. The Governor offers the deepest condolences to the family, friends, colleagues, and loved ones of all Kansas servicemen and servicewomen killed in the line of duty.

(c) Each motor carrier conducting point-to-point intrastate operations in Kansas shall have obtained appropriate commission operating authority pursuant to K.S.A. 66-1,114 and K.S.A. 66-1,115, and amendments thereto. A carrier registered to conduct both intrastate and interstate operations shall not be required to register equipment as specified in subsections (a) and (b). (Authorized by K.S.A. 2009 Supp. 66-1,112, K.S.A. 66-1,112g, K.S.A. 2009 Supp. 66-1,140; implementing K.S.A. 2009 Supp. 66-1,140; effective Jan. 1, 1971; amended May 1, 1981; amended Oct. 3, 1994; amended Jan. 4, 1999; amended July 14, 2000; amended Oct. 22, 2010.)

82-4-48. Bills of lading, waybills, and freight bills.

(a) Each common motor carrier of household goods electing to be governed by K.A.R. 82-4-48a, K.S.A. 66-304, and K.S.A. 84-7-101 through K.S.A. 84-7-603, and amendments thereto, shall issue a bill of lading for household goods tendered for intrastate commerce.

(b) Each common motor carrier transporting property, other than household goods, and electing to be governed by K.A.R. 82-4-48a, K.S.A. 66-304, and K.S.A. 84-7-101 through K.S.A. 84-7-603, and amendments thereto, shall issue a bill of lading for property tendered for intrastate commerce.

(c) Each bill of lading shall include the following:

- (1) The name and address of the motor carrier;
- (2) the name and address of the consignor and consignee;
- (3) the date of shipment;
- (4) the origin and destination of the shipment;

- (6) a description of the shipment, including the number of packages, or the weight or volume;
- (7) a released value clause as prescribed in K.S.A. 84-7-309, and amendments thereto, printed on the front of the document, if applicable; and
- (8) on request of the shipper, a written or electronic copy of the rate, classification, rules, and practices upon

which any rate applicable to a shipment, or agreed to between the shipper and the carrier, is based. The copy provided by the carrier shall clearly state the dates of applicability of the rate, classification, rules, or practices.

(d) Bills of lading, waybills, and freight bills may be included on one form.

(e) Each transporter of crude petroleum oil, sediment oil, water, or brine shall require its drivers to possess a run ticket or equivalent documents as specified in K.A.R. 82-3-127.

(f) The documents required in subsections (a), (b), and (e) shall be held available upon request for inspection by any authorized representative of the commission, the state highway patrol, or other law enforcement officers.

(g) The bill of lading, waybill, freight bill, run ticket, or equivalent documents as specified in K.A.R. 82-3-127 shall be retained by the transporter for at least three years from the date of shipment. (Authorized by and implementing K.S.A. 2009 Supp. 66-1,112; effective Jan. 1, 1971; amended May 1, 1981; amended, T-83-45, Dec. 8, 1982; modified, L. 1983, ch. 362, May 1, 1983; amended Jan. 4, 1999; amended Oct. 22, 2010.)

82-4-48a. Motor carriers of property other than household goods carriers electing to be subject to uniform bills of lading and antitrust immunity regulations.

(a) Any intrastate common and contract motor carrier of property, other than household goods carriers, may elect to be subject to regulations related to any of the following:

(1) Uniform cargo liability rules for property being transported pursuant to K.S.A. 66-304, and amendments thereto, and K.A.R. 82-4-48 through K.A.R. 82-4-85;

(2) uniform bills of lading or receipts for property being transported pursuant to K.S.A. 66-304 and amendments thereto, K.A.R. 82-4-48, and K.S.A. 84-7-101 through 84-7-603 and amendments thereto; or

(3) antitrust immunity for joint line rates or routes, classification, and mileage guides, pursuant to K.A.R. 82-4-68 through K.A.R. 82-4-85.

(b) All motor carriers electing to be subject to an existing commission regulation dealing with one or more of the subjects specified in subsection (a) shall file written notice with the commission. The written notice filed with the commission shall specify the commission regulations that apply and provide one-day notice of adoption. If the motor carrier elects to opt out of any prior commission regulation listed in subsection (a), the motor carrier shall file written notice with the commission providing 30-day notice of abrogation. (Authorized by and implementing K.S.A. 2009 Supp. 66-1,112, K.S.A. 66-1,112g; effective Jan. 4, 1999; amended Oct. 22, 2010.)

82-4-53. Common motor carrier rates and charges.

(a) Common motor carriers of property or passengers that are engaged in intrastate commerce in Kansas shall maintain on file with the commission a copy of the tariff publications applicable to their lines between points in Kansas. The carriers shall keep open for public inspection, at their principal offices and locations at which they have employed exclusive agents, all intrastate tariff publications applicable to their lines from or to their stations.

(continued)

(b) Each change to a tariff publication shall be made subject to 30-day notice to the public and the commission, unless otherwise authorized by the commission. Tariff publications of motor carriers effecting changes resulting in increases in charges, either directly or by means of any change in the regulation or practice affecting a charge or value of service, may be filed on one-day notice to the commission and the public. Applicants granted new authority may file tariffs to be effective on one-day notice. Transferees may adopt the existing tariffs of transferors to be effective on one-day notice.

(c) Tariff publication, except general rate increases, shall not go into effect without prior approval of the commission. The publications shall be subject to protest and suspension. All publications shall be accompanied by a full and complete statement citing the reasons and justifications for the changes.

(d) General rate increases shall be made only by filing an application and after approval of the commission by written order.

(e) Protests of tariff publications shall be considered only if received by the commission at least 12 days before the published effective date of publications. Pursuant to protest or on the commission's own motion without protest, postponement of an effective date may be ordered by the commission to permit the matter to be properly investigated. Unless otherwise ordered by the commission, publication shall become effective as filed. Publications shall not be postponed to exceed 90 days.

(f) All tariff publications shall be made in compliance with the commission's regulations governing the publication and filing of common motor carrier rates and charges. (Authorized by K.S.A. 2009 Supp. 66-1,112; implementing K.S.A. 66-117, K.S.A. 2009 Supp. 66-1,112; effective Jan. 1, 1971; amended May 1, 1981; amended Jan. 4, 1999; amended Oct. 22, 2010.)

82-4-54. Tariff publication to become effective on less than 30-day notice. (a) Departure from the commission's requirement in K.A.R. 82-4-53(b) that tariff publications become effective on 30-day notice may be permitted by the commission, if good and sufficient cause is shown to convince the commission that publication should be made on short notice.

(b) The applicant shall provide all related facts or circumstances that could aid the commission in determining if the request is justified. If permission to establish provisions on less than the required notice is sought, the applicant shall state why the proposed provisions could not have been established upon 30-day notice.

(c) Permission to allow a tariff to become effective on less than 30-day notice shall be granted in cases for which good cause is shown. The desire to meet tariff publications of a competing carrier that has been filed on 30-day notice or one-day notice may be considered a factor for permitting publication on short notice. (Authorized by K.S.A. 66-1,218 and K.S.A. 2009 Supp. 66-1,112; implementing K.S.A. 66-1,218 and K.S.A. 2009 Supp. 66-1,112; effective Jan. 1, 1971; amended May 1, 1981; amended May 1, 1987; amended Jan. 4, 1999; amended Oct. 22, 2010.)

82-4-55. Procedure for filing a request for postponement of tariff publications. (a) Each protested tariff

publication sought to be postponed shall be identified by making reference to the name of the publishing carrier or agent, to the motor carrier's K.C.C. tariff number, and to the specific items or particular provisions protested. The protest shall state the grounds, indicate in what respect the protested tariff publication is considered unlawful, and state what the protestant offers as a substitution. Each protest shall be addressed to the commission. A protest shall not include a request that it also be considered as a formal complaint. If a protestant desires to proceed further against a tariff publication that is not postponed or that has been postponed and the postponement vacated, a separate, later, formal complaint or petition shall be filed.

(b) Protests against, and requests for, postponement of tariff publications filed under this regulation shall not be considered unless made in writing and filed with the commission in Topeka, Kansas. The original and five copies of each request for postponement shall be filed with the commission at least 12 days before the effective date of the tariff publication, unless the protested publication was filed on less than 30-day notice under the authority of this commission, in which event the protests shall be filed at the earliest possible date. In an emergency, protests submitted by fax shall be acceptable if they fully comply with subsection (a) and copies are simultaneously faxed by protestants to the respondent carriers or their publishing agents. An original and five copies of the fax shall simultaneously be mailed by the protestants to the commission in Topeka.

(c) An original and five copies of each protest or reply filed under this regulation shall be filed with the commission no later than 10 days after the publication of the tariff, and one copy of the protest shall simultaneously be served upon the publishing carrier or agent and upon other known interested parties.

(d) Each order instituting an investigation shall be served by the commission upon respondents. If the respondent fails to comply with any requirements or time period specified in the order, the respondent shall be deemed to be in default and to have waived any further hearing. The investigation may then be decided without further proceedings. (Authorized by K.S.A. 2009 Supp. 66-1,112; implementing K.S.A. 66-117 and K.S.A. 2009 Supp. 66-1,112; effective Jan. 1, 1971; amended May 1, 1981; amended Jan. 4, 1999; amended Oct. 22, 2010.)

82-4-56a. Common motor carrier tariffs. (a) Each tariff shall be typewritten, printed, or reproduced by other similar, durable process, upon paper of good quality, 8 by 11 or 8½ by 11 inches in size.

(b) The title page shall show the following information:

(1) In the upper right-hand corner, the K.C.C. number of the tariff and, immediately below that, the K.C.C. number of the tariff canceled, if any. The first tariff issued by each carrier shall be numbered "K.C.C. no. 1"; succeeding tariffs shall be numbered consecutively. This information may be shown elsewhere on the page or on the second page of the tariff, if it applies to interstate as well as intrastate traffic;

(2) the name of the carrier, individual, or organization issuing the tariff;

(3) the names of the participating carriers or a reference to the page in the tariff containing that information;

(4) if the tariff is a passenger or household goods tariff, the tariff names' class rates, commodity rates, mileages, rules, one-way fares, round-trip fares, excursion fares, and appropriate designation, if the tariff applies to local traffic, joint traffic, or both;

(5) the territories or points between which the tariff applies, briefly stated;

(6) specific references to the classification and to publications containing any exceptions to the classification governing the rates named in the tariff;

(7) the issued and effective dates;

(8) the commission's motor carrier identification number assigned; and

(9) the name, title, and complete address of the party issuing the tariff.

(c) The requirements of subsection (a) shall be observed in the construction of circulars and other governing tariff publications. Tariff supplements shall be numbered consecutively, beginning with the number one, and shall show the K.C.C. number of the publication amended, the number of any previous supplements or tariffs canceled, and numbers of the supplements containing all changes from the original publication. This information shall appear in the upper right-hand corner of the supplement unless the supplement applies to interstate as well as intrastate traffic, in which case the information may be shown elsewhere on the title page or on the second page.

(d) All household goods tariffs shall contain the following information:

(1) In clear and explicit language, all terms, additional charges, and privileges applicable in connection with the rates and charges named in the tariff, or specific reference to publications naming these terms, additional charges, and privileges;

(2) any exceptions to the application of rates and charges named in the tariff;

(3) a full explanation of reference marks and technical abbreviations used in the tariff;

(4) rates in cents or dollars and cents per 100 pounds or per ton of 2,000 pounds or other definite measure; and

(5) the method by which the distance rates shall be determined. Specific point-to-point rates shall be published whenever practicable.

(e) All passenger tariffs shall show the following information:

(1) Adult fares, definitely and specifically stated in cents or in dollars and cents, per passenger, together with the names of the stations or the stopping places for which the fares apply, arranged in a simple and systematic manner; and

(2) the identification of terms, agreements, or other documentation that is applicable or contains specific reference to the publications in which the fares will be found. (Authorized by K.S.A. 2009 Supp. 66-1,112; implementing K.S.A. 66-117, K.S.A. 2009 Supp. 66-1,112; effective May 1, 1981; amended Jan. 4, 1999; amended Oct. 22, 2010.)

82-4-57. Powers of attorney and concurrences. (a) A common carrier desiring to give a power of attorney to

an agent to issue and file tariffs and supplements for the carrier shall file notice of this intention on a form approved by the commission.

(b) If a common carrier desires to concur in tariffs issued and filed by another carrier or by its agent, a concurrence in substantially the same form as that prescribed by the USDOT for use in similar instances, with references to the interstate tariffs, shall be issued in favor of the issuing carrier.

(c) The original of all powers of attorney and concurrences shall be filed with the commission, and a duplicate of the original shall be sent to the agent or carrier on whose behalf the document is issued.

(d) If a common carrier wishes to revoke a power of attorney or concurrence, a notice shall be filed with the commission, the carrier's agent or agents, and any other carrier affected by the revocation. The notice shall be filed at least 30 days before the effective date. (Authorized by K.S.A. 2009 Supp. 66-1,112; implementing K.S.A. 2009 Supp. 66-1,112; effective Jan. 1, 1971; amended May 1, 1981; amended May 1, 1984; amended Jan. 4, 1999; amended July 14, 2000; amended Oct. 22, 2010.)

82-4-58. Suspension or modification of tariff regulations. Upon written application and a showing of good cause, common carrier tariff regulations may be suspended or modified by the commission to cover unusual instances. (Authorized by K.S.A. 2009 Supp. 66-1,112; implementing K.S.A. 2009 Supp. 66-1,112; effective Jan. 1, 1971; amended May 1, 1981; amended Oct. 22, 2010.)

82-4-62. (Authorized by K.S.A. 1997 Supp. 66-1,112; effective Jan. 1, 1971; amended Jan. 4, 1999; revoked Oct. 22, 2010.)

82-4-63. Contested and uncontested motor carrier hearings. An application for a common carrier certificate of convenience and necessity, certificate of public service, or abandonment of a common carrier certificate shall be considered as contested if either protestants or intervenors, or both, appear at the hearing held on the application and present testimony or evidence in support of their contentions, present a question or questions of law, or cross-examine the applicant's witnesses with regard to the application. If neither protestants nor intervenors appear and offer testimony or evidence in support of their contentions, raise a question of law, or cross-examine the applicant's witnesses with reference to any pending application, the application shall be considered as uncontested. (Authorized by K.S.A. 66-106, K.S.A. 2009 Supp. 61,112; implementing K.S.A. 66-106, K.S.A. 2009 Supp. 66-1,114, 66-1,115 and 66-1,119; effective Jan. 1, 1971; amended May 1, 1981; amended May 1, 1987; amended Jan. 4, 1999; amended Oct. 22, 2010.)

82-4-65. Protestants. Each protest against the granting of a permit, certificate, extension, abandonment, or transfer shall be considered as follows:

(a) Any interested person who believes that the public will be adversely affected by a proposed application may file a written protest. The protest shall identify the name and address of the protestant and the title and docket number of the proceeding. The protest shall in-

(continued)

clude specific allegations as to how the applicant is not fit, willing, and able, or fit, knowledgeable, and in compliance with the commission safety regulations, to perform these services or how the proposed services are otherwise inconsistent with the public convenience and necessity.

(b) If the protestant opposes only a portion of the proposed application, the protestant shall state with specificity the objectionable portion.

(c) The protest shall be filed in triplicate with the commission within 10 days after publication of the notice in the Kansas Register. Failure to file a timely protest shall preclude the interested person from appearing as a protestant.

(d) Each protestant shall serve the protest upon the applicant at the same time or before the protestant files the protest with the commission. The protest shall not be served on the applicant by the commission.

(e) To secure consideration of a protest, the protestant, intervenor, or a designated representative, as defined in K.A.R. 82-4-63, shall offer evidence or a statement or shall participate in the hearing. (Authorized by K.S.A. 2009 Supp. 66-1,112; implementing K.S.A. 2009 Supp. 66-1,114; effective Jan. 1, 1971; amended May 1, 1981; amended May 1, 1985; amended May 1, 1987; amended May 1, 1988; amended Jan. 4, 1999; amended Oct. 22, 2010.)

82-4-77. Right of independent action. (a) An organization shall not interfere with each of that organization's carrier's right to independent action. That organization shall not change or cancel any rate established by independent action other than a general increase or broad rate restructuring. However, changes in the rates may be effected, with the written consent of the carrier or carriers

that initiated the independent action, for the purpose of tariff simplification, removal of discrimination, or elimination of obsolete items.

(b) Collective adjustments pursuant to K.S.A. 66-1,112, and amendments thereto, shall not cancel rate or rule differentials or differences in rates or rules existing as a result of any independent action taken previously, unless the proponent and any other participant in that independent action desires to eliminate the rate differential or application and notifies the organization in writing of its consent.

(c) Independent action shall mean any action taken by a common carrier member of an organization to perform any of the following:

(1) Establish a rate to be published in the appropriate rate tariff or cancel a rate for that carrier's account;

(2) instruct the organization publishing the rate tariff that the existing rate or rates, whether established by independent action or collective action, proposed to be changed or cancelled be retained for that carrier's account and published in the appropriate tariff; or

(3) publish for the common carrier's account, in the appropriate tariff, a rate established by the independent action of another carrier. This definition shall apply regardless of the manner in which the carrier joins in the rate, if the rate published for the joining carrier's account is the same as the rate established by the other carrier under independent action. (Authorized by and implementing K.S.A. 2009 Supp. 66-1,112; effective, T-83-45, Dec. 8, 1982; effective May 1, 1983; amended Oct. 22, 2010.)
