com/AboutUs/CommerceRegulations. A summary of the regulations and economic impact follows:

K.A.R. 110-22-1. Definitions used to administer the Rural Opportunity Zone Act.

K.A.R. 110-22-2. Application for tax credit program and student loan repayment program. This regulation provides additional requirements that each applicant must submit to the secretary to determine eligibility.

K.A.R. 110-22-3. Determination of eligibility. Provides the process for final eligibility determination.

K.A.R. 110-22-4. Appeal process. This regulation provides a procedure to allow reconsideration of eligibility determination. It provides that decisions on reconsiderations shall be final agency action and subject to review under the Kansas Judicial Review Act (KJRA).

K.A.R. 110-22-5. Resolution by county; intent to participate in student loan repayment program.

K.A.R. 110-22-6. Repayment of outstanding student loan balance. Sets forth the procedure the Department of Commerce will follow in administering the payment to lending institutions.

Anticipated economic impact financial impact upon governmental entities, private businesses or individuals and the Kansas Department of Commerce: The Kansas Department of Commerce has estimated that the student loan repayment program will increase and encourage rural county growth based upon the following factors:

- 10 eligible individuals are enrolled by each of the 50 Rural Opportunity Zone counties;
- Each eligible individual has an outstanding student loan balance of \$15,000;
- The state will, as a result of the enrolled persons and respective loan balances, pay \$750,000 annually to match the county student loan payments; and
- The median wage for the 50 ROZ counties is \$14.94 per hour. (Median wage determined via Kansas Department of Labor 2010 Kansas Wage Survey)

Based upon these factors, 500 jobs will be generated by new residents during the five-year period. Payroll generated by new residents during the five-year period will be \$15,537,600. The direct economic impact to the state of Kansas during this five-year period of earnings, using a 1.45 multiplier (2005 RIMS Data), would be \$22,529,520 in earnings for the 50 counties. The indirect job growth would be 340 additional jobs using the 1.68 multiplier (2005 RIMS Data). The present value of economic activity generated by the new residents is \$15,399,948. The present value is calculated with a 7 percent discount rate.

For the economic impact of the tax credit program to the state, county and individuals, please refer to the fiscal note for 2011 Senate Bill 198 by the Senate Committee on Assessment and Taxation.

The long-term economic impact would be positive to local governments and businesses across the state. Since the programs are designed to promote job growth and job retention, a broader business climate would be created in Kansas.

No grantee or contractor shall make a subgrant or contract involving funds made available by the department until an area plan or other document detailing the proposed use or uses of the funds has been approved by the secretary for a specific time period and the secretary has issued a notification of grant award or contract to the grantee or contractor.

(b) Allowable use of funds. In making a subgrant or contract, each grantee or contractor shall use the funds awarded under a secretary-approved area plan for those services that are consistent with service definitions issued and provided by the department and the identified pri-

ority service needs within the PSA.

(c) Competitive bids. Each entity that receives funding through a program administered by the secretary, except a medicaid program, shall be selected on a competitive basis, unless a noncompetitive selection basis is permitted by some other provision of law. For purposes of this subsection, "entity" shall include any grantee or contractor, a subgrantee or subcontractor of a grantee or contractor, and any entity providing services under any arrangement with a subgrantee or subcontractor.

(d) Provider selection standards. The service provider selection process for grants, contracts, subgrants, and subcontracts required by subsection (c) shall meet the fol-

- (2) For services provided under a program funded with federal funds or a combination of federal and state funds, the provider selection process shall satisfy the competition and procurement standards and procedures by meeting, at a minimum, either of the following requirements:

- (4) An area agency whose older Americans act forprofit service provider terminates the service contract before the end of the contract's term for any reason may enter into a replacement contract with a different forprofit provider for the same services without using the area agency's normal competitive process and without requesting the prior approval of the secretary required by this regulation if the area agency, within 30 days after the effective date of the replacement contract, sends the secretary a written notice describing the following:

(A) The circumstances of the contract termination;

- (B) the efforts made to obtain replacement services; and
- (C) an assurance that the replacement contract does not involve a conflict of interest, as defined in paragraph (d)(1)(B).

- (1) If any litigation, claim, financial management review, or audit begins before the expiration of the retention period, the area agency shall retain its records pertaining to the litigation, claim, financial management

review, or audit until all litigation, claims, or audit findings involving the records have been resolved and final action taken.
