The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. Board of Indigent's Defense Services

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Wednesday, September 28, in Room 200, Jayhawk Walk, 714 S.W. Jackson, Topeka, to consider the adoption of proposed regulations of the State Board of Indigents' Defense Services on a permanent basis.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to Patricia A. Scalia, Executive Director, State Board of Indigents' Defense Services, 714 S.W. Jackson, Room 200, Topeka, 66603, or at pscalia@sbids.state.ks.us. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Patricia Scalia at pscalia@sbids.state.ks.us or at (785) 368-6295. The entrance to the Jayhawk Walk is accessible, and parking for persons with disabilities is in front of the building.

Copies of the proposed regulations may be obtained by contacting Patricia Scalia. A summary of the proposed regulations and the economic impact statement follows:

K.A.R. 105-4-2 defines the terms used in this section. The definition of liquid assets is updated to include a car with a value of over \$20,000. This mirrors the bankruptcy statute for property exempted from legal attachment. Previously any vehicle was not considered an asset for eligibility purposes.

Additionally, the term "reasonable and necessary living expenses" and the reference to a table being calculated have been deleted. This added a step in the eligibility calculation that was not helpful to the court. With this deletion, the emphasis returns to the comparison with the federal poverty guidelines.

This regulation is proposed on both a temporary and a permanent basis in the interest of the public welfare. It is not mandated by federal law.

There is no cost associated with this amendment to the board or any other government entity. There is no cost associated with this amendment to private citizens other than the consumers of this service — the defendants applying for eligibility, in terms of limiting eligibility. The proposing agency is unable to estimate the saving since the court may find special circumstances and makes the final decision on eligibility.

K.A.R. 105-4-3 sets out the items to be included in the BIDS form completed by defendants to receive services. This is their financial affidavit. Two items have been deleted because they added nothing to the court's ability to determine indigency. These are the "table of reasonable and necessary living expenses" and the anticipated cost of private legal representation.

This regulation is proposed on both a temporary and a permanent basis in the interest of the public welfare. It is not mandated by federal law.

There is no cost associated with this amendment to the board or any other government entity. There is no cost associated with this amendment to private citizens other than the consumers of this service — the defendants applying for eligibility, in terms of limiting eligibility. The proposing agency is unable to estimate the saving since the court may find special circumstances and makes the final decision on eligibility.

K.A.R 105-11-1 provides for the adoption by reference of the "attorney cost reimbursement tables: assigned counsel and public defender." This table is revised annually and is used by the court to order defendants to pay some or all of the cost of their defense.

This regulation is not mandated by federal law. There is no cost to any state or federal agency created by this regulation. However, this regulation provides the table for an assessment of defense cost against private persons for the professional services of public defenders or assigned counsel.

There is no environmental impact. This regulation is proposed on both a temporary and a permanent basis in the interest of the public welfare.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Friday, November 4, in Room 108 of the Landon State Office Building, 900 SW. Jackson, Topeka, to consider the adoption of Article 4, Continuing Education Requirements, K.A.R. 71-4-1, as a permanent regulation of the Kansas Dental Board.

All parties may submit written comments prior to the hearing to Betty Wright, Executive Secretary, Kansas Dental Board, Room 564-S, Landon State Office Building, 900 S.W. A summary of the proposed regulation follows:

K.A.R. 71-4-1. This regulation describes the requirements for dental continuing education. In order to better provide for health and safety of the public when in a dental office, the revision of this regulation will require all dentists and hygienists to have a current "basic cardiac life support for the health care provider" certificate from the American heart association or a certificate deemed equivalent by the board. The continuing education hours may be applied to the continuing education hours that are currently required. A dentist licensee who holds a specialist certificate may consider these hours as pertaining to that licensee's specialty hour requirement.

Copies of the regulation and the economic impact statement may be obtained from the Kansas Dental Board at the contact information above or by accessing the board's Web site at http://www.kansas.gov/kdb/.

The application shall be submitted at least 12 months before the expiration of the current approval period of the program or programs.
- (2) Each institution shall also submit a program report, which shall be in the form and shall contain the information prescribed by the commissioner. The program report shall be submitted at least six months before the expiration of the current approval period of the program or programs. The program report shall include confirmation

- that the candidates in the program will be required to complete the following:
- (A) Coursework that constitutes a major in the subject at the institution or that is equivalent to a major; and
 - (B) at least 12 weeks of student teaching.
- (b) Review team. Upon receipt of a complete program report, a review team shall be appointed by the commissioner to analyze the program report. The chairperson of the review team shall be designated by the commissioner. The number of review team members shall be determined by the commissioner, based upon the scope of the program or programs to be reviewed. An institution may challenge the appointment of a review team member only on the basis of a conflict of interest.
 - (c) Program review process.
- (1) In accordance with procedures adopted by the state board, each review team shall examine and analyze the program report and prepare a review report expressing the findings and conclusions of the review team. The review team's report shall be submitted to the commissioner. The report shall be forwarded by the commissioner to an appropriate representative of the teacher education institution.
- (2) Any institution may prepare a written response to the review team's report. Each response shall be prepared and submitted to the commissioner within 45 days of receipt of the review team's report. The review team's report, any response filed by the institution, and any other supporting documentation shall be forwarded by the commissioner to the evaluation review committee.
- (d) Initial recommendation. The evaluation review committee, in accordance with procedures adopted by the state board, shall prepare a written initial recommendation regarding the appropriate status to be assigned to the program or programs, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner.
 - (e) Request for hearing.
- (1) Within 30 days of the receipt of an initial recommendation of the evaluation review committee, the teacher education institution may submit a written request to the commissioner for a hearing before the evaluation review committee to appeal the initial recommendation of the committee. This request shall specify, in detail, the basis for the appeal, including an identification of each item disputed by the institution.
- (2) If a request for a hearing is submitted, the evaluation review committee shall conduct a hearing. The committee shall then prepare a written final recommendation regarding the appropriate status to be assigned to the program or programs, which shall include a statement of the findings and conclusions of the evaluation review committee. The final recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner. The final recommendation shall be submitted by the commissioner to the state board for its consideration and determination of program approval status according to paragraph (f)(1).

- (3) If a request for a hearing is not submitted within the time allowed under paragraph (1) of this subsection, the initial recommendation of the evaluation review committee shall become the final recommendation of the review committee. The committee's final recommendation shall be submitted by the commissioner to the state board for its consideration and determination.
 - (f) Approval status.
- (1) The status assigned to any teacher education program specified in this regulation shall be approved, approved with stipulation, or not approved.
- (2) Subject to subsequent action by the state board, the assignment of approved status to a teacher education program shall be effective for seven academic years. However, the state board, at any time, may change the approval status of a program if, after providing an opportunity for a hearing, the state board finds that the institution either has failed to meet substantially the program standards adopted by the state board or has made a material change in a program. For just cause, the duration of the approval status of a program may be extended by the state board. The duration of the approval status of a program shall be extended automatically if the program is in the process of being reevaluated by the state board.
- (3)(A) If a program is approved with stipulation, that status shall be effective for the period of time specified by the state board, which shall not exceed seven years.
- (B) If any program of a teacher education institution is approved with stipulation, the institution shall include in an upgrade report to the commissioner the steps that the institution has taken and the progress that the institution has made during the previous academic year to address

INDEX TO ADMINISTRATIVE

the deficiencies that were identified in the initial program review.

- (C) The upgrade report shall be submitted by the commissioner to the evaluation review committee for its examination and analysis. After this examination and analysis, the evaluation review committee shall prepare a written recommendation regarding the status to be assigned to the teacher education program for the succeeding academic years. The recommendation shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner. If the institution does not agree with this recommendation, the institution may request a hearing according to the provisions in subsection (e).
- (D) For licensure purposes, each teacher education program that is approved with stipulation shall be considered to be approved.
- (4) Students shall be allowed two full, consecutive, regular semesters following the notification of final action by the state board to complete a program that is not approved. Summers and interterms shall not be counted as part of the two regular semesters. Students who finish within these two regular semesters may be recommended for licensure by the college or university. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective Aug. 6, 2004; amended Aug. 12, 2011.)
