**State of Kansas****Attorney General****2011 Update to Guidelines for Takings  
of Private Property**

The Private Property Protection Act (Act), K.S.A. 77-701 et seq., requires the Attorney General to compile an annual guideline on government takings of privately owned real property based upon cases decided by the United States Supreme Court and the Kansas Supreme Court.<sup>1</sup>

The government action by a state agency<sup>2</sup> must take, or restrict or limit the use of, private property such that United States Constitution or the Kansas Constitution requires compensation to the property owner.<sup>3</sup> Private property refers only to real property or an interest arising from or relating to any real property in Kansas.<sup>4</sup> The government action that may constitute a taking is legislation, regulations or directives, or agency procedures for the process of issuing licenses or permits.<sup>5</sup> The Act expressly excludes as government action other types of activity,<sup>6</sup> such as the formal exercise of eminent domain.<sup>7</sup>

Under the above criteria of the Act, there are no current cases to include in the 2011 update to the Attorney General's Guidelines.

<sup>1</sup> K.S.A. 77-704.

<sup>2</sup> K.S.A. 77-703(b)(1) requires that the government action be taken by a state agency. K.S.A. 77-703(d) defines a "state agency" as "an officer, department, division or unit of the executive branch of the state of Kansas authorized to propose, adopt or enforce rules and regulations [but does] include the legislative or judicial branches of the state of Kansas or any political or taxing subdivision of the state of Kansas."

<sup>3</sup> K.S.A. 77-703(a).

<sup>4</sup> K.S.A. 77-703(c).

<sup>5</sup> K.S.A. 77-703(b)(1)(A), (B), and (C), respectively.

<sup>6</sup> See K.S.A. 77-703(b)(2).

<sup>7</sup> K.S.A. 77-703(b)(2)(A).

### Kansas Development Finance Authority

#### Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, December 29, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

**Project No. 000828—Maximum Principal Amount: \$203,260.** Owner/Operator: Jason P. and Marcie D. Koch. Description: Acquisition of 99 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Jason P. and Marcie D. Koch and is located at Section 12, Home Township, and Section 7, Illinois Township, Nemaha County, Kansas, on the south edge of Centralia on Highway 187.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 555 S. **State of Kansas****Department of Health and Environment****Request for Proposals**

The Department of Health and Environment is issuing a request for proposals to establish a contract posting of three regional Healthy Homes Specialists (full-time employees) hosted by three separate regional agencies through awarded proposals to provide services to the Kansas Department of Health and Environment's Healthy Homes and Lead Hazard Prevention Program. Three separate and individual awards will be made to increase the local capacity related to response and specified training to augment services currently offered by KDHE staff.

Emerging high risk areas for healthy home assessment and training are the rural and metropolitan areas. These areas have repeatedly required the elevated blood lead response services provided by state program staff. These areas need enhanced representation and program focus. Current issue awareness and localized response is inadequate in part due to distance from agency resources and the barriers that creates.

Complete details regarding objectives and scope can be found at the website listed below. Submissions must be received not later than 5 p.m. January 5 to be considered for award and should be directed to Shannon Steinbauer, program director, at the mailing address below. Only paper submissions will be accepted for consideration of award.

All interested applicants are requested to send proposals addressing the required qualifications, objectives and the proposed plan to successfully complete the scope of work, along with contact information, to Shannon Steinbauer, Program Director, KDHE, 1000 S.W. Jackson, Suite 330, Topeka, 66612. Inquiries regarding this proposal request can be directed to Shannon Steinbauer at [ssteinbauer@kdheks.gov](mailto:ssteinbauer@kdheks.gov).
