Notice to Consulting Engineers

The Kansas Department of Transportation is seeking a qualified consulting engineering firm, prequalified in Category 211 — Highway Design-Major Facility, for reconstruction of the US-83 project as listed below. A PDF (1 MB maximum size) of the interest response must be emailed to David J. Nagy, P.E., Assistant to the Bureau Chief of Design/Contracts Engineer, at DavidN@ksdot.org. Interest responses are limited to four pages, the subject line of the email and the PDF file name must read "83-90 KA-0751-01 - Firm Name," and must be received by noon March 29 for the consulting engineering firm to be considered.

83-90 KA-0751-01

The scope of the services is to prepare a set of plans for the design of the reconstruction of US-83 from the Thomas/Sheridan county line, east to the junction of US-83/K-23, including the full depth pavement replacement/curb and gutter section through the city of Selden. Current plans are at "Plans to M&R" stage.

The Consultant Shortlist Committee will select three to five of the most highly qualified firms expressing interest and schedule an individual interview. The consulting firms can more thoroughly discuss their experience related to the project at the interview and will be expected to discuss their approach to this project in detail and the personnel to be assigned to this project. Firms not selected to be short-listed will be notified. Categories may be viewed at www.ksdot.org/divengdes/prequal.

The Consultant Selection Committee, appointed by the Secretary of Transportation, will conduct the discussions with the firms invited to the individual interview conferences. The committee will select one firm to perform the professional services required for completing the advertised project. After the selection, the firm(s) not selected will be notified of the outcome.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firm:

- 1. Size and professional qualifications.
- 2. Experience of staff.
- 3. Location of firm with respect to project(s).
- 4. Work load of firm.
- 5. Firm's performance record.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract.

- Valid, reliable and current costs must be available within the system to support cost and pricing data.
- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable costs by contract or project records that will reconcile with the general ledger.
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

For more information, contact David Nagy at DavidN@ksdot.org.

Executive Order 12-03

WHEREAS, K.S.A. 48-925(b) provides that the Governor may issue orders and proclamations which shall have the enforce and effect of law during the period of a state disaster declared under subsection (b) of K.S.A. 48-924; and

WHEREAS, at 10:20 p.m. on the twenty-eighth day of February, 2012, I declared a state of emergency for Wabaunsee county as a result of the tornado which struck, causing personal injury and damage to businesses and homes; and

WHEREAS, victims of this natural disaster may be prevented, hindered or delayed from coping with the affects of the disaster by State regulatory provisions governing the issuance of duplicate birth and marriage certificates;

NOW, THEREFORE, pursuant to the authority vested in me as the Governor of the State of Kansas, I hereby suspend the provisions of the regulatory statutes, rules and/or regulations prescribing the requirement for fee assessments to obtain duplicate birth and marriage certificates for victims of the February 28, 2012, natural disaster.

This document shall be filed with the Secretary of State as Executive Order 12-03, and shall become effective immediately.

Dated March 2, 2012.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, March 29, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the projects numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

Project No. 000835 — **Maximum Principal Amount: \$210,000.** Owner/Operator: Austin R. and Michelle L. Petry. Description: Acquisition of 40 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Austin R. and Michelle L. Petry and is located at the Southeast Quarter of the Northeast Quarter of Section 10, Township 4, Range 13, Nemaha County, Kansas, approximately 4 miles north of Goff.

Project No. 000836 — **Maximum Principal Amount:** \$108,450. Owner/Operator: Andrew R. Evans. Description: Acquisition of 26.6 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Andrew R. Evans and is located at Section 16, Gilman Township, Nemaha County, Kansas, approximately 2 miles west and 1 mile north of Oneida on O Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bonds to finance the projects, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the projects may be obtained by contacting the KDFA.

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Tuesday, May 22, in the fourth floor training room of the Kansas Department of Agriculture, 109 S.W. 9th, Topeka, to consider the adoption of a proposed rule and regulation on a permanent basis. A summary of the regulation and the economic impact follows:

K.A.R. 5-9-3. The proposed amendment to the regulation is to allow up to four million gallons to be authorized by a temporary permit.

Economic Impact: The proposed amendments will not result in any significant fiscal impact to other governmental agencies. This amendment will have a positive fiscal impact to the oil industry allowing a timely and robust water source for the drilling and fracking of oil wells.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to the chief engineer, Department of Agriculture, Division of Water Resources, 109 S.W. 9th, 2nd Floor, Topeka, 66612, or by e-mail at leslie.garner@kda.ks.gov. Comments also may be made through the department's website at http://www.ksda.gov, under the proposed regulation. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Leslie Garner at (785) 296-4623 or fax (785) 368-6668. Handicapped parking is located at the southwest corner of 9th and Kansas Ave., and

the north entrance to the building is accessible to individuals with disabilities.

Certification of New State Laws

I, Kris W. Kobach, Secretary of State of the State of Kansas, do hereby certify that the following bill is a correct copy of the original enrolled bill now on file in my office.

Kris W. Kobach Secretary of State

(Published in the Kansas Register March 15, 2012.)

SENATE BILL No. 272

An Act concerning water; relating to multi-year flex accounts; amending K.S.A. 2011 Supp. 82a-736 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2011 Supp. 82a-736 is hereby amended to read as follows: 82a-736. (a) It is hereby recognized that an opportunity exists to improve water management by enabling multi-year flexibility in the use of water authorized to be diverted under a groundwater water right, provided, that such flexibility neither impairs existing water rights, nor increases the total amount of water diverted, so that such flexibility has no long-term negative effect on the source of supply. It is therefore declared necessary and advisable to permit the establishment of multi-year flex accounts for groundwater water rights, together with commensurate protections for existing water rights and their source of supply.

 $\frac{(a)}{(b)}$ As used in this section:

- (1) "Base water right" means a water right under which an applicant applies to the chief engineer to establish a multi-year flex account and where all of the following conditions exist:
 - (A) The authorized source of supply is groundwater; and
- (B) the water right has not been the subject of a change approval to implement the provisions of K.A.R. 5-5-9(a)(2), K.A.R. 5-5-11(b)(2) or K.A.R. 5-5-11(b)(3), in effect upon the effective date of this act.
- (2) "Multi-year flex account" means a term permit which suspends a base water right during its term, except when the term permit may be no longer

exercised because of an order of the chief engineer, and is subject to the terms and conditions as provided in subsection (e).

- (1)(3) "Base average usage" means: (A) The average amount of water actually used diverted for a beneficial use under a groundwater the base water right during calendar years 2000 through 2009, excluding any amount used diverted in any such year in excess of the amount that exceeded the maximum annual quantity of water authorized by such the base water right; or (B) if the holder of a groundwater the base water right shows to the satisfaction of the chief engineer that the holder has implemented significant water conservation measures reduced water use under the base water right during calendar years 2000 through 2009, then the average amount of water actually used diverted for a beneficial use under such the base water right during the five calendar years immediately before the calendar year when such measures were implemented water conservation began, excluding any amount used in any such year in excess of that exceeded the amount authorized by such the base water right.
- (2)(4) "Chief engineer" means the chief engineer of the division of water resources of the department of agriculture.
- (5) "Flex account acreage" means the maximum number of acres lawfully irrigated during a calendar year when no term, condition or limitation of the base water right has been violated and either of the following conditions is met:
 - (A) The calendar year is 2000 through 2009; or
- (B) if water conservation reduced water use under the base water right during calendar years 2000 through 2009, the calendar year is a year within the five calendar years immediately prior to the calendar year when water conservation began.
- (6) "Net irrigation requirement" means the net irrigation requirement for 50% chance rainfall of the county that corresponds with the location of the authorized place of use of the base water right as provided in K.A.R. 5-5-12, on the effective date of this act.
- $\frac{\text{(b)}(c)'(1)}{\text{(1)}}$ Any holder of a groundwater base water right which that has not been deposited or placed in a safe deposit account in a chartered water bank may establish a *multi-year* flex account where the holder may deposit, in advance, the authorized quantity of water from such water right for any five consecutive calendar years, subject to *all of* the following:
- $\frac{\text{(1)}}{\text{(A)}}$ The water right must be vested or shall have been issued a certificate of appropriation;
- (2)(B) the withdrawal of water pursuant to the water right shall be properly and adequately metered:

properly and adequately metered;

- (3)(C) the water right shall not be is not deemed abandoned and shall be in good standing, based on past water usage and is in compliance with the terms of the holder's permit and conditions of its certificate of appropriation, all applicable provisions of law and orders of the chief engineer; and
- (4)(D) the amount of water that shall be deposited in the *multi-year* flex account shall not exceed 90% of the amount of the holder's base average usage times five the greatest of the following:
 - (i) 500% of the base average usage;
- (ii) 500% of the product of the annual net irrigation requirement multiplied by the flex account acreage, multiplied by 110%, but not greater than five times the maximum annual quantity authorized by the base water right; or
- (iii) if the authorized place of use is located wholly within the boundaries of a groundwater management district, an amount that shall not increase the long-term average use of the groundwater right as specified by rule or regulation promulgated pursuant to subsection (o) of K.S.A. 82a-1028, and amendments thereto; and
- (E) notwithstanding any other provisions of this subsection, except when the base water right is suspended due to the issuance of a two-year term permit in a designated drought emergency area for 2011 and 2012, the quantity of water deposited into a multi-year flex account shall be reduced by the quantity of water used in excess of the maximum annual quantity of the base water right during 2011 if the application for a multi-year flex account is filed with the chief engineer on or before July 15, 2012.
- (2) The provisions of K.A.R. 5-5-11 are limited to changes in annual authorized quantity and shall not apply to this subsection.
- (c)(d) The chief engineer shall implement a program providing for the issuance of term permits to holders of groundwater water rights who have established flex accounts in accordance with this section. Such term permits shall authorize the use of water in a flex account at any time during the five consecutive calendar years for which the application for the term permit authorizing a multi-year flex account is made, without annual limits on such use.
- $\frac{d}{d}(e)$ Term permits provided for by this section shall be subject to the following:
- (1) A separate term permit shall be required for each point of diversion authorized by the base water right.

- (2) The quantity of water authorized for diversion shall be limited to the amount deposited pursuant to subsection $\frac{\text{(b)(4)}(c)}{(1)(D)}$.
- (3) The rate of diversion for each point of diversion authorized under the term permit shall not exceed the rate of diversion for each point of diversion authorized under the base water right.

(3)(4) The authorized place of use for the term permit shall not be greater than that authorized by the existing groundwater right shall be the place of use or a subdivision of the place of use for the base water right.

- (5) The point of diversion authorized by the term permit shall be specified by referencing one point of diversion authorized by the base water right at the time the multi-year flex account term permit application is filed with the chief engineer or at the time any approvals changing such referenced point of diversion of the base water right are approved during the multi-year flex account period. For a base water right with multiple points of diversion, each point of diversion authorized by a term permit shall receive a specific assignment of a maximum authorized quantity of water, assigned proportionately to the authorized annual quantities of the respective points of diversion under the base water right.
- (4)(6) The chief engineer may establish, by rules and regulations, criteria for such term permits when the water right authorizes multiple points of diversion or multiple water rights authorize a single point of diversion or overlapping places of use.

(5)(7) Except as explicitly provided for by this section, such term permits shall be subject to all provisions of the Kansas water appropriation act, and rules and regulations adopted under such act, and nothing in this section shall authorize impairment of any vested right or prior appropriation right by the exercise of such term permit.

(e) Unless a term permit is issued pursuant to an application filed before November 1 of the year prior to the first year for which the application is made, the quantity of water used under the water right during the year in which the application for the term permit is filed shall be deducted from the amount of water deposited into the account authorized by the term permit (f) An application for a multi-year flex account shall be filed with the chief engineer on or before October 1 of the first year of the multi-year flex account term for which the application is being made.

(f)(g) All costs of administration of this section shall be paid from fees for term permits provided for by this section. Any appropriation or transfer from any fund other than the water appropriation certification fund for the purpose of paying such costs shall be repaid to the fund from which such appropriation or transfer is made. At the time of repayment, the secretary of agriculture shall certify to the director of accounts and reports the amount to be repaid and the fund to be repaid. Upon receipt of such certification, the director of accounts and reports shall promptly transfer the amount certified to the specified fund.

(h) The fee for a multi-year flex account term permit shall be the same as specified for other term permits in K.S.A. 82a-708c, and amendments thereto, except as follows:

(1) If the base water right is currently suspended due to the issuance of a two-year term permit in a designated drought emergency area for 2011 and 2012, then a holder of such term permit shall be subject to a \$200 application fee for a multi-year flex account term permit if the application is filed on or before July 15, 2012; or

(2) if water use under the authority of the base water right exceeded the maximum annual quantity authorized by the base water right during 2011 and the holder of the base water right files an application for approval of a multi-year flex account term permit on or before July 15, 2012, then the application fee shall be \$600.

(i) The chief engineer shall have full authority pursuant to K.S.A. 82a-706c, and amendments thereto, to require any additional measuring devices and any additional reporting of water use for term permits issued pursuant to this section. Failure to comply with any measuring or reporting requirement may result in a penalty, up to and including the revocation of the term permit and the suspension of the base water right for the duration of the term permit period.

 $\frac{(g)}{(j)}$ The chief engineer shall submit a written report on the implementation of this section to the house standing committee on environment agriculture and natural resources and the senate standing committee on natural resources on or before February 1 of each year.

 $\frac{h}{k}$ This section shall be part of and supplemental to the Kansas water appropriation act.

Sec. 2. K.S.A. 2011 Supp. 82a-736 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the Kansas register.

Permanent Administrative Regulations

Article 28a.—PHYSICIAN ASSISTANTS

100-28a-5. Continuing education. (a) Each physician assistant shall submit with the renewal application one of the following:

- (1) Evidence of satisfactory completion of at least 50 continuing education credit hours during the preceding year. At least 20 continuing education credit hours shall be acquired from category I if 50 hours are submitted with the renewal application;
- (2) evidence of satisfactory completion of at least 100 continuing education credit hours during the preceding two-year period. At least 40 continuing education credit hours shall be acquired from category I if 100 continuing education credit hours are submitted with the renewal application; or
- (3) evidence verifying satisfactory completion of continuing education credit hours equivalent, in number and category, to those hours required by paragraph (a)(1) or (2), issued by a national, state, or local organization with continuing education standards that are at least as stringent as the board's standards.
- (b) A continuing education credit hour shall be 50 minutes of instruction or its equivalent. Meals and exhibit breaks shall not be included in the calculation of continuing education credit hours.
- (c) Any applicant that does not meet the requirements for license renewal in subsection (a) may request an extension from the board. The request shall include a plan for completion of the continuing education requirements within the requested extension period. An extension of up to six months may be granted by the board if documented circumstances make it impossible or extremely difficult for the individual to reasonably obtain the required continuing education hours.
- (d) Each physician assistant initially licensed within one year of a renewal registration date shall be exempt from the continuing education required by subsection (a) for that first renewal period.
- (e) The categories of continuing education credit shall be the following:
- (1) Category I: attendance at an educational presentation approved by the board. Courses accepted by the American academy of physician assistants shall be approved by the board; and
- (2) category II: participating in or attending an educational activity that does not meet the criterion specified in paragraph (e)(1) but that is approved by the board. Category II continuing education may include self-study or group activities.
- (f) Evidence of satisfactory completion of continuing education shall be submitted to the board as follows:
- (1) Documented evidence of attendance at or participation in category I and II activities; and
- (2) verification, on a form provided by the board, of self-study from reading professional literature or other (continued)

self-study activities. (Authorized by K.S.A. 2010 Supp. 65-28a03; implementing K.S.A. 65-28a04; effective, T-100-2-13-01, Feb. 13, 2001; effective June 1, 2001; amended March 30, 2012.)

100-28a-10. Supervision and direction; adequacy.

- (a) Direction and supervision of the physician assistant shall be considered to be adequate if the responsible physician meets all of the following requirements:
- (1) Engages in the practice of medicine and surgery in Kansas;
- (2) verifies that the physician assistant has a current license issued by the board;
- (3) at least annually, reviews, evaluates, and determines whether the physician assistant has performed patient services constituting the practice of medicine and surgery with professional competence and with reasonable skill and safety;
- (4) at least annually, reviews any drug prescription protocol and determines if any modifications, restrictions, or terminations are required. Each modification, restriction, or termination shall be conveyed to the physician assistant and set forth in all copies of the drug prescription protocol required by K.A.R. 100-28a-9;
- (5) reports to the board any knowledge of disciplinary hearings, formal hearings, public or private censure, or other disciplinary action taken against the physician assistant by any state's licensure or registration authority or any professional association. The responsible physician shall report this information to the board within 10 days of receiving notice of the information;
- (6) reports to the board the termination of responsibility by the responsible physician or any litigation alleging conduct by the physician assistant that would constitute grounds for disciplinary action under the physician assistant licensure act. The responsible physician shall report this information to the board within 10 days of receiving notice of the information;
- (7) reviews and authenticates each patient record of treatment provided by a physician assistant in an emergency situation if the treatment exceeded the authority granted to the physician assistant by the responsible physician in the responsible physician request form. The responsible physician shall perform the review and authentication of the patient record within 48 hours of the treatment;
- (8) provides for a designated physician to provide supervision and direction on each occasion when the responsible physician is temporarily absent, is unable to be immediately contacted by telecommunication, or is otherwise unavailable at a time the physician assistant could

reasonably be expected to provide professional services; and

- (9) delegates to the physician assistant only those acts that constitute the practice of medicine and surgery that the responsible physician believes or has reason to believe can be competently performed by the physician assistant, based upon the physician assistant's background, training, capabilities, skill, and experience.
- (b) The responsible physician shall develop and implement a written method for evaluating whether the physician assistant has performed patient services constituting the practice of medicine and surgery with professional competence and with reasonable skill and safety, in accordance with the provisions of the responsible physician request form.
- (1) During the first 90 days of the responsible physician-physician assistant supervisory relationship, the responsible physician shall review and authenticate all medical records and charts of each patient evaluated or treated by the physician assistant within 14 days of the date the physician assistant evaluated or treated the patient. The responsible physician shall authenticate each record and chart by original signature or initials and shall record the date of the review. Electronically generated signatures shall be acceptable if reasonable measures have been taken to prevent unauthorized use of the electronically generated signature.
- (2) After the first 90 days of the responsible physicianphysician assistant supervisory relationship, the responsible physician shall document the periodic review and evaluation of the physician assistant's performance required by paragraph (a)(3), which may include the review of patient records and charts. The written review and evaluation shall be signed by the responsible physician and the physician assistant. This documentation shall be kept on file at each practice location and shall be made available to the board upon request.
- (c) Except as otherwise required by K.A.R. 100-28a-13, a responsible physician shall not be required to cosign orders or prescriptions written in a patient's medical record or chart by a physician assistant to whom the responsible physician has delegated the performance of services constituting the practice of medicine and surgery. (Authorized by K.S.A. 2010 Supp. 65-28a03; implementing K.S.A. 65-28a02 and K.S.A. 65-28a09; effective, T-100-2-13-01, Feb. 13, 2001; effective June 1, 2001; amended May 15, 2009; amended March 30, 2012.)
