Criminal Justice Coordinating Council**Notice of Meeting**

The Kansas Criminal Justice Coordinating Council will meet at 10:30 a.m. Friday, December 28, in Room 106, Landon State Office Building, 900 S.W. Jackson, Topeka.

Jennifer Cook, Administrator
Governor's Grants Program

Doc. No. 041177

(Published in the Kansas Register December 20, 2012.)

Heartland Works, Inc.**Request for Proposals**

Heartland Works, Inc. is accepting proposals for information technology services and solutions for the Heartland Works, Inc. Administrative Office and the five Workforce Centers for which it is responsible. The centers are located in Topeka, Atchison, Lawrence, Manhattan and Junction City. To receive a request for proposal, including all specifications, contact the Heartland Works office at 5020 S.W. 28th St., Suite 100, Topeka, 66614-2348, 785-234-0500. Proposals must be received not later than 3 p.m. January 24. Heartland Works, Inc. welcomes all interested companies to submit a proposal.

Sharon Beyer
Interim Executive Director

Doc. No. 041185

State of Kansas

**Department of Health
and Environment
Division of Health Care Finance****Public Notice**

The state of Kansas Medicaid is proposing to remove the 1932 section of the Social Security Act of the state plan under which some Medicaid beneficiaries receive acute care benefits through managed care because the state is preparing to implement in 2013 an integrated care system, KanCare, to provide Medicaid and Children's Health Insurance Program (CHIP) services, including long-term services and supports (LTSS), through managed care to all beneficiaries under an 1115 waiver approved by Centers for Medicare and Medicaid Services (CMS). For reference to financial impact see the following link: http://www.kancare.ks.gov/medicaid_reform.htm.

A copy of the proposed state plan change, which has additional information, may be obtained from any local Department for Children and Families (DCF) office. To send comments, to review comments received or to obtain additional information, contact Rita Haverkamp, KDHE, Division of Health Care Finance, Room 900-N, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612-1220, or email RHaverkamp@kdheks.gov.

Division of Health Care Finance**

Public Notice

The state of Kansas Medicaid is proposing a state plan change to be effective January 1, 2013 through December 31, 2014, for payment rates to primary care physicians for furnishing primary care services. Payment rates must be not less than 100 percent of Medicare (if greater, the Medicare payment rate in effect in 2009 is to be used). Primary care physicians are defined as physicians with a primary specialty designation of family medicine, general internal medicine or pediatric medicine. Primary care services include those in the Evaluation and Management category under the Healthcare Common Procedure Coding System (HCPCS) used by Medicare (99201 — 99499), and services related to immunization and administration for vaccines and toxoids (90465, 90466, 90467, 90471, 90472, 90473 and 90474). Medicaid managed care plans must make payments to physicians consistent with these minimum payment rates, regardless of the manner in which payments are made by the plans, including capitation or partial capitation payments. This provision is mandated by the Patient Protection and Affordable Care Act.

The Division of Health Care Finance anticipates a fiscal impact of \$6,900,000 for FFY 2013 and \$9,200,000 for FFY 2014.

A copy of the proposed state plan change, which has additional information, may be obtained from any local Department for Children and Families (DCF) office. To send comments, to review comments received or to obtain additional information, contact Rita Haverkamp, KDHE, Division of Health Care Finance, Room 900-N, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612-1220, or email RHaverkamp@kdheks.gov.

Doc. No. 040656

State of Kansas

Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-AG-12-363
Application(s) for New or Expansion of Existing Swine Facilities

Name and Address of Applicant	Owner of Property Where Facility Will Be Located	Receiving Water
Keesecker Agri Business, Inc. 2069 Prairie Road Washington, KS 66968	Dale Keesecker 2069 Prairie Road Washington, KS 66968	Big Blue River Basin
Legal Description NE/4 of Section 22, T02S, R03E, Washington County Kansas Permit No. A-BBWS-H007	Federal Permit No. KS0095699	

This is notification KDHE has received a complete permit application for the operation of a swine waste management facility capable of housing 3,822 head (1,528.8 animal units) of swine weighing more than 55 pounds each and 4,332 head (433.2 animal units) of swine weighing less than 55 pounds each. The complete application can be viewed at the office of the Washington County Clerk, the KDHE North Central District Office in Salina or the KDHE central office in Topeka. A permit to modify the existing waste management control system at the facility and increase the existing animal unit capacity will not be issued without additional public notice.

Public Notice No. KS-AG-12-364/367
Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Plymell Dairy, LLC Richard Strandmark 10550 S. Road 14 Garden City, KS 67846	W/2 of Section 08, T26S, R32W, Finney County	Upper Arkansas River Basin
Kansas Permit No. A-UAFI-D002	Federal Permit No. KS0097365	

This is a modification and reissuance permit for an expanding facility for 1,250 head (1,250 animal units) of mature heifers, 1,410 head (705 animal units) of calves and 2,600 head (3,640 animal units) of mature

cows, for a total of 5,595 animal units of dairy cattle. Proposed modifications include 3.48-acre calf hutch expansion area. The runoff will be conveyed through a channel to a 24" corrugated plastic pipe to settling basins and then a retention control structure. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
G-M Cattle Gene Boomhower 185 N. Highway 23 Dighton, KS 67839	SE/4 of the NE/4 of Section 36, T17S, R29W, Lane County	Upper Arkansas River Basin

Kansas Permit No. A-UALE-B005

This is a permit renewal for an existing facility with the maximum capacity of 990 head (990 animal units) of cattle weighing greater than 700 pounds. The facility consists of approximately 11 acres of open lot pens, farmstead area and associated areas. Surface runoff is collected and stored in an earthen retention control structure.

Name and Address of Applicant	Legal Description	Receiving Water
Roger Koester 1442 N. 210 Road Concordia, KS 66901	NW/4 of Section 23, T06S, R02W, Cloud County	Lower Republican River Basin

Kansas Permit No. A-LRCD-S007

This permit is being reissued for an existing facility with a maximum capacity of 496 head (198.4 animal units) of swine more than 55 pounds, 200 head (20 animal units) of swine 55 pounds or less and 80 head (40 animal units) of cattle 700 pounds or less, for a total of 258.4 animal units. There is no change in the permitted animal units.

Name and Address of Applicant	Legal Description	Receiving Water
Pauly's Five STAR Dairy Inc. Jay Pauly 25920 W. 119th Conway Springs, KS 67031	SW/4 of Section 34, T29S, R03W, Sedgwick County	Lower Arkansas River Basin

Kansas Permit No. A-ARSG-M010

This permit is being reissued for an existing dairy facility for 150 head (210 animal units) of mature dairy cattle, 30 head (30 animal units) of dairy cattle weighing more than 700 pounds and 60 head (30 animal units) of dairy cattle weighing less than 700 pounds, for a total permitted capacity of 270 animal units of dairy cattle. This represents an increase in the permitted capacity from the previous permitted capacity of 150 head (210 animal units) of mature dairy cattle.

Public Notice No. KS-Q-12-200/202

The requirements of the draft permits public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28 (b-g), and Federal Surface Water Criteria:

Name and Address of Applicant	Receiving Stream	Type of Discharge
Chanute, City of P.O. Box 907 Chanute, KS 66720	Turkey Creek via Little Turkey Creek via Unnamed Tributary	Treated Domestic Wastewater

Kansas Permit No. M-NE11-0001 Federal Permit No. KS0080837
Legal Description: S½, NE¼, S33, T27S, R18E, Neosho County

The proposed action is to reissue an existing permit for the operation of an existing mechanical wastewater treatment facility. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, ammonia, E. coli, whole effluent toxicity and pH, as well as monitoring for total phosphorus, nitrate + nitrite, total Kjeldahl nitrogen, total nitrogen, priority pollutants and effluent flow.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Cottonwood Falls, City of P.O. Box 487 Cottonwood Falls, KS 66845	Cottonwood River	Treated Domestic Wastewater

Kansas Permit No. M-NE16-0001 Federal Permit No. KS0089664
Legal Description: SW¼, NE¼, NW¼, S28, T19S, R8E, Chase County

The proposed action is to reissue an existing permit for the operation of an existing wastewater treatment facility. The proposed permit contains limits for biochemical oxygen demand and total suspended solids, as well as monitoring for ammonia, E. coli, water level in the final cell and pH. Contained in the permit is a schedule of compliance requiring the permittee various operational changes and notifications of changed conditions.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Newton, City of P.O. Box 426 Newton, KS 67114	Sand Creek via Slate Creek	Treated Domestic Wastewater

Kansas Permit No. M-LA13-IO01 Federal No. KS0038971
Legal Description: SE¼, SW¼, NE¼ and NE¼, NW¼, SE, S19, T23S, R1E, Harvey County

The proposed action is to reissue an existing permit for the operation of an existing mechanical wastewater treatment facility. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, ammonia, E. coli, dissolved oxygen, whole effluent toxicity and pH, as well as monitoring for total phosphorus, nitrate + nitrite, total Kjeldahl nitrogen, total nitrogen, priority pollutants and effluent flow.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before January 19 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-12-363/367, KS-Q-12-200/202) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the secretary of health and environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft document/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

Robert Moser, M.D.
Secretary of Health and Environment

State of Kansas

Office of the Governor

Executive Directive No. 12-437

Authorizing Expenditure of Federal Funds

By virtue of the authority vested in the Governor as the head of the Executive Branch of the State of Kansas, the following transaction is hereby authorized:

Pursuant to the authority of the Secretary of the Department of Wildlife, Parks and Tourism to receive and expend federal funds, and pursuant to the authority granted the Governor by Section 177 of Chapter 175 of *The 2012 Session Laws of Kansas*, approval is hereby granted to the Kansas Department of Wildlife, Parks and Tourism for expenditure in FY 2013 of monies in the federal fund "Wetlands Reserve Program—Federal Fund."

Pursuant to the authority of the Executive Director of the Board of Pharmacy to receive and expend federal funds, and pursuant to the authority granted the Governor by Section 177 of Chapter 175 of *The 2012 Session Laws of Kansas*, approval is hereby granted to the Board of Pharmacy for expenditure in FY 2013 of monies in the federal fund "SAMSHA PMP Integration Fund—Federal Fund."

I have conferred with the Director of the Budget and members of my staff, and I have determined that the guidelines set forth in KSA 75-3711 and 75-3711c have been applied and that none of the foregoing actions exceeds the limitations contained therein.

Dated December 7, 2012.

Sam Brownback
Governor

Doc. No. 041165

State of Kansas

Department of Health
and Environment

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality construction permit. Mid-Kansas Electric Company, LLC (Mid-Kansas), located at 301 W. 13th St., Hays, 67601, has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300 to install 24 new spark-ignition Caterpillar four-stroke lean-burn reciprocating internal combustion engine (Caterpillar 4SLB RICE) electricity generating units using pipeline quality natural gas. Each engine will be nominally rated at 10 megawatts (MW) of electricity for a combined power output of approximately 240 MW. The facility also will include two 450-kW pipeline quality natural gas-fired emergency AC generators, a 190-HP diesel-fueled emergency fire pump, and a 2 mmBtu/hr natural gas-fired indirect fuel gas heater. The proposed facility, known as Rubart Station, will be located in the Northwest Quarter of Section 1, Township 29 South, Range 35 West, Grant County, Kansas, approximately 14 miles east of Ulysses.

Emissions of particulate matter (PM), PM equal to or less than 10 microns in diameter (PM₁₀), PM equal to or

less than 2.5 microns in diameter (PM_{2.5}), volatile organic compounds (VOCs), oxides of nitrogen (NO_x), sulfur dioxide (SO₂), carbon monoxide (CO), sulfuric acid mist (H₂SO₄), hazardous air pollutants (HAPs) and greenhouse gases (GHGs) were evaluated during the permit review process.

The proposed permit is to be issued in accordance with the provisions of K.A.R. 28-19-350, prevention of significant deterioration (PSD), which adopt the federal standards, procedures and requirements of 40 CFR 52.21 by reference. These air quality regulations apply to major stationary emission sources located in areas designated as "attainment" under the federal Clean Air Act (CAA). Attainment areas are areas where the air quality meets or is better than the National Ambient Air Quality Standards (NAAQS).

The PSD regulations require evaluation of emission reduction techniques to identify the best available control technology (BACT) for each regulated pollutant, including GHGs, for which the emission rate exceeds the PSD significant level. The purpose of BACT is to affect the maximum degree of reduction achievable, taking into account energy, environmental and economic impacts for each regulated pollutant under review. Evaluation of the estimated emissions for the proposed Rubart Station project indicates that the emission rates of NO_x, CO, PM, PM₁₀, PM_{2.5}, VOCs and GHGs all exceed the significance levels. Mid-Kansas conducted the required BACT analyses. The department has reviewed Mid-Kansas' BACT analyses for the Rubart Station project and concurs with its findings as follows:

- For the Caterpillar 4SLB RICE, selective catalytic reduction (SCR) is BACT for NO_x, oxidation catalyst and good combustion practices are BACT for CO and VOC, combustion controls and low ash fuels are BACT for PM, PM₁₀ and PM_{2.5}, use of efficient lean-burn engines and use of natural gas fuel are BACT for GHGs;
- For the emergency AC generators, combustion control is BACT for NO_x, CO, VOC, PM, PM₁₀, PM_{2.5} and GHGs;
- For the emergency fire pump, combustion control is BACT for NO_x, CO and VOC, combustion controls and low ash fuels are BACT for PM, PM₁₀, PM_{2.5}, and selection of the most efficient engines that meet the project needs is BACT for GHGs; and
- For the fuel gas heater, low NO_x burners and combustion control is BACT for NO_x, good combustion practices is BACT for CO and VOC, combustion control is BACT for PM, PM₁₀ and PM_{2.5}, and use of clean fuels, maintaining and tuning the heater, and record-keeping are BACT for GHGs.

An ambient impact analysis was performed on the potential air emissions of NO₂, PM₁₀, PM_{2.5} and CO from the Rubart Station project.

- Detailed modeling for the 1-hour and annual NO₂ demonstrated that the proposed Rubart Station will not cause or significantly contribute to any violation of the 1-hour and annual NO₂ NAAQS. It also demonstrated that 6.0 percent of the annual NO₂ Class II area maximum allowable increment is expected to be

consumed by the proposed project. The EPA has not established a Class II area maximum allowable increment for 1-hour NO₂. Accordingly, no calculation of the potential consumption of such increment is possible.

- Detailed modeling for PM₁₀ demonstrated that the proposed Rubart Station will not cause or significantly contribute to any violation of the 24-hour PM₁₀ NAAQS. It also demonstrated that 28.4 percent of the 24-hour PM₁₀ Class II area maximum allowable increment is expected to be consumed by the proposed project. A screening modeling analysis for PM₁₀ demonstrated that the proposed Rubart Station will not cause or significantly contribute to a violation of the annual PM₁₀ NAAQS.
- Detailed modeling for PM_{2.5} demonstrated the proposed Rubart Station will not cause or significantly contribute to any violation of the 24-hour and annual PM_{2.5} NAAQS. It also demonstrated that 94.8 percent of the 24-hour PM_{2.5} and 21.0 percent of the annual PM_{2.5} Class II area maximum allowable increments for PM_{2.5} are expected to be consumed.
- An analysis of visibility was conducted for Meade State Park and Ulysses Airport. The VISCREEN model results indicate no exceedances of the screening criteria at either location. No adverse impacts on soils and vegetation in the area are expected. Any federal land manager who has reason to believe they may have a Class I area adversely impacted by the emissions from the proposed project has the opportunity to present KDHE with a demonstration of the adverse impact on the air quality-related values of the federal Class I area during the comment period.

A public comment period has been established until noon January 22 to allow citizens the opportunity to express any concerns they may have about this proposed permitting action. All comments should be submitted in writing to Mindy Bowman, KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366.

Any member of the public may request a public hearing be conducted to provide comments on the proposed issuance of the draft air quality construction permit. A written request to hold a public hearing should be sent to the attention of Mindy Bowman at the address above or by fax to 785-291-3953 and must be received by noon January 22. If a pertinent request is received, a public hearing is tentatively scheduled by KDHE on January 24 at the Grant County Civic Center, Lawson Room, 108 S. Glen, Ulysses. The hearing will begin at 5 p.m. and continue until audience members have had an opportunity to submit comments. If no pertinent requests to hold the public hearing are received by noon January 22, the public hearing will be cancelled. A notice of the cancellation will be posted at the KDHE website at <http://www.kdheks.gov/bar/publicnotice.html>.

If a hearing is conducted, all interested parties will be given a reasonable opportunity to present their views orally or by submission of written materials during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to limit oral presentations to a specific time limit. Any individual with a

disability may request accommodation in order to participate in the public hearing and may request the proposed materials in an accessible format. Requests for accommodation must be made not later January 11 by contacting the Bureau of Air at 785-296-0297.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process for the PSD permit is available for public review for a period of 30 days from the date of publication during normal business hours, 8 a.m. to 5 p.m., at the KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka. A copy of the proposed permit and all supporting documentation also can be reviewed at the KDHE Southwest District Office, 302 W. McArtor Road, Dodge City. To obtain or review the proposed permit and supporting documentation, contact Mindy Bowman, 785-296-6421, at the KDHE central office, or the KDHE Southwest District Office, 620-225-0596. The standard departmental cost will be assessed for any copies requested. These same materials are available, free of charge, at the Bureau of Air website at <http://www.kdheks.gov/bar/index.html>.

Robert Moser, M.D.
Secretary of Health
and Environment

Doc. No. 041173

State of Kansas

Department of Health and Environment

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality construction permit. Abengoa Bioenergy Biomass of Kansas, LLC (ABBK), located at 16150 Main Circle Drive, Suite 200, Chesterfield, MO 63017, has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300 to append ABBK's September 16, 2011, permit by installing four emergency generator engines in Section 18, Township 33 South, Range 37 West, Stevens County, Kansas, near Hugoton. Emission of particulate matter (PM), PM equal to or less than 10 microns in diameter (PM₁₀), PM equal to or less than 2.5 microns in diameter (PM_{2.5}), volatile organic compounds (VOCs), oxides of nitrogen (NO_x), sulfur dioxide (SO₂), carbon monoxide (CO), hazardous air pollutants (HAPs) and greenhouse gases (GHGs) were evaluated during the permit review process.

The proposed permit is to be issued in accordance with the provisions of K.A.R. 28-19-350, prevention of significant deterioration (PSD), which adopt the federal standards, procedures and requirements of 40 CFR 52.21 by reference. These air quality regulations apply to major stationary emission sources located in areas designated as "attainment" under the federal Clean Air Act (CAA). Attainment areas are areas where the air quality meets or is better than the national ambient air quality standards (NAAQS). The proposed permit is appending the September 16, 2011, PSD permit for a biomass to ethanol and

(continued)

biomass-to-energy production facility issued to ABBK. The proposed permit will include four natural gas-fired spark ignition emergency engines, connected to corresponding electrical power generators, to support the steam turbine generator and auxiliary utility support systems during boiler startup, shutdown and malfunction events. The emergency power generators will produce electrical power for critical equipment when biomass-fired boiler power operation is interrupted.

The PSD regulations require evaluation of emission reduction techniques to identify the best available control technology (BACT) for each regulated pollutant, including greenhouse gases (GHGs), for which the emission rate exceeds the PSD significant level. The purpose of BACT is to affect the maximum degree of reduction achievable, taking into account energy, environmental and economic impacts for each regulated pollutant under review. Evaluation of the estimated emissions for the September 16, 2011, ABBK project indicated that the emission rate of oxides of nitrogen, sulfur dioxide, carbon monoxide, particulate matter and GHGs all exceeded the significance levels and ABBK conducted the required BACT analyses. Since the proposed permit is appending the September 16, 2011, permit, ABBK also conducted the required BACT analyses for the four emergency power generators. The department has reviewed ABBK's BACT analyses and concurs with its findings that for the four emergency power generators, installing low-emission design lean-burn engines, following good combustion practices and firing pipeline quality natural gas is BACT for NO_x, SO₂, CO, PM, PM₁₀ and PM_{2.5}. Installing low-emission, energy efficient design lean-burn engines, following good combustion practices and firing pipeline quality natural gas is BACT for GHGs.

An ambient impact analysis was performed on the potential air emissions of SO₂, PM₁₀, PM_{2.5} and CO from this proposed project changes.

- The SO₂ screening modeling demonstrated no significant impact on the 3-hour NAAQS. Detailed modeling for SO₂ demonstrated that the emissions from the planned source will not cause or contribute to any violation of the 24-hour NAAQS and that 12.22 percent of the 24-hour Class II maximum allowable increments for SO₂ are expected to be consumed.
- Detailed modeling for PM₁₀ demonstrated that the emissions will not cause or contribute to any violation of the 24-hour NAAQS and that 96.27 percent of the 24-hour PM₁₀ Class II maximum allowable increments for PM₁₀ are expected to be consumed.
- Detailed modeling for PM_{2.5} demonstrated that the emissions will not cause or contribute to any violation of the 24-hour PM_{2.5} NAAQS and that 96.56 percent of the 24-hour PM_{2.5} Class II maximum allowable increment for PM_{2.5} is expected to be consumed.
- The CO screening modeling analysis demonstrated no significant impact on the 1-hour or 8-hour NAAQS. The EPA has not established any Class II maximum allowable increments for CO. Accordingly, no calculation of the potential consumption of such increment is possible.
- The proposed project change is not expected to have an impact on the visibility analyses for Cimarron National Grasslands and Hugoton Municipal Airport, or

the soil and vegetation analysis already conducted for the September 16, 2011, permit. Any federal land manager who has reason to believe they may have a Class I area adversely impacted by the emissions from the proposed project has the opportunity to present KDHE with a demonstration of the adverse impact on the air quality-related values of the federal Class I area during the comment period.

A public comment period has been established until noon January 22 to allow citizens the opportunity to express any concerns they may have about this proposed permitting action. All comments should be submitted in writing to Terry T. Tavener, KHDE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366.

Any member of the public may request a public hearing be conducted to provide comments on the proposed issuance of the draft air quality construction permit. A written request to hold a public hearing should be sent to the attention of Terry Tavener at the address above or by fax to 785-291-3953 and must be received by noon January 22. If a pertinent request is received, a public hearing is tentatively scheduled by KDHE on January 23 at the Stevens County Memorial Hall, 200 E. 6th St., Hugoton. The hearing will begin at 5 p.m. and continue until audience members have had an opportunity to submit comments. If no pertinent requests to hold the public hearing are received by noon January 22, the public hearing will be cancelled. A notice of the cancellation will be posted at the KDHE website at <http://www.kdheks.gov/bar/publicnotice.html>.

If a hearing is conducted, all interested parties will be given a reasonable opportunity to present their views orally or by submission of written materials during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to limit oral presentations to a specific time limit. Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed materials in an accessible format. Requests for accommodation must be made not later than January 11 by contacting the Bureau of Air at 785-296-0297.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process for the PSD permit is available for public review for a period of 30 days from the date of publication during normal business hours, 8 a.m. to 5 p.m., at the KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka. A copy of the proposed permit and all supporting documentation also can be reviewed at the KDHE Southwest District Office, 302 W. McArtor Road, Dodge City. To obtain or review the proposed permit and supporting documentation, contact Terry Tavener, 785-296-1581, at the KDHE central office, or the KDHE Southwest District Office, 620-225-0596. The standard departmental cost will be assessed for any copies requested. These same materials are available, free of charge, at the Bureau of Air website at <http://www.kdheks.gov/bar/index.html>.

and Environment

Doc. No. 041175

State of Kansas

Department of Health
and Environment

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit. WTG Hugoton, LP has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance.

WTG Hugoton LP, 211 N. Colorado, Midland, TX 79701, owns and operates the Tate natural gas compression station located in Section 32, Township 26 South, Range 36 West in Kearny County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for public review during normal business hours at the KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka. Also, a copy of the proposed permit can be reviewed at the KDHE Southwest District Office, 302 W. McArtor Road, Dodge City. To obtain or review the proposed permit and supporting documentation, contact Lynelle Ladd, 785-296-1719, at the KDHE central office, and to review the proposed permit only, contact Ethyl Evans, 620-356-1075, at the KDHE Southwest District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Lynelle Ladd, KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received before the close of business January 18.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Lynelle Ladd, Bureau of Air, not later than the close of business January 18 in order for the secretary of health and environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was im-

practicable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 11201 Renner Road, Lenexa, 66219, 913-551-7312, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

State of Kansas

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, January 3, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 000851 — Maximum Principal Amount: \$175,000. Owner/Operator: Kevin J. and Julia R. Bergman. Description: Acquisition of 70 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Kevin J. and Julia R. Bergman and is located at the East Half of the Northeast Quarter of Section 2, Mitchell Township, Nemaha County, Kansas, approximately 1 mile south and 1 mile east of Seneca on 144th and L Roads.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

Tim Shallenburger
President

Doc. No. 041181

State of Kansas**Kansas Development Finance Authority****Notice of Hearing**

The Kansas Development Finance Authority will conduct a public hearing at 9 a.m. Thursday, January 3, in the conference room of the KDFA offices, 555 S. Kansas Ave., Suite 202, Topeka, regarding the issuance of its Revenue Bonds (Lifespace Communities, Inc.), Series 2013, consisting of one or more series, in an aggregate principal amount not to exceed \$30,000,000, plus related costs of issuance. The proceeds of the bonds will be loaned to Lifespace Communities, Inc., an Iowa nonprofit corporation (the corporation), to be used (a) to pay or reimburse the corporation for a portion of the costs of remodeling, rehabilitation, improving, renovating and equipping the life care retirement community facilities listed below (the projects); and (b) to pay certain expenses incurred in connection with the issuance of the bonds.

The general functional description and the location of each retirement facility being financed or refinanced with the proceeds of the bonds and the estimated maximum aggregate principal amount of bonds to be issued with respect to each facility are listed below.

I. Kansas Facility

Facility known as Claridge Court owned by the city of Prairie Village, Kansas, and leased to and operated by the corporation, located at 8101 Mission Road, Prairie Village, Kansas, and including 135 independent living apartments and a 35-bed health center. The Claridge Court Project is expected to include remodeling of the facility renovation, improving and equipping of the facility of approximately \$1,000,000 using proceeds of the bonds and equity from the corporation.

II. Florida Facilities

Facility known as Abbey Delray South owned and operated by the corporation, located at 1717 Homewood Blvd., Delray Beach, Florida 33445, and including 28 villas and 324 independent living apartments, 14 assisted living units and 100 skilled nursing care beds. The Abbey Delray Project is expected to include remodeling, renovation, improving and equipping of the facility of approximately \$18,600,000 using proceeds of the bonds and equity from the corporation.

Facility known as Harbour's Edge owned and operated by the corporation, located at 401 E. Linton Blvd., Delray Beach, Florida 33483, and including 267 independent living apartments and 54 skilled nursing care beds. The Harbour's Edge Project is expected to include remodeling, renovation, improving and equipping of the facility of approximately \$20,100,000 using proceeds of the bonds and equity from the corporation.

III. Pennsylvania Facility

Facility known as Friendship Village of South Hills owned and operated by the corporation, located at 1290 Boyce Road, Upper St. Clair, Pennsylvania, and including 282 independent living apartments, 20 Carriage Homes and 89 skilled nursing beds. The Friendship Village of South Hills Project is expected to include remodeling renovation, improving and equipping of the facility of ap-

proximately \$10,000,000 using proceeds of the bonds and equity from the corporation.

The bonds shall not be deemed to constitute a debt or liability of the state of Kansas or of any political subdivision thereof other than the KDFA or a pledge of the full faith and credit of the state of Kansas or of any such political subdivision other than the KDFA; and neither the state of Kansas, nor any political subdivision thereof, will be liable on the bonds nor will the bonds be payable out of any funds other than those pledged and assigned under a loan agreement between the KDFA and the corporation. The issuance of the bonds shall not, directly, indirectly or contingently, obligate the state or any political subdivision thereof to levy any form of taxation therefor or to make any appropriation for the payment thereof.

This public hearing does not impose any liability on the KDFA or the state of Kansas but is an accommodation by the KDFA to satisfy the requirements of Section 147(f) of the Internal Revenue Code of 1986, as amended.

All individuals who appear at the hearing will be given an opportunity to express their views for or against the proposed financing of the projects described above, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the projects described above may be obtained by contacting the KDFA.

Dated December 20, 2012.

President

Doc. No. 041183

State of Kansas**Department of Transportation****Notice to Contractors**

Electronic copies of the letting proposals and plans are available on the KDOT website at <http://www.ksdot.org/burconsmain/contracts/proposal.asp>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid not later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The secretary of transportation reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2007 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

Sealed proposals for the construction of road and bridge work in the following Kansas counties will be received at the Bureau of Construction and Maintenance, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, 66603, until 1 p.m. January 16, and then will be publicly opened and read at 1:30 p.m.:

District One — Northeast

Douglas—59-23 K-7888-04 — U.S. 59, Franklin/Douglas county line north to Lawrence south city limits, surfacing, 12.7 miles. (State Funds)

Doniphan—36-22 KA-2774-01 — Bridge #023 on U.S. 36 located 9.99 miles east of U.S. 73/U.S. 36 junction, bridge repair. (State Funds)

Statewide—35-106 KA-2826-01 — I-35, High mast weathering steel poles, lighting, 0.1 mile. (Federal Funds)

Wabaunsee—99-99 KA-2896-01 — K-99, from Alma north to the Wabaunsee/Pottawatomie county line, milling and overlay, 12.8 miles. (State Funds)

Johnson—435-46 KA-3097-01 — I-435, from just north of 95th Street north to Midland Drive, ultra thin bonded asphalt surfacing, 3.8 miles. (State Funds)

Douglas—59-23 U-0015-01 — U.S. 59, from Yale Road to Bob Billings Parkway, grading and surfacing, 0.8 mile. (Federal Funds)

District Two — North Central

Geary—77-31 KA-2402-01 — Signal and turn lanes at U.S. 77 and K-57, traffic signals, 0.3 mile. (Federal Funds)

Washington—148-101 KA-2813-01 — Bridge painting of #018 on K-148 in Washington County located 4.92 miles north of K-9 (Little Blue River), bridge paint. (State Funds)

Saline—135-85 KA-3099-01 — I-135, from the Saline/McPherson county line, north to the I-70/I-135 junction, pavement patching, 18.8 miles. (State Funds)

District Three — Northwest

Osborne—24-71 KA-2812-01 — Culvert repair on U.S. 24 in Osborne County located 2.53 miles east of K-181, culvert. (State Funds)

District Five — South Central

Barber—4 C-0018-01 — Local Road 88, 2.6 miles west of Medicine Lodge, grading, bridge and surfacing, 0.2 mile. (Federal Funds)

Barton—4-5 KA-0040-01 — K-4, Cow Creek drainage bridge about 0.1 mile west of Claflin, bridge replacement. (Federal Funds)

Sedgwick—135-87 KA-2221-01 — I-135 bridges #043 and #044 located 2.98 miles north of I-235 in Sedgwick County (Chisholm Creek), bridge repair. (State Funds)

Sedgwick—135-87 KA-3098-01 — I-135, from the north end of the viaduct bridges north to I-135 over 37th Street, pavement patching, 2.6 miles. (State Funds)

Each bidder shall certify that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when signing the proposal will make the bid nonresponsive and not eligible for award consideration.

Doc. No. 041184

State of Kansas

Office of the State Bank Commissioner

**Amended Administrative Interpretation No. 1004 —
December 19, 2012
Guaranteed Asset Protection ("GAP")**

Administrative Interpretation No. 1004 was issued October 20, 1994, and first amended August 7, 1997. This Administrative Interpretation provides guidelines that must be followed for creditors to exclude the cost of Guaranteed Asset Protection ("GAP") waiver agreements from the calculation of the finance charge with consumer credit sales and closed-end consumer loans pursuant to the Uniform Consumer Credit Code. A GAP waiver agreement cancels or waives all or part of the outstanding balance due on a consumer's finance agreement in the event physical damage insurance does not pay the consumer's debt in full following a total loss or unrecovered

(continued)

theft of the vehicle. This Amended Administrative Interpretation is limited to GAP waiver products offered in connection with the finance agreement on a consumer vehicle. For purposes of this Amended Administrative Interpretation, "vehicle" means self-propelled or towed vehicles designed for personal use, including but not limited to automobiles, trucks, motorcycles, recreational vehicles, travel trailers, all-terrain vehicles, snowmobiles, and personal watercraft.

GAP waiver products may be offered to consumers and the charges for GAP products may continue to be excluded from the finance charge in Kansas provided the following conditions are met:

1. There must be a reasonable expectation that the condition will exist where the loan balance will exceed the fair market value of the vehicle at some point in time during the life of the loan in order for a creditor to offer GAP to the consumer. The price charged for GAP shall be subject to the principles of unconscionability expressed in K.S.A. 16a-5-108.
2. In accordance with the Truth in Lending Act and implementing regulations, as they may be amended from time to time, all GAP waiver agreements must:
 - a. contain a written statement that GAP coverage is not required by the creditor;
 - b. disclose the cost of the GAP product; and
 - c. have the consumer affirmatively sign a written request for GAP coverage after receiving the required disclosures.
3. In addition to the requirements of the Truth in Lending Act, all GAP waiver agreements shall contain the following provisions:
 - a. The GAP waiver agreement must identify the name of the dealership or financial institution selling the GAP product and the GAP Administrator;
 - b. The GAP waiver agreement remains a part of the finance agreement upon the assignment, sale, or transfer of such finance agreement by the creditor;
 - c. The consumer must have no less than a 30-day unconditional right to cancel with a full refund of the purchase price of the GAP waiver agreement, provided no amounts have been waived pursuant to the agreement;
 - d. The GAP waiver agreement must include, at a minimum, coverage of the physical damage insurance deductible up to \$500; however, the GAP waiver agreement may cover deductibles in excess of \$500;
 - e. The GAP waiver agreement must include a warning in bold type that the GAP coverage may not cancel or waive the entire amount owing at the time of loss;
 - f. The procedure the consumer must follow to obtain GAP waiver benefits under the terms and conditions of the GAP waiver agreement, including a telephone number and address where the consumer may apply for waiver benefits; and
 - g. The GAP waiver agreement must contain a statement that advises Kansas consumers with questions or complaints may contact the Office of the State Bank Commissioner, 700 S.W. Jackson #300, Topeka, KS 66603, (785) 296-2266 or toll free 1-877-387-8523.

4. The GAP waiver agreement must provide coverage, subject to conditions and exclusions identified in the agreement, for all physical damage claims or unrecovered theft that constitute a total loss. All conditions and exclusions to GAP coverage must be clearly and conspicuously disclosed in the GAP waiver agreement in easy to read language. A creditor or such other entity acting on the creditor's behalf shall not sell GAP coverage on a vehicle that does not meet the eligibility requirements of the GAP waiver agreement.
5. The amount waived or cancelled pursuant to the GAP waiver agreement shall be computed as the difference between the outstanding balance on the date of loss and the primary insurance carrier's determination of the Actual Cash Value of the vehicle. The GAP waiver agreement must clearly define the method used to determine the outstanding balance on the date of loss in a manner in which a consumer may reasonably be expected to understand, including disclosure of all items that will be excluded from the outstanding balance on the date of loss. (For example: delinquent or deferred payments, late payment charges, refundable items, etc.)

The GAP waiver agreement must uniformly define the term "Actual Cash Value" as the value established by the primary insurance carrier. If there is no primary insurance coverage at the time of the loss, the market value of the vehicle will be determined by the National Automobile Dealers Association ("NADA") Official Used Car Guide or equivalent. Terms such as "Payable Loss" and "Constructive Total Loss" must be consistent with this method of calculating the GAP waiver benefit.

6. The initial creditor that offers a GAP waiver agreement must report the sale of, and forward funds received on all such waivers to the designated GAP Administrator identified in the GAP waiver agreement.
7. Each creditor must insure its GAP waiver obligations under a contractual liability insurance policy issued by an insurer licensed in this state. Additionally, each creditor must maintain copies, in paper or electronic form, of all GAP waiver agreements for a period of not less than three years following the termination of the agreement. GAP administrators must also be prepared to provide records as requested by the Administrator of the Uniform Consumer Credit Code.

Failure to meet the requirements of this Administrative Interpretation will require that the cost of the GAP product to be included in the finance charge and disclosed accordingly.

This Amended Administrative Interpretation applies to all GAP waiver agreements executed on and after 1/1/2013.

Bids

Subject to the Notice of Bond Sale dated December 3, 2012, written and electronic bids will be received on behalf of the business manager of Unified School District No. 409, Atchison County, Kansas (Atchison) (the issuer), in the case of written bids, at the address set forth below, and in the case of electronic bids, through PARITY, until 11 a.m. January 7, 2013, for the purchase of the above-referenced bonds. No bid of less than \$14,928,955 of the principal amount of the bonds and accrued interest thereon to the date of delivery will be considered.

Bond Details

The bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The bonds will be dated January 24, 2013, and will become due on September 1 in the years as follows:

Year	Principal Amount*
2013	\$ 980,000
2014	105,000
2015	685,000
2016	1,390,000
2017	1,410,000
2018	305,000
2019	270,000
2020	235,000
2021	205,000
2022	370,000
2023	1,120,000
2024	1,150,000
2025	1,180,000
2026	1,205,000
2027	1,235,000
2028	1,265,000
2029	645,000
2030	660,000
2031	680,000

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning September 1, 2013.

Book-Entry-Only System

The bonds shall be registered under a book-entry-only system administered through DTC.

Paying Agent and Bond Registrar

Kansas State Treasurer, Topeka, Kansas.

Good Faith Deposit

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a

bank located in the United States, a qualified financial surety bond or a wire transfer in Federal Reserve funds immediately available for use by the issuer in the amount of \$300,000.

Delivery

The issuer will pay for preparation of the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or about January 24, 2013, to DTC for the account of the successful bidder.

Assessed Valuation and Indebtedness

The equalized assessed tangible valuation for computation of bonded debt limitations for the year 2012 is \$95,313,949. The total general obligation indebtedness of the issuer as of the dated date, including the bonds being sold, is \$31,235,000*.

Approval of Bonds

The bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the issuer, printed on the bonds and delivered to the successful bidder when the bonds are delivered.

Additional Information

Additional information regarding the bonds may be obtained from the undersigned, or from the financial advisor, at the addresses set forth below:

Doc. No. 041179

State of Kansas

Real Estate Appraisal Board

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Tuesday, February 19, in Suite 1102, Jayhawk Tower, 700 S.W. Jackson, Topeka, to consider the adoption of K.A.R. 117-7-1.

This 60-day notice of public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties may submit written comments prior to the hearing to the Kansas Real Estate Appraisal Board, Suite 1102, Jayhawk Tower, 700 S.W. Jackson, Topeka, 66603. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Sally Pritchett at 785-296-6736 or cheryl.magathan@kreab.state.ks.us.

The proposed regulation amendments are for adoption on a permanent basis. A summary of the proposed amendments to the regulation and the economic impact follows:

117-7-1. Fees. This regulation is being amended to decrease the original license/certification and renewal of license/certification fees from \$250 to \$225.

The economic impact to appraisers will be a savings of \$25 annually. The economic impact to the Real Estate Appraisal Board will be a decrease in revenues of approximately \$23,535 and to the state general fund of \$2,615. There is no economic impact to other state agencies or to the public.

Copies of this regulation and the economic impact statement may be obtained by contacting the Kansas Real Estate Appraisal Board at 785-296-6736, fax at 785-368-6443 or email at cheryl.magathan@kreab.state.ks.us, or from the board's website at <http://www.kansas.gov/kreab>.

Department of Health
and EnvironmentPermanent Administrative
RegulationsArticle 56.—REPORTING OF INDUCED
TERMINATIONS OF PREGNANCY

28-56-2. General requirements for abortion reports. (a) Each abortion provider, before performing an

abortion and before using the electronic abortion reporting system, shall obtain the following:

(1) A confidential code number from the department; and

(2) a copy of the requirements related to reporting abortions.

(b) Each abortion provider performing less than five abortions annually may use the paper form abortion report.

(c) Each abortion provider performing five or more abortions annually shall use the electronic abortion reporting system to file each abortion report and shall meet the following requirements:

(1) Submit an executed user agreement; and

(2) ensure that each individual authorized by the abortion provider to enter abortion data into the electronic abortion reporting system has a separate user account to access the electronic abortion reporting system.

(d) An abortion report shall be filed for each abortion performed. Each abortion report shall contain the following information:

(1) The confidential code number of the abortion provider filing the abortion report;

(2) the patient's unique identification number as maintained in the abortion provider's medical record. The patient's name and street address shall not be submitted;

(3) the patient's age in years on the patient's last birthday;

(4) the patient's marital status at the time of the abortion;

(5) the month, day, and year the abortion was performed;

(6) the state or United States territory of residence of the patient or, if the patient is not a resident of the United States, the patient's country of residence;

(7) the patient's county of residence if the patient is a resident of a state or territory of the United States or, if the patient is a resident of Canada, the province;

(8) the patient's city or town of residence;

(9) specification of whether the patient resided within the city limits of the city or town of residence;

(10) the hispanic origin of the patient, if applicable;

(11) the patient's ancestry;

(12) the patient's race;

(13) the highest level of education completed by the patient;

(14) the date when the patient's last normal menses began, including the month, day, and year as reported by the patient;

(15) clinical estimate of gestation;

(16) number of previous pregnancies, in the following categories:

(A) Children born live and now living;

(B) children born live and now dead;

(C) previous induced abortions; and

(D) previous spontaneous terminations, including miscarriages, or stillbirths;

(17) the primary abortion procedure used in terminating the pregnancy, including one of the following abortion procedures:

(A) Suction curettage;

(B) sharp curettage;

- (C) dilation and evacuation;
- (D) administration of mifepristone;
- (E) administration of methotrexate;
- (F) prostaglandins delivered by intrauterine instillation or other methods;
- (G) hysterotomy;
- (H) hysterectomy;
- (I) digoxin induction;
- (J) partial birth abortion; or
- (K) other procedure, which shall be specified;
- (18) if applicable, all secondary abortion procedures used in terminating the pregnancy, including any of the following procedures that apply:
 - (A) Suction curettage;
 - (B) sharp curettage;
 - (C) dilation and evacuation;
 - (D) administration of mifepristone;
 - (E) administration of methotrexate;

- (F) prostaglandins delivered by intrauterine instillation or other methods;
- (G) hysterotomy;
- (H) hysterectomy;
- (I) digoxin induction;
- (J) partial birth abortion; or
- (K) other procedure, which shall be specified;
- (19) specification of the medical factors and methods used to determine the clinical estimate of gestation; and
- (20) specification of whether there was a report of physical, mental, or emotional abuse or neglect filed pursuant to K.S.A. 38-2223, and amendments thereto. (Authorized by K.S.A. 2011 Supp. 65-445 and 65-6703; implementing K.S.A. 2011 Supp. 65-6703; effective June 15, 2012; amended Jan. 4, 2013.)

Robert Moser, M.D.
