Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bonds for the projects numbered below in the respective maximum principal amounts. The bonds will be issued to assist the borrowers named below (who will be the owner and operator of the projects) to finance the cost in the amount of the bonds, which are then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project is being financed by the lender for Keith D. and Karen L. Bontrager and is located at the Southeast Quarter of the Northeast Quarter of Section 8, Township 24 South, Range 5 West, Reno County, Kansas, approximately 3 miles south and 1.25 miles west from Yoder.

The bonds, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will they be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bonds will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bonds to finance the projects, and all written comments previously filed with the KDFA at its offices at 555 S. State of Kansas Behavioral Sciences Regulatory Board

Notice of Hearing on Proposed Administrative Regulation

The Behavioral Sciences Regulatory Board will conduct a public hearing from 10 to 11 a.m. Friday, September 20, in the board conference room, Suite 420, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, to consider adopting proposed amendments to a permanent rule and regulation for addiction counseling.

This 60-day notice of the public hearing constitutes a public comment period for purposes of receiving written public comments on the proposed amendments. All interested parties may submit written comments prior to the hearing to Max L. Foster, Jr., executive director, Behavioral Sciences Regulatory Board, Suite 420, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, 66603-3929. Email comments may be directed to max.foster@bsrb.state.ks.us. All interested parties will be given a reasonable opportunity to present their views orally at the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Leslie Allen, assistant director, at 785-296-3240 or the Kansas Relay Center at 800-766-3777. There is designated accessible parking on Kansas Avenue and the front entrance of the board office is accessible.

Copies of the full text of the regulation and the economic impact statement may be reviewed or obtained at the board office, and also are available on the board's website at www.ksbsrb.org, under "proposed regulations." The following is a summary of the proposed amendments and economic impact statement. The board does not have a less costly or less intrusive method for achieving the stated purpose of this regulation.

K.A.R. 102-7-3 contains the education requirements for licensure as an addiction counselor and clinical addiction counselor. The amendments include language being added to implement the change in the approved 2012 statute (K.S.A. 65-6610) that affect the education requirements for a licensed baccalaureate social worker (LBSW) who also wants to obtain the licensed addiction counselor (LAC) designation. Additionally, the descriptions for courses required to obtain a license for both the addiction counselor and the clinical addiction counselor are being updated.

Economic Impact: There would be a positive impact to LBSW licensees, as the number of semester credit hours to obtain the LAC designation will be reduced from 33 semester credit hours to 12 semester credit hours. There would be no economic impact to the Kansas Behavioral Sciences Regulatory Board, any other governmental agencies or the public.

A player removes the scratch-off material from the areas on the ticket indicated by the words "CALLER'S CARD" to reveal a total of 24 draw numbers. A player wins by matching the "CALLER'S CARD" to the numbers on the four "BINGO CARDS." 111-5-128. Game description; retail sale of tickets. (a) "Hot Lotto" is a five out of 47 plus one out of 19 online lottery game which pays the grand prize, at the election of the player made in accordance with the rules or by a default election made in accordance with these rules at the time of play purchase, as a cash lump sum payment of the total cash held for this prize on a parimutuel basis. All other prizes are paid on a set cash basis. To play "Hot Lotto," a player shall select five different numbers from one to 47 and one additional number from one to 19 for input into a terminal. The additional number may be the same as one of the first five numbers selected by the player.

(b) A "Hot Lotto" game ticket shall sell for one dollar.

(c) Tickets shall not be sold to any person under the age of 18 years. Each retailer may require a person purchasing tickets to produce proof of age.

(d) Each ticket shall be purchased from a terminal operated by a retailer. The player may select a set of five numbers and one additional number by:

(1) communicating the six numbers to the retailer;

(2) marking six numbered squares in any one or more game boards on a play slip and submitting the play slip to the retailer; or

(3) requesting a "computer pick" or "quick pick" from the retailer.

If available at the time, a player may choose the multidraw option by marking the appropriate box on the play slip or by communicating that desire to the retailer. If the multi-draw option is chosen, it shall apply to all boards played on that play slip. For each play upon which the multi-draw option is chosen, the player shall pay one additional dollar. The retailer shall then issue a ticket from the terminal containing the selected set or sets of numbers, each of which constitutes a game play, and if applicable, whether or not the multi-draw option has been chosen for all plays on that play slip.

(e) If available at the time, a player may choose the multiplier option by marking the appropriate box on the play slip or by communicating to the retailer the desire to play the multiplier option. If the multiplier option is chosen, it shall apply to all boards played on that play slip. For each play upon which the multiplier option is chosen, the player shall pay one additional dollar. The

retailer shall then issue a ticket from the terminal containing the selected set or sets of numbers, each of which constitutes a game play, and if applicable, whether or not the multiplier option has been chosen for all plays on that play slip.

(f) A validated ticket shall be the only proof of a game play or plays. The only method of claiming a prize or prizes shall be the submission of the winning ticket to and receipt of the ticket by the lottery or its authorized agent. A play slip shall have no pecuniary or prize value and shall not be used as evidence of a ticket purchase or of numbers selected.

(g) A ticket shall not be voided or cancelled by returning the ticket to the selling retailer, including tickets that are printed in error. No ticket which can be used to claim a prize shall be returned to the lottery for credit.

(h) Ticket sales will end at approximately 8:59 p.m. central time on Wednesdays and Saturdays and will resume at approximately 9:05 p.m. on those days, for the next draw period.

(i) Drawings will be conducted twice weekly, on Wednesdays and Saturdays at approximately 9:58 p.m. central time (CT), after the game is closed at approximately 8:59 p.m. central time (CT) and the external auditor has verified that the game is closed, under conditions and procedures promulgated by the executive director of the lottery.

(j) Each player shall be responsible for verifying the accuracy of the game play or plays and other data printed on the ticket. The placing of plays is done at the player's own risk through the on-line retailer who is deemed to be acting on behalf of the player in entering the play or plays.

(k) A grand prize winner shall receive a "withholding taxes paid prize." "Withholding taxes paid prize" means a prize where the lottery pays the prize winner a net prize amount, that consists of the lottery withholding and depositing on behalf of the prize winner the required federal and state withholding taxes (if any) on the "prize value" and the residual amount paid to the prize winner.

Federal and state withholding tax rates are subject to change and will be determined at the time the prize is awarded.

The "withholding taxes paid prize" amount reported to the federal and state revenue authorities by the lottery as subject to income taxation shall reflect the amount paid to the prize winner and also the amount remitted as withholding taxes to the federal and state authorities (if any) on behalf of the prize winner.

The lottery and MUSL are not responsible for additional income or other taxes applicable in excess of the amount withheld and remitted by the lottery that may be due when the prizewinner files all tax returns for the year the prize is claimed; prize winners should verify personal tax liability with a financial adviser.

(l) These amendments shall take effect May 12, 2013. (Authorized by and implementing K.S.A. 2012 Supp. 74-8710; effective, T-111-3-15-06, Feb. 15, 2006; amended T-111-3-14-08, Dec. 13, 2007; amended, T-111-5-31-13, March 13, 2013.)

111-5-129. Prize pool; reserve account. (a) The prize pool for all prize categories shall consist of 50% of

each drawing period's sales, including tax, after the prize reserve accounts are funded to the amounts set by the product group. Any amount remaining in the prize pool at the end of this game shall be carried forward to a replacement game or expended in a manner as directed by the product group in accordance with state and/or federal law.

(b) An amount equal to up to one percent of sales shall be deducted from the lottery's grand prize pool and placed in trust in one or more prize reserve accounts when the grand prize exceeds \$2,000,000, with an additional amount equal to two percent of lottery's sales placed in trust in one or more prize reserve accounts when the grand prize exceeds \$5,000,000 until such time as the lottery's share of the reserve account(s) reach(es) the amounts designated by the product group. When the prize reserve accounts exceed the designated amount, the excess shall become part of the grand prize pool. Any amount remaining in prize reserve accounts at the end of this game shall be carried forward to a replacement prize reserve account or expended in a manner as directed by the product group in accordance with state law. (Authorized by K.S.A. 2012 Supp. 74-8710; implementing K.S.A. 2012 Supp. 74-8710 and K.S.A. 74-8731; effective, T-111-3-15-06, Feb. 15, 2006; amended, T-111-5-31-13, March 13, 2013.)

111-5-130. Expected prize payout. (a) The grand prize payment amounts shall be determined on a parimutuel basis. Except as provided in these rules, all other prizes awarded shall be paid as set cash prizes with the following expected approximate prize payout percentages:

Number of Matches Per Play	Prize Payment	Prize Pool Percentage Allocated to Prize
All five (5) of first set plus		
one (1) of second set	Grand Prize	52.1188%
All five (5) of first set

(b) The prize money allocated to the gross grand prize value category shall be divided equally by the number of game boards winning the grand prize.

(c) The prize pool percentage allocated to the set prizes (the cash prizes of \$30,000 or less) shall be carried forward to subsequent draws if all or a portion of it is not needed to pay the set prizes awarded in the current draw. If the total of the set prizes awarded in a drawing exceeds the percentage of the prize pool allocated to the set prizes, then the amount needed to fund the set prizes awarded (continued) shall be drawn from the following sources, in the following order:

(1) the amount allocated to the set prizes and carried forward from previous draws, if any;

(2) an amount from the prize reserve account, if available, not to exceed the balance of the account; or

(3) an amount from the set-aside account, if available, not to exceed the balance of that account.

If, after these sources are depleted, there are not sufficient funds to pay the set prizes awarded, then the highest set prize shall become a pari-mutuel prize. If the amount of the highest set prize, when paid on a pari-mutuel basis, drops to or below the next highest set prize and there are still not sufficient funds to pay the remaining set prizes awarded, then the next highest set prize shall become a pari-mutuel prize. This procedure shall continue down through all set prize levels, if necessary, until all set prize levels become pari-mutuel prize levels. In that instance the money available from the funding sources listed in this rule shall be divided among the winning plays in proportion to their respective prize percentages. (Authorized by and implementing K.S.A. 2012 Supp. 74-8710; effective, T-111-3-15-06, Feb. 15, 2006; amended, T-111-5-31-13, March 13, 2013.)

(b) The grand prize amount is the gross grand prize value and does not include deductions for any applicable withholding taxes, the prize reserve account deduction, or any other deductions, if any. (Authorized by and implementing K.S.A. 2012 Supp. 74-8710; effective, T-111-3-15-06, Feb. 15, 2006; amended, T-111-5-31-13, March 13, 2013.)

111-5-132. Prize payments. (a) Grand prize winners shall be paid with a single cash payment. The gross grand prize value shall be a guaranteed amount and the grand prize winners share shall be determined pursuant to K.A.R. 111-5-130.

(b) For past Hot Lotto grand prize winners who have elected an annuity payment of their grand prize, in the event of the death of a lottery winner during the annuity payment period, the product group, in its sole discretion, upon the petition of the estate of the lottery winner to the Kansas lottery, may accelerate the payment of all of the remaining lottery proceeds to the estate. If the product group makes such a determination, then securities and/ or cash held to fund the deceased lottery winner's annuitized prize, may be distributed to the estate. The identification of the securities to fund the annuitized prize shall be at the sole discretion of the product group.

(c) All low tier cash prizes, which are all prizes except the grand prize, shall be paid in cash through the party lottery which sold the winning ticket(s). If the multiplier option is played, the prize won on that play, except for the grand prize, shall be multiplied by a factor of three. A party lottery may begin paying low-tier cash prizes after receiving authorization to pay from the MUSL central office.

(d) Prizes which, under these rules, may become singlepayment, pari-mutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Breakage resulting from rounding these prizes shall be carried forward to the prize pool for the next drawing.

(e) If the grand prize is not won in a drawing, the prize money allocated for the grand prize shall roll over and be added to the grand prize pool for the following drawing.

(f) The product group may offer guaranteed minimum grand prize amounts or minimum increases in the grand prize amount between drawings or make other changes in the allocation of prize money where the product group finds that it would be in the best interest of the game. Minimum guaranteed prizes or increases may be waived if the alternate funding mechanism set out in K.A.R. 111-5-130 becomes necessary.

(g) The holder of a winning ticket may win only one prize per board in connection with the winning numbers drawn, and shall be entitled only to the prize won by those numbers in the highest matching prize category.

(h) All prizes must be claimed within 365 days of the day of the drawing in which the prize was won.

(i) These amendments shall take effect May 12, 2013. (Authorized by and implementing K.S.A. 2012 Supp. 74-8710 and K.S.A. 74-8731; effective, T-111-3-15-06, Feb. 15, 2006; amended T-111-3-14-08, Dec. 13, 2007; amended, T-111-5-31-13, March 13, 2013.)

111-15-14. Game description; retail sale of tickets. (a) "Firecracker 50/50" is a raffle style drawing which offers a total of 450,000 online tickets available for sale. Each ticket shall bear a "TICKET NUMBER" on the face of the ticket. On a date specified in these rules, an electronic drawing machine, which has been approved by the executive director of the Kansas lottery, shall randomly select a total of one "WINNING NUMBER." A "WINNING NUMBER" consists of a six-digit number as it appears in exact order reading from left to right. A player wins by exactly matching his or her "TICKET NUMBER" to a "WINNING NUMBER" that was selected in the drawing. The "WINNING NUMBER" selected during the drawing process shall be the grand prize winner of 50 percent of net monies earned from total ticket sales. Ticket sales will be the sole determining factor in the amount of the grand prize. The higher the sales, the greater the grand prize will be. The prize shall be paid as a cash lump sum payment. To play the "Firecracker 50/50," a player shall purchase a "Firecracker 50/50" ticket which bears a ticket number on the face of the ticket.

(b) A "Firecracker 50/50" ticket shall sell for \$20 (twenty) dollars.

(c) Tickets shall not be sold to any person under the age of 18 years. Each retailer may require a person purchasing tickets to produce proof of age.

(d) Each ticket shall be purchased from a terminal operated by a retailer.

(e) All tickets sold by a retailer shall be a "computer pick" or "quick pick" ticket.

(f) A validated ticket shall be the only proof of a game play. The only method of claiming a prize or prizes shall be the submission of the original winning ticket to and receipt of said ticket by the lottery or its authorized agent.

(g) The only guaranteed methods of win checking a ticket to determine whether the ticket bears a winning number shall be through the Kansas lottery check-a-ticket machines, or submission of a ticket to the Kansas lottery or an authorized retail agent.

(h) A ticket shall not be voided or cancelled by returning the ticket to the selling retailer, including tickets that are printed in error.

(i) There shall be a total of 450,000 available tickets for sale.

(j) Ticket sales will begin at 5:00 a.m. central time on April 1, 2013.

(k) Ticket sales will end at 2:00 a.m. central time on July 2, 2013.

(l) The game will officially close at 4:30 a.m. on July 2, 2013.

(continued)

(m) The drawing shall be conducted on July 2, 2013, before noon central time, at a secure location as determined by the executive director, after the game is closed and the drawing official has verified that the game is closed, under conditions and procedures promulgated by the executive director of the lottery.

(n) Each player shall have the sole responsibility for verifying the accuracy and condition of the data printed on the ticket. The purchase of a ticket is done at the player's own risk through the online retailer who is deemed to be acting on behalf of the player in entering the play or plays.

(o) If, for any reason, a player's bet is not accepted, readable, discernible, or provable, the liability of the Kansas lottery or its agents shall be limited to a refund of the amount of the ticket purchase price.

(p) The winning ticket number shall be made available to the public on or about noon, July 2, 2013. (Authorized by and implementing K.S.A. 2012 Supp. 74-8710; effective, T-111-5-31-13, March 13, 2013.)

111-15-15. Prize pool. (a) The prize pool in the lottery prize payment fund for the grand prize category shall consist of fifty percent (50%) of total net sales for this drawing. Net sales shall be total sales, less any tickets excluded as being unavailable for sale or any additional operating costs.

(b) Any moneys remaining in the prize pool following this drawing, except unclaimed prizes, shall be placed in the general prize reserve pool for subsequent lottery games. (Authorized by and implementing K.S.A. 2012 Supp. 74-8710; effective, T-111-5-31-13, March 13, 2013.)

111-15-16. Probability of winning. Probability of winning a prize shall be one ticket in the number of valid tickets sold. (Authorized by and implementing K.S.A. 2012 Supp. 74-8710; effective, T-111-5-31-13, March 13, 2013.)

111-15-17. Prize payments. (a) The holder of the winning ticket may win only one prize per ticket and shall be entitled only to the prize won by the ticket number which matches the winning number in the drawing.

(b) The grand prize must be claimed within 365 days of the day of the drawing in which the prize was won. (Authorized by and implementing K.S.A. 2012 Supp. 74-8710; effective, T-111-5-31-13, March 13, 2013.)

111-15-18. Claiming prize; procedure and time period. (a) Prior to the payment of the prize, a ticket shall be validated by the retailer or lottery office pursuant to this act.

(b) The procedure for the payment of the "Firecracker 50/50" prize shall be as follows:

(1) The claimant may bring the signed ticket to any office of the Kansas lottery during the hours that the office is open to the public for business. Upon validation of the ticket and completion of a claim form, payment shall be processed for the claimant.

(2) The claimant may mail the ticket with a completed claim form to any office of the Kansas lottery. A claim form may be obtained from any lottery retailer or any office of the Kansas lottery. Upon receipt of the ticket and completed claim form and validation of the ticket, payment shall be processed for the claimant.

(c) Although the ticket and claim form may be presented or mailed to any Kansas lottery office, such prize may only be paid by lottery headquarters.

(d) The prize shall be claimed within 365 days of the drawing in which the prize was won. Any prize not claimed within the time specified shall be forfeited. If the prize is claimed by mail, the ticket and claim form must actually be received by the lottery within the claim period. (Authorized by K.S.A. 2012 Supp. 74-8710; implementing K.S.A. 2012 Supp. 74-8710 and K.S.A. 74-8720; effective, T-111-5-31-13, March 13, 2013.)

111-15-19. Ticket validation requirements. (a) To be a valid ticket and eligible to receive a prize, a Kansas lottery Firecracker 50/50 ticket shall satisfy all the requirements established by the Kansas lottery for validation of winning tickets sold through its online system.

(b) Ticket eligibility requirements include, but are not limited to:

(d) The Kansas lottery shall not be responsible for tickets which are altered in any manner.

(e) If a ticket is invalidated for any reason, the lottery's liability shall be limited to cost of a replacement ticket. (Authorized by and implementing K.S.A. 2012 Supp. 74-8710; effective, T-111-5-31-13, March 13, 2013.)

111-15-20. Ticket responsibility. (a) Until such time as a signature, mark or name is placed on the back of a ticket in the area designated for a signature, mark or name, a ticket shall be owned by the holder of the ticket. When a signature, mark or name is placed on a ticket in the place designated, the person whose signature, mark or name appears in that area shall be the owner of the ticket and shall be entitled to any prize attributable thereto.

(b) If the signature of more than one person appears on the back of the ticket in the designated place, the lottery shall make payment to the person presenting the ticket whose signature appears on both the ticket and the winner claim form.
