Notice to Contractors

Electronic copies of the letting proposals and plans are available on the KDOT website at <http://www.ksdot.org/burconsmain/contracts/proposal.asp>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid not later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject the bid. The secretary of the Kansas Department of Transportation reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2007 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

KDOT will only accept electronic Internet proposals online using the Bid Express website at <http://www.bidx.com> until 1 p.m. local time September 18, 2013. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 S.W. Harrison, Topeka, at 1:30 p.m. local time September 18. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

City of Lenexa, Kansas

Notice to Bidders

Separate, sealed bids for **College Boulevard & Lackman Road Improvements and College Boulevard & Strang Line Road Improvements** will be accepted by the city of Lenexa, Kansas, at the Community Development Department, Lenexa City Hall, 12350 W. 87th St. Parkway, Lenexa, 66215, until 1 p.m. (local time) August 27, 2013, at which time bids will be publicly opened and read aloud at the Lenexa City Hall. Any bid received after the designated closing time will not be considered and will be returned unopened.

This bid opening consists of two separate contract lettings, which shall be read individually but will be awarded to the lowest, qualified, combined bid. Bids submitted on only one project will not be considered.

Bidders desiring to bid on the two projects shall submit bid documents to the Community Development Department customer service staff (main level) in separate sealed envelopes addressed to the City of Lenexa, Kansas, Attention: City Clerk. One envelope shall contain the bid for the College Boulevard & Lackman Road Improvements Project and shall be marked "Bid for: College Boulevard & Lackman Road Improvements." The second envelope shall contain the bid for the College Boulevard & Strang Line Road Improvements Project and shall be marked "Bid for: College Boulevard & Strang Line Road Improvement Project."

Copies of plans, specifications, bidding documents and other contract documents are on file at Drexel Technologies, Inc., 10840 W. 86th St., Lenexa, 66214.

Bidders desiring contract documents for use in preparing bids may obtain a set of such documents at the address above.

Plans and specifications may be downloaded from the Drexel Technologies, Inc. website set forth below:

<http://planroom.drexeltech.com/>

Note: Davis Bacon wage rates apply to both projects.

Each bidder will be responsible for ensuring that it has received any and all addenda issued by the city for both projects in accordance with IB-10 of the instructions to bidders.

Contractors should read and be fully familiar with all contract documents including addenda before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to fully inform itself as to all existing conditions and limitations, and shall include in its bid a sum to cover the cost of all items of the work as specified in the contract documents.

No oral, telegraphic, telephonic proposals or alterations will be considered. Facsimile transmissions will not be accepted.

The following items must be included in the sealed envelope with each bid:

- a. Bid form;
- b. 5% bid security — bid bond, cashier's check or certified check (see below); and
- c. Acknowledgment of addenda issued by city.

d. Federal contract provisions I through IV:

Each bidder shall file with its separate bid for College Boulevard & Lackman Road Improvements and College Boulevard & Strang Line Road Improvements a bid bond, a cashier's check or a certified check drawn on an acceptable bank, made payable to the city of Lenexa, Kansas, in an amount equal to 5 percent of the total bid for each project, which shall be retained by the city of Lenexa until a contract for the project has been executed. Bid bonds will be returned to the bidders, with the exception of the best and lowest and second best and second lowest responsible bidders, within 21 days after their bids are rejected. The bid deposit of the lowest and the second lowest responsible bidders will be returned when the Performance Bond, Maintenance Bond and Statutory Bond (each in an amount equal to 100 percent of the contract amount), the required insurance certificates and other required documents shall have been furnished and the contract documents have been executed by the successful bidder.

In the event the low bidder is unable to execute the contracts for each project, for whatever reason, within the time provided in the Notice of Award, the city may annul the Notice of Award and the bid deposit may be forfeited, and the city shall exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security or specific performance.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of city clerk prior to the time and date for bid opening.

From and after the release of this notice, any party intending to bid on the above-referenced projects, including their officers, employees, agents or contractors, are specifically prohibited from communicating with any elected or appointed official of the city, directly or indirectly, with regard to the award of the contract for the projects listed above, except as specifically authorized by the instructions to bidders. Any such unauthorized communication may result in the automatic disqualification of such bidder.

All bidders agree that rejection shall create no liability on the part of the city because of such rejection, and the filing of any bid in response to this notice shall constitute an agreement of the bidder to these conditions.

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

This permit is being reissued for an existing facility with a maximum capacity of 100 head (100 animal units) of cattle more than 700 pounds and 80 head (40 animal units) of cattle 70 pounds or less, for a total of 180 head (140 animal units) of cattle. There is no change in the permitted animal units.

Name and Address of Applicant	Legal Description	Receiving Water
Kelly Hoeme HRC #3 P.O. Box 186 Scott City, KS 67871	SW/4 of Section 21 & NW/4 of Section 28, T18S, R33W, Scott County	Upper Arkansas River Basin
Kansas Permit No. A-UASC-C016		Permit No. KS0081183

This permit is being reissued for an existing facility for 12,500 head (12,500 animal units) of cattle weighing more than 700 pounds. There is no change in the permitted animal units from the previous permit. An approved Nutrient Management Plan for the facility is on file with KDHE.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before September 21 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-13-225/229) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the secretary of the Department of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

Department of Agriculture

Notice of Hearing on Proposed
Permanent Quarantine

Pursuant to the provisions of K.S.A. 2-2117, a hearing will be conducted at 10 a.m. Tuesday, September 24, in the training room, fourth floor, Kansas Department of Agriculture, 109 S.W. 9th, Topeka, in the matter of the issuance of a permanent quarantine regarding the emerald ash borer (*Agrilus planipennis* [Coleoptera: Buprestidae]). The proposed quarantine would affect Johnson County and Wyandotte County, Kansas. The quarantine would prohibit movement of regulated items from the quarantined area, except under specific conditions.

Regulated items under quarantine would include the following:

- The emerald ash borer (*Agrilus planipennis* [Coleoptera: Buprestidae]), in any living stage of development;
- Firewood of all hardwood (non-coniferous) species;
- Nursery stock of the genus *Fraxinus* (Ash);
- Green lumber of the genus *Fraxinus* (Ash);
- Other material living, dead, cut or fallen, including logs, stumps, roots, branches, and composted and uncomposted chips of the genus *Fraxinus* (Ash);
- Any other article, product or means of conveyance that an inspector determines presents a risk of spreading emerald ash borer and notifies the person in possession of the article, product or means of conveyance that it is subject to the restrictions of the regulations.

In addition, the quarantine would require anyone who discovers emerald ash borer in an area not currently under quarantine to report the discovery to the Kansas Department of Agriculture within 72 hours.

All interested persons may attend the hearing and will be given the opportunity to express comments either orally or in writing, or both. Interested parties may appear in person or by counsel. Written comments and requests for information concerning the proposed quarantine should be directed to Jeff Vogel, Plant Protection & Weed Control Program Manager, Kansas Department of Agriculture, Forbes Field, Bldg. 282, P.O. Box 19282, Topeka, 66619, jeff.vogel@kda.ks.gov, at or before the time of hearing. Comments also may be made through the department's website at <https://agriculture.ks.gov/document-services/public-comment>, under the proposed quarantine. For persons intending to present oral testimony at the hearing, prior notice to the department would be helpful in arranging the agenda. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed quarantine in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Leslie Garner at 785-296-4623 or fax 785-368-6668. Handicapped parking is located at the southwest corner

of 9th and Kansas Ave., and the north entrance to the building is accessible to individuals with disabilities.

Copies of the proposed quarantine may be obtained by accessing the department's website.

(1) Inclusion of the child in foster care in the daily life of the family, including eating meals with the family and participating in recreational activities;

(2) ensuring that each child in foster care is provided with the same opportunities that are provided to the other children residing in the home; and

(3) ensuring that each child in foster care is provided access to schools, church, recreational and health facilities, and other community resources.

(b) Daily routine. Each licensee shall provide a daily routine in accordance with the age and needs of each child in foster care that includes the following:

(1) Active and quiet play, both indoors and outdoors, weather permitting;

(2) rest and sleep; and

(3) nutritious meals and snacks.

(c) Essential and special items.

(1) Each licensee shall ensure that each child in foster care is provided with essential items to meet each child's needs, including the following:

(A) Food and shelter;

(B) nonprescription medical needs;

(C) clothing and shoes;

(D) toiletries and personal hygiene products; and

(E) birthday and holiday gifts.

(2) Each licensee shall notify the sponsoring child-placing agency and the child's child-placing agent when a licensee identifies a need for additional resources to provide a special item for a child in foster care. Special items may include the following:

(A) Clothing and fees for instructional or extracurricular activities;

(B) school pictures;

(C) athletic and band instrument fees; and

(D) cap and gown rental and prom clothing.

(d) Allowance. Each licensee shall provide an allowance to each child in foster care equal to that of any other children of similar age in the family foster home who receive an allowance.

(e) Work opportunity. Each child in foster care shall have the opportunity to earn spending money at tasks or jobs according to the child's age, ability, and case plan. The money shall be the child's, and the child shall not be forced to provide for needs that otherwise would be provided by the licensee.

(f) Routine tasks. Each licensee shall permit each child in foster care to perform only those routine tasks that are within the child's ability, are reasonable, and are similar to the routine tasks expected of other members of the household of similar age and ability.

(g) Informal visitation. Any licensee may identify extended family members 18 years of age and older as resources for informal visitation.

(1) For each extended family member identified as a resource, each licensee shall meet the following requirements:

(A) Describe the relationship of the individual to the licensee;

(B) submit a request for background checks as specified in K.A.R. 28-4-805;

(C) obtain a copy of the current driver's license for each individual who could provide transportation during visitation;

(D) provide to the sponsoring child-placing agency documentation that each individual has read and agrees to follow the confidentiality policy and the discipline policy of the sponsoring child-placing agency;

(E) ensure that each individual has emergency contact numbers and a crisis plan in case of emergency; and

(F) ensure that either an original or a copy of each medical consent form and each health assessment is provided for each child in foster care participating in informal visitation.

(2) Each licensee shall obtain the sponsoring child-placing agency's approval of the informal visitation plan before using informal visitation.

(3) Each licensee shall provide the sponsoring child-placing agency with the information specified in paragraphs (g)(1)(A) through (F) and shall keep a copy on file in the family foster home.

(4) Each licensee shall report the following to the sponsoring child-placing agency:

(A) The date on which each informal visitation occurs; and

(B) the identified extended family member's name and address.

(5) Each licensee shall ensure that both of the following conditions are met:

(A) Each identified extended family member 18 years of age and older is informed of the content of the regulations governing family foster homes.

(continued)

(B) Supervision that ensures the health, safety, and welfare of each child in foster care is provided by an individual 18 years of age and older.

(h) Sleepovers. Any licensee may permit a child in foster care to participate in sleepovers in unlicensed homes if all of the following conditions are met:

(1) The purpose of the stay is to allow the child to participate in a social event that is normal for the child's age and development.

(2) Participation in sleepovers is not precluded in the child's case plan.

(3) The licensee confirms the invitation with the parent of the child to be visited and determines that supervision will be provided by an individual 18 years of age and older to ensure the health, safety, and welfare of the child.

(i) High-risk sport or recreational activity. Any licensee may permit a child in foster care to engage in any high-risk sport or recreational activity if all of the following conditions are met:

(1) Written permission for the specific activity is obtained from the parent, legal guardian, or legal custodian of the child in foster care and from the child's child-placing agent.

(2) The licensee assesses the individual child-specific risk factors before giving permission. These factors shall include the age and maturity level of the child, behavior disorders, suicidal tendencies, developmental delays, thrill-seeking behavior, and difficulty with anger control.

(3) Protective safety gear is used, if required for the sport or activity.

(4) A safety plan is developed and followed. This plan shall include instruction on the activity and compliance with any manufacturer's specifications and general safety guidelines.

(5) Direct supervision by an individual 18 years of age and older is provided to ensure safe participation.

(j) The use of trampolines in home settings shall be prohibited for children in foster care. (Authorized by and implementing K.S.A. 2012 Supp. 65-508; effective March 28, 2008; amended Sept. 6, 2013.)

28-4-816. Transportation. Each licensee shall ensure that all of the following requirements are met: (a) If a vehicle used for transportation of a child in foster care is owned or leased by a foster family member or is driven by a child in foster care, the following requirements shall be met:

(1) Trailers pulled by another vehicle, camper shells, and truck beds shall not be used for the transportation of children in foster care.

(2) The transporting vehicle shall be maintained in a safe operating condition.

(3) The transporting vehicle shall be covered by accident and liability insurance as required by the state of Kansas.

(4) A first-aid kit shall be in the transporting vehicle and shall include disposable nonporous gloves, a cleansing agent, scissors, bandages of assorted sizes, adhesive tape, a roll of gauze, one package of gauze squares at least four inches by four inches in size, and one elastic bandage.

(b) Each driver of any vehicle that is used to transport any child in foster care shall hold a valid driver's license appropriate for the type of vehicle being used.

(c) The use of seat belts and child safety seats shall include the following:

(1) Each individual shall be secured by the use of a seat belt or a child safety seat when the vehicle is in motion.

(2) No more than one individual shall be secured in any seat belt or child safety seat.

(3) Each seat belt shall be properly anchored to the vehicle.

(4) When a child safety seat, including booster seat, is required, the seat shall meet the following requirements:

(A) Have current federal approval;

(B) be installed according to the manufacturer's instructions and vehicle owner's manual;

(C) be appropriate to the height, weight, and physical condition of the child, according to the manufacturer's instructions and Kansas statutes and regulations;

(D) be maintained in a safe operating condition at all times;

(E) have a label with the date of manufacture and model number, for use in case of a product recall; and

(F) have no missing parts or cracks in the frame and have not been in a crash.

(d) The health and safety of the children riding in the vehicle shall be protected as follows:

(1) All passenger doors shall be locked while the vehicle is in motion.

(2) Order shall be maintained at all times. The driver shall be responsible for ensuring that the vehicle is not in motion if the behavior of the occupants prevents safe operation of the vehicle.

(3) All parts of each child's body shall remain inside the vehicle at all times.

(4) Children shall neither enter nor exit from the vehicle from or into a lane of traffic.

(5) Children less than 10 years of age shall not be left in a vehicle unattended by an adult. When the vehicle is vacated, the driver shall make certain that no child is left in the vehicle.

(6) Smoking in the vehicle shall be prohibited when a child in foster care is in placement in a family foster home, whether or not the child in foster care is physically present in the vehicle.

(7) Medical and surgical consent forms and health assessment records shall be in the vehicle when a child in foster care is transported 60 miles or more from the family foster home.

(e) Before a child in foster care is allowed to drive, all of the following requirements shall be met:

(1) The licensee, child-placing agent, or sponsoring child-placing agency shall obtain permission from the parent or legal guardian.

(2) The privilege of driving shall be included in the child's case plan.

(3) The child shall possess a valid driver's license and shall meet the requirements of the Kansas motor vehicle drivers' license act, K.S.A. 8-234a et seq. and amendments thereto.

(f) Any resident of the home who is at least 16 years of age but not yet 18 years of age may transport a child in foster care who attends middle school or junior high school to and from school without an accompanying adult if all of the following conditions are met:

(1) All of the requirements of subsections (a) through (e) are met.

(2) The driver has a valid driver's license and meets the requirements of the Kansas motor vehicle drivers' license act, K.S.A. 8-234a et seq. and amendments thereto.

(3) The parent or legal guardian of the child in foster care and the child's child-placing agent give their written approval.

(g) Any child in foster care who attends high school may be transported to and from school, work, or social activities without an accompanying adult by a driver who is at least 16 years of age but not yet 18 years of age if both of the following conditions are met:

(1) The driver has a valid driver's license and meets the requirements of the Kansas motor vehicle drivers' license act, K.S.A. 8-234a et seq. and amendments thereto.

(2) The parent or legal guardian of the child in foster care and the child's child-placing agent give their written approval.

(h) Any child in foster care who is a parent and who meets the requirements of subsections (a) through (e) may transport any child of that parent. (Authorized by and implementing K.S.A. 2012 Supp. 65-508; effective March 28, 2008; amended Sept. 6, 2013.)

28-4-820. General environmental requirements.

Each licensee shall ensure that all of the requirements in this regulation are met. (a) Local requirements. Each family foster home shall meet the legal requirements of the community as to zoning, fire protection, water supply, and sewage disposal.

(b) Sewage disposal. If a private sewage disposal system is used, the system shall meet the requirements specified in K.A.R. 28-4-55.

(c) Use of private water supply. If a private water system is used, the system shall meet the requirements specified in K.A.R. 28-4-50. The water supply shall be safe for human consumption. Testing of the water supply shall be completed at the time of initial licensing and annually thereafter to document the nitrate and bacteria levels. Additional testing may be required if there is a change in environmental conditions that could affect the integrity of the water supply. If children less than 12 months of age receive care in a family foster home that uses private well water, then commercially bottled drinking water shall be used for these children until a laboratory test confirms that the nitrate content is not more than 10 milligrams per liter (10 mg/l) as nitrogen.

(d) Family foster home structural and furnishing requirements. The family foster home shall be constructed, arranged, and maintained to provide for the health, safety, and welfare of all occupants and shall meet the following requirements:

(1) The home shall contain sufficient furnishings and equipment to accommodate both the foster family and each child in foster care.

(2) The floors shall be covered, painted, or sealed in all living areas of the home, kept clean, and maintained in good repair.

(3) The interior finish of all ceilings, stairs, and hallways shall meet generally accepted standards of building, including safety requirements.

(4) Each closet door shall be designed to be opened from the inside and shall be readily opened by a child.

(5) Each stairway with two or more stairs and a landing shall have a handrail and be guarded on each side if there is a drop-off of more than 21 inches from the stairs or landing to the floor or ground.

(6) If any stairway is guarded by balusters and the family foster home is or is intended to be licensed for children in foster care less than six years of age, the space between balusters shall not exceed four inches, except as specified in this paragraph. If the space between balusters exceeds four inches, the licensee shall make provisions necessary to prevent a child's head from becoming entrapped in the balusters or a child's body from falling through the balusters or becoming entrapped in them.

(7) When a child in foster care less than three years of age is present, each stairway with two or more stairs and a landing shall be gated to prevent unsupervised access by the child. Each gate shall have a latching device that an adult can open readily in an emergency. Accordion gates shall be prohibited throughout the premises, and pressure gates shall be prohibited for use at the top of any stairway.

(8) If the family foster home is or is intended to be licensed for children in foster care less than six years of age, each electrical outlet shall be covered.

(9) At least one bathroom in the family foster home shall have at least one sink, one flush toilet, and one tub or shower. All fixtures shall be working at all times.

(10) Each bathroom shall have a solid door that affords privacy to the occupant and that can be opened from each side without the use of a key in case of an emergency.

(11) A working telephone shall be on the premises and available for use at all times. Emergency telephone numbers shall be readily accessible or be posted next to the telephone for the police, fire department, ambulance, hospital or hospitals, and poison control center. The name, address, and telephone number of the primary care physician used for each child in foster care shall be posted next to the telephone or readily accessible in case of an emergency.

(12) A working smoke detector shall be centrally installed on each level of the home and in each room used for sleeping by a child in foster care and by the licensee.

(13) One working carbon monoxide detector shall be installed according to the manufacturer's instructions in an area adjacent to each room used for sleeping by a child in foster care and by the licensee.

(e) Cleanliness. The interior of the family foster home shall be free from accumulation of visible dirt, any evidence of vermin infestation, and any objects or materials that could cause injury to children in foster care.

(f) Lighting and ventilation.

(1) All rooms used for living space shall be lighted, vented, heated, and plumbed pursuant to K.S.A. 65-508, and amendments thereto.

(2) Each window and door used for ventilation shall be screened to minimize the entry of insects.

(3) The family foster home shall have lighting of at least 10 foot-candles in all parts of each room, within each living area of the home. There shall be lighting of at least 30

(continued)

foot-candles in each area used for reading, study, or other close work.

(g) Firearms and other weapons.

(1) No child in the home shall have unsupervised access to any of the following:

(A) Firearms, ammunition, and other weapons;

(B) air-powered guns, including BB guns, pellet guns, and paint ball guns;

(C) hunting and fishing knives; and

(D) any archery and martial arts equipment.

(2) All firearms, including air-powered guns, BB guns, pellet guns, and paint ball guns, shall be stored unloaded in a locked container, closet, or cabinet. If the locked container, closet, or cabinet is constructed in whole or in part of glass or plexiglass, each firearm shall be additionally secured with a hammer lock, barrel lock, or trigger guard.

(3) Ammunition shall be kept in a separate locked storage container or locked compartment designed for that purpose.

(4) All archery equipment, hunting and fishing knives, and other weapons shall be kept in a locked storage compartment.

(5) Each key to a locked storage container, closet, or compartment of guns, ammunition, and other weapons, and to gun locks shall be in the control of a licensee at all times.

(h) Storage of household chemicals, personal care products, tools, and sharp instruments. The following requirements shall apply when a child in foster care is in placement in the family foster home:

(1) All household cleaning supplies and all personal care products that have warning labels advising the consumer to keep those supplies and products out of reach of children or that contain alcohol shall be kept in locked storage or stored out of reach of children less than six years of age.

(2) All chemicals and household supplies with warning labels advising the consumer to keep those chemicals and supplies out of reach of children shall be kept in locked storage or stored out of reach of children less than 10 years of age.

(3) Sharp instruments shall be stored in drawers equipped with childproof devices to prevent access by children or stored out of reach of children less than six years of age.

(4) Tobacco, tobacco products, cigarette lighters, and matches shall be inaccessible to individuals less than 18 years of age.

(5) Tools shall be inaccessible to each child in foster care when the tools are not in use and shall be used by a child in foster care only with supervision by an individual 18 years of age and older.

(i) Heating appliances.

(1) Each heating appliance using combustible fuel, including a wood-burning stove or a fireplace, shall be vented to the outside.

(2) Each fireplace and each freestanding heating appliance using combustible fuel, including a wood-burning stove, shall stand on a noncombustible material according to the manufacturer's specifications, Kansas statutes and regulations, and local ordinances.

(3) Each heating appliance designed by the manufacturer to be unvented shall be used according to the manufacturer's specifications, Kansas statutes and regulations, and local ordinances.

(4) If a child in foster care less than three years of age is in placement in the family foster home, a protective barrier shall be provided for each fireplace and each freestanding heating appliance as necessary to protect from burns.

(5) If a propane heater is used, the heater shall be installed in accordance with the manufacturer's recommendations, Kansas statutes and regulations, and local ordinances.

(6) Each flue or chimney of any heating appliance that uses combustible fuel shall be checked annually and cleaned as recommended by a qualified chimney sweep.

(j) Clothes dryers. Each clothes dryer shall be vented to the outside or to a venting device installed and used according to the manufacturer's specifications, Kansas statutes and regulations, and local ordinances.

(k) Play space. Each family foster home shall have a space for indoor play and access to an outdoor play space.

(l) Mobile home requirements. In addition to requirements specified in this regulation, if the family foster home is a mobile home, both of the following requirements shall be met:

(1) The mobile home shall have two exits that are located at least 20 feet apart, with one exit within 35 feet of each bedroom door.

(2) Each mobile home shall be skirted with latticed or solid skirting and securely anchored by cable to the ground.

(m) Special inspections. A special inspection of the family foster home by a fire, health, sanitation, or safety official may be required by the secretary or the sponsoring child-placing agency to assist in making a decision about the safety of the home for a child in foster care. (Authorized by and implementing K.S.A. 2012 Supp. 65-508; effective March 28, 2008; amended Sept. 6, 2013.)

28-4-821. Sleeping arrangements. (a) Each licensee shall ensure that sufficient space for sleeping is provided to accommodate the number of foster family members and each child in foster care. Sleeping space shall not include any of the following places:

(1) An unfinished attic;

(2) an unfinished basement;

(3) a hall;

(4) a closet;

(5) a laundry room;

(6) a garage;

(7) any living space that is normally used for other than sleeping arrangements; or

(8) any room that provides routine passage to a common use room, to another bedroom, or to the outdoors.

(b) Each licensee shall ensure that each bedroom used for sleeping by a child in foster care meets the following requirements:

(1) Each bedroom shall have at least 70 square feet.

(2) Each bedroom shall have at least 45 square feet for each individual sharing the room.

(3) The exit path from each bed to each outside exit shall have a minimum ceiling height of six feet eight inches.

(4) Each bedroom shall have a solid door to ensure privacy.

(5) Each bedroom shall have at least two means of escape. Each means of escape shall be easily opened from the inside.

(A) At least one means of escape shall be an unobstructed pathway leading to an exit door to the outside.

(B) The second means of escape shall give direct access to the outside and shall be an unobstructed door or window that is able to be opened from the inside without the use of tools.

(C) For each window used as a means of escape, all of the following requirements shall be met:

(i) The window shall have a width of at least 20 inches and a height of at least 24 inches.

(ii) The window shall be within 44 inches of the floor or shall have permanent steps or another immovable fixture that brings the window to within 44 inches of the top of the steps or fixture.

(iii) If the window is screened, the screen shall be easily removed from the inside.

(iv) The licensee shall ensure that each occupant of the bedroom can easily exit through the window.

(D) If one means of escape is a sliding glass door, the door shall be easily opened from the inside.

(6) All false ceilings, curtains, drapes, or fabric used in decoration for ceilings or walls in each room used for sleeping shall be made of fire-rated materials.

(c) Privacy for the occupants of all bedrooms shall be ensured.

(d) Each child in foster care shall have a separate bed or crib that meets the following requirements:

(1) Is intact, fully functional, and in good repair to prevent injury or entrapment of the child;

(2) is of sufficient size to accommodate the size and weight of the child;

(3) has a mattress that is clean and has a waterproof covering, if needed; and

(4) has bedding adequate to the season and appropriate to the age of the child.

(e) Each bed that requires bed springs shall have springs in good condition.

(f) If a bunk bed is used by any child in foster care, the following requirements shall be met:

(1) The upper bunk shall be protected on all sides with rails. Headboards and footboards may substitute for rails on the ends of the bed.

(2) Each child in foster care using the upper bunk shall be at least six years of age.

(g) No rollaway bed, hideaway bed, or other temporary bed shall be used, except when children in foster care are visiting in the family foster home for a social event or for short-term respite care.

(h) Each child in foster care less than 12 months of age shall sleep in a crib. For the purposes of a nap, the child may sleep in a playpen. Each crib and each playpen shall meet the following requirements:

(1) If a crib or playpen is slatted, the slats shall be spaced no more than $2\frac{3}{8}$ inches apart.

(2) Each crib shall have a firm mattress fitted so that no more than two fingers can fit between the mattress and the crib side when the mattress is set in the lowest position.

(3) The crib corner post extensions shall not exceed $1\frac{1}{16}$ inch.

(4) When the crib is in use, the drop side of the crib shall be secured in the up position.

(5) No pillow, quilt, comforter, blanket, bumpers, or other soft product that could cause suffocation shall be used in the crib or the playpen when a child who is less than 12 months of age is sleeping in the crib or playpen.

(i) Each child in foster care who is less than 12 months of age shall be put to sleep on the child's back unless ordered otherwise by the child's physician. If the child in foster care is able to turn over independently, that child shall be placed on the child's back but then shall be allowed to remain in a position preferred by the child.

(j) Each child in foster care 12 months and older may sleep in a crib until that child is 18 months of age or until the child is of such height that the upper rail of the crib is at the child's breast level when the child is standing and the crib mattress is at the lowest level.

(k) Each child in foster care 18 months but not yet 30 months of age may sleep in a crib when prescribed by that child's physician.

(l) At night each caregiver shall sleep within hearing distance of the child in foster care.

(m) When any child in foster care five years of age or older shares a room, the following requirements shall be met:

(1) The child shall share the room only with children of the same sex.

(2) The children sharing the room shall be age-mates, unless the following requirements have been met:

(A) The licensee shall notify the family foster home's sponsoring child-placing agency of the proposed sleeping arrangement.

(B) The licensee shall request that the sponsoring child-placing agency and the child's placing agent determine if the proposed sleeping arrangement is appropriate.

(C) The licensee shall maintain documentation of the approval of the sponsoring child-placing agency for the sleeping arrangement.

(3) A child who is known to be a sexual perpetrator or a sexual abuse victim shall not share a room until the following conditions are met:

(A) The potential roommate arrangements are assessed by the child's placing agent, the home's sponsoring child-placing agency, and the licensee; and

(B) based on the assessment, a determination is made by the child's placing agency that it is unlikely that further sexual abuse will result from the child sharing a room.

(n) If any child in foster care under five years of age shares a room with any other child, all of the children sharing the room shall be age-mates or shall be under five years of age. The children sharing the room may be of the opposite sex if all of the children are under five years of age.

(continued)

(o) A child in foster care who is a parent may share a room with the parent's own child or children. The room shall meet the requirements in paragraph (b)(2).

(p) A child in foster care may sleep in the bedroom of the licensee under any of the following circumstances:

- (1) The child in foster care is less than 12 months of age.
- (2) The child in foster care is ill.

(3) The child in foster care has special developmental or medical needs requiring close supervision as documented by a physician.

(q) If a child in foster care sleeps in the licensee's bedroom, the bedroom shall have at least 130 square feet.

(r) Each licensee shall ensure that separate and accessible drawer space for personal belongings and closet space for clothing are available for each child in foster care. (Authorized by and implementing K.S.A. 2012 Supp. 65-508; effective March 28, 2008; amended Sept. 6, 2013.)
