Notice of Requested “On-Call” Engineering Services

Notice is hereby given of the commencement of the selection process for “on-call” mechanical-electrical-plumbing engineers for Kansas State University. Two firms will be selected. Contracts will be for three years.

For more information contact Ryan Swanson at 785-532-1373 or rswanson@k-state.edu. Firms interested in providing these services should be familiar with the requirements that can be found in Part B — Chapter 4 of the Building Design and Construction Manual at the website below.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation and an abbreviated project name in the title of the PDF document. Proposals should be less than 5MB and follow the current State Building Advisory Commission guidelines, which can be found in Part B — Chapter 2 of the Building Design and Construction Manual at www.da.ks.gov/fp/manual.htm. Proposals should be sent on a CD, DVD or flash drive along with a transmittal to Barbara Schilling,

Office of Facilities and Procurement Management, Suite 700, 800 S.W. Jackson, Topeka, 66612-1216. Proposals sent via email will no longer be accepted and paper copies of the proposals are no longer required. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions call 785-291-3695. The PDF proposal submittals shall be delivered to the attention of Barbara Schilling before 2 p.m. December 2, 2013.

**Notice of Requested “On-Call”
Commissioning Services**

Notice is hereby given of the selection process for “on-call” professional commissioning agents for Kansas State University. These agents will serve as third party commissioning (and measurement and verification) agents on university capital projects. They would also be used to conduct retro-commissioning on existing university buildings. Two firms will be selected. Contracts will be for three years.

For more information contact Ryan Swanson at 785-532-1373 or rswanson@k-state.edu. Firms interested in providing these services should be familiar with the requirements that can be found in Part B — Chapter 4 of the Building Design and Construction Manual at the website below.

City of Wichita, Kansas

Notice to Bidders

The city of Wichita will receive bids at the Purchasing Office, 455 N. Main, 12th Floor, Wichita, 67202, until 10 a.m. Friday, December 6, 2013, for the following project:

**KDOT Project No. 87N-0567-01/
472-84692/208457
(OCA Code 706992)
Paving**

37th, Broadway to Hydraulic

Requests for the bid documents and plans should be directed to QuikPrint at 316-942-2208 or to Jody Doyle at 316-268-4503. Other questions should be directed to the respective design engineer, 316-268-4501.

All bids received will thereafter be publicly opened, read aloud, and considered by the Board of Bids and Contracts. All work is to be done under the direction and supervision of the city manager and according to plans and specifications on file in the office of the city engineer. Bidders are required to enclose a bid bond in the amount of 5 percent with each bid as a guarantee of good faith. The Wichita City Council reserves the right to reject any and all bids.

The successful bidder may contact Kim Pelton at 316-268-4499 for extra sets of plans and specifications.

Administrative Aide II
City of Wichita-Engineering

Doc. No. 042073

(Published in the Kansas Register November 14, 2013.)

City of Coffeyville, Kansas

Request for Qualifications for Professional Engineering Services

The city of Coffeyville, Kansas, requests qualifications for professional engineering services from qualified firms for the design and specifications of airport capital improvement projects for the Coffeyville Municipal Airport for the years 2014-2019. The projects will be financed with FAA and city of Coffeyville capital improvement funds. The ACIP proposed project sheets have been included with this request for information. Along with the design and specifications for these projects the Airport Layout Plan (ALP) will need to be revised in its entirety. These drawings should be submitted in AutoCAD form as well as hard copy.

The proposed services should include design of the project bidding documents including plans and specifications, final construction cost estimate assistance with any required regulatory permits and approvals, bidding services and construction engineering services, including on-site inspection as required or requested by the owner.

Information provided to the city should include the following:

(a) The specialized experience and technical competence of the firm with respect to similar projects.

(b) The capacity and capability of the firm to perform the work in question, including specialized services.

(c) The past record of performance of the firm with respect to such factors as control of costs, quality of work and ability to meet schedules.

(d) The firm's proximity to and familiarity with the area in which the project is located.

(e) References from previous clients of related work within the past five years.

(f) Proposed schedule of activities.

The requested information should be submitted not later than January 3, 2014, to:

City of Coffeyville
Attn: Scott Massman, Superintendent of Engineering
P.O. Box 1629
Coffeyville, KS 67337

Additional information is available by contacting Scott Massman at 620-252-6127 or Chuck Shively at 620-252-6007.

The city of Coffeyville is an equal opportunity employer and invites the submission of qualifications from minority and women-owned firms.

Cindy Price
City Clerk

(Published in the Kansas Register November 14, 2013.)

City of Lenexa, Kansas

Notice to Bidders

Sealed bids for **95th Street & Quivira Road Intersection Improvements** will be accepted by the city of Lenexa, Kansas, at the Community Development Department, Lenexa City Hall, 12350 W. 87th St. Parkway, Lenexa, 66215, until 1 p.m. (local time) December 18, 2013, at which time bids will be publicly opened and read aloud at the Lenexa City Hall. Any bid received after the designated closing time will not be considered and will be returned unopened.

All bids shall be submitted to the Community Development Department customer service staff (main level) in sealed envelopes addressed to the City of Lenexa, Kansas, Attention: City Clerk, and marked "Bid for: 95th & Quivira Intersection Improvements."

Copies of plans, specifications, bidding documents and other contract documents are on file at Drexel Technologies, Inc., 10840 W. 86th St., Lenexa, 66214.

Bidders desiring contract documents for use in preparing bids may obtain a set of such documents at the address above.

Plans and specifications may be downloaded from the Drexel Technologies, Inc. website at <http://planroom.drexeltech.com/>.

Note: Davis Bacon wage rates apply to this project.

Each bidder will be responsible for ensuring that it has received any and all addenda issued by the city in accordance with IB-10 of the Instructions to Bidders.

Contractors should read and be fully familiar with all contract documents including addenda before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to fully inform itself as to all existing conditions and limitations, and shall include in its bid a sum to cover the cost of all items of the work as specified in the contract documents.

No oral telegraphic, telephonic proposals or alterations will be considered. Facsimile transmissions will not be accepted.

The following items must be included in the sealed envelope with the bid:

- a. Bid form;
- b. 5% Bid security – bid bond, cashier's check or certified check (see below); and
- c. Acknowledgment of addenda issued by the city.

Each bidder shall file with its bid a bid bond, a cashier's check or a certified check drawn on an acceptable bank, made payable to city of Lenexa, Kansas, in an amount equal to 5 percent of the total bid, which shall be retained by the city of Lenexa until a contract for the project has been executed. Bid bonds will be returned to the bidders, with the exception of the best and lowest and second best and second lowest responsible bidders, within 21 days after their bids are rejected. The bid deposit of the lowest and the second lowest responsible bidders will be returned when the Performance Bond, Maintenance Bond and Statutory Bond, each in an amount equal to 100 percent of the contract amount, required insurance certifi-

cates and other required documents shall have been furnished and the contract documents have been executed by the successful bidder.

In the event the low bidder is unable to execute the contract, for whatever reason, within the time provided in the Notice of Award, the city may annul the Notice of Award and the bid deposit may be forfeited, and the city shall exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security or specific performance.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of the city clerk prior to the time and date for bid opening.

From and after the release of this notice, any party intending to bid on the above-referenced project, including their officers, employees, agents or contractors, are specifically prohibited from communicating with any elected or appointed official of the city, directly or indirectly, with regard to the award of the contract for the project listed above, except as specifically authorized by the Instructions to Bidders. Any such unauthorized communication may result in the automatic disqualification of such bidder.

All bidders agree that rejection shall create no liability on the part of the city because of such rejection, and the filing of any bid in response to this notice shall constitute an agreement of the bidder to these conditions.

A pre-bid conference will be held at 1 p.m. December 11 in the Community Development Conference Room, upper level, Lenexa City Hall.

David F. Bryant III
City Clerk

Notice of Hearing

A public hearing will be conducted at 2 p.m. Wednesday, December 18, in the Azure Conference Room of the Curtis State office Building, 1000 S.W. Jackson, fourth floor, Topeka, to discuss an amendment to the Kansas Public Water Supply Loan Fund (KPWSLF) 2013 Intended Use Plan (IUP). The Amended Intended Use Plan will make additions to the Project Priority List and include estimates of the anticipated 2014 Capitalization Grant from the EPA. Copies of the IUP can be obtained online at <http://www.kdheks.gov/pws/loan/loanfund.htm>.

Any individual with a disability may request accommodation to participate in the public hearing. Requests for accommodation should be made at least five working days before the hearing by contacting Linda White at 785-296-5514.

Comments can be presented at the hearing or in writing prior to the hearing. Written comments should be addressed to Linda White, KDHE, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612.

Secretary of Health and Environment

Doc. No. 042065

State of Kansas

Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-AG-13-312/317
Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Andrew Goeckel Rolling Hills Pork, LLC 2530 Quivira Road Washington, KS 66968	SW/4 of Section 25, T01S, R03E, Washington County	Big Blue River Basin

Kansas Permit No. A-BBWS-H008 Federal Permit No. KS0096784

This is a permit modification and reissuance for an existing facility with the maximum capacity for 3,005 head (1,202 animal units) of swine weighing greater than 55 pounds and 4,050 head (405 animal units) of swine weighing 55 pounds or less, for a total of 1,607 animal units of swine. The facility consists of two enclosed swine buildings, a mortality composting building, a stockpile area and an earthen wastewater retention structure. The facility is proposing to construct a diversion terrace and underground waste transfer pipe to control surface runoff from the mortality composting area and adjacent stockpile area. This facility has an approved Nutrient Management Plan on file with KDHE.

Ken Burch Irsik and Doll Feed Services Beef Land Feed Yard 12500 S. Beefland Road Garden City, KS 67846	SW/4 of Section 21 & NW/4 of Section 28, T26S, R31W, Finney County	Upper Arkansas River Basin

Kansas Permit No. A-UAFI-C017 Federal Permit No. KS0083984

This permit is being reissued for an existing facility for 30,000 head (30,000 animal units) of cattle weighing more than 700 pounds. There is no change in the permitted animal units from the previous permit. An approved Nutrient Management Plan for the facility is on file with KDHE.

Public Notice No. KS-Q-13-135/136

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria:

Name and Address of Applicant	Receiving Stream	Type of Discharge
Atchison, City of 515 Kansas Ave. Atchison, KS 66002	Missouri River	Treated Domestic Wastewater

Kansas Permit No. M-MO01-IO01 Federal Permit No. KS0039128
Legal Description: NW¼, NE¼, S18, T6S, R21E, Atchison County, KS

The proposed action is to reissue an existing permit for the operation of an existing wastewater treatment facility. The proposed permit contains limits for biochemical oxygen demand and total suspended solids, ammonia, E. coli, whole effluent toxicity and pH, as well as monitoring for total phosphorus, nitrate + nitrite, total Kjeldahl nitrogen, total nitrogen, dissolved oxygen, heavy metals, priority pollutants, rainfall, stream flow and effluent flow. The draft permit includes the existing eight CSO discharge points and contains a

schedule of compliance to review, update if necessary, and continue to implement the approved nine minimum controls, and to install permanent flow meters in CSO outfall lines not scheduled for closure by December 31, 2018. Compliance with the Long Term Control plan remains enforceable under Consent Agreement 09-E-0124BOW.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Tyson Fresh Meats, Inc. 800 Stevens Port Drive Dakota Dunes, SD 57049	Cottonwood River via Unnamed Tributary	Process Wastewater

Kansas Permit No. I-NE24-PO02 Federal Permit No. KS0000817

Legal Description: NE¼, S17, T19S, R11E, Lyon County, KS

Facility Name: Tyson Fresh Meats

Facility Location: 2101 W. 6th St., Emporia, KS 66801

The proposed action is to reissue an existing permit for the operation of an existing wastewater treatment facility. This facility is a beef processing plant that can be operated as a complex slaughterhouse with associated rendering and hide curing activities or for only processing cut beef brought in from other locations. Live cattle slaughter is currently not conducted at this facility. During operation when only processing cut beef, process wastewater from the cut floor, sanitary wastewater, boiler wastewater and stormwater runoff is treated in an anaerobic lagoon and an eight-cell facultative wastewater lagoon system prior to discharge through Outfall 002X2. However, the lagoon system seldom discharges. The facility retains facilities, treatment capability, and discharge capabilities to allow the potential to resume original associated rendering and hide curing activities on-site. High flow rates during storm events are diverted from the anaerobic basins into the eight-cell lagoon system for treatment, storage and discharge via Outfall 002X2. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, oil and grease, ammonia, fecal coliform, total nitrogen, total residual chlorine, total phosphorus, whole effluent toxicity and pH, as well as monitoring for nitrate + nitrite, total Kjeldahl nitrogen, chlorides, sulfates and flow. No routine land application of sludge and other facility-generated biosolids is anticipated for current operations. Land application of process wastewater or solids may occur if the facility resumes slaughterhouse operations or if lagoon cleaning, maintenance or closure occurs. There are 17 groundwater monitoring wells in the vicinity of the eight-cell lagoon system. The groundwater monitoring wells are permitted separately under KWPC Permit No. I-NE24-NO09.

Public Notice No. KS-NQ-13-032/033

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g):

Name and Address of Applicant	Legal Location	Type of Discharge
Acorn Resort 3710 Farnum Creek Road Milford, KS 66514	NE¼, NE¼, SW¼, S29, T10S, R5E, Geary County, KS	Nonoverflowing

Kansas Permit No. M-LR17-NO05 Federal Tracking No. KSJ000676

This action consists of issuing a new Kansas Water Pollution Control Permit for a new nonoverflowing treatment facility. Contained in the permit is a schedule of compliance requiring the permittee to obtain the services of a KDHE-certified operator within one year of completion of this facility.

Name and Address of Applicant	Legal Location	Type of Discharge
Tyson Fresh Meats, Inc. 800 Stevens Port Drive Dakota Dunes, SD 57049	NE¼, S17, T19S, R11E, Lyon County, KS	Nonoverflowing

Kansas Permit No. I-NE24-PO02 Federal Permit No. KS0000817

Facility Name: Tyson Fresh Meats-Groundwater Monitoring Wells

Facility Location: 2101 W. 6th St., Emporia, KS 66801

This action consists of issuing a new Kansas Water Pollution Control Permit for existing groundwater monitoring wells located at the Tyson Fresh Meats Complex. This permit requires monitoring for chlo-

rides, nitrate + nitrite and ammonia of the wells. The wastewater treatment system for the Tyson facility is permitted under Kansas Permit I-NE24-NO09.

Public Notice No. KS-PT-13-011/013

The requirements of the draft permits public noticed below are pursuant to Kansas Administrative Regulations 26-16-82 through 28-16-98, and U.S. Environmental Protection Agency Pretreatment Regulation 40 CFR 403:

Name and Address of Applicant	Receiving Facility	Type of Discharge
Bradken P.O. Box 188 Atchison, KS 66002	Atchison WWTP	Process Wastewater
Kansas Permit No. P-MO01-IO01 Federal Tracking No. KSP000060		
Facility Name: Bradken – Atchison/St. Joseph Inc.		
Facility Location: 400 S. 4th, Atchison, KS 66002		

The proposed action consists of reissuing the existing permit. This facility is a heavy steel foundry, which casts parts for diesel locomotives and other large industrial equipment. A portion of the ferrous castings are quenched with water using three quench tanks and this water is discharged to the city sanitary sewer. Permit limitations are based on an average production range of 300,000 - 500,000 lbs. of steel poured per day. The proposed permit contains limits for total toxic organics, copper, lead, oil and grease, zinc and pH, as well as monitoring of flow.

Name and Address of Applicant	Receiving Facility	Type of Discharge
Global Industries Inc. P.O. Box 2105 Grand Island, NE 68802	Clay Center MWWTP	Process Wastewater
Kansas Permit No. P-LR05-IO02 Federal Tracking No. KSP000052		
Facility Name: Hutchinson/Mayrath – Division of Global Industries Inc.		
Facility Location: 514 W. Crawford, Clay Center, KS 67432		

The proposed action consists of reissuing the existing permit. This facility manufactures grain handling equipment including portable augers and chain/paddle conveyors. They clean and prepare steel metal parts in a five-stage phosphating operation. These metal parts are then painted in a powder coating operation. Contents of the process tanks from the phosphating operation are batch discharged to the city sanitary sewer system, on an intermittent basis, as needed. A discharge from a water jet cutting operation used to cut plastic is on-site but this flow is diverted away from Outfall 001, since it is considered a dilution wastestream. The proposed permit contains limits for total toxic organics, cadmium, chromium, copper, lead, nickel, silver, zinc, total cyanide and pH, as well as monitoring of flow.

Name and Address of Applicant	Receiving Facility	Type of Discharge
Titan Trailer Manufacturing Inc. 2306 Hwy. 77 South Waterville, KS 66548	Waterville MWWTP	Process Wastewater
Kansas Permit No. P-BB22-OO01 Federal Tracking No. KSP000068		
Facility Name: Titan Trailer Manufacturing Inc. – Plant #1		

The proposed action consists of reissuing the existing permit. This facility manufactures parts for livestock trailers. The steel parts are processed in a phosphating operation, which is in a spray booth, to prepare the steel for paint. The phosphating operation is considered a conversion-coating operation, under the Metal Finishing Standard. The proposed permit contains limits for total toxic organics, cadmium, chromium, copper, lead, nickel, silver, zinc, total cyanide and pH, as well as monitoring of flow.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and En-

vironment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before December 14 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-13-312/317, KS-Q-13-135/136, KS-NQ-13-032/033, KS-PT-13-011/013) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the secretary of the Department of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

Robert Moser, M.D.
Secretary of Health and Environment

Doc. No. 042072

**State of Kansas
Kansas Development Finance Authority**

Notice of Hearing

The Kansas Development Finance Authority will conduct a public hearing at 9 a.m. Monday, December 2, at the KDFA offices, 555 S. Kansas Ave., Suite 202, Topeka, with respect to (i) a plan by the KDFA to issue its Revenue Bonds (Adventist Health System/Sunbelt Obligated Group) in an aggregate principal amount not to exceed \$4,435,000,000, in one or more series over the longest period permitted by law; (ii) a plan by the Highlands County Health Facilities Authority (the Highlands Authority) to issue its Revenue Bonds (Adventist Health System/Sunbelt Obligated Group) in an aggregate principal amount not to exceed \$600,000,000 with respect to facilities in Kansas, in one or more series over the longest period permitted by law; (iii) a plan by the Orange County Health Facilities Authority to issue its Revenue Bonds (Adventist Health System/Sunbelt Obligated Group) in

(continued)

an aggregate principal amount not to exceed \$600,000,000 with respect to facilities in Kansas, in one or more series over the longest period permitted by law; (iv) a plan by the Colorado Health Facilities Authority to issue its Revenue Bonds (Adventist Health System/Sunbelt Obligated Group) in an aggregate principal amount not to exceed \$600,000,000 with respect to facilities in Kansas, in one or more series over the longest period permitted by law; and (v) a plan by the Highlands Authority to issue its Revenue Bonds (Adventist Health System/Sunbelt, Inc. Accounts Receivable Program) in an aggregate principal amount not to exceed \$600,000,000 with respect to facilities in Kansas, in one or more series over the longest period permitted by law. The proceeds of the bonds issued under each of such plans (the bonds) will be used to (a) finance, refinance or reimburse the costs of acquiring, constructing, renovating and equipping certain health care facilities at the locations listed below; (b) provide one or more debt service reserve funds for the benefit of all or a portion of the bonds, if deemed necessary or desirable; (c) pay a portion of the interest to accrue on the bonds, if deemed necessary or desirable; (d) pay certain working capital expenditures, if deemed necessary or desirable; and (e) pay certain costs of issuance of the bonds, including the costs of any credit or liquidity enhancement thereof, if deemed necessary or desirable.

The proceeds of the bonds will be used to finance, refinance or reimburse the costs of acquiring, constructing, improving or renovating the facilities (including related land costs) listed below and the costs of acquiring and installing equipment (including, but not limited to, medical equipment, computer equipment, office equipment and general building equipment and fixtures) to be used at the facilities listed below. The initial owner, operator or manager, a general functional description and the location of each such facility, and the estimated maximum aggregate principal amount of bonds to be issued with respect to each such facility are listed below.

I. Florida Facilities

A. Facilities owned, operated or managed by Adventist Health System/Sunbelt, Inc., a Florida not-for-profit corporation (Sunbelt):

1. Florida Hospital Orlando, a 1,183-bed acute care hospital located at 601 E. Rollins Street, Orlando, Florida, and the related land, parking garages, office buildings, college of health science buildings, warehouses and other buildings located on the Florida Hospital Orlando hospital campus bordered generally by Wilkinson Street, Westchester Avenue and Evans Street on the north, Interstate 4 on the west, Princeton Street on the south and Mills Avenue (Highway 17-92) on the east (excluding 2201, 2800 and 2905 McRae Avenue, 600, 726 and 732 Wilkinson Street, 2916 Sanitarium Avenue, 2800, 2901, 2909 and 2921 N. Orange Avenue, and 710 Rollins Street, as well as the property encompassing Lockhaven Park and Art Center, the Orlando Science Center and the Orange County Historical Museum), which campus includes the following mailing addresses: 2212 and 2228 N. Alden Street, 2200-2414 Bedford Road, 500 and 601 E. Rollins Street, 525, 529 and 800 Lake Estelle Drive, 501 and 525 E. King Street,

2905 Sanitarium Drive, 615 E. Princeton Street, 2215-2305 McRae Avenue, and 2201-2415 and 2501 N. Orange Avenue, and, in addition, the properties located at 235 and 301 E. Princeton Street, 2500, 2520, 2604 and 2608 N. Orange Avenue, Orlando, Florida – \$700,000,000;

2. Florida Hospital East Orlando, a 225-bed acute care hospital located at 7727 Lake Underhill Drive, Orlando, Florida – \$150,000,000;

3. Florida Hospital Apopka, a 50-bed acute care hospital located at 201 N. Park Avenue, Apopka, Florida – \$25,000,000;

4. Florida Hospital Altamonte, a 340-bed acute care hospital and related medical office buildings located at 601, 608, 661, 701 and 711 E. Altamonte Drive and 201 Park Place, Altamonte Springs, Florida – \$200,000,000;

5. Florida Hospital Kissimmee, an 83-bed acute care hospital located at 2450 N. Orange Blossom Trail, Kissimmee, Florida – \$150,000,000;

6. Florida Hospital Celebration Health, a 174-bed acute care hospital located at 400 Celebration Place, Celebration, Florida – \$200,000,000;

7. Winter Park Memorial Hospital, a 322-bed acute care hospital located at 200 N. Lakemont Avenue, Winter Park, Florida – \$150,000,000;

8. Florida Hospital Lake Placid, a 50-bed acute care hospital located at 1210 U.S. Highway 27 North, Lake Placid, Florida – \$15,000,000;

9. Florida Hospital Heartland Medical Center, a 147-bed acute care hospital located at 4200 Sun'N Lake Boulevard, Sebring, Florida – \$75,000,000;

10. Florida Hospital Wauchula, a 25-bed acute care hospital located at 533 W. Carlton Street, Wauchula, Florida – \$10,000,000; and

11. a 34-acre tract of vacant land located at the southeast corner of the intersection of Fowler Groves Boulevard and Winter Garden Vineland Road, Winter Garden, Florida, to be used for future construction of a 200-bed acute care hospital as well as clinics and medical office buildings – \$250,000,000.

B. Facility owned by Florida Hospital Waterman, Inc., a Florida not-for-profit corporation: Florida Hospital Waterman, a 269-bed acute care hospital, located at 1000 Waterman Way, Tavares, Florida – \$75,000,000.

C. Facility owned by Southwest Volusia Healthcare Corporation, a Florida not-for-profit corporation: Florida Hospital Fish Memorial, a 175-bed acute care hospital and outpatient medical center located at 1055 Saxon Boulevard, Orange City, Florida – \$75,000,000.

D. Facilities owned or to be owned, operated or managed by Memorial Health Systems, Inc., a Florida not-for-profit corporation:

1. Florida Hospital-Oceanside, a 119-bed acute care hospital located at 264 S. Atlantic Avenue, Ormond Beach, Florida – \$10,000,000; and

2. Florida Hospital Memorial Medical Center, a 277-bed acute care hospital and related medical clinics, offices and ancillary facilities located at 301 Memorial Medical Parkway, Daytona Beach, Florida – \$125,000,000.

E. Facility owned, operated or managed by Memorial Hospital—Flagler, Inc., a Florida not-for-profit corpora-

tion: Memorial Hospital/Flagler, a 99-bed acute care hospital located at 60 Memorial Medical Parkway, Palm Coast, Florida – \$75,000,000.

F. Facility owned, operated or managed by Memorial Hospital—West Volusia, Inc., a Florida not-for-profit corporation: Florida Hospital/DeLand, a 156-bed acute care hospital located at 701 W. Plymouth Avenue, DeLand, Florida – \$100,000,000.

G. Facility owned, operated or managed by Florida Hospital Zephyrhills, Inc., a Florida not-for-profit corporation: Florida Hospital Zephyrhills, a 139-bed acute care hospital located at 7050 Gall Boulevard, Zephyrhills, Florida – \$75,000,000.

H. Facilities owned or to be owned, operated or managed by University Community Hospital, Inc., a Florida not-for-profit corporation:

1. Florida Hospital Tampa, a 475-bed acute care hospital located at 3100 E. Fletcher Avenue, Tampa, Florida, and the related land, parking garages, clinics and office buildings including the Pepin Heart Hospital located on the University Community Hospital Campus bordered generally by E. Fletcher Avenue on the south, Park Square West on the east, 31st Street on the west and 138th Avenue on the north, which campus includes the University Community Hospital Health Park located at 3102 E. 138th Ave, Tampa, Florida – \$200,000,000;

2. Florida Hospital Carrollwood, a 120-bed acute care hospital located at 7171 N. Dale Mabry Highway, Tampa, Florida – \$75,000,000; and

3. Florida Hospital at Connerton, a 50-bed long-term acute care facility located at 9441 Health Center Drive, Land O'Lakes, Florida – \$25,000,000.

I. Facilities owned, operated or managed by Pasco-Pinellas Hillsborough Community Health System, Inc., a Florida not-for-profit corporation: Florida Hospital Wesley Chapel, an 83-bed acute care hospital facility and related medical clinics and medical office buildings, located at 2600 Bruce B. Downs Boulevard, Wesley Chapel, Florida – \$75,000,000.

II. Colorado Facilities

Facilities owned, operated or managed, or to be owned, operated or managed, by PorterCare Adventist Health System, a Colorado not-for-profit corporation:

1. Avista Adventist Hospital, a 114-bed acute care hospital located at 100 Health Park Drive, Louisville, Colorado – \$75,000,000;

2. Littleton Adventist Hospital, a 231-bed acute care hospital located at 7700 S. Broadway, Littleton, Colorado – \$100,000,000;

3. Porter Adventist Hospital, a 368-bed acute care hospital located at 2525 S. Downing Street, Denver, Colorado – \$150,000,000;

4. Parker Adventist Hospital, a 134-bed acute care hospital located at 9395 Crown Crest Boulevard, Parker, Colorado – \$100,000,000; and

5. Castle Rock Medical Center, an 86-bed acute care hospital and related medical clinics and medical office buildings being built on 40 acres of vacant land located at 2350 Meadows Boulevard (northeast corner of Meadows Parkway and Meadows Boulevard), Castle Rock, Colorado – \$150,000,000.

III. Illinois Facilities

A. Facilities owned, operated or managed by Adventist Hinsdale Hospital, an Illinois not-for-profit corporation (Hinsdale):

1. Adventist Hinsdale Hospital, a 277-bed acute care hospital located at 119, 120 and 135 N. Oak Street, Hinsdale, Illinois – \$100,000,000; and

2. an 8-acre tract of vacant land located at 421 E. Ogden Avenue in Hinsdale, Illinois, expected to be used for future construction of the approximately 54,000-square-foot Adventist Cancer Institute and ancillary facilities – \$50,000,000.

B. Facility owned, operated or managed by Sunbelt or Hinsdale: Adventist LaGrange Memorial Hospital, a 205-bed acute care hospital located at 5101 and 5201 S. Willow Springs Road, LaGrange, Illinois – \$75,000,000.

C. Facility owned, operated or managed by Adventist GlenOaks Hospital, an Illinois not-for-profit corporation: Adventist GlenOaks Hospital, a 146-bed acute care hospital located at 701 Winthrop Avenue, Glendale Heights, Illinois – \$75,000,000.

D. Facility owned, operated or managed by Adventist Bolingbrook Hospital, an Illinois not-for-profit corporation: Adventist Bolingbrook Hospital, a 138-bed acute care hospital and related medical clinics, offices and ancillary facilities, located at 500 Remington Boulevard, Bolingbrook, Illinois – \$50,000,000.

IV. Kansas Facilities

Facilities owned, operated or managed by Shawnee Mission Medical Center, Inc., a Kansas not-for-profit corporation:

1. Shawnee Mission Medical Center, a 504-bed acute care hospital located at 9100 West 74th Street, Merriam, Kansas – \$200,000,000;

2. a 42-acre tract of vacant land located in Overland Park, Kansas, west of Highway 69, south of W. 159th Street and north of W. 167th Street, expected to be used for future construction of an acute care hospital, clinics and medical office buildings – \$200,000,000; and

3. a 77,000-square-foot outpatient clinic, surgery center, medical office building and future acute care hospital facility located at 23401 Prairie Star Parkway, Lenexa, Kansas – \$200,000,000.

V. Georgia Facility

Facility owned, operated or managed by Adventist Health System Georgia, Inc., a Georgia not-for-profit corporation: Gordon Hospital, a 69-bed acute care hospital located at 1035 Red Bud Road, Calhoun, Georgia – \$75,000,000.

The public hearing is required by Section 147(f) of the Internal Revenue Code of 1986, as amended. At such public hearing there will be an opportunity for persons to express their views concerning the foregoing. Anyone may appear in person at such public hearing or submit written comments to be considered thereat.

Additional information concerning the above may be obtained from, and written comments should be addressed to, Rebecca Floyd, Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, 66603, 785-357-4445.

(continued)

In accordance with the Americans with Disabilities Act (ADA), any person with a disability as defined by the ADA who needs special accommodations to participate in the public hearing should contact Rebecca Floyd not later than two business days prior to the public hearing.

Dated November 14, 2013.

Timothy M. Shallenburger
President

Doc. No. 042068

State of Kansas

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Monday, December 2, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 000874 – Maximum Principal Amount: \$160,000. Owner/Operator: Tyler and Megan Clinesmith. Description: Acquisition of 200 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Tyler and Megan Clinesmith and is located at Section 22, Township 27, Range 15, Wilson County, Kansas, approximately 5 miles southwest of Buffalo on Lowell Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

 Secretary of State

Doc. No. 042061

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation is seeking qualified consulting firms prequalified in Categories 301 and 302 — Land Surveying and Engineering Surveying for Engineering Services, as described below. A PDF (1Mb maximum size) of the interest response must be emailed to David J. Nagy, P.E., assistant to the director of design/contracts engineer, at DavidN@ksdot.org. Interest and experience responses are limited to four pages and the subject line of the reply email and the PDF file name must read "On-Call Surveying-Firm Name." The letter of interest must be received by noon November 21, 2013, for the consulting firm to be considered. View categories at <http://www.ksdot.org/divengdes/prequal/default.asp>.

Project: On-Call Surveying Services—Statewide

The Kansas Department of Transportation is seeking qualified firms to provide surveying services for the district offices to choose. The scope of services is to provide surveying services on an as-needed basis statewide.

Firms selected will be required to provide the following services:

The survey activities included are those required to support the sound conception, planning and design of engineered projects. Firms qualified in this area shall have the ability and past experiences of key staff in charge of these types of surveys. Land surveying services shall be conducted under the direct supervision of a registered land surveyor, registered to practice in the state of Kansas. All land surveys shall adhere to the Minimum Standards for the Practice of Land Surveying adopted by the Kansas State Board of Technical Professions. The firm shall have the experience and ability in working in a roadway environment, with emphasis on traffic control and recovery of existing monumentation beneath hard surface roads. The survey crew(s) shall be equipped with traverse type survey equipment, including an electronic distance-measuring instrument for measurement of distances encountered on the survey and GPS equipment. Personnel shall also be aware of KDOT policies, procedures and practices.

The Consultant Shortlist Committee will select several of the most highly qualified firms expressing interest and schedule an individual interview for the project. The consulting firms can more thoroughly discuss their experience related to the project at the interview and will be expected to discuss their approach to this project in detail and the personnel to be assigned to this project. View categories at www.ksdot.org/divengdes/prequal.

The Consultant Selection Committee, appointed by the secretary of the Department of Transportation, will conduct the discussions with the firms invited to the individual interview conferences. The committee will select several firms to perform the professional services required for completing the advertised project.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firms:

1. Size and professional qualifications.
2. Experience of staff.
3. Location of firm with respect to project(s).
4. Work load of firm.
5. Firm's performance record.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract:

- Valid, reliable and current costs must be available within the system to support cost and pricing data.
- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable costs by contract or project records that will reconcile with the general ledger.
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

For more information contact David Nagy at 785-296-0930 or DavidN@ksdot.org.

Jim L. Kowach, P.E., Director
 Division of Engineering and Design

Doc. No. 042052

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation is seeking qualified consulting firms prequalified in Categories 241 — Construction Inspection for Engineering Services, as described below. A PDF (1Mb maximum size) of the interest response must be emailed to David J. Nagy, P.E., assistant to the director of design/contracts engineer, at DavidN@ksdot.org. Interest and experience responses are limited to four pages and the subject line of the reply email and the PDF file name must read "On-Call Inspection-Firm Name." The letter of interest and an Excel spreadsheet listing "Inspector Name, Certification No., Office Location (City), and Expirations by Inspection Categories" (similar to what is contained in KDOT's prequalification form No. 1050) must be received by noon November 21, 2013, for the consulting firm to be considered. View categories at <http://www.ksdot.org/divengdes/prequal/default.asp>.

Project: On-Call LPA Inspection Services—Statewide

The Kansas Department of Transportation is seeking qualified firms to provide construction inspection services for a pool that the LPAs can choose from for construction inspection staff on LPA construction projects statewide. The scope of services is to provide construction inspection services on an as-needed basis statewide. Firms selected will be required to provide the following services:

1. Grading inspection
2. Structures inspection
3. Asphalt inspection (plant and/or road)
4. Concrete pavement — plant and road inspection
5. Environmental specialist
6. Materials testing
7. Contract documentation
8. Traffic control inspection
9. Seeding
10. Other similar services, etc

The Consultant Shortlist Committee will select several of the most highly qualified firms expressing interest and schedule an individual interview for the project. The consulting firms can more thoroughly discuss their experience related to the project at the interview and will be expected to discuss their approach to this project in detail and the personnel to be assigned to this project. View categories at www.ksdot.org/divengdes/prequal.

The Consultant Selection Committee, appointed by the secretary of the Department of Transportation, will conduct the discussions with the firms invited to the individual interview conferences. The committee will select several firms to perform the professional services required for completing the advertised project.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firms:

1. Size and professional qualifications.
2. Experience of staff.
3. Location of firm with respect to project(s).
4. Work load of firm.

5. Firm's performance record.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract:

- Valid, reliable and current costs must be available within the system to support cost and pricing data.
- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable costs by contract or project records that will reconcile with the general ledger.
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

For more information contact David Nagy at 785-296-0930 or DavidN@ksdot.org.

State of Kansas

State Corporation Commission

Permanent Administrative Regulations

Article 3.—PRODUCTION AND CONSERVATION OF OIL AND GAS

82-3-1400. Hydraulic fracturing treatment; definitions. The terms and definitions in K.A.R. 82-3-101 shall apply to K.A.R. 82-3-1400 through 82-3-1402, in addition to the following terms and definitions:

(a) "Base fluid" means the primary fluid, as measured by volume, used in a hydraulic fracturing treatment.

(b) "Chemical" means any element, chemical compound, chemical substance, or combination thereof that has a specific identity.

(c) "Chemical abstracts service registry number" and "CAS number" mean the unique identification number assigned to a chemical by the chemical abstracts service.

(d) "Chemical constituent" means any chemical or chemical concentration intentionally added to a base fluid.

(e) "Chemical disclosure registry" means the publicly available web site database managed by the ground water protection council and the interstate oil and gas compact commission and known as "fracfocus," or any other database authorized by order of the commission.

(f) "Health professional" means a physician, physician assistant, nurse practitioner, registered nurse, emergency medical technician, or similar individual who is licensed in that individual's state of practice.

(g) "Hydraulic fracturing fluid" means the base fluid, each proppant, and all chemical constituents used in a hydraulic fracturing treatment.

(h) "Hydraulic fracturing treatment" means all stages in a well completion utilizing hydraulic fracturing fluid under pressure to create fractures in a targeted geological formation.

(i) "Manufacturer" means an entity that produces finished goods from raw materials.

(j) "Proppant" means each material used in a hydraulic fracturing treatment for the purpose of propping open fractures.

(k) "Service company" means an entity that performs a hydraulic fracturing treatment.

(l) "Supplier" means an entity that provides chemical constituents for hydraulic fracturing fluid.

(m) "Trade secret" has the meaning specified in K.S.A. 60-3320, and amendments thereto. (Authorized by and implementing K.S.A. 2012 Supp. 55-152; effective Dec. 2, 2013.)

82-3-1401. Hydraulic fracturing treatment; chemical disclosure. (a) Applicability. This regulation shall apply to each hydraulic fracturing treatment that uses more than 350,000 gallons of base fluid.

(b) Operator disclosures. Unless the operator submits all information to the chemical disclosure registry under subsection (f), the operator shall submit to the commission a list of each hydraulic fracturing treatment as part of the completion report required by K.A.R. 82-3-130. The list shall include the following information, as a percentage by mass of the total amount of hydraulic fracturing fluid:

- (1) The base fluid used, including its total volume;
- (2) each proppant; and
- (3) each chemical constituent at its maximum concentration in the hydraulic fracturing fluid and its CAS number.

(c) Disclosures not required. No operator shall be required to disclose any chemical constituent that meets any of the following conditions:

- (1) Is the incidental result of a chemical reaction or chemical process;
- (2) is a component of a naturally occurring material and becomes part of the hydraulic fracturing fluid during the hydraulic fracturing treatment; or
- (3) is a trade secret.

(d) Trade secrets. Each operator reporting that a chemical constituent is a trade secret shall indicate to the commission that disclosure of the chemical constituent is being withheld pursuant to a trade secret claimed by the operator, manufacturer, supplier, or service company. The operator shall provide the name of the chemical family or a similar descriptor and the name, authorized representative, mailing address, and phone number of the party claiming the trade secret.

(e) Inaccurate or incomplete information. No operator shall be responsible for inaccurate or incomplete information provided by a manufacturer, supplier, or service company.

(f) Alternate disclosure mechanism. In lieu of complying with subsection (b), the operator may submit the information required by subsection (b) to the chemical disclosure registry. The operator shall submit verification of prior submission to the chemical disclosure registry as part of the completion report required by K.A.R. 82-3-130. Each submission to the chemical disclosure registry shall also include the following information:

- (1) The operator's name;
- (2) the date on which the hydraulic fracturing treatment began;
- (3) the county in which the treated well is located;
- (4) the American petroleum institute number for the well;

(5) the well name and number;

(6) the global positioning system (GPS) location of the wellhead; and

(7) the true vertical depth of the well. (Authorized by and implementing K.S.A. 2012 Supp. 55-152; effective Dec. 2, 2013.)

82-3-1402. Hydraulic fracturing treatment; disclosure of trade secrets. (a) Director.

(1) The manufacturer, supplier, service company, or operator shall provide the specific identity of a chemical constituent reported to be a trade secret to the director under the following circumstances:

(A) Within two business days after receipt of a letter from the director stating that the information is necessary to investigate a spill or contamination of fresh and usable water relating to a hydraulic fracturing treatment; or

(B) immediately following notice from the director that an emergency requiring disclosure exists.

(2) The director may authorize disclosure of a trade secret disclosed under paragraph (a)(1) to any of the following persons:

- (A) Any commissioner or commission staff member;
- (B) the secretary or any staff member of the department of health and environment; or
- (C) any relevant public health officer or emergency manager.

(b) Health professionals.

(1) A manufacturer, supplier, service company, or operator shall provide the specific identity of a chemical constituent reported to be a trade secret to any health professional who meets one of the following requirements:

(A) Provides a written statement of need and signs a confidentiality agreement on a form provided by the commission; or

(B) determines that the information is reasonably necessary for emergency treatment, verbally agrees to confidentiality, and provides a written statement of need and signed confidentiality agreement as soon as circumstances permit.

(2) Each statement of need shall state that the health professional has reasonable basis to believe that the information will assist in diagnosis or treatment of a specific individual who could have been exposed to the chemical constituents.

(3) Each confidentiality agreement shall state that the health professional will not disclose or use the information for any reason other than those reasons asserted in the statement of need.

(c) Continued confidentiality. A trade secret disclosed pursuant to this regulation shall not be further disclosed except as authorized by this regulation, K.S.A. 66-1220a and amendments thereto, or K.A.R. 82-1-221a. (Authorized by and implementing K.S.A. 2012 Supp. 55-152; effective Dec. 2, 2013.)

Kim Christiansen
Executive Director

Doc. No. 042069

State of Kansas

Behavioral Sciences Regulatory Board

Permanent Administrative Regulations

Article 7.—LICENSING OF ADDICTION
COUNSELORS

102-7-3. Educational requirements. (a)(1) "Core faculty member" means an individual who is part of the teaching staff of a program covered by this regulation and who meets the following conditions:

(A) Has education, training, and experience consistent with the individual's role within the program and consistent with the published description of the goals, philosophy, and educational purpose of the program;

(B) has primary professional employment at the institution in which the program is housed; and

(C) is identified with the program and is centrally involved in program development, decision making, and student training as demonstrated by consistent inclusion of the individual's name in public and departmental documents.

(2) "In residence," when used to describe a student, means that the student is present at the physical location of the institution or at any other location approved by the board for the purpose of completing coursework, during which the student and one or more core faculty members, adjunct faculty members, or agency internship supervisors are in face-to-face contact.

(3) "Primary professional employment" means at least 20 hours each week of instruction, research, or any other service to the institution in the course of employment, and related administrative work.

(4) "Skill-based coursework" means those courses that allow students to work on basic helping skills including open-ended questions, clarification, interpretation, response to feelings, and summarization.

(b) To qualify for licensure as an addiction counselor with a baccalaureate degree in addiction counseling or a baccalaureate degree in a related field that included all coursework requirements, the applicant shall hold one of the following:

(1) A baccalaureate degree in addiction counseling or a related field. When the degree was granted, the program met the standards approved by the board;

(2) a baccalaureate degree in addiction counseling or a related field, if the applicant began the program on or before May 1, 2011 and the baccalaureate degree is conferred on or before June 1, 2012, from a program that was approved by the Kansas department of social and rehabilitation services, division of addiction and prevention services; or

(3) a baccalaureate degree in addiction counseling or a related field, if the applicant began the program on or before June 30, 2012, from a program that included at least 30 semester hours, or the academic equivalent, in coursework on substance use disorders and that meets the coursework requirements in subsection (c).

(c) Each applicant for licensure as an addiction counselor shall have satisfactorily completed formal academic coursework that contributes to the development of a

broad conceptual framework for addiction counseling theory and practice. This formal academic coursework shall be distributed across the substantive content areas specified in this subsection. For applicants who graduate on or after July 1, 2013, two of the following courses shall be completed while the student is in residence: methods of individual counseling, methods of group counseling, practicum one, or practicum two. A maximum of three semester hours, or the academic equivalent, may be completed in independent study. Except for the required courses in a practicum or its equivalent, there shall be at least three discrete and unduplicated semester hours, or the academic equivalent, in each of the following content areas:

(1) Introduction to addiction, which shall include the study of the nature of addiction and other substance use-related problems; models, theories, philosophies, principles, implications for medical and mental health conditions that coexist with addiction, and evidence-based strategies of addiction prevention, treatment, relapse prevention, continuing care, and recovery; and the impact of addiction on the individual, family, and society;

(2) methods of individual counseling, which shall include the study of culturally informed, ethical, evidence-based models and approaches to individual counseling; methods for establishing effective therapeutic relationships, developing realistic and achievable treatment goals, and assessing client substance use, functioning, motivation, and progress; and strategies for crisis prevention and intervention;

(3) methods of group counseling, which shall include the study of culturally informed, ethical, evidence-based models and approaches to group counseling; group facilitation and counseling skills; and methods for establishing group goals and treatment outcomes;

(4) addiction pharmacology, which shall include the study of the nature of psychoactive chemicals; the behavioral, psychological, physiological, and social effects of psychoactive substance use; symptoms of intoxication, withdrawal, and toxicity; toxicity screen options, limitations, and legal implications; and the use of pharmacotherapy for treatment of addiction;

(5) co-occurring disorders, which shall include the study of the symptoms of mental health and other disorders prevalent in individuals with substance use disorders, screening and assessment tools used to detect and evaluate the presence and severity of co-occurring disorders, and evidence-based strategies for managing risks associated with treating individuals who have co-occurring disorders;

(6) addiction services coordination, which shall include the study of administrative, clinical, evaluative, and referral activities used to connect clients with treatment services and other community resources; navigation and coordination across multiple systems; and case management and advocacy skills used to assist clients in achieving their treatment and recovery goals;

(7) legal and ethical issues, which shall include the study of established codes of ethical conduct, standards of professional behavior and scope of practice; client rights, responsibilities, and informed consent; and confidentiality and other legal considerations in counseling;

(8) family and community studies, which shall include the study of family, social, and community systems; the impact of addiction on the family and society; and the development of culturally informed skills utilized in the treatment and recovery process;

(9) at least six semester credit hours, or the academic equivalent, of practicum or its equivalent, which shall include the following:

(A) An experience that integrates didactic learning that is related to substance use disorders with face-to-face, direct counseling experience that includes intake and assessment, counseling, treatment planning, discharge planning, documentation, and case management activities;

(B) at least 400 clock-hours of practice; and

(C) at least one hour of supervision for every 10 hours of practice. Supervision shall be provided by the educational program's faculty and agency staff, at least one of whom shall be licensed in the behavioral sciences; and

(10) for applicants who graduate on and after July 1, 2012, at least three discrete and unduplicated semester hours, or the academic equivalent, in the study of research, which shall include the study of basic research design and methodology; critical evaluation and interpretation of professional research reports; introduction to data collection, performance measurement, and outcome evaluation; and the application of research results in a treatment setting.

(d) To qualify for licensure as an addiction counselor with a baccalaureate degree in a related field with additional coursework in addiction counseling, the following requirements shall be met:

(1) The college or university at which the applicant completed a baccalaureate degree in a related field shall be regionally accredited with accreditation standards equivalent to those met by Kansas colleges and universities.

(2) The applicant shall meet the coursework requirements in subsection (c).

(3) The program through which the applicant obtained additional coursework in addiction counseling shall meet the standards approved by the board as specified in subsections (i) and (j).

(e) To qualify for licensure as an addiction counselor while holding a baccalaureate social work license in Kansas, the applicant shall complete the coursework specified in paragraphs (c)(1), (4), and (9).

(f) To qualify for licensure as a clinical addiction counselor with a master's degree in addiction counseling or a master's degree in a related field that included all coursework requirements, the applicant shall hold one of the following:

(1) A master's degree in addiction counseling or a related field. When the degree was granted, the program met the standards approved by the board;

(2) a master's degree in addiction counseling or a related field, if the applicant began the program on or before May 1, 2011 and the master's degree is conferred on or before June 1, 2012 from a program that was approved by the Kansas department of social and rehabilitation services, division of addiction and prevention services; or

(3) a master's degree in addiction counseling or a related field. Part of the coursework completed for the master's degree shall be at least 30 graduate semester credit hours, or the academic equivalent, supporting the diagnosis and treatment of substance use disorders and shall meet the coursework requirements in subsection (g).

(g) Each applicant for licensure as a clinical addiction counselor shall have satisfactorily completed formal academic coursework that contributes to the development of a broad conceptual framework for addiction counseling theory and practice. This formal academic coursework shall be distributed across the substantive content areas specified in this subsection. For applicants who graduate on or after July 1, 2013, half of all skill-based coursework shall be completed while the student is in residence, as defined in this regulation. A maximum of three graduate semester hours, or the academic equivalent, may be completed in independent study. There shall be at least three discrete and unduplicated graduate semester hours, or the academic equivalent, in each of the following content areas:

(1) Addiction and recovery services, which shall include the study and critical analysis of philosophies and theories of addiction and scientifically supported models of prevention, intervention, treatment, and recovery for addiction and other substance-related problems;

(2) advanced methods of individual and group counseling, which shall include the study of practical skills related to evidence-based, culturally informed individual and group counseling techniques and strategies designed to facilitate therapeutic relationships and the educational and psychosocial development of clients as specifically related to their addiction;

(3) advanced pharmacology and substance use disorders, which shall include the study of the pharmacological properties and effects of psychoactive substances; physiological, behavioral, psychological, and social effects of psychoactive substances; drug interactions; medication-assisted addiction treatment; and pharmacological issues related to co-occurring disorders treated with prescription psychotropic medications;

(4) integrative treatment of co-occurring disorders, which shall include the study of the relationship between addiction and co-occurring mental or physical disorders or other conditions and evidenced-based models for the screening, assessment, and collaborative treatment of co-occurring disorders;

(5) assessment and diagnosis, which shall include the study of a comprehensive clinical assessment process that addresses age, gender, disability, and cultural issues; the signs, symptoms, and diagnostic criteria used to establish substance use-disorder diagnoses; and the relationship between diagnosis, treatment, and recovery;

(6) professional ethics and practice, which shall include the study of professional codes of ethics and ethical decision making; client privacy rights and confidentiality; legal responsibilities and liabilities of clinical supervision; and professional identity and development issues;

(7) applied research, which shall include the study of the purposes and techniques of behavioral sciences research, including qualitative and quantitative ap-

(continued)

proaches, research methodology, data collection and analysis, electronic research skills, outcome evaluation, critical evaluation and interpretation of professional research reports, and practical applications of research. A maximum of three semester hours, or the academic equivalent, may be completed in thesis or independent research courses;

(8) practicum or its equivalent, which shall meet the following requirements:

(A) Be a clinical experience that integrates didactic learning supporting the diagnosis and treatment of substance use disorders;

(B) include at least 300 hours of client contact; and

(C) provide at least one hour of supervision for every 10 hours of client contact. Supervision shall be provided by the program's faculty and agency supervisors, at least one of whom shall be licensed at the clinical level by the board; and

(9) six additional graduate semester hours of academic coursework that contributes to the development of advanced knowledge or skills in addiction counseling, supervision, or research.

(h) To qualify for licensure as a clinical addiction counselor with a master's degree in a related field with additional coursework in addiction counseling, the following requirements shall be met:

(1) The college or university at which the applicant completed a master's degree in a related field shall be regionally accredited with accreditation standards equivalent to those met by Kansas colleges and universities.

(2) The applicant shall meet the coursework requirements in subsection (g).

(3) The program through which the applicant obtained additional coursework in addiction counseling shall meet the standards approved by the board as specified in subsections (i) and (j).

(i) In order to be approved by the board, each addiction counseling program or related-field program, except the related-field degree listed in paragraphs (d)(1) and (h)(1), shall meet the following conditions:

(1) Have established program admission requirements that are based, in part or in full, on objective measures or standardized achievement tests and measures;

(2) offer education and training in addiction counseling, one goal of which is to prepare students for the practice of addiction counseling;

(3) require an established curriculum that encompasses at least one academic year of study for a baccalaureate degree or two academic years of study for a master's degree;

(4) have clear administrative authority and primary responsibility within the program for the core and specialty areas of training in addiction counseling;

(5) have an established, organized, and comprehensive sequence of study that is planned by administrators who are responsible for providing an integrated educational experience in addiction counseling;

(6) for a master's degree program, be coordinated or directed by an identifiable person who holds a graduate degree that was earned from a regionally accredited college or university upon that person's actual completion of a formal academic training program;

(7) have an identifiable, full-time core faculty member who holds an earned graduate degree in addiction counseling or a related field;

(8) have an established, identifiable body of students who are formally enrolled in the program with the goal of obtaining coursework for the concentration in the study of addiction counseling;

(9) require the student's major advisor to be a member of the program faculty;

(10) require each student to complete the institution's requirements for the number of credit hours that must be completed at that institution and to satisfactorily complete an addiction counseling practicum or its equivalent that is provided by the program from which the student completes the concentration in the study of addiction counseling. The required practicum shall meet the following requirements:

(A) Accept as practicum students only applicants enrolled in the addiction counseling or related-field program;

(B) provide the majority of supervision by an individual who is licensed at the clinical level by the board;

(C) exist as a distinct and organized program that is clearly recognizable within an institution or agency, as well as in pertinent public, official documents issued by the institution or agency, and that is clearly recognizable as a training program for addiction counselors;

(D) identify students as being in training and not as staff members; and

(E) be an integrated and formally organized training experience, not an after-the-fact tabulation of experience; and

(11) conduct an ongoing, objective review and evaluation of each student's learning and progress and report this evaluation in the official student transcripts.

(j) In order to be approved by the board, each addiction counseling program or related-field program, except the related-field degree listed in paragraphs (d)(1) and (h)(1), shall meet the following requirements:

(1) Be regionally accredited, with accreditation standards equivalent to those met by Kansas colleges and universities;

(2) document in official publications, including course catalogs and announcements, the program description and standards and the admission requirements for the addiction counseling or related-field education and training program;

(3) identify and clearly describe in pertinent institutional catalogs the coursework, experiential, and other academic program requirements that must be satisfied before conferral of the degree;

(4) clearly identify and specify in pertinent institutional catalogs the intent to educate and train addiction counselors;

(5) have clearly established the addiction counselor or related-field education program as a coherent entity within the college or university that, when the applicant's degree was conferred, met the program standards in subsection (i);

(6) have conferred the degree upon the applicant's successful completion of an established and required formal program of studies; and

(7) have a library and equipment and resources available that are adequate for the size of the student body and the scope of the program offered.

(k) The following types of study shall not be substituted for or counted toward the coursework requirements of this regulation:

- (1) Academic coursework that has been audited rather than graded;
- (2) academic coursework for which the applicant received an incomplete or failing grade;
- (3) coursework that the board determines is not closely related to the field or practice of addiction counseling;

(4) coursework or training provided by any college, university, institute, or training program that does not meet the requirements of subsections (i) and (j); and

(5) any continuing education, in-service activity, or on-the-job training. (Authorized by K.S.A. 2013 Supp. 74-7507; implementing K.S.A. 2013 Supp. 65-6610; effective, T-102-7-1-11, July 1, 2011; effective, T-102-10-27-11, Oct. 27, 2011; effective Jan. 20, 2012; amended, T-102-7-16-13, July 16, 2013; amended Dec. 2, 2013.)
