Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, February 13, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bonds for the projects numbered below in the respective maximum principal amounts. The bonds will be issued to assist the borrowers named below (who will be the owner and operator of the projects) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

Project No. 000880 — Maximum Principal Amount: \$155,520.30. Owner/Operator: Matthew B. and Megan R. Smith. Description: Acquisition of 69.45 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Matthew B. and Megan R. Smith and is located at the Southwest Quarter of the Northeast Quarter and the West 30 acres in the Northwest Quarter of Section 19, Township 2 South, Range 7 East of the Sixth P.M., Marshall County, Kansas, approximately 1 mile west of Marysville then 2 miles north on U.S. 77, then .5 mile west on Indian Road.

Project No. 000881 — **Maximum Principal Amount:** \$153,187.50. Owner/Operator: Ryan and Melissa Friedrichs. Description: Acquisition of 69.45 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Ryan and Melissa Friedrichs and is located at the Northeast Quarter of the Northeast Quarter and the East 10 acres in the Northwest Quarter of the Northeast Quarter of Section 19, Township 2 South, Range 7 East of the Sixth P.M., Marshall County, Kansas, approximately 1 mile west of Marysville then 2 miles north on U.S. 77, then .5 mile west on Indian Road.

The bonds, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will they be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bonds will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bonds to finance the projects, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the projects may be obtained by contacting the KDFA.

Opinion 2013-18

Re: Bonds and Warrants—Cash-Basis Law—Limits of Indebtedness; November 18, 2013.

Synopsis: For purposes of the cash-basis law, the term "indebtedness" refers only to financial obligations that are binding, not those that are contingent on future events. As applied to a ten-year contract for the wholesale purchase of natural gas that may be terminated with three years' notice, any expenses beyond the three-year period are contingent on the city not cancelling the contract and therefore do not constitute an indebtedness of the city. Re: Cities and Municipalities—Libraries—City, County and Township Libraries; Board; November 18, 2013.

Synopsis: The head of a municipality who serves as an ex officio member of the library board should be counted in calculating the library board's quorum requirement.

The prohibition in K.S.A. 2013 Supp. 12-1222 on municipal officers being appointed to a municipal library board includes appointed officers as well as elected ones. The characteristics of public office are a position created by statute or ordinance, a fixed tenure, and the power to exercise some portion of the sovereign function of government. Opinion 2013-20

Re: Elections—Voting Places and Materials Therefor—Voting Places.

(continued)

State Departments; Public Officers and Employees—Firearms—Personal and Family Protection Act; November 27, 2013.

Synopsis: Except as described herein, the use of real property as a polling place does not transform the nature of that property for the purposes of the PFPA. Any concealed carry requirements that applied to that property immediately before its temporary use as a polling place continue to apply during its use as a polling place and thereafter.

The Personal and Family Protection Act (PFPA) authorizes concealed carry licensees to carry a concealed handgun into a polling place to the extent that concealed handguns are permitted to be carried into the building in which the polling place is located.

The provisions of K.S.A. 2013 Supp. 75-7c20 apply only to buildings that are owned or leased in their entirety by the state or a municipality. If the PFPA requires concealed carry to be permitted in a state or municipal building, then concealed carry licensees must be permitted to carry a concealed handgun in all parts of the building, including areas used as polling places, with the exception of courtrooms, ancillary courtrooms, and secure areas of correctional facilities, jails and law enforcement agencies.

The governing body or chief administrative officer, if no governing body exists, of a state or municipal building may exempt the building from the provisions of K.S.A. 2013 Supp. 75-7c20 for a set period of time. If a state or municipal building is so exempted, concealed carry may be prohibited by posting the building in accordance with K.S.A. 2013 Supp. 75-7c10.

If the governing body or chief administrative officer of a state or municipal building does not exempt a building from the provisions of K.S.A. 2013 Supp. 75-7c20, then concealed carry licensees must be permitted to carry a concealed handgun inside the building unless adequate security measures are provided and the building is posted as prohibiting concealed carry.

Concealed carry is not required to be permitted in a polling place located inside a privately-owned building unless the county has leased the entire privately-owned building.

Concealed carry is not required to be permitted in polling places located inside public school district buildings because a public school district is not a municipality for the purposes of the PFPA.

An equal protection claim against a county based upon the varying ability of concealed carry licensees to carry a concealed handgun into a polling place would be subject to the rational basis test. Opinion 2013-21

Re: State Departments; Public Officers and Employees—Firearms—Personal and Family Protection Act; December 11, 2013.

Synopsis: An office leased by the state or a municipality in a privately owned multi-tenant office building is not a "state or municipal building" for the purposes of the Personal and Family Protection Act (PFPA). An office in a

strip shopping center, as described herein, that is leased by the state or a municipality is a "state or municipal building" for the purposes of the PFPA. Cited herein: K.S.A. 2013 Supp. 75-7c10; K.S.A. 2012 Supp. 75-7c10; K.S.A. 2013 Supp. 75-7c10; 75-7c20; K.A.R. 16-11-7. SF

Opinion 2013-22

Re: Taxation—Collection and Cancellation of Taxes—Protesting Payment of Taxes; December 13, 2013.

Synopsis: The word "taxpayer" in K.S.A. 2013 Supp. 79-2005 refers to the property owner. An agent or attorney of the property owner may file a tax protest on the property owner's behalf, but a third party who is not acting on behalf of the property owner is not a "taxpayer" eligible to protest the property owner's taxes.

A tax protest may be filed at the time the taxes are paid, even if the taxes are delinquent. Taxpayers who pay at least part of their taxes by December 20 are not required to protest their taxes at the time of payment but may wait until December 20 (or January 31 if at least half of the taxes were paid by an escrow or tax service agent). In addition, taxpayers who pay only part of their taxes by December 20 may file a protest at the time of paying the remaining taxes, as long as they did not protest the first half of the taxes.

When the basis of a tax protest is a challenge to the valuation or assessment of the property, the county appraiser is responsible for determining whether the protest was timely filed and whether the person who filed the protest was authorized to do so. Crimes and Punishments—Crimes Against the Public Safety—Criminal Carrying of a Weapon.

State Departments; Public Officers and Employees—Firearms—Personal and Family Protection Act; January 10, 2014.

Synopsis: A person may carry a knife, concealed or unconcealed, regardless of the length of the blade, without violating K.S.A. 2013 Supp. 21-6301 or 21-6302. The term "knife," as defined by K.S.A. 2013 Supp. 12-16,134, includes swords and machetes. A city may prohibit the possession of knives only if the city enacted an ordinance or rule prohibiting such possession prior to July 1, 2013.

The Attorney General is responsible for administering the Personal and Family Protection Act (PFPA), but the PFPA is silent on enforcement of the provisions of K.S.A. 2013 Supp. 75-7c20. A state or municipal building that is not exempt from the provisions of K.S.A. 2013 Supp. 75-7c20 and does not provide adequate security measures

may not prohibit a concealed carry licensee from carrying a concealed handgun into the building.

A municipality, as defined by K.S.A. 2013 Supp. 75-7c20(l)(2), may adopt personnel policies to restrict the concealed carry of handguns in the municipal building in which the employee's work place is located if the building is exempt from the provisions of K.S.A. 2013 Supp. 75-7c20, or if the building is posted as prohibiting concealed carry and adequate security measures are provided.

A municipality may adopt personnel policies to restrict the carrying of concealed handguns by employees while acting in the scope of their employment outside the building in which the employee's work place is located, but may not prohibit the possession of a handgun in a private means of conveyance. Even if such personnel policies exist, it is not a violation of the PFPA for a state or municipal employee licensed under the PFPA to carry a concealed handgun into a state or municipal building through a restricted access entrance.

The security plan described in K.S.A. 2013 Supp. 75-7c20(i) must provide adequate security as determined by the municipality.

K.S.A. 2013 Supp. 75-7c20 does not apply to a municipal building that is leased by a private party during the lease period.

A knife is not a weapon for the purposes of the PFPA. A city that enacted an ordinance or rule prohibiting the carrying of knives into city buildings prior to July 1, 2013, may continue to prohibit the carrying of knives into city buildings. Such city is not required to provide adequate security measures in order to prohibit the carrying of knives into city buildings.

A city that did not enact a rule or ordinance prohibiting the carrying of knives into city buildings prior to July 1, 2013, may not prohibit the carrying of knives into city buildings, even if adequate security measures are provided in order to detect and restrict the carrying of weapons into a city building.

The prohibition against enacting local knife regulations in K.S.A. 2013 Supp. 12-16,134(a) applies only to municipalities, not state government agencies. Opinion 2014-2

Re: State Departments; Public Officers and Employees—Firearms—Personal and Family Protection Act; January 10, 2014.

Synopsis: The Personal and Family Protection Act (PFPA) does not prohibit a county from demanding disclosure of an employee's concealed carry licensure status in order to verify whether the employee is entitled to certain protections available only to concealed carry licensees. The PFPA does not prohibit a county from making a record of an employee's licensure status, but such record must remain confidential and may not be disclosed. A county may discipline an employee for refusing to dis-

close his or her licensure status for the purpose of determining whether the employee may lawfully carry a concealed handgun into the employee's work place. Lastly, it is unlikely that a Kansas or federal court would recognize a county employee's claim for discrimination on the basis of concealed carry licensure status. Opinion 2014-4

Re: Elections—Voting Places and Materials Therefor—Voting Places, Equipping and Supplying; Instructions, Books and Other Materials; Question Submitted Election; Posting or Providing Explanatory Statements; January 22, 2014.

Synopsis: The governing body of a municipality, such as a city, county, or unified school district, may develop a neutral or impartial explanatory statement on a question it has submitted to the electorate. The explanatory statement may be posted on the municipality's website and provided to constituents at the office of the county election officer, until such time as the office of the county election officer becomes a polling place. Whether a city may provide for the posting at polling places and the distribution at polling places or with advance voting ballots of explanatory statements regarding a question that is submitted to the electorate cannot be definitively determined. A county, a local board of education and other municipalities lack authority to provide for the posting and distribution of such a statement at polling places and with advance voting ballots.
