Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, April 3, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the K DFA to issue its Agricultural Development Revenue Bonds for the projects numbered below in the respective maximum principal amounts. The bonds will be issued to assist the borrowers named below (who will be the owner and operator of the projects) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the K DFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

Project No. 000887 — Maximum Principal Amount: \$456,000. Owner/Operator: Alan and Bridget Peters. Description: Acquisition of 156 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Alan and Bridget Peters and is located at Section 32, Township 4 South, Range 8 West, Jewell County, Kansas, approximately 4 miles west of Jewell on H Road and 1 mile south on 150 Road.

Project No. 000888 — Maximum Principal Amount: \$225,000. Owner/Operator: Wayne Jeardoe. Description: Acquisition of 145 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Wayne Jeardoe and is located at the Southwest Quarter of Section 9, Township 5, Range 3, Cloud County, Kansas, approximately 3 miles north of Concordia on Highway 81.

The bonds, when issued, will be a limited obligation of the K DFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the K DFA, nor will they be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bonds will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bonds to finance the projects, and all written comments previously filed with the K DFA at its offices at 555 S.
