South Central Kansas Economic Development District

Notice to Contractors and Vendors

The South Central Kansas Economic Development District (SCKEDD) in Wichita administers the federally funded Kansas Weatherization Assistance Program in a 13-county region in south central Kansas. SCKEDD is in the process of contracting with the following:

- A vendor who can supply wall furnaces and console furnaces.
- A contractor that is a licensed electrician capable of adding dedicated electrical circuits for furnaces and installing mechanical ventilation systems per ASH-RAE 62.2 standards. Fan kits will be provided by SCKEDD.
- A general contractor that can perform weatherization work in the following counties with the SCKEDD's estimated number of units in parenthesis: Barber (2), Chautauqua (1), Cowley (13), Elk (1), Harper (2), Kingman (3), McPherson (10), Pratt (3), Reno (23), Rice (3), Sedgwick (175), Stafford (1) and Sumner (8). Because SCKEDD employs weatherization crews, only the work that can't be performed in-house will be contracted out. Weatherization work includes performing air sealing, repairing broken windows, adding weather-strips to exterior doors, installing plastic vapor barriers in crawl spaces, insulating foundation walls and floors using fiberglass batting material, installing dense pack blown cellulose insulation in exterior walls, installing roof vents and insulating attics with blown cellulose. Mobile home weatherization work includes repairing duct work systems and installing blown fiberglass insulation into bellies, walls and roof cavities. Work will be performed on singlefamily dwellings and mobile homes. All weatherization contractors will be responsible for complying with the EPA's Renovation Repair and Painting (RRP) regulations as enforced by the Kansas Department of Health and Environment. KDHE and Kansas weatherization require all licensed firms to employ only certified renovators to perform weatherization work.

Contractor requirements include, but are not limited to:

- OSHA 10/30 certification
- Capability to be licensed in all municipalities served by SCKEDD weatherization
- RRP renovation firms licensed with KDHE
- All workers licensed as RRP renovators with KDHE
- All workers have completed LSWP training provided by the U.S. Department of Energy

Contracts will be offered until March 31, 2015, with an option to extend the contract for up to three additional one-year periods at the discretion of SCKEDD and the approval of the Kansas Housing Resources Corporation.

A mandatory bidder's conference will take place to answer all questions regarding the distributed bid packets. Teleconference capabilities will be provided for those unable to attend in person. The bid sheets provided will require contractors and vendors to provide line-item prices by county for all items listed.

Contractors are required to provide references with their bid package, as a high value will be placed on quality of work. SCKEDD may choose any or all of these factors to evaluate contractor bids: price, quality of references, timeliness in completing work, quality of completed work, timeliness in billing, quality of billing, and any other factor as specified in the bid package.

To receive a bid packet and be notified when the bidder's conference will take place, contact the SCKEDD Weatherization Program not later than noon May 7 at the SCKEDD, 3737 N. Hillside, Wichita, 67202, (316) 425-8844.

SCKEDD encourages minority, women-owned and small-business vendors and contractors to apply. SCKEDD is an equal opportunity agency.
