Notice of Requested Architectural Services

Notice is hereby given of the commencement of the selection process for architectural services for the construction of a new Health Education Building at the University of Kansas Medical Center, Kansas City, Kansas. This is to be an interdisciplinary building with a curriculum emphasizing small group problem solving, simulation space with technology driven interactive classrooms, and an approximate square footage of 200,000 sq. ft. The project construction budget is \$75,000,000.

For more information contact David Rau at 913-945-5943 or drau2@kumc.edu. An architectural program is available at <http://www.da.ks.gov/fp/ArchEngPrograms.htm>.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. State of Kansas Professional Qualifications DCC Form 050 for each firm and consult-

ant should be provided at the end of each proposal. Please include your firm name, agency abbreviation and an abbreviated project name in the title of the PDF document. Proposals should be less than 5MB and follow the current State Building Advisory Commission guidelines found in Part B — Chapter 2 of the Building Design and Construction Manual at <http://www.admin.ks.gov/offices/ofpm/dcc/bdcm>. Proposals should be sent on a CD, DVD or flash drive along with a transmittal to Randy Riveland, Office of Facilities and Procurement Management, Suite 700, 800 S.W. Jackson, Topeka, 66612-1216. Proposals sent via email will no longer be accepted and paper copies of the proposals are no longer required. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions call 785-296-0749. The PDF proposal submittals shall be delivered to the attention of Randy Riveland before 2 p.m. June 27, 2014.

Notice of Requested Engineering Services

Notice is hereby given of the commencement of the selection process for engineering services for the University of Kansas, Lawrence. The project calls for design services for five major HVAC remodel projects — Summerfield Hall, Bailey Hall, Strong Hall, Art & Design, and Lindley Hall — as well as design for a new district chilled water plant. The estimated construction cost for all six projects is \$15,400,000. All six projects are to be awarded as one project.

For more information contact Leigh Myers at 785-864-5651 or lgmyers@ku.edu. An engineering program is available at <http://www.da.ks.gov/fp/ArchEngPrograms.htm>.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation and an abbreviated project name in the title of the PDF document. Proposals should be less than 5MB and follow the current State Building Advisory Commission guidelines found in Part B — Chapter 2 of the Building Design and Construction Manual at <http://www.admin.ks.gov/offices/ofpm/dcc/bdcm>. Proposals should be sent on a CD, DVD or flash drive along with a transmittal to Randy Riveland, Office of Facilities and Procurement Management, Suite 700, 800 S.W. Jackson, Topeka, 66612-1216. Proposals sent via email will no longer be accepted and paper copies of the proposals are no longer required. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions call 785-296-0749. The PDF proposal submittals shall be delivered to

the attention of Randy Riveland before 2 p.m. June 27, 2014.

Doc. No. 041700

(Published in the Kansas Register June 12, 2014.)

City of Overland Park, Kansas

Notice to Bidders

Sealed bids for **U.S. 69 and 159th Street Interchange, Overland Park Project No. ST-1058, KDOT Project No. 69 46 KA-3114-01** will be received by the city of Overland Park, Kansas, at the office of the city clerk, city hall, 8500 Santa Fe Drive, Overland Park, 66212, until 2 p.m. local time July 15, 2014. At that time all sealed bids will be transferred to the city council chamber, city hall, where they will be publicly opened and read aloud. Any bid received after the designated closing time will be returned unopened.

All bids shall be submitted in sealed envelopes addressed to the city clerk of Overland Park, Kansas, and marked "Bid For: U.S. 69 and 159th Street Interchange." Copies of plans, specifications, bid documents and other contract documents are on file at the office of the HNTB Corporation, 7400 W. 129th St., Suite 100, Overland Park, 66213. Contractors desiring the contract documents for use in preparing bids may obtain a set of such documents from HNTB Corporation (913-491-9333) upon payment of the following amounts, which amounts are not refundable:

Half-Size Plan Drawings (11"x17") and Construction Documents:	\$100
Full-Size Plan Drawings (22"x34") and Construction Documents:	\$650

Neither the city nor the consultant shall be responsible for the accuracy, completeness or sufficiency of any bid documents obtained from any source other than the source indicated above. Obtaining copies of plans, specifications, bid documents and other contract documents from any other source(s) may result in obtaining incomplete and inaccurate information. Obtaining these documents from any source other than directly from the source listed herein may also result in failure to receive any addenda, corrections or other revisions to these documents that may be issued.

Contractors should read and be fully familiar with all contract documents before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to fully inform itself as to all existing conditions and limitations, and shall include in its bid a sum to cover the cost of all items of the work.

Should a bidder find "defects" as defined in paragraph GC-3 of the General Conditions, it shall follow the procedures outlined in paragraph GC-3 to bring same to the attention of the city. Changes necessitated thereby shall be in the form of addenda issued by the consultant.

All bidders shall verify that they have considered all written addenda. Neither the city nor the consultant shall be responsible for oral instructions.

Any written addenda issued during the time of bidding shall be covered and included in the bid. There will be

no clarifications or exceptions allowed on the bid. Bids are for a total bid package, total contract price.

Bids shall be made upon the form provided in ink or typewritten. Numbers shall be stated both in writing and in figures, the signature shall be longhand, and the complete form shall be without alteration or erasure. On alternate items for which a bid is not submitted, a written indication of "no bid" on the bid form is required.

No oral, telegraphic, facsimile or telephonic bids or alterations will be considered.

The following items must be included in the sealed envelope with the bid:

- a. Bid
- b. 5% bid security — bid bond, cashier's check or certified check (see below)
- c. Signed documents (KDOT Certifications)
 - Certification — Noncollusion & History of Debarment
 - Tax Clearance Certificate

Each bidder shall file with its bid a bid bond, a cashier's check or a certified check drawn on any acceptable bank, made payable to the city of Overland Park, Kansas, in an amount of not less than 5 percent of the total bid, which shall be retained by the city of Overland Park until a contract for the project has been executed. Bid bonds will be returned to the unsuccessful bidders, with the exception of the second qualifying bidder, at such time as their bids are rejected. The bid deposit of the successful bidder and the second qualifying bidder will be returned when satisfactory bonds in an amount equal to 100 percent of the contract amount, required insurance certificates and other required documents shall have been furnished and the contract documents have been executed.

In the event the successful bidder is unable to execute the contract, for whatever reason, the city may exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of the city clerk prior to the time and date for bid opening; provided, however, that no bidder may withdraw its bid for a period of 30 days from the date set for the opening thereof. All bidders agree that rejection shall create no liability on the part of the city because of such rejection. It is understood by all bidders that an unsuccessful bidder has no cause of action against the city for bid preparation costs. The filing of any bid in response to this invitation shall constitute an agreement of the bidder to these conditions.

A pre-bid conference will be held at 2 p.m. July 8 at the city hall, conference room 1, 8500 Santa Fe Drive, Overland Park.

State of Kansas**Department of Credit Unions****Notice of Application for Change
in Field of Membership**

Credit Union of Emporia, Kansas, located at 2711 W. 15th Ave., Emporia, 66801, has applied to the administrator of the Kansas Department of Credit Unions to change its field of membership by the addition of those who reside, work or worship and organizations in the Kansas counties of Wabaunsee, Morris, Chase, Greenwood, Osage and Coffey. Comments regarding this change are to be submitted to John P. Smith, Administrator, Kansas Department of Credit Unions, 109 S.W. 9th St., Suite 610, Topeka, 66612, 785-296-3021.

John P. Smith
Administrator

Doc. No. 042615

State of Kansas**Department of Health
and Environment****Request for Comments**

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality construction permit for Exide Technologies, 413 E. Berg Road, Salina. KDHE proposes issuance of this draft permit pursuant to K.S.A. 65-3008 and K.A.R. 28-19-300 et seq. and as authorized by K.S.A. 65-3005. The U.S. Environmental Protection Agency designated the area surrounding Exide Technologies' property in Saline County as nonattainment with the 2008 Lead National Ambient Air Quality Standards (NAAQS). The purpose of this proposed permit is to implement federally enforceable limitations and conditions applicable to Exide as a result of the nonattainment designation. The proposed permit authorizes modifications and improvements to reduce lead emissions and support attainment of the 2008 Lead NAAQS that include oxide mill replacements, baghouse replacements, new stack height increases, and fugitive emissions controls (production facility and roadways).

A public comment period has been established until noon July 14 to allow citizens the opportunity to express any concerns they may have about this proposed permit-

ting action. All comments should be submitted in writing to Melissa Weide, KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366, or by fax at 785-291-3953.

Any member of the public may request a public hearing to provide comments on the proposed issuance of the draft air quality construction permit. Written requests to hold a public hearing should be sent to the attention of Melissa Weide at the address above and must be received by noon Monday, July 14. If a pertinent request is received, a public hearing is tentatively scheduled by the KDHE for 6 p.m. Wednesday, July 16, at the KDHE North Central District Office, 2501 Market Place, Suite D, Salina. If no pertinent requests to hold the public hearing are received by noon Monday, July 14, the public hearing will be cancelled and announced on the KDHE website at <http://www.kdheks.gov/bar/publicnotice.html>.

If a hearing is conducted, all interested parties will be given a reasonable opportunity to present their views orally or by submission of written materials during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to limit oral presentations to a specific time limit. Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed materials in an accessible format. Requests for accommodation must be made not later than Tuesday, July 8, by contacting Sherry Walker at 785-296-1570.

The proposed permit and all supporting documentation are available for public review for a period of 30 days from the date of publication during normal business hours, 8 a.m. to 5 p.m., at the KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, and at the KDHE North Central District Office, 2501 Market Place, Suite D, Salina. To obtain or review the proposed permit and supporting documentation, contact Melissa Weide, 785-291-3272, at the KDHE central office, or Stan Marshall, 785-827-9639, at the KDHE North Central District Office. The standard departmental cost will be assessed for any copies requested. These same materials are available, free of charge, at the KDHE Bureau of Air website at <http://www.kdheks.gov/bar/publicnotice.html>.

Robert Moser, M.D.
Secretary of Health
and Environment

Doc. No. 042616

State of Kansas**Department of Health
and Environment****Notice Concerning Kansas/Federal Water
Pollution Control Permits and Applications**

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to

waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

Greg B. Nelson Nelson Poultry Farms, Inc. Main Facility 8530 E. Highway 24 Manhattan, KS 66502	SE/4 of Section 09 & SW/4 of Section 10 & SW/4 of Section 11 & NW/4 of Section 14, T10S, R08E, Pottawatomie County	Kansas River Basin

Kansas Permit No. A-KSPT-P001 Federal Permit No. KS0090948

This is a permit modification and reissuance for an existing poultry facility for 832,000 head (6,656 animal units) of poultry. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Vince Wagoner P.O. Box 5 Lenora, KS 67645	NE/4 of Section 10, T05S, R24W, Norton County	Solomon River Basin

Kansas Permit No. A-SONT-B009

This permit is being reissued for an existing facility with a maximum capacity of 500 head (250 animal units) of cattle 700 pounds or less. There is no change in the permitted animal units.

Name and Address of Applicant	Legal Description	Receiving Water
Gerry Frager Frager Farms – North Farm 1234 26th Road Morrowville, KS 66958	SW/4 of Section 01, T02S, R02E, Washington County	Big Blue River Basin

Kansas Permit No. A-BBWS-S034

This permit is being reissued for an existing facility with a maximum capacity of 2,400 head (960 animal units) of swine more than 55 pounds. There is no change in the permitted animal units.

Name and Address of Applicant	Legal Description	Receiving Water
Lawson Wideman 212 Olive St. Minneola, KS 67865	SE/4 of Section 20, T30S, R24W, Clark County	Cimarron River Basin

Kansas Permit No. A-CICA-B001

This permit is being reissued for an existing facility for 999 head (999 animal units) of cattle weighing more than 700 pounds. There is no change in the permitted animal units from the previous permit.

Public Notice No. KS-AG-R-14-015

Per K.S.A. 65-171d, the following registration has been received for a proposed confined feeding facility:

Name and Address of Registrant	Legal Description	County
Korby Effland Effland Land and Cattle, LLC 581 S. 2000 Road White City, KS 66872	SE/4 of Section 25, T14S, R06E	Morris

Public Notice No. KS-Q-14-096

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28 (b-g), and Federal Surface Water Criteria:

Name and Address of Applicant	Receiving Stream	Type of Discharge
Lawrence, City of P.O. Box 708 Lawrence, KS 66044	Kansas River	Treated Domestic Wastewater

Kansas Permit No. M-KS31-IO01 Federal Permit No. KS0038644

Legal Description: NW¼, S32, T12S, R20E, Douglas County, KS

The proposed action is to reissue an existing permit for the operation of an existing wastewater treatment facility. The existing facility is a mechanical treatment plant consisting of an aerated grit removal, primary clarification, complete mix activated sludge basins, final clarification, Acti-flo ballasted flocculation with clarification and disinfection of effluent via chlorination/dechlorination. The facility receives domestic wastewater from residential and commercial areas and industrial wastewater from local manufacturers. Sludge is digested in anaerobic digesters and dewatered with a belt filter press prior to land application. In addition, effluent from a public water supply lime slurry lagoon is routed to the head of the wastewater treatment plant. The proposed permit contains limit for biochemical oxygen demand, total suspended solids, ammonia, E. coli, total re-

(continued)

sidual chlorine, whole effluent toxicity and pH, as well as monitoring of total phosphorus, nitrate + nitrite, total Kjeldahl nitrogen, total nitrogen, dissolved oxygen, priority pollutants and flow. Contained in the permit is a schedule of compliance requiring the permittee to address the nutrient removal goals set forth in the permit.

Public Notice No. KS-PT-14-005

The requirements of the draft permits public noticed below are pursuant to Kansas Administrative Regulations 26-16-82 through 28-16-98, and U.S. Environmental Protection Agency Pretreatment Regulation 40 CFR 403:

Name and Address of Applicant	Receiving Facility	Type of Discharge
Heatron Inc. 3000 Wilson Ave. Leavenworth, KS 66048	Leavenworth WWTP	Process Wastewater

Kansas Permit No. P-MO12-OO02 Federal Tracking No. KSP000108

The proposed action consists of issuing a new pretreatment permit for an existing facility. This facility manufactures various types of flexible electric heating devices for the medical industry and LED lighting devices. Metal parts are processed in a chemical etching operation, which is a core process under the Metal Finishing Standard. Wastewater from this operation is treated on-site and discharged from Outfall 001 on a batch basis. The proposed permit contains limits for total toxic organics, cadmium, chromium, copper, lead, nickel, silver, zinc, total cyanide and pH, as well as monitoring of flow.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before July 12 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-14-156/162, KS-AG-R-015, KS-Q-14-096, KS-PT-014-005) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the secretary of health and environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

Robert Moser, M.D.
Secretary of Health
and Environment

Doc. No. 042622

State of Kansas

Fort Hays State University

Notice of Intent to Lease Land

Public notice is hereby given, pursuant to K.S.A. 75-430a(c), that Fort Hays State University seeks to lease land for the purposes of oil and natural gas exploration and production. The specifications of the contemplated lease and further information are available by contacting Todd D. Powell, Fort Hays State University, 600 Park, Sheridan Hall 312a, Hays, 67601.

Competitive bids will be received by Fort Hays State University until 4:30 p.m. July 10, 2014. No bid received after that date and hour shall be considered by Fort Hays State University. Only bids as shall be in substantial conformity with the terms and provisions of the contemplated need and the materials available to bidders from Fort Hays State University will be considered or accepted. Any lease entered into by Fort Hays State University will be awarded to the highest responsible, responsive bidder. Fort Hays State University reserves the right to reject any and all bids.

Bids should be addressed to Fort Hays State University, attention Todd D. Powell, at the address given above. The outside of the envelope containing any bid for this purpose should be plainly marked "Oil and Natural Gas Exploration and Production." The bid opening will be at 11 a.m. July 11, 2014, in the President's Conference Room, third floor, Sheridan Hall, Fort Hays State University.

Todd Powell
General Counsel

Doc. No. 042625

State of Kansas

Department of Revenue Division of Property Valuation

The following appraisal directive is adopted by the director of property valuation pursuant to K.S.A. 79-505:

Directive #14-046

To: County Appraisers

Subject: Scope of Work and Substantial Compliance

This Directive Supersedes Directive #92-002 and #92-003

This directive is adopted pursuant to the provisions of K.S.A. 79-505 and shall take effect and be in full force from and after its publication in the Kansas Register.

The following criteria and standards shall be used for appraisals developed in the 2014 valuation cycle (in preparation for January 1, 2015 valuation date) and subsequent years to determine whether a county is in substantial compliance with the statutory requirement to uniformly appraise real and personal property at its fair market value, as defined by K.S.A. 79-503a, and amendments thereto. In order to establish compliance or lack of compliance in each county, the Division of Property Valuation (PVD) shall conduct a ratio study to develop statistical performance measures as required by K.S.A. 79-1485 *et seq.* PVD shall conduct a procedural audit in each county covering items deemed essential to establishing

fair market value. PVD shall determine whether specific Kansas statutes pertaining to property taxation have been followed. In accordance with K.S.A. 79-1445, PVD will publish annually a list of the substantial compliance results for each county.

Criteria and Standards

The annual substantial compliance process uses an objective scoring system that PVD has developed to evaluate completion of key mass appraisal steps, accomplishment of assessment administration functions, and achievement of accuracy standards in each county. Points are awarded when a county meets minimum statistical performance measures, documentation is verified to confirm that mass appraisal procedures have been followed, and statutory requirements have been met. A maximum score of 100 is possible. A county must achieve a minimum score of 75 to attain substantial compliance. Any county achieving a score less than 75 shall be found in noncompliance and may be required to submit a detailed plan to correct areas of noncompliance.

Substantial compliance is based upon ratio study performance measures, an audit of procedural steps required to develop a credible mass appraisal, and verification that important statutory mandates have been met. The ratio study conducted by PVD is used to verify that overall value conclusions meet minimum standards of reasonableness, consistency and accuracy. Refusal by county officials to cooperate in the ratio study may result in a non-compliance order. The procedural steps are tied to Kansas statutes and regulations, the International Association of Assessing Officers (IAAO) Standard on Mass Appraisal and the Uniform Standards of Professional Appraisal Practice (USPAP). Refusal by a county or district appraiser to perform any procedural step may result in a noncompliance order. Kansas statutes require critical functions to be performed and annual processing deadlines to be met by the county or district appraiser. Refusal to comply with any statutory requirement may result in a noncompliance order.

If a county is determined to be in noncompliance, the director may pursue all legal options, including, but not limited to, proceedings before the Kansas Court of Tax Appeals and/or the removal of the county or district appraiser from office. PVD may require the county to submit a detailed plan to correct areas of noncompliance. A PVD audit of all property tax functions and responsibilities may be initiated if the county does not implement its approved plan or the plan is ineffective in bringing the county back into compliance.

The director may include an administrative note on the final report if a county fails to achieve industry standard ratio study performance measures. Counties receiving an administrative note may be required to submit a plan to correct the area or areas not meeting the basic statistical standards.

The Compliance Scorecard along with the points possible follows:

Compliance Scorecard — Example of total points possible

Subclass	Appraised Value	Percent of Total Appraised Value

e. Preservation and Protection of Property Tax Records	2	
Total	10	
I. Total Points Possible	100	
II. Total Points Received		
III. Overall Score (II/I)*100		

1. STATISTICAL MEASURES COMPLIANCE REVIEW (50 points)

Statistical compliance for the residential and commercial/industrial subclasses shall be determined separately. A maximum of 50 ratio study compliance points are possible for a county that achieves the median ratio (25 points) and COD (25 points) performance goals through statistical point estimates in both subclasses. Subclass points shall be weighted by the percentage of appraised value within the combined subclasses, as derived from the most recent statistical abstract. The percentage of appraised value, divided between the residential and commercial/industrial

(continued)

subclass will be shown at the top of the form. These percentages will be used to develop the point weighting for each statistical measure in the two subclasses. Subclass weights are expected to vary from county to county and from year to year.

The following is an example of the weighting procedure:

Subclass	Appraised Value	Percent of Total Appraised Value
Residential	\$250,000,000	84.7
Commercial/Industrial	\$45,000,000	15.3
Total Appraised Value	\$295,000,000	100.0

Subclass	Percent of Appraised Value (weighted)	Compliance Points Possible	Weighted Points	Points Received
1. Statistical Measures				
Residential				
Appraisal Level	84.7	25	21.2	
Appraisal Uniformity	84.7	25	21.2	
Commercial/Industrial				
Appraisal Level	15.3	25	3.8	
Appraisal Uniformity	15.3	25	3.8	
Statistical Compliance Points			50.0	

- Sum the residential and commercial/industrial appraised value (\$250,000,000 + \$45,000,000 = \$295,000,000)
- Divide each subclass appraised value by the total appraised value.
 $\$250,000,000 / \$295,000,000 = 84.7 \text{ percent (Residential)}$
 $\$45,000,000 / \$295,000,000 = 15.3 \text{ percent (Commercial-Industrial)}$
- Multiply the percent of appraised value (weighted) by the compliance points possible in each subclass for both the median ratio and COD.
 $.847 \text{ times } 25 = 21.2$
 $.847 \text{ times } 25 = 21.2$
 $.153 \text{ times } 25 = 3.8$
 $.153 \text{ times } 25 = 3.8$

If the statistical point estimate for the median ratio or COD does not meet the minimum ratio study performance goals, the 95% confidence intervals will be examined. If the 95% confidence interval fails to reach or overlap the statistical performance goal, the compliance points allocated to the subclass and statistical measure in question will be lost. If the confidence interval reaches or overlaps the minimum performance goal, the points allocated to the statistical measures for that subclass shall be subtracted from the total compliance points, thereby establishing a new base for total possible points. The total points assigned to a county shall be divided by the adjusted base, total possible, and multiplied by 100 to arrive at the total score used to determine substantial compliance. This method will shift more emphasis to the procedural review and statutory components.

The following sales ratio study review shall be used to establish whether the county's appraisal performance measures are in statistical compliance, pursuant to minimum standards established by the Division of Property Valuation (see Appendix A. Scoring Example).

a. Appraisal Level

The median ratio measure of central tendency must suggest the overall level of appraised value for a subclass falls between 90 and 110 percent.

If the median ratio point estimate does not fall within the compliance range, confidence interval estimates shall be developed to provide an indication of reliability. If, at the 95% level of confidence, the subclass reaches or overlaps a portion of the prescribed range, the appraisal level shall not be found out of statistical compliance.

For example:

Median ratio: 85.0 95% Confidence interval: 80.0 to 90.0 would be considered in statistical compliance because it reaches the lower end of the acceptable standard of 90.0 to 110.0 percent.

Median ratio: 85.2 95% Confidence interval: 80.0 to 89.9 would not be considered in statistical compliance because it does not reach the lower end of the acceptable standard of 90.0 to 110.0 percent.

Median ratio: 97.7 95% Confidence interval: 80.0 to 115.0 would be considered in statistical compliance because the point estimate is within the required range and the confidence interval overlaps the entire acceptable range of 90.0 to 110.0 percent.

Median ratio: 114.9 95% Confidence interval: 110.0 to 120.0 would be considered in statistical compliance because the lower end reaches the acceptable range of 90.0 to 110.0 percent.

Median ratio: 115.2 95% Confidence interval: 110.1 to 120.0 would not be considered in statistical compliance because the lower end (110.1) does not reach the acceptable range of 90.0 to 110.0 percent.

b. Appraisal Uniformity

The average deviation of ratios about the median appraisal level shall be measured by the coefficient of dispersion (COD). The COD measure must suggest a deviation of 20.0 or less for the residential subclass and the commercial/industrial subclass to achieve statistical compliance. If a subclass fails to meet this goal, confidence interval estimates shall be developed about the COD. If the range estimate for the subclass includes a COD of 20.0 or less at the 95% level of confidence, appraisal uniformity shall not be found out of statistical compliance.

For example:

COD: 18.0 95% Confidence interval: 13.0 to 22.0

This example is not considered out of compliance because the COD point estimate is less than 20.0. The confidence interval does suggest, however, there is a small probability the true COD could actually be greater than 20.0, due to sampling error.

COD: 30.0 95% Confidence interval: 22.0 to 38.0

This example is considered out of compliance because the COD point estimate is 30.0 and the lower range of the 95% confidence interval does not fall below 20.0 (the maximum limit for compliance).

COD: 22.0 95% Confidence interval: 17.0 to 26.0

This example is not considered out of compliance although the COD point estimate is 22.0. Due to sampling error, it is probable that the true COD is somewhere within the range of 17.0 to 26.0 at the 95% level of confidence. The county would not fail the compliance test be-

cause of insufficient statistical confirmation. The lower end of the confidence interval does fall below 20.0 (the maximum limit for compliance).

c. Sample Size

If less than six valid sales are collected for a subclass during the study period, valid sales within the same subclass from the four previous study periods may be included to develop a larger and more reliable sample for analysis.

If less than five valid sales are available in a subclass sample, ratio study performance measures will not be used to determine statistical compliance. The points allocated to the statistical measures for that subclass shall be subtracted from the total compliance points, thereby establishing a new base of total possible points.

If more than half the sales in a subclass sample have been validated from a previous appraisal year ratio study, performance measures will not be used to determine statistical compliance. The points allocated to the statistical measures for that subclass shall be subtracted from the total compliance points, thereby establishing a new base of total possible points.

2. PROCEDURAL COMPLIANCE REVIEW (36 points)

The following procedural review is designed to establish whether the county's appraisal performance meets the substantial compliance standards. The county or district appraiser must be competent to perform the required appraisal functions required by Kansas statutes, the Uniform Standards of Professional Appraisal Practice, PVD manuals, PVD guidelines and PVD directives. Selection of a private firm whose services are necessary to perform mass appraisal assignments, develop components of a mass appraisal, provide technical appraisal services, or complete project maintenance phases must be made from a list of approved firms supplied by the director of property valuation in accordance with Directive #12-045 (see Appendix A. Scoring Example).

a. Scope of Work Appraisal Plan (4 points)

The county or district appraiser shall prepare an annual Scope of Work (SOW) appraisal maintenance plan. A copy of the preliminary plan shall be submitted electronically to the Division of Property Valuation by April 30 of each year, detailing the maintenance plan for the current calendar year and in accordance with the Revaluation Maintenance Specifications. The preliminary plan must include a copy of the budget that supports the project.

The SOW is an ongoing process in a mass appraisal assignment. Significant changes during the assignment should be noted in the working SOW document. A copy of the final SOW document, including the signed SOW certification shall be submitted electronically to the Division of Property Valuation within 30 days of the appraiser's certification of the appraisal roll to the county clerk as mandated in K.S.A. 79-1466.

b. Sales File (4 points)

PVD shall verify that the county has a sales file that documents the validity of sales, field inspection of data and sales price adjustments in accordance with the Revalua-

tion Maintenance Specifications and PVD sales validation guidelines. Both physical and computer files must be continually maintained and updated on a regular basis.

c. Parcel Maintenance Inspection (4 points)

PVD shall verify the county has performed the required data collection reinspection in accordance with the Revaluation Maintenance Specifications. Field review documentation must be detailed on the field review document showing the data collection changes, quality assignment, and depreciation application. Quality control activities must also be documented. All reinspection activity must have an inspection history record entered into the CAMA system showing the reviewer name, inspection date, and process code to adequately indicate the purpose of the review.

d. Land Valuation Model Calibration (4 points)

PVD shall verify that the county has developed and calibrated land valuation models in accordance with the Revaluation Maintenance Specifications. Neighborhood analysis forms, analysis documentation, and data summary must be complete to be considered in compliance. PVD shall also confirm land pricing tables have been updated. A market analysis for agricultural land must also be documented. Deviations from model assignments must be documented.

e. Construction Cost Multiplier Analysis (4 points)

If the county deviates from the current cost valuation system, PVD shall verify the county has a current residential and/or commercial/agricultural construction cost multiplier analysis in accordance with the Revaluation Maintenance Specifications. If the county recognizes a deviation from the current cost valuation system, cost tables must be updated to reflect the study. Deviation from the current cost valuation system without documentation will result in the loss of two points for the applicable property type. Two points for residential and two for commercial/agricultural are possible and are evaluated independently.

Sales of newly constructed properties may be used in the analysis for actual construction cost when appropriate.

f. Depreciation Analysis (4 points)

PVD shall verify the county has developed a depreciation analysis in accordance with the Revaluation Maintenance Specifications and PVD sales validation guidelines that utilizes all available valid sales. The county must include appropriate statistics, graphics reports and statistical analyses to test percent good calibration assignments. All forms of depreciation must be documented. The county must update percent good tables, if appropriate, with the results of the yearly analysis. Deviations from model assignments must be documented. Two points for residential and two for commercial/agricultural are possible and are evaluated independently.

g. Income Approach (4 points)

PVD shall verify that the county has developed or attempted to develop an income approach to value appropriate properties. The appraiser must document all income approach analysis and conclusions in accordance

(continued)

with the Revaluation Maintenance Specifications. Updated income and expense model calibration must be completed. Deviations from model assignments must be documented.

h. Comparable Sales Approach (4 points)

PVD shall verify the county has developed a sales comparison approach to value by analyzing the relationship between the sales prices and the real property characteristics. The county must document all sales approach analysis, model specification, model calibration and conclusions in accordance with the Revaluation Maintenance Specifications. Deviations from model assignments must be documented.

i. Final Review Process (4 points)

PVD shall verify that the county has performed the final review of values in accordance with the Revaluation Maintenance Specifications. The county must document the date and person performing the final review.

3. AGRICULTURAL USE VALUATION (2 points)

PVD shall verify that the county has met the review/inspection requirements for current agricultural use and influence factors in accordance with the Revaluation Maintenance Specifications. The county must identify current use of agricultural land, which includes cropland, grassland, irrigated land, waterways, non-productive land, and farm home sites. Agricultural use values issued annually by PVD must be updated into the CAMA system (see Appendix A. Scoring Example).

4. CADASTRAL MAPPING (2 points)

PVD shall verify that accurate property ownership maps are being maintained in accordance with the Revaluation Maintenance Specifications. Updated field maps (showing new plats, splits, and combinations), an updated assessment administration file and adherence to the parcel definition must be maintained (see Appendix A. Scoring Example).

5. STATUTORY COMPLIANCE (10 points)

The following review areas are to establish whether the county is following Kansas statutes not previously covered (see Appendix A. Scoring Example).

- a. A real estate value trend study is published at least five business days prior to the mailing of the CVN's (K.S.A. 79-1460A). Change of value notices are mailed on or before the statutory deadline, provided an extension has not been granted pursuant to K.S.A. 79-1404, *Seventeenth*, or an alternate form of notification approved pursuant to K.S.A. 79-1460 (K.S.A. 79-1460).
- b. Informal hearings are held within statutory timeframe, provided an extension has not been granted pursuant to K.S.A. 79-1404, *Seventeenth* (K.S.A. 79-1448).
- c. Values are certified to county clerk by statutory deadline, provided an extension has not been granted pursuant to K.S.A. 79-1404, *Seventeenth* (K.S.A. 79-1466 and 79-1467).
- d. Personal property is listed as required and penalties applied where applicable (K.S.A. 79-306 and 79-1422; K.S.A. 79-332a).

- e. The preservation and protection of all property tax records (K.S.A. 45-403).

APPENDIX A. Scoring Example

The scorecard on the following page demonstrates the scoring process based on the following information.

- The residential subclass failed to meet the required level of appraisal statistical standards and did not receive the 21.2 points possible.
- The commercial subclass had less than six sales; therefore, there were zero points possible for the commercial/industrial subclass. The total weighted points possible for statistical analysis changed to 42.4.
- A total of 50 points were possible for procedures, agricultural use valuation, cadastral mapping and statutory compliance.
- Compliance points possible total 92.4.
- The county deviated from the default residential construction cost multiplier and did not do a residential construction cost analysis. The county used the default commercial cost multiplier. Therefore 2 of the 4 possible points for the construction cost multiplier were deducted for failure to provide documentation to support deviation from the use of the residential default construction cost multiplier.
- The total points received for procedures totals 34 out of a possible 36.
- The county failed to mail their change of value notices before the statutory deadline and lost two points. Eight of a possible 10 points were earned for procedural compliance.
 - Total compliance points possible 92.4
 - Total points received 67.2

Total points received (67.2) divided by the total points possible (92.4) = final substantial compliance score (72.7 percent).

The county failed substantial compliance because the county did not reach the passing score of 75.0 percent.

Compliance Scorecard

Example

Subclass	Appraised Value	Percent of Total Appraised Value
Residential	\$250,000,000	84.7
Commercial/Industrial	45,000,000	15.3

Approved June 3, 2014.

David N. Harper
Director of Property Valuation

Doc. No. 042618

State of Kansas
Department of Revenue
Division of Property Valuation

The following appraisal directive is adopted by the director of property valuation pursuant to K.S.A. 79-505:

Directive #14-047

To: County Appraisers
Subject: Uniform Standards of Professional Appraisal Practice

This Directive Supersedes Directive #92-006

This directive is adopted pursuant to the provisions of K.S.A. 79-505(a), and shall take effect and be in force from and after its publication in the Kansas Register.

For the 2015 and 2016 valuation years, the county or district appraiser shall perform all appraisal functions in conformity with *Uniform Standards of Professional Appraisal Practice* (USPAP), 2014-2015 Edition, The Appraisal Foundation, as required by K.S.A. 79-505(a)(1) and (2) and as further defined herein.

USPAP Standard 6 shall be followed in developing and reporting a mass appraisal for ad valorem taxation purposes. Standard 6 may also be adhered to in revaluing individual properties that initially have been appraised through mass appraisal methods and techniques, but whose value estimates are reexamined and reconsidered

as a result of the hearing and appeals processes. Supporting documentation must be developed and reported for all model component overrides and adjustments.

USPAP Standard 1 shall be followed in performing a "single real property appraisal" and USPAP Standard 2 shall be followed in reporting the results of a single real property appraisal. Most properties in Kansas can be valued though the Orion computer assisted mass appraisal (CAMA) system; however, some parcels in Kansas do not lend themselves to mass appraisal methods and techniques. If a parcel cannot be credibly appraised with a mass appraisal model (see Standards Rule 6-4), USPAP Standards 1 and 2 would apply.

USPAP Standard 3 shall be followed in developing and reporting an appraisal review. An appraisal review is the process of developing an opinion of the quality of another appraiser's work performed as part of an appraisal or appraisal review assignment. It is the responsibility of the county and district appraiser to analyze all relevant single property appraisals provided by a property owner during the appeals process. A comparison of descriptive data, including subject property characteristics and comparable property information between the mass appraisal and single property appraisal report, and explanation of the findings, does not constitute a Standard 3 review.

By law, the written statements produced by the CAMA system setting forth an opinion of defined value of an adequately described specific property as of a specific date, supported by presentation and analysis of relevant market information, are deemed to be written appraisals for individual parcels of real property (see K.S.A. 79-504). Documentation of the written report of a mass appraisal is a requirement of USPAP Standards Rule 6-8. The workfile for the mass appraisal assignment shall contain the information and analyses to support the valuation models developed for all properties in the jurisdiction and provide an understanding of individual property valuation results. Substantial documentation and justification shall be provided for model adjustments and overrides made to individual parcels.

Appraisals developed for ad valorem taxation in Kansas must comply with statutes and regulations promulgated by the director of property valuation. Most of these requirements do not preclude compliance with any part of USPAP, but some place specific requirements on the scope of work. The director of property valuation has identified the following assignment elements that are necessary in Kansas to properly identify the ad valorem appraisal problem and develop credible assignment results:

- The purpose of ad valorem taxation is to finance the taxing districts in Kansas (see K.S.A. 79-1468, 79-1801, 79-1803, and 79-1806). County or district appraisers are required to develop the appraisal estimates that become the assessments used by the taxing districts (see K.S.A. 19-430, 79-5a27, 12-5250, 12-1775, 79-1409, 79-1411a, 79-1411b.). Therefore, county commissioners serve as the client and the taxing districts are the intended users of the appraisal. This scope of work compliance requirement applies to Standards Rule 6-

(continued)

2(a), 1-2(a), or 7-2(a), as applicable. The definition of intended user has a specific meaning in USPAP. Parties who receive a copy of the appraisal as a consequence of disclosure requirements do not become intended users of the report. (see statement on Appraisal Standards No. 9 [SMT-9]). Taxpayers and property owners are not intended users of the appraisal prepared for ad valorem taxation in Kansas unless specifically stated as such in the appraiser's Scope of Work document.

- The definition of fair market value for ad valorem appraisals in Kansas is found in K.S.A. 79-503a. This scope of work compliance requirement applies to Standards Rule 6-2(c), 1-2(c), or 7-2(c), as applicable.
- The effective appraisal date for all property in Kansas is January 1, as required by K.S.A. 79-1455. This scope of work compliance requirement applies to Standards Rule 6-2(d), 1-2(d), or 7-2(d), as applicable.
- A minimum standardized set of physical property characteristics has been determined relevant and necessary for the effective and efficient mass appraisal of real property in Kansas, as required by K.S.A. 79-1477. This scope of work compliance requirement applies to Standards Rule 6-2(e)(iii).

Any contradiction between state law or regulations and USPAP triggers the USPAP JURISDICTIONAL EXCEPTION RULE. Instructions from a client do not establish a jurisdictional exception. The director has invoked the following jurisdictional exceptions for ad valorem appraisal assignments:

- Land devoted to agricultural use in Kansas shall be appraised at both market value and use value as required by K.S.A. 79-1476. The market value appraisal of agricultural land shall follow USPAP rules. However, the prescribed methods used to develop use values are a statutory requirement. Use value appraisal estimates shall be utilized for ad valorem taxation of agricultural land. The requirement to value agricultural land by use value for assessment purposes is a jurisdictional exception.
- Kansas statutes require the following subclasses of tangible personal property to be appraised at fair market value: manufactured homes, oil and gas interest, material and equipment used in operating oil and gas wells, tax roll motor vehicles (with a 24M tag), trailers (non-business use), commercial and industrial machinery and equipment no longer being used in the production of income, and other personal property not elsewhere classified (such as aircraft, hot air balloons, golf carts, snowmobiles, watercraft and boat trailers). The county appraiser may choose from one of two options to develop and report the appraisal of such property:
 - ⇒ The appraisal development and reporting methods promulgated by the Division of Property Valuation and published in appraisal guides shall be used by the county appraiser. The property valuation director permits the county appraiser to in-

voke a jurisdictional exception to employ this option (see K.S.A. 79-1412a *sixth*, 79-1456).

- ⇒ County appraisers may deviate from the guides on an individual property. Single property appraisals shall be developed by following USPAP Standard 7 and reported under requirements of USPAP Standard 8 (see K.S.A. 79-1456).
- The valuation of non-exempt commercial and industrial machinery and equipment (class 2, subclass 5) and certain motor vehicles is prescribed by statute (K.S.A. 79-5105a and amendments thereto). These valuation methods are based upon a mathematical formula and the director of property valuation invokes a jurisdictional exception to USPAP.
- When the valuation for real property has been reduced due to a final determination made pursuant to the valuation appeals process the county appraiser shall comply with K.S.A. 79-1460. This requirement is a jurisdictional exception when it prevents the value of a parcel from increasing to the value as indicated by the mass appraisal process.

Approved May 16, 2014.

David N. Harper
Director of Property Valuation

Doc. No. 042619

State of Kansas

Office of the Governor Division of the Budget

Notice of Certification of Appropriations for the School District Capital Outlay State Aid Fund

K.S.A. 2013 Supp. 72-8815 instructs the director of the budget and the director of Legislative Research to jointly certify to the secretary of state that the aggregate amount of appropriations for the School District Capital Outlay State Aid Fund is equal to 100% of the amount that school districts are entitled to receive from the School District Capital Outlay State Aid Fund for such school year pursuant to K.S.A. 2013 Supp. 72-8814, and amendments thereto. Upon receipt of such certification, the Secretary of State shall cause notice of such certification to be published in the *Kansas Register*.

In accordance with Section 7(j) of 2014 Senate Substitute for House Bill No. 2506, and K.S.A. 2013 Supp. 72-8814, as amended by Section 47 of 2014 Senate Substitute for House Bill No. 2506, and further amended by Section 112 of 2014 Senate Substitute for Substitute for House Bill No. 2231, we hereby certify that this appropriation and demand transfer shall be made during the fiscal year ending June 30, 2015, as prescribed by law for school year 2014-2015.

Jon Hummel
Interim Director of the Budget
Raney L. Gilliland, Director
Legislative Research Department

Doc. No. 042614

(Published in the Kansas Register June 12, 2014.)

**Summary Notice of Bond Sale
City of Shawnee, Kansas
\$3,720,000
Internal Improvement Bonds
Series 2014A
(General obligations payable from
unlimited ad valorem taxes)**

Bids

Subject to the Notice of Bond Sale dated June 5, 2014, bids will be received on behalf of the finance director of the city of Shawnee, Kansas, on behalf of the governing body of the city at the offices of Springsted Incorporated, 380 Jackson St., Suite 300, St. Paul, MN 55101-2887, by delivery; via telephone at 651-223-3000 or via facsimile at 651-223-3046; or, in the case of electronic bids, via PARITY, until 11 a.m. (CDT) June 23, 2014, for the purchase of all of the city's \$3,720,000* principal amount of Internal Improvement Bonds, Series 2014A.

All bids will be publicly opened on the date and at the time set forth above and considered by the governing body at a regular meeting to be held at 7:30 p.m., or as soon thereafter as practicable, on said sale date. No oral or auction bids will be considered. Bids for the bonds shall not be less than 98.8 percent of the entire par amount of the bonds (\$3,675,360.00), plus accrued interest, if any, on the total principal amount of the bonds to the date of delivery.

Bond Details

The bonds will be in book-entry form only. The bonds will be issued in the denomination of \$5,000 or any integral multiple thereof, will be dated July 29, 2014 (the dated date), will be issued in the principal amount of \$3,720,000 and will become due serially on December 1 in each of the years as follows:

Maturity Schedule*

Maturity December 1	Principal Amount*
2016	\$115,000
2017	275,000
2018	275,000
2019	280,000
2020	280,000
2021	285,000
2022	290,000
2023	300,000
2024	305,000
2025	315,000
2026	325,000
2027	330,000
2028	345,000

Bids for the bonds may contain a maturity schedule providing for a combination of serial bonds and term bonds. All term bonds shall be subject to mandatory sinking fund redemption and must conform to the maturity schedule set forth above at a price of par plus accrued interest to the date of redemption.

The bonds will bear interest from the dated date at the rates to be determined when the bonds are sold as hereinafter provided, payable semiannually on June 1 and December 1 in each year, commencing June 1, 2015. The Kansas State Treasurer, Topeka, Kansas, will be the paying agent and bond registrar for the bonds.

Delivery and Payment

The bonds will be delivered to the successful bidder properly prepared, executed and registered without cost within approximately 30 days after the date of their sale in New York, New York.

Good-Faith Deposit

A good-faith deposit in the form of a certified or cashier's check drawn on a bank located in the United States, a financial surety bond in a form that complies with the requirements set forth in the Notice of Sale or the wire transfer of same-day funds in accordance with the requirements set forth in the Notice of Sale in the amount of \$74,400 must be furnished at or prior to the time of sale by each bidder.

Costs

The city will pay the cost of printing the bonds and the expense of all legal services, including the opinion of Kutak Rock LLP, bond counsel, approving the legality of the bonds and the exclusion of the interest thereon (with specified minor exceptions) from federal and Kansas gross income taxes.

Assessed Valuation and Indebtedness

For the computation of the debt limitation relating to the bonds, the equalized assessed valuation of the taxable tangible property within the city for the year 2013/2014 is \$765,715,564. The total general obligation bonded indebtedness of the city as of the date of the bonds, including the bonds and certain general obligation refunding bonds being sold simultaneously with the bonds, is \$103,525,000. General obligation bonds and notes in the principal amount of \$28,365,000 will be redeemed with a portion of the proceeds of the bonds and general obligation refunding bonds being sold simultaneously with the bonds, and other funds.

Additional Information

A complete Notice of Sale for the bonds, Official Statement and bid forms approved by the city will be mailed to all interested parties. Bidders may be required to be qualified in a manner established by the city before submitting a bid. Additional information regarding the bonds may be obtained from the financial advisor, Springsted Incorporated, at 651-223-3000, or Maureen Rogers, the city's finance director, at 913-742-6263.

Doc. No. 042628

State of Kansas

**Department of Agriculture
Division of Animal Health**

**Notice of Hearing on Proposed
Administrative Regulations**

A public hearing will be conducted at 10 a.m. Thursday, August 14, in the first floor conference room of the Kansas Department of Agriculture, 1320 Research Park Drive, Manhattan, to consider the adoption of proposed regulations.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Agriculture, 1320 Research Park Drive, 1st Floor, Manhattan, 66502, or by email at leslie.garner@kda.ks.gov. Comments also may be made through the department's website, <http://agriculture.ks.gov>, under the proposed regulation. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

The regulations are proposed for adoption on a permanent basis. A summary of the proposed regulations and economic impacts follows:

K.A.R. 9-29-1 through 9-29-15. These proposals revoke obsolete regulations.

K.A.R. 9-3-6. Definitions used in regulations.

K.A.R. 9-3-7. Sets licensing fee levels and sets fees for each level.

K.A.R. 9-3-8. Identification requirements for all licensed cervid herds.

K.A.R. 9-3-9. Requirements for importation of domesticated cervids from other states.

K.A.R. 9-3-10. Change of ownership testing requirements for brucellosis for domesticated cervids changing ownership in Kansas, and requirements for herds should brucellosis be found in a Kansas domesticated cervid herd.

K.A.R. 9-3-11. Change of ownership testing requirements for tuberculosis for domesticated cervids changing ownership in Kansas, and requirements for herds should tuberculosis be found in a Kansas domesticated cervid herd.

K.A.R. 9-3-12. Fencing requirements for containment and minimum requirements for feeding, watering and handling of domesticated cervids.

K.A.R. 9-3-13. Reporting requirements in the event a domesticated cervid escapes confinement.

K.A.R. 9-3-14. Requirements for the handling, care, treatment and transportation of domesticated cervids. (Adopts by reference provisions of the Code of Federal Regulations.)

K.A.R. 9-3-15. Requirements for participation in the chronic wasting disease (CWD) program.

K.A.R. 9-3-16. Defines CWD program levels and how they are attained and maintained.

K.A.R. 9-3-17. Requirements should a CWD-infected herd be found in Kansas.

Economic impact upon KDA:

K.A.R. 9-3-6 will have no economic impact.

K.A.R. 9-3-7 will bring estimated additional revenue of approximately \$1,200 to KDA through increases in license fees and changes in fee structure.

K.A.R. 9-3-8 will have no economic impact.

K.A.R. 9-3-9 will have no economic impact.

K.A.R. 9-3-10, K.A.R. 9-3-11 and K.A.R. 9-3-17. Presence of brucellosis, tuberculosis or chronic wasting disease in a Kansas cervid herd would require increased administrative and field staff duties due to the need to test or account for animal movement into, out of and surrounding infected herds.

K.A.R. 9-3-12 allows inspections of all licensed domesticated cervid operations. Each inspection and inventory will entail mileage and time from the KDA area field staff.

K.A.R. 9-3-13 will have no economic impact.

K.A.R. 9-3-14 will have no economic impact.

K.A.R. 9-3-15 and 9-3-16 will require all herds in the chronic wasting disease program to have a herd inspection and herd inventory reconciled yearly. Each inspection and inventory will entail mileage and time from the KDA area field staff.

Economic impact upon other governmental agencies and upon private business or individuals:

K.A.R. 9-3-6 will have no economic impact.

K.A.R. 9-3-7 will have financial impact on domesticated cervid producers in an amount based on the applicable fee level.

K.A.R. 9-3-8 will have the time required to maintain records and the cost of identification tags.

K.A.R. 9-3-9 will cost the out-of-state domesticated cervid producers the cost of having a veterinarian inspect, conduct necessary testing and write a certificate of veterinary inspection on the animals to be shipped to Kansas.

K.A.R. 9-3-10, K.A.R. 9-3-11 and K.A.R. 9-3-17 will require Kansas cervid producers who are selling live animals not moving direct to slaughter to either have paid an accredited veterinarian to test their herds as part of becoming a brucellosis-certified or tuberculosis-accredited free herd, or to pay an accredited veterinarian to test each adult animal prior to change of ownership.

K.A.R. 9-3-12 will require producers to incur the cost of building and maintaining fences of the appropriate height for the species and handling facilities for their domesticated cervids, as well as the cost of providing feed and water to their animals.

K.A.R. 9-3-13 only applies to operators who allow animals to escape. Operators may not only be responsible for the cost in recapturing escaped animals, but also may lose the animal and any value associated with it should it be deemed a disease threat.

K.A.R. 9-3-14 will have no economic impact.

K.A.R. 9-3-15 and K.A.R. 9-3-16 will have no economic impact.

Any individual with a disability may request accommodation in order to participate in the public hearing and

may request the proposed regulations and impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Leslie Garner at 785-564-6700. Handicapped parking is located at the west entrance to the building.

Copies of the regulations and the economic impact statement may be obtained by contacting Leslie Garner or by accessing the department's website at <http://agriculture.ks.gov>.

Jackie McClaskey
Secretary of Agriculture

Doc. No. 042611

State of Kansas
Behavioral Sciences Regulatory Board

**Notice of Hearing on Proposed
Administrative Regulation**

The Behavioral Sciences Regulatory Board will conduct a public hearing from 10 to 11 a.m. Wednesday, August 13, in the board conference room, Suite 420, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, to consider adopting proposed amendments to a permanent rule and regulation for professional counseling.

This 60-day notice of the public hearing constitutes a public comment period for purposes of receiving written public comments on the proposed amendments. All interested parties may submit written comments prior to the hearing to Max L. Foster, Jr., executive director, Behavioral Sciences Regulatory Board, 700 S.W. Harrison, Suite 420, Topeka, 66603-3929. Email comments may be directed to max.foster@bsrb.state.ks.us. All interested parties will be given a reasonable opportunity to present their views orally at the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Leslie Allen, assistant director, at 785-296-3240, or the Kansas Relay Center at 800-766-3777. There is metered parking all around the Eisenhower State Office Building. The public entrance is on the north side of the building.

A copy of the full text of the regulation and the economic impact statement may be reviewed or obtained at the board office and is also available on the board's website at www.ksbsrb.org (under "proposed regulations"). The following is a summary of the proposed amendments and economic statement. The board does not have a less costly or less intrusive method for achieving the stated purpose of this regulation.

K.A.R. 102-3-3a. Language is being added to implement a change in the approved 2007 statute (K.S.A. 65-5804a) that affects the education requirements for a licensed professional counselor (LPC).

Economic Impact: There would no economic impact to LPC licensees, the Behavioral Sciences Regulatory Board, any other governmental agencies or the public.

Max L. Foster, Jr.
Executive Director

Bureau of Investigation

Temporary Administrative Regulations

Article 10.—COLLECTION AND REPORTING

10-10-5. Electronic reporting by district courts.

Each district court shall electronically report all case filings and dispositions for all violations of K.S.A. 8-1567, K.S.A. 2013 Supp. 8-1025, K.S.A. 2013 Supp. 21-5426, K.S.A. 2013 Supp. 21-6419, K.S.A. 2013 Supp. 21-6420, K.S.A. 2013 Supp. 21-6421 or K.S.A. 2013 Supp. 21-6422, and amendments thereto, to the central repository. The case filings and dispositions shall be electronically submitted by a method approved by the director.

This regulation shall become effective on July 1, 2014. (Authorized by and implementing K.S.A. 2013 Supp. 22-4704, as amended by 2014 HB 2501, sec. 6; effective Aug. 23, 2013; amended, T-10-5-30-14, July 1, 2014.)

Kirk D. Thompson
Director

Doc. No. 042613

State of Kansas
Board of Technical Professions
Temporary Administrative Regulations

Article 6.—PROFESSIONAL PRACTICE

66-6-1. Seals and signatures. (a) Each licensee shall obtain a seal of the design approved by the board in compliance with K.S.A. 74-7023, and amendments thereto. The seal may be a rubber stamp, an embossed seal, or a computer-generated seal.

(b) Each original drawing, document, technical report, legal description, record, and paper prepared by or under the direct supervision of the licensee in the licensee's professional capacity shall be stamped with the licensee's seal, unless the project is exempt from the requirements for licensure pursuant to K.S.A. 74-7031, K.S.A. 74-7032, K.S.A. 74-7033, K.S.A. 74-7034, or 2014 SB 349, sec. 26, and amendments thereto.

After the licensee's seal has been applied to the original or record copy, the licensee shall place the licensee's handwritten signature and date across the seal.

(c)(1) Any licensee may use a digital signature if the signature meets all of the following requirements:

- (A) Is unique to the person using it;
- (B) Is able to be verified;
- (C) Is under the sole control of the person using it; and
- (D) Is linked to an electronic document bearing the digital signature in such a manner that the signature is invalidated if any data in the document is altered.

(continued)

(2) Each displayed copy of, and each hard copy printed from, a transmitted or stored electronic document containing a digital signature shall bear the facsimile of the signature, date of signing, and seal and shall be a confirmation that the electronic document was not altered after the initial digital signing of the document. If the electronic document is altered, the facsimile of the signature, date, and seal shall be caused to be voided.

This regulation shall become effective on July 1, 2014. (Authorized by K.S.A. 2013 Supp. 74-7013, as amended by 2014 SB 349, sec. 12; implementing K.S.A. 2013 Supp. 74-7023, as amended by 2014 SB 349, sec. 17; effective May 1, 1978; amended May 1, 1984; amended May 1, 1985; amended May 4, 1992; amended Feb. 22, 1993; amended Feb. 13, 1995; amended March 1, 1996; amended Feb. 6, 1998; amended Nov. 2, 2001; amended March 28, 2008; amended, T-66-5-30-14, July 1, 2014.)

66-6-4. Professional conduct. (a) For the purposes of this regulation, "licensee" shall mean an architect, a landscape architect, a professional engineer, a professional geologist, or a professional surveyor.

(b) If any licensee's professional judgment has been disregarded under circumstances in which the safety, health, or welfare of the public is endangered, the licensee shall inform the employer or client of the possible consequences, and the licensee shall notify the authority who issued the building permit or otherwise has jurisdiction.

(c) The licensee shall not advertise to perform or undertake to perform any assignment involving a specific technical profession unless the licensee is licensed and qualified by education and experience in that technical profession, as defined in K.S.A. 74-7003, and amendments thereto.

(d) A licensee in any technical profession shall not affix a personal or digital signature, seal, or both to any plan or document dealing with subject matter that is outside the licensee's field of practice as defined by K.S.A. 74-7003, and amendments thereto.

(e) If the competence of any licensee to perform an assignment in a specific technical field is at issue, the licensee may be required by the board to pass an appropriate examination.

(f) In all professional reports, statements, and testimony, each licensee shall meet the following requirements:

- (1) Be completely objective and truthful; and
- (2) include all relevant and pertinent information.

(g) When serving as an expert or technical witness before any court, commission, or other tribunal, each licensee shall express only opinions founded on the following:

- (1) An adequate knowledge of the facts at issue;
- (2) a background of technical competence in the subject matter; and
- (3) an actual, good-faith belief in the accuracy and propriety of the licensee's testimony.

(h) If a licensee issues any statements, criticisms, or arguments on public policy matters that are inspired or paid for by any interested party or parties, those comments shall be prefaced by and include disclosure of the following:

(1) The identity of each party on whose behalf the licensee is speaking; and

(2) the existence of any pecuniary interest of the licensee.

(i) Each licensee shall disclose all known or potential conflicts of interest to employers or clients by promptly informing them of any business association, interest, or any other circumstances that could influence that licensee's judgment or the quality of the licensee's services.

(j) A licensee shall not accept compensation, financial or otherwise, from more than one party for services on the same project or for services pertaining to the same project, unless the circumstances are fully disclosed and agreed to by all interested parties.

(k) A licensee shall not solicit or accept financial or other valuable consideration, directly or indirectly, from either of the following:

(1) Material or equipment suppliers for specifying their products; or

(2) contractors, their agents, or other parties in connection with work for employers or clients for which the licensee is responsible.

(l) A licensee shall not solicit a contract from a governmental body on which a principal or officer of the licensee's organization serves as a member, except upon public disclosure of all pertinent facts and circumstances and consent of the appropriate public authority.

(m) A licensee shall not offer, directly or indirectly, to pay a commission or other consideration or to make a political contribution or other gift in order to secure work, except for payment made to an employment agency for its services.

(n) In all contacts with prospective or existing clients or employers, each licensee shall accurately represent the licensee's qualifications and the scope of the licensee's responsibility in connection with work for which the licensee is claiming credit.

(o) A licensee shall not be associated with, or permit the use of the licensee's personal name or firm name in, a business venture being performed by any person or firm that the licensee knows, or has reason to believe, is engaging in either of the following:

(1) Business or professional practice of a fraudulent or dishonest nature; or

(2) a violation of K.S.A. 74-7001 et seq., and amendments thereto, or the regulations promulgated and adopted by the board, or both.

(p) Each licensee with knowledge of any alleged violation of K.S.A. 74-7001 et seq., and amendments thereto, or the regulations promulgated and adopted by the board, or both, shall report the alleged violation to the board.

(q) Each licensee shall cooperate with the board in its investigation of complaints or possible violations of K.S.A. 74-7001 et seq., and amendments thereto, and the regulations of the board. This cooperation shall include responding timely to written communications from the board, providing any information or documents requested within 30 days of the date on which the communication was mailed, and appearing before the board or its designee upon request.

(r) A licensee shall not assist any person in applying for licensure if the licensee knows that person to be unqualified with respect to education, training, experience, or character.

(s) Conviction of a felony or the revocation or suspension of a professional license by another jurisdiction, if for a cause that in Kansas would constitute a violation of Kansas law or of these regulations, or both, shall constitute unprofessional conduct.

(t) A licensee shall not violate any order of the board.

(u) Each professional surveyor shall comply with the minimum standards for the practice of professional surveying adopted by reference in K.A.R. 66-12-1.

(v) Each licensee shall take appropriate measures to ensure that the licensee's drawings and specifications meet the following requirements:

(1) Remain the property of the licensee regardless of whether the project contemplated was executed;

(2) are not utilized for projects that were not contemplated at the time of the completion of the drawings and specifications; and

(3) are not used by the client on any other projects, including additions to the contemplated project, unless the licensee defaults or agrees in writing to this use.

This regulation shall become effective on July 1, 2014. (Authorized by K.S.A. 2013 Supp. 74-7013, as amended by 2014 SB 349, sec. 12; implementing K.S.A. 2013 Supp. 74-7013, as amended by 2014 SB 349, sec. 12, and K.S.A. 2013 Supp. 74-7026, as amended by 2014 SB 349, sec. 20; effective May 1, 1978; amended May 1, 1984; amended May 1, 1985; amended May 4, 1992; amended Feb. 22, 1993; amended Feb. 13, 1995; amended Feb. 4, 2000; amended Feb. 9, 2001; amended Nov. 2, 2001; amended Feb. 4, 2005; amended Jan. 5, 2007; amended March 28, 2008; amended, T-66-5-30-14, July 1, 2014.)

Article 8.—EXAMINATIONS

66-8-7. Geology examinations. (a) The examination required of each applicant for geology licensure shall be the national association of state boards of geology (ASBOG®) examination, consisting of a geology fundamentals section and a geologic practice section.

(b) The examination shall be graded by the ASBOG®, subject to approval by the board.

(c) Each applicant for a professional license shall be required to pass the section on geology fundamentals and shall meet the geology experience requirements under 2014 SB 349, sec. 16, and amendments thereto, before submitting an application to take the section on geologic practice.

This regulation shall become effective on July 1, 2014. (Authorized by K.S.A. 2013 Supp. 74-7013, as amended by 2014 SB 349, sec. 12; implementing K.S.A. 74-7017, K.S.A. 2013 Supp. 74-7023, as amended by 2014 SB 349, sec. 17, and 2014 SB 349, sec. 16; effective Feb. 4, 2000; amended Nov. 6, 2009; amended, T-66-5-30-14, July 1, 2014.)

Article 9.—EDUCATION

66-9-6. Geology curriculum approved by the board. Graduation from a course of study in geology shall

mean successful completion of a baccalaureate or a master's degree in geology that meets the requirements of 2014 SB 349, sec. 16, and amendments thereto.

This regulation shall become effective on July 1, 2014. (Authorized by K.S.A. 2013 Supp. 74-7013, as amended by 2014 SB 349, sec. 12; implementing 2014 SB 349, sec. 16; effective Feb. 4, 2000; amended Feb. 4, 2005; amended, T-66-5-30-14, July 1, 2014.)

Article 10.—EXPERIENCE

66-10-13. Geology experience of a character that is satisfactory to the board. (a) The work experience required of each applicant shall expose the applicant to all phases of work integral to the discipline of geology in which the applicant claims qualification to practice and shall be verified as specified in paragraph (b)(2).

(b) Geology experience shall meet the following requirements:

(1) Fall within the definition of "practice of professional geology" in K.S.A. 74-7003, and amendments thereto; and

(2) be directly supervised and verified by a licensed geologist for work performed after July 1, 2000. However, direct supervision by a licensed geologist shall not be required of the employees of any person, firm, or corporation that does not offer services in the technical professions to the public, although verification by the applicant's supervisor shall still be required.

(c) The following shall be used to assess credit for work experience:

(1) Experience credit shall not be allowed for work performed before graduation.

(2) One year of credit toward the experience requirement may be given for a master's degree in geology or in a closely related specialty area acceptable to the board.

(3) Teaching geology in a college or university that offers a geology curriculum of four years or more approved by the board may be considered geology experience.

(d) Each applicant shall supply references from at least three licensed geologists or licensed engineers who are familiar with the applicant's geology experience. At least two of these references shall be licensed geologists. One of the three references may be a licensed engineer.

This regulation shall become effective on July 1, 2014. (Authorized by K.S.A. 2013 Supp. 74-7013, as amended by 2014 SB 349, sec. 12; implementing 2014 SB 349, sec. 16; effective Feb. 4, 2000; amended Feb. 9, 2001; amended Nov. 2, 2001; amended Nov. 1, 2002; amended Dec. 27, 2013; amended, T-66-5-30-14, July 1, 2014.)

66-10-14. Engineering, surveying, and geology experience standards acceptable to the board for reciprocity applicants. (a) Each applicant for a professional engineering license by reciprocity shall meet the following requirements:

(1) Provide verification from the employer of at least four years of experience in the practice of professional engineering, as defined in K.S.A. 74-7003 and amendments thereto. One year of credit toward the experience requirement may be given for a master's or doctoral degree in engineering; and

(continued)

(2) supply references from at least three engineers who are licensed in the United States and are familiar with the applicant's engineering experience.

(b) Each applicant for a professional surveying license by reciprocity shall meet the following requirements:

(1) Provide verification from the employer of at least eight years of surveying experience or education, or a combination of these, pursuant to K.S.A. 74-7022 and amendments thereto, K.A.R. 66-10-10, K.A.R. 66-10-10a, K.A.R. 66-10-10b, and K.A.R. 66-10-11; and

(2) supply references from at least three licensed surveyors or licensed engineers who are familiar with the applicant's surveying experience. At least one reference shall be from a licensed surveyor.

(c) Each applicant for a professional geology license by reciprocity shall meet the following requirements:

(1) Provide verification from the employer of at least four years of experience in the practice of professional geology, as defined in K.S.A. 74-7003 and amendments thereto. One year of credit toward the experience requirement may be given for a master's degree in geology or in a closely related specialty area acceptable to the board; and

(2) supply references from at least three licensed geologists or licensed engineers who are familiar with the applicant's geology experience. At least two of these references shall be from licensed geologists. One of the three references may be from a licensed engineer.

This regulation shall become effective on July 1, 2014. (Authorized by K.S.A. 2013 Supp. 74-7013, as amended by 2014 SB 349, sec. 12, K.S.A. 2013 Supp. 74-7021, as amended by 2014 SB 349, sec. 14, K.S.A. 2013 Supp. 74-7022, as amended by 2014 SB 349, sec. 15, and 2014 SB 349, sec. 16; implementing K.S.A. 2013 Supp. 74-7018, K.S.A. 2013 Supp. 74-7021, as amended by 2014 SB 349, sec. 14, K.S.A. 2013 Supp. 74-7022, as amended by 2014 SB 349, sec. 15, K.S.A. 74-7024, as amended by 2014 SB 349, sec. 18, and 2014 SB 349, sec. 16; effective Feb. 4, 2005; amended Feb. 3, 2006; amended Nov. 6, 2009; amended Dec. 27, 2013; amended, T-66-5-30-14, July 1, 2014.)

Article 11.—INTERN CERTIFICATION AND ADMISSION TO THE FUNDAMENTALS EXAMINATION

66-11-1a. Intern geologist certificate. An intern geologist certificate shall be issued to each individual who meets both of the following requirements:

(a) Passes the examination in the fundamentals of geology as administered by the national association of state boards of geology (ASBOG®); and

(b) submits proof of completion of a baccalaureate or master's degree in geology pursuant to K.A.R. 66-9-6.

This regulation shall become effective on July 1, 2014. (Authorized by K.S.A. 2013 Supp. 74-7013, as amended by 2014 SB 349, sec. 12; implementing 2014 SB 349, sec. 16; effective Nov. 1, 2002; amended Nov. 6, 2009; amended, T-66-5-30-14, July 1, 2014.)

66-11-4. Admission requirements for fundamentals of geology examination. (a) Each application shall be reviewed by the board to determine whether the requirements for examination have been met. Once the board establishes that the requirements have been met, the applicant shall be allowed to sit for the examination.

(b) The requirements for admission shall be either of the following:

(1) Senior status in a geology curriculum described in K.A.R. 66-9-6; or

(2) completion of a geology curriculum described in K.A.R. 66-9-6.

This regulation shall become effective on July 1, 2014. (Authorized by K.S.A. 2013 Supp. 74-7013, as amended by 2014 SB 349, sec. 12; implementing K.S.A. 2013 Supp. 74-7023, as amended by 2014 SB 349, sec. 17, and 2014 SB 349, sec. 16; effective Feb. 4, 2000; amended Nov. 6, 2009; amended, T-66-5-30-14, July 1, 2014.)

Article 12.—MINIMUM STANDARDS FOR THE PRACTICE OF PROFESSIONAL SURVEYING

66-12-1. Minimum standards for the practice of professional surveying. The board hereby adopts by reference the following:

(a) The "minimum standard detail requirements for ALTA/ACSM land title surveys (effective February 23, 2011)"; and

(b) the "Kansas minimum standards for boundary surveys and mortgagee title inspections standards of practice" adopted by the Kansas society of land surveyors and last amended December 2009, except that the preface and scope sections shall be deleted.

This regulation shall become effective on July 1, 2014. (Authorized by and implementing K.S.A. 2013 Supp. 74-7013, as amended by 2014 SB 349, sec. 12; effective May 4, 1992; amended Feb. 14, 1994; amended Feb. 13, 1995; amended March 1, 1996; amended Feb. 4, 2000; amended Jan. 23, 2009; amended June 18, 2010; amended Jan. 6, 2012; amended, T-66-5-30-14, July 1, 2014.)

Mary Leigh Dyck Executive Director

Doc. No. 042612

INDEX TO ADMINISTRATIVE REGULATIONS

This index lists in numerical order the new, amended and revoked administrative regulations and the volume and page number of the Kansas Register issue in which more information can be found. Temporary regulations are designated with a (T) in the Action column. This cumulative index supplements the 2009 Vol-

umes of the Kansas Administrative Regulations and the 2013 Supplement of the Kansas Administrative Regulations.

AGENCY 4: DEPARTMENT OF AGRICULTURE

Table with 3 columns: Reg. No., Action, Register. Rows include 4-16-1a, 4-16-1c, 4-16-7a, 4-16-306, 4-17-1a.

Table with 4 columns: Regulation Number, Status, Register, Page. Rows include 4-17-1c, 4-17-300, 4-17-302 through 4-17-305, 4-28-2, 4-28-6, 4-28-8, 4-28-9 through 4-28-16, 4-28-33, 4-28-34.

AGENCY 5: DEPARTMENT OF AGRICULTURE—DIVISION OF WATER RESOURCES

Reg. No.	Action	Register
5-7-1	Amended	V. 33, p. 325
5-7-4	Amended	V. 33, p. 325
5-7-4b	New	V. 33, p. 326
5-16-1	Amended	V. 32, p. 566
5-16-2	Revoked	V. 32, p. 566
5-16-3	Amended	V. 32, p. 566
5-16-4	Amended	V. 32, p. 567
5-16-5	Revoked	V. 32, p. 567
5-16-6	Amended	V. 32, p. 567
5-16-7	Amended	V. 32, p. 567

AGENCY 9: DEPARTMENT OF AGRICULTURE—DIVISION OF ANIMAL HEALTH

Reg. No.	Action	Register
9-7-4	Amended	V. 32, p. 1170

AGENCY 10: KANSAS BUREAU OF INVESTIGATION

Reg. No.	Action	Register
10-10-2	Amended	V. 32, p. 960
10-10-5	New	V. 32, p. 960

AGENCY 11: DEPARTMENT OF AGRICULTURE—DIVISION OF CONSERVATION

Reg. No.	Action	Register
11-12-1 through 11-12-7	Amended	V. 32, p. 501-503

AGENCY 14: DEPARTMENT OF REVENUE—DIVISION OF ALCOHOLIC BEVERAGE CONTROL
