Legal Description: Latitude: 38.92056, Longitude: -95.00685 Facility Name: Former Sunflower Army Ammunition Plant Facility Address: 35425 W. 103rd St., De Soto, KS 66018

The proposed action is to reissue an existing permit for discharge during a groundwater remediation project. This facility is the formerly government-owned Sunflower Army Ammunition Plant (SFAAP) undergoing demolition and remediation activities for closure. The permitted discharges include stormwater runoff associated with past industrial activity, investigative and remedial activities including construction/demolition activity, pond dewatering, groundwater

dewatering, wastewater structure dewatering, surface seeps of groundwater, stormwater runoff from inactive industrial activity/ process areas and from other activities that cause soil disturbances. Closure requirements include decommissioning of nonutilized portions of all wastewater treatment and pollution control systems and water supply and distribution systems. The facility also generates discharge water with contamination potential at various locations. The facility is also engaged in decommissioning nonutilized portions of site wastewater treatment and pollution control systems, as well as water supply treatment and distribution systems. The site includes formerly permitted water pollution control systems for the city of De Soto, M-KS12-OO02 and M-KS12-PO07; Koch Sulfur Products, I-KS12-PO02; Sunflower Aquaculture, I-KS12-PO06; and Kansas Waste Water Inc., I-KS12-POO5. The sanitary sewer collection system to the former wastewater plant site will be abandoned in place. There are approximately 50 holding tanks and/or septic tank/ lateral field systems for domestic sewage treatment that will be decommissioned/abandoned. The city of De Soto public water supply system located on-site will remain active. Any portion of the water supply treatment and distribution system for inactive portions of the site will be disconnected from the active system and abandoned inplace. All facility water distribution, wastewater collection and wastewater treatment systems will be closed in accordance with KDHE Consent Order No. 05-E-0111 Item No. 55 and Bureau of Water approval.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before October 18 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-14-245/246, KS-AG-R-14-030, KS-Q-14-157/160) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the secretary of health and environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at http://www.kdheks.gov/feedlots. Division of Environment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit. ANR Pipeline Company – Greensburg Compressor Station has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance.

ANR Pipeline Company, 717 Texas St., Suite 2400, Houston, TX 77002, owns and operates the Greensburg Compressor Station, a natural gas compressor station located at Section 16, T28S, R19W, Kiowa County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for public review during normal business hours, 8 a.m. to 5 p.m., at the KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, and at the KDHE Southwest District Office, 302 W. McArtor Road, Dodge City. To obtain or review the proposed permit and supporting documentation, contact Cathy Richardson, 785-296-1947, at the KDHE central office, or Ethel Evans, 620-356-1075, at the KDHE Southwest District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Cathy Richardson, KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received not later than noon October 20.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Cathy Richardson, KDHE, Bureau of Air, not later than noon October 20 in order for the secretary of health and environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was im-

(continued

practicable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation is seeking general qualified "on-call" consulting firms prequalified in multiple categories for general project designs immediately and subsequently. A list of imminent projects can be obtained from David J. Nagy, P.E., assistant to the director of design/contracts engineer, at davidn@ksdot.org. A PDF (1Mb maximum size) of the interest response must be emailed to David Nagy. Interest and experience responses are limited to four pages, and the subject line of the reply email and the PDF file name must read "On-Call General Consulting LOI—Firm Name." The letter of interest is required and must be received by noon October 2, 2014, for the consulting firm to be considered. View categories at http://www.ksdot.org/divengdes/prequal/default.asp.

On-Call General

This advertisement is to obtain on-call general consultants to do imminent road and bridge projects and any subsequent projects, as necessary, statewide.

Please include in your letter of interest if your firm is interested in working on any particular project(s) on the imminent project list, has exceptional skills, and/or knowledge of the particular area that would make your firm most suited. The scope of the services may include a brief study, traffic engineering, survey, public involvement, road design, hydrology/hydraulics, bridge design and designer construction services.

The Consultant Shortlist Committee will select the most highly qualified firms expressing interest and based on the letter of interest, size and professional qualifications, experience of staff, work load of firm, prequalifications, location of firm with respect to project(s), work history and performance record. View categories and prequalifications at www.ksdot.org/divengdes/prequal.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract:

- Valid, reliable and current costs must be available within the system to support actual costs and pricing data.
- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable costs by contract or project records that will reconcile with the general ledger.
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

For more information contact David Nagy at 785-296-0930 or davidn@ksdot.org.

Permanent Administrative Regulations

Article 4.—REAL ESTATE RATIO STUDY

93-4-2. Annotation and disposition of real estate sales validation questionnaires; duties of county officials. (a) Not later than three business days after the receipt of a three-part real estate sales validation questionnaire, the register of deeds shall annotate each copy with the following information:

- (1) The volume and page entry from the general index, indicating where the deed, instrument, or affidavit of equitable interest that accompanies it is recorded;
 - (2) the county official validation number;
 - (3) the type of instrument; and
 - (4) the recording date.

The register of deeds shall retain the original copy and forward the county appraiser's copy and the director of property valuation's copy to the county appraiser. Not later than three business days after the receipt of the county appraiser's and the director's copies, the county appraiser shall enter the parcel identification number on both paper copies of each real estate sales validation questionnaire received from the register of deeds.

- (b) The register of deeds may accept a one-part real estate sales validation questionnaire when authorized by the director of property valuation to process real estate sales validation questionnaires by electronic imaging. An electronic copy may be accepted by the register of deeds if questionnaires are received by means of digital media transmission and retained in an electronic document management system. (Authorized by K.S.A. 79-1491; implementing K.S.A. 79-1487 and 79-1488; effective June 26, 1998; amended Oct. 3, 2014.)
- **93-4-3.** Split and combined real estate parcel sales; duties of county officials. Not later than 10 business days after the receipt of a real estate sales validation questionnaire concerning the sale of a split parcel or a parcel to be combined with one or more parcels, the county appraiser shall perform one of the following:
- (a) On or after January 1 of the current appraisal year and before the creation of working files for the next appraisal year, enter the sales information on the parent parcel record in the county's computer-assisted mass appraisal system; or
- (b) on or after the creation of working files for the next appraisal year and before January 1 of the next appraisal year, enter the sales information on the split or combined parcel record in the county's computer-assisted mass appraisal system. (Authorized by K.S.A. 79-1491; implementing K.S.A. 79-1487; effective June 26, 1998; amended Oct. 3, 2014.)
- **93-4-4.** Assemblage and entering of sales data; accounting for real estate sales validation questionnaires; duties of county officials. (a) Not later than the 10th day of each month, the county appraiser shall assemble and enter into the county's computer-assisted mass appraisal system the sales data pertaining to property transfers that were recorded on or before the last day of the preceding month, as obtained from the real estate sales validation questionnaires received from the register of deeds.
- (b) The county appraiser shall meet the following requirements:
- (1) Account for all real estate sales validation questionnaires by entering sales information from all questionnaires into the database fields in the county's computerassisted mass appraisal system;
- (2) maintain in a void file those questionnaires that cannot be matched with a parcel of real estate, those that

- contain information that cannot be entered in the county's computer-assisted mass appraisal system, and those that were not required by K.S.A. 79-1437e and amendments thereto;
- (3) electronically upload the recorded monthly sales data from the county's computer-assisted mass appraisal system to the current year's ratio study database at the division of property valuation, not later than the 15th day of the following month; and
- (4) perform one of the following, not later than the 15th day of the following month:
- (A) Submit the complete set of sales validation questionnaire documents recorded in the previous month to the director of property valuation or the director's agents; or
- (B) electronically upload the complete set of recorded monthly sales as digital image files that meet specified file-naming conventions, resolution, and format standards to the sales validation questionnaire database at the division of property valuation. (Authorized by K.S.A. 79-1491; implementing K.S.A. 79-1487 and 79-1488; effective June 26, 1998; amended Oct. 3, 2014.)
- **93-4-5.** Access to county records by the director of property valuation; duties of county officials. (a) The county shall make its computer-assisted mass appraisal system available to the director of property valuation and the director's agents, to generate and print reports and to prepare data files to enable the electronic extraction of sale information on a monthly basis.
- (b) The county appraiser shall prepare and transmit the electronic assessment administration file of all appraised values to the director not later than three business days after the mailing of the annual valuation notices pursuant to K.S.A. 79-1460, and amendments thereto. (Authorized by K.S.A. 79-1491; implementing K.S.A. 79-1487; effective June 26, 1998; amended Oct. 3, 2014.)
- **93-4-6. Performance standards.** Table 2-3 of the "standard on ratio studies," adopted by the executive board of the international association of assessing officers in April 2013, is hereby adopted by reference and shall constitute the performance standards used to evaluate the appraisal of residential and commercial and industrial real estate. However, the coefficient of dispersion shall have a range of 5.0 to 20.0, with a level of confidence of 95 percent. (Authorized by K.S.A. 79-1491; implementing K.S.A. 79-1485, 79-1486, 79-1487, and 79-1488, K.S.A. 2013 Supp. 79-1489, K.S.A. 79-1490, 79-1492, and 79-1493; effective June 26, 1998; amended April 20, 2001; amended Oct. 3, 2014.)
