Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 1:30 p.m. Wednesday, January 14, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of proposed rules and regulations.

The 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to Diane Minear, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678, via facsimile at 785-291-3190 or via email at dminear@ksinsurance.org. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing.

A summary of the proposed regulations and their economic impact follows:

K.A.R. 40-9-126. Advertising of Medicare supplement insurance. This proposed regulation would provide policy and procedure for the review of advertising material filed with the department pursuant to K.A.R. 40-4-35.

Because current practice is consistent with this proposed regulation, there is no economic impact on health insurers.

Similarly, there will be no economic impact on the Kansas Insurance Department, consumers, small businesses or other governmental agencies.

K.A.R. 40-9-118. Life insurance and annuities; advertising. This amendment to the existing regulation would adopt an amended version of the most recent NAIC model regulation governing the advertisement of life insurance and annuities. The proposed amendment contains three substantive changes from the current regulation: 1) References to modern modes of communication via the Internet, social media and mass media; 2) Requires companies to notify producers of the procedures necessary for producers to obtain company approval of advertising material not furnished by the company; and 3) Clarifies "nonguaranteed" and "determinable" policy elements.

Because current practice is consistent with this amendment, there is no economic impact on life insurers.

Similarly, there will be no economic impact on the Kansas Insurance Department, consumers, small businesses or other governmental agencies.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and the economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Diane Minear at 785-296-2676 or dminear@ksinsurance.org. Any individual desiring a copy of any regulation and/or the policy and procedure that is being adopted by reference, if applicable, may obtain a copy from the agency's website, www.ksinsurance.org (under the Legal Issues link), or by contacting Diane Minear. The charge for copies is 50 cents per page.
