**Notice of Cancellation of Hearing on
Construction Management At-Risk Services**

The Office of Facilities and Procurement Management (OFPM) published a notice of a public hearing in the Kansas Register on January 1, 2015, indicating the State Building Advisory Commission would conduct a public hearing on February 11, 2015, on the proposed use of construction management-at-risk services for the construction of Parking Garage #5 at the University of Kansas Medical Center (KUMC).

OFPM has subsequently been advised by KUMC that this project will be totally funded by nonstate monies and will be constructed pursuant to the state educational institution project delivery construction procurement act (K.S.A. 76-7,125 et seq.). As a result, the public hearing previously scheduled for February 11, 2015, is no longer required and has been cancelled. Further information on this project will be forthcoming through the Kansas Board of Regents. For more information contact David Rau at drau2@kumc.edu or 913-945-5943.

Department of Administration
Office of Facilities and
Procurement ManagementNotice of Requested "On-Call"
Engineering Services

Notice is hereby given of the commencement of the selection process for "on-call" civil engineering services for the Kansas Department of Wildlife, Parks and Tourism. Services are required for restricted (small) projects of \$500,000 or less. Two firms will be selected. Contracts will be for three years.

For more information contact Chad Grisier at 785-296-3859 or chad.grisier@ksoutdoors.com. Firms interested in providing these services should be familiar with the requirements found in Part B—Chapter 4 of the Building Design and Construction Manual at the website below.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <http://admin.ks.gov/offices/ofpm/dcc/f-and-d>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation and an abbreviated project name in the title of the PDF document. Proposals should be less than 5MB and follow the current State Building Advisory Commission guidelines found in Part B — Chapter 2 of the Building Design and Construction Manual at <http://www.admin.ks.gov/offices/ofpm/dcc/bdcm>. Proposals should be sent on a CD, DVD or flash drive along with a transmittal to Randy Riveland, Office of Facilities and Procurement Management, Suite 700, 800 S.W. Jackson, Topeka, 66612-1216. Proposals sent via email will no longer be accepted and paper copies of the proposals are no longer required. It is the proposer's responsibility to ensure proposals are received by the closing date and time. Delays in mail delivery or any other means of transmittal, including couriers or agents of the issuing entity, shall not excuse late proposal submissions. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions call 785-296-0749. The PDF proposal submissions shall be delivered to the attention of Randy Riveland by 2 p.m. on or before February 13, 2015.

Department of Transportation

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the KDOT website at <http://www.ksdot.org/burconsmain/contracts/proposal.asp>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid not later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject the bid. The secretary of transportation reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2007 edition of the Kansas Department of Transportation's *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic proposals using the Bid Express website at <http://www.bidx.com> until 1 p.m. local time February 18, 2015. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 S.W. Harrison, Topeka, at 1:30 p.m. local time February 18, 2015. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

Department of Commerce

Notice of Hearing

The Kansas Department of Commerce, CDBG Program, will conduct a public hearing on the proposed FFY 2015 and 2016 Community Development Block Grant Program from 10 to 11 a.m. Tuesday, March 10, in the department's main conference room, Suite 100, 1000 S.W. Jackson, Topeka. The purpose of this hearing is to gain citizen input on the proposed changes to the federally funded CDBG program, as well as take comments on the performance of past administration of this program. No preregistration is required. All citizens are invited to attend the public hearing or also may call in by conference call at 866-620-7326 (conference code 6583791179).

Anyone needing special accommodations should contact the Kansas Department of Commerce at least five business days in advance of the hearing at 785-296-3004, fax 785-296-3490 or TTY 711.

Proposed CDBG Program changes listed below will be discussed at the public hearing:

1. For the 2016 grant year, applicants will be given two chances to apply for CDBG funds for any particular project. If an applicant fails to secure CDBG funding during two rounds of funding for any reason, it will be barred from applying for three years after the second denial of funding.
2. For the 2016 grant year, all landlords participating in the housing rehabilitation program must contribute 25 percent match regardless of their income status.
3. For the 2016 grant year, five rating points will be removed from "Readiness" and added to "Past Efforts to Address Need." The new rating system is as follows:

a. Project Need	35 Points
b. Project Alternative	10 Points
c. Past Efforts to Address Need	10 Points
d. Project Readiness	5 Points
e. Leverage	20 Points
f. Local Effort	20 Points
g. Total	100 Points
4. For the 2016 grant year, public hearing notices must describe the exact project being applied for to include: project location, budget, scope, funding sources, etc.
5. For the 2015 grant year, the State Revolving Loan Fund will be capped at \$5 million. Any excess funds generated through program income will be rolled into the general CDBG allocation. This cap will be reviewed annually for adjustment when necessary.
6. For the 2015 grant year, Economic Development rule change to allow for 25 percent business finance loan forgiveness on the principal amount of business finance loans if the business meets the job creation and 24-month performance requirements.
7. For the 2015 grant year, the department will make available a new round of funding up to \$15 million:
 - a. Up to \$12 million: Grant requests may not exceed \$350,000 or \$2000 per beneficiary. The minimum is \$100,000. Applicants must provide 10 percent cash match:
 - i. Sidewalks.
 - ii. Community storm shelters.
 - iii. Playground equipment and city-owned park improvements (tennis, basketball courts, bathrooms, open shelter houses, and improvements to lighting where none currently exists).
 - iv. Combination of above.
 - b. Micro-Loan grants up to \$2 million – \$50,000 minimum up to \$100,000 maximum grant:
 - i. Open to counties only.
 - ii. Counties with no Micro-Loan programs in place may apply.
 - c. Regional Home Handicapped Accessibility Program up to \$1 million – minimum of \$75,000 per county up to a \$400,000 maximum.
 - i. Open to multi-jurisdiction (multi-county, i.e., two or more).

Written comments will be accepted until the day of the hearing and may be sent to salih@kansascommerce.com or to the Kansas Department of Commerce, 1000 S.W. Jackson, Suite 100, Topeka, 66612-1354.

State Corporation Commission

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Thursday, April 16, at the State Corporation Commission office, 266 N. Main, Suite 220, Wichita, to consider the adoption of proposed rules and regulations of the commission on a permanent basis.

This 60-day notice of the public hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the State Corporation Commission, Conservation Division, Legal Department, 266 N. Main, Suite 220, Wichita, 67202, or by email to oilandgasregcomments@kcc.ks.gov. All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulations during the public hearing.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least 10 days in advance of the hearing by contacting Jonathan R. Myers at 316-337-6200.

Summaries of the proposed regulations and their economic impact follow. Statements indicating that a regulation will "have no economic impact" are intended to indicate that no economic impact on the State Corporation Commission, other state agencies, state employees or the general public has been identified.

(continued)

Copies of the proposed regulations and the economic impact statement for the proposed regulations can be obtained by contacting the State Corporation Commission, Conservation Division, Legal Department, or accessed online at <http://kcc.ks.gov>.

K.A.R. 82-3-207. Oil drilling unit. The proposed amendment clarifies the size of drilling units and eliminates reference to acreage attribution units. It will have no economic impact.

K.A.R. 82-3-312. Gas allowables and drilling unit. The proposed amendment clarifies the size of drilling units, eliminates reference to acreage attribution units, and eliminates redundant language regarding exceptions. It will have no economic impact.

K.A.R. 82-2-402. Trial tests; application, contents and approval. The proposed revocation will eliminate unnecessary disposal well provisions that have not been used for decades. Revocation will have no economic impact.

K.A.R. 82-2-506. Electric submersible pumps; application and approval. The proposed revocation will eliminate a provision regarding applications for electric submersible pumps. The provision has not been used for decades. Revocation will have no economic impact.

K.A.R. 82-2-507. Same; assessment of cost. The proposed revocation will eliminate a provision calling for a \$15 fee for every pump made part of an application pursuant to K.A.R. 82-2-506. As the provision has not been used for decades, revocation will have no economic impact.

K.A.R. 82-3-1100 to K.A.R. 82-3-1120. Carbon dioxide storage facilities. The proposed revocation will eliminate regulations that are preempted by the United States Environmental Protection Agency's decision to regulate such facilities at the federal level. There are currently no carbon dioxide storage facilities in Kansas. Revocation will have no economic impact.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Thursday, April 16, at the State Corporation Commission office, 266 N. Main, Suite 220, Wichita, to consider the adoption of proposed rules and regulations of the commission on a permanent basis.

This 60-day notice of the public hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the State Corporation Commission, Conservation Division, Legal Department, 266 N. Main, Suite 220, Wichita, 67202, or by email to oilandgasregcomments@kcc.ks.gov. All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulations during the public hearing.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least 10 days in advance of the hearing by contacting Lane R. Palmateer at 316-337-6200.

Summaries of the proposed regulations and their economic impact follow. Statements indicating that a regulation will "have no economic impact" are intended to indicate that no economic impact on the State Corporation Commission, other state agencies, state employees or the general public has been identified.

Copies of the proposed regulations and the economic impact statement for the proposed regulations can be obtained by contacting the State Corporation Commission, Conservation Division, Legal Department, or accessed online at <http://kcc.ks.gov>.

K.A.R. 82-3-100. Applicability; exception. The proposed amendment clarifies notice requirements for applications and hearings. It will have no economic impact.

K.A.R. 82-3-106. Surface casing and cement. The proposed amendment clarifies references to incorporated documents, and it clarifies the requirements for cementing the casing in wells. The proposed amendment requires a well to be drilled 2¼" wider than the casing to be used, to ensure sufficient cement is installed to protect usable water and to allow remedial cementing if needed. The 2¼" requirement already exists in eastern Kansas and is expanded statewide. The proposed amendment requires installation of casing centralizers, which ensure cement is evenly distributed around the casing to protect usable water. The proposed amendment requires an operator, upon reaching total depth in wells not located in eastern Kansas, to keep the rig on the well until casing has been installed or the well has been plugged. Requiring centralizers for new wells and broadening the 2¼" requirement beyond eastern Kansas will have an economic impact on an operator drilling a well, but the impact is outweighed by the private and public interest in ensuring wells are properly cemented to prevent pollution of usable groundwater.

K.A.R. 82-3-109. Well spacing orders and basic production orders. The proposed amendment clarifies notice requirements for applications and hearings. It will have no economic impact.

K.A.R. 82-3-203. Production allowable. The proposed amendment clarifies notice requirements for applications and hearings. It will have no economic impact.

K.A.R. 82-3-208. Venting or flaring of casinghead gas. The proposed amendment clarifies notice requirements for applications and hearings. It will have no economic impact.

K.A.R. 82-3-209. Flaring of sour gas. The proposed amendment clarifies notice requirements for applications and hearings. It will have no economic impact.

Board of Emergency Medical Services

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Wednesday, April 1, in Room 509 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of amended administrative regulations.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed amendments to the regulations. All interested parties may submit written comments prior to the hearing to the Board of Emergency Medical Services, Room 1031, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612, or by email to Curt.Shreckengaust@ems.ks.gov. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed amendments to the regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentations to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Ann Stevenson at 785-296-7296. Handicapped parking is located in front of and to the north of the Landon State Office Building.

The regulations are being proposed for adoption on a permanent basis. A summary of the proposed regulations follows:

K.A.R. 109-10-1, Curriculum approval, is being revoked and language has been appropriately inserted to the specific curriculum approval in the following regulations: K.A.R. 109-10-1(a), K.A.R. 109-10-1(b), K.A.R. 109-10-1(c), K.A.R. 109-10-1(d), K.A.R. 109-10-1(e), K.A.R. 109-10-1(f) and K.A.R. 109-10-1(g).

There will be no economic impact to the Kansas Board of Emergency Medical Services associated with this regulatory revocation. There will be no economic impact on other governmental agencies, private business or individuals with this regulatory revocation.

K.A.R. 109-10-1c, Approved advanced emergency medical technician education standards, was revised to appropriately reflect the educational standards that have been revised to the current approved medication list for this scope.

There is no anticipated economic impact to the Kansas Board of Emergency Medical Services associated with this regulatory revision. There will be no anticipated economic impact on other governmental agencies, private business or individuals with this regulatory revision.

K.A.R. 109-10-1e, Approved instructor-coordinator standards, defines the curriculum of the initial course of instruction for the instructor-coordinator. This revision of the current regulation is to appropriately cite the title to the education curriculum and document adopted by reference and to include a practical competency component

previously detailed in K.A.R. 109-10-1 (regulation pending revocation).

There will be no economic impact to the Kansas Board of Emergency Medical Services associated with this regulatory revision. There will be no economic impact on other governmental agencies, private business or individuals with this regulatory revision.

K.A.R. 109-10-2, Long term accreditation of training programs for initial courses, is being revoked as it has been a process unused for seven years.

There will be no economic impact on other governmental agencies, private business or individuals with this regulatory revocation. There will be no economic impact on emergency medical services attendants, agencies or other emergency medical services-related entities associated with this regulatory revocation.

K.A.R. 109-10-7, Distance learning, prescribes the format of distance learning as it pertains to emergency medical services. Language was implemented to combine training officer I and training officer II to training officer as a qualified instructor and to reference appropriate regulations in paragraph (c).

There will be no economic impact on other governmental agencies, private business or individuals with this regulatory revision. There will be no economic impact on emergency medical services attendants, agencies or other emergency medical services-related entities associated with this regulatory revision.

K.A.R. 109-11-3a, Emergency medical technician course approval, is amended to correctly reference the appropriate regulation for standard course requirements and to correctly reflect who shall provide course documentation upon request of the board. The current regulation references a revoked regulation.

There will be no economic impact on other governmental agencies, private business or individuals with this regulatory revision. There will be no economic impact on emergency medical services attendants, agencies or other emergency medical services-related entities associated with this regulatory revision.

K.A.R. 109-11-4a, Advanced emergency medical technician course approval, is amended to correctly reference the appropriate regulation for standard course requirements and to correctly reflect who shall provide course documentation upon request of the board. The current regulation references a revoked regulation.

There will be no economic impact on other governmental agencies, private business or individuals with this regulatory revision. There will be no economic impact on emergency medical services attendants, agencies or other emergency medical services-related entities associated with this regulatory revision.

K.A.R. 109-11-6a, Paramedic course approval, is amended to correctly reference the appropriate regulation for standard course requirements, allowing student internship with an equal or higher level of certified attendant regardless of service type, a corrected reference to licensure of a registered nurse and to correctly reflect who shall provide course documentation upon request of the board. The current regulation references a revoked regulation.

(continued)

There will be no economic impact on other governmental agencies, private business or individuals with this regulatory revision. There will be minimal economic impact on emergency medical services attendants, agencies or other emergency medical services-related entities associated with this regulatory revision as it will increase the number of available internship sites across the state resulting in reduced drive time for students and less time away from work.

K.A.R. 109-11-10, Emergency medical technician - basic bridge course approval, is being revoked as the course is no longer being offered and the two scopes of practice no longer exist.

There will be no economic impact on other governmental agencies, private business or individuals with this regulatory revocation. There will be no economic impact on emergency medical services attendants, agencies or other emergency medical services-related entities associated with this regulatory revocation.

Copies of the complete regulations and the complete economic impact statements may be obtained from the Board of Emergency Medical Services at the contact information above or can be accessed at www.ksbems.org.

Article 2.—AMBULANCE SERVICES; PERMITS AND REGULATIONS

109-2-8. Standards for type I, type II, type IIA, and type V ground ambulances and equipment. (a) Each ambulance shall meet the vehicle and equipment standards that are applicable to that class of ambulance.

(b) Each ambulance shall have the ambulance license prominently displayed in the patient compartment.

(c) The patient compartment size shall meet or exceed the following specifications:

- (1) Headroom: 60 inches; and
- (2) length: 116 inches.

(d) Each ambulance shall have a heating and cooling system that is controlled separately for the patient and the driver compartments. The air conditioners for each compartment shall have separate evaporators.

(e) Each ambulance shall have separate ventilation systems for the driver and patient compartments. These systems shall be separately controlled within each compartment. Fresh air intakes shall be located in the most practical, contaminant-free air space on the ambulance. The patient compartment shall be ventilated through the heating and cooling systems.

(f) The patient compartment in each ambulance shall have adequate lighting so that patient care can be given and the patient's status monitored without the need for portable or hand-held lighting. A reduced lighting level shall also be provided. A patient compartment light and step-well light shall be automatically activated by opening the entrance doors. Interior light fixtures shall be recessed and shall not protrude more than 1½ inches.

(g) Each ambulance shall have an electrical system to meet maximum demand of the electrical specifications of the vehicle. All conversion equipment shall have individual fusing that is separate from the chassis fuse system.

(h) Each ambulance shall have lights and sirens as required by K.S.A. 8-1720 and K.S.A. 8-1738, and amendments thereto.

(i) Each ambulance shall have an exterior patient loading light over the rear door, which shall be activated both manually by an inside switch and automatically when the door is opened.

(j) The operator shall mark each ambulance licensed by the board as follows:

(1) The name of the ambulance service shall be in block letters, not less than four inches in height, and in a color that contrasts with the background color. The service name shall be located on both sides of the ambulance and shall be placed in such a manner that it is readily identifiable to other motor vehicle operators.

(2) Any operator may use a decal or logo that identifies the ambulance service in place of lettering. The decal or logo shall be at least 10 inches in height and shall be in a color that contrasts with the background color. The decal or logo shall be located on both sides of the ambulance and shall be placed in such a manner that the decal or logo is readily identifiable to other motor vehicle operators.

(3) Each ambulance initially licensed by the board before January 1, 1995 that is identified either by letters or a logo on both sides of the ambulance shall be exempt from the minimum size requirements in paragraphs (1) and (2) of this subsection.

(k) Each type I, type II, type IIA, and type V ambulance shall have a communications system that is readily accessible to both the attendant and the driver and is in compliance with K.A.R. 109-2-5(a).

(l) An operator shall equip each ambulance as follows:

(1) At least two annually inspected ABC fire extinguishers or comparable fire extinguishers with at least five pounds of dry chemical, which shall be secured. One fire extinguisher shall be easily accessible by the driver, and the other shall be easily accessible by the attendant;

(2) either two portable, functional flashlights or one flashlight and one spotlight;

(3) one four-wheeled or six-wheeled, all-purpose, multilevel cot with an elevating head and at least two safety straps with locking mechanisms;

(4) one urinal;

(5) one bedpan;

(6) one emesis basin or convenience bag;

(7) one complete change of linen;

(8) two blankets;

(9) one waterproof cot cover;

(10) one pillow; and

(11) a "no-smoking" sign posted in the patient compartment and the driver compartment.

(m) The operator shall equip each ground ambulance with the following internal medical systems:

(1) An oxygen system with at least two outlets located within the patient compartment and at least 2,000 liters of storage capacity, with a minimum oxygen level of 200 psi. The cylinder shall be in a compartment that is vented to the outside. The pressure gauge and regulator control valve shall be readily accessible to the attendant from inside the patient compartment; and

(2) a functioning, on-board, electrically powered suction aspirator system with a vacuum of at least 300 millimeters of mercury at the catheter tip. The unit shall be easily accessible with large-bore, nonkinking suction tubing and a large-bore, semirigid, nonmetallic oropharyngeal suction tip.

(n) The operator shall equip each ground ambulance with the following medical equipment:

(1) A portable oxygen unit of at least 300-liter storage capacity, complete with pressure gauge and flowmeter and with a minimum oxygen level of 200 psi. The unit shall be readily accessible from inside the patient compartment;

(2) a functioning, portable, self-contained battery or manual suction aspirator with a vacuum of at least 300 millimeters of mercury at the catheter tip and a transparent or translucent collection bottle or bag. The unit shall be fitted with large-bore, nonkinking suction tubing and a large-bore, semirigid, nonmetallic oropharyngeal suction tip, unless the unit is self-contained;

(3) a hand-operated, adult bag-mask ventilation unit, which shall be capable of use with the oxygen supply;

(4) a hand-operated, pediatric bag-mask ventilation unit, which shall be capable of use with oxygen supply;

(5) oxygen masks in adult and pediatric sizes;

(6) nasal cannulas in adult and pediatric sizes;

(7) oropharyngeal airways in adult, pediatric, and infant sizes;

(8) a blood pressure manometer with extra-large, adult, and pediatric cuffs and a stethoscope;

(9) an obstetric kit with contents as described in the ambulance service's medical protocol;

(10) sterile burn sheets;

(11) sterile large trauma dressings;

(12) assorted sterile gauze pads;

(13) occlusive gauze pads;

(14) rolled, self-adhering bandages;

(15) adhesive tape at least one inch wide;

(16) bandage shears;

(17) one liter of sterile water, currently dated or one liter of sterile saline, currently dated; and

(18) currently dated medications, as authorized by the scope of practice and protocols.

(o) The operator shall equip each ground ambulance with the following patient-handling and splinting equipment:

(1) If required by protocol, a long spinal-immobilization device, complete with accessories to immobilize a patient;

(2) a set of extremity splints including one arm and one leg splint, in adult and pediatric sizes;

(3) a set of rigid cervical collars in assorted adult and pediatric sizes;

(4) if required by protocol, foam wedges or other devices that serve to stabilize the head, neck, and back as one unit; and

(5) patient disaster tags.

(p) The operator shall equip each type I, type IIA, type II, and type V ground ambulance with the following blood-borne and body fluid pathogen protection equipment in a quantity sufficient for crew members:

(1) Surgical or medical protective gloves;

(2) protective goggles, glasses or chin-length clear face shields;

(3) filtering masks that cover the mouth and nose;

(4) nonpermeable, full-length, long-sleeve protective gowns;

(5) a leakproof, rigid container clearly marked as "Biohazard" for the disposal of sharp objects; and

(6) a leakproof, closeable container for soiled linen and supplies.

(q) The operator shall equip each type I ambulance, type IIA ambulance, and type V ambulance with the following:

(1) A monitor-defibrillator;

(2) a drug supply as listed in the ambulance service's medical protocols;

(3) intravenous administration sets according to medical protocol;

(4) intravenous solutions in plastic bags or plastic bottles as listed in the ambulance service's medical protocols;

(5) assorted syringes and needles necessary to meet the requirements of the medical protocols; and

(6) if authorized by protocols, endotracheal tubes and laryngoscope blades in adult, child, and infant sizes.

(r) If an operator's medical protocols or equipment list is amended, a copy of these changes shall be submitted to the board by the ambulance service operator within 15 days of implementation of the change. Equipment and supplies obtained on a trial basis or for temporary use by the operator shall not be required to be reported to the board by an operator. (Authorized by K.S.A. 2014 Supp. 65-6110; implementing K.S.A. 2014 Supp. 65-6110, K.S.A. 2014 Supp. 65-6112, and K.S.A. 65-6128; effective May 1, 1985; amended, T-88-24, July 15, 1987; amended May 1, 1988; amended July 17, 1989; amended Aug. 16, 1993; amended Jan. 31, 1997; amended Jan. 27, 2012; amended Feb. 13, 2015.)
