**Notice to Consulting Firms**

The Kansas Department of Transportation (KDOT) is seeking the services of a qualified consulting engineering firm for KDOT Project 106-AV-0017-18 which is a two-phase study to update airport Pavement Management Plans (PMP) in accordance with the current version of Federal Aviation Administration (FAA) Advisory Circular 150/5380-7, Airport PMP regarding airfield pavement conditions at Kansas airports currently listed in the FAA's National Plan of Integrated Airport Systems (NPIAS). The two phases will encompass approximately seventy-nine (79) airports statewide (Phase 1 for the western half of the state and Phase 2 for the eastern half of the state) with each phase subject to receipt of federal funding from the FAA under the FAA Airport Improvement Program (AIP). Each phase is to be completed within one year upon the issuance of a Notice to Proceed. The

(continued)

services sought include on-site evaluation of pavement, completion of a pavement condition index (PCI) survey and revision/update to the PMP to address how the airfield pavement may be maintained or upgraded to acceptable PCI levels. The final deliverable is an updated PMP to be shared with each airport sponsor to assist airport sponsors in the continued development of airport capital improvement plans. Existing data and reports can be viewed at <http://www.ksaviationportal@ksdot.org>.

**Requirements:** Interested consulting engineering firms must: (a) be prequalified by KDOT in category 333— Geotechnical Specialty Services (preferably with pavement condition analysis/inventory experience) and (b) submit a Letter of Interest on or before **noon January 4, 2017**, to David Nagy, P.E., Assistant to the Director of Design/Contracts Engineer for KDOT by email to [David.Nagy@ks.gov](mailto:David.Nagy@ks.gov) with the subject line reading "Airfield Pavement Management Study Update [Firm Name]." Letters of Interest in the form of a PDF document (maximum size 4 pages) should express interest in the project and describe particular qualifications for the professional services sought by KDOT, including any special expertise, skill, equipment, degree of accuracy, experience or knowledge of the firm, its employees and any sub-consultant the firm intends to utilize.

Note: Consultant firms must be capable of incurring, invoicing and accounting for costs in conformity with generally accepted principles established in the Federal-Aid Policy Guide and the Code of Federal Regulations, Title 48, Chapter 1, Subchapter E, Part 31 (48 CFR Section 31.000 et seq.). The contract for this project is subject to all applicable federal provisions, including:

- Title VI of the Civil Rights Act of 1964
- Section 520 of the Airport and Airway Improvement Act of 1982
- DOT Regulation 2 CFR Part 180 and 1200— Government-wide Debarment and Suspension
- DOT Regulation 49 CFR Part 18.36(i)—Access to Records
- DOT Regulation 49 CFR Part 20—Lobbying and Influencing Federal Employees
- DOT Regulation 49 CFR Part 26 —Disadvantage Business Enterprises Participation
- DOT Regulation 49 CFR Part 30—Federal Trade Restriction Clause
- Regulation 48 CFR Part 22.17—Combating Trafficking in Persons

If a firm is not currently prequalified by KDOT but is interested in obtaining prequalification, then please view the requirements and categories at the website address of <http://www.ksdot.org/divengdes/prequal/default.asp>. For licensure and other requirements applicable to the practice of technical professions within the state of Kansas, please consult the website of the Kansas Board of Technical Professions at <http://www.ksbtp.ks.gov/>. All firms doing business with KDOT must be registered and in good standing under the laws of the state of Kansas and comply with applicable state and federal laws, rules and regulations.

**Qualifications-Based Selection Process.** No cost or pricing information shall be submitted with the Letter of

Interest and will not be considered in the selection process to shortlist or rank proposals. Based on the qualifications submitted in the Letter of Interest and other information available to KDOT, on or about January 13, 2017, KDOT will shortlist three firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. At KDOT's option, shortlisted firms may be interviewed by telephone conference call or asked to attend meetings or participate in other discussions with KDOT. Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second and third: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed (typical and atypical) approach to performance, data gathering, as well as efficiency and accuracy of services; and 4) past performance history. Information relevant to the evaluation criteria include recent relevant experience in airport projects and aviation system-level studies, capability to perform all aspects of the project, ability to meet schedules within budget, experience with PAVER and knowledge of pertinent FAA/AIP standards. The highest ranked firm will be asked to enter into negotiations with KDOT for a contract, with compensation provisions for payment of actual direct costs plus fixed fee, subject to an upper limit of compensation. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Please do not call, write or otherwise contact KDOT staff for information regarding the services in this RFP. Email all inquiries or questions to David Nagy at [David.Nagy@ks.gov](mailto:David.Nagy@ks.gov).

To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1 p.m. local time January 18, 2017. The AQC ponds need to be closed to meet new EPA coal combustion residuals regulations. The proposed modification includes the addition of two new outfalls 014A1 and 014B1 with discharge from the Lower AQC pond of the legacy wastewater from the prior flue gas desulfurization wet scrubber, stormwater runoff from the Coal Combustion Residuals (CCR) landfill, and stormwater from the FGD gypsum loadout stockpile area. In addition, modifications to the facility description are made to update previously proposed revisions included in the last permit issuance based on the dry scrubber operation. The proposed modification contains limits for oil and grease,

total suspended and solids, as well as monitoring for sulfates total selenium, and flow at the new outfalls. All other terms, conditions and provisions remain in effect.

Outfall 004A1 consists of settled pre-sedimentation solids. The settled powdered activated carbon from the pre-sedimentation and the settled solids from the primary and secondary clarifiers are pumped to a two cell lagoon for treatment. The overflow from the two cell lagoon is directed to the headworks of the municipal wastewater treatment plant. On-line monitoring wastewater and laboratory wastewater and domestic wastes is sent to the sanitary sewer. Filter backwash and filter-to-waste water is discharged via Outfall 002A1 and 003A1. The proposed permit contains limits total residual chlorine and pH, as well as monitoring of total suspended solids.

**Notice of Hearing on Proposed  
Administrative Regulation**

The following is to provide notice of a public hearing held by the Kansas Athletic Commission at 1:30 p.m. Tuesday, February 21, 2017, in conference room B at the Kansas Department of Commerce located at the Curtis State Office Building, 1000 S.W. Jackson, Suite 100, Topeka, KS 66612.

The Kansas Athletic Commission is proposing permanent amendments to the mixed martial arts portion of the Commission’s rules and regulations (K.A.R. 128-6-4).

This notice shall also constitute the beginning of a sixty (60) day public comment period for the purpose of allowing the Commission to receive written comments on the proposed regulation prior to the public hearing. The public is invited to submit written comments concerning the proposed regulation to the Kansas mixed martial arts rules in writing to Kansas Athletic Commission, c/o Adam Roorbach, Boxing Commissioner, Curtis State Office Building, 1000 S.W. Jackson St., Suite 100, Topeka, KS 66612 or by email at [adam.roorbach@ks.gov](mailto:adam.roorbach@ks.gov).

All interested parties will be given reasonable opportunity to present their views, orally, written, or both, concerning the adoption of the proposed permanent amendments to the existing regulation. To give all parties an opportunity to present their views, it is necessary to request each participant limit an oral presentation to five

(continued)

minutes. All public comments submitted during this period will be made part of the regulation's written record.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five (5) working days in advance of the hearing to Jordan Blair at the Kansas Department of Commerce, Curtis State Office Building, 1000 S.W. Jackson, Suite 100, Topeka, KS 66612, by email at [jordan.blair@ks.gov](mailto:jordan.blair@ks.gov) or by phone at 785-296-7874. Handicapped parking is not available around the Curtis State Office Building; however, all persons in a vehicle with a handicapped license plate may park in any metered space around the building, and there is no charge for parking. The curbs and all entrances on Jackson Street, 10th Street, and Kansas Avenue to the Curtis State Office Building are accessible to individuals with disabilities.

Copies of the proposed amendments can be found on the Commission's website at <http://www.kansascommerce.com/AthleticCommission>. A summary of the regulation and economic impact follows:

**K.A.R. 128-6-4. Professional mixed martial arts contests.** This regulation provides the rules associated with professional mixed martial arts contests.

**I. Purpose of Amendment.** Recently the Association of Boxing Commissioners passed various changes to the unified rules of mixed martial arts to help ensure fighter safety. These rule changes are necessary to keep Kansas current with industry-wide standards. The main changes to the regulation alter the definition of a "grounded fighter" and restrict opponents from kicking or kneeing the fighter while grounded. Additionally, it will now be considered a foul to advance towards a fighter with fingers extended toward their opponent's face. This is a change from the unamended regulation which only calls for a foul if fingers contact the opponent's eye. Finally, there are some slight modifications to fighter attire.

**II. Federal Requirements.** There are no federal requirements implicated by this regulation.

**III. Anticipated Economic Impact on Kansas Athletic Commission.** There are no anticipated economic impacts on the Kansas Athletic Commission.

**IV. Anticipated Financial Impact Upon Other Governmental Entities and Upon Private Businesses or Individuals.** There are no anticipated economic impacts on individuals or governmental entities. Additionally, there are no increased expenses or economic ramifications anticipated by the enactment of these regulations.

**V. Anticipated Economic Impact Upon Other Entities or Persons.** There are no anticipated economic impacts on other entities or persons.

**VI. Less costly or intrusive Methods that Were Considered, but Rejected, and the Reason for Rejection.** Because the proposed amendments do not include any anticipated economic impact and are minimally intrusive, the Kansas Athletic Commission did not consider any alternatives.

**1-6-23. Reemployment.** (a)(1) Except as provided in subsection (b), each employee who is laid off, or demoted or transferred in lieu of layoff, shall be placed in a reemployment pool by the director, unless the employee requests in writing to not be placed in the reemployment pool. Each employee in the reemployment pool shall be eligible to apply for any vacancy to be filled, including

any internal vacancy, until the date the employee is re-employed or for three years from the date of the layoff, whichever occurs first.

(2) Each employee who is eligible for reemployment and who is also a veteran shall be offered an interview for any vacancy that meets all of the following conditions:

(A) The vacancy is for a regular position in the classified service.

(B) The vacant position is at the same pay grade or a lower pay grade than the pay grade at which the individual was paid at the time the individual received the notice of layoff.

(C) The employee meets the minimum requirements for the position.

(b)(1) Each individual who meets all of the following conditions shall be eligible for the Kansas employee preference program, as provided in this subsection:

(A) The individual received a written layoff notice in accordance with K.A.R. 1-14-9.

(B) The individual’s most recent performance rating before receiving the layoff notice was “meets expectations” or better.

(C) The individual was not suspended, demoted, or terminated pursuant to K.S.A. 75-2949, and amendments thereto, in the 12 months preceding the date on which the individual received the layoff notice.

(2) Each individual who qualifies under paragraph (b) (1) shall remain eligible for the Kansas employee preference program until any of the following events occurs:

(A) The individual is appointed to a classified or unclassified position that is eligible for benefits.

(B) An eligible individual who was laid off or is scheduled to be laid off from a regular position that was not eligible for benefits chooses to use the Kansas employee preference for any position, whether that position is eligible for benefits, and the individual then is appointed to that position.

(C) A period of 12 consecutive months has passed since the effective date of the layoff. Each individual who is eligible for the Kansas employee preference program but has not been reemployed under any of the circumstances identified in paragraph (b)(2)(A) or (b)(2)(B) at the end of that 12-month period shall remain eligible for reemployment as provided in subsection (a).

(D) The individual is suspended, demoted, or terminated pursuant to K.S.A. 75-2949, and amendments thereto, at any time after the individual becomes eligible for the Kansas employee preference program, but before the date on which the individual is actually laid off.

(3) Each individual who is qualified to receive a Kansas employee preference shall be eligible to apply for any vacancy that meets all of the following conditions:

(A) The vacancy is for a classified position that is eligible for benefits, except that when the individual who is eligible for the Kansas employee preference program was laid off from or has received a layoff notice for a regular position that is not eligible for benefits, the vacancy may be for any regular position in the classified service, whether the vacant position is eligible for benefits.

(B) The vacant position is at the same pay grade or a lower pay grade than the pay grade at which the indi-

vidual was paid at the time the individual received the layoff notice.

(C) The vacant position to be filled is one for which a notice of vacancy will be posted in accordance with K.A.R. 1-6-2, including an internal vacancy.

(4) Upon receiving an application for the vacant position from an individual who is eligible for a Kansas employee preference, the appointing authority shall offer the position to the individual if the individual meets the minimum requirements for the position, subject to the following requirements:

(A)(i) If only one individual who is eligible for a Kansas employee preference applies for the position and is determined to meet the minimum requirements for the position, the appointing authority shall schedule an interview with the individual to provide the appointing authority with an opportunity to assess the employee's ability to successfully perform the duties and responsibilities of the position and to provide the individual with an opportunity to determine whether the position is of interest to the individual.

(ii) Following the interview, the appointing authority shall offer the position to the individual, unless the director determines that the individual cannot successfully perform the duties and responsibilities of the position under paragraph (b)(4)(C).

(iii) The individual who is offered the position as provided in paragraph (b)(4)(A) shall inform the appointing authority whether the individual accepts or rejects the offer within two business days of the date on which the position is offered.

(B) If more than one individual who is eligible for a Kansas employee preference applies for the position and meets the minimum requirements for the position, the appointing authority shall apply additional, job-related selection criteria in accordance with K.A.R. 1-6-21 in considering the application of each of these individuals, subject to the following requirements:

(i) The appointing authority shall not be required to interview more than seven individuals, except that each individual who is a veteran shall be offered an opportunity for an interview.

(ii) After considering the additional, job-related selection criteria, the appointing authority shall offer the position to one of these individuals, except that the appointing authority shall not be required to offer the position to any individual who the director determines cannot successfully perform the duties and responsibilities of the position under paragraph (b)(4)(C).

(iii) Each individual who is a veteran shall be offered the position if that individual is determined to be equally qualified after applying the additional, job-related selection criteria.

(iv) The individual who is offered the position as provided in paragraph (b)(4)(B) shall inform the appointing authority whether the individual accepts or rejects the offer within two business days of the date on which the position is offered.

(C) If the appointing authority submits written documentation to the director and, based on the documentation, the director determines in writing that an individual who is eligible for the Kansas employee preference could

not successfully perform the duties and responsibilities of the position, the appointing authority shall not be required to offer the position to that individual.

(c) For purposes of this regulation, "veteran" shall mean any individual who is eligible for a veteran's preference pursuant to K.S.A. 73-201, and amendments thereto. (Authorized by K.S.A. 75-2948 and K.S.A. 2014 Supp. 75-3747; implementing K.S.A. 75-2948; effective May 1, 1979; amended May 1, 1984; amended, T-86-17, June 17, 1985; amended May 1, 1986; amended Dec. 27, 1993; amended Dec. 17, 1995; amended May 31, 1996; amended, T-1-4-1-03, April 1, 2003; amended July 25, 2003; amended Jan. 6, 2017.)

#### Article 9.—HOURS; LEAVES; EMPLOYEE-MANAGEMENT RELATIONS

**1-9-23. Shared leave.** (a)(1) Any employee in a classified, regular position or in an unclassified position that is eligible for benefits may be eligible to receive or donate shared leave as provided in this regulation.

(2) Except as provided in paragraph (d)(1)(D), shared leave may be granted to an employee if all of the following conditions are met and if the employee meets the criteria specified in paragraph (b)(1):

(A) The employee or a family member of the employee, as defined in K.A.R. 1-9-5 (e)(2), is experiencing a serious, extreme, or life-threatening illness, injury, impairment, or physical or mental condition.

(B) The illness, injury, impairment, or condition of the employee or the family member has caused or is likely to cause the employee to take leave without pay or terminate employment.

(C) The illness, injury, impairment, or condition of the employee or the family member keeps the employee from performing regular work duties.

(b)(1) Each employee who meets the requirements of paragraph (a)(2) shall be eligible to receive shared leave if both of these conditions are met:

(A) The employee has exhausted all paid leave available for use, including vacation leave, sick leave, compensatory time, holiday compensatory time, and the employee's discretionary holiday.

(B) The employee has at least six continuous months of service, pursuant to K.A.R. 1-2-46.

(2)(A) An employee shall be eligible to donate vacation leave or sick leave to another employee if these conditions are met:

(i) The donation of vacation leave does not cause the accumulated vacation leave balance of the donating employee to be less than 80 hours, unless the employee donates vacation leave at the time of separation from state service.

(ii) The donation of sick leave does not cause the accumulated sick leave balance of the donating employee to be less than 480 hours, unless the employee donates sick leave at the time of separation from state service.

(B) If the employee is retiring from state service and receiving compensation for sick leave upon retirement, the donated sick leave consists only of the accumulated sick leave in excess of the applicable minimum accumulation amount required for eligibility for a sick leave payout pursuant to K.S.A. 75-5517, and amendments thereto.

(c)(1)(A) When requesting shared leave, an employee shall be required to provide a statement from a licensed health care provider or other medical evidence necessary to adequately establish that the illness, injury, impairment, or physical or mental condition of the employee or family member is serious, extreme, or life-threatening and keeps the employee from performing regular work duties. If the employee fails to provide the required evidence, the use of shared leave shall be denied.

(B) At any time during the use of shared leave, the appointing authority may require the employee to provide a statement from a licensed health care provider or other medical evidence necessary to establish that the illness, injury, impairment, or physical or mental condition of the employee or family member continues to be serious, extreme, or life-threatening or to establish when the employee will be able to return to work. If the employee fails to provide the required evidence, the use of shared leave may be terminated by the appointing authority.

(2)(A) The appointing authority shall determine whether an employee meets the initial eligibility requirements in paragraph (b)(1) and, if applicable, whether the employee would be caring for an individual who meets the definition of a family member.

(B) Shared leave may be denied if the appointing authority determines that the requesting employee has a history of leave abuse.

(C) An employee who currently is receiving workers compensation for the illness, injury, impairment, or physical or mental condition that is the basis of the shared leave request or has submitted an application to the division of workers compensation for this illness, injury, impairment, or condition shall not be eligible to receive shared leave.

(d)(1)(A) A shared leave committee shall be established and coordinated by the director. The shared leave committee shall consist of three current employees in the executive branch who, in the director's judgment, have experience in making determinations regarding leave and who will be fair and impartial in discharging their responsibilities.

(B) Except as provided by paragraph (d)(2), once the appointing authority determines that an employee meets the eligibility requirements specified in paragraph (c)(2), the shared leave committee shall determine whether the illness, injury, impairment, or physical or mental condition of the employee or the employee's family member meets the conditions established in paragraph (a)(2).

(C) If the shared leave committee determines that the illness, injury, impairment, or physical or mental condition meets the requirements of paragraph (a)(2), the appointing authority shall grant all or a portion of the time requested.

(D) An appointing authority may approve an employee's request for shared leave regardless of the determination of the shared leave committee if the appointing authority determines that such a decision would be in the best interests of the state. Before approving the request, the appointing authority shall consult with the director about the factors that the appointing authority is relying upon in making the determination that approval of the shared leave is in the best interests of the state.

(2) If the appointing authority is an elected official, the appointing authority may determine whether the illness,

injury, impairment, or physical or mental condition of the employee or the employee's family member meets the conditions established in paragraph (a)(2) or may submit the shared leave request to the shared leave committee for determination as provided in paragraph (d)(1).

(e) Employees shall not be notified of the need for shared leave donations until the request for shared leave has been approved as provided in subsection (d). No employee shall be coerced, threatened, or intimidated into donating leave or financially induced to donate leave for purposes of the shared leave program.

(f) The records of all shared leave donations shall remain confidential.

(g)(1) Shared leave may be used only for the duration of the serious, extreme, or life-threatening illness, injury, impairment, or physical or mental condition for which the shared leave donation was collected. The maximum number of hours of shared leave that may be used by an employee shall be the total number of hours that the employee would regularly be scheduled to work during a six-month period.

(2) No employee shall be eligible to use shared leave after meeting the eligibility requirements for disability benefits under the Kansas public employees retirement system.

(3) Employees shall use shared leave in accordance with their regular work schedules.

(4) Exempt employees shall use shared leave only in half-day or full-day increments.

(h)(1) Shared leave may be applied retroactively for a maximum of two pay periods preceding the date the employee signed the shared leave request form.

(2) The employee shall no longer be eligible to receive shared leave for a particular occurrence if any of these conditions is met:

(A) The illness, injury, impairment, or condition of the employee or the employee's family member improves so that it is no longer serious, extreme, or life-threatening, and the employee is no longer prevented from performing regular work duties.

(B) The employee terminates or retires.

(C) The employee returns to work and works the employee's regular work schedule for at least 20 continuous working days.

(3) Any unused portion of the shared leave shall be prorated among all donating employees based on the original amount and type of donated leave and returned to those employees within two pay periods of the date on which it is determined that the employee receiving the donated leave is no longer eligible for shared leave. Shared leave shall not be returned to donating employees in increments of less than one full hour or to any person who has left state service.

(i)(1) Shared leave shall be paid according to the receiving employee's regular rate of pay by the receiving employee's agency. The rate of pay of the donating employee shall not be used in figuring the amount of shared leave that the requesting employee receives.

(2) Shared leave shall be donated in full-hour increments.

(j) Each decision to approve or deny a request for shared leave and any other determination regarding the extension or termination of shared leave shall be final and shall

not be subject to appeal to the civil service board. (Authorized by K.S.A. 75-3706, K.S.A. 2016 Supp. 75-3747, and K.S.A. 75-5549; implementing K.S.A. 75-3707, 75-3746, and 75-5549; effective, T-1-7-23-92, July 23, 1992; effective Sept. 14, 1992; amended July 26, 1993; amended, T-1-9-19-94, Sept. 19, 1994; amended Nov. 21, 1994; amended Dec. 17, 1995; amended May 31, 1996; amended Sept. 18, 1998; amended, T-1-2-17-00, Feb. 17, 2000; amended June 16, 2000; amended June 5, 2005; amended Jan. 6, 2017.)

#### Article 14. — LAYOFF PROCEDURES AND ALTERNATIVES TO LAYOFF

**1-14-8. Computation of layoff scores.** (a) A layoff score shall be computed by the appointing authority for each employee in the agency who has permanent status and who either is in a class of positions identified for layoff or could be affected by the exercise of bumping rights.

(b) Layoff scores shall be computed according to the formula  $A \times L$ , where A and L have the following values:

(1) A = the average performance review rating of the employee, as described in subsection (d); and

(2) L = the length of service, as defined in K.A.R. 1-2-46 (a), expressed in years, with three months of service equivalent to .25.

Length of service for a retired employee who has returned to work shall be calculated in accordance with K.A.R. 1-2-46(g). The layoff scores shall be prepared in accordance with a uniform score sheet prescribed by the director.

(c) Layoff scores computed by the appointing authority shall be made available for inspection by each employee upon request at the time the agency gives written notice of a proposed layoff to the director and the secretary pursuant to K.A.R. 1-14-7. Upon request of any employee, the appointing authority shall review the manner in which the employee's score was calculated. Each dispute as to the proper calculation of a layoff score of any employee shall be resolved by the director.

(d) Except as otherwise authorized by this subsection, the performance review ratings used in computing the layoff score of an employee shall be the employee's five most recent ratings if the employee has as many as five ratings. However, a rating resulting from a special performance review that is given for a rating period ending within 90 calendar days of any notice of the layoff to the director shall not be counted. Performance reviews completed for rating periods ending on or after the date the appointing authority notifies the director in writing that a layoff is to occur shall not be considered in computing layoff scores; however, the appointing authority may designate a uniform earlier cutoff date to identify which performance review ratings are to be used in computing layoff scores.

(1) For the purposes of calculating layoff scores in accordance with the formula established in subsection (b), a rating of "exceptional" shall have a value of seven, a rating of "exceeds expectations" shall have a value of five, a rating of "meets expectations" shall have a value of three, a rating of "needs improvement" shall have a value of one, and a rating of "unsatisfactory" shall have a value of zero.

(2) If an employee does not have a total of five performance review ratings for use in computation of a layoff score, the layoff score shall be an average of the ratings that the employee has actually received.

(3) If an employee has no performance review ratings that may be used to compute a layoff score, the employee shall be deemed to have been given a single performance review rating of "meets expectations," and the value of that rating shall be used to compute a layoff score. New hires and rehires employed on a basis other than reinstatement who are serving a probationary period and employees in training classes shall be subject to subsections (e), (f), and (g).

(4) If any layoff scores are identical and some, but not all, of the persons with the same score must be laid off, preference among these persons shall be given to any veteran, as defined in K.S.A. 73-201 and amendments thereto, and any orphan, as defined in this paragraph, in that order. For the purpose of this regulation, "orphan" shall mean a minor who is the child of a veteran who died while, and as a result of, serving in the armed forces.

If further ties remain, a method of breaking the ties that is consistent with agency affirmative action goals and timetables for addressing underutilization of persons in protected groups shall be established by the secretary. If further ties remain, preference in retention shall be given to the person with the higher average performance review rating as used in calculating layoff scores in accordance with subsection (b). If a tie still exists, the next preference shall be given to the person with the greatest length of service, as defined in K.A.R. 1-2-46, within that agency. If a tie still exists, the appointing authority shall determine an equitable tie-breaking system.

(e) New hires and rehires with probationary status shall not be granted permanent status on or after the date the appointing authority has notified the director of a proposed layoff. However, any new hire or rehire with probationary status in a position for which no employee subject to layoff meets the required selection criteria may be given permanent status. New hires and rehires with probationary status shall have their probationary period extended until it is certain that no employee with permanent status whose position is to be vacated by layoff or who otherwise would be laid off through the exercise of bumping rights is claiming the position held by the employee with probationary status.

(f) Each employee serving a probationary period as a result of one of the following shall be considered to have permanent status for layoff purposes:

(1) Promotion of an employee who has permanent status;

(2) reallocation of a position if the incumbent has permanent status; or

(3) promotion from a classified position with at least six months of continuous classified service.

(g) Each employee who is in training status in a governor's trainee position, or in any identified training position, and who has at least six months of continuous service shall be considered to have permanent status for layoff purposes only.

(h) The layoff list shall be based on the order of the layoff scores. The person with the lowest layoff score shall be laid off first. If more than one person is to be laid off,

the persons to be laid off shall be selected on the basis of the lowest layoff scores. (Authorized by K.S.A. 75-2943, K.S.A. 75-3706, and K.S.A. 2014 Supp. 75-3747; implementing K.S.A. 75-2943, 75-2948, 75-3707, and 75-3746; effective May 1, 1984; amended, T-86-17, June 17, 1985; amended May 1, 1986; amended Dec. 27, 1993; amended Dec. 17, 1995; amended June 5, 2005; amended Oct. 1, 2009; amended Jan. 6, 2017.)

**1-14-10. Procedures for bumping and layoff conferences.** (a) Bumping shall occur within the layoff group identified in the agency’s layoff notice, or agencywide if the agency has not designated a layoff group. If the requirements in paragraphs (a)(1) and (2) have been met, any employee with permanent status, or any employee considered permanent for layoff purposes only, who is scheduled for layoff shall bump only into a lower class in which the employee previously had permanent status, unless the employee’s position is in a class that is part of a class series designated by the appointing authority in the agency’s layoff notice. If such a class series is designated in the agency’s layoff notice, then the employee shall be permitted to bump into a lower class in the class series. Except as authorized by subsection (b), in order for an employee with permanent status to exercise bumping rights, the following requirements shall be met:

(1) The employee to be bumped shall have a lower layoff score than the person exercising the bumping right.

(2) The employee to be bumped shall have the lowest layoff score in that employee’s job class of anyone in a position not scheduled for layoff.

(b) No employee with permanent status shall be laid off if all of the following conditions are met:

(1) There is a position filled by a probationary employee anywhere in the agency.

(2) The employee with permanent status scheduled to be laid off is interested in the position.

(3) The employee with permanent status is eligible for transfer or demotion to the position pursuant to K.A.R. 1-6-24 and 1-6-27.

(c) If an agency’s layoff notice permits bumping only into lower classes in which an employee had previous permanent status and the class or classes in which the employee had previous permanent status have been abolished, the employee shall be afforded bumping rights to a similar job class in a lower pay grade if a similar job class exists as determined by the director.

(d) Regardless of subsections (a), (b), and (c), subject to the approval of the director, any appointing authority may prevent any classified employee from being laid off if the appointing authority finds that the loss of the employee, due to the employee’s particular knowledge, skills, abilities, certification, licensure, or combination thereof, would substantially impair the agency’s ability to perform its essential operations.

(e)(1) Bumping procedures shall begin as soon as possible after layoff notices have been given pursuant to K.A.R. 1-14-9. The appointing authority or designee shall develop a schedule for an individual conference with each affected employee, starting with the employee having the highest layoff score. The schedule of conferences shall continue in this order until each affected employee has had such a conference.

(2) During the layoff conference, the employee shall be informed of the bumping options available to the employee and of the opportunity to select one such option. The employee may defer the selection no longer than one full working day, unless a longer period of time is authorized by the appointing authority. If an employee is unavailable on the day the employee is scheduled for a layoff conference, the appointing authority shall reschedule the layoff conference. If the employee fails to appear at the rescheduled conference, the appointing agency shall not be required to hold a layoff conference with the employee and the employee shall forfeit bumping rights.

(3) In extenuating circumstances and when deemed to be in the best interest of the state service, group layoff conference sessions may be authorized by the appointing authority.

(f) At the layoff conference, each employee shall be informed of the employee’s right to seek reemployment opportunities with the state, including placement assistance provided by the division. Placement assistance shall be available to the affected employee for up to three years after the effective date of the layoff, unless the affected employee requests in writing that the employee does not want placement assistance.

(g) Any employee who is not scheduled for layoff, but whose position will be vacated during the layoff and bumping process, and who refuses to accept a transfer or demotion to another position may request to be laid off voluntarily. Any employee who has been granted a voluntary layoff shall have reemployment rights.

(h) All disputes resulting from the forfeiture of bumping rights shall be resolved by the director. (Authorized by K.S.A. 2014 Supp. 75-3747; implementing K.S.A. 75-2948; effective May 1, 1984; amended Jan. 18, 1994; amended Dec. 17, 1995; amended May 31, 1996; amended Jan. 6, 2017.)
