State of Kansas Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking to enter into two agreements for the services of two consulting engineering firms, whose combined efforts will provide statewide sign truss and light tower inspection on the state highway system for KDOT Project 106-KA-4359-01. Although each consulting firm will have a separate contract with KDOT, the scope of services will be coordinated to provide consistent and uniform requirements to update KDOT's existing inventory database. The statewide workload will be divided geographically between two consulting engineering firms, with some overlap for QC/QA purposes. The ultimate scope of services will be performed in three phases, each of which is subject to KDOT's receipt of adequate funding. Phase one will encompass structural inspections for sign structures (statewide total approximately 1490), KDOTowned traffic signals (statewide total approximately 45), and high mast light towers (statewide total approximately 1600). Subsequent phases two and three may require reinspection of those trusses and light towers identified in phase one as candidates for differing or more frequent inspection intervals. The majority of these structures are concentrated in Kansas City, Wichita and Topeka, and along interstates and major freeways at interchanges. The services shall be performed in accordance with standards set forth in the Federal Highway Administration's publication entitled Guidelines for the Installation, Inspection, Maintenance and Repair of Structural Supports for Highway Signs, Luminaries, and Traffic Signals (March 2005) and KDOT's Policies and Procedures for the Inspection of Sign & *Light Structures* (July 2, 2014).

Sign Structures/Light Towers inspections shall include on-site inspection of structures and towers in order to:

- verify and update inventory information in KDOT's current database, such as location, condition and structural components/materials,
- determine and assess current structural condition based on element level inspection methodology and
- provide recommendations for maintenance actions.

KDOT may elect to perform some of the inspections itself during phase two and three, the extent of which is to be determined.

Results of the inspections will be submitted monthly in one or more electronic formats used by KDOT. KDOT is currently using a specific software program (Kansas Ancillary Walls and Structures or KAWS) for its inventory database. Electronic copies of any reports, photos or inspections will also be required as deliverables.

Requirements: Interested consulting firms must: (a) be prequalified by KDOT in category 322—Bridge Inspection and (b) submit a Letter of Interest on or before **noon (CST) January 12, 2017,** to David Nagy, P.E., Assistant to the Director of Design/Contracts Engineer by email to David.Nagy@ks.gov with the subject line reading "Truss & Tower Inspection [Firm Name]". Letters of Interest in the form of a PDF document (maximum

size 4 pages) should express interest in the project and describe particular qualifications for the professional services sought by KDOT, including any special expertise, skill, equipment, cost reduction strategies, experience or knowledge of the firm, its employees and any subconsultant the firm intends to utilize. If a firm is not currently prequalified by KDOT but is interested in obtaining prequalification, then please view the requirements and categories at the website address of http://www.ksdot.org/divengdes/prequal/default.asp. For licensure and other requirements applicable to the practice of technical professions within the State of Kansas, please consult the website of the Kansas Board of Technical Professions at http://www.ksbtp.ks.gov/. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas and comply with applicable state and federal laws, rules and regulations.

Note: The basis of compensation for consultant services will be actual direct cost plus fixed fee. Therefore, consultant firms must: (a) be able to provide an indirect (overhead) cost rate meeting federal requirements of 23 CFR 172.11(b)(1); and (b) be capable of incurring, invoicing and accounting for costs in conformity with generally accepted principles established in the Federal-Aid Policy Guide and the Code of Federal Regulations, Title 48, Chapter 1, Subchapter E, Part 31 (48 CFR Section 31.000 *et seq.*). All costs invoiced must be substantiated by appropriate documentation.

Qualifications-Based Selection Process. Based on the qualifications submitted in the Letter of Interest and other information available to KDOT, on or about January 31, 2017, KDOT intends to shortlist four firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. At KDOT's option, shortlisted firms may be interviewed by telephone conference call or asked to attend meetings or participate in other discussions with KDOT. Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, and third, etc. Evaluation factors: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed approach to performance, safety practices, data gathering procedures, and accuracy of services; 4) past performance history; and 5) cost saving measures and/or strategies. The two highest ranked firms will be asked to enter into negotiations with KDOT. In the event KDOT cannot reach agreement with either of the two highest ranked firms, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives. KDOT intends to conclude or terminate negotiations on or before March 1, 2017.

(continued)

Please do not call, write, or otherwise contact KDOT staff for information regarding the services in this Request for Qualifications (RFQ). Email all inquiries/questions to David.Nagy@ks.gov.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Thursday, January 19, 2017, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 000966–Maximum Principal Amount: \$82,233.50. Owner/Operator: Ryan J and Laci N Foltz; Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Ryan J and Laci N Foltz and is located at Section 6, Jefferson Township, Dickinson County, Kansas, approximately 8 miles south and 2 miles west of Abilene, Kansas.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest, and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

Notice of Hearing on Proposed Administrative Regulations

The Kansas Department of Health and Environment, Division of Health, Bureau of Family Health, will conduct a public hearing at 10:00 a.m. Wednesday, March 22, 2017, in room 530, Curtis State Office Building, 1000 SW Jackson, Topeka, to consider the adoption of proposed amended maternal and child health regulations K.A.R. 28-4-587 and 28-4-592. These proposed amended regulations pertain to school-age programs. They were developed cooperatively with the Kansas Department for Children and Families (DCF) to implement federal requirements pertaining to the Child Care and Development Fund (CCDF) State Plan.

A summary of the proposed regulations and estimated economic impact follows:

Summary of Regulations

K.A.R. 28-4-587. Staff member qualifications; professional development training; staffing requirements. The proposed amended regulation adds a requirement that a completed application be on file for each staff member, documenting his or her qualifications. The amended regulation requires each staff member to complete orientation before being given sole responsibility for the care and supervision of children and expands the subject areas to be included in orientation. Required clock-hours for annual professional development training are increased for program directors. Staff members will now have to complete a specific number of clock-hours annually.

K.A.R. 28-4-592. Safety and emergency procedures; reporting requirements. The proposed amended regulation adds details for development of an emergency plan and requires the plan be provided to parents and legal guardians. Staff members are required to practice annually the procedures for moving children in an emergency. The frequency of tornado drills is increased. Details are provided for cleaning and sanitizing contaminated surfaces. There are updated requirements for reporting suspected child abuse or neglect.

Economic Impact

Cost to the agency: There is no additional cost to the agency. Any costs will be absorbed in the current budget.

Cost to licensees: Currently each operator is responsible for providing orientation to each staff member counted in the supervisory ratio and annual professional development training for staff members. Alternatively, operators may arrange for other entities to provide the training. There are already in place a number of training opportunities available through resource and referral agencies, statewide training providers, and some of the county health departments at no cost or little cost. The department is working with these entities to ensure that the training requirements can be met, across the state, through a variety of methods including classroom instruction and online courses.

Costs to other governmental agencies or units: There is no known cost to other governmental agencies or units to implement these proposed amendments.

The time period between the publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written public comments on the proposed amended regulations. All interested parties may submit written comments prior to 5:00 p.m. on the day of the hearing to Dorothy Tenney, Kansas Department of Health and Environment, Child Care Licensing Program, 1000 SW Jackson, Suite 200, Topeka, 66612-1274, by email to Dorothy. Tenney@ ks.gov, or by fax to 785-559-4244. During the hearing, all interested parties will be given a reasonable opportunity to present their views orally on the proposed amended regulations as well as an opportunity to submit their written comments. In order to give each individual an opportunity to present their views, it may be necessary for the hearing officer to request that each presenter limit an oral presentation to an appropriate time frame.

Complete copies of the proposed amended regulations and the corresponding economic impact statement may be obtained from the Child Care Licensing website at http://www.kdheks.gov/bcclr/index.html or by contacting Dorothy Tenney at Dorothy.Tenney@ks.gov, 785-296-1270, or fax 785-559-4244. Questions pertaining to (continued) the proposed amended regulations should be directed to Dorothy Tenney at the contact information above.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and the economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Dorothy Tenney.

State of Kansas

Office of Administrative Hearings

Permanent Administrative Regulations

Article 39.—OFFICE OF ADMINISTRATIVE HEARINGS

1-39-1, 1-39-2, 1-39-3, and 1-39-4. (Authorized by and implementing K.S.A. 75-37,121; effective Nov. 20, 1998; revoked Jan. 20, 2017.)

Article 1. – GENERAL PROCEDURES CONCERNING PARTIES

133-1-1. Definitions. (a) As used in this article, each of the terms defined by K.S.A. 77-502, and amendments thereto, shall have the meaning specified in that statute.

(b) Each of the following terms shall have the meaning specified in this subsection:

(1) "Director" means director of the office of administrative hearings.

(2) "KAPA" means the Kansas administrative procedure act, K.S.A. 77-501 et seq., and amendments thereto.

(3) "OAH" means the office of administrative hearings.

(4) "Presiding officer" means the administrative law judge assigned to preside over an administrative hearing. (Authorized by and implementing K.S.A. 2016 Supp. 75-37,121 and 77-562; effective Jan. 20, 2017.)

133-1-2. Assignment of administrative law judges. (a) Any state agency head or a designee may request that the director assign an administrative law judge to act as the presiding officer in an administrative hearing that is neither subject to KAPA nor listed in K.S.A. 77-551, and amendments thereto, and for which the agency head is responsible. The request may be made in writing, by telephone, or by electronic transmission.

(b)(1) Upon receiving a request for assignment of an administrative law judge, an administrative law judge of OAH shall be assigned by the director, unless the director determines either of the following:

(A) The existing caseloads of the administrative law judges would prevent OAH from providing a timely hearing.

(B) There is a conflict that would subject the administrative law judges to disqualification.

(2) In making each assignment, the relative experience, caseloads, and expertise of the OAH administrative law judges, as well as potential conflicts, time frames, and

other relevant resources and factors, may be considered by the director.

(c) After the assignment of an administrative law judge, the requesting state agency shall forward to the director written documentation of the basis for the administrative hearing, which may include any of the following materials:

(1) A request for an administrative hearing;

(2) a petition for a hearing from a party to the state agency proceedings;

(3) the order that is the subject of the request for a hearing; or

(4) any other documentation of the event or action that forms the basis for the administrative hearing under applicable law. (Authorized by and implementing K.S.A. 2016 Supp. 75-37,121 and 77-562; effective Jan. 20, 2017.)

133-1-3. Conduct of proceedings. (a)(1) Each administrative hearing to which an administrative law judge is assigned under K.S.A. 75-37,121(b), and amendments thereto, shall be conducted in accordance with KAPA, unless other applicable statutes or regulations provide otherwise.

(2) Each administrative hearing to which an administrative law judge is assigned under K.S.A. 75-37,121(d), and amendments thereto, shall be conducted in accordance with any applicable statutes, regulations, ordinances, or other law.

(b) All parties to the state agency proceedings may be required by the administrative law judge or the director to submit motions, objections, briefs, and other pleadings in a format established by the director and with the number of copies prescribed by the director.

(c) When an administrative law judge is assigned to an administrative hearing under K.S.A. 75-37,121(d), and amendments thereto, the order issued by the administrative law judge shall contain the elements required under any applicable statutes, regulations, ordinances, or other law. (Authorized by and implementing K.S.A. 2016 Supp. 75-37,121 and 77-562; effective Jan. 20, 2017.)

133-1-4. Electronic filing. (a) As used in this regulation, each of the following terms shall have the meaning specified in this subsection:

(1) "Filing" means any pleading, motion, objection, proffer of evidence, discovery request or response, brief, or any other formal communication by a party regarding the docketed administrative proceeding for which the filing is relevant and the filer is a party.

(2) "OAH e-filing system" and "system" mean a public, web-based internet portal established by OAH to which the parties to a proceeding are given secure and password-protected access for the purpose of sending or receiving electronically submitted filings regarding their proceeding.

(b) In any proceeding for which the director has appointed a presiding officer, any party to the proceeding may submit any filing to the presiding officer by using mail or telephone facsimile. Additionally or alternatively, any party may submit any filing for its proceeding using the OAH e-filing system, subject to the following:

(1) The system may be used only by parties who meet the following requirements:

(A) Have submitted to OAH a written and signed consent to the terms of use for the system that are specified by the director; and

(B) have completed the system's online registration for the specific proceeding to which they are a party.

(2) The only modes by which signed consent to the terms of use for the system may be submitted to OAH are personal service, mail, telephone facsimile, or scanning and electronically mailing the signed consent document to the electronic mail address specified for only this purpose by the director.

(3) Once a party's signed consent is received by OAH, the party shall be sent by OAH, in a manner specified by the agreed terms of use, directions and information for completing that party's online registration for the system.

(4) Any party may satisfy its duty to serve a copy of its filings to any other party using the OAH e-filing system, but only if both the serving party and the recipient party have completed their prerequisite signed consent and online registration for the immediate proceeding to which they are party.

(5) Only OAH personnel and the parties to a given proceeding shall have access to submit online or to view online any filings for their proceedings. Whether filed electronically or through other means, records of a proceeding shall be available to nonparties only as provided by the Kansas open records act, K.S.A. 45-215 et seq., and amendments thereto.

(c) No person may submit a filing or use the OAH e-filing system for a proceeding to which the person is not a party unless the presiding officer has recognized the person as an authorized representative of the party on whose behalf the person is filing or using the system.

(d) All orders and notices issued by the presiding officer shall be served in conformity with K.S.A. 77-531, and amendments thereto.

(e) A party's inability to utilize the OAH e-filing system shall not constitute a basis for an extension of time in which to file any matter with the presiding officer or with opposing parties. This inability shall not affect any applicable filing deadlines imposed by law or by order of the presiding officer.

(f) For purposes of determining whether an error was committed by the OAH e-filing system before the effective date of a default or initial order, any party to the proceedings in question may request that OAH perform an audit of the system and deliver the audit findings to the presiding officer if all of the following conditions are met:

(1) The requesting party alleges that it was unable to make a timely filing due to an error of the system.

(2) The timeliness or existence of the filing transaction in question is material to the disposition of the party's case.

(3) The party submits its audit request before a proposed default order for its case has become effective or before an initial order in the case has been issued.

(g) For purposes of determining whether an error was committed by the OAH e-filing system during an appeal pursuant to K.S.A. 77-527 and amendments thereto, any party to the appeal may request that OAH perform an audit of the system and deliver the audit findings to the agency head if all of the following conditions are met:

(1) The requesting party alleges that it was unable to make a timely filing during the course of the appeal due to an error of the system.

(2) The timeliness or existence of the filing transaction in question is material to the disposition of the party's appeal.

(3) The party submits its audit request before a final order on its appeal has been issued.

(h) Concise documentation of the results of any system audit performed in accordance with this regulation shall be incorporated into the record of any case in which a system error was alleged. (Authorized by K.S.A. 2016 Supp. 75-37,121 and 77-562; implementing K.S.A. 2016 Supp. 77-519 and 77-531; effective Jan. 20, 2017.)
