The proposed action consists of reissuing an existing Kansas/NPDES Water Pollution Control permit for an existing facility. This facility is a beef complex slaughterhouse with associated by-product processing. Hide processing is limited to brine curing with no tanning. Fat bearing process wastewater from the packing house operation (including fabrication, slaughtering, rendering, and hide curing non-brine) is directed through rotary bar screens and a two stage dissolved air flotation (DAF) system. The DAF treated fat bearing wastewater, non-fat bearing process wastewater from animal holding pens through bar screens, slaughtering paunch press water, trailer wash water, Millard Scott refrigeration warehouse cooler wash water, sanitary wastewater, nitrogen contaminated groundwater, and other facility wastewaters are directed to three (operated in parallel) double lined anaerobic lagoons with an intermediate leak detection system. Effluent from the anaerobic lagoons is directed to four sequential batch reactors (SBRs) and then either flows through two ultra-violet (UV) channels for disinfection and discharge to Arkansas River (during winter) or is directly pumped to a 360 million gallon capacity three-cell clay lined irrigation storage lagoon system (during summer) for irrigation onto approximately 1,500 acres of crop land. The requirements for groundwater monitoring of the irrigation areas, anaerobic lagoon, and irrigation holding ponds are located in KWPC Permit No. I-UA11-NP05. Hide curing brine wastewater is directed to a brine concentrator through two storage tanks. Solid salt from the concentrator is reused for hide curing and excess brine is directed to an 18 million gallon capacity double hypalon lined, one-cell evaporation pond with an intermediate leak detection system. (c) Each round during a bout of professional mixed martial arts shall be five minutes in duration. Each period of rest following a round of combat shall be one minute in duration.

(d) Each contestant shall be weighed by the commissioner or designee within 48 hours before the contest. If a contestant's weight does not fall within the range for the weight classification in which the contestant is scheduled to compete in that contest, the contestant shall be reweighed within two hours. If the contestant's weight does not then fall within the range for that weight classification, the contestant shall be disqualified by the boxing commissioner.

(e) A mixed martial arts contestant shall not participate in a boxing, kickboxing, full-contact karate, or professional mixed martial arts bout in Kansas for at least seven days following a previous bout in Kansas or in any other jurisdiction.

(f) Each contestant shall fight only opponents who are in the contestant's weight classification. (h) If a substitute contestant is scheduled for a bout, the substitute contestant shall be subject to the same physical examination requirements as those for the original contestant, and the substitute contestant shall be approved by both the physician and the commission.

(i) Any contestant who fails to appear at the appointed place and at the specified time to be examined and weighed or who leaves the designated area without the permission of the commission before the weigh-in or the physical examination is complete may be subject to discipline by the commission.

(j) If a bout is deemed by the commission to be a mismatch that could expose one or both contestants to serious injury based on the record, experience, skill, or condition of each of the contestants, the bout shall be disapproved and cancelled by the boxing commissioner.

(k) The weight of each contestant or the classification in which the contestant will compete, or both, shall be announced at ringside.

(l) Each contestant's equipment shall meet the following requirements:

(1) Each contestant shall wear mixed martial arts-appropriate attire and protective devices, including a dental appliance or a mouthpiece approved by the commissioner. Each male contestant shall wear a protective cup. Each female contestant shall wear a protective pelvic girdle and either a short-sleeved or sleeveless form-fitting rash guard or a sports bra. Any female contestant may also wear a plastic breast protector. Contestants shall not wear shoes or any padding on their feet during the contest.

(2) Only Vaseline® or a similar petroleum-based product may be lightly applied to the face, arms, or any other exposed part of a contestant's body.

(n) Each contestant shall be ready to enter the ring immediately after the end of the preceding bout. Any contestant who is not ready to immediately proceed when called and, as a result, causes a delay may be subject to discipline by the commission.

(o) No person other than the contestants and the referee shall enter the ring during a bout. A second or manager shall not stand or engage in distracting actions while the bout is in progress. For each contestant's seconds and manager, a combined total of two warnings for violating any requirement of this subsection shall result in the removal of the seconds and manager from the ringside

area, all of whom shall be subject to discipline by the commission.

(p) Before starting a bout, the referee shall call together both of the contestants and the chief seconds for final instructions.

(q) Each of the following acts shall constitute an intentional foul in a contest:

- (1) Using a head butt;
- (2) gouging the opponent's eye in any manner;
- (3) biting the opponent;
- (4) pulling the opponent's hair;
- (5) attacking the opponent's groin in any manner;
- (6) putting a finger into any orifice of the opponent or into any cut or laceration on an opponent, including fish-hooking;
- (7) manipulating any of the opponent's joints in the fingers or toes;
- (8) striking the opponent's spine or the back of the opponent's head;
- (9) striking downward using the point of the elbow;
- (10) striking the opponent's throat, including grabbing the trachea;
- (11) clawing, pinching, or twisting the opponent's flesh;
- (12) in the standing position, moving the arm toward the opponent with an open hand and fingertips pointed at the opponent's face or eyes;
- (13) kicking or kneeling the head of a grounded opponent. An opponent shall be deemed grounded if any part of the body, other than a single hand and soles of the feet, is touching the fighting area floor;
- (14) stomping a grounded opponent;
- (15) thrusting an opponent to the canvas on the opponent's head or neck;
- (16) throwing an opponent out of the ring or fenced area;
- (17) holding the shorts or gloves of an opponent;
- (18) spitting at an opponent;
- (19) engaging in any unsportsmanlike conduct that causes an injury to an opponent;
- (20) using the ropes or fence to gain an advantage over the opponent;
- (21) using abusive language in the ring or fenced area;
- (22) attacking an opponent on or during a break, which is signaled by the referee's command or physical act to separate two contestants;
- (23) attacking an opponent who is under the care of the referee;
- (24) attacking an opponent after the bell has sounded the end of the round;
- (25) disregarding the instructions of the referee;
- (26) competing in a noncombative manner, including avoiding contact with an opponent, consistently dropping the mouthpiece, or faking an injury;
- (27) abandoning the contest during competition; and
- (28) engaging in any other action not described in this subsection that is deemed an intentional foul by the referee on the basis that the action poses a danger to the safety of either contestant, impedes fair and competitive play, or is unsportsmanlike.

(r)(1) If a contestant or the contestant's second commits any intentional foul, the contestant may have points deducted or be disqualified.

(2) The referee may penalize the contestant by directing the judges to deduct points from the contestant's score for that round, whether or not the foul was an intentional foul. Except as otherwise provided by this regulation, the referee may determine the number of points to be deducted for each intentional foul and shall base that determination on the severity of the foul and its effect upon the opponent.

(3) If the referee determines that it is necessary to deduct one or more points because of an intentional foul or an accidental foul, the referee shall inform the offender of the penalty to be assessed and, as soon as it is practical after the foul, notify the judges and both contestants of the number of points to be deducted from the offender's score.

(4) All points deducted from a contestant's score for any intentional foul or any accidental foul shall be deducted in the round in which the foul occurred. These points shall not be deducted from the score of any subsequent round.

(s) If a contestant loses a mouthpiece during a bout, the referee may call a time-out. If the referee calls a time-out for this reason, the referee shall direct the contestant's second to replace the mouthpiece.

(t) If a contestant claims to be injured during the bout, the referee may request that the physician examine the contestant. If the physician decides that the contestant has been injured and should not continue, the physician shall so advise the referee.

(u)(1) If a round is interrupted because of an accidental foul, the physician shall determine whether the contestant who has been fouled can continue. If the physician determines that the injured contestant's chance of winning has not been seriously jeopardized as a result of the accidental foul and that the foul did not involve a concussive impact to the head of the injured contestant, the referee may order the contestants to continue the round after a recuperative interval of not more than five minutes. Immediately after separating the contestants, the referee shall inform the inspector or other representative of the commission of the referee's determination that the foul was an accidental foul.

(2) If the physician determines that a contest cannot continue due to an injury caused by an accidental foul during the first two rounds of a contest that is scheduled for three rounds or less or during the first three rounds of a contest that is scheduled for more than three rounds, the referee shall declare a no-contest decision.

(3) If the physician determines that an accidental foul has rendered a contestant unable to continue the contest after completion of the second round of a contest that is scheduled for three rounds or less or after completion of the third round of a contest that is scheduled for more than three rounds, the outcome shall be determined by scoring both the completed rounds and the round during which the referee stops the contest. The contest shall be awarded to the contestant who has the higher score when the contest is stopped.

(4) If an injury inflicted by an accidental foul later becomes aggravated by any legal blow and the physician orders the contest stopped because of that injury, the outcome shall be determined by scoring both the completed rounds and the round during which the referee stops the

contest. The contest shall be awarded to the contestant who has the higher score when the contest is stopped.

(v) Each contestant who fails to engage an opponent shall receive an immediate warning from the referee. If the contestant continues to fail to engage the opponent after a warning, the referee shall direct each of the judges to deduct a point from the contestant's score for that round.

(w) If a contestant fails to resume fighting when the bell sounds starting the next round, the referee shall award a technical knockout to the contestant's opponent.

(x) Each contest shall end with one of the following outcomes:

(1) Each permittee shall sign, record the county, the date, and the time of kill, and attach the carcass tag to the carcass in a visible manner immediately following the kill and before moving the carcass from the site of the kill. The carcass tag shall remain attached to the carcass or in the possession of the permittee if transporting a quartered or deboned animal until the animal reaches the permittee's residence or a commercial place of processing or preservation and is processed for consumption. The permittee shall retain the carcass tag until the animal is consumed, given to another, or otherwise disposed of.

(2) Except for a wild turkey or big game animal taken with an "either sex" permit, the beard of the wild turkey shall remain naturally attached to the breast or the head of the big game animal shall remain naturally attached to the carcass while in transit from the site of the kill to

the permittee's residence or to a commercial place of processing or preservation, unless the carcass has been tagged with a department check station tag, the permittee has obtained a transportation confirmation number after electronically registering the permittee's big game animal or wild turkey on the department's electronic registration site, or the permittee retains photographs necessary for electronic registration until registration occurs. "Electronically registering" shall mean submitting any necessary and relevant information and digital photographs of the big game head or turkey breast and of the completed carcass tag of sufficient clarity to display the species and the antlered or antlerless condition of the big game animal, the beard of the wild turkey, and the transaction number and signature on a completed carcass tag.

(3) Any legally acquired big game or wild turkey meat may be given to and possessed by another, if a dated written notice that includes the donor's printed name, signature, address, and permit number accompanies the meat. The person receiving the meat shall retain the notice until the meat is consumed, given to another, or otherwise disposed of.

(4) Any person may possess a salvaged big game or wild turkey carcass if a department salvage tag issued to the person obtaining the carcass is affixed to the carcass. The salvage tag shall be retained as provided in paragraph (a)(1). Big game or wild turkey meat may be donated as specified in paragraph (a)(3) using the salvage tag number. Each salvage tag report prepared by the department agent issuing the tag shall be signed by the individual receiving the salvaged big game or wild turkey carcass. Each salvage tag shall include the following information:

(b) Big game and wild turkey permits and game tags.

(1) Big game and wild turkey permits and game tags shall not be transferred to another person, unless otherwise authorized by law or regulation.

(2) In addition to other penalties prescribed by law, each big game and wild turkey permit or game tag shall be invalid from the date of issuance if obtained by an individual under any of these conditions:

(3) No individual shall copy, reproduce, or possess any copy or reproduction of a big game or wild turkey permit or carcass tag.

(c) Hunting assistance. Subject to the hunting license requirements of K.S.A. 32-919 and amendments thereto, the license requirements of the implementing regula-

tions, and the provisions of paragraphs (c)(1), (c)(2), and (c)(3), any individual may assist any holder of a big game or wild turkey permit or game tag during the permittee's big game or wild turkey hunting activity. This assistance may include herding, driving, or calling.

(1) An individual assisting the holder of a big game or wild turkey permit or game tag shall not perform the actual shooting of big game or wild turkey for the permittee, unless authorized by K.A.R. 115-18-15. However, a permittee who is, because of disability, unable to pursue a wounded big game animal or wild turkey may designate any individual to assist in pursuing and dispatching a big game animal or wild turkey wounded by the disabled permittee.

(2) The designated individual shall carry the disabled permittee's big game or wild turkey permit or game tag and shall attach the carcass tag to the carcass immediately after the kill and before leaving the site of the kill.

(3) The designated individual shall use only the type of equipment authorized for use by the disabled permittee. 115-4-11. Big game and wild turkey permit applications. (a) General application provisions.

(1) Unless otherwise authorized by law or regulation, an individual shall not apply for or obtain more than one antlered or horned big game or wild turkey permit for each big game species or wild turkey, except when the individual is unsuccessful in a limited quota drawing and alternative permits for the species are available at the time of subsequent application or when the individual is the final recipient of a commission permit.

(2) Unless otherwise authorized by law or regulation, each big game or wild turkey permit application shall be signed by the individual applying for the permit.

(3) Subject to any priority draw system established by this regulation, if the number of permit applications of a specific species and type received by the designated application deadline exceeds the number of available permits of that species and type, a random drawing to issue permits of that species and type shall be conducted by the secretary.

(4) A hunt-on-your-own-land permit shall not be tabulated in a priority draw system if the permit would otherwise reduce the applicant's odds of receiving a big game permit through that draw system.

(b) Deer permit applications.

(1) Subject to any priority draw system established by this subsection, in awarding deer permits in units having a limited number of permits, the first priority shall be given to those applicants who did not receive, in the previous year, a deer permit that allowed the taking of an antlered deer. All other deer permit applicants shall be given equal priority.

(2) In awarding a limited number of deer permits by a priority draw system, the first priority shall be given to those individuals who have earned the highest number of preference points. Preference points shall be awarded as follows:

(A) One point shall be awarded to an individual for each year the individual is unsuccessful in obtaining, by a priority draw system, a deer permit that allows the taking of an antlered deer.

(B) If the individual fails to make at least one application or purchase one preference point within a period of five consecutive years, all earned points shall be lost.

(C) If an applicant obtains, by a priority draw system, a deer permit that allows the taking of an antlered deer, all earned points shall be lost.

(D) If the number of applicants with the most preference points exceeds the number of permits for specified units or permit types, then a drawing shall be held to determine the successful applicants.

(E) If an individual desires to apply for a preference point for a deer permit that allows the taking of antlered deer and not receive a permit, the person may apply for and receive a preference point by paying the proper application or preference point fee and submitting an application during the application period specified in this regulation. No individual may apply for more than one preference point in the same calendar year, and no individual shall apply for a preference point in the same calendar year as the calendar year in which the individual is applying for a permit.

(3) If an individual is a final recipient of a commission deer permit, the individual shall not possess more than one regular antlered deer permit and one commission deer permit.

(4) Applications for nonresident limited-quota antlered deer permits shall be accepted in the Pratt office from the earliest date that applications are available through the last Friday of April each year. Any nonresident applicant may select, at the time of application, one deer management unit and up to one adjacent management unit where that permit shall be valid.

(5) Applications for resident firearms either-species, either-sex permits shall be accepted at designated locations from the earliest date that applications are available through the second Friday of July.

(9) Each nonresident applicant for a regular deer permit shall have purchased a nonresident hunting license before submitting the application or shall purchase a nonresident hunting license when submitting the application.

(c) Firearm antelope permit applications. In awarding firearm antelope permits, the first priority shall be

given to those individuals who have earned the highest number of preference points. Preference points shall be awarded as follows:

(1) One point shall be awarded to an individual for each year the individual is unsuccessful in obtaining a firearm antelope permit.

(2) If the individual fails to make at least one application or purchase one preference point within a period of five consecutive years, all earned points shall be lost.

(3) If an applicant obtains a firearm permit by a priority draw system, all earned points shall be lost.

(4) If the number of applicants with the most preference points exceeds the number of permits for specified units or permit types, then a drawing shall be held to determine the successful applicants.

(5) If an individual desires to apply for a preference point for an antelope firearms permit that allows the taking of an antelope and not receive a permit, the person may apply for and receive a preference point by paying the preference point fee and submitting an application during the application period specified in this regulation. No individual may apply for more than one preference point in the same calendar year, and no individual shall apply for a preference point in the same calendar year as the calendar year in which the individual is applying for a permit.

(1) An individual receiving a limited-quota elk permit shall not be eligible to apply for or receive an elk permit in subsequent seasons, with the following exceptions:

(A) An individual receiving an any-elk or a bull-only elk permit may apply for and receive an antlerless-only elk permit in subsequent seasons.

(B) An individual receiving a limited-quota, antlerless-only elk hunting permit shall not be eligible to apply for or receive a limited-quota, antlerless-only elk permit for a five-year period thereafter. Subject to this subsection, however, this individual may apply for and receive an any-elk or bull-only elk permit without a waiting period.

(C) When a limited number of elk permits are awarded by a random draw system, each individual shall have an additional opportunity of drawing for each bonus point earned by the individual in addition to the current application. Bonus points shall be awarded as follows:

(i) One bonus point shall be awarded to an individual for each year the individual is unsuccessful in obtaining, by a random draw system, an elk permit that allows the taking of an elk.

(ii) If an individual fails to make at least one application or purchase one bonus point within a period of five consecutive years, all earned bonus points shall be lost.

(iii) If an applicant obtains, by a random draw system, an elk permit that allows the taking of an elk, all earned points shall be lost.

(iv) If an individual desires to apply for a bonus point for an elk permit that allows the taking of elk and not receive a permit, the person may apply for and receive a bonus point by paying the proper application or bonus point fee and submitting an application during the application period specified in this regulation. (3) Applications for limited-quota antlerless-only elk permits and limited-quota either-sex elk permits shall be accepted at designated locations from the earliest date that applications are available through the second Friday in July.

(4) If there are leftover limited-quota antlerless-only elk permits or limited-quota either-sex permits after all timely applications have been considered, the application periods for those permits may be reopened by the secretary. Leftover permits shall be drawn and issued on a daily basis for those application periods reopened by the secretary. Any applicant unsuccessful in obtaining a permit through a drawing may apply for any leftover permit or any other permit that is available on an unlimited basis.

(5) Any individual may apply for or obtain no more than one permit that allows the taking of an elk, unless the individual is unsuccessful in a limited-quota drawing and alternative permits for elk are available at the time of subsequent application or the individual obtains a commission permit pursuant to this subsection.

(e) Wild turkey permit applications.
