The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

**Project No. 000999 Maximum Principal Amount: \$82,875.00.** Owner/Operator: Brandon S. Macke; Description: Acquisition of 85 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.
