(continued)

implementing K.S.A. 2017 Supp. 74-8710; effective, T-111-1-25-18, Nov. 8, 2017.)

111-301-66. Play. (a) Only players who are seated at the gaming table shall be permitted to receive cards and participate in the game.

(b) In order to participate in the game, prior to any cards being dealt in the round of play a player must:

(1) Place an ante wager on the designated spot on the gaming table; and,

(2) Place an x-tra bonus wager on the designated spot on the gaming table in an amount equal to his or her ante wager.

(c) Prior to any cards being dealt in a round of play a player may also place an optional lowball bonus wager on the designated spot on the gaming table.

(d) The dealer shall deal each player participating in the game and the dealer two cards face down.

(e) Each player shall then be given the opportunity to either place a raise wager that is equal to three times the amount of the player's ante wager, or check.

(f) Once all players have placed a raise wager or checked, the dealer shall deal three community cards, also known as the flop, face up.

(g) Each player that did not previously place a raise wager shall then be given the opportunity to either place a raise wager that is equal to the amount of the player's ante wager or fold the hand.

(h) The dealer and all players remaining in the game shall then turn their hole cards face up.

(i) Each player remaining in the game and the dealer shall utilize their respective two cards and the three community cards to create the lowest ranking permissible Cali LowBall five-card hand.

(j) If the dealer does not have a pair of 10's or lower ranking hand (a "qualifying hand"), then the ante wager of each player who did not fold shall push (tie). If the dealer has a qualifying hand and a player's hand is lower ranking than the dealer's hand, or if the dealer's and the player's hands are equal in rank, the player shall be paid at odds of one to one on the player's ante wager. If the player's hand is higher ranking than the dealer's qualifying hand then the player shall lose the player's ante wager and the dealer shall collect the wager.

(k) If a player's hand is lower ranking than the dealer's hand or if the hands are equal in rank the player shall be paid at odds of one to one on the player's raise wager. If the player's hand is higher ranking than the dealer's hand then the player shall lose the player's raise wager and the dealer shall collect the wager.

(l) All x-tra bonus wagers shall lose if the player's hand is both of a higher rank than the dealer's hand and higher than a 10-high hand. All x-tra bonus wagers push (tie) on a player's winning five-card hand unless the player's lowest ranking hand consists of a 10-high or lower ranking hand, in which case the player will be paid at the following odds:

- (1) 10-high hand pays one to one;
- (2) 9-high hand pays two to one;
- (3) 8-high hand pays three to one;
- (4) 7-high hand pays five to one;
- (5) 6-high hand pays 20 to one;
- (6) 5-high hand pays 50 to one; and,

(7) 5-high hand with all cards in the hand also being of the same suit pays 200 to one.

(m) Resolution of all lowdown bonus wagers is made irrespective of whether the player's hand is ranked higher or lower than the dealer's hand. If the rank of a player's hand is higher than a jack-high, the wager loses and the dealer shall collect the wager. If the rank of a player's hand is jack-high or lower, the player will be paid at the following odds:

- (1) jack-high hand pays one to one;
- (2) 10-high hand pays three to one;
- (3) 9-high hand pays five to one;
- (4) 8-high hand pays 10 to one;
- (5) 7-high hand pays 25 to one;
- (6) 6-high hand pays 40 to one;
- (7) 5-high hand pays 100 to one; and,
- (8) 5-high hand with all cards in the hand also being of the same suit pays 500 to one.

(n) A player shall not be permitted to make a wager and thereafter attempt to increase the amount of that wager once cards from the subsequent round have been exposed.

(o) If the player wishes to add additional gaming chips to a wager, the player must do so prior to any cards from the subsequent round being exposed.

(p) No player may touch any of the gaming chips once placed on a designated spot on the gaming table once cards from the subsequent round have been exposed. (Authorized by K.S.A. 2017 Supp. 74-8710 and 74-8748; implementing K.S.A. 2017 Supp. 74-8710; effective, T-111-1-25-18, Nov. 8, 2017.)
