Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Thursday, May 24, 2018, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 001008 Maximum Principal Amount:

\$150,000. Owner/Operator: Benjamin and Jordan Hasenkamp; Description: Acquisition of 100 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Benjamin and Jordan Hasenkamp (the "Beginning Farmer") and is located at the Southwest Quarter of Section 25, Township 4 South, Range 12 East, Nemaha County, Kansas, approximately 1 mile north of Corning, Kansas on K-63.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

Notice of Public Hearing and Request for Comment

(Editor's Note: The notice that was published in May 3, 2018 Kansas Register misstated the date range for the Child Care and Development Fund. The entire notice is being republished below.)

The Kansas Department for Children and Families (DCF) is preparing the Child Care and Development Fund (CCDF) State Plan for 2019 – 2021, to support the federal child care subsidy program, per authorization of the Child Care and Development Block Grant (CCDBG)

Act. CCDF provides financial assistance to low-income families who are working or participating in education and training with help paying for child care, and to improving the quality of care for all children. The reauthorization of the CCDBG Act in November 2014 strengthened focus on promoting children’s healthy development, health and safety of children in care, promoting the continuity of access to subsidy for low-income families, increasing client education regarding child care choices, and improving the overall quality of early care and education. The plan outlines how the CCDF program will be administered by DCF in accordance with the CCDBG Act.

DCF is also requesting public comment on the Child Care Market Analysis. As a part of the CCDF State Plan, this report is completed at a minimum of every three years, and provides important information to the State on rates and other costs of providing child care services. Comments specific to the Child Care Market Analysis report are also requested by DCF.

DCF will host a public meeting to solicit stakeholder input on the CCDF Plan. The meeting will be held from 10:00 a.m. to noon, June 6, 2018 at the DCF Administration Building, 555 S. Kansas Ave., Topeka, Kansas. Individuals unable to travel to Topeka can participate via Adobe Connect and/or teleconference. For information regarding registration and to review or download a copy of the draft plan, visit http://www.dcf.ks.gov/services/ees/Pages/Child_Care/Child-care-and-early-education.aspx. The plan will be posted on this website by May 1, 2018.

State of Kansas

Office of the Governor

Executive Order 18-12

Criminal History and State Employment Practices

WHEREAS, thousands of Kansans who have served criminal penalties subsequently return to their homes and communities across Kansas seeking potential employment opportunities with state government; and

WHEREAS, individuals who have completed their sentences and have paid their debts to society are deserving of a second chance in life and a helping hand as they seek to reenter society; and

WHEREAS, individuals with criminal records often experience obstacles that increase the difficulties associated with successfully reentering society; and

WHEREAS, gainful employment is a significant factor for success in reducing recidivism rates and providing financial stability among former offenders; and

WHEREAS, the national “Ban the Box” initiative has brought renewed attention to the value of asking about an applicant’s criminal history later in the hiring process and providing applicants with an opportunity to explain their unique facts and circumstances to potential employers; and

WHEREAS, numerous other states have adopted policies revising their state employment practices to lower the barriers to individuals with criminal histories seeking to enter the state workforce; and

WHEREAS, employment rates are at historic highs, there is a need for qualified job applicants, and other employers have taken this action in their hiring practices.

NOW THEREFORE, pursuant to the authority vested in me as Governor of the State of Kansas, I hereby order as follows:

1. Within ninety (90) days of the date of this order, all Executive Branch departments, agencies, boards, and commissions under the jurisdiction of the Office of the Governor shall take action to ensure that, during the initial stage of a state employment application, job applicants shall not be asked whether they have a criminal record, and a criminal record shall not automatically disqualify an applicant from receiving an interview.
2. This Order shall not apply when a criminal history would render an applicant ineligible for a position. In particular, if any law or regulation prohibits a person from holding a job due to prior criminal conduct, it is permissible to inquire about an applicant’s criminal record during the initial stage of a state employment application and an applicant may be disqualified from further review for this reason.
3. Nothing in this Order shall prevent the conduct of a criminal background check as a condition of employment.
4. This Order is intended to supplement existing laws and regulations concerning State of Kansas employment practices, and shall not be interpreted to in any way diminish such laws and regulations. The Order is not intended to create any new right or benefit enforceable against the State of Kansas.

This document shall be filed with the Secretary of State as Executive Order No. 18-12 and shall become effective immediately.

Dated May 2, 2018.

Real Estate Appraisal Board

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10:00 a.m. Tuesday, July 10, 2018, at Jayhawk Tower, 700 SW Jackson, Suite 804, Topeka, KS 66603, to consider the adoption of K.A.R. 117-2-1, 117-2-2, 117-3-2, 117-4-1, 117-4-2, and 117-5-1.

This 60-day notice of public hearing shall constitute a public comment period for receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to the Kansas Real Estate Appraisal Board, Jayhawk Tower, 700 SW Jackson, Suite 804, Topeka, KS 66603 or cheryl.magathan@ks.gov. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing. To give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Sally Pritchett at 785-296-6736 or cheryl.magathan@ks.gov.

The proposed regulation amendments are for adoption on a permanent basis. A summary of the proposed amendments to the regulation and the economic impact follows:

117-2-1. Licensed classification; education requirements. This regulation is being amended to remove the college level education from this classification.

There will be no economic impact to this agency, other governmental agencies or units, or existing appraisers. There could, however, be a substantial savings to applicants for this classification in the removal of the college level education.

117-2-2. Licensed classification; appraisal experience requirement. This regulation is being amended to modify both the hours of appraisal experience required for this classification, as well as the minimum time frame in which those hours may be accrued. We have also reduced the maximum number of alternate appraisal experience hours allowed. There is an update to the "experience hours table" adopted by reference in (d)(2).

There will be no economic impact to this agency, other governmental agencies or units, or existing appraisers. There could, however, be a substantial savings to applicants for this classification in shortening the number of experience hours required, as well as the minimum time in which they must work under the supervision of a certified appraiser.

117-3-2. General classification; appraisal experience requirement. This regulation is being amended to reduce the minimum time in which an applicant must accrue their experience hours.

There will be no economic impact to this agency, or other governmental agencies or units. There could, how-

ever, be a substantial savings to applicants or upgrades to this classification in shortening the minimum time in which they must work under the supervision of a certified appraiser.

117-4-1. Residential classification; education requirements. This regulation is being amended to provide applicants with options for meeting the college level education, as well as allowing an alternative to the college level education for state licensees to upgrade.

There will be no economic impact to this agency, or other governmental agencies or units. There could, however, be a substantial savings to state licensees to upgrade to this classification allowing their experience in lieu of the college level education and to applicants in the options for the college level education.

117-4-2. Residential classification; appraisal experience requirement. This regulation is being amended to reduce both the number of experience hours as well as the minimum time frame in which those hours must be accrued. There is also a reduction in the number of alternate experience hours which may be used.

There will be no economic impact to this agency, or other governmental agencies or units. There could, however, be a substantial savings to state licensees to upgrade to this classification, as well as new applicants in the reduction of the number of experience hours which must be met, and the minimum time frame in which those hours must be accrued.

117-5-1. Provisional classification; education requirements.

This regulation is being amended to reflect the changes to 117-2-1, 3-1, and 4-1 in the qualifying education and/or college level education that must be met.

There will be no economic impact to this agency, other governmental agencies or units, or appraisers. There could, however, be a substantial savings to new applicants in the changes to the college level education required in 117-2-1 and 3-1, as well as the reduction of experience hours in 117-2-2 and 3-2 and the reduction of the minimum time frame in which those hours must be accrued in 117-2-2, 3-2, and 4-2.

Copies of this regulation and the economic impact statement may be obtained by contacting the Kansas Real Estate Appraisal Board by phone at 785-296-6736, by fax at 785-368-6443, by email at cheryl.magathan@ks.gov, or by visiting <http://www.kansas.gov/kreab>.

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 11:00 a.m. July 20, 2018, in Suite 568-S of the Landon State Office Building, 900 SW Jackson, Topeka, Kansas, to consider the revocation of rules and regulations of the Kansas Human Rights Commission on a permanent basis.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Kansas Human Rights Commission, 900 SW Jackson, Suite 568-S, Topeka, KS 66612-1258 or by email to Ruth.Glover@ks.gov. The north entrance to the Landon State Office Building is accessible. Handicapped parking is located at the south end of the Landon State Office Building, across the street from the north entrance to the building, and on Ninth Street, just around the corner from the north entrance to the building.

Summaries of the proposed revocations and their economic impact follow. (Note: Statements indicating that a regulation is “not anticipated to have any economic impact” are intended to indicate that no economic impact on the Kansas Human Rights Commission, other state agencies, state employees, or the general public has been identified.)

Copies of the proposed revocation of regulations and the Economic Impact Statement for the proposed revocations can be viewed at the following website: <http://www.khrc.net/Proposed%20Regulations/revocations%20and%20econ%20statements%205-1-2018.pdf>.

Revocation of K.A.R. 21-30-18. This proposal revokes a regulation that provides a single type of affirmative action. Since it was adopted, court analysis has evolved regarding what is permitted in an affirmative action plan. The purpose of this revocation is to eliminate confusion, so that, if ordered, affirmative action is tailored to each case. The revocation is not anticipated to have any economic impact.

Revocation of K.A.R. 21-40-5. This proposal revokes a regulation that states the commission may use the executive director as its agent, and directs the timing and form of the commission’s performance evaluation of the executive director. The purpose of this revocation is to eliminate confusion created by an unnecessary self-directing regulation. The revocation is not anticipated to have any economic impact.

Revocation of K.A.R. 21-45-1 through 21-45-18. This proposal revokes regulations that set the procedures to be followed in a post-probable cause public hearing. Since they were adopted, K.S.A. 44-1005 was amended to provide that such hearings are governed by the Kansas Administrative Procedures Act. The purpose of the revocation is to avoid confusion, as these regulations are no longer necessary. The revocation is not anticipated to have any economic impact.

Revocation of K.A.R. 21-45-21 through 21-45-25. This proposal revokes regulations that set the procedures to be followed in a post-probable cause public hearing. Since they were adopted, K.S.A. 44-1005 was amended to provide that such hearings are governed by the Kansas Administrative Procedures Act. The purpose of the revocation is to avoid confusion, as these regulations are no longer necessary. The revocation is not anticipated to have any economic impact.

Revocation of K.A.R. 21-46-2 and 21-46-3. This proposal revokes two regulations that the Kansas appellate courts have determined to be invalid. The purpose is to eliminate confusion by removing the text of these regulations from the published Kansas Administrative Regulations. The revocation is not anticipated to have any economic impact.
