Request for Letters of Interest

The Kansas Department of Transportation (KDOT) is seeking the services of a consulting firm to update the state's Long-Range Transportation Plan (LRTP). The last LRTP was published in June 2008. The LRTP will be a policy plan intended to set forth a practical vision of how to maintain and improve the state's transportation system between now and 2045.

Requirements

Interested consulting firms must: (a) be pre-qualified by KDOT in category 162—Long Range Planning and (b) submit a Letter of Interest on or before close of business March 1, 2019, to Ron Seitz, Director of Engineering and Design for KDOT, by email to Ron.Seitz@ks.gov with the subject line reading "Long Range Transportation Plan [Firm Name]." Letters of Interest in the form of a PDF document (maximum size 4 pages) should express interest in the project and describe particular qualifications for the professional services sought by KDOT, including any special expertise, skill, experience or knowledge of the firm, its employees, and any subconsultant the firm intends to utilize. If a firm is not currently pre-qualified by KDOT but is interested in obtaining pre-qualification, then please view the requirements and categories at <http://www.ksdot.org/divengdes/prequal/default.asp>. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas and comply with applicable state and federal laws, rules, and regulations.

(continued)

Qualifications-Based Selection Process

Based on the qualifications submitted in the Letter of Interest and other information available to KDOT, on or about March 8, 2019, KDOT will shortlist three firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. Shortlisted firms will also be interviewed in person, tentatively scheduled for March 22, 2019. The highest ranked firm will be asked to enter into negotiations with KDOT to update the Long-Range Transportation Plan. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Please do not call or write KDOT staff for information regarding the services in this RFQ. Email all inquiries/questions to Ron.Seitz@ks.gov.

Article 302.—SPECIFIC LOTTERY FACILITY GAMES AT LOTTERY GAMING FACILITIES; CRAPS

111-302-2. Object of game. The object of the “Craps” game is to play with two six-sided cubes (dice) with one (1) to six (6) spots on each face, with the sum of opposite sides of each die equaling (7) seven, giving 36 possible combinations. All odds and probabilities are calculated from this figure. Winning or losing decisions on craps are determined by the sum of the spots shown on the upward facing side of the two dice (“point value” or “total”) that come to rest after being thrown by a player or “shooter.” The shooter places a pass or don’t pass line bet and then selects two of the dice offered by the dealer (stickperson). The shooter throws the dice so that they bounce off the opposite end of the craps table. On the initial throw, the shooter wins, loses or establishes a point. If a point is established, the shooter continues to throw the dice and on each subsequent roll either wins, loses, or continues as the shooter. Other players at the table may also make wagers without being the shooter. (Authorized by K.S.A. 74-8710 and 74-8748; implementing K.S.A. 74-8710; effective, T-111-12-24-09, Dec. 3, 2009; amended, T-111-2-4-19, Dec. 6, 2018.)

The original pass, don't pass, come or don't come bet and any supplemental wager allowed pursuant to this subsection shall be paid at the same odds as the original and supplemental wagers are paid under (1) through (4) above.

(6) Whenever a player makes a put bet, the player has the right to make an additional wager in support of the bet which may be limited to an amount equal to the table minimum or maximum odds. If, in such circumstances, the bet wins, the original amount of the bet is paid at odds of 1 to 1 and the supplemental amount is paid in multiples of 2 to 1 if the come point was 4 or 10, 3 to 2 if the come point was 5 or 9, and 6 to 5 if the come point was 6 or 8.
