Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Thursday, May 16, 2019, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 001033 Maximum Principal Amount: \$250,000. Owner/Operator: Anthony V. Enneking; Description: Acquisition of 153 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Anthony V. Enneking (the "Beginning Farmer") and is located at Section 9, Granada Township, Range 14 East, Nemaha County, Kansas, approximately 2 miles west of Granada, or 5 miles northeast of Goff, Kansas at 84th Road and V Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its

offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

Governmental Ethics Commission

Opinion No. 2019-02

Written April 24, 2019 to Tom Pettey, Treasurer for Candidate Cheryl Helmer, 3109 Bolero Court, Winfield, KS 67156

Synopsis: Under the facts provided, the cost of damages to a personal vehicle incurred while being used for campaigning are limited to mileage reimbursement at the state rate.

Cited herein: K.S.A. 25-4157a, Opinion No. 2007-14.

Dear Mr. Pettey,

We understand that you request this opinion as the treasurer for a campaign for legislative office. Our opinion regarding application of the Kansas campaign finance act (act), K.S.A. 25-4119e, *et seq.*, responds to your request dated March 15, 2019. Jurisdiction of the Kansas Governmental Ethics Commission (commission) is limited to applicability of the act. The commission’s opinion does not address whether some other statutory system, common law theory, or agency rule or regulation applies to your inquiry.

Factual Statement

The treasurer of a campaign for the state representative drove his personal vehicle for campaign purposes to various venues including parades. The treasurer affixed magnetic signs with a message containing express

advocacy. The magnetic signs were left on the doors of the treasurer’s vehicle for approximately three months. Had it not been for the campaign the treasurer would not have placed the magnetic signs on the vehicle. After the magnetic signs were removed the vehicle’s paint behind where the signs were placed displayed fading of the paint.

Question

May campaign contributions be used to pay for repairs to a personal vehicle when the damage occurred to the vehicle while being used for campaign purposes?

Analysis and Opinion

Permitted use of campaign funds are provided in K.S.A. 25-4157a(a) which provides:

No moneys received by any candidate or candidate committee of any candidate as a contribution under this act shall be used or be made available for the personal use of the candidate and no such moneys shall be used by such candidate or the candidate committee of such candidate except for legitimate campaign purposes, for expenses of holding political office or for contributions to the party committees of the political party of which such candidate is a member.

...

For the purposes of this section, expenditures for “personal use” shall include expenditures to defray normal living expenses for the candidate or the candidate’s family and expenditures for the personal benefit of the candidate having no direct connection with or effect upon the campaign of the candidate or the holding of public office.

In Opinion No. 96-16, we stated:

To be a permissible use of campaign funds, an expenditure must be for a legitimate purpose, an expense of holding political office or a contribution to a party committee. *In order to be a “legitimate campaign purpose or an expense of holding political office”, the expenditure must have a “direct connection with or effect upon the campaign of the candidate or the holding of public office”.* All other expenditures are for personal use, and thus are prohibited. [emphasis added]

In the same opinion we provided lengthy lists of examples of permissible and non-permissible uses of campaign funds. For uses of campaign funds not listed, we determine, on a case-by-case basis, whether a use is permitted. Although not listed, we opine that magnetic signs had a direct connection or effect upon the campaign of the candidate. However, the damage to the vehicle is the consequence for using the magnetic signs. Since the vehicle wasn’t exclusively used for campaign purposes, only a portion of the repairs may be a legitimate campaign expense.

In Opinion No. 2007-14 we stated:

Candidates for political office may use campaign funds to pay for otherwise un-reimbursed vehicle expenses incurred as a result of holding political office or for legitimate campaign purposes.

In the past the Commission permitted candidates to be reimbursed for either the amount of vehicle expenses incurred or for mileage. Due to the difficulty in determining the allocation of vehicle expenses between a candidate's personal use of a vehicle and the candidate's use of a vehicle for holding political office or for campaign purposes, the Commission now determines that beginning January 1, 2008, the use of campaign funds to pay for otherwise un-reimbursed vehicle expenses will be limited to the state mileage reimbursement rate.

Conclusion

Accordingly, we determine that the costs for repairing damage to the vehicle's paint is not considered a legitimate campaign purpose. The treasurer is limited to the state mileage reimbursement rate for campaign use of his personal vehicle.

Sincerely,

Nicholas J. Hale, Chairman
By Direction of the Commission

Board of Regents

**Notice of Hearing on Proposed
Administrative Regulations**

A public hearing will be conducted to consider the approval of proposed amendments to K.A.R. 88-28-6, a Kansas Board of Regents fee regulation. The hearing will be held at 10:00 a.m. July 23, 2019, at the Kansas Board of Regents' Board Room, 1000 SW Jackson St., Suite 520, Topeka, KS 66612. The proposed amendments eliminate certain fees paid by private and out-of-state postsecondary institutions.

This 60-day notice of the public hearing shall constitute a public comment period for receiving written public comments on the proposed regulation. All interested parties may submit comments prior to the hearing to Crystal Puderbaugh, Director of Academic Affairs, at the Kansas Board of Regents' above address or via email to cpuderbaugh@ksbor.org. During the public hearing, all interested parties will be given an opportunity to present their views, orally or in writing, concerning the proposed amendments to K.A.R. 88-28-6. To provide all parties with an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to ten minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Renee Burlingham at 785-430-4239. Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 800-766-3777 for communication accommodations.

Copies of the proposed regulation and the economic impact statement may be found at <http://www.kansasregents.org/about/rules-regulations> or by contacting Renee Burlingham.

A summary of the proposed amendment to K.A.R. 88-28-6 and the economic impact statement of the regulation follows:

K.A.R. 88-28-6 establishes the fees private and out-of-state postsecondary institutions pay for certificates

of approval, registration of representatives, and certain transcripts. The proposed amendment would eliminate fees for: program modifications, on-site branch reviews, representative renewals, and fees associated with changes to the institutional profile. The proposed amendments would also make K.A.R. 88-28-6 consistent with the authorizing statute, K.S.A. 74-32,181, which was amended effective May 17, 2018, so these fees could be eliminated. The economic impact is negligible.

(b) The court or a citizen review board shall hear and the court shall determine whether and, if applicable, when the child will be:

(1) Reintegrated with the child's parents;

(2) placed for adoption;

(3) placed with a permanent custodian; or

(4) if the child is 16 years of age or older and the secretary has documented compelling reasons why it would not be in the child's best interests for a placement in one of the placements pursuant to paragraphs (1), (2) or (3), placed in another planned permanent *living* arrangement.

(c) At each permanency hearing, the court shall:

(1) Enter a finding as to whether reasonable efforts have been made by appropriate public or private agencies to rehabilitate the family and achieve the permanency goal in place at the time of the hearing;

(2) enter a finding as to whether the reasonable and prudent parenting standard has been met and whether the child has regular, ongoing opportunities to engage in age or developmentally appropriate activities. The secretary shall report to the court the steps the secretary is taking to ensure that the child's foster family home or child care institution is following the reasonable and prudent parenting standard and that the child has regular, ongoing opportunities to engage in age or developmentally appropriate activities, including consultation with the child in an age-appropriate manner about the opportunities of the child to participate in the activities;

(3) if the child is 14 years of age or older, document the efforts made by the secretary to help the child prepare for the transition from custody to a successful adulthood. (d) The requirements of this subsection shall apply only if the permanency goal in place at the time of the hearing is another planned permanent *living* arrangement as described in subsection (b)(4). At each permanency hearing held with respect to the child, in addition to the requirements of subsection (c), the court shall:

(1) Ask the child, if the child is able, by attendance at the hearing or by report to the court, about the desired permanency outcome for the child;

(2) document the intensive, ongoing and, as of the date of the hearing, unsuccessful permanency efforts made by the secretary to return the child home or secure a placement for the child with a fit and willing relative, a legal guardian or an adoptive parent. The secretary shall report to the court the intensive, ongoing and, as of the date of the hearing, unsuccessful efforts made by the secretary to return the child home or secure a placement for the child with a fit and willing relative, a legal guardian or an adoptive parent, including efforts that utilize search technology, including social media, to find biological family members of the children; and

(3) make a judicial determination explaining why, as of the date of the hearing, another planned permanent living arrangement is the best permanency plan for the child and provide compelling reasons why it continues to not be in the best interests of the child to return home, be

placed for adoption, be placed with a legal guardian or be placed with a fit and willing relative.

(e) *The requirements of this subsection shall apply only if the child is placed in a qualified residential treatment program at the time of the permanency hearing. At each permanency hearing held with respect to the child, in addition to the requirements of subsection (c), the court shall document:*

(1) *That the ongoing assessment of the strengths and needs of the child continues to support the determination that the needs of the child cannot be met through placement in a foster family home, that the placement in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment, and that the placement is consistent with the short-term and long-term goals for the child, as specified in the permanency plan for the child;*

(2) *the specific treatment or service needs that will be met for the child in the placement and the length of time the child is expected to need the treatment or services; and*

(3) *the efforts made by the secretary to prepare the child to return home or to be placed with a fit and willing relative, a legal guardian, or an adoptive parent, or in a foster family home.*

(f) A permanency hearing shall be held within 12 months of the date the court authorized the child's removal from the home and not less frequently than every 12 months thereafter. *If the court makes a finding that the requirements of subsection (c)(1) or (2) have not been met, a subsequent permanency hearing shall be held no later than 60 days following the finding.*

(f)(g) If the court determines at any time other than during a permanency hearing that reintegration may not be a viable alternative for the child, a permanency hearing shall be held no later than 30 days following that determination.

(g)(h) When the court finds that reintegration continues to be a viable alternative, the court shall determine whether and, if applicable, when the child will be returned to the parent. The court may rescind any of its prior dispositional orders and enter any dispositional order authorized by this code or may order that a new plan for the reintegration be prepared and submitted to the court. If reintegration cannot be accomplished as approved by the court, the court shall be informed and shall schedule a hearing pursuant to this section. No such hearing is required when the parents voluntarily relinquish parental rights or consent to appointment of a permanent custodian.

(h)(i) If the court finds reintegration is no longer a viable alternative, the court shall consider whether: (1) The child is in a stable placement with a relative; (2) services set out in the case plan necessary for the safe return of the child have been made available to the parent with whom reintegration is planned; or (3) compelling reasons are documented in the case plan to support a finding that neither adoption nor appointment of a permanent custodian are in the child's best interest. If reintegration is not a viable alternative and either adoption or appointment of a permanent custodian might be in the best interests of the child, the county or district attorney or the county or district attorney's designee shall file a motion to terminate parental rights or a motion to appoint a permanent custodian within 30 days and the court shall set a hearing on such motion within 90 days of the filing of such motion.

(i)(j) If the court enters an order terminating parental rights to a child, or an agency has accepted a relinquishment pursuant to K.S.A. 59-2124, and amendments thereto, the requirements for permanency hearings shall continue until an adoption or appointment of a permanent custodian has been accomplished. If the court determines that reasonable efforts or progress have not been made toward finding an adoptive placement or appointment of a permanent custodian or placement with a fit and willing relative, the court may rescind its prior orders and make others regarding custody and adoption that are appropriate under the circumstances. Reports of a proposed adoptive placement need not contain the identity of the proposed adoptive parents.

(j)(k) If permanency with one parent has been achieved without the termination of the other parent's rights, the court may, prior to dismissing the case, enter child custody orders, including residency and parenting time that the court determines to be in the best interests of the child. The court shall complete a parenting plan pursuant to K.S.A. 2018 Supp. 23-3213, and amendments thereto.

(1) Before entering a custody order under this subsection, the court shall inquire whether a custody order has been entered or is pending in a civil custody case by a court of competent jurisdiction within the state of Kansas.

(2) If a civil custody case has been filed or is pending, a certified copy of the custody, residency and parenting time orders shall be filed

(continued)

in the civil custody case. The court in the civil custody case may, after consultation with the court in the child in need of care case, enter an order declaring that the custody order in the child in need of care case shall become the custody order in the civil custody case.

(3) A district court, on its own motion or upon the motion of any party, may order the consolidation of the child in need of care case with any open civil custody case involving the child and both of the child's parents. Custody, residency and parenting time orders entered in consolidated child in need of care and civil custody cases take precedence over any previous orders affecting both parents and the child that were entered in the civil custody case regarding the same or related issues. Following entry of a custody order in a consolidated case, the court shall dismiss the child in need of care case and, if necessary, return the civil custody case to the original court having jurisdiction over it.

(4) If no civil custody case has been filed, the court may direct the parties to file a civil custody case and to file the custody orders from the child in need of care case in that case. Costs of the civil custody case may be assessed to the parties.

(5) Nothing in this subsection shall operate to expand access to information that is confidential under K.S.A. 2018 Supp. 38-2209, and amendments thereto, and the confidentiality of such information shall be preserved in all filings in a civil custody case.

(6) When permanency has been achieved to the satisfaction of the court, the court shall enter an order closing the case.

Sec. 6. K.S.A. 2017 Supp. 38-2202, as amended by section 9 of chapter 107 of the 2018 Session Laws of Kansas, and K.S.A. 2018 Supp. 23-2210, 38-2202, 38-2234 and 38-2264 are hereby repealed.

Sec. 7. This act shall take effect and be in force from and after its publication in the Kansas register.
