Public notice is hereby given that Wichita State University (WSU) intends to directly lease, and indirectly sublease through its affiliate corporation Wichita State Innovation Alliance, Inc., subject to all required state approvals, an approximate ground area consisting of 150,000 square feet or less with the potential for expansion for parking, for the private development of one or more partnership buildings. This private development shall be located west of Oliver, between 17th and 18th streets, on the Wichita State University main campus. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, and specifically an emphasis on supporting and growing advanced laboratories for research, testing, and innovation in data infrastructure/storage, video surveillance storage, IOT, security, analytics, visualization/modeling, and machine learning/AI. The university intends to lease such ground for any period of time up to sixty-five years, but extended terms and renewal options would be considered. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable based on term of lease and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will

be considered until a selection is made or this notice is withdrawn. Doc. No. 047275

State of Kansas

Kansas Dental Board

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9:00 a.m. November 8, 2019, at the Landon State Office Building, 5th Floor, 900 SW Jackson St., Room 509, Topeka, KS 66612, to consider the adoption of K.A.R. 71-5-11 and K.A.R. 71-8-8 as permanent regulations of the Kansas Dental Board.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed adoption of K.A.R. 71-5-11 and K.A.R. 71-8-8. All parties may submit written comments prior to the hearing to the Executive Director of the Kansas Dental Board, B. Lane Hemsley, dental.info@ks.gov, or Landon State Office Building, 900 SW Jackson, Room 455-S, Topeka, KS 66612-1231. All interested parties will be given a reasonable opportunity to present their views orally on the proposed adoption of the regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the regulations and economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting the Kansas Dental Board, Landon State Office Building, 900 SW Jackson, Room 455-S, Topeka, KS 66612-1231, phone 785-296-6400 (or TYY 1-800-766-3777). Handicapped parking is located on the west and north sides of the building, and the north entrance to the building is accessible to individuals with disabilities.

The regulations are proposed for adoption as permanent regulations. A summary of the proposed regulations is as follows:

K.A.R. 71-5-11. The effect of this regulation requires that during the administration of parenteral conscious sedation or deep sedation or general anesthesia there must be continuous monitoring for the presence of exhaled carbon dioxide using a capnograph, unless doing so would be precluded or invalidated by the nature of the patient, procedure or equipment.

Summary of Economic Impact Statement. This amendment is not expected to have any economic impact on governmental agencies or units. It will require Level II and Level III sedation permit holders to own a capnograph monitoring device with a cost of approximately \$2,000.00. It is anticipated that most all Level III permit holders already own such a device. It is anticipated that the economic impact, if any, on the general public will be extremely minimal.

K.A.R. 71-8-8. This regulation provides that if a patient, parent or guardian has provided consent to a nursing home or school to access a patient's dental records, the operator of a mobile dental facility or portable dental operation shall provide the nursing home or school the information sheet required by K.A.R. 71-8-8.

Summary of Economic Impact Statement. This amendment is not expected to have any economic impact on governmental agencies or units, persons subject to the proposed amendment or the general public.

Copies of the regulations and the economic impact statements may be obtained from the Kansas Dental Board, Landon State Office Building, 900 SW Jackson, Room 455-S, Topeka, KS 66612-1231, phone 785-296-4690, or by accessing the Board's website at http://www. dental.ks.gov.
