Code Mortgage Rate for August

Pursuant to the provisions of K.S.A. 16a-1-301, Section 11, the code mortgage rate during the period of August 1-31, 2019, is 12 percent. The reference rate referred to in the definition of "code mortgage rate" set forth in K.S.A. 16a-1-301(11)(b)(i) is discontinued, has become impractical to use, and/or is otherwise not readily ascertainable from the Federal Home Loan Mortgage Corporation.

Kansas Housing Resources Corporation

Notice of Hearing

The State of Kansas will conduct a public hearing on housing needs and issues for citizens to have input into the development of the 2020 Kansas Consolidated Plan. The Consolidated Plan is the state's policy framework for federal community development and housing programs.

Resources available in 2020 are approximately \$14,885,822 from the Community Development Block Grant (CDBG), \$5,802,824 from HOME Investment Partnerships (HOME), \$3,000,000 from National Housing Trust Fund (HTF), \$1,607,182 from the Emergency Solutions Grant (ESG), and \$572,576 from Housing Opportunities for Persons with AIDS (HOPWA) programs.

Individuals with disabilities or limited English proficiency are welcome to attend and participate in the public hearing. If you are in need of a sign language interpreter, an assistive listening device, large print, Braille material, or other accommodation to attend this meeting, please notify the Kansas Housing Resources Corporation (KHRC) at least five days prior to the meeting. Requests may be addressed to KHRC, 611 S. Kansas Ave., Suite 300, Topeka, KS 66603-3803 or by phone at 785-217-2001 via the Kansas relay service.

The hearing is scheduled as follows:

Tuesday, August 13, 2019 10:30 a.m.–12:00 p.m. KHRC Main Conference Room 611 S. Kansas Ave., Suite 300 Topeka, KS 66603

Wichita State University

Notice of Intent to Lease Land and/or Building Space

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university's educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice President for Research & Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Wichita State University

Doc. No. 046691

State of Kansas

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) intends to directly lease, and indirectly sublease through its affiliate corporation Wichita State Innovation Alliance, Inc., subject to all required state approvals, an approximate ground area consisting of 150,000 square feet or less with the potential for expansion for parking, for the private development of one or more partnership buildings. This private development

shall be located west of Oliver, between 17th and 18th streets, on the Wichita State University main campus. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, and specifically an emphasis on supporting and growing advanced laboratories for research, testing, and innovation in data infrastructure/storage, video surveillance storage, IOT, security, analytics, visualization/modeling, and machine learning/AI. The university intends to lease such ground for any period of time up to sixty-five years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable based on term of lease and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. If interested, please contact Vice President for Research and Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or University Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Department of Transportation

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at https://kdotapp.ksdot.org/Proposal/ Proposal.aspx. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "NonBid Holders List" as a subcontractor/ supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

KDOT will only accept electronic internet proposals using the Bid Express website at http://www.bidx.com until 1:00 p.m. (CST) August 21, 2019. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. (CST) August 21, 2019. An audio broadcast of the bid letting is available at http://www.ksdot.org/burconsmain/audio.asp.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract pro
(continued)

vision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking the services of a consulting firm for the KDOT guardrail set-aside program which is a program to remove/replace all blunt end guardrail terminals on the National Highway System (NHS) in Kansas. KDOT conducted a mainline NHS blunt end guardrail inventory and data collection was completed and reviewed in February 2019. The new inventory has approximately 1,639 remaining blunt end guardrail terminals and were separated in four tiers based upon traffic volumes and speed limits. Additional information may be found at the FTP site link below, which is available until August 2, 2019.

FTP Site Link: https://secftp.ksdot.org/public/file/PjX 1esF02EC-RmrJavCFUA/KDOT%20Guardrail%20Set-Aside%20Program%20Summary.pdf

This advertisement is for Tier 1 (22 sites) and Tier 2 (241 sites). This could be a multi-phase agreement. Phase I will include site visits and recommendations. Consultant will develop the scope, schedule, and budget for each site in coordination with Road Design and Program Project Management. Phase I is to be completed by December 13, 2019. Phase II, if added, will include preparation of construction drawings and summary memos for construction letting. Additional phases may be added as needed as the program progresses.

Requirements

Interested consulting firms must: (a) be prequalified by KDOT in category 212 Highway Design – Minor Facility and (b) submit a Letter of Interest on or before 12:00

p.m. August 9, 2019 to David Lutgen, P.E., Contracts Engineer for KDOT by email to kdot.designcontracts@ ks.gov with the subject line reading Firm_Name Guardrail Set-Aside Program. Letters of Interest in the form of a PDF document, maximum of four pages, should express interest in the project and describe particular qualifications for the professional services sought by KDOT, including any special expertise, skill, experience, or knowledge of the firm its employees and any subconsultant the firm intends to utilize. If a firm is not currently prequalified by KDOT but is interested in obtaining prequalification, then please view the requirements and categories at http://www. ksdot.org/divengdes/prequal/default.asp. For licensure and other requirements applicable to the practice of technical professions within the State of Kansas, please consult the website of the Kansas Board of Technical Professions at http://www.ksbtp.ks.gov/. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas and comply with applicable state and federal laws, rules and regulations.

Qualifications-Based Selection Process

Based on the qualifications submitted and other information available to KDOT, on or about August 16, 2019 KDOT will shortlist three to five firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. Shortlisted firms may be asked to attend meetings or participate in other discussions with KDOT regarding the project. Technical proposals will be evaluated on the basis of 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed approach to performance of services; and 4) past performance history. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives. KDOT intends to conclude or terminate negotiations on or before September 20, 2019.

Email any questions to kdot.designcontracts@ks.gov.

Doc. No. 047342

State of Kansas

Department of Health and Environment

Notice of Proposed Permit Renewal Action

The Kansas Department of Health and Environment (KDHE) received a Resource Conservation and Recovery Act (RCRA) permit renewal application for hazardous waste treatment and storage from Safety-Kleen Systems, Inc., the operator and owner of the facility located at 1311 S. Anna, Wichita, Kansas. KDHE is providing notice of their intent to renew the Safety-Kleen RCRA permit, EPA identification number KSD000809723.

The permit will allow Safety-Kleen, Inc. to receive hazardous waste via road in both bulk and containers from

off-site generators and other hazardous waste processors; store a total of 20,125-gallons of hazardous waste in two (2) above ground storage tanks; store a total of 4,875 gallons of hazardous waste in two (2) container storage areas.

The draft permit is being considered for issuance under authority of the Kansas Statutes Annotated (K.S.A.) 65-3430 *et seq.* and Kansas Administrative Regulations (K.A.R.) 28-31-4 through 28-31-279a. Documents that support the permit conditions specified in the draft permit are part of the administrative record.

State hazardous waste laws require that the public be given at least 45 days to review the administrative record for the draft permit prior to KDHE taking a final action. The purpose of having a public comment period is to ensure that interested parties have an opportunity to evaluate the conditions specified in the draft permit and to provide their input into the permit decision-making process. A copy of the administrative record which includes the draft permit, the fact sheet, the permit application, and all information pertaining to this permit action is available for public review from August 2, 2019 through September 16, 2019, Monday through Friday, during normal business hours at the following locations:

Kansas Department of Health and Environment Hazardous Waste Permits Section 1000 SW Jackson, Suite 320 Topeka, KS 66612 Contact: Akhter Hossain 785-296-1610

Wichita Public Library Central Branch 223 S. Main St. Wichita, KS 67202 Contact: Sara Dixon 316-261-8500

The administrative record can also be accessed on the KDHE website at http://www.kdheks.gov/waste/p_pubnot hw.html.

Anyone wishing to comment on the draft permit should submit written comments postmarked no later than September 16, 2019 to the KDHE contact at the above listed address.

A public hearing has not been scheduled; however, any interested person may request a public hearing in writing which states the nature of the issues proposed to be raised in a public hearing. If written requests are received which indicate a significant degree of public interest in the draft permit, a public hearing will be scheduled, and advanced notice of hearing will be given to the public. After consideration of all comments received, the Secretary of KDHE will make a final decision to issue or deny the permit. Notice of the Secretary's decision will be given to the applicant, all persons who submitted written comments, those who commented at the public hearing, and those who requested notice of the final permit decision. If none of the comments received during the public comment period result in revision(s) to the draft permit, the permit will become effective immediately upon its issuance. If comments received during the public comment period result in revision(s), the permit (continued)

will become effective 30 days after service of notice of the final decision to allow for public review of the revisions in accordance with 40 CFR 124.15 and K.A.R. 28-31-124(c)(8). Any appeal of the final permit decision must be filed within 15 days after service of notice in accordance with K.S.A 65-3440 and K.S.A. 77-601 *et.seq*.

Department of Health and Environment

Notice of Proposed Permit Renewal Action

The Kansas Department of Health and Environment (KDHE) received a Resource Conservation and Recovery Act (RCRA) permit renewal application for hazardous waste treatment and storage from Systech Environmental Corporation (Systech), the operator and owner of the facility located at 1420 South Cement Road, Fredonia, Kansas. KDHE is providing notice of their intent to renew the Systech RCRA permit, EPA identification number KSD980633259.

The permit will allow Systech to: receive hazardous waste via rail and over the road in both bulk and containers from off-site generators and other hazardous waste processors; process and blend hazardous waste into a fuel for use in cement kilns in two (2) miscellaneous process units; store a total of 780,000 gallons of hazardous waste in twelve (12) above ground storage tanks; store a total of 264,000 gallons of hazardous waste in seven (7) container storage areas; and transfer hazardous waste not suitable for processing into a fuel to other RCRA permitted facilities. The materials stored at the facility include ignitable, corrosive, reactive, toxic, and listed liquid or solid hazardous wastes.

The draft permit is being considered for issuance under authority of the Kansas Statutes Annotated (K.S.A.) 65-3430 *et seq.* and Kansas Administrative Regulations (K.A.R.) 28-31-4 through 28-31-279a. Documents that support the permit conditions specified in the draft permit are part of the administrative record.

State hazardous waste laws require that the public be given at least 45 days to review the administrative record for the draft permit prior to KDHE taking a final action. The purpose of having a public comment period is to ensure that interested parties have an opportunity to evaluate the conditions specified in the draft permit and to provide their input into the permit decision-making process. A copy of the administrative record which includes the draft permit, the fact sheet, the permit application, and all information pertaining to this permit action is available for public review August 2 through September 16, 2019, Monday through Friday, during normal business hours at the following locations:

Department of Health and Environment

Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. The City of Wamego has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

The City of Wamego, PO Box 86, Wamego, KS 66547, owns and operates an air curtain incinerator located at 18200 Valley Rd, Wamego, Kansas, Pottawatomie County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Northeast District Office, 800 W. 24th St., Lawrence, KS 66046. To obtain or review the proposed permit and supporting documentation, contact Cathy Richardson, 785-296-1947, at the central office of the KDHE or Pat Simpson, 785-842-4600, at the Northeast District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, http://www.kdheks.gov/bar/publicnotice.html.

Please direct written comments or questions regarding the proposed permit to Cathy Richardson, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, September 2, 2019.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Cathy Richardson, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, September 2, 2019 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Lee A. Norman, M.D. Secretary

State of Kansas

Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1

through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-AG-19-252/254 Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Kolton Harting Cattle 16799 Road U Norton, KS 67654	SE/4 of Section 30 and E/2 & NE/4 of Section 31 T04S, R22W Norton County	Solomon River Basin

Kansas Permit No. A-SONT-B011

This is a new permit for a new facility for 999 head (999 animal units) of cattle weighing greater than 700 pounds. No existing confined feeding facility (CFF) exists at the subject site. The purpose of the project is to construct a CFF and associated livestock waste management system. The production system consists of a series of pens, feed processing and storage facilities, access roads, watering facilities, drainage structures, and waste control facilities. The single retention control structure (RCS-1) is shaped as an irregular trapezoid, with 4 unequal sides. The bottom of basin side lengths are designed as 60, 63, 373, and 425-feet in length. The side wall slopes are designed at 4:1 slopes with a total depth of 17-feet. The total storage design capacity then is 22.97-acre feet, with 18.34-acre feet at maximum operating capacity.

Name and Address of Applicant	Legal Description	Receiving Water
Cow Camp Feed Yard Cow Camp, Inc. – Tracy Brunner 1611 100 Ave. PO Box 103 Ramona, KS 67475	SW/4 of Section 34 T16S, R03E Dickinson County	Smoky Hill River Basin

Kansas Permit No. A-SHDK-C001 Federal Permit No. KS0086614

This is a renewal permit for an existing facility for 7,999 head (7,999 animal units) of beef cattle weighing more than 700 pounds. There is no change in the permitted number of animal units. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Dodge City Feeders, LLC Zach Freeman 11430 Lariat Rd. Dodge City, KS 67801	SW/4 of Section 28 and NW/4 of Section 33 T265, R24W Ford County	Upper Arkansas River Basin

(continued)

Kansas Permit No. A-UAFO-C004 Federal Permit No. KS0115266

This is a renewal permit for an existing facility for 9,950 head (9,950 animal units) of cattle weighing more than 700 pounds. There has been no change in animal numbers from the last permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Public Notice No. KS-AG-R-19-019

Per Kansas Statutes Annotated 65-171d, the following registration has been received for a proposed facility:

Name and Address of Registrant	Legal Description	County
Mark and Tasha Schurter 121 N. 14th St. Sabetha, KS 66534	E/2 of SE/4 of Section 7 T02S, R15E	Brown

Public Notice No. KS-Q-19-171/179

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Fairway, City of 5505 Buena Vista Fairway, KS 66205	Missouri River	Stormwater Point Source

Kansas Permit No. M-MO34-SU01 Federal Permit No. KSR410005

The proposed action is to issue a new individual NPDES Municipal Separate Storm Sewer System (MS4) permit from an existing MS4 general permit. The proposed MS4 permit requires the permittee to develop, implement, and enforce a stormwater management program designed to reduce the discharge of pollutants from the MS4 to the maximum extent practicable, to protect water quality, and to satisfy the appropriate water quality requirements of the Clean Water Act and Kansas surface water quality statutes and regulations. The proposed permit requires the permittee to update the Stormwater Management Program document, implement six minimum control measures and implement best management practices to reduce identified total maximum daily load (TMDL) regulated pollutants. If a there is an identified TMDL regulated pollutant, surface water monitoring is required on the impaired water body to evaluate performance of the best management practices. Monitoring of industrial stormwater discharges and oversite of construction activities within the MS4 may be required if it is applicable. The proposed permit requires the submittal of an annual report that addresses all compliance requirements for the previous year.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Gardner, City of 120 E. Main Gardner, KS 66030	Kansas and Marais des Cygnes Rivers	Stormwater Point Source

Kansas Permit No. M-MC51-SU01 Federal Permit No. KSR410042

The proposed action is to issue a new individual NPDES Municipal Separate Storm Sewer System (MS4) permit from an existing MS4 general permit. The proposed MS4 permit requires the permittee to develop, implement, and enforce a stormwater management program designed to reduce the discharge of pollutants from the MS4 to the maximum extent practicable, to protect water quality, and to satisfy the appropriate water quality requirements of the Clean Water Act and Kansas surface water quality statutes and regulations. The proposed permit requires the permittee to update the Stormwater Management Program document, implement six minimum control

measures and implement best management practices to reduce identified total maximum daily load (TMDL) regulated pollutants. If a there is an identified TMDL regulated pollutant, surface water monitoring is required on the impaired water body to evaluate performance of the best management practices. Monitoring of industrial stormwater discharges and oversite of construction activities within the MS4 may be required if it is applicable. The proposed permit requires the submittal of an annual report that addresses all compliance requirements for the previous year.

Public Notice No.: KS-EG-19-021/027

In accordance with K.A.R. 28-46-7 and the authority vested with the State by the administrator of the U.S. Environmental Protection Agency, draft permits have been prepared for the use of the well(s) described below within the State of Kansas.

Name and Address of Applicant

Cargill Incorporated Hutchinson Salt Plant PO Box 1403 Hutchinson, KS 67504

(continued)

Legal Description:

M-1: NW, SW, NE, S20, T23, R5W, Reno County, Kansas M-2: NW, SW, NE, S20, T23, R5W, Reno County, Kansas M-3: NE, SW, NE, S20, T23, R5W, Reno County, Kansas M-4: NE, SW, NE, S20, T23, R5W, Reno County, Kansas M-5: NW, SE, NE, S20, T23, R5W, Reno County, Kansas M-6: NW, SE, NE, S20, T23, R5W, Reno County, Kansas M-7: NE, SE, NE S20, T23, R5W, Reno County, Kansas M-7: NE, SE, NE S20, T23, R5W, Reno County, Kansas

Well and Permit Number	Location
M-1/KS-03-155-224	Latitude: 38.03879" Longitude: -97.89379"
M-2/KS-03-155-225	Latitude: 38.03891" Longitude: -97.89275"
M-3/KS-03-155-226	Latitude: 38.03893" Longitude: -97.89171"
M-4/KS-03-155-227	Latitude: 38.03894" Longitude: -97.89067"
M-5/KS-03-155-228	Latitude: 38.03894" Longitude: -97.88962"
M-6/KS-03-155-229	Latitude: 38.03894" Longitude: -97.88858"
M-7/KS-03-155-230	Latitude: 38.03894" Longitude: -97.88730"

Facility Description: The proposed action is to reissue seven existing Class III Injection Well permits for the wells listed above. Injection of fresh water and unsaturated brine is to be made into the Hutchinson Salt member of the Wellington formation. Mining shall not extend into the upper 40 feet of the salt deposit. The maximum operational injection pressure is not to exceed 170 pounds per square inch at the wellhead. The top of the cavity shall be no shallower than 250 feet below land surface. The Wellington formation consists of inter-bedded salt and shale deposits with minor amounts of gypsum. The upper portion of the formation is primarily clayey shale with small amounts of gypsum present. The lower portion, which is known as the Hutchinson Salt member, is mainly salt with inter-bedded shale deposits. The salt

deposits are first encountered about 400 feet below ground surface and extend to a depth of about 730 feet. All construction, monitoring, and operation of these wells shall meet the requirements that apply to Class III Injection wells under the Kansas UIC Regulations, K.A.R. 28-46-1 through 28-46-45 and other requirements of KDHE.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before August 31, 2019, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-19-252/254, KS-AG-R-19-019, KS-Q-19-171/179, KS-EG-19-021/027) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at http://www.kdheks.gov/feedlots. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Governmental Ethics Commission

Opinion No. 2019-04

Written July 24, 2019, to Mr. Jeffrey A. Chanay, Chief Deputy Attorney General,120 SW 10th Ave., 2nd Floor, Topeka, KS 66612-1597.

Synopsis: Under the facts presented, a former state employee may accept an employment offer with the Office of the Attorney General of Kansas without violating Kansas governmental ethics laws.

Cited herein: K.S.A. 46-233.

Dear Mr. Chanay:

We understand that, in your capacity as chief deputy attorney general for the Kansas Office of the Attorney General (OAG), you request our opinion concerning application of the state governmental ethics law, K.S.A. 46-215 *et seq.* Our opinion in response to your request is limited to its applicability. This opinion does not address whether some other statutory system, common law theory, or agency rule or regulation applies to your inquiry.

Factual Statement

The following factual statement is provided in the request for opinion:

...a former OAG employee [...] [is] now employed by a private employer that receives funds from two entities that have direct contractual relationships with another state agency.

The potential employee in question served as Secretary of the Department for Children and Families (DCF) from 2017 until January 2019. During the time that she served as Secretary she signed contract amendments with various private entities that provide case management services for DCF. Two of those entities, St. Francis Ministries and KVC Kansas, in turn, contract with O'Connell Youth Ranch (OYR) for the placement of boys in need of social services prior to adoption, for foster care, or for integration into their families. OYR is licensed by DCF as a residential living facility and it has a provider agreement with the agency. OYR's license and provider agreement were in place with DCF prior to when the former Secretary assumed her duties. In addition, the relationship between O'Connell Youth Ranch and St. Francis Ministries and KVC Kansas existed long before the former Secretary assumed her duties at DCF.

Upon the end of her service as Secretary of DCF, the individual in question accepted fulltime employment with the OAG as Deputy Director of the Victims' Services Division. She resigned from the OAG effective June 27, 2019, to accept the position of Executive Director of the O'Connell Youth Ranch. There has been a complete break in State of Kansas service as a result of the former employee's resignation from the OAG.

Independent of the foregoing, the Kansas Legislature passed and the Governor signed into law, 2019 House Bill 2290, which, among other things, created the position of Kansas Youth Suicide Prevention Coordinator. The OAG would like to offer the coordinator position, on a part-time, non-benefits eligible basis, to its former employee who will remain employed by the OYR as its Executive Director.

K.S.A. 46-233(a)(2) provides, in pertinent part: "Except as otherwise provided in this subsection, whenever any individual has participated as a state officer or employee in the making of any contract with any person or business as an employee, independent contractor or subcontractor until two years after performance of the contract is completed, or until two years after the individual terminates employment as a state officer or employee, whichever is sooner."

Because this fact pattern is distinctly different from (continued)

anything previously encountered by the OAG, we believe it is prudent to seek an opinion from the Governmental Ethics Commission as to the propriety of the OAG's part-time employment of this individual.

Questions

"Is the OAG permitted to employ, on a part-time basis, an individual who is otherwise principally employed by a private entity that receives placements from two entities that have direct contracts with DCF that were amended and signed by the individual in 2018 when she was serving as DCF Secretary?"

Analysis and Opinion

The former OAG employee, in her capacity as DCF secretary, was substantially involved in the making of contracts with St. Francis Ministries and KVC Kansas by signing amendments to those preexisting contacts. She was not substantially involved in the making of any DCF-OYC contracts. As such, she wasn't prohibited from accepting employment with OYC, pursuant to K.S.A. 46-233(a)(2). This is true even if OYC agreements with St. Francis Ministries and KVC Kansas would involve deliverables under the latter two entities' contracts with DCF.

The words "employee," "contractor," and "subcontractor," as used in K.S.A. 46-233(a)(2), are in reference to a former state employee's current work or contemplated work outside of state government. "Employee," "contractor," and "subcontractor" are not interpreted by us to mean that a former state employee may not work as a contractor with the state or as a subcontractor to a state contractor. In other words, the former OAG employee may be employed by OYC, even though OYC may be a subcontractor to St. Francis Ministries and KVC Kansas under DCF contracts that the former OAG employee was substantially involved in making by her amendments during when she was DCF secretary.

Conclusion

Under the facts provided, the former OAG employee (and current director of OYC, a DCF contractor) may accept employment with the OAG and not violate the provisions of the Kansas governmental ethics laws, K.S.A. 46-215 *et seq.*

Sincerely,

Nicholas Hale, Chairman By Direction of the Commission

(Published in the Kansas Register August 1, 2019.)

City of Topeka, Kansas

Summary Notice of Bond Sale \$35,990,000* General Obligation Refunding and Improvement Bonds Series 2019-A

\$1,435,000* General Obligation Bonds Series 2019-B (Zoo Projects)

(General Obligation Bonds Payable from Unlimited Ad Valorem Taxes)

Bids

Subject to the Notice of Bond Sale dated July 25, 2019, (the "Notice"), facsimile and electronic bids will be received on behalf of the Director of Administrative and Financial Services of the City of Topeka, Kansas (the "Issuer") in the case of facsimile bids, at the fax number set forth below, and in the case of electronic bids, via www.columbiacapitalauction.com (the "Columbia Capital Auction"), until 10:00 a.m. (CST) for the General Obligation Refunding and Improvement Bonds, Series 2019-A, (the "Series 2019-A Bonds") and 10:30 a.m. (CST) for the General Obligation Bonds, Series 2019-B (Zoo Projects) (the "Series 2019-B Bonds," and, with the Series 2019-A Bonds, jointly, the "Bonds"), on August 13, 2019, for the purchase of the Bonds. No bid of less than 98.00% of

the principal amount of the Bonds and accrued interest thereon to the date of delivery will be considered.

Bond Details

The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The Bonds will be dated September 10, 2019. The Series 2019-A Bonds will become due August 15 in the years as follows:

Year	Principal Amount*	Year	Principal Amount*
2020	\$ 2,935,000	2028	\$ 2,585,000
2021	2,760,000	2029	2,585,000
2022	2,865,000	2030	2,285,000
2023	3,010,000	2031	2,125,000
2024	2,605,000	2032	1,805,000
2025	2,390,000	2033	1,855,000
2026	2,440,000	2034	1,255,000
2027	2,490,000		

The Series 2019-B Bonds will become due August 15 in the years as follows:

Year	Principal Amount*	Year	Principal Amount*
2020	\$ 75,000	2028	\$ 100,000
2021	75,000	2029	100,000
2022	80,000	2030	105,000
2023	85,000	2031	105,000
2024	90,000	2032	110,000
2025	90,000	2033	115,000
2026	95,000	2034	115,000
2027	95,000		

The Bonds will bear interest from the date thereof at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on February 15 and August 15 in each year, beginning on February 15, 2020.

*Adjustment of Issue Size

The Issuer reserves the right to increase or decrease the total principal amount of the Bonds, depending on the purchase price and interest rates bid and the offering prices specified by the Successful Bidder and savings generated in connection with the refunding of certain general obligation bonds of the Issuer (the "Refunded Bonds"). The principal amount of any maturity may be adjusted by the Issuer in order to properly size the Bond, structure certain funds and accounts, and substantially obtain debt service parameters determined by the Issuer. In formulating bids, bidders should consider that bids generating significant premium may lead to post-bid revisions by the Issuer as described above, resulting in greater principal amortization in later years, and bids generating significant discount my lead to post-bid revisions by the Issuer as described above, resulting in greater principal amortization in earlier years. The Successful Bidder may not withdraw its bid or change the interest rates bid as a result of any changes made to the principal amount of the Bonds or principal of any maturity as described herein. If there is an increase

or decrease in the final aggregate principal amount of the Bonds or the schedule of principal payments as described above, the Issuer will notify the Successful Bidder by means of telephone or facsimile transmission, subsequently confirmed in writing, no later than 12:00 p.m. (CST) on the Sale Date. The actual purchase price for each series of Bonds shall be calculated by applying the percentage of par value bid by the Successful Bidder against the final aggregate principal amount of such series of Bonds, as adjusted. If the principal amounts are modified, the Issuer will seek to modify the maturity schedule, or make other mutually agreeable changes, in a way that will neither increase nor reduce the Successful Bidder's spread as a percentage of the principal amount of the Bonds issued, after taking into account such adjustments.

Book-Entry-Only System

The Bonds shall be registered under a book-entry-only system administered through DTC.

Paying Agent and Bond Registrar

Treasurer of the State of Kansas, Topeka, Kansas.

Good Faith Deposit

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America or a wire transfer in Federal Reserve funds immediately available for use by the Issuer in the amount of \$719,800* for the Series 2019-A Bonds and \$28,700* for the Series 2019-B Bonds.

Delivery

The Issuer will pay for preparation of the Bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about September 10, 2019, to DTC for the account of the successful bidder.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the Issuer as of August 25, 2018 is \$1,252,639,786. The total general obligation indebtedness of the Issuer as of the Dated Date, including the Bonds being sold, but excluding temporary notes and the Refunded Bonds to be retired with a portion of the proceeds of the Bonds and temporary notes being sold on the Sale Date, is \$207,960,000.

Approval of Bonds

The Bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, Bond Counsel to the Issuer, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the Issuer, printed on the Bonds, and delivered to the successful bidder as and when the Bonds are delivered.

Additional Information

Additional information regarding the Bonds may be obtained from the undersigned, or from the Financial Advisor at the addresses set forth below:

Summary Notice of Bond Sale \$23,400,000* General Obligation Sales Tax Bonds, Series 2019a

(General Obligation Bonds Payable from Unlimited Ad Valorem Taxes)

Bids

Subject to the Official Notice of Bond Sale, dated July 23, 2019, electronic bids for the purchase of the above-referenced bonds (the "Bonds") of the City of Wichita, Kansas (the "City") herein described will be received by the Director of Finance of the City via PARITY® until 10:00 a.m. (CST) (the "Submittal Hour") Thursday, August 15, 2019. No bid of less than 100% of the principal amount of the Bonds and accrued interest thereon to the date of delivery will be considered.

Bond Details

The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof (the "Authorized Denomination"). The Bonds will be dated September 1, 2019 (the "Dated Date") and will become due as hereinafter set forth. The Bonds will bear interest from the Dated Date at rates to be determined when the Bonds are sold as hereinafter provided, payable semiannually on April 1 and October 1, beginning on April 1, 2020 (collectively, the "Interest Payment Dates").

Payment Date (October 1)	Principal Amount*	Payment Date (October 1)	Principal Amount*
2020	\$1,325,000	2028	\$1,575,000
2021	1,390,000	2029	1,605,000
2022	1,415,000	2030	1,640,000
2023	1,440,000	2031	1,680,000
2024	1,465,000	2032	1,725,000
2025	1,490,000	2033	1,770,000
2026	1,515,000	2034	1,820,000
2027	1,545,000		

*Principal Amount Subject to Change.

The City reserves the right to adjust the total principal

amount of the Bonds and the principal amount of any maturity, depending on the purchase price bid by the Successful Bidder and amounts necessary to finance the public improvements to be financed thereby, but in no event will the total principal amount of the Bonds exceed \$23,800,000; see Official Notice of Bond Sale dated July 23, 2019 for additional information.

Book-Entry-Only System

The Bonds shall be registered under a book-entry-only system administered through DTC.

Paying Agent and Bond Registrar

Treasurer of the State of Kansas, Topeka, Kansas.

Good Faith Deposit

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America or a wire transfer in Federal Reserve funds immediately available for use by the Issuer in an amount equal to 2% of the principal amount of the Bonds (\$468,000).

Delivery

The City will pay for preparation of the Bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about September 17, 2019 to DTC for the account of the successful bidder.

Assessed Valuation and Indebtedness

The Equalized Assessed Tangible Valuation for Computation of Bonded Debt Limitations for the year 2019 is \$3,923,218,021. The total general obligation indebtedness of the Issuer as of the Dated Date, including the Bonds being sold, is \$704,610,000.

Approval of Bonds

The Bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, Bond Counsel, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the City, printed on the Bonds, and delivered to the successful bidder as and when the Bonds are delivered.

Additional Information

Additional information regarding the Bonds, the delivery of the Deposit and notification regarding the same may be obtained from the Department of Finance, 12th Floor, City Hall, 455 North Main, Wichita, Kansas 67202-1679, or by contacting:

Doc. No. 047357

State of Kansas

Department of Agriculture Division of Water Resources

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10:00 a.m. Thursday, October 10, 2019, in room 124 of the Kansas Department of Agriculture, 1320 Research Park Dr., Manhattan, Kansas, to consider the adoption of proposed regulations.

Individuals wishing to participate by teleconference may go to one of the following locations on the date and time of the public hearing:

Garden City Field Office, 2508 Johns St., Garden City, Kansas Stafford Field Office, 300 S. Main St., Stafford, Kansas

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Agriculture, 1320 Research Park Dr., Manhattan, KS 66502, or by email to ronda.hutton@ks.gov. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes. These regulations are proposed for adoption on a permanent basis. A summary of the proposed regulations and their economic impact follows:

K.A.R. 5-21-7 was adopted by the Chief Engineer of the Divisions of Water Resources, Kansas Department of Agriculture at the request of the Western Kansas Groundwater Management District No. 1 ("GMD1") in 2003. The regulation adopted rules applicable only in GMD1 which governed applications for a change in use made of water from irrigation to any other type of beneficial use based on past use. In 2017, the Chief Engineer updated K.A.R. 5-5-9, which is the statewide rule applicable to change in use made from irrigation to other uses. The GMD1 Board of Directors has requested their specific rule be repealed so that the new statewide rule may be applied within GMD1. K.A.R. 5-5-9 adopts irrigation return flows for each county for which changes in use from irrigation can be based, rather than using the past use and the alternative maximum caps previously adopted by GMD1.

Economic Impact Statement for K.A.R. 5-21-7:

This regulation will likely enhance business activities and growth by increasing the predictability of water right quantities when the type of use is changed from irrigation to other uses, including changes to livestock use. GMD1 has approximately 25 medium to large livestock facilities as well as numerous smaller operations within the District's boundaries. One could argue they are the main economic driver in the area, providing local grain markets for irrigation and dryland farmers. Because K.A.R. 5-21-7 was based on the previous 10-year historical use, it was rendering inactive or little used irrigation water rights almost worthless and was preventing livestock facilities from expanding, and municipalities from

securing water for the future. Since the District is closed to new appropriations the only way to secure water is the purchase of existing water rights. The board did not want 5-21-7 to be the cause for livestock facilities moving out of the area and harming the local economy.

This regulation is not mandated by federal law.

There are no additional economic effects by changing the calculation method for consumptive use.

All entities that own or purchase irrigation water rights, including farmers, ranchers, and any other water right owners that wish to change them from irrigation to other types of use would be directly affected by the proposed regulation.

The changes will create a simplified and predictable method for converting water rights from irrigation use to other types of use, which in turn will allow greater utilization of remaining resources within the district for entities that require additional water to grow. Without this change, future growth could be hampered because of the inability to secure additional water for new purposes or expanded purposes and additional unnecessary use of the depleted aquifer could occur in order to increase the 10-year average use calculation used by the existing regulation.

The rule change itself will minimize the cost and impact on business and economic development within the State of Kansas, local government and individuals. Other methods were considered but ultimately not adopted because they did not prevent the total quantity of water consumed from increasing.

No costs will be incurred by or passed along to businesses, local governments, or members of public.

There are no actions mandated by updating this regulation. Only those persons wishing to change the type of use of a water right are subject to the regulation. This regulation changes the formula used, so that a predictable outcome from a change in consumptive use can be achieved without additional costs.

It is not anticipated that this regulation will impose any function or responsibilities upon cities, counties, or school districts.

The agency did extensive outreach prior to the passage of K.A.R. 5-5-9, and the GMD1 conducted their own process through public board meetings. GMD1 began discussions at their April 2016 board meeting and the topic was discussed at virtually every meeting through September 2017. The board was presented with numerous comments for requests in the change from irrigators, livestock facilities, and municipalities.

K.A.R. 5-25-2, 5-25-4 and 5-25-22 are intended to assist Big Bend Groundwater Management District No. 5 ("GMD5"), and the water users located therein, in finding a solution to the impairment complaint filed by the United State Fish and Wildlife Service regarding the senior surface water right for Quivira National Wildlife Refuge located at the bottom of Rattlesnake Creek. These regulations will assist in developing an augmentation project pursuant to K.S.A. 82a-706b and in moving water out of a high impact zone near the stream and refuge.

K.A.R. 5-25-2 – This regulation is amended to allow augmentation wells to be drilled closer in proximity to (continued)

one another than the standard allowance for new wells. GMD5 has proposed an augmentation wellfield made up of multiple low-volume wells, that they believe will meet standard spacing requirements. However, engineering work has not been completed on the project and this amendment is to ensure the project can continue if circumstances require closer spacing than is currently allowed.

K.A.R. 5-25-4 – New water rights may only be established under limited specific circumstances within GMD5. This regulation is amended to add two additional circumstances. First, any application for the development of augmentation wells, and second, an application to move an existing water right out of the identified high impact area along Rattlesnake Creek. In both cases, existing water rights are protected from impairment by the new water right.

K.A.R. 5-25-22 – This is a new regulation that will allow an existing water right in the identified high impact area around Rattlesnake Creek to be transferred to another area of GMD5 if the stated conditions are met. When a water right is transferred, it will take a new priority number in the new location.

Economic Impact Statement for K.A.R. 5-25-2, 5-25-4 and 5-25-22:

The proposed regulations will protect business activities in the district. While it is not possible to determine their actual impact as allowable actions under these regulations are voluntary, without development of an augmentation system for Rattlesnake Creek and the reduction of water use within the high impact area, it may become necessary to strictly administer water rights throughout the basin. This could result in a catastrophic cut in water use that would cut income to local farmers and cause drastic changes in land values as they shifted from irrigated to dryland use.

These regulations are not mandated by federal law.

The proposed regulations do not require any implementation or compliance costs. If GMD5 or some other entity decides to develop augmentation or individuals decide to move water rights, they will incur costs in those activities, but none are mandated.

Farmers, ranchers, feedlots, and other water right owners located within GMD5 will be directly affected by the proposed regulations.

As there are no direct costs mandated, these regulations offer the benefit of additional methods to solve the impairment of the Quivira National Wildlife Refuge that are much cheaper than strict administration of the basin.

The agency has worked with GMD5 to remove all obstacles to the establishment of augmentation, including development of an MOU with GMD5 and the amendment of these regulations.

No cost will be incurred by or passed along to businesses, local governments, or members of the public.

It is not anticipated that this regulation will impose any function or responsibilities upon cities, counties, or school districts.

The agency has worked extensively with GMD5 to develop these regulations so that they could continue to move forward with their plans for augmentation. The GMD5 Board passed a resolution requesting that these regulations be adopted by the Chief Engineer. Numerous public meetings on solving the impairment of Quivira National Wildlife Refuge have been held over the last two years and these regulations are just part of a larger conversation about solutions to the impairment.

Failure to adopt these regulations could, if they prevented the development of an augmentation project or enough water use is not reduced, cause a large loss in income for local water right owners if they are strictly administered. Land values would decrease and also cause a corresponding decrease in tax revenue for local entities.

Any individual with a disability may request accommodations in order to participate in the public hearing and may request the proposed regulations and impact statements in an accessible format. Requests for accommodations should be made at least five working days in advance of the hearing by contacting Ronda Hutton at 785-564-6715 or fax 785-564-6777. Handicapped parking is available on the west side of the building located at 1320 Research Park Drive in Manhattan. Entrance to the building is also located on the west side of the building and is accessible to individuals with disabilities. If you have questions about accessibility for any of the above listed teleconference locations, please contact Ronda Hutton at 785-564-6715 or email ronda.hutton@ks.gov.

Copies of the regulations and their economic impact statements may be obtained by contacting the Department of Agriculture, Ronda M. Hutton, 1320 Research Park Dr., Manhattan, KS 66502 or 785-564-6715 or by accessing the department's website at https://agriculture.ks.gov. Comments may also be made through our website under the proposed regulation.

Doc. No. 047350

State of Kansas

Department of Agriculture Division of Animal Health

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10:00 a.m., Monday, October 21, 2019, in the 1st floor meeting room 124 of the Kansas Department of Agriculture, 1320 Research Park Dr., Manhattan, Kansas, to consider the adoption of proposed regulations.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Agriculture, 1320 Research Park Dr., Manhattan, KS 66502, or by email at ronda.hutton@ks.gov. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes. These regulations are proposed for adop-

tion on a permanent basis. A summary of the proposed regulations and their economic impact follows:

K.A.R. 9-18-23 – This new regulation would allow, under specified conditions, the transfer and adoption of feline immunodeficiency virus-positive ("FIV") cats.

K.A.R. 9-23-1; 9-23-2; and 9-23-3 – These regulations should have been repealed when the rest of the Pet Animal Act regulations were updated last year. They previously regulated hobby kennel operators, but those operators are now subject to the general requirements contained in K.A.R. 9-18-4 through 9-18-31.

These regulations are not mandated by the federal government. However, this amendment will bring Kansas into alignment with neighboring states.

These regulations are not expected to enhance or restrict business activities but allowing the adoption of FIV cats will likely lower the number of infected cats that are euthanized in shelters and decrease the costs required by shelters to maintain such cats.

This regulation will likely decrease costs incurred by animal shelters. There is no reliable data on how many FIV cats are taken into shelters each year. Some shelters do not maintain data on FIV cats and other shelters can take in as many as 50 plus FIV cats each year. Currently, these cats cannot be permanently adopted, and for no kill shelters, the annual estimated cost to maintain a FIV cat is \$25 per day or \$9,125 per year, although this varies by shelter and the needs of any particular animal.

Animal shelters, rescue networks, animal foster homes, veterinary clinics, and any other persons or entities that may shelter or hold FIV cats will be directly affected by the proposed rule and regulation.

The proposed regulation will reduce the number of FIV cats that are euthanized and reduce the costs of animal shelters that choose to maintain these cats.

There are no implementation costs associated with this regulation because animal shelters are already required to provide care for FIV cats (or euthanize them) and cannot permanently transfer them. Since animal shelters are already providing care to FIV cats, this regulation will reduce the care they provide and should only reduce costs.

It is not anticipated that this regulation will impose any additional functions or responsibilities upon cities, counties, or school districts.

The agency received comments and feedback from local animal shelters and the Midwest Alliance for Animals, the United States Humane Society, and various individuals in support of allowing the adoption of FIV cats during the last update of our regulations and since then. After consulting with veterinarians at the Kansas State College of Veterinary Medicine, it was determined by the Animal Health Commissioner to allow transfer and adoption under the specified circumstances. The regulation was also reviewed and approved by the Pet Animal Advisory Board, representing all entities licensed under the Pet Animal Act.

The proposed regulations are not expected to have an environmental impact.

Any individual with a disability may request accommodations in order to participate in the public hearing and may request the proposed regulations and impact statement in an accessible format. Requests for accommodations should be made at least five working days in advance of the hearing by contacting Ronda Hutton at 785-564-6715 or fax at 785-564-6777. Handicapped parking is located on the west side of the building at 1320 Research Park Drive, Manhattan, and the west entrance to the building is accessible to individuals with disabilities.

Copies of the regulations and their economic impact statement may be obtained by contacting the Department of Agriculture, Ronda M. Hutton, 1320 Research Park Dr., Manhattan, KS 66502 or 785-564-6715 or by accessing the department's website at https://agriculture.ks.gov. Comments may also be made through our website under the proposed regulation.

Board of Technical Professions

Permanent Administrative Regulation

Article 7.—APPLICATIONS

66-7-4. Potentially disqualifying civil and criminal records; advisory opinion; fee. (a) Conviction of any felony may disqualify an applicant from receiving a license.

- (b) Civil records that may disqualify an applicant from receiving a license shall be the records of any court judgment or settlement in which the applicant admitted or was found to have engaged in conduct that would constitute a violation of the technical professions act or any of the board's regulations. Those records shall not be used to disqualify an applicant for more than five years after the applicant satisfied any judgment or restitution ordered by the court or agreed to in the settlement.
- (c) Any individual with a criminal or civil record described in this regulation may submit a petition to the board for an informal, advisory opinion concerning whether the individual's civil or criminal record may disqualify the individual from licensure. Each petition shall include the following:
- (1) The details of the individual's civil or criminal record, including a copy of the court records or the settlement agreement;
- (2) an explanation of the circumstances that resulted in the civil or criminal record; and
- (3) a check or money order in the amount of \$50.00. (Authorized by K.S.A. 74-120 and K.S.A. 74-7013; implementing K.S.A. 74-120 and K.S.A. 74-7026; effective August 16, 2019.)
