Karns at 785-296-3055 or by emailing the agency at KSBTPadmin@ks.gov.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation to be considered and the economic impact statement for the regulation in an accessible format. A summary of the proposed new regulation and the economic impact of the regulation follows:

K.A.R. 66-15-1 states the fees historically charged and collected by the KSBTP and establishes two new fees required by the KSA 74-7009 (a)(6) for the untimely renewal of a license or certificate of authorization pursuant to K.S.A. 74-7025 and by KSA 74-7009 (a)(7) for the return of an inactive license to active practice, or for the reinstatement of a cancelled license. The maximum fees for these services allowed by KSA 74-7009 (a) (6) and (a) (7) is not more than \$200.00. The Board proposes to set the appropriate fee for each of these services at \$20.00. The proposed regulation is not anticipated to have a significant economic impact as the maximum cost of the new proposed fees to an individual licensee or an entity with

a certificate of authority is limited to \$20.00 and the fees for untimely renewals can be avoided by timely renewal during renewal period.

## Racing and Gaming Commission

Notice of Hearing on Proposed  
Administrative Regulation

A public hearing will be conducted at 10:00 a.m. Tuesday, January 7, 2020, in Conference Room A, fifth floor, Eisenhower State Office Building, 700 SW Harrison St., Topeka, Kansas, to consider the adoption of a proposed regulation amendment of the Kansas Racing and Gaming Commission on a permanent basis.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulation amendment. All interested parties may submit written comments prior to the hearing to the Kansas Racing and Gaming Commission, 700 SW Harrison St., Suite 500, Topeka, KS 66603 or by email to joe.myers@krgc.ks.gov. All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulation amendment during the public hearing. The north entrance to the Eisenhower State Office Building is accessible. Handicapped parking is located on the south end of the Eisenhower State Office Building in Parking Lot 8, across 7th Street from the north entrance to the building.

A summary of the proposed regulation amendment and its economic impact follow. Copies of the proposed regulation amendment and the Economic Impact Statement can be viewed at the following website: <http://www.krgc.ks.gov/index.php/racing-gaming-law/regulations/pending-regulations>. Copies can also be obtained by contacting Joe Myers at the previously mentioned contact information.

**K.A.R. 112-105-1 – Security Department.** This is a proposed amendment to an existing regulation that is intended to ensure compliance with state and federal laws regarding the carrying of concealed firearms by on-duty, off-duty, or retired law enforcement officers inside a lottery gaming facility. The K.S.A.s prompting the K.A.R. amendment are 75-7c10 and 75-7c22, and the federal laws prompting the K.A.R. amendment are 18 U.S. Code

§ 926B and 18 U.S. Code § 926C. The amendment clarifies who may openly carry or concealed carry a firearm within a gaming facility. The amendment further lists requirements for those who concealed carry within the gaming facility to abide by.

There will be no additional cost burdens placed on the Kansas Racing and Gaming Commission, other governmental agencies, private citizens, businesses, or the public due to the enactment of these regulations. In comparison to the current version of K.A.R. 112-105-1, the proposed amendment will loosen the restrictions on

business activities and growth. Off-duty and retired law enforcement officers will be able to carry a concealed weapon within the gaming facility. This affects a small percentage of patrons who will be able to enter a gaming facility. Access will be given to on-duty law enforcement regardless of the officer's jurisdiction, which also will not restrict business activities or growth.
