State of Kansas

Board of Regents

Public Notice

The Kansas Board of Regents and Kansas State Department of Education staff are implementing the new *Strengthening Career and Technical Education for the 21st Century Act (Perkins V)* legislation. This Act reauthorizes the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins IV). A new component of the legislation requires that states determine proposed levels of performance for the new state plan, spanning over a four-year period. Stakeholders have the opportunity to submit written comments regarding how the levels of performance meet the requirements of the law, support the performance of all concentrators, and support the needs of the local education and business community.

The proposed levels of performance and supporting documentation are available at [www.kansasregents.org/CTE](http://www.kansasregents.org/CTE) and written comments may be submitted beginning September 3, 2019 through November 4, 2019.

Connie Beene, Sr. Director  
Career Technical Education

Historic Sites Board of Review

Notice of Meeting

The Kansas Historic Sites Board of Review will meet at 9:00 a.m. Saturday, November 16, 2019, in the classrooms in the Kansas Museum of History, 6425 SW 6th Ave., Topeka, Kansas. The Board will consider the following items:

- Approval of minutes of August 3, 2019 meeting
- National Register of Historic Places–Nominations
  - High Rise Apartments – Great Bend, Barton County
  - Greenwood Cemetery and Mausoleum – Eureka, Greenwood County

- Greenwood Cemetery – Council Grove, Morris County
- Delia State Bank – Delia, Jackson County
- Delaware Cemetery – Linwood, Leavenworth County
- National Bank of America Building – Salina, Saline County
- Sutton Place – Wichita, Sedgwick County
- Henry’s Department Store – Wichita, Sedgwick County
- St. James Episcopal Church – Wichita, Sedgwick County
- Lippett House – Topeka, Shawnee County
- 116 SW The Drive – Topeka, Shawnee County
- Historic Garlinghouse Resources MPDF – Topeka, Shawnee County
- Pratt-Mertz Barn – Manhattan, Wabaunsee County
- Register of Historic Kansas Places – Nominations
  - Hundertmark Building – Lincoln, Lincoln County

The Kansas State Historical Society welcomes individuals with disabilities to participate in its activities. If you have a visual, aural, or other impairment and wish to participate in this meeting, please contact the Cultural Resources Division of the Kansas State Historical Society, 6425 SW 6th Ave., Topeka, KS 66615-1099 or by telephone at 785-272-8681 ext., 240, at least two weeks prior to the meeting to discuss how we can ensure your participation.

Jennie Chinn  
Executive Director

Doc. No. 047556

State of Kansas

Kansas Turnpike Authority

Request for Letters of Interest

The Kansas Turnpike Authority (KTA) is seeking a qualified consulting engineering firm to conduct a Roadway Safety Assessment, as generally described below.

Project

KTA Contract No. 7635, Roadway Safety Assessment.

Scope of Services

Conduct a Roadway Safety Assessment for the existing Kansas Turnpike Authority system (mainline, interchanges, toll plazas, and service areas) from the Kansas-Oklahoma border (KTA/I-35 MM 0) to the I-70/K-7 Interchange (KTA/I-70 MM 224). A partial listing of the scope of services will include; reviewing and updating KTA safety data and trends using Chapter 2 of the 2015 KTA Long Term Needs Study as a reference (KTA 2015 LTNS can be accessed at <https://www.ksturnpike.com/about/strategic-direction>, evaluation of existing roadway system, identification of potential road safety concerns, defining opportunities to eliminate or mitigate identified safety concerns, and providing system and site specific practical and innovative improvements/countermeasures. The Roadway Safety Assessment shall include guidance and recommendations that will be utilized by

the KTA as a decision-support tool to evaluate and program new projects, or to augment safety improvements on projects already programmed.

#### Instructions and Deadline

To be considered, interested consulting engineering firms must: (a) be KDOT prequalified in Category 211-Highway Design-Major Facility and (b) submit a Letter of Interest response before 3:00 p.m. November 1, 2019, to David Jacobson, KTA Director of Engineering/Chief Engineer, by email at [djacobson@ksturnpike.com](mailto:djacobson@ksturnpike.com). A confirmation of receipt of the email response will be provided. The subject line of the response email and the PDF file (5 MB maximum size) name must read "KTA Contract No. 7635-Firm Name." Interest responses are limited to four pages, with a project history appendix up to four pages.

#### Evaluation Factors

The Consultant Shortlist Committee will select three to five of the most highly qualified firms expressing interest and schedule an individual interview. The consulting firms can more thoroughly discuss their experience related to the project at the interview and will be expected to discuss their approach to this project in detail and the personnel to be assigned to this project. Firms not selected to be short-listed will be notified. The following criteria will be used as the basis for shortlist selection of the consulting engineering firms:

1. Professional qualifications.
2. Experience of staff assigned to the project.
3. Firms experience with similar road safety projects.
4. Firms performance record.

The Consultant Selection Committee, consisting of KTA Engineering Staff, will conduct the discussions with the firms invited to the individual interview conferences. The committee will rate and select one firm to perform the professional services required for completing the advertised project. After the selection, the firms not selected will be notified of the outcome.

Email all inquiries/questions to David Jacobson at [djacobson@ksturnpike.com](mailto:djacobson@ksturnpike.com).

David E. Jacobson  
Director of Engineering/Chief Engineer

### State of Kansas

## Department of Transportation

### Request for Proposals

#### Attention

Please direct all inquiries and questions regarding this Request for Proposal (RFP) to [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov). Consulting firms shall not contact any other Kansas Department of Transportation (KDOT) staff for information regarding this RFP.

#### Background and Purpose of Project

In Sumner County, Kansas, the Ninnescah River runs alongside U.S. 81 highway for approximately one mile. In September of 2016, flooding occurred which damaged most of the existing fifteen jetties, causing significant ero-

sion which threatened the stability of portions of the U.S. 81 roadway. KDOT thereafter initiated an "Emergency Bank Stabilization" project 81-96 KA-4530-01, by partial removal of existing sheetpile jetties, installing rock revetment and taking other measures along the embankment. Subsequently, a "River Stabilization" project 81-96 KA-4530-02 was constructed with in-stream rock placements and partial removal of existing sheetpile jetties.

Flooding in the spring of 2019 caused damage to the constructed projects. KDOT is now seeking cost effective repairs to secure long-term permanent stabilization to protect the highway.

The performance of services will be done in one project 81-96 KA-4530-03 and will consist of design engineering performed by a consultant for the repairs upon receiving a Notice to Proceed. KDOT intends that the time required to perform the contract is 10 months total and that all plans will be completed for a construction contract letting in the fall of 2020.

#### Schedule and Deadlines

Technical Proposals are due on or before 12:00 p.m. (CST) October 25, 2019, to be submitted via email to [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov). No pricing or cost information shall be submitted unless and until requested by KDOT. Evaluation and ranking of technical proposals on or about November 1, 2019 after which time all the shortlisted firms will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about November 11, 2019. An agreement should be in place and in effect on or about November 19, 2019.

#### Evaluation Factors

Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second and third, etc. Evaluation factors: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed approach for design; 4) two or three cost effective repairs for this location that firm has experience within the past; and 5) past performance history. The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, KDOT will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

#### Contract Terms and Conditions

A specimen agreement is available for the information of the proposers, see Exhibit 3 to this RFP, "Specimen Agreement." Proposers are to submit completed forms for Tax Clearance Certificate (Special Attachment No. 8) for itself and its subconsultants, if any, and completed/signed Special Attachments No. 2 and No. 3 to be submitted with proposer's Technical Proposal.

#### Scope of Services

##### Characteristics and Criteria for Repairs

KDOT and the design consultant for the "River Stabilization" project (81-96 KA-4530-02), have evaluated  
*(continued)*

and identified the needed repairs and their locations. Concept level plans are available for this RFP and are expected to be the basis for scope of work. Based on the previous project(s) experience, project permits will be required, including the Kansas Wildlife, Parks and Tourism's "Action Permit." The "Action Permit" restricts work in the active channel from April 1 through August 31. This restriction "window" is the basis for a Fall 2020 letting to perform winter 2021 construction. The location is a FEMA regulated floodway and floodplain, so repairs need to maintain the plan, grade, profile, and cross-section of the "River Stabilization" project plans.

#### Phase 1 Services to be Performed

The consultant shall complete the following tasks and produce the deliverable described below.

1. Investigation, evaluation, repair design and development plans.
2. Task: The consultant shall review relevant information in KDOT's possession, as well as conduct an on-site visit. Relevant information includes, but is not limited to: U.S. 81 plans (including plans for the existing fifteen jetties), stream gauge measurement information, consultant will also obtain the data for the most recent FEMA Flood Insurance Study (FIS) and Flood Insurance Rate Mapping (FIRM).
3. Deliverable: The consultant shall schedule one or more meetings with KDOT representatives in order to present the consultant's recommendation(s) prior to final plan development. A project report is not required.
4. Final plans to PSE .DGN files.

#### **Instructions for Technical Proposal**

Note: No prices shall be included with the Technical Proposal; no information on pricing or compensation shall be submitted by the consultant unless and until requested by KDOT.

Technical proposals should address and include the following items.

- A. **Technical Proposal:** Describe processes and procedures proposed by the consultant for best practices to perform tasks and produce deliverable described above 1, 2 and 3 of the Scope of Services, such as:
  - methodology of information gathering, types and sources of relevant data;
  - additional information or surveys which the consultant requires for the services;
  - key considerations and technical basis for recommendations; and
  - cost-effective or cost-reduction practices, processes or procedures used by the consultant, if any.
- B. **Other Requirements and Content:** The main text of the consultant's proposal must not exceed fifteen (15) pages to address the topics listed above in section A. Additional pages submitted for résumés and other matters listed below do not count towards the fifteen-page limit:
  - Provide names, qualifications, education, training, and expertise as well as prior relevant experience of the consultant and subconsultant personnel, if any, intended to perform services.

- Provide organization chart identifying the titles, responsibilities, roles, and duties of each individual proposed to be utilized by the consultant in performing services.
- Provide a list of projects, performed for KDOT, which involved plan production according to KDOT graphic standards for the last 5 years.

- C. **Additional Submittals:** Submit the tax clearance certificate(s) required by Special Attachment No. 8 and complete Special Attachments No. 2 and No. 3 of the Specimen Agreement, included in this RFP within Exhibit 3.

Please note: Consultant and its subconsultants, if any, must furnish a Tax Clearance Certificate as described in Special Attachment No. 8 within Exhibit 3, Specimen Agreement.

#### **Exhibits to this RFP**

- Exhibit 1, Video of riverbank conditions, found at <https://www.youtube.com/watch?v=MUIGMBC-86o&t=2s>
- Exhibit 2, Concept Flood Repair Plans
- Exhibit 3, Specimen Agreement

David Lutgen, P.E.  
Division of Engineering and Design

Doc. No. 047549

#### **State of Kansas**

### **Department of Transportation**

#### **Request for Proposals**

#### **Background and Purpose of Project**

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for Project 169-2 KA-2380-01. The project is located on U.S. 169 highway in Anderson County, from 1.5 miles south of RS 11 at Welda, north to the north junction of U.S. 169/U.S. 59 highways.

#### **Schedule/Deadlines**

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) October 25, 2019, to be delivered via email to [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov). Evaluation and ranking of submissions will occur on or about November 8, 2019, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about November 19, 2019. An agreement should be in place on or about December 19, 2019. The contractor could start on the project as early as January 2020 or as late as July 2020.

#### **Scope of Services to Be Performed**

KDOT will provide the project manager. The primary inspector provided is expected to work with and mentor the new KDOT project manager. They will assist with staffing needs to cover all construction operations. The inspector(s) must be capable and possess the required certifications to inspect any work on the project, which includes grading, concrete work, traffic control, HMA paving/HMA plant operations, RC Boxes, bridges, pipes, subgrade, base, seeding, erosion control, SWPPP inspections, CMS or AASHTOWare data entry, and final

paperwork, etc. One inspector will be responsible for all project records including but not limited to: SWPPP inspections, diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor's payrolls, etc. Anticipated staffing needs: provide two project inspectors full time during construction seasons. There may be additional inspectors needed, estimated at four, that will fluctuate throughout the project depending on the project needs. Provide all inspectors as needed to ensure inspection and material testing for this project are done correctly. Provide all the equipment necessary to inspect and test materials, except KDOT will supply equipment for the HMA plant and concrete testing equipment. Construction is anticipated to be completed in 345 working days, this is expected to span both the 2020 and 2021 construction seasons. There may not be a need for inspection over the 2020-2021 winter.

**Instructions for Proposal**

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the Letter of Interest and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the four-page Technical Proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant's ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The RFP shall also include items such as:

- Main project inspector
- Project records inspector
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT Standards and Specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project

**Evaluation Factors**

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (2 full time, 4 intermittent inspectors), certifications, and qualifications proposed for services;
3. Proximity of inspectors to project;
4. Past performance history on similar projects (list project #'s) for KDOT;

5. Types of direct expenses anticipated (lodging, mileage, etc.);
6. Computer, nuclear gauge and mentoring experience in assisting a new engineer for KDOT.

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

**Exhibits to this Technical Proposal Request**

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment").

**Contract Terms and Conditions**

A standard KDOT project inspection agreement will be used for this project. Current rate factors will be used for compensation, and special attachments for the Kansas "Tax Clearance Certificate," the "Certificate of Final Indirect Costs," and the "Policy Regarding Sexual Harassment" will become attachments to the contract.

Questions about this request for Letter of Interest shall be sent via email to [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov).

David Lutgen, P.E.  
Division of Engineering and Design

Doc. No. 047547

**State of Kansas**

**Department of Transportation**

**Request for Proposals**

**Background and Purpose of Project**

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for Project 69-19 KA-1554-03. The project is located on U.S. 69 highway in Crawford County, From 0.2 miles north of the U.S. 69/K-47 junction (620th Avenue), north to 3 miles north of Arma north city limits.

**Schedule/Deadlines**

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) October 25, 2019, to be delivered via email to [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov). Evaluation and ranking of submissions will occur on or about November 8, 2019, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about November 19, 2019. An agreement should be in place on or about December 19, 2019. The contractor could start on the project as early as February 2020 or as late as May 2020.

**Scope of Services to Be Performed**

The project manager/inspectors must be capable inspecting the whole project, which includes concrete work, traffic control, PCC paving/PCC plant operations,  
*(continued)*

HMA paving/HMA plant operations, grading, subgrade, base, bridges, RC boxes, seeding, erosion control, SWPPP inspections, CMS or AASHTOWare data entry, all project records, all project paperwork, and final paperwork, etc. Project records and paperwork including but not limited to: SWPPP inspections, diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor's payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the project needs. Submit the names and information of the project manager, three main inspectors, along with two more inspectors that will be supplemented as needed. Construction is anticipated to be completed within 385 working days, this is expected to span both the 2020 and 2021 construction season. Anticipate a reduction of inspection staff over the 2020-2021 winter. Provide all the equipment necessary to inspect and test materials.

#### Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the Letter of Interest and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the 4-page Technical Proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant's ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The RFP shall also include items such as:

- Project manager

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for Project 35-30 KA-3102-01. The project is located on I-35 in Franklin County, from 1.29 miles northeast of the I-35/U.S. 59 junction (Montana Road over I-35).

#### Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) October 25, 2019, to be delivered via email to [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov). Evaluation and ranking of submissions will occur on or about November 8, 2019, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about November 19, 2019. An agreement should be in place on or about December 19, 2019. The contractor could start on the project as early as December 2019 or as late as April 2020.

### Scope of Services to be Performed

The project manager/inspectors must be capable of inspecting the whole project, which includes concrete work, traffic control, PCC paving/PCC plant operations, HMA paving, grading, subgrade, base, bridges, seeding, erosion control, SWPPP inspections, CMS or AASHTOWare data entry, all project records, all project paperwork, and final paperwork, etc. Project records and paperwork include but are not limited to: SWPPP inspections, diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor's payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the project needs. Submit the names and information of the project manager and project inspectors. Construction is anticipated to be completed within 165 working days, this is expected to span the 2020 and possibly into the 2021 construction season. Anticipate a reduction of inspection staff over the 2020-2021 winter. Provide all the equipment necessary to inspect and test materials. KDOT inspection staff may shadow consultant staff for experience.

### Instructions for Letter of Interest

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the Letter of Interest and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the four-page Technical Proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant's ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The RFP shall also include items such as:

- Project manager
- Project inspectors
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT Standards and Specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project

### Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (project manager and project inspectors), certifications, and qualifications proposed for services;
3. Proximity of inspectors to project;
4. Past performance history on similar projects (list project #'s) for KDOT;
5. Types of direct expenses anticipated (lodging, mileage, etc.);
6. Computer, nuclear gauge and mentoring experience in assisting a new engineer for KDOT.

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

### Exhibits to this Technical Proposal Request

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment").

### Contract Terms and Conditions

A standard KDOT project inspection agreement will be used for this project. Rate factors will be used for compensation, and special attachments for the Kansas "Tax Clearance Certificate," the "Certificate of Final Indirect Costs," and the "Policy Regarding Sexual Harassment" will become attachments to the contract.

Questions about this request for Letter of Interest shall be sent via email to [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov).

David Lutgen, P.E.  
Division of Engineering and Design

Doc. No. 047550

## State of Kansas

## Department of Transportation

### Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for prepar-

*(continued)*

ing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) November 13, 2019. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. (CST) November 13, 2019. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

#### District One – Northeast

**Nemaha** – 66 C-4930-01 – Major collector roads south of U.S. 36 in Nemaha County, signing, 165.0 miles. (Federal Funds)

**Riley** – 81 U-2337-01 – Riley Avenue and Walnut Street intersection, in the vicinity of Ogden Elementary School in Ogden, pedestrian and bicycle paths. (Federal Funds)

#### District Two – North Central

**Chase** – 150-9 KA-5381-01 – K-150, from the Marion/Chase county line east to the U.S. 50/K-150 junction, overlay, 8.6 miles. (Federal Funds)

**Clay** – 09-14 KA-5368-01 – K-9, from east city limits of Clifton east to the south K-9/K-15 junction (Clay/Washington county line), surface recycle, 7.9 miles. (Federal Funds)

**Clay** – 15-14 KA-5369-01 – K-15, from the north city limits of Clay Center north to the Clay/Washington county line, milling and overlay, 11.9 miles. (State Funds)

**Clay** – 80-14 KA-5370-01 – K-80, from the east city limits of Morganville east to the K-15/K-80 junction, milling and overlay, 3.8 miles. (Federal Funds)

**Dickinson** – 70-21 KA-5313-01 – I-70, at the I-70 and K-15 interchange, lighting, 0.4 mile. (Federal Funds)

**Dickinson** – 04-21 KA-5364-01 – K-4, from the K-43/K-4 junction east to the U.S. 77/K-4 junction, milling and overlay, 7.7 miles. (Federal Funds)

**Dickinson** – 15-21 KA-5371-01 – K-15, from the north city limits of Abilene north to the west K-15/K-18 junction, milling and overlay, 6.1 miles. (Federal Funds)

**Ellsworth** – 156-27 KA-4763-01 – K-156, K-156 and 8th Street intersection, intersection improvement, 0.5 mile. (Federal Funds)

**Marion** – 150-57 KA-5382-01 – K-150, from the K-150/U.S. 56/U.S. 77 junction east to the Marion/Chase county line, overlay, 8.0 miles. (Federal Funds)

**Marion** – 57 KA-5374-01 – K-15, from the Harvey/Marion county line north to the west U.S. 56/K-15 junction;

and K-215, from the east city limits of Goessel east to the K-215/K-15 junction, milling and overlay, 13.5 miles. (State Funds)

**Mitchell** – 14-62 KA-3292-01 – K-14, bridge #028 over Leban Creek on K-14 located 3.37 miles south of U.S. 24, special. (State Funds)

**Morris** – 177-64 KA-4285-01 – K-177, bridge #023 over Munker's Creek on K-177 located 6.9 miles south of the Morris/Wabaunsee county line, bridge replacement. (Federal Funds)

**Ottawa** – 81-72 KA-5375-01 – U.S. 81, from the Saline/Ottawa county line north to approximately 2,292 feet south of K-106 and northbound Rifle Road north to the Cloud/Ottawa county line, ultra-thin bonded asphalt surfacing, 17.0 miles. (Federal Funds)

**Statewide** – 197-106 KA-5385-01 – K-197, from the east city limits of Industry east to the Dickinson/Clay county line and from the Dickinson/Clay county line east to the K-15/K-197 junction, sealing, 2.0 miles. (State Funds)

#### District Three – Northwest

**Norton** – 69 C-4936-01 – Washington Road beginning at the U.S. 36 right of way east to the Road W1 intersection, grading and surfacing, 0.5 mile. (Federal Funds)

#### District Four – Southeast

**Chautauqua** – 99-10 KA-5411-02 – K-99, beginning 2,000 feet south of the K-99/Quivira Road intersection north 3,100 feet and from the north city limits of Sedan north to the Chautauqua/Elk county line, shoulders, 12.0 miles. (State Funds)

**Elk** – 99-25 KA-5390-01 – K-99, from the east U.S. 160/K-99 junction north to the Elk/Greenwood county line, milling and overlay, 16.4 miles. (Federal Funds)

**Greenwood** – 99-37 KA-5391-01 – K-99, from the Elk/Greenwood county line north to the west U.S. 400/K-99 junction, milling and overlay, 2.1 miles. (Federal Funds)

**Montgomery** – 75-63 KA-2379-01 – U.S. 75, from the Kansas/Oklahoma state line, north to the south city limits of Caney, grading and surfacing, 0.7 mile. (Federal Funds)

#### District Five – South Central

**Edwards** – 50-24 KA-5499-01 – U.S. 50, from the east city limits of Kinsley east to the Edwards/Stafford county line, crack repair, 21.6 miles. (State Funds)

**Harvey** – 196-40 KA-5392-01 – K-196, from the I-135/K-196 junction east to the Harvey/Butler county line, milling and overlay, 9.6 miles. (Federal Funds)

**Harvey** – 40 KA-5399-01 – U.S. 50, from the Reno/Harvey county line east to the west edge of the wearing surfaces of bridges #073 and #074 over K-15 (includes ramps at Meridian Avenue and K-15); and, K-89, from the north city limits of Halstead north to the south edge of wearing surface of the Halstead bridge (U.S. 50/K-89 junction), milling and overlay, 21.5 miles. (State Funds)

**Kingman** – 48 C-4937-01 – Intersection of RS303/Southeast 20th Street/ Southeast 100th Avenue, signing, 0.3 mile. (Federal Funds)

**Reno** – 78 U-2333-01 – Various locations in Haven, pedestrian and bicycle paths, 0.8 mile. (Federal Funds)

**Rush** – 96-83 KA-5400-01 – K-96, from approximately 686 feet east of the U.S. 183/K-96 junction east to the Rush/Barton county line, sealing, 14.9 miles. (State Funds)

**Statewide** – 11-106 KA-5396-01 – K-11, from the west U.S. 54/K-11 junction north to the Kingman/Reno county line and from the Kingman/Reno county line north to the K-61/K-11 junction, sealing, 16.7 miles. (State Funds)

**Statewide** – 44-106 KA-5512-01 – K-44, from the east city limits of Anthony east to the Harper/Sumner county line and from the Harper/Sumner county line east to the K-44/K-49 junction, crack repair, 23.4 miles. (State Funds)

**Statewide** – 42-106 KA-5516-01 – K-42, from the K-14/K-42 junction east to the Kingman/Sumner county line and from the Kingman/Sumner county line east to the K-42/K-2 junction, sealing, 16.2 miles. (State Funds)

**Statewide** – 49-106 KA-5521-01–K-49, from the K-49/U.S. 81 junction north to the east U.S. 160/K-49 junction, from the west U.S. 160/K-49 junction north to the Sumner/Sedgwick county line, and from the Sumner/Sedgwick county line north to the K-42/K-49 junction, crack repair, 32.4 miles. (State Funds)

**District Six – Southwest**

**Finney** – 83-28 KA-1008-06 – U.S. 83, from the Haskell/Finney county line north 2.5 miles, grading and surfacing, 2.5 miles. (Federal Funds)

**Haskell** – 83-41 KA-1008-03 – U.S. 83, from 4.5 miles north of the U.S. 83/U.S. 160/K-144 junction north to the Haskell/Finney county line, grading and surfacing, 7.6 miles. (Federal Funds)

**Haskell** – 56-41 KA-5360-01 – U.S. 56, from the Seward/Haskell county line east to County Road GG (located east of Satanta), milling and overlay, 6.0 miles. (Federal Funds)

**Seward** – 54-88 KA-2385-03 – U.S. 54, from approximately 581 feet southwest of the U.S. 54/R Park Road intersection, northeast to 2,957 feet northeast of the U.S. 54/Panhandle Road/Davies Road intersection, grading, bridge and surfacing, 3.0 miles. (Federal Funds)

**Seward** – 56-88 KA-5361-01 – U.S. 56, from the Seward/Stevens county line east to the Seward/Haskell county line, milling and overlay, 0.8 mile. (Federal Funds)

**Stevens** – 56-95 KA-5362-01 – U.S. 56, from the east U.S. 56/K-25 junction east to the Stevens/Seward county line, milling and overlay, 20.3 miles. (Federal Funds)

Doc. No. 047572

(Published in the Kansas Register October 17, 2019.)

**Sourcewell  
(Formerly NJPA)**

**Notice of Invitation for Bids**

Sourcewell (Formerly NJPA) issues this Invitation for Bid (IFB) (IFB# KS-111319) to provide Indefinite Quantity Construction Contracting (IQCC) services to all Sourcewell members including all government agencies, education agencies such as colleges and universities, and non-profit agencies in the State of Kansas. Each contract will have an initial term of one year and bilateral option provision for three additional one-year terms. The estimated annual value per contract is \$2,000,000.

IQCC is a contracting procurement system that provides facility owners access to contractors to provide immediate construction, repair, and renovation services over an extended period of time.

Intending bidders are required to attend a pre-bid seminar which shall be conducted for the purpose of discussing the IQCC procurement system, the contract documents, and bid forms. Attendance at one of the pre-bid seminars below is a mandatory condition of bidding.

**9:00 a.m. (CST) October 23, 2019**  
Hampton Inn – Merriam  
7400 W. Frontage Rd.  
Merriam, KS 66203

**2:00 p.m. (CST) October 23, 2019**  
Hampton Inn – Topeka  
1515 SW Arrowhead Rd.  
Topeka, KS 66604

**9:00 a.m. (CST) October 24, 2019**  
Hampton Inn – Wichita/Airport  
7230 W. Harry  
Wichita, KS 67209

Intending bidders can pre-register for the pre-bid seminar by visiting the Sourcewell Procurement Portal at <https://portal.sourcewell-mn.gov>.

An electronic copy of the IFB Documents, including the instructions for submitting a bid, may be obtained

by visiting the Sourcewell Procurement Portal at <https://proportal.sourcewell-mn.gov> and selecting the desired solicitation from the open solicitations list. All bidders must have a Sourcewell Procurement Portal account and be registered as a Plan Taker for this bid opportunity, which will enable the bidder to download the bid documents, to receive email notifications of the issuance of addenda, to download all documents, and to submit a bid online.

Bids are due by 4:30 p.m. (CST) November 13, 2019.

Doc. No. 047544

**State of Kansas**

**Wichita State University**

**Notice of Intent to Lease Land and/or Building Space**

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university’s educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice President for Research & Technology Transfer, Dr. John Tomblin, [john.tomblin@wichita.edu](mailto:john.tomblin@wichita.edu) or Property Manager Crystal Stegeman, [crystal.stegeman@wichita.edu](mailto:crystal.stegeman@wichita.edu). This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Wichita State University

Doc. No. 046691

**State of Kansas**

**Wichita State University**

**Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU) intends to directly lease, and indirectly sublease through its affiliate corporation Wichita State Innovation Alliance, Inc., subject to all required state

approvals, an approximate ground area consisting of 150,000 square feet or less with the potential for expansion for parking, for the private development of one or more partnership buildings. This private development shall be located west of Oliver, between 17th and 18th streets, on the Wichita State University main campus. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, and specifically an emphasis on supporting and growing advanced laboratories for research, testing, and innovation in data infrastructure/storage, video surveillance storage, IOT, security, analytics, visualization/modeling, and machine learning/AI. The university intends to lease such ground for any period of time up to sixty-five years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university’s educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable based on term of lease and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. If interested, please contact Vice President for Research and Technology Transfer, Dr. John Tomblin, [john.tomblin@wichita.edu](mailto:john.tomblin@wichita.edu) or University Property Manager Crystal Stegeman, [crystal.stegeman@wichita.edu](mailto:crystal.stegeman@wichita.edu). This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

**Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Ebert Construction Company, Inc. has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations,

*(continued)*

standards, and requirements applicable to each source; and the monitoring, recordkeeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Ebert Construction Company, Inc., 103 W. Valley St., Wamego, KS 66547, owns and operates an air curtain incinerator, which will be portable throughout Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Northeast District Office, 800 W. 24th St., Lawrence, KS 66046. To obtain or review the proposed permit and supporting documentation, contact Allan Ddamulira, 785-296-1691, at the central office of the KDHE or Pat Simpson, 785-842-4600, at the Northeast District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Allan Ddamulira, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, November 18, 2019.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Allan Ddamulira, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, November 18, 2019 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Doc. No. 047564

State of Kansas

Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-AG-19-308/313

Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Rocking Heifer, LLC – Ulysses 8068 W. Buchanan Rd. Middleton, MI 48856	SW/4 of Section 15 and NW/4 of Section 22 T27S, R37W Grant County	Cimarron River Basin

Kansas Permit No. A-CIGT-C005  
Federal Permit No. KS0093670

This is a renewal permit for an existing facility for 24,000 head (24,000 animal units) of cattle weighing greater than 700 pounds. Waste management system included drainage channels, three sediment basins and three earthen retention control structures. There has been no change in animal numbers from the last permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Sublette Feeders Joe Scott PO Box 917 Sublette, KS 67877	E/2 & NW/4 of Section 17 and SE/4 of Section 8 T29S, R31W Haskell County	Cimarron River Basin

Kansas Permit No. A-CIHS-C001  
Federal Permit No. KS0038075

This is a permit renewal for an existing facility for 46,000 head (46,000 animal units) of cattle weighing more than 700 pounds. The facility consists of approximately 355 acres of open lot pens, feed roads and alleys, feed storage area, manure storage area, a feed mill and other associated feedlot areas. Surface runoff and process water is collected and stored in six earthen retention structures. There has been no change in animal numbers from the last permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Ronald L. Burdick 664 X Rd. Wetmore, KS 66550	NW/4 of Section 1 T05S, R14E Nemaha County	Kansas River Basin

Kansas Permit No. A-KSNM-B003

This is a renewal permit for an existing facility for 900 head (900 animal units) of cattle weighing more than 700 pounds. There has been no change in animal numbers from the last permit.

Name and Address of Applicant	Legal Description	Receiving Water
Green Plains Cattle Company, LLC – Sublette 1811 Aksarben Dr. Omaha, NE 68106	All of Section 36 T28S, R33W Haskell County	Cimarron River Basin

Kansas Permit No. A-CIHS-C004  
Federal Permit No. KS0115291

This is a renewal permit for an existing facility for 60,000 head (60,000 animal units) of cattle weighing more than 700 pounds. There are six drainage areas with runoff contained in an earthen retention structure in each area. There has been no change in animal numbers from the last permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
LKM Farms Kevin Larson 1215 Rock Rd. Scandia, KS 66966	SE/4 of Section 21 T03S, R04W Republic County	Lower Republican River Basin

Kansas Permit No. A-LRRP-B001

This is a renewal permit for an existing facility for 999 head (499.5 animal units) of cattle weighing 700 pounds or less. There has been no change in animal numbers from the last permit.

Name and Address of Applicant	Legal Description	Receiving Water
Dale Hageman 21200 W. 29th North Colwich, KS 67030	SW/4 of Section 31 T26S, R02W Sedgwick County	Arkansas River Basin

Kansas Permit No. A-ARSG-M042

This is a renewal permit for an existing facility for 60 head (84 animal units) of mature dairy cattle, 16 head (16 animal units) of cattle weighing more than 700 pounds, and 23 head (11.5 animal units) of cattle weighing 700 pounds or less for a total of 111.5 animal units. There is no change in the permitted animal units. This facility has an approved Waste Management Plan on file with KDHE.

**Public Notice No. KS-AG-19-314**

**Application(s) for New or Expansion of Existing Swine Facilities**

Name and Address of Applicant	Owner of Property Where Facility Will Be Located	Receiving Water
Kopfer Farms, Inc. Kellan F. Kopfer 630 Cherokee Rd. Oak Hill, KS 67432	Kellan F. Kopfer and Michelle M. Kopfer North of 6th Road, between Co. Road 827 and Buffalo Road Oak Hill, KS 67432	West Chapman Creek, Chapman Creek, and Smoky Hill River

Kansas Permit No. A-SHCY-H002  
Federal Permit No. KS0101702

This is notification KDHE has received a complete permit application for the operation of a swine waste management facility capable of housing 2,048 head (204.8 animal units) of swine weighing less than 55 pounds each and 4,096 head (1,638.4 animal units) of swine weighing more than 55 pounds each for a total of 6,144 head (1,843.2 animal units) of swine. The complete application can be viewed at

the office of the Clay County Clerk, the KDHE North Central District Office in Salina, Kansas or the KDHE Main Office in Topeka, KS. A permit to operate the proposed swine waste management system will not be issued without additional public notice.

**Public Notice No. KS-AG-R-19-023**

Per Kansas Statutes Annotated 65-171d, the following Registration has been received for a proposed facility:

Name and Address of Registrant	Legal Description	County
Douglas M. Dolechek 322 N. Maple St. Hoisington, KS 67544	SW/4 of Section 27 T16S, R14W	Barton

**Public Notice No. KS-Q-19-251/263**

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Name and Address of Applicant	Receiving Stream	Type of Discharge
CHS 2000 S. Main McPherson, KS 67460	Smoky Hill River via Goose Creek via Unnamed Tributary	Process Wastewater

Kansas Permit No. I-SH09-PO01  
Federal Permit No. KS0099546

Legal Description: SE¼, S8, T16S, R13W, Barton County, Kansas  
Facility Name: CHS Susank Station – Groundwater Remediation (Galatia)

Facility Location: 2145 Susank Rd., Susank, KS 67544

The proposed action is to reissue an existing State/NPDES permit for an existing facility. Crude oil contaminated groundwater is pumped out through seven recovery wells, treated in an oil/water separator, a settling tank, and an activated carbon adsorption vessel prior to discharge. Recovered oil is sent to a reclaimer for processing. The proposed permit contains limits for benzene, Low Range Hydrocarbon (LRH), Medium Range Hydrocarbon (MRH), and High Range Hydrocarbon (HRH), as well as monitoring for flow, chloride, and total recoverable selenium.

Name and Address of Applicant	Receiving Stream	Type of Discharge
El Paso Merchant Energy 2 N. Nevada Ave. Colorado Springs, CO 80903	West Branch Walnut River	Process Wastewater

Kansas Permit No. I-WA09-PO01  
Federal Permit No. KS0000205

Legal Description: SW¼, S26, T25S, R5E, Butler County, Kansas  
Facility Name: Former Coastal Refinery, El Dorado

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is a former petroleum refinery, asphalt blending and terminal operation undergoing closure. Refinery operations at the site were discontinued in 1993 and asphalt operations were discontinued in 2004. Wastewater streams consist of stormwater runoff, contaminated groundwater flow from a spring, groundwater recovered from interceptor trenches and monitoring well development, purging and sampling activities, and equipment rinsate (washwater) from environmental investigation and remediation activities. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, total petroleum hydrocarbons and benzene, as well as monitoring for flow, pH, fluoride, methyl tert-

(continued)

butyl ether (MTBE), antimony, volatile organic compounds, arsenic, chromium, hexavalent chromium, copper, lead, nickel, zinc, selenium and total phosphorus.

5240 Belinder Ave.           Source  
Fairway, KS 66205

Kansas Permit No. M-MO34-SU01  
Federal Permit No. KSR410005

Facility Name: Fairway Municipal Separate Storm Sewer System

The proposed action is to issue a new individual NPDES Municipal Separate Storm Sewer System (MS4) permit from an existing MS4 general permit. The proposed MS4 permit requires the permittee to develop, implement, and enforce a stormwater management program designed to reduce the discharge of pollutants from the MS4 to the maximum extent practicable, to protect water quality, and to satisfy the appropriate water quality requirements of the Clean Water Act and Kansas surface water quality statutes and regulations. The proposed permit requires the permittee to update the Stormwater Management Program document, implement six minimum control measures and implement best management practices to reduce any identified total maximum daily load (TMDL) regulated pollutants if listed in the permit (TMDL Table). If there is an identified TMDL regulated pollutant, surface water monitoring may be required on the impaired water body to evaluate performance of the best management practices. Monitoring of industrial stormwater discharges and oversight of construction activities within the MS4 may be required if it is applicable. The proposed permit requires the submittal of an annual report that addresses all compliance requirements for the previous year.

Legal Description: NE¼, NE¼, NE¼, S34, T18S, R21E, Franklin County, Kansas

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is a three-cell wastewater stabilization lagoon system. This facility has been issued a variance from the 2013 ammonia criteria which requires the inclusion of a Pollutant Minimization Plan and an alternate ammonia criteria limit that establish the highest attainable condition for the facility, to meet the terms of the "Multiple-Discharger Lagoon Ammonia Variance" in the NPDES permit. The proposed permit contains a schedule of compliance stating the permittee shall compete repairs and rehabilitation measures

as needed and to provide quarterly reports of progress to KDHE. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, pH and ammonia, as well as monitoring for E. coli.

Facility Address: 449 1200th St., Humboldt, KS 66748

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility manufactures Portland cement by heating a stoichiometric mixture of pulverized limestone and shale in specially equipped kilns. This permit also includes requirements for the limestone and shale quarries that are contiguous to the facility. Domestic sanitary wastewater and service shop wastewater is connected to the City of Humboldt wastewater collection and treatment system. Lab waste is collected in drums and shipped off site for treatment and disposal. The proposed permit contains limits for pH and total suspended solids, as well as monitoring for flow and temperature.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas 66612-1367.

All comments regarding the draft documents or application notices received on or before November 16, 2019, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-19-308/314, KS-AG-R-19-023, KS-Q-19-251/263) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Doc. No. 047565

State of Kansas

## Office of the State Bank Commissioner

### Special Order 2019-1 Residential Real Estate Mortgages, Appraisal, and Evaluation Threshold

**WHEREAS**, pursuant to 84 FR 53579, the Office of the Comptroller of Currency, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation have adopted a final rule on October 9, 2019 amending regulations affecting the requirement for appraisals and evaluations on residential real estate. Pursuant to the new final rule, when a nationally-chartered bank is engaged in the activity of making residential real estate mortgages under \$400,000 to secure principal debt of single 1-to-4 family residential properties, the bank is not required to conduct an appraisal provided it conducts an evaluation of the real estate consistent with safe and sound banking practices; and

**WHEREAS**, pursuant to K.S.A. 9-1101(a)(3) and K.A.R. 17-11-21, Kansas state-chartered banks are not permitted to engage in the activity of making residential real estate mortgage loans to secure principal debt over \$250,000 unless an appraisal is made by an appraiser who is licensed or certified by the state in which property is located and who is independent of the transaction; and

**WHEREAS**, K.S.A. 9-1715, as amended, grants the Commissioner the power to authorize Kansas state-chartered banks to engage in any activity in which such banks could engage were they operating as a national bank; and

**WHEREAS**, the Commissioner deems the issuance of this Special Order to be reasonably required to preserve the welfare of state banks and to promote the competitive equality of state banks and other insured depository institutions.

**IT IS THEREFORE ORDERED**, subject to the limitations and conditions set forth in this Special Order, a Kansas state-chartered bank is hereby authorized to make residential real estate mortgages to secure principal debt under \$400,000 without an appraisal made by an appraiser who is licensed or certified by the state in which the property is located and who is independent of the transaction; and

**IT IS FURTHER ORDERED**, prior to making a residential real estate mortgage to secure principal debt between \$25,000 and \$400,000, two officers or directors, or a qualified individual who is independent of the transaction, shall complete an accurate evaluation of the real estate unless the bank has an appraisal conducted compliant with K.A.R. 17-11-21 or the loan is otherwise exempt from an appraisal or evaluation pursuant to K.A.R. 17-11-21(c); and

**IT IS FURTHER ORDERED**, any person who conducts an evaluation pursuant to this Special Order shall view the premises, make a written statement of value, and sign and file the statement with the bank. Such evaluation shall include: (1) a legal description of the property, including street address (if applicable), its present and projected use; (2) The owner(s) of the property; (3) The type and general condition of improvements, including approximate age, size, and construction, The estimated market value

and basis used for determining that value, including a description of the information and analysis used; and (4) The date of the evaluation and the signature and address of the evaluator(s). Evaluations should include any calculations and supporting assumptions necessary to provide the reader an understanding of the analysis and conclusions contained in the evaluation.; and

**IT IS FURTHER ORDERED**, this Special Order shall not prohibit the Commissioner from requiring an appraisal or evaluation if it is deemed necessary to address safety and soundness concerns; and

**IT IS FURTHER ORDERED**, this Special Order shall be applicable to any residential mortgage loan securing a single 1-to-4 family residential property, including, but not limited to, construction loans; and

**IT IS FURTHER ORDERED** pursuant to K.S.A. 9-1715(b), as amended, the terms of this Special Order shall take effect on October 9th, 2019. If K.A.R. 17-11-21 is amended, this Special Order shall automatically become revoked when the amendment incorporating the change is effective.

**IT IS SO ORDERED.**

Dated October 9, 2019.

David L. Herndon  
Acting Bank Commissioner

Doc. No. 047568

**State of Kansas**

**Secretary of State**

**Notice of Forfeiture**

In accordance with Kansas statutes, the following business entities organized under the laws of Kansas and the foreign business entities authorized to do business in Kansas were forfeited during the month of September 2019 for failure to timely file an annual report and pay the annual report fee.

**Please Note:** The following list represents business entities forfeited in September. Any business entity listed may have filed for reinstatement and be considered in good standing. To check the status of a business entity, go to the Kansas Business Center’s Business Entity Search Station at <https://www.kansas.gov/bess/flow/main?execution=e2s4> (select Business Entity Database) or contact the Business Services Division at 785-296-4564.

## State of Kansas

### Secretary of State

#### Notice of Proposed Constitutional Amendment

##### Senate Concurrent Resolution No. 1605

A PROPOSITION to amend section 1 of article 10 of the constitution of the state of Kansas; relating to reapportionment of senatorial and representative districts.

*Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:*

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 1 of article 10 of the constitution of the state of Kansas is hereby amended to read as follows:

**"§ 1. Reapportionment of senatorial and representative districts.** (a) ~~At its regular session in 1989, the legislature shall by law reapportion the state representative districts, the state senatorial districts or both the state representative and senatorial districts upon the basis of the latest census of the inhabitants of the state taken by authority of chapter 61 of the 1987 Session Laws of Kansas. At its regular session in 1992, and at its regular session every tenth year thereafter, the legislature shall by law reapportion the state senatorial districts and representative districts on the basis of the population of the state as established by the most recent census of population taken and published by the United States census bureau of the census. Senatorial and representative districts shall be reapportioned upon the basis of the population of the state adjusted: (1) To exclude nonresident military personnel stationed within the state and nonresident students attending colleges and universities within the state; and (2) to include military personnel stationed within the state who are residents of the state and students attending colleges and universities within the state who are residents of the state in the district of their permanent residence. Bills reapportioning legislative districts shall be published in the Kansas register immediately upon final passage and shall be effective for the next following election of legislators and thereafter until again reapportioned.~~

(continued)

(b) Within 15 days after the publication of an act reapportioning the legislative districts within the time specified in (a), the attorney general shall petition the supreme court of the state to determine the validity thereof. The supreme court, within 30 days from the filing of the petition, shall enter its judgment. Should the supreme court determine that the reapportionment statute is invalid, the legislature shall enact a statute of reapportionment conforming to the judgment of the supreme court within 15 days.

(c) Upon enactment of a reapportionment to conform with a judgment under (b), the attorney general shall apply to the supreme court of the state to determine the validity thereof. The supreme court, within 10 days from the filing of such application, shall enter its judgment. Should the supreme court determine that the reapportionment statute is invalid, the legislature shall again enact a statute reapportioning the legislative districts in compliance with the direction of and conforming to the mandate of the supreme court within 15 days after entry thereof.

(d) Whenever a petition or application is filed under this section, the supreme court, in accordance with its rules, shall permit interested persons to present their views.

(e) A judgment of the supreme court of the state determining a reapportionment to be valid shall be final until the legislative districts are again reapportioned in accordance herewith."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"*Explanatory statement.* The purpose of this amendment is to eliminate the adjustment of census taken by the United States census bureau regarding nonresident military personnel and nonresident students when reapportioning the Kansas senate and house of representatives.

"A vote for this proposition would eliminate the adjustment of census taken by the United States census bureau regarding nonresident military personnel and nonresident students when reapportioning the Kansas senate and house of representatives.

"A vote against this proposition would continue in effect the requirement for the adjustment of census taken by the United States census bureau regarding nonresident military personnel and nonresident students when reapportioning the Kansas senate and house of representatives."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate, and two-thirds of the members elected (or appointed) and qualified to the House of Representatives shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2019, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Scott Schwab  
Secretary of State

Doc. No. 047563

State of Kansas

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Friday, November 1, 2019, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

**Project No. 001047 Maximum Principal Amount: \$70,355.33.** Owner/Operator: Merrill Wiggers; Description: Acquisition of 36 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Merrill Wiggers (the "Beginning Farmer") and is located in Section 11, Garden Township, Harvey County, Kansas, approximately 4 miles west of Hesston, Kansas.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

Rebecca Floyd  
President

Doc. No. 047561

(Published in the Kansas Register October 17, 2019.)

City of Andover, Kansas

Summary Notice of Bond Sale  
\$7,655,000\*

General Obligation Refunding  
and Improvement Bonds  
Series A, 2019

Details of the Sale

Subject to the terms and requirements of the Official Notice of Bond Sale, dated September 24, 2019, of the City of Andover, Kansas (the "City"), bids to purchase the City's General Obligation Refunding and Improvement

Bonds, Series A, 2019, (the "Bonds") will be received at the office of the City Clerk at City Hall, 1609 E. Central, Andover, KS 67002 or by telefacsimile at 316-733-4634 or electronically as described in the Official Notice of Bond Sale until 11:00 a.m. (CST) Tuesday, October 29, 2019. The bids will be considered by the governing body at its meeting at 7:00 p.m. (CST) on the sale date.

No oral or auction bids for the Bonds shall be considered, and no bids for less than 100 percent of the total principal amount of the Bonds and accrued interest to the date of delivery shall be considered.

**Good Faith Deposit**

Bidders must submit a good faith deposit in the form of a wire transfer or certified or cashier's check made payable to the order of the City, or a financial surety bond (if then available), in an amount equal to 2% of the principal amount of the Bonds.

**Details of the Bonds**

The Bonds will be dated November 14, 2019 and will be issued as registered bonds in denominations of \$5,000, or any integral multiple thereof. Interest on the Bonds is payable semiannually on April 1 and October 1 of each year, beginning April 1, 2020. Principal of the Bonds becomes due on October 1 in the years and amounts as shown below:

**Maturity Schedule**

Principal Amount*	Maturity Date	Principal Amount*	Maturity Date
\$160,000	2020	\$450,000	2030
355,000	2021	460,000	2031
375,000	2022	465,000	2032
385,000	2023	475,000	2033
395,000	2024	485,000	2034
405,000	2025	290,000	2035
420,000	2026	300,000	2036
420,000	2027	305,000	2037
435,000	2028	315,000	2038
435,000	2029	325,000	2039

**Payment of Principal and Interest**

The Treasurer of the State of Kansas will serve as the Bond Registrar and Paying Agent for the Bonds.

**Book-Entry Bonds**

The Bonds will be issued and registered under a book-entry-only system administered by The Depository Trust Company, New York, New York ("DTC").

**Delivery of the Bonds**

The City will prepare the Bonds at its expense and will deliver the registered Bonds to DTC on or about November 14, 2019. Any bond printing costs will be paid by the City from the proceeds of the Bonds or other City funds.

**Legal Opinion**

The Bonds will be sold subject to the legal opinion of Triplett Woolf Garretson, LLC, Wichita, Kansas, Bond Counsel, whose fees will be paid by the City.

**Financial Matters**

The City's current assessed valuation for purposes of calculating statutory debt limitations is \$171,834,874. As of November 14, 2019, the City's total outstanding gener-

al obligation debt (including the Bonds), is \$41,700,000\* which includes an estimated \$3,840,000 of temporary notes expected to be issued contemporaneously with the Bonds, and excludes temporary notes outstanding in the amount of \$3,550,000 and bonds in the amount of \$2,710,000 which will be retired with the proceeds of the Bonds herein offered for sale. The City's total indebtedness which is subject to debt limitation, as of November 14, 2019, is estimated to be \$19,254,842.51, which is 11.21% of the assessed valuation of the City.

**Additional Information**

For additional information contact the City Clerk at the address and telephone number shown below, or the Financial Advisor, Mr. Dustin Avey, Piper Jaffray & Co., 11635 Rosewood St., Leawood, KS 66211-2000, telephone 913-345-3375.

 Doc. No. 047560

(Published in the Kansas Register October 17, 2019.)

**Sedgwick County, Kansas**

**Summary Notice of Bond Sale  
 \$10,875,000\***

**General Obligation Bonds, Series A, 2019**

**(General Obligation Bonds Payable  
 from Unlimited Ad Valorem Taxes)**

**Bids**

Subject to the Notice of Bond Sale dated October 9, 2019 (the "Notice"), facsimile and electronic bids will be received on behalf of the Chief Financial Officer of Sedgwick County, Kansas (the "Issuer") in the case of facsimile bids, at the address set forth below, and in the case of electronic bids, through PARITY® until 1:00 p.m. (CST) November 5, 2019, for the purchase of the above-referenced bonds (the "Bonds"). No bid of less than \$10,778,000 (99.2% of the principal amount of the Bonds) and accrued interest thereon to the date of delivery will be considered.

**Bond Details**

The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The Bonds will be dated November 26, 2019, and will become due on August 1 in the years as follows:

Year	Principal Amount*	Year	Principal Amount*
2020	\$650,000	2030	\$400,000
2021	645,000	2031	405,000
2022	655,000	2032	415,000
2023	665,000	2033	415,000

(continued)

2024	680,000	2034	425,000
2025	620,000	2035	435,000
2026	635,000	2036	445,000
2027	650,000	2037	455,000
2028	665,000	2038	460,000
2029	685,000	2039	470,000

The Bonds will bear interest from the date thereof at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on February 1 and August 1 in each year, beginning on February 1, 2020.

**Book-Entry-Only System**

The Bonds shall be registered under a book-entry-only system administered through DTC.

**Paying Agent and Bond Registrar**

Treasurer of the State of Kansas, Topeka, Kansas.

**Good Faith Deposit**

Each bid shall be accompanied (in the manner set forth in the Notice) by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America or a wire transfer in Federal Reserve funds immediately available for use by the Issuer in the amount of \$217,500.

**Delivery**

The Issuer will pay for preparation of the Bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about November 26, 2019, to DTC for the account of the successful bidder.

**Assessed Valuation and Indebtedness**

The Equalized Assessed Tangible Valuation for Computation of Bonded Debt Limitations for the year 2019 is \$5,689,553,613. The total general obligation indebtedness of the Issuer as of the Dated Date, including the Bonds being sold, is \$57,715,000.

**Approval of Bonds**

The Bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, Bond Counsel to the Issuer, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the Issuer, printed on the Bonds, and delivered to the successful bidder as and when the Bonds are delivered.

**Additional Information**

Additional information regarding the Bonds may be obtained from the undersigned or from the Municipal Advisor at the addresses set forth below:

**State of Kansas**

**Office of the State Bank Commissioner**

**Notice of Hearing on Proposed Administrative Regulation**

A public hearing will be conducted at 9:00 a.m. Friday, December 20, 2019, in Conference Room A of the Jayhawk Tower Building, 700 SW Jackson, Fourth Floor, Topeka, KS 66603, to consider revocation of Kansas Administrative Regulation 17-23-9, a rule and regulation promulgated by the Office of the State Bank Commissioner regarding custody of trust investments.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed revocation. All interested parties may submit written comments prior to the hearing to the Office of the State Bank Commissioner, 700 SW Jackson, Suite 300, Topeka, KS 66603-3796 or by email to Melissa.Wangemann@osbckansas.org. All interested parties will be given a reasonable opportunity to present their views orally or in writing regarding the revocation of K.A.R. 17-23-9 during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to ten minutes.

Copies of the current regulation, proposed revocation, and the economic impact statement may be obtained from the Office of the State Bank Commissioner by contacting Melissa Wangemann at 785-296-1545, Melissa.Wangemann@osbckansas.org, or the mailing address given above.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed revocation and economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Melissa Wangemann at the Office of the State Bank Commissioner. The west entrance to the Jayhawk Tower Building is accessible and there is one accessible parking spot at 720 SW Jackson. There is additional accessible parking on the northwest corner of Jackson and 8th Street.

A summary of the proposed revocation and its economic impact follow. Copies of the proposed revocation and the economic impact statement can be viewed at the

Office of the State Bank Commissioner’s website, [www.osbckansas.org](http://www.osbckansas.org).

**K.A.R. 17-23-9.** (Authorized by K.S.A. 2000 Supp. 9-1713; implementing K.S.A. 9-1603, K.S.A. 9-1607, K.S.A. 9-1608, and K.S.A. 2000 Supp. 9-2103, as amended by L. 2001, ch. 27, §1; effective Feb. 28, 1994; amended Jan. 18, 2002; revoked P-\_\_\_\_\_.)

The revocation eliminates the requirement for a written custodial agreement when a bank’s trust department

or a trust company places investments from a fiduciary account with a third-party custodian. There are no expected costs associated with revocation of the regulation. The revocation will allow banks and trust companies to use brokerage firms for investments of trust assets, a practice that is hindered under the current regulation.

Melissa A. Wangemann  
General Counsel

Doc. No. 047562

**INDEX TO ADMINISTRATIVE REGULATIONS**

This index lists in numerical order the new, amended, and revoked administrative regulations and the volume and page number of the *Kansas Register* issue in which more information can be found. Temporary regulations are designated with a (T) in the Action column. This cumulative index supplements the 2009 Volumes of the *Kansas Administrative Regulations* and the 2019 Supplement of the *Kansas Administrative Regulations*. Regulations can also be found at [http://www.sos.ks.gov/pubs/pubs\\_kar.aspx](http://www.sos.ks.gov/pubs/pubs_kar.aspx).
