Notice of Intent to Lease Land and/or Building Space

Beginning Publication Date: Vol. 39, No. 43, October 22, 2020
Ending Publication Date: Vol. 40, No. 4, January 28, 2021

Public notice is hereby given that Wichita State University intends to lease available land and building space located on WSU's main campus, WSU's Innovation Campus and on property owned by WSU adjacent to the main campus on 17th and Hillside streets. The university will consider leasing such property and/or space to those whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community. Such projects could include, but not be limited to: (1) development of a partnership building to provide office and/or laboratory space to support education and research, advance innovation, foster microenterprises, and/or lease to industry partnerships in any market that aligns with University programs; (2) child care facilities; (3) adult living and retirement facilities; (4) restaurants; (5) retail, grocery, or pharmacy establishments; (6) financial institutions; (7) event and/or performance center; and (8) parking garage. Because tenant development and/or use must be a good fit with the university's educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). Additional information such as renderings, architectural and design plans, project timeline, and subcontractor list is encouraged. The university will consider serious proposals and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Wichita State University Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Department of Health and Environment

Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) and the Unified Government of Wyandotte County/Kansas City, Kansas’ Division of Air Quality (DAQ) are soliciting comments regarding a proposed air quality operating permit. Sinclair Transportation Company – Kansas City Products Terminal has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Sinclair Transportation Company – Kansas City Products Terminal, 3401 Fairbanks Ave., Kansas City, KS 66106, operates a petroleum products pipeline and bulk terminal located at 3401 Fairbanks Ave., Kansas City, KS 66106.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review, during normal business hours, at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the DAQ, 619 Ann Ave., Kansas City, KS 66101. To obtain or review the proposed permit and supporting documentation, contact Penny Roberts, 785-296-1570, at the central

office of the KDHE or Jaclyn Brown, 913-573-6700, at the DAQ. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed document to Jaclyn Brown, DAQ, 619 Ann Ave., Kansas City, KS 66101. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, January 18, 2020.

A person may request a public hearing be held on the proposed document. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Jaclyn Brown, DAQ, 619 Ann Ave., Kansas City, KS 66101, no later than 12:00 p.m. Monday, January 18, 2020 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA’s 45-day review period. Interested parties may contact KDHE to determine if the EPA’s 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Secretary

Doc. No. 048683

State of Kansas

Department of Health and Environment

Notice of Proposed Permit Renewal Action

The Kansas Department of Health and Environment (KDHE) received a Resource Conservation and Recovery Act (RCRA) permit renewal application for hazardous waste storage from Evonik Corporation (Evonik), the operator and owner of the facility located at 6601 S. Ridge Rd., Haysville, KS. KDHE is providing notice of their intent to renew the Evonik RCRA permit, EPA identification number KSD007237746.

The permit will allow Evonik to store hazardous waste in containers (up to 13,750 gallons) and tanks (up to 16,000 gallons) generated from on-site sources or returned goods where ignitable pumpable liquid hazard-

(continued)

ous waste is burned in an industrial boiler for energy recovery and includes provisions for corrective action for any newly identified releases from the regulated units, solid waste management units, or areas of concern. The materials stored at the facility include ignitable, toxic, and listed liquid or solid hazardous wastes.

The draft permit is being considered for issuance under authority of the Kansas Statutes Annotated (K.S.A.) 65-3430 *et seq.* and Kansas Administrative Regulations (K.A.R.) 28-31-4 through 28-31-279a. Documents that support the permit conditions specified in the draft permit are part of the administrative record.

State hazardous waste laws require that the public be given at least 45 days to review the administrative record for the draft permit prior to KDHE taking a final action. The purpose of having a public comment period is to ensure that interested parties have an opportunity to evaluate the conditions specified in the draft permit and to provide their input into the permit decision-making process. A copy of the administrative record which includes the draft permit, the fact sheet, the permit application, and all information pertaining to this permit action is available for public review December 17, 2020 through January 31, 2021, Monday through Friday, during normal business hours at the following locations:

Kansas Department of Health and Environment
Hazardous Waste Permits Section
1000 SW Jackson, Suite 320
Topeka, KS 66612
Contact: Richard Flanary
785-296-6562

Haysville Community Library
210 Hays Dr.
Haysville, KS 67060
Contact: Ken Bell
316-524-5242

The administrative record can also be accessed on the KDHE website at http://www.kdheks.gov/waste/p_pubnot_hw.html.

Anyone wishing to comment on the draft permit should submit written comments postmarked no later than January 31, 2021 to the KDHE contact at the above listed address.

A public hearing has not been scheduled; however, any interested person may request a public hearing in writing which states the nature of the issues proposed to be raised in a public hearing. If written requests are received which indicate a significant degree of public interest in the draft permit, a public hearing will be scheduled, and advanced notice of hearing will be given to the public. After consideration of all comments received, the Secretary of KDHE will make a final decision to issue or deny the permit. Notice of the Secretary's decision will be given to the applicant, all persons who submitted written comments, those who commented at the public hearing, and those who requested notice of the final permit decision. If none of the comments received during the public comment period result in revision(s) to the draft permit, the permit will become effective immediately upon its issuance. If comments received during the public comment period result in revision(s), the permit

will become effective 30 days after service of notice of the final decision to allow for public review of the revisions in accordance with 40 CFR 124.15 and K.A.R. 28-31-124(c)(8). Any appeal of the final permit decision must be filed within 15 days after service of notice in accordance with K.S.A 65-3440 and K.S.A. 77-601 *et seq.*

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

There has been no change in the permitted animal units.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and

Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before January 16, 2021, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-20-299/305) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Office of Facilities and Property Management

Notice of Requested "On-Call" Engineering Services

Notice is hereby given of the commencement of the selection process for "on-call" mechanical-electrical-plumbing engineering services for Kansas State University. Services are required for restricted (small) projects with a project budget of \$1,000,000 or less. Multiple firms will be selected. The contracts will be for three years.

For more information, contact Diana Hutchison at dlhutch@ksu.edu, phone 785-532-0379. Firms interested in providing these services should be familiar with the requirements which can be found in Part B-Chapter 4 of the Building Design and Construction Manual at the website below.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <http://admin.ks.gov/offices/ofpm/dcc/f-and-d>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than 5 Mb and follow the current State Building Advi-

(continued)

sory Commission guidelines which can be found in Part B – Chapter 2 of the Building Design and Construction Manual at <http://www.admin.ks.gov/offices/ofpm/dcc/bdcm>. Paper copies and flash drives containing copies of the proposals are not required.

Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions, please call 785-296-0749. Proposals shall be emailed to professional.qualifications@ks.gov to the attention of Randy Riveland by 2:00 p.m. on or before January 4, 2021.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, then the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Department of Administration Office of Facilities and Property Management

Notice of Requested Ancillary Technical Services

Notice is hereby given of the commencement of negotiations for the 12-month period of January 1, 2021 to December 31, 2021, for the following technical services:

- Land surveying, geotechnical investigation;
- Materials testing services including but not limited to roofing and hazardous materials, concrete, spray-on fire resistive materials, and welding;
- Inspection services including but not limited to air and water balancing, roofing, concrete, asphalt, and welding; or
- Commissioning of mechanical and electrical systems.

Interested firms are not required to provide all the services described but should indicate on the form which services they can provide.

If your firm is interested in providing the listed services for State of Kansas projects throughout the upcoming year, complete the most current version of Form 050 State of Kansas Professional Qualifications (SOQ) available at <https://admin.ks.gov/offices/ofpm/dcc/f-and-d>. The form shall be submitted in PDF format to Barbara Schilling at professional.qualifications@ks.gov. The subject line of the email should include the name of the firm submitting the SOQ. Any questions should be directed to Barbara Schilling at 785-291-3695 or by email at the address above. Submissions are due by January 31, 2021.

It is the intention of the Office of Facilities and Property Management to preapprove a separate group of qualifying firms for each classification listed above. If a firm anticipates being limited to specific sized projects, by dollar volume or locations in the state, that information should also be supplied with the response.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kan-

sas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Frank Burnam, Director
Office of Facilities and Property Management

Doc. No. 048695

Notice of Annual Qualifications

To Contractors:

Pursuant to K.S.A. 75-37,143, to assist in the procurement of alternative project delivery (construction management at-risk and design-build) construction services, the Secretary of Administration shall encourage firms engaged in the performance of construction services to submit annually to the Secretary and to the State Building Advisory Commission (SBAC) a statement of qualifications and performance data. Each statement shall include data relating to the following:

1. The firm's capacity and experience, including experience on similar or related projects; and
2. The capabilities and other qualifications of the firm's personnel.

If your firm is interested in providing construction management at-risk or design-build services for State of Kansas projects throughout the upcoming year, complete the most current version of Form 050 State of Kansas Professional Qualifications (SOQ) available at <https://admin.ks.gov/offices/ofpm/dcc/f-and-d>. The form shall be submitted in PDF format to Barbara Schilling at professional.qualifications@ks.gov. The subject line of the email should include the phrase "annual qualifications." Further information may be found at <https://admin.ks.gov/offices/ofpm/dcc/bdcm>, Part B, Chapter 7 – Procurement of Alternative Project Delivery Building Construction. Any questions should be directed to Barbara Schilling at 785-291-3695 or by email at the address above. Submissions are due by January 31, 2021.

Submissions will be on file with the office for use by the State Building Advisory Commission and the Secretary of Administration.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders, vendors, and/or contractors have any policies or participate in any initiatives that discourage human trafficking, the prospective bidder, vendor, and/or contractor is encouraged to submit same as part of their bid response.

Notice of Annual Qualifications

To Architectural, Engineering and Land Surveying Firms:

Pursuant to K.S.A. 75-1252, as amended, “in the procurement of architectural, engineering, or land surveying services, the secretary of administration shall encourage firms engaged in the lawful practice of their profession to submit to the secretary and to the state building advisory commission annually a statement of qualifications and performance data.”

By statutory definition, “firm” means such individual, firm, partnership, corporation, association, or other legal entity which is permitted by law to practice the profession of architecture, engineering or land surveying by the Kansas Board of Technical Professions.

If your firm is interested in providing architectural, engineering, or land surveying services for State of Kansas projects throughout the upcoming year, complete the most current version of Form 050 State of Kansas Professional Qualifications (SOQ) available at <https://admin.ks.gov/offices/ofpm/dcc/f-and-d>. The form shall be submitted in PDF format to Barbara Schilling at professional.qualifications@ks.gov. The subject line of the email should include the phrase “annual qualifications.” Further information may be found at <https://admin.ks.gov/offices/ofpm/dcc/bdcm>, Part B, Chapter 2 – Professional Design Services. Any questions should be directed to Barbara Schilling at 785-291-3695 or by email at the address above. Submissions are due by January 31, 2021.

Submissions will be on file with the office for use by the state building advisory commission and the secretary of administration.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking qualified consulting engineering firm(s) for the project listed below. Interested consulting firms must: (a) be prequalified by KDOT or otherwise demonstrate qualification in the following category: Category 222 Standard Span Bridge Design. A PDF must be emailed to David Lutgen, P.E., Contracts Engineer at kdot.design-contracts@ks.gov. Responses are to be limited to eight pages, the subject line of the reply email and the file name must read “Bridge Redecks – Firm Name.” Request

for Proposals (RFPs) must be received by 12:00 p.m. December 30, 2020 for the consulting firm to be considered. Indicate in the proposal which projects the firm wants to be considered for. Projects will be awarded individually.

If a firm is not currently prequalified by KDOT a response may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms may use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification category definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules and regulations.

Scope of Services to be Performed

Project No. 10-46 KA-6085-01 (176)

The KDOT is seeking a consultant to provide a set of bridge design/plans for the redeck of the following structure: 10-46-4.87(176) carrying WB K-10 over Lexington Avenue in Johnson County.

Background and Purpose of Project

Federally Funded Project ACNHP-A608(501)

Documents: <https://secftp.ksdot.org/public/file/iETE7VEa30qd5VxIKULyG/KA-6085-01%20Exist%20Info.zip>.

- Route:** K-10
- Dist.–Area–Sub:** 1–2–4
- County:** Johnson (46)
- Serial Number:** 176
- Structure Type:** SWGR
- State Ref. Point:** 25.01
- County Ref. Point:** 4.87
- Feature Carried:** K-10 HWY, WB
- Feature Crossed:** LEXINGTON AVENUE, ABAND RR
- Location:** 4.45 MI E DOUGLAS COL, WB
38.96082, -94.98322
- Scope:** Replace Deck and Rails, Paint Super, Add Shear Studs, Replace Approach Slabs
- Designer:** Consultant
- Project Manager:** John Culbertson
- Letting:** February 2022
- Bridge Squad:** Karen Peterson
- Road Squad:** Debbie Tanking

A bridge site scoping meeting is required. Include the project manager on all project correspondence. Project scope will not be expanded with federally funded projects. Develop the traffic control plan sheets with valuable input from the area. Full TMP is required for this project.

Project No. 635-105 KA-6086-01 (152)

The KDOT is seeking a consultant to provide a set of bridge design/plans for the redeck of the following structure: 635-105-4.17(152) carrying WB I-70 to SB I-635 over NB I-635 and I-70 in Wyandotte County.

Background and Purpose of Project

Federally Funded Project ACNHP-A608(601)

- Designer:** Consultant
- Letting:** January 2022
- Bridge Squad:** Brad Rognlie
- Road Squad:** Debbie Tanking

A bridge site scoping meeting is required. Include the project manager on all project correspondence. Project scope will not be expanded with federally funded projects. Develop the traffic control plan sheets with valuable input from the area. Full TMP is not required for this project.

Anticipated Schedule for Subsequent Events

RFPs are due by 12:00 p.m. (CST) December 30, 2020. Evaluation and ranking of technical proposals on or about January 20, 2021 after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firms to commence on or about February 3, 2021. Agreement in place and in effect February 24, 2021. RFPs are to be delivered via email to kdot.designcontracts@ks.gov.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed eight (8) pages total to address the pertinent topics. Indicate in your proposal the projects for which the firm wants to be considered. Please use the following naming convention for submittal... "Bridge Redecks RFP – Firm Name." RFP's submitted will consist of the proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a completed and signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Subconsultants will need to complete these attachments as well. All these forms are attached to the original email announcement.

RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks

and to produce deliverables described above under "Scope of Services to be Performed." Also, include items such as:

- Project manager/engineer in charge.
- History of projects with similar tasks.
- Availability of staff to meet schedule without over-time.
- Familiarity with KDOT standards and content.
- Any subconsultant and their role (if any) that will be performing services on the project

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors: 1) the quality and completeness of the response; 2) qualifications and experience of consultant design personnel/manager proposed for services; 3) proposed project approach; 4) availability to respond to the work; and 5) past performance history for similar projects/services for KDOT. The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this RFP

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for this project. Special Attachments for the Kansas "Tax Clearance Certificate," the "Certification of Final Indirect Costs," and the Special Attachment No. 10 "Policy Regarding Sexual Harassment" will also eventually become attachments to the contract.

Questions about this RFP shall be sent by email to KDOT at kdot.designcontracts@ks.gov.

Calvin E. Reed, P.E. Director
Division of Engineering and Design

Doc. No. 048680

State of Kansas

Department of Transportation

Notice to Consulting Firms

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for project 24-15 KA 3239-02. The project is located on US-24 beginning from one mile east of 220th Road (County Road 801) east to Cloud/Clay County line in Cloud County.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) December 30, 2020, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about January 13, 2021, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about January 27, 2021. An agreement should be in place on or about February 17, 2021. The contractor is expected to start the project in March of 2021.

Scope of Services to be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes grading, subgrade/base, concrete, HMA roadway, HMA plant, bridge(s), RC box, traffic control, seeding, erosion control, CMS or AASHTOWare data entry, all project records, all project paperwork, and final paperwork, etc. Project records and paperwork including but not limited to: diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor's payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the contractor's schedule and how they pursue the work. Submit the name and information of the project manager and HMA plant inspector. Construction is anticipated to be completed by a calendar completion date of December 18, 2021. Provide all the equipment necessary to inspect and test materials.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant's ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The RFP shall also include items such as:

- Project manager
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project

(continued)

- Names, certifications, and experience of all inspectors that will be assigned to the project
- Anticipated time to close out project paperwork

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (Project manager and HMA plant inspector), certifications, and qualifications proposed for services;
3. Past performance history on similar projects (list project numbers) for KDOT;
4. Anticipated time to close out project paperwork;
5. Proximity of inspectors to project;
6. Types of direct expenses anticipated (lodging, mileage, etc.).

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A standard KDOT project inspection agreement will be used for this project. Current rate factors will be used for compensation, and Special Attachments for the Kansas "Tax Clearance Certificate," the "Certificate of Final Indirect Costs," and the "Policy Regarding Sexual Harassment" will become attachments to the contract.

Questions about this request for proposals shall be sent via email to kdot.designcontracts@ks.gov.

David Lutgen, P.E.
Division of Engineering and Design

Doc. No. 048677

State of Kansas

Department of Transportation

Notice to Consulting Firms

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for projects 24-62 KA 3950-01 and 24 62 KA 3963-01 which are state tied. Both projects are in Mitchell County on US-24. Project 24-62 KA 3950-01 is Bridge #49 (Brown Creek) located 7.61 miles east of K-128 and project 24 62 KA 3963-01 is Bridge #48 (Mulberry Creek) located 11.15 miles east of K-128.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) December 30, 2020, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about January 13, 2021, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about January 27, 2021. An agreement should be in place on or about February 17, 2021. The contractor is expected to start the project in May-July of 2021.

Scope of Services to be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes grading, sub-grade/base, concrete, PCCP roadway, HMA roadway, bridge(s), RC box, traffic control, seeding, erosion control, CMS or AASHTOWare data entry, all project records, all project paperwork and final paperwork, etc. Project records and paperwork including but not limited to: diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor's payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the contractor's schedule and how they pursue the work. Submit the name and information of the project manager. Construction is anticipated to be completed within 180-working days. Provide all the equipment necessary to inspect and test materials.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for project 160-11 KA 3904-01. The project is to replace Bridge #050 (Neosho River drainage) on US-160 located 0.94 miles east of the Labette County line in Cherokee County.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) January 6, 2021, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about January 20, 2021, af-

ter which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about February 3, 2021. The contractor is expected to start the project around February or March of 2021.

Scope of Services to Be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes grading, subgrade/base, concrete, HMA CG, bridge(s), pavement patching, traffic control, seeding, erosion control, CMS or AASHTOWare data entry, all project records, all project paperwork, and final paperwork, etc. Project records and paperwork including but not limited to: diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor’s payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the contractor’s schedule and how they pursue the work. Submit the name and information of the project manager and primary inspector. Construction is anticipated to be completed in 170-working days and cleanup days. Work may be suspended for the winters and resume in springs. Provide all the equipment necessary to inspect and test materials.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 (“Certificate of Final Indirect Costs”), a completed and signed Special Attachment No. 8 (“Tax Clearance Certificate”), and a signed Special Attachment No. 10 (“Policy Regarding Sexual Harassment”). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant’s ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under “Scope of Services to be Performed.” The RFP shall also include items such as:

- Project manager
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project
- Anticipated time to close out project paperwork

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in

order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (project manager and primary inspector), certifications, and qualifications proposed for services;
3. Past performance history on similar projects (list project numbers) for KDOT;
4. Anticipated time to close out project paperwork;
5. Proximity of inspectors to project;
6. Types of direct expenses anticipated (lodging, mileage, etc.).

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 (“Certificate of Final Indirect Costs”)
- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Contract Terms and Conditions

A standard KDOT project inspection agreement will be used for this project. Current rate factors will be used for compensation, and Special Attachments for the Kansas “Tax Clearance Certificate,” the “Certificate of Final Indirect Costs,” and the “Policy Regarding Sexual Harassment” will become attachments to the contract.

Questions about this request for proposal shall be sent via email to kdot.designcontracts@ks.gov.

David Lutgen, P.E.
Division of Engineering and Design

Doc. No. 048698

State of Kansas

Department of Transportation

Notice to Consulting Firms

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for project 70-84 KA 5687-01. The project on I-70 and is for repairs of Bridge #026 located 13.06 miles east of US-281 and Bridge #030 located 14.58 miles east of US-281 in Russell County.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) January 6, 2021, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about January 20, 2021, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about February

3, 2021. The contractor is expected to start the project in early April of 2021.

Scope of Services to Be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes concrete, bridge repair, pavement marking, traffic control, CMS or AASHTOWare data entry, all project records, all project paperwork, and final paperwork, etc. Project records and paperwork including but not limited to: diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor’s payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the contractor’s schedule and how they pursue the work. Submit the name and information of the project manager. Construction is anticipated to be completed in 90-working days and cleanup days. Provide all the equipment necessary to inspect and test materials.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 (“Certificate of Final Indirect Costs”), a completed and signed Special Attachment No. 8 (“Tax Clearance Certificate”), and a signed Special Attachment No. 10 (“Policy Regarding Sexual Harassment”). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant’s ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under “Scope of Services to be Performed.” The RFP shall also include items such as:

- Project manager
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project
- Anticipated time to close out project paperwork

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;

(continued)

2. Employee names (project manager), certifications and qualifications proposed for services;
3. Past performance history on similar projects (list project numbers) for KDOT;
4. Anticipated time to close out project paperwork;
5. Proximity of inspectors to project;
6. Types of direct expenses anticipated (lodging, mileage, etc.).

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 (“Certificate of Final Indirect Costs”)
- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Contract Terms and Conditions

A standard KDOT project inspection Agreement will be used for this project. Current rate factors will be used for compensation, and Special Attachments for the Kansas “Tax Clearance Certificate,” the “Certificate of Final Indirect Costs” and the “Policy Regarding Sexual Harassment” will become attachments to the contract.

Questions about this request for proposals shall be sent via email to kdot.designcontracts@ks.gov.

David Lutgen, P.E.
Division of Engineering and Design

Doc. No. 048699

State of Kansas

Office of the Governor

Executive Order No. 20-69 Requiring COVID-19 Testing in Certain Adult Care Homes

WHEREAS, securing the health, safety, and economic well-being of residents of the State of Kansas is this Administration’s top priority;

WHEREAS, Kansas is facing a crisis – the pandemic and public health emergency of COVID-19— with effects of illness, quarantines, school closures, and temporary closure of businesses resulting in lost wages and financial hardship to Kansas citizens;

WHEREAS, the United States Departments of Health and Human Services declared a public health emergency for COVID-19 beginning January 27, 2020, with now more than 15,040,000 cases of the illness and more than 285,000 deaths as a result of the illness across the United States;

WHEREAS, a State of Disaster Emergency was proclaimed for the State of Kansas on March 12, 2020, and such emergency was extended to September 15, 2020 pursuant to Sec. 5(a) of House Bill 2016 (special session

2020) and has since been extended by the State Finance Council through December 15, 2020;

WHEREAS, as of this date, there have been over 179,803 positive cases of COVID-19 in Kansas, spread among all 105 counties and 1,941 deaths as a result of the illness;

WHEREAS, the health and safety of vulnerable residents residing in adult care homes in Kansas, and the health and safety of the valuable staff that provide direct care and treatment to those residents, have been significantly impacted by COVID-19 infection outbreaks;

WHEREAS, a requirement to test staff and residents living and working in state-licensed adult care homes for COVID-19 is an important and necessary addition to other infection prevention and control (IPC) recommendations aimed at preventing COVID-19 from entering adult care homes, detecting cases quickly, and stopping transmission; swift identification of confirmed COVID-19 cases allows the facility to take immediate action to remove exposure risks to residents and staff who live and work in state-licensed adult care homes; and

WHEREAS, adult care homes subject to federal regulations are subject to COVID-19 testing requirements as set out in QSO-20-38-NH, and this order is intended to subject adult care homes that are exclusively regulated by the state to similar testing requirements.

NOW, THEREFORE, pursuant to the authority vested in me as Governor of the State of Kansas, including the authority granted me by K.S.A. 48-924 and K.S.A. 48-925(b), (c)(1), and (c)(11), in order to address the effects of the spread of COVID-19, I hereby direct and order the following:

1. Adult care homes subject to this order shall include all facilities identified in K.S.A. 39-923(a), except those facilities that must comply with QSO-20-38-NH issued on August 26, 2020 by the Centers for Medicare & Medicaid Services (CMS), pursuant to 42 CFR 483.80(h), which requires nursing facilities that are federally certified to receive Medicare and Medicaid funding to test all residents and staff for COVID-19 in accordance with guidance established by CMS. This executive order is intended to require testing of staff and residents in all other state-licensed facilities that are classified as adult care homes under K.S.A. 39-923(a);
2. “Adult care homes” or “facility” as used in this order includes any nursing facility, nursing facility for mental health, intermediate care facility for people with intellectual disability, assisted living facility, residential healthcare facility, home plus, boarding care home and adult day care facility; all of which are classifications of adult care homes and are required to be licensed by the secretary for aging and disability services in accordance with K.S.A. 39-923(a);
3. **Testing of Adult Care Home Staff and Residents**
 - a. To enhance efforts to keep COVID-19 from entering and spreading through nursing homes, adult care homes are required to test residents and staff with authorized nucleic acid or antigen

detection assays based on parameters and a frequency set forth by this executive order.

- b. Adult care homes can meet the testing requirements through the use of rapid point-of-care (POC) diagnostic testing devices or through an arrangement with an offsite laboratory. POC Testing is diagnostic testing that is performed at or near the site of resident care. For a facility to conduct these tests with their own staff and equipment (including POC devices provided by the Department of Health and Human Services), the facility must have a CLIA Certificate of Waiver.
- c. Adult care homes without the ability to conduct COVID-19 POC testing must have arrangements with a laboratory to conduct tests to meet these requirements. Laboratories that can quickly process large numbers of tests with rapid reporting of results (e.g., within 48 hours) must be selected to rapidly inform infection prevention initiatives to prevent and limit transmission. Adult care homes have access to laboratories contracted with the State of Kansas through the "It's Up to Us, Kansas" testing strategy. This access is established through December 30, 2020.
- d. "Adult care home staff" or "facility staff" includes employees, consultants, contractors, volunteers, and caregivers who provide care and services to residents on behalf of the adult care home, and students in the adult care home's nurse aide training programs or from affiliated academic institutions. For the purpose of testing "individuals providing services under arrangement and volunteers," adult care homes must prioritize those individuals who are regularly in the facility (e.g., weekly) and have contact with residents or staff. The facility may have a provision under its arrangement with a vendor or volunteer that requires them to be tested from another source (e.g., their employer or on their own). However, the adult care home is still required to obtain documentation that the required testing was completed during the timeframe that corresponds to the facility's testing frequency.
- e. Regardless of the frequency of testing being performed or the adult care home's COVID-19 status, the facility must continue to screen all staff (each shift), each resident (daily), and all persons entering the facility, such as vendors, volunteers, and visitors, for signs and symptoms of COVID-19.

4. Testing of Staff and Residents with COVID-19 Symptoms or Signs

- a. Staff with symptoms or signs of COVID-19 must be tested and are required to be restricted from the adult care home pending the results of COVID-19 testing. If COVID-19 is confirmed, staff must follow KDHE and local health department guidance and mandates for isolation. Staff who do not test positive for COVID-19 but have

symptoms shall follow the facility's policies to determine when they can return to work.

- b. Residents who have signs or symptoms of COVID-19 must be tested. While test results are pending, residents with signs or symptoms must be placed on transmission-based precautions (TBP) in accordance with KDHE and CDC guidance. Once test results are obtained, the adult care home must take the appropriate actions based on the results.
- #### 5. Testing of Staff and Residents in Response to an Outbreak

- a. An outbreak is defined as a new COVID-19 infection in any healthcare personnel (HCP) or any adult care home-onset COVID-19 infection in a resident that is acquired at the facility. In an outbreak investigation, rapid identification and isolation of new cases is critical in stopping further viral transmission. A resident who is admitted to the adult care home with COVID-19 does not constitute a facility outbreak.
- b. Upon identification of a new case of COVID-19 infection in any staff or residents of the adult care home, some type of limited or more expansive facility-wide testing must occur. This testing includes testing all staff and residents, and all staff and residents that tested negative must be retested every 3 days to 7 days until testing identifies no new cases of COVID-19 infection among staff or residents for a period of at least 14 days since the most recent positive result. If an adult care home needs technical assistance on determining the extent of facility-wide testing, the facility should call the KDHE Epidemiology Hotline. KDHE will help the facility identify the appropriate amount of facility-wide testing through either the KDHE laboratory or other laboratory resources.

6. Routine Testing of Staff

- a. Routine testing must be based on the extent of the virus in the community; therefore, facilities are required to use their county positivity rate in the prior week as the trigger for staff testing frequency.
- b. Adult care homes are required to use the COVID-19 county positivity rate reported by the Kansas Department of Health and Environment as the primary information to determine how frequently to conduct routine testing of staff. The minimum testing interval based on the county positivity rates are as follows:
 - Low (<5% positive test result rate) or Green – Once month
 - Medium (5%–10% positive test result rate) or Yellow – Once a week
 - High (>10% positive test result rate) or Red – Twice a Week

(continued)

- c. The county positivity data table referenced in paragraph 6.b. above is located on the Kansas Department of Health and Environments webpage under Nursing Home Metrics (<https://www.coronavirus.kdheks.gov/160/COVID-19-in-Kansas>) Facilities may also monitor other factors to understand the level of COVID-19 risk, such as rates of COVID-19-Like Illness, visits to the emergency department or the positivity rate of a county adjacent to the county where the adult care home is located for additional routine testing considerations.
- d. The adult care home shall begin testing all staff at the frequency prescribed in the Routine Testing table based on the county positivity rate reported in the past week. Facilities shall monitor their county positivity rate every week and adjust the frequency of performing staff testing according to the paragraph 6.b. above.
 - i. If the county positivity rate increases to a higher level of activity, the facility shall begin testing staff at the frequency shown in the table above as soon as the criteria for the higher activity are met.
 - ii. If the county positivity rate decreases to a lower level of activity, the facility shall continue testing staff at the higher frequency level until the county positivity rate has remained at the lower activity level for at least two weeks before reducing testing frequency.
- e. The testing frequency requirement in paragraph 6.b. above represents the minimum testing required. Adult care homes may consider additional factors, such as the positivity rate in an adjacent (i.e., neighboring) county to test at a frequency that is higher than required. For example, if a facility in a county with a low positivity rate has many staff that live in a county with a medium positivity rate, the facility should consider testing based on the higher positivity rate (in scenario described, weekly staff testing would be indicated).

7. Refusal of Testing

- a. Adult care homes must have procedures in place to address staff who refuse testing. Procedures must ensure that staff who have signs or symptoms of COVID-19 and refuse testing are prohibited from entering the building until the return to work criteria are met. If outbreak testing has been triggered and a staff member refuses testing, the staff member must be restricted from the building until the procedures for outbreak testing have been completed. The facility must follow its occupational health and local jurisdiction policies with respect to any asymptomatic staff who refuse routine testing.
- b. Residents (or resident representatives) may exercise their right to decline COVID-19 testing in accordance with the requirements under K.A.R. 26-

39-103. In discussing testing with residents, staff should use person-centered approaches when explaining the importance of testing for COVID-19. Adult care homes must have procedures in place to address residents who refuse testing.

- c. Procedures must ensure that residents who have signs or symptoms of COVID-19 and refuse testing are placed on TBP until the criteria for discontinuing TBP have been met. If outbreak testing has been triggered and an asymptomatic resident refuses testing, the adult care home must be extremely vigilant, such as through additional monitoring, to ensure the resident maintains appropriate distance from other residents, wears a face covering (unless otherwise determined inappropriate for the resident per the person centered support plan or medical documentation), and practices effective hand hygiene until the procedures for outbreak testing have been completed.
- d. Clinical discussions about testing may include alternative specimen collection sources that may be more acceptable to residents than nasopharyngeal swabs (e.g., anterior nares). Providing information about the method of testing and reason for pursuing testing may facilitate discussions with residents or resident representatives.
- e. If a resident has symptoms consistent with COVID-19 or has been exposed to COVID-19, or if there is a facility outbreak and the resident declines testing, he or she must be placed on or remain on TBP until he or she meets the symptom-based criteria for discontinuation.

8. Other Testing Considerations

- a. Individuals who are determined to be potentially infectious must undergo evaluation and remain isolated until they meet criteria for discontinuation of isolation or discontinuation of transmission-based precautions, depending on their circumstances.
- b. For residents or staff who test positive, adult care homes must contact the KDHE epidemiology hotline or the appropriate county health department for contact tracing.
- c. While not required, adult care homes may test residents' visitors to help facilitate visitation while also preventing the spread of COVID-19. Facilities shall prioritize resident and staff testing and have adequate testing supplies to meet required testing, prior to testing resident visitors.

9. Conducting Testing

- a. Adult care homes required to conduct testing must obtain an order from a physician, physician assistant, nurse practitioner, or clinical nurse specialist in accordance with State law, including scope of practice laws, to provide or obtain laboratory services for a resident, which includes COVID-19 testing. This may be accomplished through the use of physician approved

policies (e.g., standing orders), or other means as specified by scope of practice laws and facility policy. KDHE also has created a standing order to access testing in Kansas for people meeting the Person Under Investigation criteria.

- b. Rapid POC Testing devices are prescription use tests under the Emergency Use Authorization and must be ordered by a healthcare professional licensed under the applicable state law or a pharmacist under HHS guidance. Accordingly, the adult care home must have an order from a healthcare professional or pharmacist, as previously described, to perform a rapid POC COVID-19 test on an individual.
- c. Collecting and handling specimens correctly and safely is imperative to ensure the accuracy of test results and prevent any unnecessary exposures. The specimen shall be collected and, if necessary, stored in accordance with the manufacturer's instructions for use for the test and CDC guidelines.
- d. During specimen collection, adult care homes must maintain proper infection control and use recommended personal protective equipment (PPE), which includes an N95 or higher-level respirator (or facemask if a respirator is not available), eye protection, gloves, and a gown, when collecting specimens.

10. **Reporting Test Results**

- a. In order to conduct point of care COVID-19 testing, each adult care home must have a CLIA certificate of waiver that specifically states testing for COVID-19. They need to contact the KDHE CLIA office to get a waiver or update their waiver before doing any POC testing. Adult care homes conducting tests under a CLIA certificate of waiver are subject to regulations that require laboratories to report data for all testing completed, for each individual tested.
 - b. For additional information on reporting requirements see: Frequently Asked Questions: COVID-19 Testing at Skilled Nursing Facilities/ Nursing Homes CMS Memorandum: Interim Final Rule (IFC), CMS-3401-IFC, Updating Requirements for Reporting of SARS-CoV-2 Test Results by Clinical Laboratory Improvement Amendments of 1988 (CLIA) Laboratories, and Additional Policy and Regulatory Revisions in Response to the COVID-19 Public Health Emergency.
 - c. In addition to reporting in accordance with CLIA requirements, adult care homes must continue to report COVID-19 information to the CDC's National Healthcare Safety Network (NHSN), in accordance with 42 CFR § 483.80(g)(1)-(2). As appropriate to the facility, reporting must satisfy the Kansas public health requirements for reporting infectious disease outbreaks.
- a. Adult care homes must document the results of COVID-19 testing. To do so, adult care homes must do the following:
 - i. For symptomatic residents and staff, document the date(s) and time(s) of the identification of signs or symptoms, when testing was conducted, when results were obtained, and the actions the facility took based on the results.
 - ii. Upon identification of a new COVID-19 case in the facility (i.e., outbreak), document the date the case was identified, the date that all other residents and staff are tested, the dates that staff and residents who tested negative are retested, and the results of all tests. All residents and staff that tested negative are required to be retested until testing identifies no new cases of COVID-19 infection among staff or residents for a period of at least 14 days since the most recent positive result (see section Testing of Staff and Residents in response to an outbreak above).
 - iii. For staff routine testing, document the facility's county positivity rate, the corresponding testing frequency indicated (e.g., every other week), and the date each positivity rate was collected. Also, document the date(s) that testing was performed for all staff, and the results of each test.
 - iv. Document the facility's procedures for addressing residents and staff that refuse testing or are unable to be tested and document any staff or residents who refused or were unable to be tested and how the facility addressed those cases.
 - v. When necessary, such as in emergencies due to testing supply shortages, document that the facility contacted state and local health departments to assist in testing efforts, such as obtaining testing supplies or processing test results.
 - b. Adult care homes may document the conducting of tests in a variety of ways, such as a log of county positivity rates, schedules of completed testing, and/or staff and resident records. However, the results of tests must be done in accordance with standards for protected health information. For residents, the facility must document testing results in the medical record. For staff, including individuals providing services under arrangement and volunteers, the facility must document testing results in a secure manner consistent with requirements specified in compliance with K.S.A. 39-938.

11. **Documentation of Testing**

12. This order should be read in conjunction with other executive orders responding to the COVID-19 pandemic that are still in effect and supersedes any contrary provisions of previous orders.

(continued)

This document shall be filed with the Secretary of State as Executive Order No. 20-69. It shall become effective on Monday, December 14, 2020, and remain in force until rescinded or until the statewide State of Disaster Emergency extended by House Bill 2016 enacted during the June 2020 special session relating to COVID-19—and later extended by the State Finance Council—expires, whichever is earlier.

Dated December 9, 2020.

Laura Kelly
Governor

Real Estate Commission

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9:00 a.m. Monday, February 15, 2021, to consider the adoption of proposed regulations of the Kansas Real Estate Commission on a permanent basis. Due to continuing concerns over COVID-19, the hearing will be held virtually instead of in-person. To participate in the hearing, a participant can go to <https://zoom.us/j/2135172100> and use the Meeting ID: 213 517 2100 and Passcode: 4ZdneR .

This 60-day notice of the public hearing shall constitute a public comment period for receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to the Kansas Real Estate Commission, 700 SW Jackson, Suite 404, Topeka, KS 66603 or by email to erik.wisner@ks.gov.

All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulations during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request each participant limit any oral presentation to five minutes.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Erik Wisner at 785-296-3411 or erik.wisner@ks.gov.

Summaries of the proposed regulations and their economic impact follow. Copies of the proposed regulations and the Economic Impact Statement for the proposed regulations can be viewed at the following website <https://www.krec.ks.gov/resources/legislative-regulatory-updates>.

The proposed regulations would amend requirements related to broker records, trust accounts and transaction identification numbering. K.A.R. 86-3-10 amendments clarify requirements for records to be retained by Kan-

sas licensed brokers. K.A.R. 86-3-18 amendments clarify requirements for trust account records and include a section related to closing a trust account previously in K.A.R. 86-3-21. K.A.R. 86-3-21 is proposed for revocation due to obsolete language related to documentation requirements and a subsection being moved to K.A.R. 86-3-18 for consistency. K.A.R. 86-3-22 amendments simplify transaction identification numbering procedures related to broker records. Instead of requiring numbering based on contract date, the broker can assign any number if it is unique to the transaction.

The changes proposed in this regulation will have no economic impact on any regulated entities or the public.

Erik Wisner
Executive Director

Board of Healing Arts

Notice of Hearing on Proposed Amended Administrative Regulation

A public hearing will be conducted at 9:30 a.m. Wednesday, February 17, 2021, in the board room at the Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level – Suite A, Topeka, Kansas, to consider a proposed amended regulation related to education and training requirements.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the regulation. All interested parties may submit comments prior to the hearing to Tucker Poling, General Counsel, at the Board of Healing Arts at the address above, or via email to KSBHA_HealingArts@ks.gov. All interested parties will be given a reasonable opportunity to present their views, orally or in writing, concerning the proposed amended regulation during the public hearing. In order to provide all parties with an opportunity to present their views, it may be necessary to request each participant limit any oral presentations to five minutes.

Copies of the proposed amended regulation and the Economic Impact Statement for the proposed amended regulation may be obtained from the Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level – Suite A, Topeka, KS 66612, on the agency website at <http://www.ksbha.org/publicinformation/publicinformation.shtml>, by contacting LeeAnn Hunter-Roach at 785-296-4502, or by emailing the agency at KSBHA_HealingArts@ks.gov.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed amended regulation being considered and the economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Sheila Rice at 785-296-8558 or at Sheila.Rice@ks.gov. Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 800-766-3777 for communication accommodations. Handicapped parking is located on 8th Street and in the building's parking garage. From the

street, both the west entrance to the building on Jackson Street and the north entrance on 8th Street are accessible.

A summary of the proposed amended regulation and the economic impact follows:

K.A.R. 100-6-2. Education and Training Requirements.

This regulation deals with education and training requirements for applicants for licensure in medicine and surgery, osteopathic medicine, and chiropractic.

The proposed regulation has been the subject of communications over several years in regard to the need to update the healing arts regulations and bring them into more consistency with standard practices and educational programs in the industry. The agency consulted with representatives from the University of Kansas School of Medicine, the Kansas Medical Association, and other stakeholders. Further, it should be noted that the Board of Healing Arts is comprised of medical practitioners, business owners, and members of the public. Further, the agency intends to comply with all public hearing requirements involved in the promulgation process. Although the agency does not employ an economist, the lay opinion of the agency staff is that the economic effect on the affected businesses and business sector would be positive. No net implementation and compliance costs are contemplated other than routine agency resources used in regulation promulgation process. (See economic impact statement approved by the Department of Budget).

Board of Healing Arts

Notice of Hearing on Proposed Administrative Regulation

A public hearing will be conducted at 9:30 a.m. Wednesday, February 17, 2021, in the board room at the Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level – Suite A, Topeka, Kansas, to consider a proposed regulation related to active practice requirements for applicants seeking licensure by endorsement.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the regulation. All interested parties may submit comments prior to the hearing to Tucker Poling, General Counsel, at the Board of Healing Arts at the address above, or via email to KSBHA_HealingArts@ks.gov. All interested parties will be given a reasonable opportunity to present their views, orally or in writing, concerning the proposed regulation during the public hearing. In order to provide all parties with an opportunity to present their views, it may be necessary to request each participant limit any oral presentations to five minutes.

Copies of the proposed regulation and the Economic Impact Statement for the proposed regulation may be obtained from the Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level – Suite A, Topeka, KS 66612, on the agency website at <http://www.ksbha.org/publicinformation/publicinformation.shtml>, by contacting

(continued)

LeeAnn Hunter-Roach at 785-296-4502, or by emailing the agency at KSBHA_HealingArts@ks.gov.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation being considered and the economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Sheila Rice at 785-296-8558 or at Sheila.Rice@ks.gov. Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 800-766-3777 for communication accommodations. Handicapped parking is located on 8th Street and in the building's parking garage. From the street, both the west entrance to the building on Jackson Street and the north entrance on 8th Street are accessible.

A summary of the proposed regulation and the economic impact follows:

K.A.R. 100-8-3. Endorsement licenses; active practice requirements.

This regulation outlines active practice requirements for applicants seeking licensure by endorsement.

This proposed regulation along with several other revisions, has been the subject of communications over several years in regard to the need to update the healing arts regulations. This process involved representatives from the University of Kansas School of Medicine, the Kansas Medical Association, and other stakeholders. Further, it should be noted that the Board of Healing Arts is comprised of medical practitioners, business owners, and members of the public. Further, the agency intends to comply with all public hearing requirements involved in the promulgation process. Although the agency does not employ an economist, the lay opinion of the agency staff is that the economic effect on the affected businesses and business sector would be positive. The regulation codifies existing practice. Therefore, the net effect will likely be positive, but negligible due to the fact that this does not change existing practices. (See economic impact statement approved by the Department of Budget).

State of Kansas

Secretary of State

Notice of Hearing on Proposed Administrative Regulation

A public hearing will be conducted at 1:00 p.m. Tuesday, February 16, 2021, in the second-floor auditorium at Memorial Hall, 120 SW 10th Ave., Topeka, Kansas, to provide for the adoption of Kansas Administrative Regulation 7-48-1. This regulation pertains to vote centers.

This 60-day notice of public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulation. Comments may be submitted prior to the hearing to Garrett Roe, General Counsel, Office of the Secretary of State,

Memorial Hall, First Floor, 120 SW 10th Ave., Topeka, KS 66612-1594, or to garrett.roe@ks.gov. All interested parties will be given a reasonable opportunity at the hearing to present their views. Additionally, interested parties wanting to participate remotely may contact Garrett Roe at garrett.roe@ks.gov to obtain remote access information. It may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five days in advance of the hearing by contacting Garrett Roe at 785-296-4564 or the Kansas Relay Center at 1-800-766-3777.

K.A.R. 7-48-1 details the process for county election officials to conduct elections using vote centers as outlined in K.S.A. 25-2701.

The regulation sets the legal framework for counties that choose to utilize voting centers in elections. The regulation itself imposes no anticipated economic impact. Any economic impact would be the result of a county election official choosing to utilize voting centers.

Copies of the full text of the regulation and economic impact statement may be obtained at the address above for the Office of the Secretary of State, or by contacting Lara Murphy, Director of Administrative Regulations and Publications, at 785-296-0082 or lara.murphy@ks.gov. The proposed regulation is also available on the Secretary of State's website at <https://www.sos.ks.gov>.

Scott Schwab
Secretary of State

Doc. No. 048701

State of Kansas

**Department of Health and Environment
Division of Health Care Finance**

Permanent Administrative Regulation

**Article 6.—MEDICAL ASSISTANCE PROGRAM—
CLIENTS' ELIGIBILITY FOR PARTICIPATION**

129-6-103. Determined eligibles; income standards. (a) Independent living arrangements.

(1) The income standard for each person in an independent living arrangement shall be based on the total number of persons in the assistance plan as defined in K.A.R. 129-6-41 or 129-6-42.

(2) The income standards for independent living may also be used if an applicant or recipient meets either of the following conditions:

(A) Enters a medicaid-approved facility, except that this paragraph shall not apply if only one spouse in a married couple enters an institutional living arrangement; or

(B) is absent from the home for medical care for a period not to exceed the month in which the person left the home and the two months following to allow for maintaining the applicant's or recipient's independent living arrangements.

(3) Except as specified in paragraphs (a)(4) through (13), the following table shall be used to determine the income standard for persons in an independent living arrangement.

Persons in Independent Living (per month)		
1	2	3
\$475	\$475	\$480

The income standard for additional persons shall be the sum of the basic standard for a similar public assistance family and the maximum state shelter standard in accordance with K.A.R. 30-4-101.

(4) In determining eligibility for pregnant women under K.A.R. 129-6-71 and for infants under K.A.R. 129-6-72(b), the income standard shall be 166 percent of the official federal poverty-level income guidelines.

(5) In determining eligibility for young children under K.A.R. 129-6-72(c), the income standard shall be 149 percent of the official federal poverty-level income guidelines.

(6) In determining eligibility for older children under K.A.R. 129-6-72(d), the income standard shall be 133 percent of the official federal poverty-level income guidelines.

(7) In determining eligibility for poverty-level medicare beneficiaries under K.A.R. 129-6-86, the income standard shall be 100 percent of the official federal poverty-level income guidelines.

(8) In determining eligibility for working disabled individuals under K.A.R. 129-6-87, the income standard shall be 200 percent of the official federal poverty-level income guidelines.

(9) In determining eligibility for low-income medicare beneficiaries under K.A.R. 129-6-86, the income standard shall be 120 percent of the official federal poverty-level income guidelines.

(10) In determining eligibility for expanded low-income medicare beneficiaries under K.A.R. 129-6-86, the income standard shall be 120 to 135 percent of the official federal poverty-level income guidelines, subject to available federal funding.

(11) In determining eligibility for disabled individuals with earned income under K.A.R. 129-6-88, the income standard shall be 300 percent of the official federal poverty-level income guidelines.

(12) In determining eligibility for persons in the medikan program under K.A.R. 129-6-95, the income standard shall be \$250 for a single individual and \$325 for a married couple.

(13) In determining eligibility for persons in long-term care arrangements in accordance with K.A.R. 129-6-54(d) (1), the income standard shall be 300 percent of the payment standard for one person in the SSI program. For calendar year 2013, the income standard shall be \$2,130, and this amount shall be increased at the beginning of each calendar year by any cost-of-living adjustment made to the SSI payment standard.

(b) Institutional living arrangements. For each person residing in an institutional setting, the monthly income standard for purposes of determining the client obligation shall be \$62, except as specified in paragraph (a)(2).

(c) Home- and community-based services arrangements. For each person in the HCBS program, including any person in the PACE program who is in a noninstitutional living arrangement in accordance with K.A.R. 129-6-83(b), the monthly income standard for purposes of determining the client obligation shall be \$1,177. (Authorized by and implementing K.S.A. 65-1,254 and 75-7403; effective, T-129-10-31-13, Nov. 1, 2013; effective Feb. 28, 2014; amended Jan. 1, 2021.)
