City of Overland Park, Kansas

Notice of Public Information Meeting

The City of Overland Park, Kansas will conduct its first public meeting regarding intersection improvements at 77th Street and Metcalf Avenue (Project ST-2953), including constructing northbound and southbound left turn lanes and a new traffic signal at the intersection. This meeting has been scheduled to review the preliminary improvement plans prepared for this project.

The open house public meeting will be held from 5:30 p.m. to 7:00 p.m. Thursday, May 30, 2024, at Matt Ross Community Center, 8101 Marty St., Overland Park, Kansas.

As a member of the community, your thoughts and ideas about this project are extremely valuable.

Please contact Tania Tavakkoli, P.E., Senior Civil Engineer, at the City of Overland Park at 913-895-6139 if you have any questions about the meeting.

Doc. No. 052059

State of Kansas

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This location would be designated for private development committed to supporting broadband infrastructure and Internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU’s vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. WSU intends to

(continued)

lease such space for a mutually agreeable period of time, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with WSU's educational mission and identify anticipated benefits to the university, its students, and the surrounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. If interested, please contact Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University's campus designated as the "Innovation Campus," for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value

and negotiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. If interested, please contact Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at john.tomblin@wichita.edu or Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Notice of Requested On-Call Architectural Services

Notice is hereby given of the commencement of the selection process for on-call architectural services for the Pittsburg State University. Services are required for restricted (small) projects with a project budget of \$1,500,000 or less. One or more firms will be selected. The contracts will be for three years with two one-year renewal options.

For more information, contact Lindell Haverstic at lhaverstic@pittstate.edu, phone 620-235-4130. Firms interested in providing these services should be familiar with the requirements which can be found in Part B-Chapter 4 of the Building Design and Construction Manual at the website below.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction-compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than 5 Mb and follow the current State Building Advisory Commission guidelines which can be found in Part B-Chapter 2 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction-compliance/building-design-and-construction-manual-bdcm>. Paper copies and flash drives containing copies of the proposals are not required.

Proposals should be sent to professional.qualifications@ks.gov. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions about the proposal submissions, please contact Randy Riveland at randy.riveland@ks.gov or call 785-296-0749. The PDF proposal submissions shall be delivered to the attention

of State Building Advisory Commission by 2:00 p.m. on or before May 3, 2024.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, then the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Doc. No. 052063

State of Kansas

Department of Health and Environment

**Notice Concerning Proposed Kansas Air
Quality Class I Operating Permit Renewal**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Southern Star Central Gas Pipeline, Inc. – Grabham Compressor Station has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Southern Star Central Gas Pipeline, Inc. – Grabham Compressor Station, 4700 State Route 56, Owensboro, KY 42301, owns and operates a natural gas transmission and compression station located at 3390 County Road 3400, Montgomery County, KS 67301.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southeast District Office, 308 W. 14th St., Chanute, KS 66720. To obtain or review the proposed permit and supporting documentation, contact Kayla Morris at the central office of KDHE at 785-296-1581, or Ryan Jack at the Southeast District Office at 620-860-7235. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <http://www.kdheks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Kayla Morris, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, May 20, 2024.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request.

(continued)

The written request must be submitted to Kayla Morris, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, May 20, 2024, in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA’s 45-day review period. Interested parties may contact KDHE to determine if the EPA’s 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, phone 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

The preceding notice refers to the air permit for Southern Star Central Gas Pipeline, Inc. – Grabham Compressor Station located at 3390 County Road 3400, Montgomery County, KS 67301. If you want more information or you have other questions, please contact the KDHE Non-Discrimination coordinator and call 785-296-5156 or send an email to: KDHE.NonDiscrimination@ks.gov. [El aviso anterior se refiere al permiso de aire para Southern Star Central Gas Pipeline, Inc. – Grabham Compressor Station ubicado en 3390 County Road 3400, Montgomery County, KS 67301. Si desea obtener más información en español o tiene otras preguntas, por favor, comuníquese con el Coordinador de No Discriminación de KDHE y llame al 785-296-5156 o envíe un correo electrónico a: KDHE.NonDiscrimination@ks.gov.]

Notice of Proposed Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. Si desea obtener más información en español o tiene otras preguntas, por favor, comuníquese con el Coordinador de No Discriminación al 785-296-5156 o en: KDHE.NonDiscrimination@ks.gov.

Public Notice No. KS-AG-24-095/100

Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Enneking Dairy, Inc – North 1892 M Rd. Seneca, KS 66538	NW/4 of Section 06 T03S, R13E Nemaha County	Missouri River Basin

Kansas Permit No. A-MONM-M009

The proposed action is to modify and reissue the existing state permit for 80 head (40 animal units) of cattle weighing less than 700 pounds, and 500 head (700 animal units) of mature dairy cows; for a total of 740 animal units. This represents a decrease in the permitted animal units from the previous permit. This permit is also being modified to add one (1) waste separator to recycle bedding material. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Post Feed Yard 10629 Valley Rd. Dodge City, KS 67801	N/2 of Section 19 T28S, R25W Ford County	Upper Arkansas River Basin

Kansas Permit No. A-UAFO-C019
Federal Permit No. KS0088129

The proposed action is to reissue an existing NPDES permit for an existing facility for 2,500 head (2,500 animal units) of cattle weighing more than 700 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
MLC II Chris Meyer N. 30th Rd. Sylvan Grove, KS 67481	W/2 of Section 28 T12S, R10W Lincoln County	Saline River Basin

Kansas Permit No. A-SALC-B001

The proposed action is to reissue an existing state permit for an existing facility for 299 head (299 animal units) of cattle weighing more than 700 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Rocking Heifer, LLC – Ulysses 439 E. Road 4 Ulysses, KS 67880	S/2 of Section 15 & NW/4 of Section 22 T27S, R37W Grant County	Cimarron River Basin

Kansas Permit No. A-CIGT-C005
Federal Permit No. KS0093670

An update to the Nutrient Management Plan (NMP) was received for this existing facility currently permitted for 35,000 head (35,000 animal units) of beef cattle weighing more than 700 pounds. The facility’s NMP was updated to include changes in the application rate limitations for their fields. Two of the fields application rate limitation have become less restrictive than the previous NMP. There are no changes to the permit or in the permitted number of animal units. Only the updated portion of the Nutrient Management Plan is subject to comment. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Double B&S Cattle Company 10320 Wrangler Rd. Fowler, KS 67844	SW/4 of Section 15 & NW/4 of Section 22 T29S, R26W Ford County	Cimarron River Basin

Kansas Permit No. A-CIFO-C001
Federal Permit No. KS0115100

The proposed action is to approve an update to the Nutrient Management Plan (NMP) received for this existing facility currently permitted 3,000 head (3,000 animal units) of cattle weighing greater than 700 pounds. The facility’s NMP was updated to include a change in the application rate limitations. The application rate limitations for two fields have become less restrictive than the previous NMP. There are no changes to the permit or in the permitted number of animal units. Only the updated portion of the Nutrient Management Plan is subject to comment. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Prairie Wind Heifer Development, LLC TJ McClure 4652 N. Road L Johnson, KS 67855	E/2 of Section 01 T28S, R41W & W/2 of Section 06 T28S, R40W Stanton County	Cimarron River Basin

Kansas Permit No. A-CIST-C008
Federal Permit No. KS0097390

An update to the Nutrient Management Plan (NMP) was received for this existing facility currently permitted for 14,000 head (14,000 animal units) of cattle weighing greater than 700 pounds, and 5 head (10 animal units) of horses, for a total of 14,010 animal units. The facility’s NMP was updated to include changes in the application rate limitations for their fields. One of the fields application rate limitation has become less restrictive than the previous NMP. There are no changes to the permit or in the permitted number of animal units. Only the updated portion of the Nutrient Management Plan is subject to comment.

Public Notice No. KS-Q-24-048/052

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Whitaker Aggregates, Inc. 555 Delaware Humboldt, KS	Verdigris River via Village Creek via Unnamed Creek	Process Wastewater

Kansas Permit No. I-VE03-PO04
Federal Permit No. KS0200018

Legal Description: SE¼ of Section 13, Township 27S, Range 16E, Wilson County, Kansas

Location: 37.69485, -95.60106

The proposed action consists of issuing a new NPDES permit for a new facility. The facility is a limestone quarrying and crushing operation with occasional washing. In compliance with Kansas and federal law, KDHE has approved an antidegradation review for this new facility for increased concentrations and mass of some pollutants to the receiving stream. The water quality of the receiving stream will not be lowered below the quality necessary to support existing designated uses. The permit contains limits for Total Suspended Solids.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Wichita, City of 455 N. Main St. Wichita, KS 67202	Arkansas River via Ditch	Process Wastewater

Kansas Permit No. I-AR94-PO85
Federal Permit No. KS0101125

Legal Description: NE¼, Section 2, Township 17S, Range 21E, Sedgwick County, Kansas

Location: 37.73604, -97.39369

The proposed action consists of reissuing the Kansas/NPDES Water Pollution Control permit for an existing facility. This is an existing water treatment plant which currently operates a 160 MGD lime softening water treatment plant. The wastewater consists of filter backwash and sludge from the clarifier/softening basins. Solids are removed in a 2-ceall lagoon system which is located near North West Street and West 29th Street North. The permit contains limits for Total Residual Chlorine, Total Suspended Solids, and pH. The permit contains monitoring for Total Phosphorus and Total Nitrogen.

Name and Address of Applicant	Receiving Stream	Type of Discharge
The Coleman Company, Inc. PO Box 2931 Wichita, KS 67201	Arkansas River via Chisholm Creek via East Chisholm Creek Via Drainage Ditch	Process Wastewater

Kansas Permit No. I-AR94-CO10
Federal Permit No. KS0054267

Legal Description: NW¼ Section 34, Township 26S, Range 1E, Sedgwick County, Kansas

Location: 37.7494, -97.3169

The proposed action consists of reissuance of an existing NPDES/Kansas Water Pollution Control Permit for cooling water discharge from an existing facility. This facility manufactures outdoor camping equipment, lanterns, camp stoves, jugs and ice chest coolers. City water is used for non-contact cooling of 11 rotovac plastic molding machines, the swamp coolers on the roof, roof drains and some stormwater runoff from the surrounding ground is directed to an earthen retention pond (Industrial Lake). Total discharge from this facility, excluding stormwater runoff, is about 18,000 gallons per day. Standard language for protection of water quality is included in the permit.

Name and Address of Applicant	Receiving Stream	Type of Discharge
BNSF Railway Company 920 SE Quincy St. Topeka, KS 66612	Little Arkansas River via Sand Creek	Process Wastewater

Kansas Permit No. I-LA13-PO01
Federal Permit No. KS0001082

Legal Description: NE¼, Sec. 19, T 23S, R 01E, Harvey County, Kansas

Location: 38.04000, -97.35900

(continued)

This action consists of renewal of an existing NPDES/Kansas Water Pollution Control (KWPC) Permit for an existing facility. This facility processes rail traffic comprised of a staging yard and maintenance areas. Stormwater and industrial wastewater are collected by an underground sewer system and discharged to an influent pump station. Groundwater Monitoring Well purge water from current ground water remediation efforts are discharged to the on-site WWTP. The on-site WWTP is comprised of a (primary) oil water gravity separator and a (secondary) injected air floatation (IAF) unit. WWTP effluent is controlled via a weir box and discharged through manholes B and E. Recovered oil is shipped off site. Dewatered sludge is hauled to a landfill as special waste. The permit contains limits for oil and grease, pH, and benzene. The permit contains monitoring for low medium and high range hydrocarbons.

Name and Address of Applicant	Receiving Stream	Type of Discharge
McConnell Air Force Base 57830 Pittsburg St., Suite 120 McConnell Air Force Base, KS 67221-3617	McConnell Creek Gypsum Creek Arkansas River Via Unnamed	Process Wastewater

Kansas Permit No. F-AR94-PO25

Legal Description: Sections 1, 12, 13, & 24, Township 28S, Range 1E; Sections 6, 7 & 18, Township 28S, Range 2E, Sedgwick County, Kansas

Location: 37.63181, -97.25151

The proposed action consists of modification, renewal, and reissuance of an existing Kansas/NPDES Water Pollution Control Permit for an existing facility. The facility is a federally owned air force base. Modification includes elimination of process wastewater Outfall 0023A, Outfall 025A, and Outfall 030A and Stormwater Outfalls 004A, 004B, and 018A due to changes in handling of stormwater and changes in the groundwater remediation system resulting in elimination of the discharges. The facility generates domestic wastes from housing, training, and supporting 22nd Air Refueling Wing and stormwater from storage and recreational areas, a firing range, a maintenance area, a landfill, and munitions loading ramp. Domestic wastes are connected to the city sewer. The permit contains limits for oil and grease, pH, and biochemical oxygen demand.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before May 18, 2024, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-24-095/100, KS-Q-24-048/052) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione,

Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Jada Martin at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at kdhe.feedlots@ks.gov. Las preguntas o comentarios por escrito deben dirigirse a Erich Glave, Director, Bureau of Environmental Field Services en KDHE: 1000 SW Jackson St., Suite 430, Topeka, KS 66612-1367; por correo electrónico: kdhe.feedlots@ks.gov; por teléfono: 785-296-6432. For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Jamie Packard, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-4148 or email at Jamie.Packard@ks.gov. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Doc. No. 051386

(Published in the Kansas Register April 18, 2024.)

Garden City Western Railway

Notice to Bidders

This notice is to advertise the letting of the Garden City Western Railway (GCWR) rehabilitation project as shown in Kansas Grant Agreement 110-23, 28 RA-8021-23, Article IV, Paragraph 3a.

The work of this project is to install 3,700 feet of 100+ pound rail, 1,500 new cross ties, 600 tons of track ballast, surface two miles of track, and rehabilitate the road crossing surface at St. John Street in Garden City, Kansas.

Bidders are to carefully examine the drawings and specifications and make themselves familiar with the work as well as the federal regulations required.

Bids will be received electronically from qualified bidders until 4:00 p.m. (Eastern Time) April 19, 2024, at PR-PM@wabtec.com with copy to derek.metts@patriotrail.com. Bidders should familiarize themselves with the scope requirements and be qualified under Federal Railroad Administration (FRA) regulations CFR Part 213 & CFR Part 214 at a minimum to accomplish this work.

The bidder shall furnish bonds covering the performance and payment of all obligations arising thereunder for the value of the contract work. Bonds may be secured through the bidder's usual sources. The cost shall be included in the bid. The contract has minimum commercial liability insurance limits, however the GCWR required \$5M-\$10M CGL limits. The bidder shall deliver the required bonds and certificates of insurance (COI) to the owner with the executed contracts.

All requisite permits, applicable taxes and other ancillary costs should be calculated and included in the bid pricing.

Interested bidders can request the bid document package by email at PR-PM@wabtec.com with copy to derek.metts@patriotrail.com.

Doc. No. 052061

State of Kansas

Department of Transportation

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the “Bid Holders List,” or to be included on the “Non-Bid Holders List” as a subcontractor/supplier. KDOT’s approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in *(continued)*

the 2015 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

KDOT will only accept electronic Internet proposals using the Bid Express website at <https://bidx.com/ks/main> until 1:00 p.m. (Central Time) on letting day. The KDOT bid letting will be conducted remotely by audio broadcast only at 3:00 p.m. (Central Time) on letting day. For the conference call information see <https://www.ks-dot.org/bureaus/burconsmain/lettinginfo.asp>. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

Projects for the May 22, 2024 Letting

District One – Northeast

Brown: 36-7 KA-6948-01 – US-36, bridge #041 on 12th Street over US-36 highway and ramp located 1.01 miles west of US-73, and bridge #043 over Linden Road located 0.51 miles west of US-73, bridge repair. (State Funds)

Doniphan: 36-22 KA-6588-02 – US-36, beginning at the 4-lane/4-lane divide east to the Kansas/Missouri state line, guard fence, 4.3 miles. (State Funds)

Request for Comments

The Kansas Department of Transportation (KDOT) requests comments on the amendment of the Statewide Transportation Improvement Program (STIP) FY 24-27. The comprehensive list of project(s) being amended to the STIP may be viewed online at <http://www.ksdot.org/bureaus/burProgProjMgmt/stip/stip.asp>. The project list includes projects for counties, cities, and projects on the state highway system. In addition to the project list is Administrative Modification #4 for narrative updates to the STIP.

The amendment of the STIP requires a public comment period of 14 days. To make comment on this STIP amendment, contact KDOT's Division of Program and Project Management, 2nd Floor Tower, 700 SW Harrison, Topeka, KS 66603-3754; phone 785-296-3254.

This information is available in alternative accessible formats. To obtain an alternative format, contact the KDOT Office of Public Affairs at 785-296-3585 (Voice/Hearing Impaired-711).

The comment period regarding the STIP amendment for these projects will conclude May 1, 2024.

Request for Proposals

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking up to five qualified consulting firms or teams of firms to perform professional services as described below. Interested consultants must submit a proposal to the appropriate bid form on Bid Express by 12:00 p.m. (Central Time) May 1, 2024, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be pre-qualified by KDOT or otherwise demonstrate qualification in the following category(s):

- 231 – Traffic Control Analysis and Design

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed

in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Project

KDOT Bureau of Traffic Engineering is seeking the services of consultant firms to provide engineering and design services in the areas of traffic control analysis and design.

KDOT is seeking to execute on-call agreements up to five highly qualified firms, one of which may be selected on a project-by-project basis for specific assignment to be detailed in a task order/work order issued under a period of four years with an option to extend by one year with total max years of agreement possible of five years at KDOT's sole discretion.

Anticipated Consultant Scope

KDOT anticipates the following to be included in the selected consultants' scope:

The services may include the analysis and design for traffic signals and associated geometrics, geometric improvements such as addition of auxiliary lanes, highway lighting, pavement markings, signing, access management, and work zone traffic control. It also includes field and office investigations to determine the traffic control that would alleviate traffic problems at a specific location, performing capacity analysis of a roadway and/or intersection, and development comprehensive design concept of geometric and traffic control measures.

Services shall be performed in accordance with the appropriate MUTCD, the HSM, AASHTO, luminaires and traffic signals policies and procedures as directed by KDOT.

In addition, requests for services may occur on accelerated schedules. For this reason, approved consultants will need the ability to respond within a week to KDOT requests for traffic engineering on-call services.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) May 1, 2024.
2. Evaluation and ranking of proposals are expected to occur on or around May 3, 2024.
3. Executed agreements are anticipated to be complete by June 17, 2024.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant's proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be count as two or more pages depending on size.

(continued)

3. A single PDF (10MB maximum size) of the proposal must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The proposal PDF file name must read:
 - a. "On-Call Traffic Engineering Services 2024_
FIRM NAME"
5. The proposal must be accompanied by Special Attachments No. 8 ("Tax Clearance Certificate"), No. 10 ("Policy Regarding Sexual Harassment"), and No. 12 ("Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems"). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing.
6. The outline in Table 1 below describes the expected proposal organization and content sections.
7. Table 2 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Contact information for one consultant individual who is capable of answering any questions that may arise from the proposal shall be included in the proposal.
9. Depending on the number of responses received, KDOT may elect to shortlist (based on proposals) and hold in-person interviews prior to final selection (which may be based on both proposal and interview content). If KDOT deems them necessary, interview evaluation criteria will be distributed to shortlisted consultant teams in advance.

Table 1: Proposal Content

Section	Description of Intent	Page Limit
Cover Letter		1 Page
Project Approach	Demonstrate adequate capabilities to provide the services efficiently and to a high standard. Include cost-effective and optimized solutions. Include unique qualifications or experience related to the services required.	
Approach to Quality Control	Describe methods or procedures your firm will use to provide all services, reports and other deliverables with professional quality and technical accuracy.	
Qualifications and Experience	For key personnel to be assigned to the project, provide names, office location, qualifications, education, training, and expertise. Identify their area(s) of responsibility and their ability to dedicate what percent of their time to the project when providing the subject services. If there are changes in key personnel, KDOT should be notified immediately, and the above information should be provided for the new personnel.	
Past Performance	Describe team's past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information.	

Familiarity with KDOT and Project Areas	Describe team's familiarity with KDOT's processes and standards. Describe familiarity with geotechnical engineering and geology in Kansas and any special site conditions you might anticipate finding.	
------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--

Table 2: Evaluation Factors

Evaluation Factor	Weight
Qualifications and experience of project manager and other key project team members proposed for services	20%
Past performance history for similar projects/services for KDOT	20%
Availability to respond to the work	15%
Unique qualifications	10%
Approach to quality control	15%
Demonstrated understanding of nature and scope of project	20%

Contract Terms and Conditions

The full list of consultants holding a "Traffic Engineering On-Call Agreement" resulting from this Request for Proposals is intended to replace the existing list of "Traffic Engineering On-Call Agreement" holders based on the contracts executed in 2019. Each 2019 contract will remain in effect until either the contract expiration date (without extension) or when KDOT has determined the consultant has reached the contract maximum cumulative aggregate maximum cost. After the first of these occurs, each 2019 contract will be considered expired.

Upon such expiration, firms currently holding a "Traffic Engineering On-Call Agreement" that are not short-listed or are otherwise unable to successfully negotiate a new on-call agreement for this purpose will no longer receive on-call service requests associated with this Request for Proposals.

A KDOT on-call agreement for engineering and technical services will be used. KDOT may request this service via on-call service requests over a period of four years with an option to extend by one year with total max years of agreement possible of five years at KDOT's sole discretion, which will result in work orders subject to a maximum cumulative aggregate amount payable to each on-call agreement holder under the agreement. This maximum amount payable will be the same for all on-call agreement holders, will be stated in each agreement, and anticipate the upper limit not to exceed \$2,000,000.

The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Special Contract Conditions

On-call agreements negotiated with the selected firms will take effect on July 1, 2024, have a maximum cost of services of two million dollars (\$2,000,000) over the life of the agreement, per consultant, and remain effective until such amount is spent associated with the agreement.

Finally, each firm shortlisted must affirm it utilizes accounting systems capable of the following before the firm may be awarded a contract:

- Valid, reliable, and current costs must be available within the system to support actual costs and pricing data.
- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable costs by contract or project records that will reconcile with the general ledger.
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

Questions

All questions regarding this Request for Proposals shall be submitted via Q&A section of bid form in Bid Express.

Questions can be submitted until April 18, 2024; answers will be provided to all prequalified consultants on April 25, 2024.

Request for Proposals

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm to supply personnel to perform professional services as described below. Interested consultants must upload a proposal by 12:00 p.m. (Central Time) May 1, 2024, to the Bid Express page to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category(s):

- 231 – Traffic Control Analysis and Design

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Anticipated Consultant Scope

KDOT anticipates the following to be included in the consultant's scope: KDOT is looking for embedded staff to provide full time, in house, technical assistance to the Traffic Engineering Section. This staff for Embedded Engineer ser-

vice would primarily provide assistance with traffic studies (possibly including data collection) and limited project management assistance for BTE lead projects. Other duties may be asked on a as needed basis for traffic engineering expertise/guidance. The engineer must have an active Professional Engineering License in the State of Kansas (if multiple employees, at least one must be licensed in Kansas). Services may be provided either on-site or off-site (remote).

Consultant staff will be utilized a minimum of 40/60 hours per week excluding holidays. Hours may be split between multiple employees of the firm. KDOT will not be anticipating payment of overtime rates for these services. The contract period will be two years with an option for three, one-year extensions.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) May 1, 2024.
2. Ranking of proposals is expected to occur on or around May 3, 2024. Negotiations with the most highly ranked firm are expected to begin on or around May 17, 2024. An executed agreement is anticipated around June 17, 2024.
3. The program fiscal year for this project is FY2025 (July 2024–June 2025).
4. Anticipate start of July 1, 2024

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant's proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A PDF (2MB maximum size) of the proposal must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
 - a. "EN-4501-25_Embedded Traffic Engineer _FIRM NAME"
5. The proposal must be accompanied by Special Attachments No. 8 ("Tax Clearance Certificate"), No. 10 ("Policy Regarding Sexual Harassment"), and No. 12 ("Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems"). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.
6. The outline in Table 1 below describes the expected proposal organization and content sections.
7. Table 2 lists the evaluation criteria and associated weights which will be used to make a selection.

(continued)

Request for Proposals

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm to supply personnel to perform professional services as described below. Interested consultants must upload a proposal by 12:00 p.m. (Central Time) May 1, 2024, to the Bid Express page to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category(s):

- 231 – Traffic Control Analysis and Design

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Anticipated Consultant Scope

KDOT anticipates the following to be included in the consultant’s scope: KDOT is looking for embedded staff to provide part-time, in-house, technical assistance to the Temporary Traffic Control Unit. This staff for Embedded Engineer service would primarily provide assistance to manage Temporary Traffic Control (review or design of in-house plans and review of consultant plans), review TMP reports, and directing consultants on when to use checklist versus the TMP full document traffic modeling. Services may also include assistance to the Permanent Signing Unit in the form of review or design of in-house plans and review of consultant plans. The Engineer must have an active Professional Engineering License in the State of Kansas. Services may be provided either on-site or off-site (remote).

Consultant staff will be utilized a minimum of 20/30 hours per week excluding holidays. Hours may be split between multiple employees of the firm. KDOT does not

anticipate overtime rate payments. The contract period will be two years with an option for three, one-year extensions.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) May 1, 2024.
2. Ranking of proposals is expected to occur on or around May 3, 2024. Negotiations with the most highly ranked firm are expected to begin on or around May 17, 2024. An executed agreement is anticipated around June 17, 2024.
3. The program fiscal year for this project is FY2025 (July 2024–June 2025).
4. Anticipate start of July 1, 2024

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A PDF (2MB maximum size) of the proposal must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
 - a. “EN-4502-25_Embedded TTC Engineer FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”), No. 10 (“Policy Regarding Sexual Harassment”), and No. 12 (“Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.

Request for Proposals

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm to supply personnel to perform professional services as described below. Interested consultants must upload a proposal by 12:00 p.m. (Central Time) May 1, 2024, to the Bid Express page to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category(s):

- 231 – Traffic Control Analysis and Design

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Anticipated Consultant Scope

KDOT anticipates the following to be included in the consultant’s scope: KDOT is looking for embedded staff to provide full-time, in-house, technical assistance to the Permanent Signing Unit. This work includes project management and administration, preparation and review of highway signing plans (include sign and seal of final plans), review of plans submitted by consultants, and assisting KDOT staff with preliminary engineering. The engineer will also serve as project manager for the High-Performance Signing Program, which includes project management and administration, general communication, and completion of monthly progress reports. The engineer will also provide permanent signing training to KDOT staff (3-6 hours per week). The engineer must have an active Professional Engineering License in the State of Kansas. The engineer will work at KDOT headquarters in Topeka, Kansas an average of one to two days per week. The engineer may also provide these services off-site if not able to work at headquarters (with prior approval by KDOT).

Consultant staff will be utilized a minimum of 40/60 hours per week excluding holidays. Hours may be split between multiple employees of the firm. KDOT does not anticipate overtime rate payments. The contract period will be two years with an option for three, one-year extensions.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) May 1, 2024.

2. Ranking of proposals is expected to occur on or around May 3, 2024. Negotiations with the most highly ranked firm are expected to begin on or around May 17, 2024. An executed agreement is anticipated around June 17, 2024.
3. The program fiscal year for this project is FY2025 (July 2024–June 2025).
4. Anticipate start of July 1, 2024.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A PDF (2MB maximum size) of the proposal must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:

Request for Proposals

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in Table 1 below. Interested consultants must upload a proposal as laid out herein by 12:00 p.m. (Central Time) May 1, 2024, to the Bid Express page to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category(s):

- 163 – Congestion Management/ITS
- 211 – Highway Design – Major Facility
- 221 – Non-Standard Span Bridge Design
- 231 – Traffic Control Analysis and Design
- 401 – Landscape, Seeding, and Erosion Control

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Table 1: Background and Scope of Project

Project Number	Background and Scope of Project
KA-6535-05	This project will include preliminary and final design to develop plans for the expansion of US-54/East Kellogg Ave. (per EA design alternative). Modernization of a 4-lane to 6-lane with frontage roads. New interchanges at Andover Road and over passes at Onewood Drive and Yorktown Road.

Table 2: Project Summary

Project Number	Route and Scope	Length (mi)	Project Termini
KA-6535-05	054-008 Expansion through the City of Andover	2	US-54 Butler County: Kellogg Ave: 0.25 miles east of 159th St. east to Prairie Creek Rd. (East Kellogg project Phase 2)
Project Number	Structure Scope, Structure Size and Type		
KA-6535-05	There are three new proposed bridge locations. US-54 and Onewood Drive, US-54 and Andover Road, and US-54 and Yorktown Road		

Anticipated Consultant Scope

- KDOT anticipates the following to be included in the consultant’s scope:
- Preliminary Design Services.

(continued)

- Final Design Services.
- Public Involvement Services – Consultant will provide needed information to the PMC for mailings, property owner meetings, HOA's, businesses, and local government.
- Environmental Documentation Preparation (Permitting), Letting and Construction Phase Service, and 3D Electronic Deliverables Preparation.

Current expectations for consultant scope are detailed below. The scope included herein may not be all-inclusive. A scoping meeting will take place after consultant selection is made.

- Geotechnical Services
 - Will be performed by KDOT.
- Geology Services
 - Will be performed by KDOT.
- Pavement field investigation and design, surfacing recommendations.
 - Will be performed by KDOT.
- Project Management
 - Develop a comprehensive schedule that will be tracked on a bi-monthly basis.
 - Coordinate closely with the city and county involved.
 - Develop and communicate Project Management Plan and Quality Assurance Plan.
 - Perform quality control checks according to Quality Assurance Plan.
 - Provide electronic plan files compliant with the latest electronic deliverables including CAD conformance checks and ControlCAD indexed DGN files with ProjectWise attributes.
 - Provide bi-annual construction cost estimates and at major project milestones.
- Road Design
 - Development of alignments and typical sections.
 - Analyze and recommend interchange and inter-section options.
 - A preliminary look at roundabouts, diverging diamonds, single points, and tight diamonds have been done. The traffic analysis for these will be provided to the successful consultant.
 - Identify areas where impacts to right of way and the environment can be reduced.
 - Perform roadway geometric design, drainage design, and roadside safety analysis.
 - Develop Preliminary Plans to Field Check.
 - Develop Right of Way Plans.
 - Develop Final Plans for Construction.
 - Stormwater control measures (SCM) are required on this project.
 - KDOT/PMC will provide the SCM report completed as a part of the NEPA process.
 - Visit the project site location.
 - Coordination with property owners for relocated driveways.
- Noise walls are not anticipated at this time but may be added to the project scope as design progresses.
- The NEPA preferred design alternative shows depressing the highway at the main intersection loca-

tions. A detailed analysis will need to be done to determine how to drain them.

- Bridge Design
 - Field Check
 - Preliminary layouts for bridges, 10 to 20-foot culverts, and retaining walls.
 - The consultant shall propose and evaluate different (curved and possibly skewed) framing layouts for review and acceptance by the KDOT Bridge Office or the PMC; focus shall be to minimize disruption to the traveling public and facilitate efficient construction to minimize closure.
 - Preliminary hydraulic assessment checklists, construction layouts, contour maps, and bridge sections.
 - Hydraulic analysis including supporting information for no-rise conditions.
 - Final Design
 - Provide final plans for construction for all bridge-sized and 10 to 20-foot structures.
 - Final hydraulic assessment checklists, construction layouts, contour maps, and bridge sections.
 - Provide final plans for construction for all retaining walls.
 - Signing and lighting structures will be completed by the selected consultant.
- Traffic Engineering
 - Field Check
 - Construction sequencing.
 - Guide sign, lighting, and ITS schematic layouts.
 - Traffic signal schematic layouts.
 - Final Design
 - Traffic Control Plans.
 - Project Requirement
 - Traffic shall be carried by this corridor throughout construction.
 - Permanent signing and pavement marking plans.
 - Foundation and truss design.
 - Traffic signal plans.
 - ITS design and plans.
 - Preliminary and final lighting plans.
- Public Involvement Services
 - This project has a website developed and the successful consultant will be required to provide project updates and other information as needed to support communication thereby; involvement in meetings may also be required.
 - The public engagement goals are to maintain effective communication with identified stakeholder groups.
- KDOT/PMC Provided Services
 - Geotechnical Services
 - Will be performed by KDOT.
 - Geology Services
 - Will be performed by KDOT.
 - Pavement field investigation and design, surfacing recommendations.
 - Will be performed by KDOT.

Notices

- Public Involvement
 - KDOT/PMC are responsible for developing and implementing a communication plan for the project. The document will include goals, objectives, strategies, channels, and messages and will be inclusive with all outreach and engagement efforts. This will be a living document maintained over the course of the project through the end of construction.
- Right of Way Services
 - KDOT/PMC will provide the existing right of way files and property owners stripmap.
 - KDOT will manage right-of-way acquisition.
- Survey Services
 - KDOT/PMC will provide all project survey files required for the design and right of way.
 - Project design surveys based on the preferred alternative and existing right of way are under development and will be provided upon completion.
- Additional Scope Notes:
 - KDOT/PMC and the selected consultant will meet to share relevant information developed during the NEPA process and highlight the information that is critical to the project. NEPA level plans, design, and traffic information developed by KDOT/PMC will be provided to the selected consultant.
 - NEPA clearances and a FONSI were received January 24, 2023. This project is Phase 2 of the US-54 East Kellogg Environmental Assessment.
 - The scope of services may include traffic engineering, hydrology/hydraulics, and permitting assistance. Additional scope which may be added later (at the Secretary’s discretion) may include Construction Phase Services.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) May 1, 2024.
2. Ranking of proposals is expected to occur on or around May 31, 2024. Negotiations with the most highly ranked firm are expected to begin on or around June 21, 2024. An executed agreement is anticipated around July 31, 2024.
3. The program fiscal year for this project is FY2029 (July 2028–June 2029).

Additional Anticipated Schedule Dates

- Notice to Proceed: July 31, 2024
- Field Check: November 28, 2025
- PLROW: January 31, 2026
- Plans Complete: January 31, 2028

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.

3. A single PDF (10 MB maximum size) of the proposal must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The proposal PDF file name must read:
 - a. “KA-6535-05_US-54 Kellogg Phase 2_FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”), No. 10 (“Policy Regarding Sexual Harassment”), and No. 12 (“Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. All attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.
6. The outline in Table 3 below describes the expected proposal organization and content sections.
7. Table 4 lists the evaluation criteria and associated weights which will be used to make a selection.

Table 3: Proposal Content

Section	Description of Intent	Page Limit
Cover Letter		1 Page
Project Approach	Demonstrate a unique approach to accomplish the design efficiently and to a high standard. Include cost-effective and optimized solutions to address the anticipated improvements in the design. Include unique qualifications or experience related to the project approach.	
Approach to Schedule	Describe the approach to accomplish the scope of services within the schedule requirements. Include anticipated key milestone dates and availability of staff.	
Approach to Quality Control	Describe methods or procedures your firm will use to provide all drawings, reports and other services with professional quality and technical accuracy.	
Qualifications and Experience	For key personnel to be assigned to the project provide names, office location, qualifications, education, training, and expertise. Identify their area(s) of responsibility and percent of their time dedicated to the project. List work for which you do not have in-house capability and name the firm you propose to subcontract with.	
Past Performance	Describe team’s past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information.	
Familiarity with KDOT and Project Area	Describe team’s familiarity with KDOT’s design process and standards. Describe familiarity with the project area and any identified special site conditions.	

(continued)

Table 4: Evaluation Factors

Evaluation Factor	Weight
Qualifications and experience of project manager and other key project team members proposed for services	15%
Project approach	20%
Approach and commitment to meet advertised schedule	5%
Past performance history for similar projects/services for KDOT	20%
Understanding of the project area	10%
Innovation/Creativity in solutions	10%
Approach to quality control	10%
Demonstrated understanding of nature and scope of project	10%

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)
- Special Attachment No. 12 (“Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems”)

Special Contract Conditions

Steven Cross will be the KDOT project manager; the PMC will be assisting with daily operations and coordination, reviews, scheduling, and tracking.

Depending on the number and quality of responses received, KDOT anticipates shortlisting (based on proposals) and holding interviews prior to final selection (which may be based on both proposals and interview content). If KDOT deems them necessary, evaluation criteria for interviews will be distributed to shortlisted consultant teams in advance.

Questions

All questions regarding this Request for Proposals shall be submitted via Q&A section of bid form in Bid Express.

Questions can be submitted until April 18, 2024; answers will be provided to all prequalified consultants on April 25, 2024.

Calvin Reed
Secretary
Department of Transportation

Doc. No. 052033

State of Kansas

Department of Transportation

Request for Proposals

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm, or team of firms, to perform construction inspection services on multiple projects in various counties. Summary information for each project is provided below in Table 1.

Interested consultants must upload a proposal by 12:00 p.m. (Central Time) May 1, 2024, to the Bid Express page to be considered for selection.

Consultant Prequalification

Consulting firms interested in providing service on any project listed below must be prequalified by KDOT in the following category(s):

- 241 – Construction Inspection and Testing

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Projects

With this single solicitation, KDOT is requesting consulting services for construction inspections on the projects listed in Table 1. This table provides summary information for each project. One consultant will be selected to perform services associated with each group listed. Firms can express interest in the groups for which they would like to be considered by submitting a response as indicated below. There is no guarantee that a firm which has expressed interest will be selected for any project(s).

Table 1: Summary of Project Information

Group	RT-CO	Project #	Scope, County	Anticipated Start	Working Days or CCD	Office	Comments
24109	K009-043	KA-7118-01	Resurfacing, Jackson	June 10, 2024	30	Horton	
	K009-003	KA-7057-01	Resurfacing, Atchison	June 10, 2024	30	Horton	

Group	RT-CO	Project #	Scope, County	Anticipated Start	Working Days or CCD	Office	Comments
24110	K099-099	KA-2603-03	Grading and Surfacing, Wabaunsee	April 15, 2024	August 29, 2025	Wamego	KDOT will provide the project manager for the entirety of the project. KDOT can handle all inspection for the first several weeks or the project, but will require two consultant inspectors for the majority of the project.
24111	K246-007	KA-7045-01	Resurfacing, Brown	July 1, 2024	15	Horton	
24112	K016-044	KA-7042-01	Resurfacing, Jefferson	July 5, 2024	30	Topeka/Emporia	
24113	U040-023	KA-3634-03	Grading, Bridge, and Surfacing, Douglas			Topeka/Emporia	
24115	U073-052	KA-7131-01	Resurfacing, Leavenworth	May 27, 2024	90	Bonner Springs	Likely night work
24116	K092-052	KA-7100-01	Resurfacing, Leavenworth	June 3, 2024	60	Bonner Springs	
24024	U081-015	KA-7130-01	Resurfacing, Cloud	July 22, 2024	25	Belleville

24408	K039-103	KA-6728-01	Bridge Repair, Wilson	May 20, 2024	90	Independence	
24505	-106	KA-6262-01	Signing, Multiple	June 10, 2024	125	Wichita Hillside/West	

Additional project information including construction scope to be inspected, a detailed description of the project location, and resources and inspection scope specifically requested from consultants in this request can be viewed in an online table at <https://ike.ksdot.gov/about/construction-inspection-rfps>. Upon publication of this Request for Proposals, KDOT anticipates each of these inspection efforts will require full teams (project manager and inspectors, as opposed to single role staff augmentation as is occasionally request) for various types of construction inspection except as noted in the table. Watch the website linked above for updated information. Tabulated information (both in this Request for Proposals and on the website) shall not be relied upon during inspections. It is provided for the convenience of consultants, specifically to aid in making decisions about which projects they are interested in performing.

Specific project needs are subject to modification and/or cancellation at KDOT's discretion.

Anticipated Consultant Scope

The scope of construction inspection services and certifications required will vary for each project and are listed in the table available on the website noted above. Inspection efforts will be managed out of the offices listed. Also included for the convenience of consultants are indications of which grouped projects are currently slated to be performed by the same contractors.

Anticipated Schedule and Key Dates

- Proposals are due by or before 12:00 p.m. (Central Time) May 1, 2024.
- Ranking of proposals is expected to occur on or around May 3, 2024. Negotiations with the most highly ranked firm are expected to begin on or around May 17, 2024. An executed agreement is anticipated shortly thereafter.

- Anticipated scope starts dates and working days or anticipated calendar completion dates are shown in the table. All dates are subject to change.

Instructions for Proposal

- No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
- The consultant's proposal must not exceed the page limit laid out in Table 2 below (including any cover letter, index, etc.). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be counted as two or more pages depending on size.
- A single PDF (10MB maximum size) of the proposal including all attachments must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
- The proposal PDF file name must read:
 - "ConstInsp Multiple Projects_2024.04 Release FIRM NAME"
- The proposal must be accompanied by Special Attachments No. 8 ("Tax Clearance Certificate"), No. 10 ("Policy Regarding Sexual Harassment"), and No. 12 ("Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems"). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. All attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.
- The outline in Table 2 below describes the expected

(continued)

proposal organization, content sections, and limits on number of pages:

- a. Each team is limited to a single, one-page cover letter.
 - b. Consultants may indicate interest in any and all projects, indicate preference (s) for up to three projects, and shall both indicate interest and preferences on the "April 2024 Construction Inspections Interest & Preference Form" is provided on the Bid Express page to complete and upload. Also, consultants are to use the bottom of that form to indicate any capacity limitations that need to be taken into account when making selections.
 - c. Thereafter, each team is limited to two pages per project in which they express interest. In these pages, consultants shall:
 - i. Describe the approach they plan to execute to deliver success on the project.
 - ii. Present the relevant qualifications and experience of the people they are proposing will provide the services.
 - iii. Provide the firm's familiarity with KDOT and the project area.
 - d. Finally, consultants are limited to a single, on-page descriptions of general qualifications ("Past Performance" selection plus "Approach to Quality Control" section) regardless of the number of projects in which they are expressing interest.
7. Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Although not anticipated at this time, KDOT reserves the right to interview for the requested services associated with any of the listed projects prior to making final selections.

Table 2: Proposal Content

Section	Description of Intent	Page Limit
Cover Letter		1 Page
Consultant Project Interest and Preference	Fill out "April 2024 Construction Inspections Interest & Preference Form" and submit with your proposal.	1 Page

Request for Proposals

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm, or team of firms, to perform construction inspection services on multiple

projects in various counties. Summary information for each project is provided below in Table 1.

Interested consultants must upload a proposal by 12:00 p.m. (Central Time) April 26, 2024, to the Bid Express page to be considered for selection.

Consultant Prequalification

Consulting firms interested in providing service on any project listed below must be prequalified by KDOT in the following category(s):

- 241 – Construction Inspection and Testing

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT

prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Projects

With this single solicitation, KDOT is requesting consulting services for construction inspections on the project listed in Table 1. This table provides summary information for the project. One consultant will be selected to perform services associated with the group listed.

Table 1: Summary of Project Information

Group	RT-CO	Project #	Scope, County	Anticipated Start	Working Days or CCD	Office	Comments
24109	U036-022	KA-6588-01	Resurfacing, Doniphan	May 6, 2024	35	Horton	Scheduled to follow project 36-22 KA-6588-01
	K238-022	KA-7101-01	Resurfacing, Doniphan		15	Horton	

Additional project information including construction scope to be inspected, a detailed description of the project location, and resources and inspection scope specifically requested from consultants in this request can be viewed in an online table at <https://ike.ksdot.gov/about/construction-inspection-rfps>. Upon publication of this Request for Proposals, KDOT anticipates each of these inspection efforts will require full teams (project manager and inspectors, as opposed to single role staff augmentation as is occasionally request) for various types of construction inspection except as noted in the table. Watch the website linked above for updated information. Tabulated information (both in this Request for Proposals and on the website) shall not be relied upon during inspections. It is provided for the convenience of consultants, specifically to aid in making decisions about which projects they are interested in performing.

Specific project needs are subject to modification and/or cancellation at KDOT’s discretion.

Anticipated Consultant Scope

The scope of construction inspection services and certifications required for the projects and are listed in the table available on the website noted above. Inspection efforts will be managed out of the offices listed.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) April 26, 2024.
2. Ranking of proposals is expected to occur on or around April 29, 2024. Negotiations with the most highly ranked firm are expected to begin on or around May 13, 2024. An executed agreement is anticipated shortly thereafter.
3. Anticipated scope starts dates and working days or anticipated calendar completion dates are shown in the table. All dates are subject to change.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed the page limit laid out in Table 2 below (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (10MB maximum size) of the proposal including all attachments must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The proposal PDF file name must read:
 - a. “ConstInsp Multiple Project re-ad 2024.03&04 Release FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”), No. 10 (“Policy Regarding Sexual Harassment”), and No. 12 (“Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. All attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.
6. The outline in Table 2 below describes the expected proposal organization, content sections, and limits on number of pages:
 - a. Each team is limited to a single, one-page cover letter.

(continued)

- b. Describe the approach they plan to execute to deliver success on the project.
 - c. Present the relevant qualifications and experience of the people they are proposing will provide the services.
 - d. Provide the firm’s familiarity with KDOT and the project area.
 - e. Finally, consultants are limited to a single, on-page descriptions of general qualifications (“Past Performance” selection plus “Approach to Quality Control” section) regardless of the number of projects in which they are expressing interest.
7. Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Although not anticipated at this time, KDOT reserves the right to interview for the requested services associated with any of the listed projects prior to making final selections.

Secretary

Department for Children and Families

Doc. No. 052018

State of Kansas

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Tuesday, May 7, 2024, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 001134 Maximum Principal Amount: \$325,000. Owner/Operator: Zachary T. and Brooke S. Poppe; Description: Acquisition of 240 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Zachary T. and Brooke S. Poppe (the "Beginning Farmer") and is located at the Southwest Quarter and the West Half of the Southeast Quarter of Section 8, Grant Township, Washington County, Kansas, approximately four miles south and two miles west of Haddam, Kansas at the intersection of 16th Road and Arrowhead Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

Interested individuals may participate in the public hearing in person or via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its

offices at 534 S. Kansas Ave., Suite 800, Topeka, KS 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

Notice of Forfeiture

In accordance with Kansas statutes, the following business entities organized under the laws of Kansas and the foreign business entities authorized to do business in Kansas were forfeited during the month of March 2024 for failure to timely file an annual report and pay the annual report fee.

Please Note: The following list represents business entities forfeited in March. Any business entity listed may have filed for reinstatement and be considered in good standing. To check the status of a business entity, go to the Kansas Business Center's Business Entity Search Station at <https://www.kansas.gov/bess/flow/main?execution=e2s4> (select Business Entity Database) or contact the Business Services Division at 785-296-4564.

Certification of New State Laws

I, Scott Schwab, Secretary of State of the State of Kansas, do hereby certify that the following bill is a correct copy of the original enrolled bill now on file in my office.

Scott Schwab
Secretary of State

(Published in the Kansas Register April 18, 2024.)

House Bill No. 2661

AN ACT concerning boards of county commissioners; relating to vacancies created by an increase in the number of commissioner districts; providing for the staggering of terms of commissioners elected to fill such vacancies; amending K.S.A. 19-202, 19-203, 19-203a, 19-204 and 19-204a and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 19-202 is hereby amended to read as follows: 19-202. (a) The board of county commissioners of each county shall consist of three, five or seven qualified electors.

(b) Except as provided in K.S.A. 19-204b, and amendments thereto, one county commissioner shall reside in and represent each commissioner district within the county. During the time that any person is a candidate for nomination or election to office as a member of the board of county commissioners and during the term of office of the county commissioner, such candidate or county commissioner shall be and remain a qualified elector who resides in such person's district.

(c) Except as provided by K.S.A. ~~19-203~~ 19-203a, and amendments thereto, terms of office for the board of county commissioners shall be staggered in such a way that no more than a simple majority of commissioners is elected at any general election.

(d) Except as provided by K.S.A. ~~19-203~~ 19-203a, and amendments thereto, all county commissioners shall hold office for a term of four years from the second Monday of January next after their election and until their successors are qualified.

(e) The provisions of subsections (a), (c) and (d) of this section may be modified by the adoption of a charter for county government in any county which has established a charter commission pursuant to law.

Sec. 2. K.S.A. 19-203 is hereby amended to read as follows: 19-203. (a) ~~Subject to the provisions of K.S.A. 19-204b, and amendments thereto, Except as provided in subsection (c),~~ when a vacancy occurs in the office of a member of the board of county commissioners, ~~if such vacancy~~ shall be filled by appointment of a resident in the district to fill the office for the unexpired term and until a successor is elected and qualified. When a vacancy occurs before May 1 of the first even-numbered year following the commencement of a term of office, ~~if such vacancy~~ shall be filled by the appointment of a resident of such district who shall serve until a successor is elected and qualified at the next general election. Such successor shall assume office on the second Monday of January next following such election.

(b) Appointments under this section shall be made in the manner provided by K.S.A. 25-3902, and amendments thereto, for filling vacancies in district offices.

(c) ~~Subject to the provisions of K.S.A. 19-204b, and amendments thereto,~~ Vacancies created by an increase in the number of county commissioner districts in a county pursuant to K.S.A. 19-204, and amendments thereto, shall be filled at an election as provided ~~in~~ by K.S.A. 19-203a, and amendments thereto.

(d) The candidate receiving the highest number of votes in each ~~commissioner~~ commissioner district shall serve until successors are elected

and qualified at the next general election. Such successors shall assume office on the second Monday of January next following their election. ~~If at the next general election following the special election more than a simple majority of commissioners are elected, persons elected to the positions created by an increase in the number of districts shall be elected for two-year terms and until their successors are qualified. Thereafter, such members shall be elected to four-year terms and until their successors are qualified.~~

Sec. 3. K.S.A. 19-203a is hereby amended to read as follows: 19-203a. (a) ~~The governor, within five days of Vacancies created in the office of commissioner by the board of county commissioners adopting commissioner's adoption of a resolution or by judicial order pursuant to K.S.A. 19-204a, and amendments thereto,~~ dividing the county into the number of districts approved by voters following ~~the~~ an election expanding the size of the board of county commissioners ~~as provided in pursuant to K.S.A. 19-204(c), and amendments thereto, in consultation with the board of county commissioners,~~ shall either: (1) Declare the election to be held at the next regularly scheduled general election; or (2) declare the date of the special election required under K.S.A. 19-203(c), and amendments thereto.

If the decision is to call a special election, the vacancy election shall be on a day not less than 75 days nor more than 90 days from the date of the board of county commissioners adopting such resolution shall be filled at the next regularly held general election.

(b) The county chairperson of each political party that has obtained official recognition shall call a convention for a date not less than 15 days and not more than 25 days after the governor's declaration. Such party shall nominate a candidate to fill the vacancies that have occurred due to the expansion of the size of the board of county commissioners.

(c) ~~Independent candidates may be nominated by petition of not less than 5% of the qualified electors within the county commission district. Any such petition shall be filed with the county election officer within 25 days of the governor's declaration.~~

(1) If at the next regularly held general election more than a simple majority of commissioners are elected, persons elected to the positions created by an increase in the number of commissioner districts shall be elected for two-year terms and shall serve until their successors are qualified. Thereafter, such commissioners shall be elected to four-year terms and shall serve until their successors are qualified.

(2) If the next regularly held general election is in an odd-numbered year, persons elected to the positions created by an increase in the number of commissioner districts shall be elected for either one-year or three-year terms as determined by the board of county commissioners so as to prevent the election of more than a simple majority of commissioners at any subsequent general election. Such persons shall serve until their successors are qualified.

(c) For purposes of this section, "general election" means the same as defined in K.S.A. 25-2502, and amendments thereto.

Sec. 4. K.S.A. 19-204 is hereby amended to read as follows: 19-204. (a) ~~Subject to the provisions of K.S.A. 19-204b, and amendments thereto, and subject to the provisions of Except as provided by K.S.A. 19-204a,~~ and amendments thereto, the board of county commissioners, on the day of the organization of the board or as soon thereafter as may be possible, shall meet and divide the county into three commissioner districts or such number of districts as is prescribed by resolution of the board, as compact and equal in population as possible, and number them. Such districts shall be subject to alteration at least once every three years.

(b) In Shawnee county, each district shall include residents of both the incorporated and unincorporated areas of the county. The number of residents in each district from the unincorporated area of the county shall be as equal in number, as possible. Such districts shall be subject to alteration at least once every three years.

If the districts do not meet the requirements of this subsection, the districts shall be altered to comply with such requirements no later than 30 days following the effective date of this act.

(c) The board of county commissioners of any county, by resolution, may divide the county into three, five or seven commissioner districts, as compact and equal in population as possible, but no such resolution which that would effect a change in the number of commissioner districts shall take effect until it has been approved by a majority of the qualified electors of the county voting thereon at the next general election following not less than 60 days the adoption of such resolution, in which all the qualified electors of the county are entitled to vote. Upon the presentation of a petition to the board of county commissioners,

(continued)

signed by electors equal in number to 5% of the qualified electors of the county and verified by the county election officer, requesting that the number of commissioner districts be changed, the board of county commissioners shall cause such proposition to be submitted to the voters of the county at the next general election, following not less than 60 days the presentation of such petition, in which all of the qualified electors of the county are entitled to vote. In the event that more than one such petition is presented to the board of county commissioners prior to a general election, and any of such petitions conflicts with any other such petition with respect to the number of commissioner districts requested, the board of county commissioners shall decide, by majority vote thereon, which of the propositions shall be submitted to the voters at the next such general election. If a majority of the electors voting at such election shall be in favor of changing the number of commissioner districts, the board of county commissioners shall provide for the division of the county into commissioner districts as provided in K.S.A. 19-204a, and amendments thereto.

(d) No change in the number of commissioner districts shall become effective in any county within four years of the effective date of any previous change in the number of commissioner districts in such county.

(e) The provisions of this section may be modified by the adoption of a charter for county government in any county which has established a charter commission pursuant to law.

Sec. 5. K.S.A. 19-204a is hereby amended to read as follows: 19-204a. ~~Subject to the provisions of K.S.A. 19-204b, and amendments thereto,~~ When the voters of a county approve a change in the number of county commissioner districts at an election held under K.S.A. 19-204(c), and amendments thereto, the board of county commissioners, on or before January 1 immediately following such election, shall adopt a resolution dividing the county into the number of districts approved by the voters. If the board of county commissioners fails to adopt such resolution within the time prescribed, the chief judge of the district court of the county, on or before the following January 31, shall order the county divided into the appropriate number of districts.

Sec. 6. K.S.A. 19-202, 19-203, 19-203a, 19-204 and 19-204a are hereby repealed.

Sec. 7. This act shall take effect and be in force from and after its publication in the Kansas register.

Doc. No. 052068

State of Kansas

Wildlife and Parks Commission

Notice of Hearing on Proposed Administrative Regulation

A public hearing will be conducted by the Wildlife and Parks Commission (the Commission) at 12:00 p.m. Thursday, June 20, 2024, at the Hilton Garden Inn & Convention Center, 221 W. 43rd St., Hays, KS 67601, to consider the approval and adoption of a proposed administrative regulation of the Kansas Department of Wildlife and Parks.

Other Commission business will follow and will include general discussions, which may include educational presentations, workshop sessions, and public comment opportunity following the public hearing. The meeting will continue until all business is complete.

Any individual with a disability may request an accommodation to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Sheila Kemmis, Commission Secretary, at 620-672-5911. Persons with a hearing impairment may call the Kansas

Commission for the Deaf and Hard of Hearing at 1-800-432-0698 to request special accommodations.

This 60-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed administrative regulation.

All interested parties may submit written comments prior to the hearing to the Chairman of the Commission, Kansas Department of Wildlife and Parks, 1020 S. Kansas Ave., Suite 200, Topeka, KS 66612, or to sheila.kemmis@ks.gov, if submitted electronically. All interested parties will be given a reasonable opportunity at the hearing to express their views orally regarding the adoption of the proposed regulation. During the hearing, all written and oral comments submitted by interested parties will be considered by the Commission as a basis for approving, amending and approving, or rejecting the proposed regulation.

The regulation that will be heard during the regulatory hearing portion of the meeting is as follows:

K.A.R. 115-7-3. This regulation concerns the taking and use of baitfish and minnows.

Economic Impact Summary

There is no cost associated with this regulation change.

Copies of the complete text of the regulation and economic impact statement may be obtained by writing the Chairperson of the Commission at the address above, electronically on the Department's website at <http://www.ksoutdoors.com>, or by calling 785-296-2281.

Gerald Lauber
Chairman

Wildlife and Parks Commission

Doc. No. 052060

State of Kansas

Department of Agriculture Division of Animal Health

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 2:00 p.m. July 2, 2024, in the 1st floor meeting room 124 of the Kansas Department of Agriculture, 1320 Research Park Dr., Manhattan, Kansas, to consider the adoption of proposed regulations. The public hearing will be conducted in person and via video conferencing system. Members of the public who wish to attend the public hearing virtually must pre-register at <https://kansasag.zoom.us/meeting/register/tZEqd-irqDIpGN0czSyOAzNG4BhNH01xQIVO>.

This 60-day notice of the public hearing shall constitute a public comment period to receive written public comments regarding the proposed regulations. All interested parties may submit written comments before the hearing by mail or email to the Kansas Department of Agriculture, Attn: Ronda Hutton, 1320 Research Park Dr., Manhattan, KS 66502, or ronda.hutton@ks.gov. Comments may also be made via the Kansas Department of Agriculture's website at <https://www.agriculture.ks.gov/document-services/public-comment>.

All interested parties will also be given a reasonable opportunity to orally present their views regarding the

adoption of the proposed regulations during the hearing. To provide all parties with an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes. These regulations are proposed for adoption on a permanent basis. A summary of the proposed regulations and the economic impact follows:

The Kansas Department of Agriculture (KDA) is proposing revisions to K.A.R. 9-7-1 and K.A.R. 9-7-14 and revocation and replacement of regulations under Article 10 of KDA's Kansas Administrative Regulations relating to public livestock markets. These changes reflect current management practices and standards of the livestock industry, update and modernize various requirements for public livestock markets and occasional livestock sales in Kansas and organize the regulations to allow them to be more easily read and understood.

The proposed changes to the regulations are as follows:

Revoking K.A.R. 9-10-1 through K.A.R. 9-10-5, K.A.R. 9-10-7 through K.A.R. 9-10-10, K.A.R. 9-10-14 through K.A.R. 9-10-19, K.A.R. 9-10-21, K.A.R. 9-10-22a, K.A.R. 9-10-23, K.A.R. 9-10-24a, K.A.R. 9-10-25a, K.A.R. 9-10-26a, K.A.R. 9-10-27a, K.A.R. 9-10-30 through K.A.R. 9-10-33, K.A.R. 9-10-33a, K.A.R. 9-10-34 through K.A.R. 9-10-40.

Many of the requirements previously in the revoked regulations are incorporated in the following new regulations:

K.A.R. 9-10-41 provides definitions relevant to and used throughout the regulations.

K.A.R. 9-10-42 governs requirements for the construction, sanitation, and maintenance of public livestock market facilities.

K.A.R. 9-10-43 governs limitations placed on the use of public livestock market facilities. The regulation states that public livestock market facilities may only be used for selling livestock or exotic animals, holding livestock moving directly to slaughter, housing livestock or exotic animals during emergency responses, or housing stray animals under the custody and control of law enforcement.

K.A.R. 9-10-44 governs requirements for cleaning and disinfecting a public livestock market facility and vehicles. The regulation states that the public livestock market operator is responsible for cleaning and disinfecting the facility or vehicle under the supervision of the market veterinarian with a disinfectant approved by the animal health commissioner. The regulation explains that the vehicle owner or operator shall pay for the cleaning and disinfecting of vehicles.

K.A.R. 9-10-45 governs the requirements for pens and other facilities used to quarantine livestock or exotic animals at a public livestock market. The regulation sets forth pen spacing, size, and animal feeding requirements. It requires that the market veterinarian supervise quarantine pens.

K.A.R. 9-10-46 governs quarantine requirements for diseased or exposed livestock or exotic animals at a public livestock market.

K.A.R. 9-10-47 combines several regulations governing diseases, injuries, or conditions rendering livestock or exotic animals unfit for sale, limitations on sale, euthanasia, removal, or disposal. The regulation lists the diseases, injuries, or conditions that render livestock or exotic animals unfit for sale and sets forth requirements for euthanasia, removal, or disposal of such animals.

K.A.R. 9-10-48 governs the issuance of certificates of veterinary inspection at a public livestock market or an electronic auction.

K.A.R. 9-10-49 governs requirements for consignment for public livestock markets. The regulation prescribes veterinary inspection and record-keeping requirements for public livestock markets and consent requirements for consignors.

K.A.R. 9-10-50 governs requirements for special sales at irregular intervals. The regulation requires that all sales conducted at a public livestock market follow state and federal regulations.

K.A.R. 9-10-51 governs public notices required to be posted at the public livestock market. The regulation requires that public livestock markets post disclosures about Trichomoniasis and animals that are injured, disabled, or deemed unfit for sale in a visible location at the check-in dock and in the public livestock market office area accessible to the public.

K.A.R. 9-10-52 governs occasional livestock sales, sets the fees associated with registering as an occasional livestock sale, and sets the record-keeping requirements for occasional livestock sales. The regulation also provides exemptions for the occasional livestock sale requirements.

K.A.R. 9-10-53 governs requirements for bovine sold through a public livestock market or occasional livestock sale. The regulation sets forth sale restrictions related to Trichomoniasis and bovine persistently infected with the Bovine Viral Diarrhea Virus. It also identifies specific bovines required to be officially identified at a public livestock market and sets forth backtagging procedures.

K.A.R. 9-10-54 governs requirements for poultry sold at a public livestock market or an occasional livestock sale. The regulation sets forth record keeping, labeling requirements, and pullorum testing in birds sold through a public livestock market or an occasional livestock sale.

K.A.R. 9-10-55 governs requirements for Equidae (horses, donkeys, zebras, and hybrids of any of the same) being sold at a public livestock market or occasional livestock sale. The regulation requires that all Equidae sold through a public livestock market or occasional livestock sale be accompanied by an official negative Equine Infectious Anemia Test at the time of sale and sets forth record-keeping requirements.

K.A.R. 9-10-56 governs requirements for swine sold at a public livestock market or an occasional livestock sale. The regulation requires that swine offered for sale be identified with a form of official identification and sets forth record-keeping requirements. It also prohibits the

(continued)

sale of feral swine and the commingling of breeding and feeding swine at the sale facility.

K.A.R. 9-10-57 governs requirements for sheep and goats sold at a public livestock market or an occasional livestock sale. The regulation requires that sheep and goats offered for sale be identified with official identification and sets forth record-keeping requirements.

K.A.R. 9-10-58 sets forth the regulatory fees, inspection fees, and brand inspection fees charged by a public livestock market operator to each consignor.

K.A.R. 9-10-59 sets forth fees associated with licensing for public livestock markets and electronic auctions.

Amending the following regulations:

K.A.R. 9-7-1 governs general movement requirements for livestock and exotic animals moving into Kansas. The proposed changes clarify situations when livestock or exotic animals may move into Kansas without a certificate of veterinary inspection and change the record-keeping requirements.

K.A.R. 9-7-14 governs requirements for movement of equidae (horses, donkeys, zebras, and hybrids of any of the same) in Kansas. The proposed changes set forth identification and testing requirements for equidae entering Kansas, being offered for sale, changing ownership, or used for exhibition purposes.

The proposed regulations are not mandated by the federal government but are necessary to ensure the traceability of animal diseases. All contiguous states have adopted rules and regulations related to public livestock markets, and KDA's approach is similar to that of other state agencies.

These proposed regulations would exceed federal requirements related to Bovine Viral Diarrhea Virus (BVD). These proposed regulations in Kansas will require an animal persistently infected with BVD to be officially identified before being sold at a public livestock market. Movement of that animal across state lines is expressly prohibited, and intrastate movements require a certification to accompany the animal. (K.A.R. 9-10-53(b)).

These proposed regulations would also exceed the federal requirements as they relate to the equine by requiring any equine offered for sale in that state, changing ownership, or being used for exhibition purposes to be accompanied by an official form affirming a negative result for equine infectious anemia (EIA) testing completed within the previous 12 months. (K.A.R. 9-7-14).

Federal regulations and contiguous states don't prescribe record-keeping requirements for occasional livestock sales. The proposed regulations provide for the licensing of occasional sales and impose requirements for maintaining records relating to the ownership and identification of animals to maintain traceability for disease management. Certain sales will be exempted from the licensure requirements: sales held in conjunction with a county, district, regional, or state livestock exhibition for youth exhibitors, sales intended for selling livestock to youth exhibitors, and livestock production sales with three or fewer consignors. (K.A.R. 9-7-1).

The proposed regulations will not significantly change the requirements imposed on the Kansas public live-

stock market and livestock industry. In most instances, the proposed regulations will simply implement current industry practice and provide more precise guidance on existing requirements.

The proposed regulations will directly affect public livestock markets, veterinarians employed by public livestock markets, and livestock producers. Kansas's economic effect from the proposed regulations is anticipated to be minimal. Any economic impact would arise from the identification and testing requirements on the individuals in the industry.

The benefits of the proposed regulation significantly outweigh the costs because the proposed regulations will modernize the requirements of Kansas's public livestock market to reflect current management practices and standards in the livestock industry. The proposed regulations will aid in KDA's ability to complete an accurate and timely animal disease trace, if necessary, and will enable consistency in dealing with potential quarantines and animals unfit for sale.

KDA does not anticipate that the proposed regulation will significantly increase or decrease revenues of cities, counties, or school districts or impose functions or responsibilities on cities, counties, or school districts that will increase their expenditures or fiscal liability. Letters of request were sent to the League of Kansas Municipalities, the Kansas Association of School Boards, and the Kansas Association of Counties. No responses were received from those entities.

KDA consulted with and solicited information from the Kansas Animal Health Board, KDA's Public Livestock Market Working Group, Kansas Cattlemen's Association, Kansas Livestock Association, Kansas Deer & Elk Association, Kansas Farm Bureau, Kansas Horse Council, Livestock Marketing Association, Kansas Pork Association, Kansas Sheep Association, K-State Research and Extension, Kansas Veterinary Medical Association, and United States Department of Agriculture Veterinary Services.

Any individual with a disability may request accommodations to participate in the public hearing and may request the proposed regulation and the economic impact statement in an accessible format. Requests for accommodations should be made at least five working days in advance of the hearing by contacting Ronda Hutton, via telephone at 785-564-6715 or via fax at 785-564-6777. Handicapped parking is located on the west side of the building at 1320 Research Park Dr., Manhattan, Kansas, and is accessible to individuals with disabilities.

Copies of the proposed regulations and the economic impact statement may be obtained by contacting the KDA via mail at Kansas Department of Agriculture, Attn: Ronda Hutton, 1320 Research Park Dr., Manhattan, KS 66502, via telephone at 785-564-6715, or via the Department's website at <https://www.agriculture.ks.gov/document-services/public-comment>.

**Department of Revenue
Division of Alcoholic Beverage Control**

Notice of Revocation of Administrative Regulations

The following Kansas Department of Revenue, Division of Alcoholic Beverage Control administrative rules and regulations were identified in a five-year regulation review submitted to the Joint Committee on Administrative Rules and Regulations as regulations for revocation pursuant to K.S.A. 77-440 and 77-426. These revocations will be effective 15 days after publication of this notice.

Regulations for Revocation

K.A.R. 14-7-10. Beer distributors must provide designated geographic territory.

K.A.R. 14-7-11. Change or modification of geographic territory.

K.A.R. 14-7-12. Beer distributor selling outside his designated geographic territory.

These three regulations, which concern beer distributors' geographic territories, are unnecessary because they duplicate Kansas statute (K.S.A. 41-307, 41-410, 41-701).

Permanent Administrative Regulations

Article 6.—REGISTERED MASS APPRAISER

93-6-2. Education requirements. (a) Each candidate for the registered mass appraiser (RMA) designation shall complete 200 hours of courses, which shall include those courses specified in subsection (b). Each course shall require the successful completion of a comprehensive exam. "Hour," as used in this regulation, shall mean one clock-hour of at least 50 minutes. Successfully completed courses shall only count once towards a candidate's application for RMA designation.

(b) Mandatory course content shall focus on the following:

- Basic appraisal principles and procedures with an emphasis on approaches to valuation (cost, sales comparison, and income) 60 hours
- National uniform standards of professional appraisal practice (USPAP) 15 hours
- Mass appraisal fundamentals, statistics, modeling, and finance 30 hours
- Assessment administration 30 hours
- Kansas property tax law 20 hours
- Personal property 20 hours
- Land appraisal principles 25 hours

(c) After July 1, 2023, all qualifying courses shall be

approved by the Kansas real estate appraisal board or be developed by the director of property valuation specifically related to the administration of the assessment and tax laws of the state. The 15-hour USPAP and the 20-hour Kansas property tax law courses are mandatory. (Authorized by and implementing K.S.A. 19-430; effective, T-93-8-29-97, Aug. 29, 1997; effective Dec. 5, 1997; amended April 20, 2001; amended Dec. 20, 2013; amended May 3, 2024.)

93-6-3. Continuing education requirements. (a) Each individual who has obtained the registered mass appraiser (RMA) designation shall successfully complete at least 120 hours of continuing education every four years in order to retain the designation. "Hour," as used in this regulation, shall mean one clock-hour of at least 50 minutes. The four-year period shall correspond with the four-year appointment period for county appraisers pursuant to K.S.A. 19-430, and amendments thereto. Each individual who first obtains the RMA designation during any of the six-month periods of the appointment period specified in this paragraph shall successfully complete course hours during the remainder of the appointment period as follows:

First six months.....	120 hours
Second six months.....	105 hours
Third six months.....	90 hours
Fourth six months.....	75 hours
Fifth six months	60 hours
Sixth six months.....	45 hours
Seventh six months.....	30 hours

An individual who obtains the RMA designation during the final six months of the appointment period shall not be required to complete any course hours.

(b) At least 60 hours of continuing education shall be accumulated through appraisal courses, each of which shall require the successful completion of a comprehensive exam.

The remaining 60 hours of continuing education may be seminar hours.

(c) If any individual has continuing education hours in excess of 120 hours during the four-year period, up to 30 hours may be carried forward from one four-year period to the next four-year period.

(d) All continuing education courses necessary to retain the RMA designation shall be appraisal courses approved by the Kansas real estate appraisal board or be courses developed by the director of property valuation specifically related to the administration of the assessment and tax laws of the state. Each individual with the RMA designation shall complete the following courses during each full four-year period:

(1) At least seven hours of uniform standards of professional appraisal practice courses approved by the Kansas real estate appraisal board;

(2) the Kansas property tax law course or the Kansas property tax law update course; and

(3) the review of Kansas exemptions course. (Authorized by and implementing K.S.A. 19-430; effective, T-93-8-29-97, Aug. 29, 1997; effective Dec. 5, 1997; amended April 20, 2001; amended Dec. 20, 2013; amended May 6, 2016; amended May 3, 2024.)

(continued)

93-6-5. Case study requirements. A candidate for the RMA designation shall successfully complete both a residential case study and a commercial case study, each of which shall have a six-hour time limit. A candidate may attempt to successfully complete each case study twice within a six-month time period. If a candidate fails in two attempts to complete either or both case studies, the candidate shall wait 90 days after the date of each failed re-take before attempting to complete each failed case study again. (Authorized by and implementing K.S.A. 19-430; effective, T-93-8-29-97, Aug. 29, 1997; effective Dec. 5, 1997; amended May 3, 2024.)

Permanent Administrative Regulation

Article 9.—MEDICAL AND HOSPITAL

51-9-7. Fees for medical and hospital services. Fees for medical, surgical, hospital, dental, and nursing services, medical equipment, medical supplies, prescrip-

tions, medical records, and medical testimony rendered pursuant to the Kansas workers compensation act shall be the lesser of the following:

(a) The usual and customary charge of the health care provider, hospital, or other entity providing the health care services; or

(b) the amount allowed by the "2024 schedule of medical fees" published by the Kansas department of labor, effective on May 3, 2024, and approved by the director of workers compensation on May 29, 2023, including the ground rules for each type of medical treatment or service within the schedule and the appendix, which is hereby adopted by reference.

This regulation shall be effective on and after May 3, 2024. (Authorized by and implementing K.S.A. 44-5101; effective Jan. 1, 1966; amended Jan. 1, 1969; amended Jan. 1, 1973; amended May 1, 1976; amended May 1, 1978; amended, T-88-20, July 1, 1987; amended May 1, 1988; amended Nov. 1, 1993; amended April 5, 1996; amended Aug. 29, 1997; amended Oct. 1, 1999; amended Dec. 1, 2001; amended Dec. 1, 2003; amended Dec. 2, 2005; amended Jan. 1, 2008; amended Jan. 1, 2010; amended Jan. 1, 2011; amended Jan. 1, 2012; amended Jan. 1, 2014; amended Jan. 1, 2015; amended Jan. 1, 2017; amended March 29, 2019; amended May 3, 2024.)
