**Wichita State University**

**Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This

location would be designated for private development committed to supporting broadband infrastructure and Internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU’s vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. WSU intends to lease such space for a mutually agreeable period of time, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with WSU’s educational mission and identify anticipated benefits to the university, its students, and the surrounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. If interested, please contact Property Manager Crystal Stegeman at [crystal.stegeman@wichita.edu](mailto:crystal.stegeman@wichita.edu). This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

**Wichita State University**

**Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University’s campus designated as the “Innovation Campus,” for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university’s educational mission and identify anticipated benefits to the university, its students, and the

WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. If interested, please contact Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at [john.tomblin@wichita.edu](mailto:john.tomblin@wichita.edu) or Property Manager Crystal Stegeman at [crystal.stegeman@wichita.edu](mailto:crystal.stegeman@wichita.edu). **State of Kansas**

**Kansas Turnpike Authority**

**Notice of Public Auction**

The Kansas Turnpike Authority (Seller) will offer for sale at public auction land that it owns and which is no longer necessary to meet its lawful objectives.

The property is located in the northwest ¼ of Section 5, Township 24 South, Range 7 East in El Dorado, Butler County, Kansas generally described as follows:

- The property is located adjacent to I-35 (KTA). The property is southeast of the county road NE 120th bridge that goes over the KTA.
- The property consists of portions of original KTA Right of Way Tracts 14-5, and 14-6 minus an approximately 150 foot to the centerline of I-35 (KTA) on the northwest of the property and 75 foot setback from county road NE 120th street, informally described as the portions of original KTA Right of Way Tracts 14-5, 14-6 that lie outside of the existing I-35 (KTA) Right of Way fence.
- KTA Right of Way fence will stay in place however, the fence south of county road NE 120th street will be adjusted by the KTA to match the 75 foot set back from centerline of the county road after the auction.
- The property consists of 11.7 acres, more or less.

Inspection of property will take place from 10:00 a.m. to 10:30 a.m. Tuesday, November 5, 2024.

Sale will be conducted at 11:00 a.m. Tuesday, November 12, 2024, at the Kansas Turnpike Authority El Dorado Maintenance Facility, 235 SW Boyer Rd., El Dorado, KS 67042. Opening and minimum acceptable bid will be \$49,000. Seller reserves the right to reject any and all bids.

*(continued)*

**Access**

This property fronts a graveled county road (NE 120th Street) along its northeast line.

**Utilities**

No known utilities.

**Zoning**

The property has no zoning designation, since it has been a part of highway right of way. Properties in the area are zoned agricultural.

**Terms of Sale**

Cashier's check for \$4900 representing ten percent (10%) of the minimum acceptable bid, is due at the time of the sale.

The exact legal description of the property shall be determined by survey prior to closing, which shall be used as described below. The survey shall be by a Kansas licensed surveyor, sealed and include a drawing depicting the described parcel labeled as "Exhibit A." Said survey shall be obtained and paid for by Seller.

The accepted high bid from the buyer on the day of auction shall establish the purchase price. The purchase price is predicated on a property size of 11.7 acres. A unit value expressed in dollars(\$)/acre will be established by subtracting the cost of survey and title work (\$4800) from the purchase price then dividing the difference by 11.7. The purchase price shall be adjusted based on the final property size as determined by the above referenced legal description. The adjusted purchase price will be included in the Contract to Purchase.

The buyer will receive a Contract to Purchase, with the balance of adjusted purchase price less the \$4900 deposit, upon completion and approval by the KTA of the legal description.

The buyer will receive a Quit Claim Deed after balance of the Contract to Purchase amount is paid. If the balance of the purchase price is not paid within 30 days of receipt of the Contract to Purchase, the ten percent (10%) down payment will be forfeited to the Seller.

Any description of the property is for information purposes only, and no representations, warranties or guarantees are made concerning locations, dimensions, or tract size or nature or quality or suitability for use of the tract for any improvements. Should a dispute arise after the auction, the Seller's records will be conclusive in all respects.

**Sold Subject to the Following**

Tract will be sold subject to any existing easements, restrictions or reservations of record.

The prospective buyer is encouraged to research the chain of title of this tract.

KTA makes no representations concerning the condition, value or suitability of use for this property or the improvements, attachments, or fixtures thereof, if any. The property and said improvements, etc. will be sold in the present "as is" condition, without warranties or guarantees of any kind. It is not KTA's intent to impose any restrictions not already in existence on the property. KTA has no specific knowledge about such restrictions, but does not warrant the property to be free of restrictions either.

KTA insures the acceptance of any bid pursuant to this notice will be without discrimination on the grounds of sex, race, color, religion, physical handicap or national origin.

For additional information contact Cody Vandevord at 316-652-2683.

Cody Vandevord, P.E.  
Engineering Program Manager  
Kansas Turnpike Authority

Doc. No. 052603

**State of Kansas****Department of Health and Environment****Notice of Application to Expand  
Construction and Demolition Landfill**

The Kansas Department of Health and Environment (KDHE) has received an application from Harvey County, Kansas to expand their construction and demolition landfill waste disposal area keeping the facility acreage unchanged. The proposed permit modification will increase that landfill's permitted disposal area from 28.50 acres to 60.05 acres, with an associated increase in disposal capacity from 477,537 cubic yards to 1,639,795 cubic yards. The proposed landfill expansion would be constructed and operated in conformance with state solid waste regulations and accept only construction and demolition wastes like-roofing materials, wall or floor coverings, concrete, wood products, asphalt, metals, bricks, glass, electric wiring, plumbing fixtures, non-asbestos insulation, construction related packaging, trees, stumps, earth and rock, uncontaminated wood pallets, etc. as defined by Kansas Statutes. The landfill site is located near Newton, in a portion of W<sup>1</sup>/<sub>2</sub> of the SW<sup>1</sup>/<sub>4</sub> of Section 25, Township 23S, Range 1W in Harvey County.

Harvey County Commissioners have certified that the landfill is consistent with the county's solid waste management plan and local land use restrictions. KDHE has reviewed the application and found it to be in conformance with the state solid waste statutes and regulations.

La noticia anterior se refiere a la solicitud de permiso para Harvey County en la 3318 SW 24th St., Newton, KS 67114. Si desea obtener más información en español o tiene otras preguntas, por favor, comuníquese con el Coordinador de No Discriminación de KDHE al 785-296-5156 o en: [KDHE.NonDiscrimination@ks.gov](mailto:KDHE.NonDiscrimination@ks.gov).

KDHE is providing public notice of their intent to issue a permit to Harvey County to allow the update of their disposal capacity as described herein. However, a final decision to approve the expansion has not been made, and KDHE will consider information gathered during the public comment period before making a final decision. A copy of the administrative record which includes the permit application, engineering drawings, draft permit, and other information with respect to this permit action will be available for public review from October 24, 2024, through November 25, 2024, during normal business hours at the following locations:

Kansas Department of Health and Environment  
Bureau of Waste Management  
1000 SW Jackson, Suite 320

Topeka, KS 66612  
 Contact: Sudipta Sarker at 785-296-7033

Harvey County Solid Waste Transfer Station  
 3205 SW 24th St.  
 Newton, KS 67114  
 Contact: 316-283-5439

Additionally, the permit application form with primary application information is available for public viewing at <http://www.kdhe.ks.gov/676>. Anyone wishing to comment on the proposed facility should submit a written statement by November 25, 2024 to Sudipta Sarker of KDHE at the address listed above, or via email to [Sudipta.Sarker@ks.gov](mailto:Sudipta.Sarker@ks.gov). Comments that are post-marked by November 25, 2024 and received within one week thereafter will also be considered.

After consideration of all written comments received during the public notice period, KDHE will make a final decision on whether to issue the permit. Notice of the decision will be given to the applicant, anyone who submitted written comments during the comment period, and those who requested notice of the final permit decision.

Doc. No. 052607

**State of Kansas**

**Department of Health and Environment**

**Notice Concerning Proposed Kansas Air Quality Construction Permit**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality construction permit. The Scoular Company – Goodland Crush has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300. Emissions of volatile organic compounds (VOC), particulate matter (PM), particulate matter with less than or equal to 10 microns in aerodynamic diameter (PM<sub>10</sub>), particulate matter with less than or equal to 2.5 microns in aerodynamic diameter (PM<sub>2.5</sub>), carbon monoxide (CO), oxides of nitrogen (NO<sub>x</sub>), oxides of sulfur (SO<sub>2</sub>), and hazardous air pollutants (HAPs), Hexane were evaluated during the permit review process.

The Scoular Company – Goodland Crush, 13360 California St., PO Box 54247, Omaha, NE 68154, owns and operates an oilseed processing facility located at 6425 County Road 14, Goodland, Sherman County, KS 67735, at which the existing oilseed processing plant is to be retrofitted to produce crude vegetable oil from soybean and rapeseed. The proposed permit includes revisions to the performance testing requirements made in response to comments received during the initial public comment period.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review from the date of publication during normal business hours at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka,

KS 66612-1366 and at the Northwest District Office, 2301 E. 13th St., Hays, KS 67601. To obtain or review the proposed permit and supporting documentation, contact Matthew Reynolds at the central office of KDHE at 785-296-1719, or Cole Denny at the Northwest District Office at 785-261-6117. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, November 25, 2024.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, November 25, 2024, in order for the Secretary of Health and Environment to consider the request.

The preceding notice refers to the air permit for The Scoular Company – Goodland Crush located at 6425 County Road 14, Goodland, Sherman County, KS 67735. If you want more information or you have other questions, please contact the KDHE Non-Discrimination coordinator and call 785-296-5156 or send an email to: [KDHE.NonDiscrimination@ks.gov](mailto:KDHE.NonDiscrimination@ks.gov). [El aviso anterior se refiere al permiso de aire para The Scoular Company – Goodland Crush ubicado en 6425 County Road 14, Goodland, Sherman County, KS 67735. Si desea obtener más información en español o tiene otras preguntas, por favor, comuníquese con el Coordinador de No Discriminación de KDHE y llame al 785-296-5156 o envíe un correo electrónico a: [KDHE.NonDiscrimination@ks.gov](mailto:KDHE.NonDiscrimination@ks.gov).]

**Notice of Proposed Kansas Air Quality Class I Operating Permit Renewal**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Southern Star Central Gas Pipeline, Inc. – Montezuma Station has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

*(continued)*

Southern Star Central Gas Pipeline Inc. – Montezuma Station, 4700 Hwy 56, Owensboro, KY 42301, owns and operates a natural gas compressor station located at Section 25, Township 28S, Range 29W, Gray County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southwest District Office, 302 W. McArtor Rd., Dodge City, KS 67801-6098. To obtain or review the proposed permit and supporting documentation, contact Megan Heffernan at the central office of KDHE at 785-296-1992, or Ethel Evans at the Southwest District Office at 620-356-1075. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Megan Heffernan, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, November 25, 2024.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Megan Heffernan, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, November 25, 2024, in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA’s 45-day review period. Interested parties may contact KDHE to determine if the EPA’s 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, phone 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Doc. No. 052599

State of Kansas

Department of Health and Environment

Notice of Proposed Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. Si desea obtener más información en español o tiene otras preguntas, por favor, comuníquese con el Coordinador de No Discriminación al 785-296-5156 o en: [KDHE.NonDiscrimination@ks.gov](mailto:KDHE.NonDiscrimination@ks.gov).

Public Notice No. KS-AG-24-337/341

Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Bott Cattle Company, Inc.	SE/4 of Section 27 & NE/4 of Section 34	Big Blue River Basin
Daryl and Annette Bott 1663 1st Rd. Palmer, KS 66962	T05S, R03E Washington County	

Kansas Permit No. A-BBWS-C001  
Federal Permit No. KS0117200

The proposed action is to reissue an existing NPDES permit for an existing facility for 4,999 head (4,999 animal units) of cattle weighing more than 700 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Double D Farms Feedlot Dale Goetz 6606 E. Road 100 S Park, KS 67751	SE/4 of Section 34 T09S, R27W & NE/4 of Section 03 T10S, R27W Sheridan County	Saline River Basin

Kansas Permit No. A-SASD-C004  
Federal Permit No. KS0098566

The proposed action is to reissue an existing NPDES permit for an existing facility for 495 head (495 animal units) of cattle weighing greater than 700 pounds and 958 head (479 animal units) of cattle weighing less than 700 pounds and 10 head (20 animal units) of horses; for a total of 994 animal units of livestock. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Kopfer Farms, Inc. Kellan F. Kopfer 229 6th Rd. Clay Center, KS 67432	SW/4 of Section 05 T10S, R01E Clay County	Smoky Hill River Basin

Kansas Permit No. A-SHCY-H002  
Federal Permit No. KS0101702

The proposed action is to reissue an existing NPDES permit for an existing facility for 2,048 head (204.8 animal units) of swine weighing less than 55 pounds each and 4,096 head (1,638.4 animal units) of swine weighing more than 55 pounds each for a total of 1,843.2 animal units of swine. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Torneden Farms Dustin Torneden 24426 Loring Rd. Lawrence, KS 66044	SW/4 of Section 12 T12S, R20E Leavenworth County	Kansas River Basin

Kansas Permit No. A-KSLV-S020

The proposed action is to modify and reissue an existing state permit for a facility for 380 head (38 animal units) of swine weighing 55 pounds or less and 652 head (260.8 animal units) of swine weighing more than 55 pounds; for a total of 298.8 animal units. This permit is being modified to re-approve construction of approximately 0.22 acres of outside pens. There is no change in the permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Zwahlen Farm Pens Jimmy Zwahlen 2323 17000 Rd. Oswego, KS 67356	S/2 of Section 21 & N/2 of Section 28 T32S, R21E Labette County	Neosho River Basin

Kansas Permit No. A-NELB-B002

The proposed action is to reissue an existing state permit for an existing facility for 100 head (100 animal units) of cattle weighing greater than 700 pounds and 300 head (150 animal units) of cattle weighing 700 pounds or less, for a total of 250 animal units. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

**Public Notice No. KS-Q-24-217/223**

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Futamura USA, Inc. 6000 SE Second Tecumseh, KS 66542	Kansas River	Process Wastewater

Permit No. I-KS72-PO09  
Federal Permit No. KS0003204

Legal Description: SE¼, NW¼ of Section 31, Township 11S, Range 17E, Shawnee County

Location: 39.06388, -95.55838

This action consists of renewal and reissuance of an existing National Pollutant Discharge Elimination System (NPDES)/Kansas Water Pollution Control (KWPC) Permit for an existing facility. This facility produces cellophane from wood pulp. The process generates acid, alkaline, and neutral waste streams, with a combined daily maximum flow rate of 4.5 million gallons per day and a long term average daily flow rate of about 2.4 MGD. This permit contains limits for BOD, TSS, E. coli, TMDL Phosphorus, pH, Residual Chlorine, and WET Chronic IC25. The permit contains monitoring for Ammonia, Nitrate/Nitrite, TKN, Total Phosphorus, Sulfate, Carbon Disulfide, and Total Dissolved Solids.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Glen Elder, City of PO Box 55 Glen Elder, KS 67446	Solomon River via Limestone Creek	Treated Domestic

Permit No. M-SO18-0001  
Federal Permit No. KS0020982

Legal Description: SW¼, SE¼, SW¼, Section 26, Township 6S, Range 9W, Mitchell County

Location: 39.49518, -98.29562

The proposed action consists of reissuance of a Kansas/NPDES Water Pollution Control permit for an existing facility. The existing facility is a three-cell wastewater stabilization lagoon system with a minimum of 120 days detention time. The facility receives domestic wastewater from residential and commercial areas. This permit contains limits for Biochemical Oxygen Demand, and Total Suspended Solids. The permit contains monitoring for pH, Ammonia, E. coli, Total Phosphorus, Chloride, Selenium, and Sulfate.

Name and Address of Applicant	Receiving Stream	Type of Discharge
The Goodyear Tire & Rubber Co. PO Box 1069 Topeka, KS 66601	Kansas River via Soldier Creek	Process Wastewater

Permit No. I-KS72-PO02  
Federal Permit No. KS0001643

Legal Description: NE¼, Section 13, Township 11S, Range 15E, Shawnee County

Location: 39.10194, -95.69167

This action consists of renewal and reissuance of an existing NPDES/Kansas Water Pollution Control (KWPC) Permit. This facility is engaged in the manufacture of truck, off-road and specialty tires under the federal effluent guidelines, 40 CFR Part 428-Rubber Manufacturing Point Source Category, Subpart A-Tire and Inner Tube Plants Subcategory. The total proposed design discharge from the treatment system is about 86,400 gallons/day. This permit contains limits for BOD, TSS, E. coli, Ammonia, Whole Effluent Toxicity, Oil and Grease, TRO, TMDL Phosphorus, and pH. The permit contains monitoring for Flow – MGD, Total Phosphorus, Nitrate, Nitrite, Total Kjeldahl Nitrogen, and Total Nitrogen.

Permit No. M-MC60-OO02  
Federal Permit No. KS0093441

Legal Description: SW¼, SW¼, NW¼, Section 7, Township 16S, Range 24E, Miami County

Location: 38.67224, -94.80755

The proposed action consists of reissuance of a Kansas/NPDES Water Pollution Control permit for an existing facility. The existing facility is a mechanical wastewater treatment plant consisting of: Septic Tank-Effluent Pumping (STEP) Pressure Sewer System, activated sludge package plant, final clarifier, disinfection with chlorine, and polishing pond. The facility receives domestic wastewater from residential areas. This permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, pH, Ammonia, and E. coli. The permit contains monitoring for Total Phosphorus, Nitrates + Nitrites, Total Kjeldahl Nitrogen, and Total Nitrogen.

Permit No. M-MC40-OO01  
Federal Permit No. KS0048119

Legal Description: NW¼, SE¼, SW¼, Section 21, Township 17S, Range 21E, Franklin County

Location: 38.55289, -95.09579

The proposed action consists of reissuance of a Kansas/NPDES Water Pollution Control permit for an existing facility. The existing permit was issued for a design flow of 0.025 MGD and included technology based effluent limits for biochemical oxygen demand and total suspended solids and water quality based limits for ammonia. Monitoring of pH and E. coli was also required. This NPDES discharging lagoon wastewater treatment facility has been reviewed for eligibility for the MDV for ammonia and has been determined to be eligible. Eligibility was determined through analysis of the facility's highest attainable criteria (HAC) for ammonia. The ammonia effluent limit was determined on July 5, 2024 by calculating the 99th percentile ammonia value from the facility's discharge monitoring reports resulting in an ammonia limit of 14.1 mg/L for this facility. However, due to anti-backsliding, the previous permit ammonia limit of 9.1 will be applied. This permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, and Ammonia. The permit contains monitoring for pH, and E. coli.

Permit No. M-MC49-OO01  
Federal Permit No. KS0082996

Legal Description: E½, SW¼, Section 26, Township 21S, Range 17E, Anderson County

Location: 38.18732, -95.51223

The proposed action consists of reissuance of a Kansas/NPDES Water Pollution Control permit for an existing facility. The existing facility is a three-cell wastewater stabilization lagoon system with a minimum of 120 days detention time. The facility receives domestic wastewater from residential and commercial areas. This permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, and Ammonia. The permit contains monitoring for pH, and E. coli.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before November 23, 2024, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-24-337/341, KS-Q-24-217/223) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Jada Martin at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at [kdhe.feedlots@ks.gov](mailto:kdhe.feedlots@ks.gov). Las preguntas o comentarios por escrito deben dirigirse a Erich Glave, Director, Bureau of Environmental Field Services en KDHE: 1000 SW Jackson St., Suite 430, Topeka, KS 66612-1367; por correo electrónico: [kdhe.feedlots@ks.gov](mailto:kdhe.feedlots@ks.gov); por teléfono: 785-296-6432. For

all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Jamie Packard, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-4148 or email at [Jamie.Packard@ks.gov](mailto:Jamie.Packard@ks.gov). These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Office of Facilities and Property Management

Notice to Bidders

Notice is hereby given for the receipt of subcontractor bids for the A-014813 University of Kansas Medical Center Cancer Center – Research Tower – Bid Package 02 Site Utilities project. This project is being delivered using procedures established under the Kansas alternate project delivery building construction procurement act (K.S.A 75-37,141 et seq.) for The University of Kansas Medical Center. JE Dunn Construction is the Construction Manager. Contact person is Daniel Rezin at [daniel.rezin@jedunn.com](mailto:daniel.rezin@jedunn.com), phone 816-426-8997.

Subcontractor bids will be received for the following scopes of work:

- Site utilities
- Site electrical/fiber
- Asphalt
- Site concrete

Bids will be received until 2:00 p.m. (Central Time) November 7, 2024, and are to be received by email to [daniel.rezin@jedunn.com](mailto:daniel.rezin@jedunn.com) and [brian.hoeppner@jedunn.com](mailto:brian.hoeppner@jedunn.com).

Note: Bids for site concrete scope of work are to be submitted to [professional.qualifications@ks.gov](mailto:professional.qualifications@ks.gov).

All bidders must be prequalified in JE Dunn’s Subcontractor Management System (SMS). Create or update company information by following directions at <https://sms.jedunn.com>.

Email [daniel.rezin@jedunn.com](mailto:daniel.rezin@jedunn.com) with intent to bid. An in-person pre-bid conference and walkthrough will be held on date to be determined and issued via Addendum. Please contact [daniel.rezin@jedunn.com](mailto:daniel.rezin@jedunn.com) if you are interested in attending.

Copies of the bid documents are available through Building Connect. Reach out to [daniel.rezin@jedunn.com](mailto:daniel.rezin@jedunn.com) for bid invitation and additional information.

All bidders shall comply with the requirements within the contract documents and front end, including all items within the scope of work and required bid form filled out.

## State of Kansas

### Department of Transportation

#### Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to re-

quest approval from KDOT to bid as a prime contractor and be included on the “Bid Holders List,” or to be included on the “Non-Bid Holders List” as a subcontractor/supplier. KDOT’s approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

KDOT will only accept electronic internet proposals using the Bid Express website at <https://bidx.com/ks/main> until 1:00 p.m. (Central Time) on letting day. The KDOT bid letting will be conducted remotely by audio broadcast only at 3:00 p.m. (Central Time) on letting day. For the conference call information see <https://www.ksdot.org/bureaus/burconsmain/lettinginfo.asp>. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

#### Projects for the November 20, 2024 Letting

##### District One – Northeast

**Brown:** 7 C-5217-01 – Bridge, located over unnamed stream 1.0 miles south of Fairview, bridge replacement, 0.1 miles. (Federal Funds)

**Marshall:** 36-58 KA-7566-01 – US-36, beginning at the Marshall/Osborne County line east to 4th Street in Marysville, milling and overlay, 8.2 miles. (State Funds)

**Marshall:** 99-58 KA-7544-01 – K-99, beginning at the K-99/US-36 junction north to the Kansas/Nebraska state line, milling and overlay, 14.5 miles. (State Funds)

**Wyandotte:** 69-105 KA-4881-02 – Bridge #132 over Ruby Avenue; bridge #134 over Metropolitan Avenue; bridge #136 over 18th Street Expressway; bridge #138 over KCT Railway; bridge #140 over Osage Avenue, bridge replacement, 0.9 miles. (Federal Funds)

**Wyandotte:** 5-105 KA-7472-01 – K-5, beginning at the I-635/K-5 junction east to the McCormick Road/Sunshine Road junction, milling and overlay, 2.1 miles. (State Funds)

##### District Two – North Central

**Ellsworth:** 14-27 KA-7535-01 – K-14, beginning at the K-14/K-140 junction north to the I-70/K-14 junction, milling and overlay, 7.4 miles. (Federal Funds)

**Ellsworth:** 4-27 KA-7536-01 – K-4, beginning at the Ells-

worth/Rice County line east to the Ellsworth/McPherson County line, milling and overlay, 6.7 miles. (Federal Funds)

**Ellsworth:** 111-27 KA-7573-01 – K-111 beginning at the north city limits of Kanopolis to the K-111/K-156 junction, milling and overlay, 5.3 miles. (State Funds)

**McPherson:** 260-59 KA-6896-01 – K-260, pavement restoration in Moundridge from Christian Avenue to Wedel Avenue, grading and surfacing, 0.1 miles. (Federal Funds)

**McPherson:** 4-59 KA-7537-01 – K-4, beginning at the Ellsworth/McPherson County line east and north to the McPherson/Saline County line (exclude the city of Lindsborg), milling and overlay, 15.7 miles. (Federal Funds)

**Mitchell:** 24-62 KA-6437-01 – Geometric improvements, in Cawker City on US-24/K-9 from Oak Street to Elm Street and on Oak Street from 9th Street to the US-24/K-9 junction, grading and surfacing, 0.4 miles. (Federal Funds)

**Saline:** 4-85 KA-7538-01 – K-4, beginning at the McPherson/Saline County line east to the I-135/K-4 junction, milling and overlay, 1.2 miles. (State Funds)

#### District Three – Northwest

**Ellis:** 183-26 KA-7520-01 – US-183, beginning at the end of Portland cement concrete pavement (PCCP) north of 55th Street north to the Rooks/Ellis County line, milling and overlay, 15.1 miles. (Federal Funds)

**Gove:** 23-32 KA-7521-01 – K-23, beginning at the Lane/Gove County line north to the south city limits of Gove City, milling and overlay, 17.8 miles. (Federal Funds)

**Norton:** 383-69 KA-7527-01 – K-383, beginning at the Decatur/Norton County line northeast to the US-36/K-383 west junction, milling and overlay, 13.6 miles. (State Funds)

**Rooks:** 183-82 KA-7517-01 – US-183, beginning at the US-183/K-18 junction north to the S Road/US-183 junction, milling and overlay, 4.8 miles. (Federal Funds)

**Rooks:** 183-82 KA-7519-01 – US-183, beginning at the Rooks/Ellis County line north to the K-18/US-183 junction, milling and overlay, 7.2 miles. (Federal Funds)

**Rooks:** 18-82 KA-7518-01 – K-18, beginning at the 5 Road/K-18 junction east to 0.48 miles east of the east city limits of Plainville, ultra-thin bonded asphalt surfacing, 12.8 miles. (Federal Funds)

**Statewide:** 283-106 KA-7574-01 – US-283 in Norton County, beginning at the US-283/K-9 west junction north to Washington Street in Norton; and US-283 in Graham County, from 0.643 miles south of the south city limits of Hill City north to north side of Prout Street, milling and overlay, 15.7 miles. (State Funds)

#### District Four – Southeast

**Allen:** 59-1 KA-7529-01 – US-59, beginning at the Neosho/Allen County line north to the Allen/Anderson County line, ultra-thin bonded asphalt surfacing, 21.2 miles. (Federal Funds)

**Anderson:** 169-2 KA-7534-01 – US-169, beginning at the Allen/Anderson County line north to 0.59 miles north of the K-58/US-169 junction, milling and overlay, 4.3 miles. (State Funds)

**Anderson:** 59-2 KA-7530-01 – US-59, beginning at the Allen/Anderson County line north to the US-169/US-59

south junction, milling and overlay, 15.1 miles. (Federal Funds)

**Cherokee:** 7-11 KA-1586-02 – K-7, intersection of K-7/Star Valley Road (along the north side of Star Valley Road), special. (State Funds)

**Cherokee:** 166-11 KA-7453-01 – US-166, from the Labette/Cherokee County line east to the west city limits of Baxter Springs, milling and overlay, 18.2 miles. (Federal Funds)

**Crawford:** 47-19 KA-7452-01 – K-47, from the east city limits of Girard east to the US-69/K-47 junction, milling and overlay, 7.0 miles. (Federal Funds)

**Elk:** 160-25 KA-7531-01 – US-160, beginning at the Elk/Cowley County line east to the US-160/K-99 west junction, milling and overlay, 13.6 miles. (State Funds)

**Elk:** 160-25 KA-7533-01 – US-160, beginning at the US-160/K-99 east junction east to the east city limits of Longton, milling and overlay, 11.5 miles. (Federal Funds)

**Elk:** 160-25 KA-7532-01 – US-160, beginning at the east city limits of Longton east to the Elk/Montgomery County line, milling and overlay, 7.9 miles. (Federal Funds)

**Labette:** 166-50 KA-7461-01 – US-166, beginning at the Montgomery/Labette County line east to the US-59/US-166 north junction; then US-59/US-166 south junction east to the Labette/Cherokee County line, milling and overlay, 24.2 miles. (Federal Funds)

**Statewide:** 58-106 KA-7570-01 – K-58 in Coffey County, beginning at the west city limits of LeRoy to the Coffey/Anderson County line; and K-58 in Anderson County, beginning at the Coffey/Anderson County line to the US-169/K-58 junction, milling and overlay, 13.9 miles. (State Funds)

#### District Five – South Central

**Barton:** 281-5 KA-6443-01 – Hoisington, pavement restoration on US-281/K-4 from North Center Street (west intersection) to North Main Street (west intersection), pavement reconstruction, 0.3 miles. (Federal Funds)

**Rice:** 56-80 KA-6455-01 – US-56 at two locations—beginning 0.25 miles east of 10th Road, east to 0.14 miles east of 11th Road, guard fence, 1.0 miles. (State Funds)

**Sedgwick:** 42-87 KA-7457-01 – K-42, 4-lane/2-lane transition (West MacArthur Road) northeast to South Hoover Road, overlay, 3.9 miles. (State Funds)

#### District Six – Southwest

**Greeley:** 96-36 KA-7539-01 – K-96, beginning at the Colorado/Kansas state line east to the K-27/K-96 junction, milling and overlay, 15.9 miles. (Federal Funds)

**Hamilton:** 27-38 KA-7540-01 – K-27, beginning at the US-50/K-27 west junction north to the Greeley/Hamilton County line, milling and overlay, 19.4 miles. (Federal Funds)

**Wichita:** 25-102 KA-7541-01 – K-25, beginning at the Kearny/Wichita County line north to the K-96/K-25 junction, milling and overlay, 19.1 miles. (Federal Funds)

**Wichita:** 25-102 KA-7542-01 – K-25, beginning at the K-96/K-25 junction north to the Wichita/Logan County line, milling and overlay, 15.2 miles. (State Funds)

## Department of Transportation

## Request for Comments

The Kansas Department of Transportation (KDOT) requests comments on the amendment of the Statewide Transportation Improvement Program (STIP) FY 25-28. The comprehensive list of project(s) being amended to the STIP may be viewed at <http://www.ksdot.org/bureaus/burProgProjMgmt/stip/stip.asp>. The project list includes projects for counties, cities, and projects on the state highway system. In addition to the project list is Administrative Modification #1 for narrative updates in the STIP.

The amendment of the STIP requires a public comment period of 14 days. To make comment on this STIP amendment, contact KDOT's Division of Program and Project Management, 2nd Floor Tower, 700 SW Harrison, Topeka, KS 66603-3754; phone 785-296-3254.

This information is available in alternative accessible formats. To obtain an alternative format, contact the KDOT Office of Public Affairs at 785-296-3585 (Voice/Hearing Impaired-711).

The comment period regarding the STIP amendment for these projects will conclude November 7, 2024.

(Published in the Kansas Register October 24, 2024.)

## Cimarron Valley Railroad

## Request for Proposals

Interested parties are invited to submit a proposal to complete the below scope of work for the Cimarron Valley Railroad (CVR) track rehabilitation project near Dodge City, Kansas.

## Scope of Work

Provide all necessary labor, equipment, and logistical services to provide labor cost to complete new track construction work, ties, ballast, etc. The scope is further described as follows:

- Install approximately 6,470, new 7x9x8.6' (industrial grade) or equivalent crossties.
- Install 115# rail (8,240 track feet) and needed OTM – plates, spikes, anchors, bolt/washer/nut assemblies and comp bars.
  - All work must be constructed in accordance with AREMA standards.
  - Install two complete turnouts with Sampson points and stock rails.
  - Install two each details.
  - Install adequate amount of ballast, two-Inch.
  - Install two SWT tie packs.
  - Tamp and regulate to completion.
  - All track materials will be furnished by the railroad.
- Any pre-existing rail, ties or OTM that is removed when installing switch components, must be removed and disposed of according to all local, state and federal regulations.

- Additional details concerning the scope of work needing to be done with each portion of the Project, will be addressed at the pre-bid meeting.

## Minimum Requirements

MSA and Roadway Worker Protection

Contractors must complete, and have on file, a current Master Services Agreement with CVR. Prior to submitting a proposal:

- Contractors shall comply with all parts of 49 CFR Part 214 and 219 regarding FRA Roadway Worker Safety at all times. Workers and equipment shall remain clear of the track unless they have gained Roadway Worker Protection from a qualified person.
- Contractor, contractor employees, agents and/or subcontractors must be enrolled and comply with the FRA 219 approved drug testing program.
- Any subcontracted work will need to be approved by CVR prior to any work starting.

Work Windows

Impact to current railroad operations must be kept to a minimum. When work must take place that causes an active track to be taken out of service for the purposes of performing work that pertains to the project, the contractor must pre-arrange a defined work window with the railroad. Contractor can anticipate a minimum work window of eight hours with no more than one schedule of interruption in that time frame between the hours of 07:00 and 17:00. For work windows extending more than eight hours, a minimum of 72 hours of notification is required to the railroad to arrange this window.

Work windows may be arranged seven days a week, if desired. Current railroad operations consist of at least one train per day through the work area. This train operates in the evening hours; however, this schedule is subject to change at any time. This topic will be further discussed and clarified during the pre-proposal meeting.

Standards

All standards referenced by the project plans and specifications, as well as all applicable AREMA standards must be upheld during all phases of the project work, unless certain standards are excluded from the project with written approval by CVR. All rail shall be replaced at standard gauge of 56-1/2".

Submittals

The following documents shall be submitted by the contractor as part of the project at the times listed:

- Schedule of Work – Submitted with proposal.
- Certificate of Insurance – Submitted prior to construction.
- Safety Plan – Submitted prior to construction.
- Proof of Roadway Worker Training – Submitted prior to construction.
- Rail Testing (If AREMA #1 Relay Rail is Used) – Submitted prior to construction.
- All contractors must recognize this is a state contract.
- Rail Weld UT Test Requirements (All Rail Comp Welds) – Submitted with billing.

Other Responsibilities

- Permits – Contractor is responsible for all federal, state, and local permits required for the work.
- Utilities – Contractor is responsible to locate and protect site utilities.
- Site Clean-up – Contractor is responsible for proper site restoration and proper disposal of materials removed in accordance with all local, state and federal laws.

Insurance

Contractor shall purchase required coverage and submit for verification a Certificate of Insurance.

Materials

All materials shall meet the requirements found in the project plans and/or specifications as well as applicable AREMA requirements. Material storage is granted on railroad right of way to the contractor. However, no materials shall be stored closer than 15’ from the center-line of any active track, at any time. Material and equipment laydown areas and reclaimed materials stockpiling locations shall be discussed and further clarified at the pre-proposal meeting. All removed materials remain property of the K&O Railroad, to be stockpiled as directed by a railroad representative.

**Non-Project Areas**

CVR has secured access to the project through the railroad right of way. Other access may be obtained by the contractor if they so choose. All areas (public, private, and railroad right of way) that are used for access to the project, including parts of the railroad right of way which have no proposed work, shall be maintained and/or remediated, incidental to the project, by the contractor to the satisfaction of the property owner if any damage to these areas occurs.

**Pre-Proposal Meeting**

CVR shall hold a pre-proposal meeting at the project site at 11:00 a.m. (Central Time) November 5, 2024. The meeting shall be held at the CVR office in Satanta, Kansas. Contractors are required to be present at this meeting to submit a proposal or their proposal can be rejected.

**Project Completion**

All work pertaining to this project shall be completed by May 15, 2025. Failure to complete work by May 15, 2025, may result in the contractor’s removal from the property or charges of \$2500/day until completed to satisfaction.

**Submission of a Proposal**

All proposals must be submitted no later than November 15, 2024. All submitted proposals shall be reviewed by CVR. Please ensure your proposal includes all required information. All incomplete proposals shall be rejected. Contractors who wish to submit a proposal must attend the pre-proposal meeting. The structure of your proposal must be able to be clearly understood, all proposals shall provide the following line items and provide costs as required below:

- Provide a total sum of all line items on the proposal.
- Mobilization and Demobilization – Lump sum.
- Install 8,230 track feet of #115 RE rail.

- Install ties based on 19-inch centers.
- Install OTM bars, plates, anchors, and spikes.
- Dump ballast, tamp, and regulate.
- Clean up work site.
- Install two each complete 115# turnouts and SWT packs.
- Install two each details.

**Work Reporting**

Daily work reports must be filled out and submitted to:

- Arturo Andrade, CVR Roadmaster, at [aandrade@jag-transport.com](mailto:aandrade@jag-transport.com); phone 830-465-7285.
- Neal Jacobs, Division Engineer, at [njacobs@jag-transport.com](mailto:njacobs@jag-transport.com); phone 316-215-4087.

Weekly Reports should include updates to project schedules, any delays, or any change in the scope of work. A detailed summary report must be submitted at the completion of the project. Daily reporting shall consist of daily progress reports simultaneously emailed to Arturo Andrade and Neal Jacobs.

For further information or questions regarding the Request for Proposals or submitting a proposal, needs to be simultaneously emailed Arturo Andrade and Neal Jacobs.

Doc. No. 052590

State of Kansas

Office of the Governor

Proclamation by the Governor

TO THE PEOPLE OF KANSAS, GREETINGS:

WHEREAS, the use of a white cane, or a guide dog in harness, provides a message that a pedestrian is blind or severely visually impaired; and

WHEREAS, it is essential that Kansas Citizens observe and comply with laws pertaining to the right of way and safety of such persons; and

WHEREAS, this includes yielding of the right of way to such persons who are traveling in the built environment, which includes: streets, highways, sidewalks, walkways, public buildings, public facilities, places of public accommodation, amusement, and resort, and all places to which the public is invited; and

WHEREAS, the Kansas State School for the Blind is active in encouraging and assisting all educational entities in Kansas to make training in use of the white cane and other orientation and mobility skills available to all Kansas students who are blind or visually impaired;

NOW, THEREFORE, I, Laura Kelly, Governor of the State of Kansas, do hereby proclaim October 15, 2024, as

White Cane Safety Day

in the state of Kansas and I urge all citizens to join in this observation.

DONE: At the Capitol in Topeka under the Great Seal of the State this 15th day of October, A.D. 2024.

Laura Kelly  
Governor

Doc. No. 052598

State of Kansas

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be held at 9:00 a.m. November 8, 2024, in the conference room of the Kansas Development Finance Authority (the "Authority"), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, regarding the proposed plan to finance costs of certain athletic and media equipment (the "Equipment") for the benefit of Kansas Athletics, Incorporated, a Kansas nonprofit corporation (the "Corporation"). Under the plan of financing, the Authority will enter into a master equipment lease and sublease agreement(s), in an aggregate principal amount not expected to exceed \$16,000,000 (the "Agreement"). The Agreement is expected to be issued as a "Qualified 501(c)(3) Bond" as defined in Section 145 of the Internal Revenue Code of 1986. Proceeds of the Agreement will be used to finance, refinance or reimburse the Corporation for costs of acquiring and installing the Equipment. The Equipment will be owned and operated by the Corporation and will be used throughout the University of Kansas athletic facilities, including at the David Booth Kansas Memorial

Stadium at 1101 Mississippi Street, the Anderson Family Football Complex at 1146 Fambrough Way, Allen Fieldhouse at 1651 Naismith Drive, and Rock Chalk Park at 6100 Rock Chalk Drive, all in Lawrence, Kansas.

The Agreement will be a limited obligation of the Authority, payable solely from rental payments made by the Corporation, and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof.

Interested individuals may participate in the public hearing in person or via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

At the hearing, all individuals who appear will be given an opportunity to express their views for or against the above-mentioned Agreement to finance the Equipment, and all written comments previously sent to the Authority at its above-referenced offices will be considered. Additional information regarding the Agreement and the Equipment may be obtained by contacting the Authority at the address of its offices shown above.

Rebecca E. Floyd  
President

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Tuesday, November 12, 2024, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

**Project No. 001147 Maximum Principal Amount: \$98,000.** Owner/Operator: Adam R. and Audrey L. Budreau; Description: Acquisition of 62 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Adam R. and Audrey L. Budreau (the "Beginning Farmer") and is located in the Northwest Quarter of Section 32, Township 4, Range 3, Republic County, Kansas, approximately 4.5 miles east of Norway, Kansas on Highway 148, 2 miles south on 140th Road, then 0.25 miles east on Young Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an

(continued)

indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

Interested individuals may participate in the public hearing in person or via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, KS 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

Doc. No. 052597

(Published in the Kansas Register October 24, 2024.)

**City of Bel Aire, Kansas**

**Summary Notice of Sale**

**\$10,780,000\***

**General Obligation Bonds**

**Series 2024A**

**\$9,170,000**

**General Obligation Temporary Notes**

**Series 2024B**

**(General Obligations Payable  
from Unlimited Ad Valorem Taxes)**

**Bids**

Subject to the Notice of Sale dated October 15, 2024 (the "Notice"), facsimile, email, and electronic bids will be received on behalf of the Clerk of the City of Bel Aire, Kansas (the "Issuer") in the case of facsimile or email bids, at the address set forth below, and in the case of electronic bids, via [www.columbiacapitalauction.com](http://www.columbiacapitalauction.com) (the "Columbia Capital Auction") until 9:30 a.m. (Central Time) for the General Obligation Bonds, Series 2024A (the "Bonds"), and 10:00 a.m. (Central Time) for the General Obligation Temporary Notes, Series 2024B, (the "Notes"), November 5, 2024, for the purchase of the Bonds and Notes (collectively, the "Obligations"). No bid of less than 99% of the principal amount of the Bonds, and no bid of less than 99% of the principal amount of the Notes and accrued interest thereon to the date of delivery will be considered.

**Obligation Details**

The Obligations will consist of fully registered bonds and notes in the denomination of \$5,000 or any integral multiple thereof. The Obligations will be dated November 27, 2024. The Bonds and will become due on November 1 in the years as follows:

Year	Principal Amount*	Year	Principal Amount*
2026	\$395,000	2036	\$535,000
2027	410,000	2037	550,000
2028	420,000	2038	570,000
2029	430,000	2039	590,000
2030	445,000	2040	610,000
2031	455,000	2041	630,000
2032	470,000	2042	655,000
2033	485,000	2043	680,000
2034	500,000	2044	705,000
2035	515,000	2045	730,000

\* Subject to change, see the Notice

The Bonds will bear interest from the date thereof at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on May 1 and November 1 in each year, beginning on May 1, 2025.

The Notes will become due as follows:

Stated Maturity (December 1)	Principal Amount*
2027	\$9,170,000

\* Subject to change, see the Notice

The Notes will bear interest from the Dated Date at rates to be determined when the Notes are sold as hereinafter provided, which interest will be payable semiannually on June 1 and December 1 in each year, beginning on June 1, 2025.

**Book-Entry-Only System**

The Obligations shall be registered under a book-entry-only system administered through DTC.

**Paying Agent and Bond Registrar**

Treasurer of the State of Kansas, Topeka, Kansas.

**Good Faith Deposit**

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America, a qualified financial surety bond, or a wire transfer in Federal Reserve funds immediately available for use by the Issuer in the amount of \$215,600 for the Bonds and \$183,400 for the Notes.

**Delivery**

The Issuer will pay for preparation of the Obligations and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about November 27, 2024, to DTC for the account of the successful bidder or at such bank or trust company in the contiguous United States of America as may be specified by the successful bidder, or elsewhere at the expense of the successful bidder.

**Assessed Valuation and Indebtedness**

The Equalized Assessed Tangible Valuation for Computation of Bonded Debt Limitations for the year 2024 is \$113,957,616. The total general obligation indebtedness of the Issuer as of the Dated Date, including the Obligations being sold, is \$69,110,000.

**Approval of Bonds**

The Obligations will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, Bond Counsel to the Issuer, whose approving legal opinion as to the validity of the Obligations will be furnished and paid for by the Issuer, printed on the Obligations, and delivered to the successful bidder as and when the Obligations are delivered.

**Additional Information**

Additional information regarding the Obligations may be obtained from the undersigned at the addresses set forth below.

(Published in the Kansas Register October 24, 2024.)

**City of Overland Park, Kansas**

**Summary Notice of Bond Sale  
 \$9,670,000\*  
 Internal Improvement Bonds  
 Series 2024A**

**(General Obligations Payable  
 from Unlimited Ad Valorem Taxes)**

**Bids**

Subject to the complete Notice of Bond Sale (the “Notice of Sale”), bids for the Series 2024A Bonds, as hereinafter defined, will be received by the undersigned, Director of Finance and Budget for the City of Overland Park, Kansas (the “City”), 8500 Santa Fe Dr., Overland Park, KS 66212 until 10:30 a.m. (Central Time) Monday, November 18, 2024 (the “Sale Date”), for the purchase of all of the City’s \$9,670,000\* principal amount of Internal Improvement Bonds, Series 2024A (the “Series 2024A Bonds”), as hereinafter described. Bids for the purchase of all of the Series 2024A Bonds may be submitted by

electronic bids as provided herein. Electronic bids for the purchase of all of the Series 2024A Bonds will only be accepted through PARITY® electronic bid submission system. Each bidder shall be solely responsible for making the necessary arrangements to access PARITY® for the purpose of submitting its electronic bid in a timely manner and in compliance with the requirements of the Notice of Sale. If any provisions in this Summary Notice of Bond Sale conflict with information provided by PARITY®, this Summary Notice of Bond Sale will control. Further information about PARITY®, including any fee charged and registration requirements, may be obtained from i-Deal, LLC, 1359 Broadway, 2nd Floor, New York, NY 10018, Customer Support, phone 212-849-5021. The City assumes no responsibility or liability for bids submitted through PARITY®. The City is using the services of PARITY® solely as a communication mechanism to conduct the electronic bidding for the Series 2024A Bonds. PARITY® is not an agent of the City.

All bids will be publicly opened on the date and at the time set forth above and acted upon by the City Council at a meeting to be held at 7:30 p.m., or soon thereafter as practicable, on said Sale Date. No oral, telephone, facsimile, hand-delivered, or auction bids will be considered.

No bid of less than 99.4% of the principal amount of the Series 2024A Bonds, plus accrued interest thereon, if any, to the date of delivery, will be considered. Bidders may be required to be qualified in a manner established by the City before submitting a bid.

**Bond Details**

The Series 2024A Bonds will be in book-entry form only. The Series 2024A Bonds will be issued in the denomination of \$5,000 or any integral multiple thereof, will be dated December 18, 2024 (the “Dated Date”), will be issued in the principal amount of \$9,670,000\*, and will become due serially on September 1 in each of the years as follows:

<b>Maturity Schedule*</b>			
<b>Maturity</b>	<b>Principal</b>	<b>Maturity</b>	<b>Principal</b>
<b>Sept. 1</b>	<b>Amount</b>	<b>Sept. 1</b>	<b>Amount</b>
2025	\$570,000	2035	\$390,000
2026	580,000	2036	390,000
2027	580,000	2037	390,000
2028	580,000	2038	390,000
2029	580,000	2039	390,000
2030	580,000	2040	390,000
2031	580,000	2041	390,000
2032	575,000	2042	390,000
2033	575,000	2043	390,000
2034	575,000	2044	385,000

\* Preliminary, subject to change

Bids for the Series 2024A Bonds may contain a maturity schedule providing for a combination of serial bonds and term bonds. All Series 2024A term bonds shall be subject to mandatory sinking fund redemption and must conform to the maturity schedule set forth above at a price of par plus accrued interest to the date of redemption.

(continued)

The Series 2024A Bonds will bear interest from the Dated Date at the rates to be determined when the Series 2024A Bonds are sold as provided in the Notice of Sale, payable semiannually on March 1 and September 1 in each year, commencing September 1, 2025.

#### Delivery and Payment

The Series 2024A Bonds will be delivered to the successful bidder properly prepared, executed, and registered without cost on or about December 18, 2024, through the facilities of The Depository Trust Company, in New York, New York.

#### Good Faith Deposit

Each bid shall either be accompanied by a cashier's check or certified check drawn on a bank located in the United States of America in the amount of \$193,400 (2% of the principal amount of the Series 2024A Bonds) or shall specify the agreement of the bidder to submit such good faith deposit amount by electronic fund transfer through the federal reserve system to an account specified by the City by 1:00 p.m. on the Sale Date.

#### Costs

The City will pay the cost of printing the Series 2024A Bonds and the expense of all legal services, including the opinion of Kutak Rock LLP, Bond Counsel, approving the legality of the Series 2024A Bonds and the exclusion of the interest thereon (with specified minor exceptions) from federal and Kansas gross income taxes.

#### Assessed Valuation and Indebtedness

For the computation of the debt limitation relating to the Series 2024A Bonds, the assessed valuation of the taxable tangible property within the City for the year 2023 is \$5,436,157,235. The total general obligation bonded indebtedness of the City as of the Dated Date of the Series 2024A Bonds is \$89,295,000, which includes the Series 2024A Bonds.

#### Additional Information

A complete Notice of Bond Sale for the Series 2024A Bonds, Official Statement and bid form approved by the City will be provided to all interested parties upon request. Bidders may be required to be qualified in a manner established by the City before submitting a bid. Additional information regarding the Series 2024A Bonds may be obtained from the Municipal Advisor, PFM Financial Advisors LLC at 612-371-3753 or Gena McDonald, the City's Director of Finance and Budget at 913-895-6158.

Doc. No. 052605

## State of Kansas

### Department of Health and Environment

#### Permanent Administrative Regulations

#### Article 16.—WATER POLLUTION CONTROL

**28-16-28e.** Surface water quality criteria. (a) Criteria development guidance. The development of surface water quality criteria for substances not listed in these standards shall be guided by water quality criteria published by the EPA. If the department finds that the criteria listed in this regulation are underprotective or overprotective for a given surface water segment, appropriate site-specific criteria may be developed and applied by the department, in accordance with K.A.R. 28-16-28f, using bioassessment methods or other related scientific procedures, including those procedures consistent with the EPA's "water quality standards handbook," second edition, as published in August 1994, or other department-approved methods.

(b) General criteria for surface waters. The following criteria shall apply to all surface waters, regardless of classification:

(1) Surface waters shall be free, at all times, from the harmful effects of substances that originate from artificial sources of pollution and that produce any public health hazard, nuisance condition, or impairment of a designated use.

(2) Hazardous materials derived from artificial sources, including toxic substances, radioactive isotopes, and infectious microorganisms derived from point sources or nonpoint sources, shall not occur in surface waters at concentrations or in combinations that jeopardize the public health or the survival or well-being of livestock, domestic animals, terrestrial wildlife, or aquatic or semi-aquatic life.

(3) Surface waters shall be free of all discarded solid materials, including trash, garbage, rubbish, offal, grass clippings, discarded building or construction materials, car bodies, tires, wire, and other unwanted or discarded materials. The placement of stone and concrete rubble for bank stabilization shall be acceptable to the department if all other required permits are obtained before placement.

(4) Surface waters shall be free of floating debris, scum, foam, froth, and other floating materials directly or indirectly attributable to artificial sources of pollution.

(5) Oil and grease from artificial sources shall not cause any visible film or sheen to form upon the surface of the water or upon submerged substrate or adjoining shorelines, nor shall these materials cause a sludge or emulsion to be deposited beneath the surface of the water or upon the adjoining shorelines.

(6) Surface waters shall be free of deposits of sludge or fine solids attributable to artificial sources of pollution.

(7) Taste-producing and odor-producing substances from artificial sources shall not occur in surface waters at concentrations that interfere with the production of potable water by conventional water treatment processes, that impart an unpalatable flavor to edible aquatic or semiaquatic life or terrestrial wildlife, or that result in noticeable odors in the vicinity of surface waters.

(8) The natural appearance of surface waters shall not be altered by the addition of color-producing or turbidity-producing substances from artificial sources.

(9) In stream segments where background concentrations of naturally occurring substances, including chlorides and sulfates, exceed the water quality criteria listed in table 1a of the "Kansas surface water quality standards: tables of numeric criteria," as adopted by reference in subsection (e), the existing water quality shall be maintained, and the newly established numeric criteria shall be the background concentration. Background concentrations shall be established using the methods outlined in the "Kansas implementation procedures: surface water quality standards," as adopted by reference in K.A.R. 28-16-28b, and available upon request from the department.

(c) Application of criteria for designated uses of surface waters.

(1) The numeric criteria in tables 1a, 1b, 1c, and 1d of the "Kansas surface water quality standards: tables of numeric criteria" shall not apply if the critical low flow is less than 0.03 cubic meter per second (1.0 cubic foot per second) for waters designated as expected aquatic life use waters and restricted aquatic life use waters, unless studies conducted or approved by the department show that water present during periods of no flow, or flow below critical low flow, provides important refuges for aquatic life and permits biological recolonization of intermittently flowing segments.

(2) The numeric criteria in tables 1a, 1b, 1c, and 1d of the "Kansas surface water quality standards: tables of numeric criteria" shall not apply if the critical low flow is less than 0.003 cubic meter per second (0.1 cubic foot per second) for waters designated as special aquatic life use waters, unless studies conducted or approved by the department show that water present during periods of no flow, or flow below critical low flow, provides important refuges for aquatic life and permits biological recolonization of intermittently flowing segments.

(d) Criteria for designated uses of surface waters. The following criteria shall apply to all classified surface waters for the indicated designated uses:

(1) Agricultural water supply use. The water quality criteria for irrigation and livestock watering specified in table 1a of the "Kansas surface water quality standards: tables of numeric criteria" shall not be exceeded outside of mixing zones due to artificial sources of pollution.

(2) Aquatic life support use.

(A) Nutrients. The introduction of plant nutrients into streams, lakes, or wetlands from artificial sources shall be controlled to prevent the accelerated succession or replacement of aquatic biota or the production of undesirable quantities or kinds of aquatic life.

(B) Suspended solids. Suspended solids added to surface waters by artificial sources shall not interfere with the behavior, reproduction, physical habitat, or other factors related to the survival and propagation of aquatic or semiaquatic life or terrestrial wildlife. In the application of this provision, suspended solids associated with discharges of presedimentation sludge from water treatment facilities shall be deemed noninjurious to aquatic and semiaquatic life and terrestrial wildlife if these dis-

charges do not violate the requirements of paragraphs (b)(6) and (8) and paragraph (d)(2)(D).

(C) Temperature.

(i) Heat from artificial sources shall not be added to a surface water in excess of the amount that will raise the temperature of the water beyond the mixing zone more than 30°C above natural conditions. Additionally, a discharge to a receiving water shall not lower the temperature of the water beyond the mixing zone more than 3°C below natural conditions. The normal daily and seasonal temperature variations occurring within a surface water before the addition of heated or cooled water from artificial sources shall be maintained.

(ii) Temperature criteria applicable to industrial cooling water recycling reservoirs that meet the requirements for classification specified in K.A.R. 28-16-28d shall be established by the secretary on a case-by-case basis to protect the public health, safety, or the environment.

(D) Toxic substances.

(i) Conditions of acute toxicity shall not occur in classified surface waters outside of zones of initial dilution, nor shall conditions of chronic toxicity occur in classified surface waters outside of mixing zones.

(ii) Acute criteria for the aquatic life support use specified in tables 1a, 1b, and 1c of the "Kansas surface water quality standards: tables of numeric criteria" shall apply beyond the zone of initial dilution. Chronic criteria for the aquatic life support use specified in tables 1a, 1b, and 1d of the "Kansas surface water quality standards: tables of numeric criteria" shall apply beyond the mixing zone.

(iii) If a discharge contains a toxic substance that lacks any published criteria for the aquatic life support use, or if a discharge contains a mixture of toxic substances capable of additive or synergistic interactions, bioassessment methods and procedures shall be specified by the department to establish whole-effluent toxicity limitations that are consistent with paragraph (d)(2)(D)(i).

(3) Domestic water supply use.

(A) Except as provided in paragraph (d)(3)(B), the criteria listed in table 1a of the "Kansas surface water quality standards: tables of numeric criteria" for domestic water supply use shall not be exceeded at any point of domestic water supply diversion.

(B) In stream segments where background concentrations of naturally occurring substances, including chlorides and sulfates, exceed the domestic water supply criteria listed in table 1a of the "Kansas surface water quality standards: tables of numeric criteria," due to intrusion of mineralized groundwater, the existing water quality shall be maintained, and the newly established numeric criteria for domestic water supply shall be the background concentration. Background concentrations shall be established using the methods outlined in the "Kansas implementation procedures: surface water quality standards," which is adopted in K.A.R. 28-16-28b.

(C) Any substance derived from an artificial source that, alone or in combination with other synthetic or naturally occurring substances, causes toxic, carcinogenic, teratogenic, or mutagenic effects in humans shall be limited to nonharmful concentrations in surface waters. Unless site-specific water quality conditions warrant the

*(continued)*

promulgation of more protective criteria under the provisions of subsection (a) of this regulation and K.A.R. 28-16-28f, maximum contaminant levels for toxic, carcinogenic, teratogenic, or mutagenic substances specified in 40 C.F.R. 141.11, 141.13, and 141.61 through 141.66, as in effect on July 1, 2012, shall be deemed nonharmful.

(D) The introduction of plant nutrients into surface waters designated for domestic water supply use shall be controlled to prevent interference with the production of drinking water.

(4) Food procurement use.

(A) Criteria listed in table 1a of the “Kansas surface water quality standards: tables of numeric criteria” for food procurement use shall not be exceeded outside of a mixing zone due to any artificial source of pollution.

(B) Substances that can bioaccumulate in the tissues of edible aquatic or semiaquatic life or wildlife through bioconcentration or biomagnification shall be limited in surface waters to concentrations that result in no harm to human consumers of these tissues. For bioaccumulative carcinogens, surface water concentrations corresponding to a cancer risk level of less than 0.000001 ( $10^{-6}$ ) in human consumers of aquatic or semiaquatic life or wildlife shall be deemed nonharmful by the department and adopted as food procurement criteria. Average rates of tissue consumption and lifetime exposure shall be assumed by the department in the estimation of the cancer risk level.

(5) Groundwater recharge use. In surface waters designated for the groundwater recharge use, water quality shall be such that, at a minimum, degradation of groundwater quality does not occur. Degradation shall include any statistically significant increase in the concentration of any chemical or radiological contaminant or infectious microorganism in groundwater resulting from surface water infiltration or injection.

(6) Industrial water supply use. Surface water quality criteria for industrial water supplies shall be determined by the secretary on a case-by-case basis to protect the public health, safety, or the environment.

(7) Recreational use.

(A) General. The introduction of plant nutrients into surface waters designated for primary or secondary contact recreational use shall be controlled to prevent the development of objectionable concentrations of algae or algal by-products or nuisance growths of submersed, floating, or emergent aquatic vegetation.

(B) Primary contact recreation for classified surface waters other than classified stream segments. A single sample maximum or a geometric mean of at least five samples collected during separate 24-hour periods within a 30-day period shall not exceed the criteria in table 1j of the “Kansas surface water quality standards: tables of numeric criteria” beyond the mixing zone.

(C) Secondary contact recreational use for classified surface waters other than classified stream segments. A single sample maximum or a geometric mean of at least five samples collected during separate 24-hour periods within a 30-day period shall not exceed the criteria in table 1j of the “Kansas surface water quality standards: tables of numeric criteria” beyond the mixing zone.

(D) Primary contact recreation for classified stream segments. At least five samples shall be collected during

separate 24-hour periods within a 30-day period. A geometric mean analysis of these samples shall not exceed the criteria in table 1i of the “Kansas surface water quality standards: tables of numeric criteria” beyond the mixing zone.

(E) Secondary contact recreation for classified stream segments. The following criteria shall be in effect from January 1 through December 31 of each year:

(i) At least five samples shall be collected during separate 24-hour periods within a 30-day period.

(ii) A geometric mean analysis of the samples specified in paragraph (d)(7)(E)(i) shall not exceed the criteria in table 1i of the “Kansas surface water quality standards: tables of numeric criteria” beyond the mixing zone.

(F) Wastewater disinfection. Wastewater effluent shall be disinfected if the department determines that the discharge of nondisinfected wastewater constitutes an actual or potential threat to public health. Situations that constitute an actual or potential threat to public health shall include instances in which there is a reasonable potential for the discharge to exceed the applicable criteria supporting the assigned recreational use designation or if a water body is known or likely to be used for either of the following:

(i) Primary or secondary contact recreation; or

(ii) any domestic water supply.

(8) Multiple uses. If a classified stream segment or classified surface water other than a classified stream segment is designated for more than one designated use according to K.A.R. 28-16-28d, the water quality of the classified stream segment or classified surface water other than a classified stream segment shall meet the most stringent of the applicable water quality criteria.

(e) Tables. The numeric criteria for the designated uses of classified surface waters shall be the numeric criteria specified in the department’s “Kansas surface water quality standards: tables of numeric criteria,” dated July 1, 2023, which is hereby adopted by reference. (Authorized by K.S.A. 65-171d and 82a-2002; implementing K.S.A. 65-171d; effective May 1, 1986; amended, T-87-8, May 1, 1986; amended May 1, 1987; amended Aug. 29, 1994; amended July 30, 1999; amended Nov. 3, 2000; amended Aug. 31, 2001; amended Jan. 3, 2003; amended Oct. 24, 2003; amended Jan. 28, 2005; amended March 20, 2015; amended Feb. 23, 2018; amended March 25, 2022; amended Nov. 8, 2024.)

**28-16-28h.** Surface water variance register. The variances approved by the secretary shall be those identified in the department’s “Kansas surface water quality standards variance register,” dated October 1, 2023, which is hereby adopted by reference. (Authorized by K.S.A. 65-171d and 65-171m; implementing K.S.A. 65-171d; effective Feb. 23, 2018; amended March 25, 2022; amended Nov. 8, 2024.)

Janet Stanek

## Board of Healing Arts

### Permanent Administrative Regulations

#### Article 1.—BOARD OF HEALING ARTS

**100-1-1. Seals.** The board shall have a common seal which shall be used to authenticate all official acts and documents of the board. (Authorized by K.S.A. 65-2819 and K.S.A. 65-2865; implementing K.S.A. 65-2819; effective Jan. 1, 1966; amended Feb. 15, 1977; amended Nov. 8, 2024.)

#### Article 2.—OFFICERS

**100-2-2. Term.** Each president and vice president shall hold office for a term of one year and until their successors are elected and qualified. (Authorized by K.S.A. 65-2865; implementing K.S.A. 65-2818; effective Jan. 1, 1966; amended Nov. 8, 2024.)

**100-2-3. President; duties.** (a) The president of the board shall:

- (1) preside at all meetings of the board;
- (2) countersign the minutes of board meetings when approved; and
- (3) perform such duties as otherwise authorized or required by law, or specifically assigned by the board.

(b) The president of the board may:

- (1) appoint standing committees as directed by the board; and
- (2) appoint subcommittees for special purposes. (Authorized by K.S.A. 65-2865; implementing K.S.A. 65-2818; effective Jan. 1, 1966; amended May 1, 1988; amended Nov. 8, 2024.)

**100-2-4. Vice-president; duties.** In the absence, recusal, or disability of the president at any regular or special board meeting, the vice-president shall:

(a) Possess all the powers and duties of the president during such meeting for the duration of the absence, recusal, or disability; and

(b) countersign the minutes of such meeting when approved. (Authorized by K.S.A. 65-2865; implementing K.S.A. 65-2818; effective Jan. 1, 1966; amended Nov. 8, 2024.)

#### Article 3.—COMMITTEES

**100-3-1.** (Authorized by K.S.A. 65-2865; effective Jan.

1, 1966; amended Jan. 1, 1970; amended Feb. 15, 1977; amended May 1, 1979; revoked Nov. 8, 2024.)

#### Article 4.—VACANCIES

**100-4-1. Causes.** A vacancy shall occur in any board office for president or vice president when the person holding that office resigns or is no longer a member of the board. (Authorized by K.S.A. 65-2865; implementing K.S.A. 65-2818 and 65-2819; effective Jan. 1, 1966; amended Feb. 15, 1977; amended Nov. 8, 2024.)

**100-4-2. Filling.** If a vacancy occurs in the office of president, the vice-president shall act as president until the next regular meeting of the board, at which time one of the members of the board shall be elected to fill such vacancy for the unexpired term. (Authorized by K.S.A. 65-2865; implementing K.S.A. 65-2818 and 65-2819; effective Feb. 15, 1977; amended Nov. 8, 2024.)

#### Article 5.—MEETINGS

**100-5-1. Meetings.** Prior to January 1 of each year the board shall designate the dates, times and places of its regular meetings for the next calendar year. Any changes to the dates, times or places of such meetings may be made by the board at any regular meeting or special meeting called for that purpose. (Authorized by K.S.A. 65-2865; implementing K.S.A. 65-2818 and K.S.A. 65-2819; effective Jan. 1, 1966; amended Feb. 15, 1977; amended May 1, 1988; amended Nov. 8, 2024.)

**100-5-2. Special meetings.** (a) Special meetings may be called by the president at any time.

(b) The president shall call a special meeting when a written request is made by a quorum of the board setting forth an agenda of business to be transacted at that meeting.

(c) Notice of the date, time and place of any special meeting and an agenda of the business to be transacted at that meeting shall be furnished to each member of the board at least two days before the meeting.

(d) No business shall be transacted at a special meeting except as set forth in the agenda for the special meeting. (Authorized by K.S.A. 65-2865; implementing K.S.A. 65-2819; effective Jan. 1, 1966; amended Feb. 15, 1977; amended May 1, 1988; amended Nov. 8, 2024.)

Susan Gile  
Executive Director  
Board of Healing Arts

Doc. No. 052610

**INDEX TO ADMINISTRATIVE REGULATIONS**
